RISKS IN RELATION TO THE FIRST OFFER

This being the first public issue of Equity Shares of our Company, there has been no formal market for the Equity Shares of our Company. The face value of the Equity Shares is ₹ 2 each. The Offer Price, Floor Price or Cap Price as determined by our Company in consultation with the BRLMs and on the basis of the assessment of market demand for the Equity Shares by way of the Book Building Process, in accordance with the SEBI ICDR Regulations, and as stated under "*Basis for the Offer Price*" on page 114, should not be considered to be indicative of the market price of the Equity Shares after the Equity Shares are listed. No assurance can be given regarding an active and/or sustained trading in the Equity Shares nor regarding the price at which the Equity Shares will be traded after listing.

GENERAL RISK

Investment in equity and equity-related securities involve a degree of risk and investors should not invest any funds in the Offer unless they can afford to take the risk of losing their investment. Investors are advised to read the risk factors carefully before taking an investment decision in the Offer. For taking an investment decision, investors must rely on their own examination of our Company and the Offer,

including the risks involved. The Equity Shares in the Offer have not been recommended or approved by the Securities and Exchange Board of India ("**SEBI**"), nor does SEBI guarantee the accuracy or adequacy of the contents of this Red Herring Prospectus. Specific attention of the investors is invited to "*Risk Factors*" on page 20.

COMPANY'S AND PROMOTER SELLING SHAREHOLDERS' ABSOLUTE RESPONSIBILITY

Our Company, having made all reasonable inquiries, accepts responsibility for and confirms that this Red Herring Prospectus contains all information with regard to our Company and the Offer, which is material in the context of the Offer, that the information contained in this Red Herring Prospectus is true and correct in all material aspects and is not misleading in any material respect, that the opinions and intentions expressed herein are honestly held and that there are no other facts, the omission of which makes this Red Herring Prospectus as a whole or any of such information or the expression of any such opinions or intentions misleading in any material respect. Further, each of the Promoter Selling Shareholders severally and not jointly, accepts responsibility for and confirm only the statements expressly made by such Promoter Selling Shareholders in this Red Herring Prospectus solely in relation to themselves and their respective portion of the Offered Shares and assume responsibility that such statements are true and correct in all material respects and not misleading in any material respect. The Promoter Selling Shareholders assume no responsibility for any other statements, including, *inter alia*, any of the statements made by or relating to Company's or in relation to Company business or any other Promoter Selling Shareholders or any other person in this Red Herring Prospectus.

LISTING

The Equity Shares offered through this Red Herring Prospectus, are proposed to be listed on the BSE Limited ("**BSE**") and National Stock Exchange of India Limited ("**NSE**", together with BSE, the "**Stock Exchanges**"). For the purposes of the Offer, the Designated Stock Exchange shall be BSE. A signed copy of this Red Herring Prospectus and the Prospectus shall be delivered to the RoC for filing in accordance with Section 26(4) and Section 32 of the Companies Act. For details of the material contracts and documents available for inspection from the date of this Red Herring Prospectus up to the Bid/Offer Closing Date, see *'Material Contracts and Documents for Inspection*' on page 418.

OUR PROMOTERS: ASHISH AGARWAL, SEEMA AGARWAL AND DEV AGARWAL

INITIAL PUBLIC OFFERING OF UP TO [●] EQUITY SHARES OF FACE VALUE OF ₹ 2 EACH ("EQUITY SHARES") OF DEEPA JEWELLERS LIMITED ("OUR COMPANY" OR THE "ISSUER") FOR CASH AT A PRICE OF ₹ [●] PER EQUITY SHARE (INCLUDING A PREMIUM OF ₹ [●] PER EQUITY SHARE) ("OFFER PRICE") AGGREGATING UP TO ₹ [●] MILLION ("OFFER"). THE OFFER COMPRISES OF A FRESH ISSUE OF UP TO [●] EQUITY SHARES AGGREGATING UP TO ₹ 2,500.00 MILLION (THE "FRESH ISSUE") AND AN OFFER FOR SALE OF UP TO 11,848,340 EQUITY SHARES AGGREGATING UP TO ₹ [●] MILLION (THE "OFFER FOR SALE"), COMPRISING OF UP TO 5,924,170 EQUITY SHARES AGGREGATING UP TO ₹ [●] MILLION BY ASHISH AGARWAL AND UP TO 5,924,170 EQUITY SHARES AGGREGATING UP TO ₹ [●] MILLION BY SEEMA AGARWAL (COLLECTIVELY THE "PROMOTER SELLING SHAREHOLDERS"). THE OFFER WILL CONSTITUTE [●] % OF OUR POST-OFFER PAID-UP EQUITY SHARE CAPITAL.

THE FACE VALUE OF OUR EQUITY SHARE IS ₹ 2 EACH AND THE OFFER PRICE IS [●] TIMES THE FACE VALUE OF THE EQUITY SHARES. THE PRICE BAND AND THE MINIMUM BID LOT WILL BE DECIDED BY OUR COMPANY IN CONSULTATION WITH THE BRLMS AND WILL BE ADVERTISED IN ALL EDITIONS OF FINANCIAL EXPRESS (A WIDELY CIRCULATED ENGLISH NATIONAL DAILY NEWSPAPER), IN ALL EDITIONS OF JANSATTA (A WIDELY CIRCULATED HINDI NATIONAL DAILY NEWSPAPER) AND IN HYDERABAD EDITIONS OF MANA TELANGANA (A TELUGU DAILY NEWSPAPER, TELUGU BEING THE REGIONAL LANGUAGE OF TELANGANA, WHERE OUR REGISTERED OFFICE IS LOCATED), AT LEAST TWO WORKING DAYS PRIOR TO THE BID/OFFER OPENING DATE AND SHALL BE MADE AVAILABLE TO THE STOCK EXCHANGES FOR UPLOADING ON THEIR RESPECTIVE WEBSITES IN ACCORDANCE WITH SEBI ICDR REGULATIONS.

In case of any revision in the Price Band, the Bid/Offer Period will be extended by at least three additional Working Days after such revision in the Price Band, subject to the Bid/Offer Period not exceeding 10 Working Days. In cases of *force majeure*, banking strike or similar circumstances, our Company may, in consultation with the BRLMs, for reasons to be recorded in writing, extend the Bid /Offer Period for a minimum of one Working Day, subject to the Bid/Offer Period not exceeding 10 Working Days. Any revision in the Price Band and the revised Bid/Offer Period, if applicable, shall be widely disseminated by notification to the Stock Exchanges, by issuing a public notice/ press release, and also by indicating the change on the respective websites of the BRLMs and at the terminals of the members of the Syndicate and by intimation to Designated Intermediaries and the Sponsor Banks, as applicable.

The Offer is being made in terms of Rule 19(2)(b) of the Securities Contracts (Regulation) Rules, 1957, as amended ("**SCRR**") read with Regulation 31 of the SEBI ICDR Regulations. This Offer is being made through the Book Building Process in accordance with Regulation 6(1) of the SEBI ICDR Regulations, wherein in terms of Regulation 32(1) of the SEBI ICDR Regulations, not more than 50% of the Offer shall be available for allocation on a proportionate basis to Qualified Institutional Buyers ("**QIBs**", and such portion, the "**QIB Portion**"), provided that our Company in consultation with the BRLMs may allocate up to 60% of the QIB Portion to Anchor Investors on a discretionary basis (the "**Anchor Investor Portion**"), out of 40.00% of the Anchor Investor Portion will be reserved for allocation in the following manner: (i) 33.33% to domestic Mutual Funds, and (ii) 6.67% to life insurance companies and pension funds, subject to valid Bids having been received from domestic Mutual Funds, Life Insurance Companies and Pension Funds at or above the price at which Equity Shares has been allocated to Anchor Investors ("Anchor Investor Allocation Price"),in accordance with the SEBI ICDR Regulations In the event of an under-subscription in the portion reserved for life insurance companies and pension funds, the allocation shall be made to domestic Mutual Funds, subject to valid Bids being received at or above the Anchor Investor Allocation Price, in accordance with the SEBI ICDR Regulations. In the event of under-subscription, or non-allocation in the Anchor Investor Portion, the balance Equity Shares shall be added to the QIB Portion (other than Anchor Investor Portion) ("**Net QIB Portion**"). Further, 5% of the Net QIB Portion shall be available for allocation on a proportionate basis to Mutual Funds only, and the remainder of the Net QIB Portion shall be available for allocation on a proportionate basis to all QIBs, including Mutual Funds, subject to valid Bids being received at or above the Offer Price. However, if the aggregate demand from Mutual Funds is less than 5% of the Net QIB Portion, the balance Equity Shares available for allocation in the Mutual Fund Portion will be added to the remaining Net QIB Portion for proportionate allocation to QIBs. Further, not less than 15% of the Offer shall be available for allocation on a proportionate basis to Non-Institutional Bidders out of which (a) one-third of such portion shall be reserved for applicants with application size of more than ₹ 0.20 million and up to ₹ 1.00 million; and (b) two-third of such portion shall be reserved for applicants with application size of more than ₹ 1.00 million, provided that the unsubscribed portion in either of such sub-categories may be allocated to applicants in the other sub-category of Non-Institutional Bidders and not less than 35% of the Offer shall be available for allocation to Retail Individual Bidders in accordance with the SEBI ICDR Regulations, subject to valid Bids being received at or above the Offer Price. All potential Bidders (except Anchor Investors) are required to mandatorily use the Application Supported by Blocked Amount ("**ASBA**") process providing details of their respective ASBA accounts, and UPI ID in case of UPI Bidders, if applicable, in which the corresponding Bid Amounts will be blocked by the SCSBs or by the Sponsor Banks under the UPI Mechanism, as applicable, to the extent of the respective Bid Amounts. Anchor Investors are not permitted to participate in the Offer through the ASBA process. For details, see "*Offer Procedure*" on page 371.

RISKS IN RELATION TO THE FIRST OFFER

This being the first public issue of the Equity Shares of our Company, there has been no formal market for the Equity Shares of our Company. The face value of the Equity Shares is ₹ 2. The Offer Price, Floor Price or Cap Price as determined by our Company and in consultation with the BRLMs and on the basis of the assessment of market demand for the Equity Shares by way of the Book Building Process, in accordance with the SEBI ICDR Regulations, and as stated under "*Basis for the Offer Price*" on page 114, should not be taken to be indicative of the market price of the Equity Shares after the Equity Shares are listed. No assurance can be given regarding an active and/or sustained trading in the Equity Shares nor regarding the price at which the Equity Shares will be traded after listing.

GENERAL RISK

Investments in equity and equity-related securities involve a degree of risk and investors should not invest any funds in the Offer unless they can afford to take the risk of losing their investment. Investors are advised to read the risk factors carefully before taking an investment decision in the Offer. For taking an investment decision, investors must rely on their own examination of our Company and the Offer, including the risks involved. The Equity Shares in the Offer have not been recommended or approved by the Securities and Exchange Board of India ("**SEBI**"), nor does SEBI guarantee the accuracy or adequacy of the contents of this Red Herring Prospectus. Specific attention of the investors is invited to "*Risk Factors*" on page 20.

COMPANY'S AND PROMOTER SELLING SHAREHOLDERS' ABSOLUTE RESPONSIBILITY

Our Company, having made all reasonable inquiries, accepts responsibility for and confirms that this Red Herring Prospectus contains all information with regard to our Company and the Offer, which is material in the context of the Offer, that the information contained in this Red Herring Prospectus is true and correct in all material aspects and is not misleading in any material respect, that the opinions and intentions expressed herein are honestly held and that there are no other facts, the omission of which makes this Red Herring Prospectus as a whole or any of such information or the expression of any such opinions or intentions misleading in any material respect. Further, each of the Promoter Selling Shareholder, severally and not jointly, accepts responsibility for and confirm only the statements expressly made by such Promoter Selling Shareholder in this Red Herring Prospectus solely in relation to themselves and their respective portion of the Offered Shares and assumes responsibility that such statements are true and correct in all material respects and not misleading in any material respect. The Promoter Selling Shareholders assume no responsibility for any other statements, including, *inter alia*, any of the statements made by or relating to Company or in relation to Company business or any other Promoter Selling Shareholders or any other person(s) in this Red Herring Prospectus.

LISTING

The Equity Shares offered through this Red Herring Prospectus, are proposed to be listed on the Stock Exchanges. Our Company has received 'in-principle' approvals from BSE and NSE for the listing of the Equity Shares pursuant to their letters each dated February 27, 2026. For the purposes of the Offer, the Designated Stock Exchange shall be BSE. A signed copy of this Red Herring Prospectus has been filed with the RoC in accordance with Sections 26(4) and a signed copy of the Prospectus shall be filed with the RoC in accordance with Section 32 of the Companies Act, 2013. For further details of the material contracts and documents available for inspection from the date of this Red Herring Prospectus until the Bid/Offer Closing Date, see "*Material Contracts and Documents for Inspection*" on page 418.

Key Performance Indicators

Sr. No.	KPI	Explanation
1.	Revenue from operations	Revenue from operations is used by the management to track the revenue profile of the business and in turn helps assess the overall financial performance of our Company and size of the business.
2.	EBITDA	EBITDA provides information regarding the operational efficiency of the business.
3.	EBITDA Margin (%)	EBITDA margin (%) is an indicator of the operational profitability and financial performance of the business.
4.	Profit after tax (PAT)	Profit after tax provides information regarding the overall profitability of the business.
5.	PAT Margin (%)	PAT margin (%) is an indicator of the overall profitability and financial performance of the business.
6.	RoCE (%)	RoCE provides how efficiently our Company generates earnings from the capital employed in the business.
7.	RoE (%)	RoE provides how efficiently our Company generates profits from shareholders' funds.

Sr. No.	KPI	Explanation
8.	Debt-equity ratio	The debt to equity ratio compares an organization's liabilities to its shareholders' equity and is used to gauge how much debt or leverage the organization is using.
9.	Inventory holding period (days)	Inventory holding period (Days) means the average number of days our Company keeps inventory before it is sold.
10.	Debtors holding period (Days)	Debtors holding period (Days) means the average number of days our Company takes to collect cash from its credit customers.
11.	Creditors holding period (days)	Creditors holding period (Days) means the average number of days our Company takes to pay its suppliers.
12.	Net operating cycle (days)	Net operating cycle (Days) means the number of days our Company takes to convert its investment in operations into cash.

CERTAIN CONVENTIONS, PRESENTATION OF FINANCIAL, INDUSTRY AND MARKET DATA

Certain Conventions

All references in this Red Herring Prospectus to "India" are to the Republic of India and its territories and possessions and all references herein to the "Government", "Indian Government", "GoI", "Central Government" or the "State Government" are to the Government of India, central or state, as applicable.

All references herein to the "USA", "US", the "U.S." or the "United States" are to the United States of America and its territories and possessions, any State of the United States and the District of Columbia.

Page Numbers

Unless indicated otherwise, all references to page numbers in this Red Herring Prospectus are to page numbers of this Red Herring Prospectus.

Financial Data

The Restated Financial Information of our Company comprises of (i) the restated statement of assets and liabilities for the Fiscals ended March 31, 2026, March 31, 2025 and March 31, 2024; (ii) the restated statement of profit and loss (including other comprehensive income), for the Fiscals ended March 31, 2026, March 31, 2025 and March 31, 2024; and (iii) the restated statement of changes in equity and restated statement of cash flows for the Fiscals ended March 31, 2026, March 31, 2025 and March 31, 2024 and material accounting policies, and other explanatory notes, each prepared in accordance with the Indian Accounting Standards as prescribed under Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules 2015, as amended, and other accounting principles generally accepted in India (referred to as "**Ind AS**"). The Restated Financial Information has been restated in accordance with the requirements of Section 26 of Part I of Chapter III of the Companies Act, 2013, relevant provisions of the SEBI ICDR Regulations, and the Guidance Note on Reports on Company Prospectuses (Revised 2019) issued by the ICAI.

Our Company's financial year commences on April 1 of the immediately preceding calendar year and ends on March 31 of that particular calendar year and accordingly, all references to a particular Financial Year or Fiscal, are to the 12-month period commencing on April 1 of the immediately preceding calendar year and ending on March 31 of that particular calendar year. Unless the context requires otherwise, all references to a year in this Red Herring Prospectus are to a calendar year and references to Financial Year or Fiscal are to the year ended on March 31, of that calendar year.

There are significant differences between Ind AS, Indian GAAP, US GAAP and IFRS. Our Company does not provide reconciliation of its financial information to IFRS or US GAAP. Our Company has not attempted to explain those differences or quantify their impact on the financial data included in this Red Herring Prospectus and it is urged that you consult your own advisors regarding such differences and their impact on our Company's financial data. For details in connection with risks involving differences between Ind AS, U.S. GAAP and IFRS see "*Risk Factors – Certain non-GAAP financial measures and certain other industry measures relating to our operations and financial performance have been included in this Red Herring Prospectus. These non-GAAP financial measures are not measures of operating performance or liquidity defined by Ind AS and may not be comparable with financial or industry related statistical information of similar nomenclature computed and presented by other companies.*" on page 54. The degree to which the financial information included in this Red Herring Prospectus will provide meaningful information is entirely dependent on the reader's level of familiarity with Indian accounting policies and practices, the Companies Act, 2013 and the SEBI ICDR Regulations. Any reliance by persons not familiar with Indian accounting policies and practices on the financial disclosures presented in this Red Herring Prospectus should accordingly be limited.

Unless otherwise specified, financial information pertaining to India and rest of the world segment pertains to those geographical segments.

In this Red Herring Prospectus, any discrepancies in any table between the total and the sums of the amounts listed are due to rounding off. All figures in decimals have been rounded off to the second decimal, and all percentage figures have been rounded off to two decimal places. In certain instances (i) the sum or percentage change of such numbers may not conform exactly to the total figure given; and (ii) the sum of the numbers in a column or row in certain tables may not conform exactly to the total figure given for that column or row. Further, any figures sourced from third-party industry sources may be rounded off to other than two decimal points to conform to their respective sources.

Any percentage amounts, as set forth in "*Risk Factors*", "*Our Business*" and "*Management's Discussion and Analysis of Financial Condition and Results of Operations*" on pages 20, 182 and 302 respectively, and elsewhere in this Red Herring

Prospectus, unless otherwise stated or context requires otherwise, have been derived from Restated Financial Information or non-GAAP measures as described below.

Non-GAAP Measures

Certain measures included in this Red Herring Prospectus, for instance EBITDA, EBITDA Margin, PAT Margin, Return on Equity, Return on Capital Employed, Net Debt, Net debt/ Equity and Net debt/ EBITDA (the **"Non-GAAP Measures"**) are supplemental measures of our performance and liquidity that are not required by, or presented in accordance with Ind AS, IFRS or US GAAP. Furthermore, these Non-GAAP Measures, are not a measurement of our financial performance or liquidity under Indian GAAP, IFRS or US GAAP and should not be considered as an alternative to net profit/loss, revenue from operations or any other performance measures derived in accordance with Ind AS, IFRS or US GAAP or as an alternative to cash flow from operations or as a measure of our liquidity. In addition, these Non-GAAP Measures and other statistical and other information relating to operations and financial performance, are not standardised terms and may not be computed on the basis of any standard methodology that is applicable across the industry and therefore, may not be comparable to financial measures of similar nomenclature that may be computed and presented by other companies and are not measures of operating performance or liquidity defined by Ind AS and may not be comparable to similarly titled measures presented by other companies. Further, they may have limited utility as a comparative measure. Although such non-GAAP measures are not a measure of performance calculated in accordance with applicable accounting standards, our Company's management believes that they are useful to an investor in evaluating us as they are widely used measures to evaluate a company's operating performance. For further information, see "*Certain Conventions, Presentation of Financial, Industry and Market data -Non-GAAP Measures*" on page 16 and "*Risk Factor - Certain non-GAAP financial measures and certain other industry measures relating to our operations and financial performance have been included in this Red Herring Prospectus. These non-GAAP financial measures are not measures of operating performance or liquidity defined by Ind AS and may not be comparable with financial or industry related statistical information of similar nomenclature computed and presented by other companies"* on page 54.

Industry and Market Data

Unless stated otherwise, industry and market data used in this Red Herring Prospectus has been obtained or derived from the reports titled *"Assessment of gems and jewellery industry in India with focus on the B2B segment"* dated August 2026 prepared by CRISIL," and publicly available information as well as other industry publications and sources. The CRISIL Report has been commissioned and paid for by our Company and has been exclusively prepared for the purpose of the Offer and is available on the website of our Company at *https://cdn.jfone.jewelflow.pro/deepajewellers/investor_documents/8988-Industry_Report.pdf* and is an independent agency which has no relationship with our Company, our Promoters, any of our Directors or Key Managerial Personnel and member of the Senior Management or the Book Running Lead Managers. CRISIL was appointed by our Company pursuant to the engagement letter dated August 8, 2025, read together with an addendum to the engagement letter dated May 29, 2026.

Industry publications generally state that the information contained in such publications has been obtained from publicly available documents from various sources believed to be reliable, but their accuracy or completeness and underlying assumptions are not guaranteed, and their reliability cannot be assured. The data used in these sources may have been reclassified by us for the purposes of presentation and may also not be comparable. Given the scope and extent of the CRISIL Report, disclosures are limited to certain excerpts, and the Report has not been reproduced in its entirety in this Red Herring Prospectus. There are no parts, data or information which may be relevant for the proposed Offer, that have been left out or changed in any manner. The extent to which the industry and market data presented in this Red Herring Prospectus is meaningful and depends upon the reader's familiarity with, and understanding of, the methodologies used in compiling such information. There are no standard data gathering methodologies in the industry in which our Company conducts business and methodologies, and assumptions may vary widely among different market and industry sources. Such information involves risks, uncertainties and numerous assumptions and is subject to change based on various factors, including those discussed in *"Risk Factors - Certain sections of this Red Herring Prospectus disclose information from the industry report which has been commissioned and paid for by us exclusively in connection with the Offer and any reliance on such information for making an investment decision in the Offer is subject to inherent risks."* on page 52. Accordingly, investment decisions should not be based solely on such information.

In accordance with the disclosure requirements under the SEBI ICDR Regulations*, "Basis for the Offer Price"* on page 114 includes information relating to our peer group companies. Such information has been derived from publicly available sources specified therein. Accordingly, no investment decision should be solely made on the basis of such information.

Currency and Units of Presentation

All references to "**Rupees**" or "**INR**" or "**₹**" or "**Rs.**" are to Indian Rupees, the official currency of the Republic of India.

All references to "**U.S.$**", "**U.S. Dollar**", "**USD**" or "**U.S. Dollars**" are to United States Dollars, the official currency of the United States.

In this Red Herring Prospectus, our Company has presented certain numerical information. All figures have been expressed in millions. One million represents '10 lakhs' or 1,000,000. However, where any figures that may have been sourced from third-party industry sources are expressed in denominations other than millions or may be rounded off to other than two decimal points in the respective sources, such figures appear in this Red Herring Prospectus expressed in such denominations or rounded-off to such number of decimal points as provided in their respective sources.

Time

All references to time in this Red Herring Prospectus are to Indian Standard Time. Unless indicated otherwise, all references to a year in this Red Herring Prospectus are to a calendar year.

Exchange Rates

This Red Herring Prospectus may contain conversions of certain other currency amounts into Indian Rupees that have been presented solely to comply with the requirements of the SEBI ICDR Regulations. These conversions should not be construed as a representation that such currency amounts could have been, or can be converted into Indian Rupees, at any particular rate, or at all.

Unless otherwise stated, the exchange rates referred to for the purpose of conversion of foreign currency amounts into Indian Rupee, are as follows:

(*in ₹*)

Currency	**Exchange Rate as at**		
	March 31, 2026	**March 31, 2025**	**March 31, 2024**
1 USD	94.65	85.58	83.37

Source: Foreign exchange reference rates as available on www.fbil.org.in

Note:

1. *If the reference rate is not available on a particular date due to a public holiday, exchange rates of the previous Working Day have been disclosed.*
2. *Exchange rate is rounded off to two decimal places.*

FORWARD-LOOKING STATEMENTS

This Red Herring Prospectus contains certain statements which are not statements of historical fact and may be described as "forward-looking statements". These forward-looking statements include statements which can generally be identified by words or phrases such as "aim", "anticipate", "are likely", "believe", "continue", "can", "could", "expect", "estimate", "intend", "may", "likely", "objective", "plan", "propose", "will continue", "seek to", "will achieve", "will likely", "will pursue" or other words or phrases of similar import. Similarly, statements that describe the strategies, objectives, plans or goals of our Company are also forward-looking statements. All statements regarding our expected financial conditions, results of operations, business plans and prospects are forward-looking statements. These forward-looking statements include statements as to our business strategy, plans, revenue, and profitability (including, without limitation, any financial or operating projections or forecasts) and other matters discussed in this Red Herring Prospectus that are not historical facts. However, these are not the exclusive means of identifying forward-looking statements.

These forward-looking statements, whether made by us or a third-party, are based on our current plans, estimates and expectations and actual results may differ materially from those suggested by such forward-looking statements. All forward-looking statements are subject to risks, uncertainties, expectations and assumptions about us that could cause actual results to differ materially from those contemplated by the relevant forward-looking statement. These statements are based on our management's belief and assumptions, which in turn are based on currently available information. Although we believe that the assumptions on which such statements are based are reasonable, any such assumptions as well as statements based on them could prove to be inaccurate.

Actual results may differ materially from those suggested by the forward-looking statements due to risks or uncertainties associated with our expectations with respect to, but not limited to, regulatory changes pertaining to the industries we cater and our ability to respond to them, our ability to successfully implement our strategies, our growth and expansion, technological changes, our exposure to market risks, general economic and political conditions in India and globally, which have an impact on our business activities or investments, the monetary and fiscal policies of India, inflation, deflation, unanticipated turbulence in interest rates, foreign exchange rates, equity prices or other rates or prices, the performance of the financial markets in India and globally, changes in domestic laws, regulations and taxes, changes in competition in our industry and incidence of any natural calamities and/or acts of violence.

We cannot assure investors that the expectations reflected in these forward-looking statements will prove to be correct. Given these uncertainties, investors are cautioned not to place undue reliance on such forward-looking statements and not to regard such statements as a guarantee of future performance. For details of important factors that could cause actual results to differ materially from our expectations, see section titled "*Risk Factors*" beginning on page 20 of this Red Herring Prospectus.

Neither our Company, our Directors, the Promoter Selling Shareholders nor the Syndicate or any of their respective affiliates have any obligation to update or otherwise revise any statements reflecting circumstances arising after the date hereof or to reflect the occurrence of underlying events, even if the underlying assumptions do not come to fruition. In accordance with the requirement of the SEBI ICDR Regulations, our Company shall ensure that Investors in India are informed of material developments pertaining to our Company from the date of this Red Herring Prospectus until the time of the grant of listing and trading permissions by the Stock Exchanges. In accordance with the requirements of the SEBI ICDR Regulations, each of the Promoter Selling Shareholders, severally and not jointly, shall ensure that our Company and BRLMs are informed of material developments in relation to statements and undertakings specifically made or confirmed by such Promoter Selling Shareholders in relation to itself as a Promoter Selling Shareholders and its respective portion of the Offered Shares in this Red Herring Prospectus, from the date thereof until the time of the grant of listing and trading permission by the Stock Exchanges for the Equity Shares pursuant to the Offer.

SECTION II - RISK FACTORS

An investment in Equity Shares involves a high degree of risk. You should carefully consider all other information in this Red Herring Prospectus, including the risks and uncertainties described below, before making an investment in the Equity Shares. We have described the risks and uncertainties that we believe are material, but these risks and uncertainties may not be the only risks relevant to us, the Equity Shares, or the industry in which we currently operate or propose to operate in India or other jurisdictions and additional risks not presently known to us or currently deemed immaterial may also arise in the future. Unless specified or quantified in the relevant risk factors below, we are not in a position to quantify the financial or other implications of any of the risks mentioned in this section. If any or a combination of the following risks actually occur, our business, reputation, cash flows, prospects, financial condition and results of operations could suffer, the trading price of the Equity Shares could decline, and you may lose all or part of your investment. The risk factors have been ordered on the basis of their materiality. For more details on our business and operations, see "Our Business", "Industry Overview", "Key Regulations and Policies in India", "Management's Discussion and Analysis of Financial Condition and Results of Operations" and "Restated Financial Information" on pages 182, 129, 213, 302 and 247, respectively, as well as other financial and statistical information contained in this Red Herring Prospectus.

In making an investment decision, you must rely on your own examination of our Company and the terms of the Offer, including the merits and risks involved and you should consult your tax, financial and legal advisors about the consequences of investing in the Offer. Prospective investors should pay particular attention to the fact that our Company is incorporated under the laws of India and is subject to a legal and regulatory environment which may differ in certain respects from that of other countries and changes in such legal or regulatory framework may adversely affect our operations or the value of the Equity Shares. This Red Herring Prospectus also contains forward-looking statements that involve risks, assumptions, estimates and uncertainties. Our actual results could differ materially from those anticipated in these forward-looking statements because of certain factors, including but not limited to the considerations described below. For details, see "Forward-Looking Statements" on page 19.

Our financial year ends on March 31 of each year, so all references to a particular financial year are to the twelve-month period ended March 31 of that year. Unless otherwise indicated or the context otherwise requires, the financial information derived from the Restated Financial Information, included in this Red Herring Prospectus. For further information, see "Restated Financial Information" beginning on page 247.

Unless otherwise indicated, industry and market data used in this section has been derived from the report titled "Assessment of gems and jewellery industry in India with focus on the B2B segment" dated August 2026 (the "CRISIL Report") prepared and released by CRISIL, exclusively commissioned by our Company and paid for in connection with the Offer, pursuant to an engagement letter dated August 8, 2025, read together with an addendum to the engagement letter dated May 29, 2026. The CRISIL Report is available on the website of our Company at https://cdn.jfone.jewelflow.pro/deepajewellers/investor_documents/8988-Industry_Report.pdf.Unless otherwise indicated, financial, operational, industry and other related information derived from the CRISIL Report and included herein with respect to any particular year refers to such information for the relevant financial year and such data has not been independently verified by us for accuracy or completeness. For more information, see "Certain Conventions, Presentation of Financial, Industry and Market Data –Industry and Market Data" on page 16.

INTERNAL RISK FACTORS

1. Our top 10 customers accounted for ₹ 12,460.30 million, ₹ 8,839.29 million and ₹ 6,901.89 million representing 64.67%, 63.27% and 67.36% of our revenue from operations based on our Restated Financial Information for the Fiscal 2026, Fiscal 2025 and Fiscal 2024 respectively. Our revenue from operations based on our Restated Financial Information is concentrated among a few key customers and any decision by these customers to reduce or terminate their business with us could significantly impact our business, financial condition and results of operations.

We are dependent on certain key customers for a significant portion of our revenue. Our top 10 customers accounted for more than 50.00% of our revenue in Fiscal 2026, Fiscal 2025 and Fiscal 2024. The following table sets forth details of revenue generated and contribution to total revenue from our top 10 customers, as a percentage of our total revenue from operations, for the years indicated:

(*in ₹ million, except percentage data*)

Customer concentration*#	Fiscal 2026		Fiscal 2025		Fiscal 2024	
	Amount	% of total revenue from operations	Amount	% of total revenue from operations	Amount	% of total revenue from operations
Customer 1	3,236.54	16.80	1,981.81	14.19	1,612.21	15.74
Customer 2	1,778.59	9.23	1,659.58	11.88	1,591.58	15.53

Customer concentration*#	Fiscal 2026		Fiscal 2025		Fiscal 2024	
	Amount	% of total revenue from operations	Amount	% of total revenue from operations	Amount	% of total revenue from operations
Customer 3	1,699.65	8.82	1,629.03	11.66	1,204.74	11.76
Customer 4	1,031.89	5.36	564.94	4.04	572.15	5.58
Customer 5	866.41	4.50	563.48	4.03	396.21	3.87
Customer 6	839.67	4.36	562.73	4.03	372.82	3.64
Customer 7	829.53	4.31	554.06	3.97	321.95	3.14
Customer 8	822.41	4.27	503.44	3.60	314.29	3.07
Customer 9	678.71	3.52	488.24	3.49	282.95	2.76
Customer 10	676.89	3.51	331.99	2.38	233.00	2.27
Total	**12,460.30**	**64.67**	**8,839.29**	**63.27**	**6,901.89**	**67.36**

**While more than 50% of our revenue from operations originates from our top 10 customer, names of the customers have not been included in the above table as this information is commercially sensitive to our business.*
 # None of the top customers are related parties, promoter-linked entities, or connected parties to our Company.

We expect to continue relying on our top customers for a significant portion of our revenue for the foreseeable future. There can be no assurance that our top customers will continue to place orders at levels similar to those in the past. Any significant reduction in business from such customers, whether due to customer-specific circumstances, change in market trends, customer preferences, adverse market conditions, or a general economic slowdown, may materially and adversely affect our business, results of operations and financial condition. Further, we do not enter into long-term contracts with any of our customers. In the absence of such long-term arrangements, there can be no assurance that our existing customers will continue to purchase our products in the future.

While we have a long-standing relationship with our top customers, the loss of one or more of these significant or key customers or a reduction in the amount of business we obtain from them could have a material adverse effect on our business, results of operations, financial condition, cash flows and prospects. While none of our key customers have discontinued placing order with us during Fiscal 2026, Fiscal 2025 and Fiscal 2024, there can be no assurance that we will be able to maintain our existing volume of business with these key customers. We cannot assure that we will be able to maintain historic levels of business and/or negotiate on terms that are commercially viable with our significant or key customer or that we will be able to significantly reduce our customer concentration in the future.

2. ***We derive a significant portion of our revenue from operations from the sale of our vaddanam and CNC machine cut bangles. Our revenue from operations from the sale of vaddanam for the Fiscal 2026, Fiscal 2025 and Fiscal 2024 was ₹ 8,062.41 million, ₹ 4,830.59 million and ₹ 3,755.56 million representing 41.85 %, 34.58 % and 36.66 % of our revenue from operations for the indicated periods. Our revenue from operations from the sale of CNC machine cut bangles for the Fiscal 2026, Fiscal 2025 and Fiscal 2024 was ₹ 5,948.53 million, ₹ 5,842.21 million and ₹ 4,075.94 million representing 30.87%, 41.82%, and 39.78% of our revenue from operations for the indicated periods. Any cancellation of the purchase orders of these products, could adversely affect our business, cash flows, financial condition, and overall results of operations.***

We derive our major revenue from the sale of our vaddanam, and CNC machine cut bangles. The following table sets forth a breakdown of our revenue from operations from vaddanam, CNC machine cut bangles and our other products for the Fiscal 2026, Fiscal 2025 and Fiscal 2024:

(*in ₹ millions, except percentage data*)

Particulars	Fiscal 2026		Fiscal 2025		Fiscal 2024	
	Amount	% of total revenue from operations	Amount	% of total revenue from operations	Amount	% of total revenue from operations
Revenue from operations of vaddanam	8,062.41	41.85	4,830.59	34.58	3,755.56	36.66
Revenue from operations of CNC machine cut bangles	5,948.53	30.87	5,842.21	41.82	4,075.94	39.78
Revenue from operations of other products*	5,255.82	27.28	3,297.30	23.60	2414.18	23.56
Total	**19,266.76**	**100.00**	**13,970.10**	**100.00**	**10,245.68**	**100.00**

** Other products include- gents kada, vanky(armlet), dandpatti (bajuband), gundlamala haaram (traditional neck piece), gundlamala necklace, kangan, earring, mangtika (forehead pendant), maatil (ear chain), champasaralu (ear to hair chain), jada (braid ornament), rings, precious stones, pearls, flat diamonds, cubic zirconia, gold bullion and precious beeds.*

The popularity and demand for our vaddanam and CNC machine cut bangles may vary over time due to changing consumer preferences. Our continued success depends on our ability to anticipate, gauge and respond in a timely manner to shifts in consumer tastes. While we aim to introduce new products from time to time, we recognize that consumer preferences cannot be predicted with certainty and may change rapidly. If we are unable to foresee or effectively respond to changes in market conditions, emerging trends or evolving consumer preferences, or if we fail to accurately anticipate and forecast demand for our brands, then the demand and sales for our vaddanam and CNC machine cut bangles products may decline. This could reduce our market share and preventing us from acquiring new customers and retaining existing ones, which could adversely affect our business, results of operations, financial condition and cash flows.

3. ***A significant portion of our business operations and revenue generation is concentrated in Southern India. For the Fiscal 2026, Fiscal 2025 and Fiscal 2024, our revenue from Southern India was ₹ 18,181.87 million, ₹ 13,738.07 million and ₹ 10,199.85 million respectively, representing 94.37%, 98.33% and 99.55% of total revenue for the indicated periods. This regional concentration could expose our Company to economic, cultural, geopolitical and local market risks.***

A significant portion of our current presence is in the South Indian states of Andhra Pradesh, Telangana, Karnataka, Tamil Nadu and Kerala. For details in relation to our market presence, see "*Our Business –Competitive strengths- Significant revenue contribution from Southern India*" on page 186.

Below is the split of revenue from our operations from Southern India and other Indian states/union territory for the years indicated:

(in ₹ million except for percentage data)

Particulars	Fiscal 2026		Fiscal 2025		Fiscal 2024	
	Amount	% of total revenue from operations	Amount	% of total revenue from operations	Amount	% of total revenue from operations
South Indian states						
Andhra Pradesh	3,715.16	19.28	2,770.80	19.83	2,196.24	21.44
Telangana	8,010.62	41.58	6,779.81	48.53	4,507.44	43.99
Tamil Nadu	4,532.21	23.52	2,811.35	20.12	2,553.73	24.92
Karnataka	1,138.76	5.91	882.58	6.32	574.03	5.60
Kerala	785.12	4.08	493.53	3.53	368.41	3.60
Total of south Indian states (A)	**18,181.87**	**94.37**	**13,738.07**	**98.33**	**10,199.85**	**99.55**
Other Indian states/union territory						
Maharashtra	1,072.95	5.57	221.15	1.58	39.93	0.39
Delhi	-	-	-	-	3.04	0.03
Assam	-	-	0.85	0.01	-	-
Bihar	-	-	-	-	1.07	0.01
Uttar Pradesh	7.40	0.04	9.83	0.07	1.79	0.02
West Bengal	0.36	0.00	-	-	-	-
Odisha	-	-	0.20	0.00	-	-
Rajasthan	0.58	0.00	-	-	-	-
Tripura	3.59	0.02	-	-	-	-
Total of other Indian states/union territory (B)	**1,084.88**	**5.63**	**232.03**	**1.67**	**45.83**	**0.45**
Total (A+B)	**19,266.76**	**100.00**	**13,970.10**	**100.00**	**10,245.68**	**100.00**

According to CRISIL Report, among the four regions in India, the southern region has the highest market share in jewellery consumption, 38-43% market share, followed by the western region at 22-27%. The Northern region has 18-23% share in jewellery consumption, while East India has the smallest market share of 13-17%. The gems and jewellery retail industry in South Indian region was valued at ₹5,026 billion in Fiscal 2026, which is about ~40% of the overall gems and jewellery industry in India. The sector is estimated to grow at a CAGR of 6-7% between Fiscal 2026 and Fiscal 2030 with the overall market size projected to surge to ₹ 6,200 – ₹ 6,600 billion by Fiscal 2030.

This regional preference for gold jewellery in Southern India has significantly influenced our Company's business strategy, market presence, and financial performance. However, our heavy reliance on this region exposes our Company to a variety of risks, including economic vulnerability of this region, shifts in consumer behaviour, geopolitical crises/ tension, natural disasters, regulatory and local market risks such as infrastructure issues, or political instability, which could disrupt supply chains, operations, and sales in these regions. While we have not faced any such instances in the past, the occurrence of such events could adversely affect our business, results of operations, cash flows and financial condition.

Further, any natural disasters such as earthquakes, extreme climatic or weather conditions such as floods or droughts, or diseases heightened or particular to the state, may adversely impact the supply of products, local transportation and operations at our office. Any such unforeseen events or circumstances that negatively affect this region could have an adverse material effect on our sales and profitability.

4. ***Our inventories as of Fiscal 2026, Fiscal 2025 and Fiscal 2024 were ₹ 873.62 million, ₹827.87 million and ₹722.56 million representing 4.53%, 5.93%, and 7.05% as a percentage of our revenue from operations for the indicated periods respectively. Our results of operations are dependent on our ability to effectively manage our inventory. Our inability to accurately forecast demand or effectively manage our inventory may have an adverse effect on our business, financial condition, results of operations and cash flows.***

Our results of operations are dependent on our ability to effectively manage our inventory. To effectively manage our inventory, we are required to accurately estimate customer demand and supply conditions and process additional inventory accordingly. Any error in our forecast could result in either surplus inventory, which we may be unable to sell in a timely manner, or at all, or understocking, which would affect our ability to meet customer demand. Maintaining an optimal level of relevant inventory is important to our business as it allows us to respond to customer demand effectively.

The table below sets forth details of certain parameters for the dates / periods indicated:

Particulars	Fiscal 2026	Fiscal 2025	Fiscal 2024
Revenue from operations (₹ million)	19,266.76	13,970.10	10,245.68
Current Assets (₹ million)	3,468.05	2,168.32	1,736.41
Inventory (₹ million)	873.62	827.87	722.56
Inventory as a percentage of revenue from operations (%)	4.53	5.93	7.05
Inventory as a percentage of current assets (%)	25.19	38.18	41.61
Inventory turnover ratio[(1)]	20.91	17.24	17.16
Inventory days[(2)]	18	21	22

Notes:
[(1)]Inventory turnover ratio = Inventory turnover ratio is calculated by dividing the cost of inventory consumed by the average inventory
[(2)]Inventory days for Fiscal = Inventory holding days is calculated by dividing 365 by the ratio of cost of goods sold to the average inventory at the beginning and end of the period.

Further, if we fail to sell our inventory, we may be required to recycle our inventory, which would lead to loss of material, additional manufacturing costs and subsequently, an adverse impact on our revenue, profit and cash flows. The sale volume and timing may also be affected by fluctuations in customers' demand, preferences and design changes, which are of utmost importance in the business we operate in. The price of gold fluctuates on the basis of market demand and supply. If the price of gold decreases in future, we may not be able to recover the cost of material which could affect our profitability. Any adverse change in the value of gold would reduce the value of our inventory, which could have a material adverse effect on our profitability and results of operations. For the Fiscal 2026, Fiscal 2025 and Fiscal 2024, there has been no instance where our inability to accurately forecast demand or manage our inventory has had an adverse effect on our business, financial condition, results of operations or cash flows, however, we cannot assure, that we will be able to maintain optimal inventory levels in the future.

5. ***Timely procurement of gold bullion, our key raw material, as well as the quality and the price at which it is procured, play an important role in the successful operation of our business. The prices and availability of gold bullion depend on factors beyond our control, including general economic conditions, foreign exchange rates, competition, production levels and regulatory factors such as import duties. The non-availability or volatility in the cost of gold and absence of hedging facilities may have an adverse effect on our business, results of operations, financial condition and prospects.***

According to CRISIL Report, availability of raw material plays a key role in the gems and jewellery industry. Timely procurement of gold bullion, our key raw material and the price at which it is procured, play an important role in the successful operation of our business. Accordingly, our business is significantly affected by the availability and cost of gold bullion. The prices and availability of gold bullion depend on factors beyond our control, including general economic conditions, fluctuations in the foreign exchange rates, India's international trade policies, macroeconomic decisions, competition and regulatory factors such as import duties.

As per the CRISIL Report the jewellery industry is generally affected by fluctuations in the price and supply of gold. Gold prices have been volatile in the recent past, although, there has been an increased investment demand for gold globally. The

table below provides the details on fluctuation in gold prices in Fiscal 2026, Fiscal 2025 and Fiscal 2024.

(in ₹ per 10 grams)

Particulars	Fiscal 2026	Fiscal 2025	Fiscal 2024
Lowest average gold price in specific month	94,590	70,441	58,738
Highest average gold price in specific month	154,039	86,890	65,229
Average gold price across the period	115,996	75,842	60,624

(Source-CRISIL Report)

Fluctuations in gold prices may affect consumer demand as well as operating costs of our Company. A significant increase in the price of gold or a negative outlook on future gold prices could, adversely affect our sales volumes. Any such fluctuation in the price of gold, or other raw materials may materially and adversely affect our revenue from operations and profitability. Further, any rise in gold prices may cause customers to delay their purchases, thereby adversely affecting our business, operations and financial condition.

Further, we procure gemstones from Thailand and have imported gold from the UAE on multiple occasions in Fiscal 2025 under the TRQ (Tariff Rate Quota) allocation under the India-UAE Comprehensive Economic Partnership Agreement.Such raw material imports are predominantly in foreign currencies, particularly the US Dollar. Accordingly, fluctuations in foreign exchange rates have a direct impact on our procurement costs and results of our operations. Any depreciation of the Indian Rupee against foreign currencies may increase in raw material costs, reduce our margins and adversely affect our profitability and overall financial performance. For details, see "*Our Business – Procurement of Raw Materials*" on page 204.

The details of our foreign exchange gain/(loss) for the Fiscal 2026, Fiscal 2025 and Fiscal 2024 are as follows:

(in ₹ million)

Particulars	Fiscal 2026	Fiscal 2025	Fiscal 2024
Foreign exchange gain/(loss)	1.04	29.29	0.35

We have hedging facilities including the use of gold metal loans, future contracts on commodity exchanges and our internal hedging policy, however these arrangements do not cover 100.00% of our inventory, which may expose us to fluctuations in gold price. For further details see "*Risk Factor - We are exposed to risks associated with our hedging activities, and any failure in our hedging strategy or execution may adversely affect our business, results of operations and financial condition"* on page 31**.** Although we have managed to avoid such situations in the past by way of effective inventory management and replenishment of inventory on daily basis, we cannot assure you that we will continue to manage such fluctuations in future.

6. ***We depend on certain key suppliers for gold bullion, our key raw material. Our top 10 suppliers accounted for ₹ 16,021.93 million, ₹ 10,845.93 million and ₹ 9,582.83 million representing 91.81%, 82.32% and 96.89% of our total purchase based on our Restated Financial Information for the Fiscal 2026, Fiscal 2025 and Fiscal 2024 respectively. We procure gold bullions from RBI registered bullion bank, independent bullion dealers, exchanges from customers and import through India International Bullion Exchange (IIBX), with whom we do not have any long-term contracts. In the event of any adverse regulatory development or failure by independent bullion dealers to perform their obligations in a timely manner, it may have an adverse effect on our business, financial condition, results of operations and cash flows.***

Gold is a commodity which is subject to extreme volatility and price fluctuations. We place orders with our suppliers on need basis. Our top 10 suppliers contributed more than 50.00% of the total gold bullion purchased in Fiscal 2026, Fiscal 2025 and Fiscal 2024. Presented below is a table detailing the proportion of amount paid to total purchases attributable to our top 10 suppliers, for the years indicated.

(in ₹ million except for percentage)

Supplier concentration*	Fiscal 2026		Fiscal 2025		Fiscal 2024	
	Amount	% of total purchases	Amount	% of total purchases	Amount	% of total purchases
Supplier 1	4,219.88	24.18	4,225.73	32.07	3,417.57	34.55
Supplier 2	2,693.33	15.43	1,382.04	10.49	1,764.98	17.85
Supplier 3	2,061.69	11.81	1,203.96	9.14	1,304.83	13.19
Supplier 4	1,699.86	9.74	913.11	6.93	1,208.30	12.22

Supplier 5	1,428.46	8.19	647.50	4.91	1,109.00	11.21
Supplier 6	1,218.17	6.98	584.20	4.43	286.88	2.90
Supplier 7	889.80	5.10	545.71	4.14	212.39	2.15
Supplier 8	761.59	4.36	496.77	3.77	164.73	1.67
Supplier 9	677.09	3.88	433.52	3.29	65.84	0.67
Supplier 10	372.06	2.13	413.39	3.14	48.29	0.49
Total	**16,021.93**	**91.81**	**10,845.93**	**82.32**	**9,582.83**	**96.89**

**While more than 50% of our purchases are made from our top 10 suppliers, names of the suppliers have not been included in the above table as this information is commercially sensitive to our business.*

We also face a risk that one or more of our existing suppliers may discontinue supplies of raw materials to us. Any inability to procure raw materials from alternate suppliers in a timely manner, or on commercially acceptable terms, could adversely affect our operations. While we have not experienced any material disruption in the supply of our raw materials during the Fiscal 2026, Fiscal 2025 and Fiscal 2024, that had an adverse impact on our business, results of operations, financial condition and cash flows, however, we cannot assure you that such disruption will not occur in the future.

We source our gold from RBI registered bullion bank, independent bullion dealers, exchanges from customers and import through India International Bullion Exchange **("IIBX").** The table below shows the total quantity (in Kgs) and percentage wise bifurcation of gold sourced from various sources for the years indicated.

Particulars	**Fiscal 2026**		**Fiscal 2025**		**Fiscal 2024**	
	Total quantity (kgs)	**Percentage**	**Total quantity (kgs)**	**Percentage**	**Total quantity (kgs)**	**Percentage**
Gold sourced from RBI registered bullion bank	65.00	4.99	561.00	34.45	564.00	36.43
Gold sourced from independent bullion dealers	498.60	38.28	232.60	14.29	564.03	36.43
Gold sourced through exchange from customers	739.04	56.73	409.45	25.15	420.19	27.14
Gold sourced from IIBX	Nil	Nil	425.10	26.11	Nil	Nil
Total	**1,302.64**	**100.00**	**1,628.15**	**100.00**	**1,548.22**	**100.00**

As of July 31, 2026, we have sanctioned sub-limit of ₹ 1,000.00 million under gold metal loan. Gold on loan basis is always subject to such conditions as are imposed by RBI. In the event of any adverse regulatory development by RBI including capping on maximum quantity or if we are otherwise unable to avail such gold loans, we may not be able to benefit from such lower interest rates. For further details, see section titled "*Key Regulations and Policies in India*" on page 213. We also import gold through IIBX, which is subject to rapid fluctuation of gold prices, thereby exposing us to price fluctuation risk.

In addition to procuring gold from RBI registered bullion bank and IIBX, we also procure gold from independent bullion dealers and exchanges from customers. We typically procure gold through purchase orders and do not enter into any long-term agreements with RBI registered bullion bank, IIBX, independent bullion dealers or exchange customers. Consequently, the RBI registered bullion bank, IIBX and the independent bullion dealers may not perform their obligations in a timely manner or with the agreed quality or quantity, resulting in delays and adversely affecting our future commitments, and impact our business and result from operations. While we have not experienced any such material instances where the RBI registered bullion bank, IIBX or the independent bullion dealers did not fulfil their obligations that resulted in an adverse impact on our operations during the Fiscal 2026, Fiscal 2025 and Fiscal 2024, we cannot assure you that such instances will not arise in the future.

7. ***We are subject to strict quality requirements, and sales of our products are dependent on our quality controls and standards. Any failure to comply with quality standards may adversely affect our business prospects, cash flows and financial performance, including cancellation of existing and future orders.***

All our products and processes are subject to stringent quality standards including hallmarking by the Bureau of Indian Standards **("BIS")**, fire assaying and skin testing of purity at all stages of production, scanning of products through ferrous particle detector machine, laboratory certification of gemstone studded products and random melting of products to check the purity of finished products. For further detail see *"Business- Quality Control*" on page 206. As a result, any failure on our part to maintain applicable standards and manufacture products according to prescribed quality specifications, may lead to loss of reputation and goodwill, cancellation of orders, loss of customers, and rejection of the product, which may require us to incur additional costs, that may not be borne by the customer, which could have an adverse impact on our business prospects and financial performance. Additionally, it could expose us to pecuniary liability and/ or litigation.

Quality defects resulting from errors and omissions may lead to customers cancelling current or future orders resulting in damage to our reputation and loss of customers, which could adversely affect our business prospects and financial performance. For the Fiscal 2026, Fiscal 2025 and Fiscal 2024, a total of 24 customers, 21 customers and 20 customers denied acceptance/returned 32.47 kgs, 25.72 kgs and 21.45 kgs of gold respectively, due to quality defects. Our Company made changes as per the customer specifications to such returned products, post which they were resupplied to the respective customers. We had to employ extra labor and incur extra cost to make changes to the returned products in order to make them acceptable to the customers. The rejection of a large volume of products in the future could adversely affect our operations.

The quality of our products is critical to the success of our business, which, in turn, depends on a number of factors, including the implementation and application of our quality control policy and guidelines, and strength and experience of our quality control team. As of July 31, 2026, we have a team of total 16 employees in our tagging and quality control functions. For details in relation to the quality control measures adopted by us, see *"Our Business – Quality Control*" on page 206. Any significant failure or deterioration of our quality control system could result in defective or substandard products, which, in turn, may result in delays in the delivery of our products and the need to replace defective or substandard products.

8. ***We are dependent on third party karigars for the production and manufacturing of all our products. We have not entered into formal agreements with some of the karigars. Any discontinuation of services by these karigars, disruptions at their production or manufacturing facilities, or failure of such third parties to adhere to the relevant quality standards may have a negative effect on our reputation, business and financial condition.***

We are dependent on third party karigars for the production and manufacturing of all our products. These karigars are external parties who manufacture jewellery for us on a non-exclusive basis. As on July 31, 2026, we have a pool of 41 karigars, out of which, we have entered into formal agreements with 29 karigars. We have not entered into formal agreements with the remaining karigars, and our engagement with them is based on ongoing working relationships. Given the non-exclusive nature of these agreements, our competitors may offer incentives to these karigars to prioritise their manufacturing and supply of jewellery which could adversely affect our operations adversely.

Our business depends on our ability to attract and retain karigars and our operations could be disrupted if we are unable to successfully manage our karigars, or if they are unwilling to make their services available to us at terms which are commercially acceptable to us. Our competitors may offer them better terms, which may cause them to prefer our competitors over us. We may also be unable to replace these karigars on short notice, or at all, and may face delays in production and increased costs due to the time required to identify and engage new skilled karigars which may adversely affect our results of operations and financial condition. While there have been no such instances in the Fiscal 2026, Fiscal 2025 and Fiscal 2024, there can be no assurance that there will not be such instances in the future. Further, any shortage or scarcity of skilled karigars in the jewellery industry, could materially affect our manufacturing, business, profits and results of operations.

Any unscheduled, unplanned or prolonged disruption of operations at our karigar's manufacturing facilities, including on account of power failure, fire, mechanical failure of equipment, performance below expected levels of output or efficiency, obsolescence of equipment or manufacturing processes, non-availability of adequate labour or disagreements with workforce, lock-outs, earthquakes and other natural disasters, industrial accidents, any significant social, political or economic disturbances or infectious disease outbreaks, could affect our karigars' ability to meet our requirements, and could consequently affect our operations. While such disruptions have not taken place in the past, we cannot guarantee that any disruption of operations will not take place in the future. Any delay or failure on the part of our karigars to deliver the products in a timely manner or any litigation involving these karigars may have a material adverse effect on our business, profitability, and reputation.

Set out below are the details of the karigars engaged or employed by our Company for Fiscal 2026, Fiscal 2025 and Fiscal 2024:

Particulars	Fiscal 2026	Fiscal 2025	Fiscal 2024
Number of karigars	29	28	34

Some karigars delegate the work to other karigars under their direct control which could impact the product quality standards. We are exposed to the risks arising from karigars failing to adhere to our quality, safety and distribution standards or those required by statutory authorities, which may adversely affect our sales and revenues. While there have been no

such instances in the past, there can be no assurance that there will not occur in the future. Any failure on the part of karigars to meet our quality standards, may materially affect our business, profitability, and reputation.

9. ***Our business and the demand for our products are reliant on the success of our customers' products with their respective retail customers, and any decline in the demand for the end products could have an adverse impact on our business, results of operations, cash flows and financial condition.***

We supply our products to jewellery retail chains and standalone stores, who in turn sell these products to their respective retail customers. Accordingly, the demand for our products is inherently linked to the ability of our customers to successfully market, position and sell their offerings. For further details in relation to our customers, see "*Our Business – Our Customers*" on page 205. Any factor that negatively affects our customers' business performance or market positioning may have a direct adverse impact on the demand for our products.

Any material decrease in the number of orders from our customers, whether resulting from increased competition, seasonality of demand, our customers' failure to successfully market their products or to compete effectively, loss of market share, macro- economic conditions in the markets of key customers, regulatory action, litigation, price fluctuation or other factors, may adversely affect our business, financial condition, and results of operations.

Any of these factors could have an adverse effect on our customers and sales of our product could decline substantially which could adversely affect our profitability and results of operations. We cannot assure you that our customers will continue to generate sufficient demand from their respective retail customers, that they will maintain or expand their retail presence, or that external market conditions will remain conducive to sustaining their sales performance. As a result, our business remains exposed to risks associated with the financial health, operational performance and competitive positioning of our customers.

10. ***We have experienced negative cash flows from operating activities in previous periods and cannot assure you that we will not experience negative cash flows in future periods. Negative cash flows may adversely affect our financial condition, results of operations and prospects.***

The following table sets forth certain information relating to our cash flows for the years indicated therein, as per the Restated Financial Information:

(in ₹ million)

Particulars	Fiscal 2026	Fiscal 2025	Fiscal 2024
Net cash (used in) / generated from operating activities	(147.30)	(98.64)	48.45
Net cash flow (used in)/ generated from investing activities	(43.73)	102.59	58.08
Net cash flow (used in)/ generated from financing activities	191.11	(14.99)	(94.83)
Net increase / (decrease) in cash and cash equivalents	0.08	(11.05)	11.70

We have experienced negative cash flows in Fiscal 2026 and Fiscal 2025 which were primarily attributable to growth-driven increases in inventories, trade receivables and income tax payment (including interest) which rose due to our rapid business expansion during this period. We will need to generate and sustain increased revenue from operations in the future in order to achieve positive cash flows from operating activities. We cannot assure you that we will be able to generate positive cash flow from operating activities in the future. Negative operating cash flows over extended periods could materially impact our ability to operate our business and implement our growth plans. This situation may have an adverse effect on our cash flows, business, future financial performance and results of operations. For further details, see "*Management's Discussion and Analysis of Financial Condition and Results of Operations*" on page 302.

11. ***Our income and sales are subject to seasonal fluctuations and lower income in a peak season may have a disproportionate effect on our results of operations.***

According to CRISIL Report, in India, the demand of jewellery is mainly driven by weddings, festivals, birth and the harvest season. For instance, during festivals such as Diwali, Dussehra, and Akshaya Tritiya, the retail sector witnesses a surge in orders as buying jewellery is considered auspicious, prompting bulk procurement from manufacturers. Similarly, the wedding season acts as a peak demand driver where retailers and distributors place large-volume orders with manufacturers to meet consumer requirements for gold, diamond, and other precious jewellery. Furthermore, since a

significant portion of jewellery demand originates from rural India, harvest seasons also boost orders placed with manufacturers as rural consumers invest in jewellery.

Our sales in certain regions have historically exhibited certain seasonal fluctuations, reflecting higher sales volumes during festival periods, wedding season and harvest season. Further, seasonal fluctuations may also affect our inventory management. A large buildup of inventory in anticipation of peak periods could lead to excess stock if sales do not meet expectations. Conversely, insufficient inventory to meet demand during peak seasons could lead to missed sales opportunities and strained relationships with customers. Consequently, lower than expected sales during certain quarters of the Fiscal Year or more pronounced seasonal variations in sales in the future could have a disproportionate impact on our operating results for the Fiscal Year or could strain our resources and significantly impair our cash flows. Further, as a result of the above, our quarter-on-quarter financial results may not be comparable or a meaningful indicator of our futuristic performance.

Any slowdown in demand for our jewellery during peak seasons or failure by us to accurately anticipate and prepare for such seasonal fluctuations could have an adverse effect on our business, financial condition and results of operations. While we have not faced any such slowdown in demand or failure to accurately anticipate seasonal fluctuations, we cannot assure that we will not face this in the future.

12. ***Jewellery purchases are discretionary and are often perceived to be a luxury purchase. Any factor which may bring discretionary spending by retail customers under pressure may adversely affect our business, results of operations and financial condition.***

Jewellery purchases are typically high-value, luxury purchases and depends on consumers' discretionary spending power. Various factors affect discretionary consumer spending, including economic conditions, perceptions of such conditions by consumers, economic outlook, employment, the level of consumers' disposable income, the savings ratio, business conditions, inflation levels, interest rates, consumer debt and asset values, availability of credit and levels of taxation, among others. Historically, gold jewellery has also been purchased as an investment asset by consumers, however, there is a changing trend in consumers to invest such funds in other asset classes, which may adversely affect our business, financial condition and results of operations. Additionally, the prices of gold at a particular time also affect the decision of our customers to purchase jewellery.

Additionally, gold jewellery is not perceived to be a necessity which may result in a significant fall in demand in the case of adverse economic conditions as opposed to demand for those goods that are perceived as a necessity. Any such fall in demand or a decline in the general economic conditions in India or international markets or conditions which may bring discretionary spending by consumers under pressure could adversely affect our business, financial condition and results of operations.

13. ***We have incurred indebtedness, and an inability to comply with repayment and other covenants in our financing agreements could adversely affect our business, financial condition and results of operations.***

As of July 31, 2026, we had total outstanding borrowings (secured and unsecured) of ₹ 1,274.07 million. Our financing agreement contains restrictive covenants, including but not limited to, the requirements that we obtain consents from our lender prior to undertaking certain matters including altering our capital structure, changing the shareholding in our Company, changing the management or ownership, effecting a change in control / controlling interest of our Company. In terms of the security, we are required to create first pari-passu charges over our movable properties (including hypothecation over current assets and obtained personal guarantees from our Promoters namely Ashish Agarwal, Seema Agarwal and Dev Agarwal. Further, our lender may require us to furnish additional security, create lien on fixed deposits and term deposit receipts, and comply with asset cover requirements, as stipulated in the relevant sanction terms and facility agreements.

While we have received the relevant consent required for the purposes of this Offer and have complied with these covenants, a failure to comply with such covenants in the future may restrict or delay certain actions or initiatives that we may propose to take from time to time.

The consequences of not being in compliance with terms and conditions of the loan agreement including the financial covenants could be acceleration of maturity of the facility sanctioned to us and declaring all amounts outstanding, enforcement of security and the exercise by our lender of any right available to it under such loan agreements. Further, any fluctuations in the interest rates may directly impact the interest costs of such loans. Our ability to make payments on and refinance our indebtedness will depend on our continued ability to generate cash from our future operations. We may not be able to generate enough cash flow from operations or obtain enough capital to service our debt. Any failure to comply

with the conditions and covenants in our financing agreement that is not waived by our lender or guarantors or otherwise cured could lead to a termination of our credit facilities, foreclosure on our assets, acceleration of all amounts due under such facilities or trigger cross-default provisions under certain of our other financing agreements, any of which could adversely affect our financial condition and our ability to conduct and implement our business plans. Additionally, lender may recall all or part of amounts borrowed by us on short or no notice. Such recalls on borrowed amounts may be contingent upon happening of an event beyond our control and there can be no assurance that we will be able to persuade our lenders to give us extensions or to refrain from exercising such recalls which may adversely affect our operations and cash flows. For further details see *"Financial Indebtedness*" and "*Restated Financial Information"* on pages 339 and 247 respectively.

14. We have availed unsecured loans from our Promoters that are repayable on demand, subject to requisite consent from Yes Bank Limited ("YBL").

We have availed certain unsecured loans from our Promoters. As of July 31, 2026, we had availed borrowings aggregating to ₹ 444.28 million, from Promoters namely, Ashish Agarwal, Seema Agarwal and Dev Agarwal.

These unsecured loans are repayable on demand subject to obtaining consent from YBL, in accordance with the terms and conditions of loan agreement entered in to with YBL. Our Promoters may require repayment of such loans at short notice subject to receipt of consent from YBL. In such an event, we may not have sufficient liquidity or cash flows to meet such repayment obligations immediately. Further, the above-mentioned loans do not result in our Promoters exercising control over our Company, either pre- or post-listing. For further details on the terms of our unsecured borrowings, see *"Financial Indebtedness*" on page 339.

Any failure to service these loans or meet the applicable repayment requirements could result in the acceleration of such obligations and may adversely affect our financial condition, business operations and cash flows. If the unsecured loans are recalled at a time when our liquidity position is constrained, we may be required to seek alternative sources of financing, which may not be available on commercially favourable terms, or at all. Further, additional borrowings to meet such repayment obligations may increase our finance costs and overall indebtedness.

If we are unable to refinance, replace, or otherwise manage these obligations in a timely manner, our operations, working capital cycle and ability to execute our business strategies may be adversely impacted.

15. We are exposed to counterparty credit risk and any delay in, or non-receipt of payments may materially and adversely affect our cash flow.

As part of our standard payment terms under the purchase orders, we provide our customers with certain credit periods, as part of our standard payment terms, thereby exposing us to counterparty credit risk, including significant delays in receiving payments or non-receipt of payment. The credit period offered by our suppliers is generally one day, which falls within the credit period range of 25 to 45 days that we generally grant to our customers. There can be no assurance that we will not experience any significant cash flow mismatches in the future or that our cash flow management measures will continue to function properly, or at all. The details of our outstanding trade receivables as a percentage of our total revenue from operations have been provided in the table below for the years indicated.

(in ₹ million except mentioned otherwise)

Particulars	Fiscal 2026		Fiscal 2025		Fiscal 2024	
	Outstanding amount	% of total revenue from operations	Outstanding amount	% of total revenue from operations	Outstanding amount	% of total revenue from operations
Outstanding trade receivables	2,523.60	13.10	1,317.33	9.43	884.50	8.63
No. of debtor days*	36	-	29	-	32	-

**No. of debtor days for Fiscal= 365/ (Revenue from operations/Average trade receivables at the beginning and end of period).*

In addition to the outstanding trade receivables as disclosed in the table above, we are also a party to certain electronic vendor's financing scheme (e-VFS). Under these arrangements, we receive the payment from the bank on behalf of our customer, however, if the customer fails to pay the invoice value or any part thereof to the bank within the agreed upon time periods, the bank is entitled to recover the defaulted amount from us.

While we have not been materially affected by outstanding customer payments during Fiscal 2026, Fiscal 2025 and Fiscal 2024, we cannot assure you that we will not be so impacted in the future. There can be no assurance that we will be able

to collect the whole or any part of any overdue payments and any significant delay in, or non-receipt of, large payments or non-performance by our customers including default by our customer under e-VFS, could adversely affect our cash flows and results of operations.

16. ***The strength of the brand is crucial to our success. Any reputational damage to our brand, name or logo could have an adverse effect on our financial condition, cash flows and results of operations.***

Our Company has applied for registration of logos " " and DEEPA JEWELLERS LIMITED under class 14 and registration of trademarks for taglines "WHERE TRADITION MEETS ELEGANCE" and "HOUSE OF EXQUISITE JEWELLERY" under class 14 respectively. For further details, in respect of our intellectual property, see *"Government and other approvals- Intellectual property related approvals"* on page 348.

Our brand and reputation are among our most important assets, as they play a significant role in attracting customers to our products. The strength of our brand is influenced by several factors such as our growth, product designs, quality of materials used, recognition of product quality, product presentation, pricing, market penetration, accessibility of our products and the effectiveness of our marketing initiatives. Public communication activities such as advertising, public relations and marketing as well as the general public perception of our Company also impact our brand value.

The ability to differentiate our brand and product offerings from those of our competitors through effective branding and advertising initiatives is vital to attract and retain customers. We undertake various promotional and merchandising initiatives to expand our market reach, enhance customer relationships, and support sales across channels. We participate in key B2B jewellery exhibitions to showcase our collections, build brand visibility, and identify new market opportunities. We also leverage our digital platforms including our website, mobile application, and social media channels to promote our brand, engage with customers, and facilitate product discovery and ordering. In addition, we undertake targeted customer centric initiatives such as after-sales services and offering flexible take-back arrangements for a portion of unsold jewellery, which help to improve customer satisfaction and strengthen long-term relationships.

Our Company markets its products through its website and social media platforms including WhatsApp, Instagram, Facebook and YouTube. We use our website for brand visibility and for communicating important information about our Company to the public, while our social media platforms facilitate customer, feedback, providing news and updates on our new launched product and designs and understanding changing customer preferences and market trends. Please see below our advertisement and sales promotion expenses for the years indicated:

(in ₹ million except percentage data)

Particulars	Fiscal 2026		Fiscal 2025		Fiscal 2024	
	Amount	As a % of total expenses	Amount	As a % of total expenses	Amount	As a %of total expenses
Advertising and sales promotion expenses	6.14	0.03	7.86	0.06	4.91	0.05

To promote our brand and products, we have incurred and expect to continue to incur expenses related to advertising and other marketing efforts, including sponsorships, designing brochures and participation in exhibitions and trade fairs. However, there can be no assurance that our advertising or marketing efforts are or will be successful or result in increased sales. Furthermore, any negative publicity or perception of consumers relating to, amongst others, the quality of our products, range of our product portfolio and pricing strategy may adversely impact public perception of our brand and thereby adversely affect our business, financial condition and results of operations.

17. ***Our Company's practice for accepting the return of unsold jewellery from customers, could result in inventory that cannot be resold, which could adversely impact its business, financial condition and results of operations***

As part of our business practices, our Company may, in certain cases, accept the return of certain portion of the unsold jewellery from customers. Instead of providing a cash refund, we adjust the value of such returned products against future purchases made by the respective customers. While this arrangement facilitates customer retention and supports ongoing business relationships, it also exposes our Company to several operational, inventory and financial risks.

Returned jewellery may not be immediately saleable, particularly if the designs are outdated. In such cases, we require redesigning, remanufacturing, or refining before resale. This process may result in additional costs and operational delays, which could adversely impact our business, financial condition, and results of operations. For the Fiscal 2026, Fiscal 2025 and Fiscal 2024, our Company has accepted 93.84 kgs, 107.64 kgs and 81.26 kgs of unsold inventory from the customers. While we have managed such returns by redesigning and reselling them in the past, but there can be no assurance that future returns will not have a material effect on its operations.

18. ***If we are unable to continue to develop fashionable and popular designs, demand for our jewellery may decrease, adversely affecting our result of operations and financial condition.***

The jewellery industry is subject to rapid and unpredictable changes in fashion trends, customer preferences and increasing acceptance of alternative materials. As per the CRISIL Report, there is a shift towards incorporating diamonds in studded jewellery, reflecting urban millennials' inclination towards lighter and more affordable pieces. Studded jewellery offers a diverse range of styles and price points, catering to varied consumer preferences. This segment is gradually becoming an important part of everyday jewellery choices. Accordingly, customers have a variety of options beyond traditional gold jewellery, reflecting their ethical and sustainable choices in the jewellery market.

Our success depends on our ability to continuously, identify, originate and define product and market trends, both on a local and at pan-India level, as well as to anticipate, gauge and react to rapidly changing consumer demands in a timely manner. If a style of jewellery is perceived to be out of fashion, a variety of our designs of that style of jewellery will be rendered obsolete. To address this, we work closely with our team of 15 designers to consistently create innovative, trend-setting and stylish jewellery designs that are different from our competitors.

Market acceptance of new designs and products is subject to uncertainty, and we cannot assure you that our efforts will be successful. Achieving market acceptance for new designs or new jewellery lines may also require substantial marketing efforts and expenditures to increase consumer demand, which could constrain our management, financial and operational resources. If new designs we introduce do not experience broad market acceptance, our revenues could decline. In addition, due to the competitive nature of the jewellery market in which we operate, the innovative designs remain key differentiators, which normally possess a short life span.

Our products must also appeal to a broad range of end customers whose preferences may vary significantly and cannot be predicted with certainty. We cannot assure you that the demand for our products with end-consumers will continue to grow or that we will be able to continue to develop appealing styles or meet rapidly changing consumer demands in the future. Misjudging the market for our jewellery products or failing to anticipate a shift in the consumer preferences could adversely affect our brand image, our business and financial condition.

19. ***We are exposed to risks associated with our hedging activities, and any failure in our hedging strategy or execution may adversely affect our business, results of operations and financial condition.***

Gold is a critical raw material for our operations. Given the inherent volatility in gold prices and the corresponding impact on our operating margins, we have implemented a structured gold hedging policy to manage price risk, particularly related to inventory requirements for our Registered office and newly opened or upcoming sales offices.

Our hedging strategies include the use of Gold Metal Loans ("GML"), future contracts on commodity exchanges and internal hedging mechanisms. These instruments are primarily used to manage procurement costs and minimise the impact of price volatility. Under GML, gold is sourced from RBI-authorised bullion bank or institutions and may be repaid either in physical gold or in cash. We also hedge gold by entering into forward contracts on commodity exchange platforms. In addition, we also follow a policy of fixing the gold price with our bullion supplier simultaneously with the price fixed with the customer at the time of order execution. This approach helps neutralise the impact of gold price volatility. The tenure of our hedging instruments i.e. GML ranges from 1 to 180 days, while the tenure of forward contracts undertaken on commodity exchanges generally ranges from 15 to 30 days and our internal hedging mechanism is typically executed on a near-simultaneous basis with customer orders i.e. 1 day or same day of receipt of such orders. Our Company's average inventory holding period is approximately 18 to 22 days. Accordingly, we utilise different hedging mechanisms with varying tenures based on several factors, including the cost of hedging, inventory requirements, seasonal demand patterns such as wedding and festive seasons and the credit period extended to customers.

The table below includes the instrument-wise break-up of hedging used for the Fiscal 2026, Fiscal 2025 and Fiscal 2024:

Hedging Instrument	**Fiscal 2026**			**Fiscal 2025**			**Fiscal 2024**		
	Value of closing stock of Gold (₹ in million)	**Value of Gold hedged (₹ in million)**	**% of value of Gold hedged**	**Value of closing stock of Gold (₹ in million)**	**Value of Gold hedged (₹ in million)**	**% of value of Gold hedged**	**Value of closing stock of Gold (₹ in million)**	**Value of Gold hedged (₹ in million)**	**% of value of Gold hedged**
Gold metal loan	-	-	-	-	-	-	696.65	368.35	52.37
Forward contracts on	-	-	-	-	-	-	-	-	-

commodity exchanges									
Internal hedging mechanism	829.36	697.26	84.07	782.42	594.41	75.97	-	-	-

While these strategies are designed to reduce risk, they may not always be effective. Inadequate or improperly structured hedging mechanisms, errors in execution, or adverse movements in market prices may result in significant financial losses. Our hedging activities are also subject to counterparty and systemic risks associated with the exchanges or platforms through which such transactions are executed. In the event of default, insolvency, or operational failure of any counterparty or exchange, we may be unable to recover our positions or may incur substantial losses. Such events could adversely affect our financial condition, results of operations, and cash flows. Further, any regulatory changes affecting the hedging instruments or platforms we rely on may limit our ability to manage price risks effectively. Our hedging arrangements do not cover 100.00% of our inventory, which may expose us to fluctuations in gold price. Although we did not face any significant failure in our hedging strategies or execution during the Fiscal 2026, Fiscal 2025 and Fiscal 2024, we cannot guarantee that such incidents will not occur in the future.

Please see the table below setting out our hedging ratio during the indicated period:

Particulars	Fiscal 2026	Fiscal 2025	Fiscal 2024
Total inventory *(₹ in million)*	829.36	782.42	696.65
Inventory hedged *(₹ in million)*	697.26	594.41	368.35
Hedging ratio	0.84	0.76	0.53

We aim to hedge up to 100.00 % of the gold inventory planned or required for our Registered Office and sales office rollouts, with the exact proportion depending on market trends, instrument availability, and business requirements. All hedging activities are overseen by our Risk Management Committee comprising of Dev Agarwal (Chairperson), Sirisha Chintapalli (Member), Komal Agarwal (Member), Grandhi Vittal (Member), Srinivas Kamoji Gunupudi (Member) and Kondetewar Anil Reddy (Member). The hedging policy is reviewed annually or earlier if warranted by regulatory or market developments, or strategic changes in our business.

20. We face significant competition in the Indian jewellery market. Our market share may be adversely affected due to changes in market trends, pricing and customer preferences, and we risk losing substantial portion of our customers which will adversely affect our business, financial condition, results of operations and prospects.

We operate in highly competitive and fragmented markets, and our market share may get adversely affected due to competition in these markets which is based primarily on market trends, pricing and customer preferences. We face competition from both the organized and unorganised players in the jewellery business. Some of our competitors may be larger than us in terms of sales volume, distribution networks, brand recall and may have greater capital, technical capabilities and financial and other resources than us which may enable them to secure opportunities at lower prices or to otherwise incentivize the customers. Additionally, larger competitors may provide promotional offers to customers, particularly during festivals, which we may not be able to compete with and which, accordingly, could result in, amongst other things, loss of our existing customers or failure to attract new customers, which could have a material adverse effect on our business, financial condition, results of operations and prospects. For details, see "*Industry Overview*" on page 129.

We compete for customers, based on various factors, including design of our jewellery, affordability and pricing, quality of our jewellery and price transparency. If we do not compete in these areas effectively, it could lead to a decrease in our market share, experience downward pressure on prices and an increase in our marketing and other expenses. This could adversely affect our profitability, as it would cause us to experience lower revenue and additional selling costs to replace customers and recapture the lost revenue. Further, the pricing of gold jewellery in particular is extremely competitive due to its objectively verifiable value, resulting in us having limited control over pricing of gold jewellery. There can be no assurance that we can effectively compete with our competitors in the future, and any such failure to compete effectively may have a material adverse effect on our business, financial condition, results of operations and prospects. For further details of our competitors, see "*Our Business – Competition*" on page 208.

Further, as per the CRISIL Report, the jewellery industry in India has traditionally been dominated by family-owned businesses, which operated largely on trust. Though this segment continues to account for majority of the industry even today, the organised segment has grown rapidly in recent years and gained substantial market share. A significant portion of such jewellery business in the unorganized sector operates through partnerships/ proprietary concerns, as compared to our Company, which is regulated by the provisions of the Companies Act. Such corporate structures may offer our

competitors in the unorganized sector more flexibility. We cannot assure you that we will be able to compete with the unorganized sector effectively, which could adversely affect our business, results of operations, financial conditions and prospects.

Consequently, we cannot assure you that we will be able to compete successfully in the future against our existing or potential competitors, or that our business and results of operations will not be adversely affected by increased competition in the offline and online channels.

21. Our Company requires significant amounts of working capital for continued growth. Our inability to meet our working capital requirements, on commercially acceptable terms, may have an adverse impact on our business, financial condition and results of operations.

Our business requires a substantial amount of working capital, primarily to finance the purchase of raw materials. For further details see "*Objects of the Offer - Funding long-term working capital requirements towards procurement, maintenance and scaling up of inventory by our Company*" on page 102. Our working capital requirements are based on certain assumptions and estimates and may not be indicative of the actual requirements of our Company in future. Please see below our existing working capital requirements for the years indicated:

(in ₹ million)

Particulars	Fiscal 2026	Fiscal 2025	Fiscal 2024
Working capital requirements	3,440.19	2,133.95	1,581.50

We are currently setting up an in-house manufacturing facility spanning across 6,696.00 square feet in Hyderabad ("**Proposed Facility"**) and have placed orders for the required equipment with the respective vendors. We will require substantial working capital to operate the Proposed Facility. Additionally, we have opened sales office in Vijayawada, Andhra Pradesh and intend to further strengthen our physical presence across South India, by setting up an additional sales office in Bangalore in Fiscal 2027, and we will require working capital to maintain inventory at our sales office in Vijayawada and any other sales offices that we may open. For further information see *"Our Business – Strategies"* on page 192. Further, in addition to the requirement of funds as provided in "*Objects of the Offer – Funding long-term working capital requirements towards procurement, maintenance and scaling up of inventory by our Company"* on page 102, we may need to obtain additional financing in the normal course of business from time to time as we expand our operations. We may not be successful in obtaining additional funds in a timely manner and/or on favourable terms including rate of interest, primary security cover, collateral security, terms of repayment, other conditions, or we may not be able to obtain such financing or at all. If we raise additional debt, our interest expense will increase and our debt covenants under our existing loans may be impacted. Certain of our loan documentation contains provisions that limit our ability to incur future debt. If we raise additional funds through the issuance of equity, our ownership interest in our Company will be diluted. The cost and availability of capital, among other factors, depends on our credit rating. If we are unable to access additional capital, we may be required to delay, scale back or abandon some or all of our plans or growth strategies or and the size of our operations may be constrained. Since gold metal loans carry lower rate of interest as compared to other working capital loans, any change in the mix of gold metal loans to other working capital loans may result in an increase in interest costs.

As of July 31, 2026, we had utilised working capital loans amounting to ₹ 829.79 million fund-based facility and had a total sanctioned working capital loan amount of ₹ 1,150.00 million (comprising fund-based facility and non-fund-based facility).

Set forth below are certain of our financial metrics for Fiscal 2026, Fiscal 2025 and Fiscal 2024.

Particulars	Fiscal 2026	Fiscal 2025	Fiscal 2024
Total current assets (*in ₹ million*)	3,468.26	2,168.34	1,736.43
Total current liabilities (*in ₹ million*)	27.04	33.42	38.05
Net working capital (*in ₹ million*)	3,440.19	2,133.95	1,581.50
Average net working capital cycle	53	49	53
Inventory holding days*	18	21	22
Trade receivable days**	36	29	32
Trade payable days***	1	1	1

Notes:

**Inventory holding days = Inventory holding period (days) is calculated by dividing 365 by the ratio of cost of goods sold to the average inventory at the beginning and end of the period.*

***Trade receivable days = debtors holding period (days) is calculated by dividing 365 by the ratio of revenue from operations to the average trade receivables at the beginning and end of the period.*

****Trade payable days = Creditors holding period (days) is calculated by dividing 365 by the ratio of Cost of Goods Sold (COGS) to the average trade payables at the beginning and end of the period.*

Any fluctuations in interest rates may directly impact on the interest costs of such loans and, in particular, any increase in interest rates could adversely affect our results of operations. Further, our indebtedness also requires us to allocate a significant portion of our cash flow towards payment of interest, thereby reducing the funds available for our business operations. If interest rates increase, our interest payments will increase accordingly and our ability to obtain additional debt and non-fund-based facilities may be adversely affected which could have a concurrent adverse effect on our business, financial condition and results of operations.

Our ability to meet our working capital requirements on commercially acceptable terms is critical to our business operations. We rely on external financing, primarily in the form of working capital lines of credit, to meet our short-term funding needs. Any significant tightening in the availability of credit or any deterioration in our creditworthiness may limit our ability to access adequate funding, which could result in delays in procurement, production, or order fulfilment. In turn, this could negatively affect our sales, market share, and profitability. Additionally, any increase in the cost of financing could impact our overall cost structure and reduce our margins.

Adequate working capital is essential to maintaining healthy cash flow, enabling us to meet short-term obligations such as supplier payments, operational expenses, and labor costs. In the absence of sufficient working capital, we may face cash flow gaps that could affect our ability to make timely payments or meet production timelines. Extended delays in working capital replenishment could lead to disruptions in our business operations, strained relationships with suppliers, or delays in fulfilling customer orders, all of which may adversely impact our revenue and profitability.

22. We incur loss of gold during the jewellery manufacturing process, and any inability to effectively control or recover such loss could negatively impact our business and results of operations.

We process our jewellery through an outsourced manufacturing model with a pool of skilled karigars. These karigars manufacture gold ornaments and minute gold particles are lost during activities such as cutting, polishing, filing, and refining. Despite industry-standard precautions, a portion of gold may dissipate in the form of dust or micro-particles, leading to inevitable process loss. Such loss directly impacts our cost of production, inventory management, and overall profitability, as gold is our principal raw material and any inefficiency in its utilisation can materially affect operating margins. For the Fiscal 2026, Fiscal 2025 and Fiscal 2024, we have incurred a loss of 5,126.89 grams, 3,654.82 grams and 9,732.92 grams of gold respectively, during the manufacturing process.

If we are unable to effectively monitor, control, and recover gold loss during production, our Company may incur higher raw material consumption, resulting in increased working capital requirements and reduced financial performance. Additionally, inconsistent or inaccurately measured gold loss could lead to discrepancies in stock records, internal control challenges, and potential disputes with karigars.

To mitigate this risk, we intend to implement a comprehensive set of mechanisms aimed at reducing gold wastage across our Proposed Facility. This includes the introduction of systems designed to capture and recover gold particles generated during production processes, through specialised filtration, extraction, and dust-collection mechanisms. Dedicated stations will be established to recover gold residues from work areas, while high-efficiency vacuum systems and other extraction tools will be deployed to collect airborne or settled particles. We have already placed orders for advanced imported machinery. These measures are expected to improve our gold recovery processes and enhance overall wastage control efficiency

Any failure to adequately manage or reduce gold loss may adversely affect our business operations, financial condition, and results of operations.

23. Our business is subject to the threats and challenges inherent in the gems and jewellery industry including the availability of raw materials, significant working capital and credit requirements, pricing volatility, intense competition and changes in the regulatory environment. Any inability to effectively manage these industry specific risks may adversely affect our business, financial condition, results of operations and cash flows.

The timely procurement and pricing of gold bullion, which constitutes our key raw material, are critical to our operations. Further, our business requires substantial working capital to fund raw material purchases, maintain inventory levels and support our growth initiatives. Any inability to obtain or renew working capital facilities on commercially acceptable terms, or at all could adversely affect our business, financial condition and results of operations. In addition, the Indian jewellery industry is highly competitive and is influenced by evolving consumer preferences, pricing dynamics, design trends and the presence of organized and unorganized market participants. Any failure to respond effectively to these competitive factors may adversely affect our market position and profitability. Further, changes in the applicability, interpretation or implementation of laws, regulations, governmental policies or industry standards may impact the viability of our existing business operations and restrict our future growth prospects. For further details regarding the key challenges and risks

associated with the gems and jewellery industry please refer to "*Industry Overview- Key challenges and risk in gems and jewellery retail industry*" on page 174.

We have implemented various measures to manage these industry-related risks and challenges. For instance, we utilise hedging mechanisms, including gold metal loans, commodity exchange futures contracts and our internal hedging policy, to manage fluctuations in gold prices. However, such hedging measures do not cover our entire inventory and may not fully protect us against adverse movements in gold prices. We also actively monitor and replenish inventory on a regular basis to maintain adequate stock levels of raw materials. To address competitive pressures, we periodically update our jewellery designs in line with prevailing market trends and customer preferences through our dedicated in-house design team. We also seek to enhance customer satisfaction and maintain long-term relationships through after-sales services including jewellery cleaning and repair services, as well as customer-friendly exchange and return policies. However, there can be no assurance that these measures will be adequate or effective in mitigating the risks associated with the gems and jewellery industry, and any failure to effectively manage such risks may materially and adversely affect our business, financial condition, results of operations and cash flows.

24. Any delay in payment of statutory dues by our Company in future, may result in the imposition of penalties and in turn may have an adverse effect on our Company's business, financial condition, results of operations and cash flows.

We are subject to ongoing reporting and compliance requirements and are required to make payments of periodic statutory dues, which we may not be able to undertake at all times. The table below sets forth details of statutory dues paid by our Company in relation to our employees for Fiscal 2026, Fiscal 2025 and Fiscal 2024:

(in ₹ million, except as mentioned otherwise)

Particulars	No. of employees to whom payable			Statutory dues paid (₹ in million)			Statutory dues unpaid (₹ in million)		
	Fiscal 2026	Fiscal 2025	Fiscal 2024	Fiscal 2026	Fiscal 2025	Fiscal 2024	Fiscal 2026	Fiscal 2025	Fiscal 2024
The Employees Provident Fund and Miscellaneous Provisions Act, 1952	41	NIL	NIL	0.78	NIL	NIL	NIL	NIL	NIL
Employee State Insurance Act, 1948	1	NIL	NIL	0.00	NIL	NIL	NIL	NIL	NIL

Further, we cannot assure you that we will be able to pay our statutory dues in a timely manner, or at all, in the future Any non-payment or delay in payment of statutory dues or liabilities may result in regulatory or statutory actions, including the imposition of penalties, which may have a material adverse effect on our financial condition and cash flows.

25. There have been delays in filing certain statutory and regulatory forms with RoC by our Company in the past. We cannot assure you that regulatory proceedings or actions will not be initiated against us in the future, and we will not be subject to any penalty imposed by the competent regulatory authority in this regard.

Our Company has, in the past, experienced delays in filing certain statutory and regulatory forms with RoC, within the prescribed timelines under applicable laws. Such delays may expose us to regulatory proceedings, actions, or penalties, and we cannot assure you that no such proceedings will be initiated against us in the future or that we will not be subject to penalties imposed by the competent regulatory authorities in this regard.

In relation to the aforesaid delays, our Company has subsequently filed the relevant forms with the RoC upon payment of applicable late fees, including the following:

1. Form CHG-1 for creation and modification of charges for the Fiscal Years 2017, 2018, 2019 and 2022;
2. Form ADT -1 for appointment of statutory auditors, Prahalad Khandelwal & Co. Chartered Accountants;
3. Form ADT-1 for appointment of statutory auditors NSVR & Associates, Chartered Accountants;
4. Form ADT-3 for notice of resignation of the statutory auditors, Prahalad Khandelwal & Co., Chartered Accountants;
5. Form DIR-12 with respect to appointment of the Company Secretary Aayush Agrawal, appointment of Chief Financial Officer Srinivas Kamoji Gunupudi and change in designation of Seema Agarwal from Executive Director to Non-Executive Non-Independent Director;
6. Form MGT- 14 with respect to resolution passed by Board of Directors for appointment of Chief Financial Officer Srinivas Kamoji Gunupudi, issue of bonus shares for the allotment dated November 28, 2025, appointment of Managing Director Ashish Agarwal and Whole-time Director Dev Agarwal, appointment of internal auditors and for enhancement of existing credit limits;
7. Form DPT-3(Return of Deposits) for the Fiscal Year 2019 and 2025;
8. Form AOC-4 XBRL for filing XBRL document with ROC with respect to financial statement and other documents for the Fiscal Year 2022; and
9. Form BEN -2 filed for change in declaration of Mr. Ashish Agarwal as beneficial owner.

As of the date of this Red Herring Prospectus, no regulatory proceedings or actions have been initiated against our Company in connection with such delays. However, we cannot assure you that statutory or regulatory authorities will not initiate legal proceedings, regulatory actions, or impose penalties in the future in respect of such delays or any similar non-

compliances. Any such action, penalty, or proceeding may require management time and resources and could adversely affect our business, financial condition, results of operations, cash flows, and reputation.

Further, any recurrence of delays or non-compliance with statutory filing requirements may result in increased scrutiny by regulatory authorities and could expose our Company and its directors to additional liabilities under applicable laws. We cannot assure that similar instances of non-compliance will not occur in the future.

26. We process our jewellery through an outsourced manufacturing model with a pool of karigars. We are exposed to the risk of our karigars leaking or misusing our designs, thereby impacting our business and financial performance.

Manufacturing of our gold jewellery is carried out through third-party karigars, who undertake production based on the designs and specifications provided by us. Since these karigars are not our employees and do not work exclusively for us, we face the risk of our designs, techniques or other confidential information, shared with them during the course of production being leaked, duplicated, or shared with competitors.

Any unauthorised disclosure or misuse of our designs may reduce the distinctiveness and exclusivity of our product offerings. Our designs constitute a key competitive advantage, and the loss of uniqueness in our collections may impair our ability to differentiate ourselves in a highly competitive and design-driven market. If competitors replicate or gain access to our designs, they may introduce similar products at lower prices, with faster turnaround, or in markets where we are not currently present, which could significantly affect our market positioning.

As on July 31, 2026, we have a pool of 41 karigars, out of which, we have entered into formal agreements with 29 karigars. We have not entered into formal agreements with the remaining karigars, and our engagement with them is based on ongoing working relationships. As a result, our ability to enforce confidentiality or seek legal recourse in the event of design leakage may be limited. Further, monitoring and detecting such leakage is inherently difficult given the fragmented and unorganised nature of the karigar ecosystem. Although we did not face any issue in the Fiscal 2026, Fiscal 2025 and Fiscal 2024, we cannot guarantee that such incidents will not occur in the future. Any compromise of our design confidentiality, whether deliberate or inadvertent, could adversely affect our competitiveness, profitability, future revenues and overall business performance.

27. The success of our business operations is dependent on our Directors, Key Managerial Personnel and Senior Management. Our inability to attract and retain key personnel or the loss of services of such personnel may have an adverse effect on our business prospects.

Our growth and future success are substantially dependent on the continued services and contributions of our Directors, Senior Management and Key Managerial Personnel, including Ashish Agarwal, our Promoter, Chairman and Managing Director. The loss of the services of any of our Directors, Key Managerial Personnel and Senior Management or other key employees could harm our business. Our future success also depends on our ability to continue to attract, retain and motivate highly skilled employees, particularly at managerial levels. The inputs, knowledge and experience of our Directors, Key Managerial Personnel and Senior Management, in particular, and other key personnel are valuable for the development of our business, operations and the strategic direction. For further information on our Directors, Key Managerial Personnel, and Senior Management, see "*Our Management*" on page 224.

Our ability to sustain our growth depends upon our ability to attract and retain key personnel, to address emerging business and operating challenges. We cannot assure you that these individuals or any other member of our Key Managerial Personnel or Senior Management will not leave us or join a competitor or that we will be able to retain such personnel or find adequate replacements in a timely manner, or at all. In addition, we may require a long period of time to hire and train replacement personnel when qualified personnel terminate their employment with us. We may also be required to increase our levels of employee compensation more rapidly than in the past to remain competitive in attracting employees that our business requires. The loss of the services of such personnel or our inability to hire and retain qualified individuals may have an adverse effect on our business, results of operations, financial condition and cash flows.

The following table sets forth the attrition rate in the periods indicated:

Particulars	Fiscal 2026	Fiscal 2025	Fiscal 2024
Number of employees*	64	35	38
Number of employees exited	11	4	5
Attrition rate of employees** (%)	17.19	11.43	13.16

**Number of employees= Number of employees has been arrived at by dividing opening number of employees + Closing number of employees by 2.*
*** Attrition rate of employees = (Number of employees exited/ Number of employees) ×100.*

We may also face attrition of our existing workforce as a result of increased competition or other factors relating to our businesses. If we continue to have a high attrition rate, it may reduce productivity levels and may take a long period of time to hire and train replacement personnel when qualified personnel terminate their employment with our Company. Further, if we cannot hire additional qualified personnel or retain them, our ability to expand our business will be impaired and our revenue could decline. We will need to recruit new employees, who will have to be trained and integrated into our operations. We will also have to train existing employees to adhere properly to internal controls and risk management procedures. Failure to train and motivate our employees properly may result in an increase in employee attrition rates, require additional hiring, erode the quality of customer service, divert management resources and impose significant costs on us.

28. ***We do not register our jewellery designs under the Designs Act, 2000 and we may lose income if our designs are duplicated by our competitors. We may fail to protect our jewellery designs and are susceptible to litigation for infringement of intellectual property rights in relation to such designs. This could materially and adversely affect our reputation, results of operations and financial condition.***

We change our jewellery designs on a regular basis and do not register such designs under the Design Act, 2000. Due to the high volume and rapid turnover of jewellery designs, along with practical challenges in monitoring and enforcing design protection across diverse markets and taking into account the cost-benefit considerations of registering each individual design, we have chosen not to pursue formal registration of our designs under the Designs Act, 2000. As such, it would be difficult for us to enforce our intellectual property rights in our designs, and if our competitors copy our designs of our products available on our website or the designs given to karigars, it could lead to a loss of revenue, which could adversely affect our results of operations and financial condition. Additionally, designs developed by us may inadvertently infringe on the intellectual property rights of third parties, which may expose us to legal proceedings. Thus, we are susceptible to litigation for infringement of intellectual property rights in relation to such designs. For the Fiscal 2026, Fiscal 2025 and Fiscal 2024, we have not faced any instance, where we have failed to protect our jewellery designs, however, we cannot assure that we will be able to protect our designs in future. Any such failure could materially and adversely affect our reputation, results of operations and financial condition.

29. ***We use company-owned vehicles as well as third party transportation and logistics service providers to procure raw materials and for the delivery of our products to our customers. Our expenses towards freight and forwarding charges for Fiscal 2026, Fiscal 2025 and Fiscal 2024 were ₹ 4.02 million, ₹ 4.73 million and ₹ 3.78 million representing 0.02%, 0.04% and 0.04% of our total expenses. Our delay in delivery of our products or raw materials or any increase in the charges of these entities could adversely affect our business, results of operations and financial condition.***

Our success depends on our ability to procure raw materials and supply our products to our customers in timely manner. We use company-owned vehicles for delivery of our products to customer within Hyderabad and third-party transportation and logistics service provider to transport our products across India. The following table provides our freight and forwarding expenses and as a percentage of total expenses for the years indicated:

(in ₹ million except for percentage data)

Particulars	Fiscal 2026		Fiscal 2025		Fiscal 2024	
	Amount	% of total expenses	Amount	% of total expenses	Amount	% of total expenses
Freight and forwarding	4.02	0.02	4.73	0.04	3.78	0.04

We have not entered into a formal contract with our logistic services provider. Accordingly, we remain dependent on the transportation and logistics networks, as well as the connectivity and condition of the road and general transportation infrastructure in India, for the timely delivery of our products. Any delays in supply and transportation of our products to our customers due to inadequacies in transportation infrastructure, or disruptions in road or air transportation networks due to weather-related events, labour strikes, wars or unforeseen circumstances could adversely impact our operations. While there has been no instance during Fiscal 2026, Fiscal 2025 and Fiscal 2024, we cannot assure that such delays will not occur in the future. Further, while our transit insurance covers risk of damage and thefts, it does not cover delays in raw material supply, or transportation of our products to our customers and any claims brought against us by our customers, which could require us to expend significant resources to defend such claims. This in turn could have a material impact on our financial condition.

Additionally, if we lose our logistic service provider or are unable to obtain favourable terms from other entities, it could cause disruption in supply of our products and increase our cost of operations. While we currently charge such logistics costs to our customers, we cannot assure you that we will be able to continue to do so in the future. While we have not encountered any instance in the Fiscal 2026, Fiscal 2025 and Fiscal 2024, we cannot assure you that such instance will not arise in the future.

30. If we fail to turn existing customers into repeat customers in a cost effective manner or to acquire new customers, our business, financial condition, and results of operations may be adversely affected.

The continued growth of our business is largely dependent on our ability to cost-effectively convert existing customers into repeat buyers and to attract new customers through targeted marketing and brand engagement initiatives. While we believe a significant portion of our customer base is driven by word-of-mouth and non-paid referrals, we expect to continue investing in marketing and promotional activities to support customer acquisition and retention, which may impact our profitability.

As of July 31, 2026, we have 373 customers, of which 18 customers are associated with us since the inception. Please see below the table reflecting the duration of our engagement with our customers:

No. of years of association with our Company	No. of customers
2-4 years	168
5-7 years	86
Above 7 years	36

If we are unable to expand our customer base or maintain customer loyalty, our revenue growth may be slower than anticipated or may decline. Our ability to acquire and retain customers also depends on our capability to enhance our product offerings, introduce new collections that align with evolving customer preferences, and respond in a timely manner to changing consumer trends. Our success in these areas is contingent on factors such as timely product development, adequate demand, and cost-effective execution.

The number of customers engaging with our brand may decline or fluctuate due to several factors, including:

- dissatisfaction with product quality, design, pricing, or changes to our product offerings;
- reduced appeal of our products or pricing in comparison to competitors;
- intense competition within the jewellery industry;
- reputational risks or negative publicity affecting our brand;

Furthermore, any shortcomings in providing timely and effective customer service or addressing grievances could negatively affect customer trust and loyalty. Any material decline in customer engagement or retention, for any of the above or other unforeseen reasons, could adversely affect our business, financial condition and results of operations.

31. Our Promoters have provided personal guarantees for loan facilities obtained by our Company. Further, our Promoter, Chaiman and Managing Director Ashish Agarwal, in his capacity as a guarantor, has mortgaged his property, being the Registered Office of our Company, in favour of Yes Bank Limited. Any failure or default by our Company to repay such loan facilities in accordance with the terms and conditions of the financing documents could trigger repayment obligations on our Promoters, which may impact their ability to effectively service their obligations or if the personal guarantees are revoked by our Promoters may impact our business, operations, financial condition and cash flows.

Our Promoters, namely Ashish Agarwal, Seema Agarwal and Dev Agarwal have provided personal guarantees for loan facilities obtained by our Company aggregating ₹ 1,150.00 million. Further, the Registered Office of our Company, situated at Ground Floor and First Floor, Door No. 3-6-343 & 344, Basheerbagh, Himayathnagar, Hyderabad – 500029, Telangana, India, which is leased from our Promoter, Chairman and Managing Director Ashish Agarwal, has been mortgaged by him, in his capacity as guarantor, in favour of Yes Bank Limited, in connection with the loan facilities availed by our Company. Any failure or default by us to repay these loan facilities in accordance with the terms and conditions of the financing documents, may result in enforcement actions by the lender, including invocation of the personal guarantees and enforcement of the security over the Registered Office premises. Such actions may adversely affect the financial position of our Promoters, disrupt our operations and adversely affect our business, financial condition, results of operations and cash flows. Please see below the details of personal guarantees provided by our Promoters:

Name of the Lender	Type of Facility	Fund based/ Non-fund based	Sanctioned Amount (in ₹ million)	Obligation of the guarantor(s)	Date of original facility letter	Date of latest addendum to facility letter	Duration of the Guarantee
YES Bank Limited	1.Cash Credit	Fund based	1,150.00	Repayment of outstanding	November 27, 2017	November 26, 2025	Tenor of working

Name of the Lender	Type of Facility	Fund based/ Non-fund based	Sanctioned Amount (in ₹ million)	Obligation of the guarantor(s)	Date of original facility letter	Date of latest addendum to facility letter	Duration of the Guarantee
	2.Working Capital Demand loan (Sublimit to cash credit)	Fund based	1,150.00	amount on failure of the Company to repay			capital facility is 12 months beginning from November 26, 2025, which is revolving in nature.
	3. Gold (Metal) Loan (Sublimit to cash credit)	Fund based	1,000.00				
	4. Pre/post Shipment Credit (Sublimit of cash credit)	Non-Fund based	20.00				
	5.Pre/post shipment credit (Sublimit of Gold (Metal) Loan	Non-Fund based	50.00				

Further, if any of these personal guarantees are revoked or withdrawn, our lender may require alternative security, collateral or additional personal guarantees. Our lender can reduce credit limit or cancel such loan facilities, entailing repayment of outstanding amounts under such loan facilities. If we are unable to provide alternative guarantees satisfactory to our lender, we may need to seek alternative sources of capital, which may not be available to us at commercially reasonable terms or at all, or to agree to more onerous terms under our current financing agreements, which may limit our operational flexibility. Accordingly, our business, financial condition, results of operations and prospects may be adversely affected by the modification or revocation of all or any of the personal guarantees provided by our Promoters, in connection with our borrowing. For further details, see "*Restated Financial Information*" and "*Financial Indebtedness*" on pages 247 and 339 respectively.

32. Our Promoters will continue to retain majority shareholding in our Company subsequent to the Offer, which will allow them to exercise significant influence over our Company. Further, any substantial change in our Promoters' shareholding may have an impact on the trading price of our Equity Shares which could have an adverse effect on our business, results of operations, financial condition and cash flows.

Our Promoters and our Promoter Group are the majority shareholders of our Company. Upon completion of the Offer, our Promoters and Promoter Group will own [●] Equity Shares, or [●] % of our post-Offer Equity Share capital (assuming full subscription of the Offer).

Accordingly, our Promoters will continue to exercise significant influence over our business policies and affairs and all matters requiring shareholders' approval, including the composition of our Board, the adoption of amendments to our memorandum and articles of association, the approval of mergers, strategic acquisitions or joint ventures or the sales of substantially all of our assets, and the policies for dividends, lending, investments and capital expenditures. This concentration of ownership also may delay, defer or even prevent a change in control of our Company and may make some transactions more difficult or impossible without the support of these shareholders. Our Company cannot assure you that the interest of the Promoters and members of the Promoter Group in any such scenario will not conflict with the interest of other Shareholders or with our Company's interests. Any such conflict may adversely affect our Company's ability to execute its business strategy or to operate our Company's business effectively or in the best interests of the other Shareholders of our Company. Further, any substantial change in our Promoters' shareholding may have an impact on the trading price of our Equity Shares which could have an adverse effect on our business, results of operations, financial condition and cash flows.

33. An inability to maintain adequate insurance cover in connection with our business may adversely affect our operations and profitability.

We have obtained a number of insurance policies in connection with our operations including burglary risk insurance policy, jeweller's block policy inter alia covering in- transit risks, and insurance policy for buildings, furniture, fittings and fixtures covering risks against fire, earthquake and terrorism. For further information, see *"Our Business – Insurance"* on page 209.

The table below sets forth our total insurance coverage as of the years indicated:

(in ₹ million except for percentage data)

Particulars	Fiscal 2026	Fiscal 2025	Fiscal, 2024
Insured assets	786.27	772.18	429.12
Percentage of total insurable assets (%)	87.65	91.70	58.66

While we believe that the insurance coverage which we maintain would be reasonably adequate to cover the normal risks associated with the operation of our business, we cannot assure you that any claim under the insurance policies maintained by us will be honoured fully, in part or on time, or that we have taken out sufficient insurance to cover all our losses. Further, while we have insurance coverage for transportation-related risks, there may be limitations on the value of gold jewellery covered under such policies. In the event of a loss, theft, or damage during transit, there is a possibility that our recovery through insurance may not fully compensate for the financial loss or cover the associated reputational damage. Additionally, the claims process can be time-consuming and may not fully restore the business to its previous position.

While in the Fiscal 2026, Fiscal 2025 and Fiscal 2024, there have been no instances of any claim related to loss, theft, or damage during transit except for a vehicle related claim that did not exceed the insurance cover, we cannot assure you that such instances will not arise in the future. In addition, our insurance coverage expires from time to time. We apply for the renewal of our insurance coverage in the normal course of our business, but we cannot assure you that such renewals will be granted in a timely manner, at acceptable cost or at all. Further, we do not maintain product liability insurance for our products. To the extent that we suffer losses or damage for which we did not obtain or maintain insurance, and which is not covered by insurance or exceeds our insurance coverage or where our insurance claims are rejected, the loss would have to be borne by us and our results of operations, cash flows and financial condition may be adversely affected.

Further, there are may be other events that could significantly impact our operations, or expose us to third-party liabilities, for which we may not be adequately insured. To the extent that we suffer any loss or damage that is not covered by insurance, our business, financial condition and results of operations could be adversely affected. While in Fiscal 2026, Fiscal 2025 and Fiscal 2024, there have been no instances of any third-party liabilities, we cannot assure you that such instances will not arise in the future.

34. We maintain large amounts of inventory at our Registered Office, sales offices and with the karigars at all times. Incidents such as fraud, theft, employee negligence or similar other incidents may adversely affect our results of operations and financial condition.

Our business operations require us to maintain large amounts of gold inventory at our Registered Office, sales office and also with the karigars at all times. The jewellery industry also typically encounters some inventory loss on account of employee theft, vendor fraud, and general administrative error. We have set up various security measures in our premises, including tagging our products, CCTV in our store, intrusion alarms systems, designated secure rooms for jewellery storage, armed security guards and follow stringent operational processes such as daily stock taking**.** While in the Fiscal 2026, Fiscal 2025 and Fiscal 2024, there have been no instance of any fraud, theft, employee negligence, security lapse, loss in transit or similar incidents, there can be no assurance that we will not experience any such incidents in the future, which could adversely affect our results of operations and financial condition. While we maintain sufficient insurance coverage against theft and damage to our inventory at our premises, we also keep a substantial amount of raw materials with the karigars for processing purposes. Our karigars may not maintain insurance policies in place for theft or damage of goods and we may suffer substantial loss in case of theft from their premises, which could adversely affect our results of operations and financial condition.

Additionally, in case of losses due to theft, there can be no assurance that we will be able to recover from our insurers the full amount of any such loss in a timely manner, or at all. If we incur a significant inventory loss due to a third-party including customer or karigars or employee theft and if such loss exceeds the limits of, or is subject to an exclusion from, coverage under our insurance policies, it could have a material adverse effect on our business, results of operations and financial condition. In addition, if we file claims under an insurance policy it could lead to increases in the insurance premiums payable by us or the termination of coverage under the relevant policy.

35. We operate in a high-value commodity sector, there are certain security risks associated with the transit and delivery of gold jewellery, including potential loss or theft.

The security of our gold jewellery, particularly during transit and delivery to customers, represents a significant risk to our business. As we operate in a high-value, precious commodity sector, the movement of our products is vulnerable to various security risks. This includes potential theft, loss, or damage during transportation, any of which could have an adverse impact on our financial performance, reputation, and customer trust.

Gold jewellery, due to its intrinsic value, is a high-risk item for theft, making it a potential target during transportation. Our products, which include valuable gold jewellery, are often transported in bulk to fulfil large orders from our customers. As these deliveries typically involve significant monetary value, the risk of theft, fraud, or loss during transit is inherently higher compared to other non-precious goods. Although we have not experienced any such instances during transit or deliveries, or any fraud, theft, or loss during transit or similar incidents in the Fiscal 2026, Fiscal 2025 and Fiscal 2024, there can be no assurance that we will not experience any such incidences in the future, which could adversely affect our results of operations and financial condition.

The transportation of gold jewellery is typically carried out through a third-party logistics service provider. The transit process can involve multiple stages, including storage, packaging, handling, and shipment. Each stage introduces a potential risk point where gold jewellery can be lost, stolen, or damaged due to theft, mishandling, or accidents. While there have been no such incidences of theft or loss during storage, packaging, handling, and shipment in Fiscal 2026, Fiscal 2025 and Fiscal 2024, there can be no assurance that we will not have any such incidents in future**.**

Further, while we have insurance coverage for transportation-related risks, there may be limitations on the value of gold jewellery covered under such policies. In the event of a loss, theft, or damage during transit, there is a possibility that our recovery through insurance may not fully compensate for the financial loss or cover the associated reputational damage. Additionally, the claims process can be time-consuming and may not fully restore the business to its previous position. For further details in relation to our insurance policies, see "*Our Business - Insurance*" on page 209.

36. We are in the process of setting up a Proposed Facility, and such expansion will be subject to the risks of unanticipated delays in implementation and cost overruns.

We currently manufacture 100.00% of our gold jewellery through an outsourced model using a pool of skilled karigars. While this model has supported our operations to date, we intend to scale up our capacity by establishing a Proposed Facility. For further details, please refer to "*Our Business – Our Growth Strategies – Setting up In-house Manufacturing Facility (the "Proposed Facility")*" on page 192. We have placed orders for certain machinery and equipment required for this facility, and we expect operations to commence prior to the conclusion of first half of Fiscal 2027; however, there can be no assurance that such timelines will be met.

The construction, installation, and commissioning of the Proposed Facility are subject to various risks, including obtaining regulatory approvals, timely availability of machinery, installation challenges, construction and logistical delays, labour-related constraints, and other operational contingencies. Any of these factors may delay the commencement of operations and lead to cost overruns, thereby increasing our planned capital expenditure.

Further, transitioning from an outsourced model to an in-house manufacturing setup involves operational, managerial and financial risks. We may encounter challenges in sourcing and retaining skilled manpower, aligning our internal processes with the new technology and workflow, achieving expected production efficiencies, or maintaining the quality standards that our karigars currently deliver. There can be no assurance that we will be able to fully utilise the Proposed Facility at the anticipated capacity or achieve the intended economic, operational or strategic benefits.

If there are delays in construction or commissioning, higher-than-expected capital expenditure, challenges in ramping up production, or inefficiencies during the transition from outsourced to in-house manufacturing, our business, financial condition, results of operations, cash flows and future prospects could be materially and adversely affected.

37. We have pending trademark applications including application for our corporate logos. If we are unable to protect our intellectual property rights, our business, results of operations and financial condition may be adversely affected. We may infringe upon the intellectual property rights of others and any misappropriation of our intellectual property could harm our competitive position.

Our Company has applied for registration of our corporate logos " " and

under class 14 and registration of trademarks for taglines "WHERE TRADITION MEETS ELEGANCE" and "HOUSE OF EXQUISITE

JEWELLERY" under class 14 respectively. As of July 31, 2026, all the four trademark applications are pending. For further details, in respect of our intellectual property, see *"Government and other approvals- Intellectual property related approvals"* on page 348.

The laws governing intellectual property rights in India are, evolving and may involve substantial risks to us. We may not be able to fully protect our intellectual property rights, including our trademark, against third-party infringement or unauthorised use of our intellectual property, including by our competitors. Any failure to protect our intellectual property rights may adversely affect our business, brand value, results of operations and financial condition. Further, if we are unable to register our intellectual property for any reason, including our failure to remove objections to any trademark application, or if any of our unregistered trademarks are registered in favour of or used by a third party in India or abroad, we may not be able to claim registered ownership of such trademark, and as a result, we may not be able to seek remedies for infringement of those trademarks by third parties, which would cause damage to our business prospects, reputation and goodwill. While we have not been subject to such claims in the past, we cannot assure you that we will not experience any such claim in the future. Any such claims, regardless of their merits, could result in costly litigation, divert management's attention and resources, subject us to significant liabilities, require us to enter into additional royalty or licensing agreements or require us to cease certain activities.

38. Any failure to obtain, renew and maintain requisite statutory and regulatory permits, licenses and approvals for our operations from time to time may adversely affect our business.

We are governed by various laws and regulations for our business and operations. We are required, and will continue to be required, to obtain and hold relevant licenses, approvals and permits at the local, state and central government levels for doing our business. Additionally, we may need to apply for renewal of certain approvals, licenses and permits, which expire or seek fresh approvals/licenses/permits, from time to time, as and when required in the ordinary course of our business. There can be no assurance that the relevant authorities will issue such licenses, permits or approvals in the time anticipated by us or at all. Our failure to renew, maintain or obtain the required licenses, permits or approvals within the requisite time may result in the interruption of our operations and may have a material adverse effect on our business, financial condition and results of operations. For further details see *"Government and Other Approvals*" on page 346.

Moreover, the approvals are subject to numerous conditions and there can be no assurance that these approvals will not be suspended or revoked in the event of non-compliance or alleged non-compliance with any terms or conditions thereof, or pursuant to any regulatory action. Suspension or revocation of the approvals by the relevant regulatory authority, either on account of non-compliance or otherwise, could impair our operations and, consequently, have an adverse effect on our business, cash flows and financial condition. We may also be liable to monetary penalties and our concerned officers in default may be subject to imprisonment.

We intend to apply for all necessary regulatory and statutory approvals, including those required for operations and manufacturing, once our Proposed Facility is ready for commencement. There can be no assurance that we will obtain such approvals in a timely manner or at all, and any delay or failure in obtaining the required approvals could adversely affect our business, financial condition, and results of operations.

Uncertainty in the applicability, interpretation or implementation of any amendment to, or change in, governing law, regulation or policy, including by reason of an absence, or a limited body, of administrative or judicial precedent may be time consuming as well as costly for us to resolve and may impact the viability of our current business or restrict our ability to grow our business in the future. Further, if we are affected, directly or indirectly, by the application or interpretation of any provision of such laws and regulations or any related proceedings or are required to bear any costs in order to comply with such provisions or to defend such proceedings, our business and financial performance may be adversely affected.

39. We have not been able to obtain records of the educational qualification for one of our Directors, Key Managerial Personnel and three of our Senior Management and have relied on provisional degrees or certificates for details of their profile included in this Red Herring Prospectus.

Our Promoter, Chairman and Managing Director, Ashish Agarwal, one of our Key Managerial Personnel, Vandana Modani, and three members of Senior Management, Madhuri Sunil Velvaluri, Aayush Agrawal and Mekalwar Sridhar Reddy, have been unable to trace copies of their educational degree certificates from the concerned universities. They have attempted to retrieve copies of their degrees by writing e-mails to the respective universities but have not been successful in obtaining such documents. As a result, reliance has been placed on the provisional degrees and certificates furnished by them to us and the BRLMs and copies of the correspondences with the relevant university, for disclosure of their educational qualifications in this Red Herring Prospectus. Further, we cannot assure you that they will be able to trace the relevant

documents pertaining to their educational qualifications in the future, or at all. For further details see *"Our Management"* on page 224.

40. ***We have entered into transactions with related parties in the past. These transactions or any future transactions with our related parties could potentially involve conflicts of interest and there can be no assurances that such transactions, individually or in the aggregate, will not have an adverse effect on our business, prospects, results of operations and financial condition.***

We have in the past entered into related party transactions with our Directors, Promoters, Promoter Group, and Key Managerial Personnel. In the ordinary course of our business, we enter into and will continue to enter into transactions with related parties. While such related party transactions that we have entered into are conducted on an arms' length basis in accordance with the Companies Act and other applicable regulations, we cannot assure you that these arrangements in the future, or any future related party transactions that we may enter into, individually or in aggregate, will not have an adverse effect on our business, financial condition, results of operations, cash flows and prospects. Please see below the details of our related party transactions for Fiscal 2026, Fiscal 2025 and Fiscal 2024.

** Aayush Agrawal has been redesignated on November 28,2025 as Assistant Company Secretary (SMP) and paid the normal salary thereafter.*
***Devak Nandan Agarwal (HUF) has dissolved vide Deed of Total Partition dated January 10, 2026 and accordingly, has ceased to be a member of the promoter group.*
Note: *There are no outstanding balances with respect to related parties, Promoters or customers who are economically dependent on the Company.*

All related party transactions that we may enter into post-listing, will be subject to approval by our Audit Committee, Board, or Shareholders, as required under the Companies Act and the SEBI Listing Regulations. Such related party transactions in the future or any other future transactions may potentially involve conflicts of interest which may be detrimental to the interest of our Company and we cannot assure you that such transactions, individually or in the aggregate, will always be in the best interests of our minority shareholders and will not have an adverse effect on our business, financial condition, results of operations, cash flows and prospects. For further information on our related party transactions, see "*Summary of Related Party Transactions"* and "*Restated Financial Information"* on pages 73 and 247*, respectively.*

41. Our Promoters, some of our Directors, KMPs and members of Senior Management are interested in our Company, in addition to regular remuneration or benefits and reimbursement of expenses.

Our Promoters are interested in our Company to the extent of their respective shareholding in our Company as well as to the extent of any dividends, bonus or other distributions on such Equity Shares. We cannot assure you that our Promoters will exercise their rights as shareholders to the benefit and best interest of our Company. Further, our Promoters holding Equity Shares may take or block actions with respect to our business which may conflict with the best interests of our Company or those of minority shareholders.

Our Directors, namely Ashish Agarwal, Seema Agarwal and Dev Agarwal, have extended personal guarantees in favour of our lenders to secure the borrowings availed by our Company and may be deemed to be interested to that extent. In addition, our Directors have extended unsecured loans to our Company and are interested to the extent of repayment of such amounts along with interest thereon. Further, our Director, Ashish Agarwal receives payments towards rent for properties leased by him to our Company and is interested in our Company to that extent.

Additionally, two of our Senior Management including Mekalwar Sridhar Reddy and Nitin Agarwal have outstanding loans from our Company. For further information on the interest of our Promoters, Directors, KMPs and members of Senior Management other than reimbursement of expenses incurred or normal remuneration or benefits, see "*Our Management", "Our Promoters and Promoter Group", "Summary of Related Party Transactions" and "Restated Financial Information"* on pages 224, 241, 73 and 247 respectively.

42. We have leased certain properties including our Registered Office, Proposed Facility and sales office. There can be no assurance that the lease agreements will be renewed upon termination or that we will be able to obtain other premises on lease on same or similar commercial terms.

We do not own the premises on which our Registered Office, Proposed Facility and sales office are situated. We have obtained our Registered Office and Proposed Facility in Hyderabad on lease from our Promoter, Chairman and Managing Director Ashish Agarwal. Our sales office in Vijayawada is leased from other third parties including Pallapothu Keshavrao and Kollipara Ravi Kumar. Set out below are the details of our properties:

Sr. No.	Primary Purpose	Location	Address	Owned/ leased/ licenses	Name of lessor	Term*	Area (in square feet)	Monthly rent (in ₹ million)	Whether leased from Related Party
1.	Registered Office	Hyderabad	Ground and first floors of the building bearing door no. 3-6-343 and 344,	Leased	Ashish Agarwal	9 years 11 months with effect from	4,464 square feet (Ground	0.24	Yes (Lessor is Chairman, Managing

* *All the lease deeds are adequately stamped and registered*

We cannot assure you that we will own, or have the right to occupy, these premises in the future, or that we will be able to continue with the uninterrupted use of this premises, which may impair our operations and adversely affect our financial condition. Failure to adhere to the conditions of the lease could require us to relocate our operations, which may impair our operations and adversely affect our financial condition. There can be no assurance that we will be able to renew the lease agreement with third parties in a timely manner or at all. If we are required to vacate the premises for any reason whatsoever including expiry or termination of the lease, we may be unable to identify suitable location immediately. We cannot assure that the new arrangements will be on commercially acceptable terms. If we are required to relocate our business operations, we may suffer a disruption in our operations or have to pay increased charges, which could have an adverse effect on our business, financial condition, cash flows and results of operations.

43. Our erstwhile Promoter Group entities, including M/s Deepa Jewellers and M/s Deepa Gold, have been dissolved prior to the filing of the DRHP; any residual tax liabilities, regulatory non-compliance, or penalties arising therefrom may adversely affect our Promoters and, indirectly, our Company.

Our Promoter Group previously included two partnership firms namely M/s Deepa Jewellers and M/s Deepa Gold. M/s. Deepa Jewellers was incorporated on July 30, 2001 and was engaged in the manufacturing and trading of gold and diamond jewellery, as well as in the trading of ruby, silver and other ornamental items. M/s. Deepa Gold was incorporated on May

14, 2018 and was engaged in the business of dealing in gold, silver, bullion, jewellery, articles, apparels and commodities etc. The operations of M/s Deepa Jewellers were discontinued in Financial Year 2017**,** pursuant to the incorporation of "Deepa Jewellers Private Limited" as part of a strategy to scale up operations and avail the benefits associated with corporate taxation applicable to domestic companies. The operations of M/s Deepa Gold were similarly discontinued in Financial Year 2021, to consolidate and focus business operations under Deepa Jewellers Private Limited. Subsequently, both M/s Deepa Jewellers and M/s Deepa Gold were dissolved pursuant to dissolution deeds dated November 27, 2025 and December 6, 2025, respectively, prior to the filing of the Draft Red Herring Prospectus, in order to avoid any potential conflict of interest with our Company.

There can be no assurance that all compliances, disclosures, or tax assessments relating to these entities have been fully completed or such matters will not be questioned by the authorities at a later stage.

Further, any past non-compliance, unassessed tax liability, or proceedings relating to income tax, service tax, GST, partnership law, labour law, or other applicable regulations may result in additional demands, interest, or penalties being imposed on these entities or on our Promoters. Since our Promoters were partners in these concerns, any such liability may indirectly impact their financial condition and consequently affect us.

If any tax demands, regulatory notices, or litigations arise in connection with these entities either prior to or after their dissolution, our Promoters may be required to incur significant time and resources to address such matters. Any such adverse development may indirectly affect our Company's reputation, delay in corporate processes, or impact the financial position of our Promoters, which could, in turn, adversely affect our business, financial condition, and results of operations.

44. We rely on our information technology systems for our business and operations and any failure, inadequacy or security breach in such systems could adversely affect our business, results of operation and reputation.

Our business processes are IT enabled, and any failure in our IT systems or loss of connectivity or any loss of data arising from such failure could disrupt our ability to track, record and analyse work in progress, process financial information, manage creditors/debtors or engage in normal business activities, which could have a material adverse effect on our operations. Any failure, disruption or manipulation of our tagging system could disrupt our ability to track, record and analyses sales of our products.

We use information technology systems to enhance our operational performance and efficiency. Our information technology infrastructure comprises of third-party solutions and internally maintained applications that support our business requirements. Some key technologies used in our operations include Tally Prime Edit Log, which manage our daily accounting, inventory, and production processes and antivirus and security solutions, to protect sensitive company and customer data. We have also deployed data backup protocols for our systems as a security measure to ensure our data is appropriately safeguarded at all times. Our servers and databases undergo daily backups after business hours thus allowing us to streamline workloads, optimize server utilization and reduce operational costs.

We use third-party mobile application *"Deepa Jewellers Limited"* to enhance brand visibility, disseminate information, display product collections**.** This application enables access of high-resolution images of selected jewellery designs to remote customers. Customers are initially shown a limited sample set, and upon approval of access, they can browse the full design catalogue. The platform functions as a design-selection interface, while order acceptance and fulfilment remain with us**.**

Despite these advancements, our Company faces risks associated with our information technology systems. Potential disruptions, failures, or infiltrations, whether due to natural disasters, cyberattacks, or system integration issues, could lead to breakdowns or data breaches. These breaches could expose sensitive customer or employee data, potentially violate data security laws and resulting in penalties. The dependence on third-party vendors for crucial operations, cloud services, and online payment channels exposes our Company to additional risks. We are vulnerable to vendors' inability to fulfil obligations, operational errors, fraudulent activities, or inadequate business continuity and data security systems.

Further, we are associated with the risk of security and privacy breaches due to the usage of electronic payment methods and the gathering of personal information from customers. Although we rely on firewalls, web content filtering, encryption, and authentication technologies among other security measures, unauthorized use of, or improper access to, our networks, computer systems, or services might possibly compromise the security of such sensitive information of customers. We may not be able to predict breaches or put adequate prevention measures in place. We are unable to guarantee that any security measures we implement will be successful in preventing these actions. In order to prevent security breaches or to deal with the consequences of such breaches, we might need to expand resources to protect our business against such security breaches. While there have been no instances of breaches of our data or material IT failures in past, we cannot guarantee that our integrity of data collected by us, or our information systems may not be infringed in the future. If people are able

to circumvent our security measures or otherwise gain access to the confidential information that we collect, they may be able to destroy or steal valuable information or otherwise disrupt our operations. We may become subject to claims for alleged fraudulent transactions arising out of the actual or alleged theft of personal information in relation to mode of payments such as debit or credit card, and we may also be subject to lawsuits or other proceedings relating to these types of incidents. Any such claim or proceeding could cause us to incur significant unplanned expenses, which may have an adverse impact on our financial condition, results of operations and cash flows. For details, see "*Our Business - Information Technology*" on page 210.

45. Our ability to pay dividends in the future will depend upon our future earnings, financial condition, cash flows, working capital requirements and capital expenditures and the terms of our financing arrangements.

Our Company's ability to distribute dividends will depend on certain financial parameters and internal and external factors which will be considered before declaration of dividend by our Board. Such parameters and factors include profitability, cash flows, our financial performance including revenue growth, profitability, return on equity and other key financial metrics, capital expenditure plans, debt covenants, regulatory and legal compliance and shareholder expectations. In addition, the ability of our Company to pay dividends may be impacted by a number of factors, including restrictive covenants under the loan or financing arrangements our Company avails to finance our funding requirements for our business activities. Our Company has not declared and paid any dividend on the Equity Shares in the past or during the, Fiscal 2026, Fiscal 2025 and Fiscal 2024, and for the period from April 1, 2026 until the date of this Red Herring Prospectus, there can be no assurance that dividends will be declared in the future.

Decisions regarding the declaration and distribution of dividends are at the discretion of our Board and will be made in line with our dividend distribution policy. These decisions will be based on a variety of considerations that our Board considers pertinent, such as the factors outlined above. For further details, see "*Dividend Policy*" on page 246.

46. Our past performance may not be indicative of our future growth. If we are unable to sustain or manage our growth or implement our strategies, our business, results of operations, financial condition and cash flows may be adversely affected.

We have demonstrated a consistent track record of operational and financial performance. However, our industry is characterised by high-volume, low-margin environment where profitability is driven by the scale, efficient inventory rotation and prudent cost management. There can be no assurance that we will be able to sustain our historical performance or continue to achieve growth in the future. We may not be able to grow our operations due to several factors including a decline in the demand for gold jewellery and related products, prevailing gold price trends, consumer sentiment, discretionary spending, competitive intensity, availability and cost of raw gold, and macro-economic conditions. Any decline in demand for gold jewellery, increased price competition, the lack of availability of raw materials, volatility in gold prices, lack of availability of skilled karigars or a general slowdown in the economy.

Our profit after tax has grown from ₹ 243.47 million in Fiscal 2024 to ₹ 1,047.88 million in Fiscal 2026, with a CAGR of 107.46%. The development of future business could be adversely affected by many factors, including our ability to identify new market opportunities develop and introduce new products, compete with existing companies in our markets, maintaining relationship with the existing customers, ensure consistent quality control, general political and economic conditions in India, changes in consumer preferences, regulatory norms relating to hallmarking, GST, customs duties on bullion, restrictions on gold imports, prevailing interest rates, and labour costs, among others. If we are unable to manage our growth effectively, we may not be able to take advantage of market opportunities, execute our business strategies successfully or respond to competitive pressures. Our margins are particularly sensitive to fluctuations in gold prices, foreign exchange rates, import duties and other input costs, which we may not always be able to pass on to customers due to competitive pressures, which could materially impact our profitability. In addition, our high-volume operational model requires continuous capital deployment for inventory procurement and significant working capital. Sustained increase in procurement costs, logistics expenses or regulatory compliance costs without a corresponding increase in selling prices could materially erode our margins. As we scale our operations and diversify our product portfolio, we may experience operational challenges, including delays in production, higher wastage levels, increased overheads and reduced product quality if processes are not effectively managed. We cannot provide assurances that our future performance or growth strategy will be successful. Any failure to manage our growth effectively may have an adverse effect on our business, results of operations, financial condition and cash flows.

47. Our ability to raise capital at attractive costs depends on our credit ratings. Non-availability of credit ratings or a poor rating may restrict our access to capital and thereby adversely affect our business, financial conditions, cash flows and results of operations.

The cost and availability of capital are, also dependent on several other factors, including our current and future results of operations and financial condition, our ability to effectively manage risks, our brand and our credit ratings. We may be unable to obtain the requisite amount of financing or to secure financing at competitive interest rates if we fail to have favourable results of operations. The following table sets forth details of our credit rating received as on July 31, 2026:

Rating Agency	Facility	Credit Rating	Date
CRISIL Ratings Limited	Total bank loan facilities rated - ₹ 1,150.00 million	CRISIL A-/STABLE	March 30, 2026

Credit ratings reflect the rating agency opinion on various aspects of our business including our management, track record, diversified clientele, increase in scale and operations and margins and operating cycle. While we have not experienced any downgrading in our credit ratings received in Fiscal 2026, Fiscal 2025 and Fiscal 2024, any downgrade in our credit ratings or our inability to obtain such credit rating in a timely manner or any non-availability of credit ratings, could increase borrowing costs, and which will give the right to our lenders to review the facilities availed by us under our financing arrangements. Such events could adversely affect our access to capital and debt markets, which in turn adversely affect our interest margins, our business, results of operations, financial condition and cash flows.

48. Certain sections of this Red Herring Prospectus disclose information from the industry report which has been commissioned and paid for by us exclusively in connection with the Offer and any reliance on such information for making an investment decision in the Offer is subject to inherent risks.

Certain sections of this Red Herring Prospectus include information based on, or derived from the *"Assessment of gems and jewellery industry in India with focus on the B2B segment" dated August 2026* (the "CRISIL Report") which has been prepared by CRISIL. The CRISIL Report has been commissioned and paid for by us and has been prepared in connection with the Offer. There are no parts, data or information (which may be relevant for the proposed Offer) that has been left out or changed in any manner. However, the CRISIL Report is prepared based on information as of specific dates and may no longer be current or reflect current trends. Further, certain information in the CRISIL Report is subject to limitations and is also based on estimates, projections, forecasts and assumptions. Accordingly, investors should not place undue reliance on or base their investment decision solely on CRISIL Report. You should consult your own advisors and undertake an independent assessment of information in this Red Herring Prospectus based on, or derived from, the CRISIL Report before making any investment decision regarding the Offer. For further details, see "*Industry Overview*" on page 129.

49. The objects of the Fresh Issue for which the funds are raised have not been appraised by any bank or financial institutions and are based on management estimates. Any revision in the estimates may require us to reschedule our expenditure and may have a bearing on our expected revenues and earnings. Further, if there are any delays or cost overruns, our business, financial condition and results of operations may be adversely affected.

We propose to use the Net Proceeds for funding long-term working capital requirements towards procurement, maintenance and scaling up of inventory by our Company; and General corporate purposes, as set forth in *"Objects of the Offer"* section on page 101. The proposed deployment of Net Proceeds has not been appraised by any bank or financial institution or other independent agency and is based on internal management estimates based on current business plan, prevailing market conditions and historic expenditure levels.

Our funding requirements may vary due to several factors, including changes in macro-economic, industry dynamics or other unforeseen developments. Given the dynamic nature of the industry in which we operate, we may have to revise our business plan from time to time and, consequently, the utilization of the Net Proceeds and the funding requirements may also change. In addition to this, the estimates of the management may be inaccurate, and we may require addition-al funds to implement the Objects of the Offer. Any delay, cost overrun or change in the utilisation of proceeds may adversely affect our business, financial condition, results of operations, and cash flows.

50. Any variation in the utilisation of proceeds from the Fresh Issue shall be subject to applicable law.

The funding requirements and the deployment of the proceeds from the Fresh Issue are based on the current business plan, current conditions, internal management estimates and strategy of our Company, which may be subject to changes. Various risks and uncertainties, such as economic trends and business requirements, competitive landscape, as well as general factors affecting our results of operations, financial condition and access to capital, may limit or delay our efforts to use the Net Proceeds to achieve profitable growth in our business. Thus, the utilization of Net Proceeds for the purposes identified by our management may not result in actual growth of our business, increased profitability or an increase in the value of our business and your investment.

Further, in accordance with Sections 13(8) and 27 of the Companies Act, 2013, as amended, we cannot undertake any variation in the utilisation of the Net Proceeds without obtaining the shareholders' approval through a special resolution. In the event of any such circumstances that require us to undertake variation in the disclosed utilisation of Net Proceeds, we may not be able to obtain the shareholders' approval in a timely manner, or at all. Any delay or inability in obtaining such shareholders' approval may adversely affect our business or operations. However, we will have flexibility in utilizing the balance Net Proceeds, if any, for general corporate purposes, subject to such utilisation not exceeding 25% of the Gross Proceeds from the Fresh Issue in accordance with Regulation 7(2) of the SEBI ICDR Regulations.

Additionally, our Promoters would be required to provide an exit opportunity to Shareholders who do not agree with our proposal to change the Object of the Offer or vary the terms of such contracts, at a price and manner as prescribed by applicable SEBI regulations. Additionally, the requirement on the Promoters to provide an exit opportunity to such dissenting shareholders may deter the Promoters from agreeing to the variation of the proposed utilisation of the Net Proceeds, even if such variation is in the interest of our Company. Further, we cannot assure you that the Promoters of our Company will always have adequate resources at their disposal to enable them to provide an exit opportunity at the price prescribed by SEBI. In light of these factors, we may not be able to undertake variation of Objects of the Offer to use any unutilized proceeds of the Offer, if any, or vary the terms of any contract referred to in this Red Herring Prospectus, even if such variation is in the interest of our Company. This may restrict our Company's ability to respond to any change in our business or financial condition by re-deploying the unutilised portion of Net Proceeds, if any, or varying the terms of contract, which may adversely affect our business and results of operations.

As a consequence of any increased expenditure, the actual deployment of funds may be higher than estimated. There is no assurance that the deployment of Net Proceeds in the manner intended by us will result in an increase in the value of your investment.

51. Our inability to successfully implement some or all our business strategies in a timely manner or at all could have an adverse effect on our business.

As part of our strategy aimed towards business growth and improvement of market position, we intend to implement several business strategies, which include:

- Setting up in-house manufacturing facility (Proposed Facility)
- Further strengthening our presence in Southern India through new sales offices
- Expanding our product portfolio by adding new product categories, designs and stock keeping units **("SKUs")**
- Invest in brand buildings and marketing initiatives by participating in various trade exhibitions and trade shows
- Leveraging Technology for operational efficiency

Our strategies may not succeed due to various factors, including our inability to reduce our debt and our operating costs, our failure to identifying and designing new products align with evolving market preferences and trends, our failure to effectively market our products or to foresee challenges with respect to our business initiatives. We may also face difficulties in optimising working capital requirements, challenges in transitioning to in-house manufacturing, delays in establishing the Proposed Facility, or our inability to recruit, train and retain skilled karigars required for manufacturing high-quality jewellery. Further, any inability to maintain required quality in our operations or to ensure scaling of our operations to correspond with our strategy and customer demand, changes in GoI policy or regulation, our inability to respond to increasing competition, and other operational and management difficulties. For further details of our strategies, see "*Our Business – Our Growth Strategies*" on page 192.

52. Our Company will not receive any proceeds from the Offer for Sale and the proceeds from the Offer for Sale will be paid to the Promoter Selling Shareholder.

The Offer comprises Fresh Issue and Offer for Sale. The Offer for Sale comprises [●] % of the total Offer size. The Promoter Selling Shareholders will be entitled to the Net proceeds from the Offer for Sale (after deducting applicable Offer expenses shared by each Promoter Selling Shareholders) and our Company will not receive any part of the proceeds from the Offer of Sale. For further information, see "*The Offer*" and "*Objects of the Offer*" on pages 66 and 101 respectively.

53. Not all of our Directors have prior experience of holding a directorship in a company listed on the Stock Exchanges.

None of our Directors, expect Sirisha Chintapalli, Independent Director, have prior experience of directorship in any of companies listed on recognized stock exchanges, therefore, they will be able to provide only limited guidance in relation to the affairs of our Company post listing. While our Executive Directors have experience in the gold industry, directorship

of a listed company has a wide range of responsibilities, including, among others, ensuring compliance with continuing listing obligations, monitoring and overseeing management, operations, financial condition and trajectory of our Company.

Given that our Directors, expect Sirisha Chintapalli, Independent Director, lack prior listed-company experience, we cannot assure you that they will be able to adequately manage all aspects of our obligations as a listed entity. This may result in limited guidance in certain areas and could adversely impact our ability to maintain and improve the effectiveness of our disclosure controls, procedures and internal controls as required under applicable law. Any such shortcomings could have a material adverse effect on our business, operations, reputation and compliance posture. For further details, see "*Our Management*" on page 224.

54. Certain non-GAAP financial measures and certain other industry measures relating to our operations and financial performance have been included in this Red Herring Prospectus. These non-GAAP financial measures are not measures of operating performance or liquidity defined by Ind AS and may not be comparable with financial or industry related statistical information of similar nomenclature computed and presented by other companies

We have, in this Red Herring Prospectus, included various operational and financial performance indicators and certain non-GAAP measures. Some of these measures may not be derived from our Restated Financial Information and may not have been subjected to an audit or review by our Statutory Auditor, and each of which is a supplemental measure of our performance and liquidity and are not required by, or presented in accordance with, Ind AS, IFRS, or U.S. GAAP. Further, such measures and indicators are not defined under Ind AS, IFRS, U.S. GAAP, or other accounting standards and, therefore, should not be viewed as substitutes for performance, liquidity, or profitability measures under such accounting standards. The manner in which such operational and financial performance indicators, including industry-related statistical information, are calculated and presented, and the assumptions and estimates underlying or used in such calculation, may vary from that used by other similarly placed companies in India and other jurisdictions.

In addition, such measures are not standardised terms; hence, a direct comparison between companies may not be possible. Other companies may calculate such measures differently from us, limiting the usefulness of such non-GAAP measures as a comparative metric. Further, these measures should not be considered in isolation or construed as an alternative to cash flows, profit/(loss) for the years, or any other measure of financial performance, or as an indicator of our operating performance, liquidity, profitability, or cash flows generated by operating, investing, or financing activities derived in accordance with Ind AS. Investors are accordingly cautioned against placing undue reliance on such information in making an investment decision and are cautioned that they should consult their own advisors and evaluate such information in the context of the Restated Financial Information and other information relating to our business and operations included in this Red Herring Prospectus.

EXTERNAL RISK FACTORS

55. Any downturn in the macroeconomic environment in India could adversely affect our business, results of operations, cash flows, financial condition and profitability.

Our Company is incorporated in India and we derive our revenue from operations in India. As such, our financial performance depends significantly on the condition of the Indian economy. Factors that may adversely impact the Indian economy, and hence our results of operations and cash flows, include:

- any increase in inflation in India;
- any exchange rate fluctuations, imposition of currency controls and restrictions on the right to convert or repatriate currency;
- any scarcity of credit or other financing in India, resulting in an adverse impact on economic conditions in India and scarcity of financing for our expansions;
- prevailing income conditions among Indian companies and consumers;
- changes in India's tax, trade, fiscal or monetary policies;
- downgrading of India's sovereign debt rating by rating agencies;
- changes in political environment on account of elections;
- changes in laws or regulatory environment;
- geopolitical tensions;
- political instability, terrorism or military conflict in India or in countries in the region or globally;
- macroeconomic factors and central bank regulation, including in relation to interest rates movements, which may in turn adversely impact our access to capital, fund raising avenues and increase our borrowing costs;

- occurrence of natural or manmade disasters or outbreak of an infectious disease or epidemic such as COVID-19 or any other force majeure events in the region or globally, including in India's neighbouring countries;
- volatility in, and actual or perceived trends in trading activity on, India's principal stock exchanges;
- prevailing regional or global economic conditions;
- any decline in India's foreign exchange reserves which may affect liquidity in the Indian economy; and
- India's foreign trade policies

Any slowdown or perceived slowdown in the Indian economy, or in specific sectors of the Indian economy or certain regions in India, could reduce demand for our products and adversely affect our business, results of operations, cash flows and financial condition as well as price of the Equity Shares. While we have not been materially affected by such a slowdown in the Fiscal 2026, Fiscal 2025 and Fiscal 2024, any future downturn in the macroeconomic environment in India could have a material and adverse impact on our business, results of operation, cash flows and financial condition. See "- *Natural disasters, fires, epidemics, pandemics, acts of war, terrorist attacks, civil unrest and other events could materially and adversely affect our business, financial condition, cash flows and results of operations*" on page 56.

56. Changing regulations in India could lead to new compliance requirements that are uncertain.

Our business, financial performance, cash flow and results of operations could be adversely affected by unfavourable changes in or interpretations of existing laws, or the promulgation of new laws, rules and regulations applicable to us and our business. Our business, cash flows, results of operations and prospects may be adversely impacted, to the extent that we are unable to suitably respond to and comply with any such changes in applicable law and policy. The regulatory and policy environment in which we operate is evolving and is subject to change. The Government of India may implement new laws or other regulations and policies that could affect our business in general, which could lead to new compliance requirements, including requiring us to obtain approvals and licenses from the Government and other regulatory bodies, or impose onerous requirements.

We are subject to laws and government regulations, including in relation to safety, health, environmental protection, labour, BIS Hallmarking with Hallmark Unique Identification, access to Gold Metal Loans (GML) regulated by the RBI and other specific industry laws as detailed in the section "*Key Regulations and Policies in India- Industry specific laws*" on page 213. For instance, the Government of India enacted 'The Code on Social Security, 2020' which received the assent of the President of India. Some provisions of this code came into force on November 21, 2025 (in addition to certain of the provisions there under notified already) and other remaining provisions will come into force on such date as may be notified in the official gazette by the Central Government and different dates may be appointed for different provisions of this code; The Industrial Relations Code, 2020 received the assent of the President of India on September 28, 2020 and came into force on November 21, 2025. The Government of India enacted 'The Code on Wages, 2019' which received the assent of the President of India. Some provisions of this code came into force on November 21, 2025 (in addition to certain of the provisions thereunder notified already) and other remaining provisions will come into force on such date as may be notified in the official gazette by the Central Government and different dates may be appointed for different provisions of this code. Certain provisions of the Labour Codes will come into force on such date as may be notified in the official gazette by the Central Government and different dates may be appointed for different provisions of this code we are yet to determine the impact of all or some such laws on our business and operations which may restrict our ability to grow our business in the future and increase our expenses. Further, pursuant to the Finance (No.2) Act of 2024, notified on August 16, 2024, the Government of India has introduced new income tax slabs, an increase in standard deduction and an increase in the deduction available in respect of private sector employer's contribution to National Pension Scheme from 10% to 14% of the salary of the concerned employees. The Finance Act, 2025 further revised these provisions by raising the basic exemption limit to Rs. 4 lakh under the new tax regime (effectively exempting incomes up to Rs. 12 lakh) and by introducing a new 25% tax slab for incomes between Rs. 20 lakh and Rs. 24 lakh. Such tax reforms could affect consumer disposable income and demand for luxury goods such as jewellery. There is no certainty on the impact of the full union budget on tax laws or other regulations, which may adversely affect our business, financial condition, results of operations or on the industry in which we operate.

Further, any adverse changes in industry-specific laws, regulations or regulatory policies could materially impact our Company's business model and adversely affect our business, results of operations and financial condition. A significant portion of our gold requirements is sourced from banks and financial institutions, partly through outright purchases and partly through GMLs, pursuant to which gold bullion is loaned to us at a specified interest rate. The procurement of gold through GMLs is governed by the regulatory framework prescribed by the Reserve Bank of India ("RBI") and is subject to such terms and conditions as may be imposed by the RBI from time to time. We derive a significant cost advantage by procuring gold through GMLs, as the effective interest rates applicable to GMLs are substantially lower than the interest rates payable on fund-based bank borrowings used for outright purchase of gold. Accordingly, any adverse changes in RBI regulations governing the procurement of gold, including restrictions on the availability of GMLs, changes in eligibility

criteria, reduction in permitted usance periods or modifications to applicable terms and conditions, could significantly impact our ability to procure gold at competitive financing costs. In the event of such regulatory changes, we may be required to procure gold through higher-cost funding mechanisms, which could adversely affect our working capital cycle, liquidity position, margins and overall financial performance.

In addition, any changes in other industry-specific regulations, including the introduction of stricter hallmarking norms, amendments to import policies relating to gold and precious stones, or adverse changes to the Bureau of Indian Standards Act, 2016 and the rules framed thereunder, could increase compliance costs, disrupt operations, affect the availability or pricing of raw materials, or require changes to our business processes, thereby adversely affecting our business. For further details on the regulatory framework applicable to our business, see "*Key Regulations and Policies in India – Industry-Specific Laws*" on page 213.

Uncertainty in the applicability, interpretation or implementation of any amendment to, or change in, governing law, regulation or policy in the jurisdictions in which we operate, including by reason of an absence, or a limited body, of administrative or judicial precedent may be time consuming as well as costly for us to resolve and may impact the viability of our current business or restrict our ability to grow our business in the future. We may incur increased costs and other burdens relating to compliance with such new requirements, which may also require significant management time and other resources, and any failure to comply may adversely affect our business, results of operations, cash flows, financial condition and prospects. For instance, the Supreme Court of India has in a decision clarified the components of basic wages which need to be considered by companies while making provident fund payments, which resulted in an increase in the provident fund payments to be made by companies. Any such decisions in future or any further changes in interpretation of laws may have an impact on our financial conditions, cash flow and results of operations.

57. Natural disasters, fires, epidemics, pandemics, acts of war, terrorist attacks, civil unrest and other events could materially and adversely affect our business, financial condition, cash flow and results of operations.

The occurrence of natural disasters, including cyclones, storms, floods, earthquakes, tsunamis, tornadoes, fires, explosions, pandemic disease and man-made disasters, including acts of terrorism and military actions, could adversely affect our results of operations, financial condition or cash flows. Terrorist attacks and other acts of violence or war may adversely affect the Indian securities markets. In addition, any deterioration in international relations, especially between India and its neighbouring countries, may result in investor concern regarding regional stability which could adversely affect the price of the Equity Shares. In addition, India has witnessed local civil disturbances in recent years and it is possible that future civil unrest as well as other adverse social, economic or political events in India could have an adverse effect on our business. Such incidents could also create a greater perception that investment in Indian companies involves a higher degree of risk and could have an adverse effect on our business and the market price of the Equity Shares.

58. Significant differences exist between Ind AS and other accounting principles, such as U.S. GAAP and IFRS, which investors outside India may be more familiar with and may consider material to their assessment of our financial condition, results of operations and cash flows.

Our financial statements are prepared in accordance with Ind AS. Ind AS differ in certain significant respects from IFRS, U.S. GAAP and other accounting principles with which prospective investors outside India may be familiar. No attempt has been made to reconcile any information given in this Red Herring Prospectus to any other principles or to base it on any other standards. If our financial statements were to be prepared in accordance with such other accounting principles, our financial condition, results of operations and cash flows may be substantially different. Prospective investors should review the accounting policies applied in the preparation of our financial statements and consult their own professional advisers for an understanding of the differences between these accounting principles and those with which they may be more familiar. Any reliance by persons unfamiliar with Ind AS and other Indian accounting principles on the financial information presented in this Red Herring Prospectus should accordingly be limited.

59. We may be affected by competition laws in India, the adverse application or interpretation of which could adversely affect our business.

The Competition Act, 2002, of India, as amended **("Competition Act")**, was enacted for the purpose of preventing practices that have or are likely to have an adverse effect on competition in India and has mandated the Competition Commission of India **("CCI")** to prevent such practices. Under the Competition Act, any formal or informal arrangement, understanding or action-in concert, which causes or is likely to cause an appreciable adverse effect on competition **("AAEC")** is considered void and may result in the imposition of substantial penalties. Further, any agreement among competitors which directly or indirectly involves the determination of purchase or sale prices, limits or controls production, supply, markets, technical development, investment or the provision of services or shares the market or source of production or provision of services

in any manner, including by way of allocation of geographical area or number of consumers in the relevant market or directly or indirectly results in bid-rigging or collusive bidding is presumed to have an AAEC and is considered void. The Competition Act also prohibits abuse of a dominant position by any enterprise. If it is proved that the contravention committed by a company took place with the consent or connivance or is attributable to any neglect on the part of, any director, manager, secretary or other officer of such company, that person shall be also guilty of the contravention and may be punished.

Further, the CCI has extra-territorial powers and can investigate any agreements, abusive conduct or combination occurring outside India if such agreement, conduct or combination has an AAEC in India. However, the impact of the provisions of the Competition Act on the agreements entered into by us cannot be predicted with certainty at this stage. In the event we pursue an acquisition in the future, we may be affected, directly or indirectly, by the application or interpretation of any provision of the Competition Act, or any enforcement proceedings initiated by the CCI, or any adverse publicity that may be generated due to scrutiny or prosecution by the CCI or if any prohibition or substantial penalties are levied under the Competition Act, it would adversely affect our business, results of operations, cash flows and prospects. The manner in which the Competition Act and the CCI affect the business environment in India may also adversely affect our business, financial condition, cash flows and results of operations.

The Competition (Amendment) Act, 2023 **("Competition Amendment Act")** was notified on April 11, 2023, which amends the Competition Act and give the CCI additional powers to prevent practices that harm competition and the interests of consumers. The Competition Amendment Act, inter alia, modifies the scope of certain factors used to determine AAEC, reduces the overall time limit for the assessment of combinations by the CCI from 210 days to 150 days and empowers the CCI to impose penalties based on the global turnover of entities, for anti-competitive agreements and abuse of dominant position. We have not experienced any instances wherein we were subject to any penalty or received any notice from the CCI in the last three Fiscals, we cannot assure you such instances will not arise in the future**.**

60. The Indian tax regime has undergone substantial changes which could adversely affect our business and the trading price of the Equity Shares.

The regulatory and policy environment in which we operate is evolving and subject to change. Such changes, including the instances mentioned below, may adversely affect our business, results of operations and prospects, to the extent that we are unable to suitably respond to and comply with any such changes in applicable law and policy.

For example, the Government of India has enacted the Income Tax Act, 2025, which became effective April 1, 2026, which introduces a new tax year, consolidates and restructures compliance, expands digital-first administration, and clarifies the scope of virtual digital assets and digital record-keeping. While the reform aims to simplify administration without changing tax rates, the transition may create interpretive uncertainty and require changes to our systems, controls, contracts, and processes in India. Failure to implement timely changes or accurately comply with could result in higher tax liabilities, cash flow timing impacts from withholding, interest and penalties, increased administrative costs, and disputes. Additional rules, notifications, or technology requirements issued by the Central Board of Direct Taxes could be extensive or retrospective and may affect our operations. Any of the foregoing could adversely affect our business, financial condition, results of operations, and cash flow. There is uncertainty in regard to the impact of the Finance Act, 2025 and Income-tax Act, 2025, on tax laws or other regulations, which may adversely affect our business, financial condition, results of operations or on the industry in which we operate.

Further, the Government of India announced the union budget for Fiscal 2027, following which the Finance Bill, 2026 **("Finance Bill")** was introduced in the Lok Sabha on February 1, 2026. The Finance Bill will be enacted once it is passed by the Indian Parliament and receives the President's assent. Further, pursuant to the Finance Bill, 2026, introduced in Parliament to give effect to the financial proposals of the Central Government for the financial year 2026-2027, the Government of India has maintained the corporate income-tax rate structure for assessment year 2026-27, with differentiated rates applicable to domestic companies based on turnover thresholds and specific rates for foreign companies. There remains uncertainty as to the impact the Finance Bill will have on tax laws and other regulations and it is unclear whether all changes proposed under the Finance Bill will materialise and, if so, what the ultimate impact on our business will be. Investors are advised to consult their own tax advisors and to carefully consider the potential tax consequences of owning, investing or trading in our Equity Shares.

We cannot predict whether any new tax laws or regulations impacting our services will be enacted, what the nature and impact of the specific terms of any such laws or regulations will be or whether if at all, any laws or regulations would have an adverse effect on our business. Further, any adverse order passed by the appellate authorities/ tribunals/ courts would have an effect on our profitability. In addition, we are subject to tax related inquiries and claims.

61. The extent and reliability of Indian infrastructure, to the extent insufficient, could adversely impact our business, financial condition and results of operations.

India's physical infrastructure is less developed than that of many developed nations. Any congestion or disruption with its port, rail and road networks, electricity grid, communication systems or any other public facility could disrupt our normal business activity. Any deterioration of India's physical infrastructure would harm the national economy, disrupt the transportation of goods and supplies, and add costs to doing business in India. These problems could interrupt our business operations, which could have adverse effect on our business, financial condition and results of operations.

62. Investors in the Equity Shares offered in the Offer may be unable to enforce a judgment of a foreign court against our Company, Directors, members of the Senior Management or Key Management Personnel, the BRLM(s) or any of their directors or executive officers in India, except by way of a lawsuit in India.

Our Company is incorporated under the laws of India. Substantially all of our Directors and Key Management Personnel, members of the Senior Management are residents of India and substantially all of our assets are located in India. As a result, it may not be possible for investors to effect service of process upon such persons outside India, or to enforce judgments obtained against such parties outside India. Furthermore, it is unlikely that an Indian court would enforce foreign judgments if that court was of the view that the amount of damages awarded was excessive or inconsistent with public policy, or if judgments are in breach or contrary to Indian law. Further, any judgment or award in a foreign currency would be converted into Indian Rupees on the date of such judgment or award and not on the date of payment.

India is not a party to any international treaty in relation to the recognition or enforcement of foreign judgments. India has reciprocal recognition and enforcement of judgments in civil and commercial matters with only a limited number of jurisdictions, such as the United Kingdom, United Arab Emirates, Singapore and Hong Kong. In order to be enforceable, a judgment from a jurisdiction with reciprocity must meet certain requirements established in the Civil Procedure Code. The Civil Procedure Code only permits the enforcement and execution of monetary decrees in the reciprocating jurisdiction, not being in the nature of any amounts payable in respect of taxes, other charges, fines or penalties. Judgments or decrees from jurisdictions which do not have reciprocal recognition with India, including the United States, cannot be enforced by proceedings in execution in India. Therefore, a final judgment for the payment of money rendered by any court in a non-reciprocating territory for civil liability, whether or not predicated solely upon the general laws of the non-reciprocating territory, would not be directly enforceable in India. The party in whose favour a final foreign judgment in a non-reciprocating territory is rendered may bring a fresh suit in a competent court in India based on the final judgment within three years of obtaining such final judgment. However, it is unlikely that a court in India would award damages on the same basis as a foreign court if an action were brought in India or that an Indian court would enforce foreign judgments if it viewed the amount of damages as excessive or inconsistent with the public policy in India. Furthermore, there is no assurance that a suit brought in an Indian court in relation to a foreign judgment will be disposed of in a timely manner. In addition, any person seeking to enforce a foreign judgment in India is required to obtain the prior approval of the Reserve Bank of India to repatriate any amount recovered, and we cannot assure that such approval will be forthcoming within a reasonable period of time, or at all, or that conditions of such approval would be acceptable. Such an amount may also be subject to income tax in accordance with applicable law.

63. Any downgrading of India's sovereign debt rating by a credit rating agency could have a negative impact on our business and results of operations.

India's sovereign debt rating could be downgraded due to several factors, including changes in tax or fiscal policy or a decline in India's foreign exchange reserves, all which are outside the control of our Company. Any adverse revisions to India's credit ratings for domestic and international debt by international rating agencies may adversely impact our ability to raise additional external financing, and the interest rates and other commercial terms at which such additional financing is available. A downgrading of India's credit ratings may occur, for example, upon a change of government tax or fiscal policy, which are outside our control. This could have an adverse effect on our ability to fund our growth on favourable terms or at all, and consequently adversely affect our business, cash flows and financial performance and the price of our Equity Shares.

64. If inflation were to rise in India, we might not be able to increase the prices of our services at a proportional rate in order to pass costs on to our customers thereby reducing our margins.

Inflation rates in India have been volatile in recent years, and such volatility may continue in the future. India has experienced high inflation in the recent past. Increased inflation can contribute to an increase in interest rates and increased costs to our business, including increased costs of wages and other expenses.

High fluctuations in inflation rates may make it more difficult for us to accurately estimate or control our costs. Any increase in inflation in India can increase our expenses, which we may not be able to adequately pass on to our customers, whether entirely or in part, and may adversely affect our business, results of operations, cash flows and financial condition. In particular, we might not be able to reduce our costs or increase the price of our services to pass the increase in costs on to our customers. In such case, our business, results of operations, cash flows and financial condition may be adversely affected.

Further, the Government of India has previously initiated economic measures to combat high inflation rates, and it is unclear whether these measures will remain in effect. There can be no assurance that Indian inflation levels will not worsen in the future.

65. Financial instability in other countries may cause increased volatility in Indian financial markets.

The Indian market and the Indian economy are influenced by economic and market conditions in other countries, particularly emerging market countries in Asia. A loss of investor confidence in other emerging market economies or any worldwide financial instability may adversely affect the Indian economy, which could materially and adversely affect our business and results of operations and the market price of the Equity Shares.

Although economic conditions are different in each country, investors' reactions to developments in one country can have adverse effects on the securities of companies in other countries, including India. A loss of investor confidence in the financial systems of other emerging markets may cause increased volatility in Indian financial markets and, indirectly, in the Indian economy in general. Any worldwide financial instability could also have a negative impact on the Indian economy. Financial disruptions may occur again and could harm our business, our future financial performance and the prices of Equity Shares. Any economic downturn or other factors adversely affecting investments in this sector may result in a decrease in the demand for our services and adversely affect our business, results of operations and financial condition.

Risks in Relation to Equity Shares and the Offer

66. There is no assurance that our Equity Shares will be listed on the Stock Exchanges in a timely manner or at all or that once listed, will remain listed on the Stock Exchange.

The Equity Shares will be listed on the Stock Exchanges. In accordance with Indian law and practice, permission for listing and trading of our Equity Shares will not be granted until certain actions have been completed in relation to this Offer such as the Investor's book entry or 'demat' accounts with the depository participants in India, the Allotment of Equity Shares in the Offer and the credit of such Equity Shares to the applicant's demat account with the depository participant. In accordance with current regulations and circulars issued by SEBI, our Equity Shares are required to be listed on the Stock Exchanges within such time as mandated under UPI Circulars, subject to any change in the prescribed timeline in this regard. However, we cannot assure you that the trading in our Equity Shares will commence in a timely manner or at all. Any failure or delay in obtaining final listing and trading approvals may restrict your ability to dispose of your Equity Shares. We could also be required to pay interest at the applicable rates if the allotment is not made, refund orders are not dispatched or demat credits are not made to investors within the prescribed time periods

Although it is currently intended that the Equity Shares will remain listed on the Stock Exchanges, there is no assurance of the continued listing of the Equity Shares. Among other factors, we may not continue to satisfy the listing requirements of the Stock Exchanges. Accordingly, Shareholders will not be able to sell their Equity Shares through trading on the Stock Exchanges if the Equity Shares are no longer listed on the Stock Exchange.

67. Pursuant to listing of the Equity shares, we may be subject to pre-emptive surveillance measures like additional Surveillance Measures ("ASM") and Graded surveillance Measures ("GSM") by the Stock Exchanges in the order to enhance market integrity and safeguard the interest of the investors.

On and post the listing of equity shares, we may be subject to ASM and GSM by the Stock Exchange(s) and the Securities and Exchange Board of India. These measures have been introduced in order to enhance market integrity and safeguard the interest of investors and to alert and advise investors to be extra cautious and carry out necessary due diligence while dealing in such securities.

The criteria for shortlisting any scrip trading on the Stock Exchange(s) under the ASM is based on an objective criterion as jointly decided by SEBI and the Stock Exchange(s) which include market based dynamic parameters such as high low variations, client concentration, close to close price variation, market capitalization, volume variation, delivery percentage, number of unique PANs and price to equity ratio. A scrip is typically subjected to GSM measures where there is an abnormal

price rise that is not commensurate with the financial heath and fundamentals of a company which inter alia includes factors like earnings, book value, fixed assets and net worth to the equity ratio etc. The price of our equity shares may also fluctuate after the offer due to several factors such as volatility in the Indian and global securities market, our profitability and performance, the performance of our competitors, change in the estimates of our performance or any other political or economic factor. The occurrence of any of the above-mentioned factors may trigger the parameters identified by SEBI and the Stock Exchange(s) for the placing securities under the GSM and ASM framework. In the event our Equity Shares are covered under such pre-emptive surveillance measures implemented by SEBI and the Stock Exchange(s), we may be subject to certain additional restrictions in the relation to trading of our Equity Shares such as limiting trading frequency (for example trading either allowed in a week or a month) higher margin requirements of settlement on a trade for trade basis without netting off requirement of settlement on gross basis or freezing price on upper side of trading which may have an adverse effect on the market price of our Equity Shares or may in general cause disruptions in the development of an active market for and trading and liquidity of our Equity Shares and on the reputation and conditions of our Company.

For further details in relation to the ASM and GSM Surveillance Measures, including criteria for shortlisting and review of Listed Securities, exemptions from shortlisting and frequently asked questions (FAQs), among other details, refer to the websites of the NSE and the BSE.

68. Investors may be subject to Indian taxes arising out of capital gains on the sale of the Equity Shares.

Under current Indian tax laws and regulations, unless specifically exempted, capital gains arising from the sale of equity shares in an Indian company are generally taxable in India. Any capital gain exceeding ₹125,000, realized on the sale of listed equity shares on a recognized stock exchange, held for more than 12 months immediately preceding the date of transfer, will be subject to long term capital gains in India, at the rate of 12.50% (plus applicable surcharge and cess). This beneficial rate is, among others, subject to payment of Securities Transaction Tax ("**STT**"). Further, any capital gains realized on the sale of equity shares in an Indian company held for more than 12 months, which are sold using any platform other than a recognized stock exchange and on which no STT has been paid, will be subject to long term capital gains tax in India at the rate of 12.50% (plus applicable surcharge and cess), without indexation benefits.

Further, any capital gains realized on the sale of listed equity shares held for a period of 12 months or less immediately preceding the date of transfer will be subject to short-term capital gains tax in India. Such gains will be subject to tax at the rate of 20% (plus applicable surcharge and cess), subject to STT being paid at the time of sale of such shares. Otherwise, such gains will be taxed at the applicable rates.

Capital gains arising from the sale of the Equity Shares will be exempt from taxation in India in cases where the exemption from taxation in India is provided under a treaty between India and the country of which the seller is resident. Generally, Indian tax treaties do not limit India's ability to impose tax on capital gains. As a result, residents of other countries may be liable for tax in India as well as in their own jurisdiction on a gain upon the sale of the Equity Shares. Similarly, any business income realized from the transfer of Equity Shares held as trading assets is taxable at the applicable tax rates subject to any treaty relief, if applicable, to a non-resident seller.

69. Investors will not be able to sell immediately on an Indian stock exchange any of the Equity Shares they purchase in the Offer, and there could be a failure or delay in listing of Equity Shares on the Indian stock exchanges, all of which could adversely impact investors ability to participate in the Offer.

The Equity Shares will be listed on the Stock Exchanges. Pursuant to applicable Indian laws, certain actions must be completed before the Equity Shares can be listed and trading in the Equity Shares may commence. Investors' book entry, or 'demat' accounts with depository participants in India, are expected to be credited within one working day of the date on which the Basis of Allotment is approved by the Stock Exchanges. The Allotment of Equity Shares in this Offer and the credit of such Equity Shares to the applicant's demat account with depository participant could take approximately two Working Days from the Bid Closing Date and trading in the Equity Shares upon receipt of final listing and trading approvals from the Stock Exchanges is expected to commence within three Working Days of the Bid Closing Date. There could be a failure or delay in listing of the Equity Shares on the Indian Stock Exchanges. Any failure or delay in obtaining approval or otherwise commence trading in the Equity Shares would restrict investors' ability to dispose of their Equity Shares. There can be no assurance that Equity Shares will be credited to investors' demat accounts, or that trading in Equity Shares will commence within the time periods as specified by SEBI. We could also be required to pay interest at the applicable rates if allotment is not made, refund orders are not dispatched or demat credits are not made to investors within the prescribed time periods.

70. QIBs and Non-Institutional Investors are not permitted to withdraw or lower their Bids (in terms of quantity of Equity Shares or the Bid Amount) at any stage after submitting a Bid, and Retail Individual Bidders are not permitted to withdraw their Bids after the Bid/Offer Closing Date.

Pursuant to the SEBI ICDR Regulations, QIBs and Non-Institutional Investors are required to pay the bid amount on submission of the bid and are not permitted to withdraw or lower their Bids (in terms of quantity of Equity Shares or the Bid Amount) at any stage after submitting a Bid. RIIs can revise or withdraw their Bids during the Bid/Offer Period and until the Bid/Offer Closing Date, but not thereafter. While our Company is required to complete Allotment pursuant to the Offer within such period as may be prescribed under applicable law, events affecting the Bidders' decision to invest in our Equity Shares, including adverse changes in international or national monetary policy, financial, political or economic conditions, our business, financial condition and results of operations may arise between the date of submission of the Bid and Allotment. Our Company may complete the Allotment of our Equity Shares even if such events occur, and such events limit the Bidders' ability to sell our Equity Shares Allotted pursuant to the Offer or cause the trading price of our Equity Shares to decline on listing. QIBs and Non-Institutional Bidders will not be able to withdraw or lower their bids following adverse developments in international or national monetary policy, financial, political or economic conditions, our business, results of operations, cash flow or otherwise, between the dates of submission of their Bids and Allotment.

71. The determination of the Price Band will be based on various factors and assumptions and the Offer Price, price to earnings ratio and market capitalization to revenue multiple based on the Offer Price of our Company, may not be indicative of the market price of our Company on listing or thereafter.

Our revenue from operations for Fiscal 2026 was ₹ 19,266.76 million and our restated profit for the year for Fiscal 2026 was ₹ 1,047.88 million, respectively. The table below provides details of our price to earnings ratio and market capitalization to revenue from operations at the upper end of the Price Band.

Particulars	Price to Earnings Ratio*	Market Capitalisation to Revenue*
For Fiscal 2026	[●]	[●]

**To be populated at Prospectus stage*

The determination of the Price Band will be based on various factors and assumptions and will be determined by our Company and Promoter Selling Shareholders in consultation with the BRLMs. The relevant financial parameters based on which the Price Band will be determined shall be disclosed in the advertisement that will be issued for the publication of the Price Band. Further, the Offer Price of the Equity Shares is proposed to be determined on the basis of assessment of market demand for the Equity Shares offered through the book-building process prescribed under the SEBI ICDR Regulations, and certain quantitative and qualitative factors as set out in the section "*Basis for the Offer Price*" on page 114 and the Offer Price, multiples and ratios may not be indicative of the market price of the Company on listing or thereafter.

Prior to the Offer, there has been no public market for our Equity Shares, and an active trading market on the Stock Exchanges may not develop or be sustained after the Offer. Listing and quotation does not guarantee that a market for the Equity Shares will develop, or if developed, the liquidity of such market for the Equity Shares.

The market price of the Equity Shares may be subject to significant fluctuations in response to, among other factors, variations in our operating results, market conditions specific to the industry we operate in, developments relating to India, announcements by third parties or governmental entities of significant claims or proceedings against us, volatility in the securities markets in India and other jurisdictions, variations in the growth rate of financial indicators, variations in revenue or earnings estimates by research publications, and changes in economic, legal and other regulatory factors. As a result, we cannot assure you that an active market will develop or sustained trading will take place in the Equity Shares or provide any assurance regarding the price at which the Equity Shares will be traded after listing. Further, the market price of the Equity Shares may decline below the Offer Price. We cannot assure you that you will be able to sell your Equity Shares at or above the Offer Price.

72. Our Equity Shares have never been publicly traded, and, after the Offer, our Equity Shares may experience price and volume fluctuations, and an active trading market for our Equity Shares may not develop.

Prior to the Offer, there has been no public market for our Equity Shares, and an active trading market for our Equity Shares may not develop or be sustained after the Offer. Listing does not guarantee that a market for our Equity Shares will develop, or if developed, the liquidity of such market for our Equity Shares. Our Equity Shares are expected to trade on NSE and BSE after the Offer, but there can be no assurance that active trading in our Equity Shares shall develop after the Offer, or if such trading develops that it shall continue. The Bidders may not be able to sell our Equity Shares at the quoted price if there is no active trading in our Equity Shares.

There has been significant volatility in the Indian stock markets in the recent past, and the trading price of our Equity Shares after this Offer may be subject to significant fluctuations as a result of market volatility or due to various internal or external risks, including but not limited to those described in this Red Herring Prospectus.

The market price of our Equity Shares may be subject to significant fluctuations in response to, among other factors:

- our financial condition, results of operations and cash flows;
- prospects for our business;
- quarterly variations in our results of operations;
- results of operations that vary from the expectations of research analysts and investors;
- results of operations that vary from those of our competitors;
- changes in expectations as to our future financial performance, including financial estimates by research analysts and investors;
- conditions in financial markets, including those outside India;
- a change in research analysts' recommendations;
- announcements by us or our competitors of new services, significant acquisitions, strategic alliances, joint operations or capital commitments;
- announcements by third parties or government entities of significant claims or proceedings against us;
- new laws and government regulations or changes in laws and government regulations applicable to our industry;
- developments relating to our peer companies in our industry;
- change in interest rates;
- additions or departures of Key Managerial Personnel or Senior Management; and
- general economic and stock market conditions.

The Indian stock markets have, from time to time, experienced significant price and volume fluctuations that have affected market prices for the securities of Indian companies. As a result, investors in our Equity Shares may experience a decrease in the value of our Equity Shares regardless of our financial performance or prospects. Changes in relation to any of the factors listed above could adversely affect the price of our Equity Shares. Consequently, the price of our Equity Shares may be volatile, and you may be unable to resell your Equity Shares at or above the Offer Price, or at all, and may as a result lose all or a part of your investment.

73. Any future issuance of Equity Shares or convertible securities or other equity linked instruments by us may dilute your shareholding, and significant sales of Equity Shares by our major shareholders, may adversely affect the trading price of the Equity Shares.

We may be required to finance our growth through future equity offerings. Any future equity issuances by us, including a primary offering of Equity Shares, convertible securities or securities linked to Equity Shares including through grants of stock options under the employee stock option plan which our Company may adopt, may lead to the dilution of investors' shareholdings in our Company. Any future issuances of Equity Shares or the disposal of Equity Shares by our major shareholders or the perception that such issuance or sales may occur after the completion of this Offer (subject to compliance with the lock-in provisions under the SEBI ICDR Regulations), may adversely affect the trading price of the Equity Shares, which may lead to other adverse consequences including difficulty in raising capital through offering of the Equity Shares or incurring additional debt. There can be no assurance that we will not issue further Equity Shares or that the shareholders will not dispose of Equity Shares. Any future issuances could also dilute the value of your investment in Equity Shares. In addition, any perception by investors that such issuances or sales might occur may also affect the market price of Equity Shares.

74. Foreign investors are subject to foreign investment restrictions under Indian law, which limit our ability to attract foreign investors, which may adversely affect the market price of the Equity Shares.

As an Indian company, we are subject to exchange controls that regulate borrowing in foreign currencies, including those specified under FEMA and the rules thereunder. Under the foreign exchange control regulations currently in force in India, transfers of shares between non-residents and residents are freely permitted (subject to certain restrictions) if they comply with the pricing guidelines and reporting requirements specified by the RBI. If the transfer of shares is not in compliance with such requirements or falls under any of the exceptions specified by the RBI, then the approval of the RBI will be required for such transaction to be valid. Additionally, shareholders who seek to convert the Indian Rupee proceeds from a sale of shares in India into foreign currency and repatriate that foreign currency from India will require a no objection/tax clearance certificate from the Indian income tax authority. We cannot assure investors that any required approval from the RBI or any other Indian government agency can be obtained on any particular terms or at all.

Furthermore, in accordance with Press Note No. 3 (2020 Series), dated April 17, 2020 issued by the DPIIT and the Foreign Exchange Management (Non-debt Instruments) Amendment Rules, 2020 which came into effect from April 22, 2020, any investment, subscription, purchase or sale of equity instruments by entities of a country which shares a land border with India or where the beneficial owner of an investment into India is situated in or is a citizen of any such country, will require prior approval of the GoI, as prescribed in the Consolidated FDI Policy dated October 15, 2020 and the FEMA Rules. Subsequently, vide Press Note No. 2 (2026 Series), dated March 15, 2026 issued by the DPIIT, the Consolidated FDI Policy has been further amended to, inter alia, define the expression "beneficial owner" and to provide that prior approval of the Government of India shall be required only where citizen(s) and/ or entity(ies) of a country sharing a land border with India have the ability to, directly or indirectly, individually or cumulatively, independently or collectively, whether acting together or otherwise, hold rights/entitlements more than 10% of the shares, capital or profits of the investor entity, or exercise control over such investor entity which is incorporated or registered in a country other than a country sharing land border with India, or exercise ultimate effective control over the investee entity in any manner. Further, in the event of transfer of ownership of any existing or future foreign direct investment in an entity in India, directly or indirectly, resulting in the beneficial ownership falling within the aforesaid restriction/ purview, such subsequent change in the beneficial ownership will also require approval of the Government of India. These investment restrictions shall also apply to subscribers of offshore derivative instruments. Restrictions on foreign investment activities and impact on our ability to attract foreign investors may cause uncertainty and delays in our future investment plans and initiatives.

Additionally, the Indian government may impose foreign exchange restrictions in certain emergency situations, including situations where there are sudden fluctuations in interest rates or exchange rates, where the Indian government experiences extreme difficulty in stabilizing the balance of payments or where there are substantial disturbances in the financial and capital markets in India. These restrictions may require foreign investors to obtain the Indian government's approval before acquiring Indian securities or repatriating the interest or dividends from those securities or the proceeds from the sale of those securities. There can be no assurance that any approval required from the RBI, or any other government agency can be obtained on any particular terms or at all.

For further details, see "*Restrictions on Foreign Ownership of Indian Securities*" beginning on page 391. Our ability to raise any foreign capital under the FDI route is therefore constrained by Indian law, which may adversely affect our business, cash flows, results of operations, financial condition and prospects.

75. Foreign investors may have difficulty enforcing judgments against us or our management.

The enforcement of civil liabilities by overseas investors in our Equity Shares, including the ability to effect service of process and to enforce judgments obtained in courts outside of India may be adversely affected by the fact that we are incorporated under the laws of the Republic of India and all of our executive officers and Directors reside in India. As a result, it may be difficult to enforce the service of process upon us and any of these persons outside of India or to enforce outside of India, judgments obtained against us and these persons in courts outside of India.

Recognition and enforcement of foreign judgments is provided for under Section 13 and Section 44A of the Civil Procedure Code ("Civil Code") on a statutory basis. Section 44A of the Civil Code provides that where a foreign judgment has been rendered by a superior court, within the meaning of that Section, in any country or territory outside India which the Government has by notification declared to be in reciprocating territory, it may be enforced in India by proceedings in execution as if the judgment had been rendered by the relevant court in India. However, Section 44A of the Civil Code is applicable only to monetary decrees not being in the same nature of amounts payable in respect of taxes, other charges of a like nature or in respect of a fine or other penalties.

The United Kingdom, Singapore and Hong Kong, among other countries, have been declared by the Government to be a reciprocating territory for the purposes of Section 44A of the Civil Procedure Code. A judgment of a court of a country which is not a reciprocating territory may be enforced in India only by a suit upon the judgment under Section 13 of the Civil Procedure Code, and not by proceedings in execution. Section 13 of the Civil Code provides that foreign judgments shall be conclusive regarding any matter directly adjudicated upon except: (i) where the judgment has not been pronounced by a court of competent jurisdiction; (ii) where the judgment has not been given on the merits of the case; (iii) where it appears on the face of the proceedings that the judgment is founded on an incorrect view of international law or refusal to recognize the law of India in cases to which such law is applicable; (iv) where the proceedings in which the judgment was obtained were opposed to natural justice; (v) where the judgment has been obtained by fraud; or (vi) where the judgment sustains a claim founded on a breach of any law then in force in India. Under the Civil Procedure Code, a court in India shall, upon the production of any document purporting to be a certified copy of a foreign judgment, presume that the judgment was pronounced by a court of competent jurisdiction, unless the contrary appears on record. The suit must be

brought in India within 3 years from the date of judgment in the same manner as any other suit filed to enforce a civil liability in India.

Further, there are considerable delays in the disposal of suits by Indian courts. It may be unlikely that a court in India would award damages on the same basis as a foreign court if an action is brought in India. Furthermore, it may be unlikely that an Indian court will enforce foreign judgments if it views the amount of damages awarded as excessive or inconsistent with public policy in India. A party seeking to enforce a foreign judgment in India is required to obtain prior approval from the RBI under FEMA to repatriate any amount recovered pursuant to execution and any such amount may be subject to income tax in accordance with applicable laws. Any judgment or award in a foreign currency would be converted into Indian Rupees on the date of the judgment or award and not on the date of the payment.

76. Holders of Equity Shares could be restricted in their ability to exercise pre-emptive rights under Indian law and could thereby suffer future dilution of their ownership position.

Under the Companies Act, a company having share capital and incorporated in India is required to offer holders of its Equity Shares pre-emptive rights to subscribe and pay for a proportionate number of Equity Shares to maintain their existing ownership percentages prior to the issuance of any new equity shares, unless the pre-emptive rights have been waived by the adoption of a special resolution by holders of three-fourths of the Equity Shares who have voted on such resolution. However, if the laws of the jurisdiction that you are in does not permit the exercise of such pre-emptive rights without us filing an offering document or registration statement with the applicable authority in such jurisdiction, you will be unable to exercise such pre-emptive rights unless we make such a filing. We may elect not to file a registration statement in relation to pre-emptive rights otherwise available by Indian law to you. To the extent that you are unable to exercise pre-emptive rights granted in respect of Equity Shares, you may suffer future dilution of your ownership position and your proportional interests in us will be reduced.

77. Fluctuation in the exchange rate of the Rupee and other currencies could have an adverse effect on the value of our Equity Shares, independent of our operating results.

Subject to requisite approvals, on listing, our Equity Shares will be quoted in Rupees on the Stock Exchanges. Any dividends, if declared, in respect of our Equity Shares will be paid in Rupees and subsequently converted into the relevant foreign currency for repatriation, if required. Any adverse movement in exchange rates during the time that it takes to undertake such conversion may reduce the net dividend to such investors. In addition, any adverse movement in exchange rates during a delay in repatriating the proceeds from a sale of Equity Shares outside India, for example, because of a delay in regulatory approvals that may be required for the sale of Equity Shares, may reduce the net proceeds received by shareholders. The exchange rate of the Rupee has changed substantially in the last two decades and could fluctuate substantially in the future, which may have a material adverse effect on the value of the Equity Shares and returns from Equity Shares, independent of our operating results.

78. A third party may be required to comply with certain regulatory requirements under Indian law in connection with any acquisition of control of our Company

Indian securities laws and regulations, including the Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011 (the "**SEBI Takeover Regulations**"), prescribe certain obligations and procedures governing the acquisition of shares, voting rights, or control over a listed company. Under the SEBI Takeover Regulations, an "acquirer" is defined as any person who, directly or indirectly, acquires or agrees to acquire shares or voting rights in, or control over, a target company, whether individually or acting in concert with others.

The SEBI Takeover Regulations are intended to ensure transparency, protect the interests of public shareholders, and provide an orderly framework for transactions involving a change in control. Among other things, these regulations require an acquirer to make a public announcement and undertake an open offer to the existing shareholders of the target company upon crossing prescribed thresholds of shareholding or voting rights, or upon the acquisition of control.

Accordingly, any person seeking to acquire control of our Company would be required to comply with the applicable provisions of the SEBI Takeover Regulations, including the obligation to make an open offer at a price determined in accordance with such regulations. While compliance with these requirements may involve additional time and costs, they are intended to ensure that the shareholders of our Company are provided with a fair and transparent exit opportunity in the event of a change in control. Prospective investors should note that these requirements are generally applicable to all listed companies in India and form part of the standard regulatory framework governing acquisitions and changes in control.

79. Our ability to raise foreign capital may be constrained by Indian law.

As an Indian company, we are subject to exchange controls that regulate borrowing in foreign currencies. Such regulatory restrictions limit our financing sources and could constrain our ability to obtain financings on competitive terms and refinance existing indebtedness. In addition, we cannot assure you that any required regulatory approvals for borrowing in foreign currencies will be granted to us without onerous conditions, or at all. Limitations on foreign debt may have an adverse effect on our business growth, financial condition and results of operations.

80. Rights of shareholders of companies under Indian law may be more limited than under the laws of other jurisdictions.

Our Articles of Association, composition of our Board, Indian laws governing our corporate affairs, the validity of corporate procedures, directors' fiduciary duties, responsibilities and liabilities, and shareholders' rights may differ from those that would apply to a company in another jurisdiction. Shareholders' rights under Indian law may not be as extensive and widespread as shareholders' rights under the laws of other countries or jurisdictions. Investors may face challenges in asserting their rights as shareholder in an Indian company than as a shareholder of an entity in another jurisdiction.

81. Compliance with provisions of Foreign Account Tax Compliance Act may affect payments on Equity Shares

The U.S. "Foreign Account Tax Compliance Act" (or "**FATCA**") imposes a new reporting regime and potentially, imposes a 30% withholding tax on certain "foreign passthru payments" made by certain non-U.S. financial institutions (including intermediaries).

If payments on the Equity Shares are made by such non-U.S. financial institutions (including intermediaries), this withholding may be imposed on such payments if made to any non-U.S. financial institution (including an intermediary) that is not otherwise exempt from FATCA or other holders who do not provide sufficient identifying information to the payer, to the extent such payments are considered "foreign passthru payments". Under current guidance, the term "foreign passthru payment" is not defined and it is therefore not clear whether and to what extent payments on the Equity Shares would be considered "foreign passthru payments". The United States has entered into intergovernmental agreements with many jurisdictions (including India) that modify the FATCA withholding regime described above. It is not yet clear how the intergovernmental agreements between the United States and these jurisdictions will address "foreign passthru payments" and whether such agreements will require us or other financial institutions to withhold or report on payments on the Equity Shares to the extent they are treated as "foreign passthru payments". You should consult their tax advisors regarding the consequences of FATCA, or any intergovernmental agreement or non-U.S. legislation implementing FATCA, to their investment in Equity Shares.

82. The insolvency laws of India may differ from those of other jurisdictions with which investors are familiar.

As we are established in India under the Companies Act, any insolvency proceedings relating to us is likely to involve Indian insolvency laws (including the Insolvency and Bankruptcy Code, 2016 of India), the procedural and substantive provisions of which may differ from comparable provisions of the local insolvency laws of jurisdictions with which investors are familiar.

SECTION III – INTRODUCTION

THE OFFER

The following table summarizes details of the Offer:

Offer of Equity Shares [(1)]	Up to [●] Equity Shares of face value of ₹ 2 each, aggregating up to ₹ [●] million
of which:	
Fresh Issue [(1)]	Up to [●] Equity Shares of face value of ₹ 2 each, aggregating up to ₹ 2,500.00 million
Offer for Sale[(2)(3)]	Up to 11,848,340 Equity Shares of face value of ₹ 2 each, aggregating up to ₹ [●] million
The Offer comprises of:	
A) QIB Portion[(4)(5)(7)]	Not more than [●] Equity Shares of face value of ₹2 each, aggregating up to ₹ [●] million
of which:	
(i) Anchor Investor Portion	Up to [●] Equity Shares of face value of ₹ 2 each
(ii) Net QIB Portion (assuming Anchor Investor Portion is fully subscribed)	[●] Equity Shares of face value of ₹ 2 each
of which:	
(a) Available for allocation to Mutual Funds only (5% of the Net QIB Portion)	[●] Equity Shares of face value of ₹ 2 each
(b) Balance for all QIBs including Mutual Funds	[●] Equity Shares of face value of ₹ 2 each
B) Non-Institutional Portion[(4)(5) (6)]	Not less than [●] Equity Shares of face value of ₹ 2 each, aggregating up to ₹ [●] million
Of which:	
One-third available for allocation to Bidders with a Bid size of more than ₹ 0.20 million and up to ₹ 1.00 million	[●] Equity Shares of face value of ₹ 2 each
Two-thirds available for allocation to Bidders with a Bid size of more than ₹ 1.00 million	[●] Equity Shares of face value of ₹ 2 each
C) Retail Portion [(4)(5)]	Not less than [●] Equity Shares of face value of ₹ 2 each, aggregating up to ₹ [●] million
Pre- and post-Offer Equity Shares	
Equity Shares outstanding prior to the Offer (as at the date of this Red Herring Prospectus)	82,000,000 Equity Shares of face value of ₹ 2 each
Equity Shares outstanding after the Offer*	[●] Equity Shares of face value of ₹ 2 each
Use of Net Proceeds	See "*Objects of the Offer*" on page 101 for information about the use of the proceeds from the Fresh Issue. Our Company will not receive any proceeds from the Offer for Sale.

* *To be updated upon finalization of the Offer Price.*

1) The Offer has been authorized by a resolution of our Board dated November 28, 2025, and the Fresh Issue has been authorized by a special resolution of our Shareholders dated December 5, 2025. Further, our Board has taken on record the consent of the Promoter Selling Shareholders by a resolution of our Board dated December 29, 2025.

2) Our Promoter Selling Shareholders have confirmed and authorised their participation in the Offer for Sale as set out below:

S. No.	*Promoter Selling Shareholders*	*Offered Shares*	*Aggregate amount of Offer for Sale*	*Date of consent letter*
1.	*Ashish Agarwal*	*Up to 5,924,170 Equity Shares*	*Up to ₹ [●] million*	*December 25, 2025*
2.	*Seema Agarwal*	*Up to 5,924,170 Equity Shares*	*Up to ₹ [●] million*	*December 25, 2025*

3) The Equity Shares held by the Promoter Selling Shareholders and being offered by them are eligible to form a part of the Offer for Sale in terms of the SEBI ICDR Regulations. Each Promoter Selling Shareholders severally and not jointly confirms that the Equity Shares being offered by them are eligible for being offered for sale pursuant to the Offer in terms of Regulation 8 of the SEBI ICDR Regulations. For further details, see "Other Regulatory and Statutory Disclosures" on page 350.

4) Subject to valid bids being received at or above the Offer Price, under subscription, if any, in any category, except in the QIB Portion, would be allowed to be met with spill-over from any other category or combination of categories of Bidders, as applicable, at the discretion of our Company, in consultation with the BRLMs and the Designated Stock Exchange, subject to applicable laws. Undersubscription in the Offer, if any, subject to receiving minimum subscription for 90% of the Fresh Issue and compliance with Rule 19(2)(b) of the Securities Contracts (Regulation) Rules, 1957, the Allotment for the valid Bids will be made in the following order: (i) in the first instance towards subscription for 90% of the Fresh Issue; (ii) if there remain any balance valid Bids in the Offer, the Allotment for the balance valid Bids will be made in the following order: (a) first towards the sale of the Offered Shares by the Promoter Selling Shareholders, on a pro rata basis among the Promoter Selling Shareholders; and (b) only after the sale of all of the Offered Shares, towards the balance Fresh Issue.

5) Allocation to Bidders in all categories, except Anchor Investors, if any, Non-Institutional Investors and Retail Individual Investors, shall be made on a proportionate basis subject to valid Bids received at or above the Offer Price. The allocation to each Retail Individual Investors shall not be less than the minimum Bid Lot, subject to availability of Equity Shares in the Retail Portion and the remaining available Equity Shares, if any, shall be allocated on a proportionate basis. The allocation to each Non-Institutional Investors shall not be less than the minimum application size, subject to availability of Equity Shares in the Non-Institutional Portion and the remaining available Equity Shares, if any, shall be allocated on a proportionate basis. Allocation to Anchor Investors shall be on a discretionary basis.

6) *Not less than 15% of the Offer shall be available for allocation to Non-Institutional Investors of which one-third of the Non-Institutional Portion will be available for allocation to Bidders with an application size of more than ₹ 0.20 million and upto ₹ 1.00 million and two-thirds of the Non-Institutional Portion will be available for allocation to Bidders with an application size of more than ₹ 1.00 million and under-subscription in either of these two sub-categories of Non-Institutional Portion may be allocated to Bidders in the other sub-category of Non-Institutional Portion.*

7) *Our Company, in consultation with the BRLMs, may allocate up to 60% of the QIB Portion to Anchor Investors on a discretionary basis in accordance with the SEBI ICDR Regulations. The QIB Portion will be accordingly reduced for the Equity Shares allocated to Anchor Investors. Out of 40.00% of the Anchor Investor Portion will be reserved for allocation in the following manner: (i) 33.33% to domestic Mutual Funds, and (ii) 6.67% to life insurance companies and pension funds, at or above the price at which Equity Shares has been allocated to Anchor Investors ("Anchor Investor Allocation Price"),in accordance with the SEBI ICDR Regulations. In case of under-subscription or non- Allotment in the Anchor Investor Portion, the remaining Equity Shares will be added back to the Net QIB Portion. Further, 5% of the Net QIB Portion shall be available for allocation on a proportionate basis to Mutual Funds only, and the remainder of the Net QIB Portion shall be available for allocation on a proportionate basis to all QIB Bidders other than Anchor Investors, including Mutual Funds, subject to valid Bids being received at or above the Offer Price. In the event of under-subscription, or non-allocation in the Mutual Funds Portion, the balance Equity Shares shall be added to the Net QIB Portion and allocated proportionately to the QIB Bidders (other than Anchor Investors) in proportion to their Bids. For further information, see "Offer Procedure" on page 371.*

For details, including in relation to grounds for rejection of Bids, refer to "*Offer Structure*" and "*Offer Procedure*" on pages 368 and 371, respectively. For details of the terms of the Offer, see "*Terms of the Offer*" on page 362.

SUMMARY OF RESTATED FINANCIAL INFORMATION

The following tables set forth the summary financial information derived from our Restated Financial Information as at and for the Financial Years ended March 31, 2026, March 31, 2025 and March 31, 2024. The summary financial information presented below should be read in conjunction with "Financial Information" and "Management's Discussion and Analysis of Financial Condition and Results of Operations" on pages 247 and 302, respectively.

[the remainder of this page has been intentionally left blank]

Summary of Restated Statement of Assets and Liabilities

(in ₹ million unless otherwise stated)

Particulars	As at March 31, 2026	As at March 31, 2025	As at March 31, 2024
I. ASSETS

Investor grievances

Investors can contact the Company Secretary and Compliance Officer or the Registrar to the Offer in case of any pre-Offer or post-Offer related problems, such as non-receipt of letters of Allotment, non-credit of Allotted Equity Shares of face value ₹ 2 each in the respective beneficiary account, non-receipt of refund orders or non-receipt of funds by electronic mode, etc. For all Offer-related queries and for redressal of complaints, investors may also write to the BRLMs.

All Offer related grievances, other than those of Anchor Investors, may be addressed to the Registrar to the Offer with a copy to the relevant Designated Intermediary to whom the Bid cum Application Form was submitted. The Bidder should give full details such as name of the sole or first Bidder, Bid cum Application Form number, Bidder's DP ID, Client ID, PAN, date of submission of the Bid cum Application Form, address of the Bidder, number of Equity Shares of face value ₹ 2 each applied for, the name and address of the Designated Intermediary where the Bid cum Application Form was submitted by the Bidder and ASBA Account number (for Bidders other than UPI Bidders using the UPI Mechanism) in which the amount equivalent to the Bid Amount was blocked or the UPI ID (for UPI Bidders who make the payment of Bid Amount through the UPI Mechanism), in case of UPI Bidders using the UPI Mechanism.

Further, the Bidder shall also enclose a copy of the Acknowledgment Slip or provide the acknowledgement number received from the Designated Intermediaries in addition to the documents or information mentioned hereinabove. All grievances relating to Bids submitted through Registered Brokers may be addressed to the Stock Exchanges with a copy to the Registrar to the Offer. The Registrar to the Offer shall obtain the required information from the SCSBs for addressing any clarifications or grievances of ASBA Bidders.

All Offer related grievances of the Anchor Investors may be addressed to the Registrar to the Offer, giving full details such as the name of the sole or first Bidder, Anchor Investor Application Form number, Bidders' DP ID, Client ID, PAN, date

of the Anchor Investor Application Form, address of the Bidder, number of the Equity Shares of face value ₹ 2 each applied for, Bid Amount paid on submission of the Anchor Investor Application Form and the names and addresses of the BRLMs where the Anchor Investor Application Form was submitted by the Anchor Investor.

As the Offer is of Equity Shares, credit rating is not required.

Debenture trustees

As the Offer is of Equity Shares, the appointment of a debenture trustee is not required.

Green shoe option

No green shoe option is contemplated under the Offer.

Experts

Except as stated below, our Company has not obtained any expert opinions:

Our Company has received written consent dated August 25, 2026, from NSVR & Associates LLP, Chartered Accountants include their name as required under section 26(5) of the Companies Act, 2013 read with SEBI ICDR Regulations, in this Red Herring Prospectus, and as an "expert" as defined under section 2(38) of the Companies Act, 2013 to the extent and in their capacity as our Statutory Auditors, and in respect of (i) the examination report dated August 12, 2026, relating to the Restated Financial Information; and (ii) the statement of tax benefits dated August 25, 2026, included in this Red Herring Prospectus and such consent has not been withdrawn as on the date of this Red Herring Prospectus. The term "expert" and "consent" does not represent an "expert" or "consent" within the meaning under the U.S. Securities Act.

Our Company has received written consent dated August 25, 2026, from P.S. Rao & Associates, practicing company secretary, to include their name as required under the SEBI ICDR Regulations in this Red Herring Prospectus, and as an "expert" as defined under Section 2(38) of the Companies Act, 2013 with respect to the information in certificate dated August 25, 2026 and such consent has not been withdrawn as on the date of this Red Herring Prospectus. The term "expert" and "consent" does not represent an "expert" or "consent" within the meaning under the U.S. Securities Act.

Filing

A copy of the Draft Red Herring Prospectus was filed electronically on the SEBI Intermediary Portal at https://siportal.sebi.gov.in, as required under Regulation 25(8) of the SEBI ICDR Regulations and pursuant to the SEBI ICDR Master Circular. It was also filed with SEBI at:

Securities and Exchange Board of India

Corporation Finance Department
Division of Issues and Listing
SEBI Bhavan, Plot No. C4 A, 'G' Block
Bandra Kurla Complex
Bandra (E), Mumbai 400 051
Maharashtra, India

A copy of this Red Herring Prospectus, along with the material contracts and documents is being filed under Section 32 of the Companies Act with the RoC and a copy of the Prospectus will be filed under Section 26 of the Companies Act with the RoC at its office and through the electronic portal at https://www.mca.gov.in/content/mca/global/en/foportal/fologin.html.

Book Building Process

The Book Building Process, in the context of the Offer, refers to the process of collection of Bids from investors on the basis of this Red Herring Prospectus, the Bid cum Application Forms and the Revision Forms within the Price Band. Price Band and minimum Bid Lot which will be decided by our Company, in consultation with the BRLMs and, will be advertised in all editions of Financial Express, an English national newspaper, all editions of Jansatta, (a Hindi national newspaper) and in Hyderabad editions of Mana Telangana (a Telugu daily newspaper, Telugu being the regional language of Telangana, where our Registered Office is located), each with wide circulation, at least two Working Days prior to the Bid/ Offer Opening Date and shall be made available to the Stock Exchanges for the purposes of uploading on their respective websites. The Offer Price shall be determined by our Company, in consultation with the BRLMs, after the Bid/ Offer Closing Date. For details, see "*Offer Procedure*" on page 371.

All Bidders, other than Anchor Investors, shall participate in the Offer mandatorily through the ASBA process by providing the details of their respective ASBA Accounts in which the corresponding Bid Amount will be blocked by the SCSBs and Sponsor Bank, as the case may be. UPI Bidders may participate in the Offer through the ASBA process by either (a) providing the details of their respective ASBA Account in which the corresponding Bid Amount

will be blocked by the SCSBs or, (b) through the UPI Mechanism. Anchor Investors are not permitted to participate in the Offer through the ASBA process.

In accordance with the SEBI ICDR Regulations, QIBs and Non-Institutional Bidders are not allowed to withdraw or lower the size of their Bid(s) (in terms of the quantity of the Equity Shares of face value ₹ 2 each or the Bid Amount) at any stage. Retail Individual Investors can revise their Bid(s) during the Bid/ Offer Period and withdraw their Bids until the Bid/ Offer Closing Date. Anchor Investors cannot withdraw their Bids after the Anchor Investor Bidding Date. Further, except for allocation to Retail Individual Bidders, Non-Institutional Bidders and the Anchor Investors, Allocation to all categories in the Offer will be on a proportionate basis and allocation to Anchor Investors in the Anchor Investor Portion will be on a discretionary basis. Pursuant to SEBI circular no. SEBI/HO/CFD/DIL2/CIR/P/2022/45 dated April 5, 2022, all individual investors applying in initial public offerings whose application amount is up to ₹ 0.50 million shall use UPI Mechanism.

The Book Building Process under the SEBI ICDR Regulations and the Bidding process are subject to change from time to time. Investors are advised to make their own judgment about an investment through this process prior to submitting a Bid.

Bidders should note the Offer is also subject to: (i) filing of the Prospectus with the RoC; and (ii) obtaining final listing and trading approvals from the Stock Exchanges, which our Company shall apply for after Allotment.

Each Bidder, by submitting a Bid in the Offer, will be deemed to have acknowledged the above restrictions and the terms of the Offer.

Our Company will comply with the SEBI ICDR Regulations and any other directions issued by SEBI in relation to this Offer. In this regard, our Company has appointed the BRLMs to manage this Offer and procure Bids for this Offer.

For further details on the method and procedure for Bidding and Book Building Process, see "*Terms of the Offer*", "*Offer Structure*" and "*Offer Procedure*" on pages 362, 368 and 371 respectively.

Underwriting Agreement

After the determination of the Offer Price and allocation of Equity Shares of face value ₹ 2 each, but prior to the filing of the Prospectus with the RoC, our Company and the Promoter Selling Shareholders will enter into an Underwriting Agreement with the Underwriters for the Equity Shares of face value ₹ 2 each proposed to be offered through the Offer. The extent of underwriting obligations and the Bids to be underwritten in the Offer shall be as per the Underwriting Agreement. The Underwriting Agreement is dated [●]. Pursuant to the terms of the Underwriting Agreement, the obligations of the Underwriters will be several and will be subject to certain conditions to closing, as specified therein.

The Underwriters have indicated their intention to underwrite the following number of Equity Shares of face value ₹ 2 each:

(The Underwriting Agreement has not been executed as on the date of this Red Herring Prospectus and will be executed after determination of the Offer Price and allocation of Equity Shares of face value ₹ 2 each, but prior to the filing of the Prospectus with the RoC. This portion has been intentionally left blank and will be completed before filing the Prospectus with the RoC.).

Name, address, telephone number and e-mail address of the Underwriters	Indicative Number of Equity Shares of face value ₹ 2 each to be Underwritten	Amount Underwritten (in ₹ million)
[●]	[●]	[●]

The above-mentioned underwriting commitment is provided for indicative purposes only and will be finalised after determination of Offer Price and finalisation of Basis of Allotment and subject to the provisions of the SEBI ICDR Regulations.

In the opinion of the Board of Directors (based on representations made to our Company by the Underwriters), the resources of the Underwriters are sufficient to enable them to discharge their respective underwriting obligations in full. The Underwriters are registered with SEBI under Section 12(1) of the SEBI Act or registered as brokers with the Stock Exchange(s). The Board of Directors/ IPO Committee at its meeting held on [●], has accepted and entered into the Underwriting Agreement mentioned above on behalf of our Company.

Allocation among the Underwriters may not necessarily be in proportion to their underwriting commitment set forth in the table above.

Notwithstanding the above table, the Underwriters shall be severally responsible for ensuring payment with respect to the Equity Shares allocated to investors respectively procured by them in accordance with the Underwriting Agreement. In the event of any default in payment, the respective Underwriter, in addition to other obligations defined in the Underwriting Agreement, will also be required to procure subscribers for or subscribe to the Equity Shares to the extent of the defaulted amount in accordance with the Underwriting Agreement. The extent of underwriting obligations and the Bids to be underwritten in the Offer shall be as per the Underwriting Agreement.

**To be updated in the Prospectus*

(b) All the Equity Shares held by our Promoters were fully paid-up on the respective dates of acquisition of such Equity Shares.

(c) All Equity Shares held by our shareholders are in dematerialized form as on the date of this Red Herring Prospectus.

(d) None of the Equity Shares held by our Promoters are pledged or otherwise encumbered as on the date of this Red Herring Prospectus. Further, none of the Equity Shares being offered for sale through Offer for Sale are pledged or otherwise encumbered as on the date of this Red Herring Prospectus.

(e) Except as disclosed above in *"- Details of Shareholding of our Promoters and the members of our Promoter Group in the Company"*, none of the members of our Promoter Group holds any Equity Shares in our Company.

(f) None of our Promoters or the members of our Promoter Group or their relatives or Directors have purchased or sold any specified securities of our Company during the period of 6 months immediately preceding the date of this Red Herring Prospectus.

8. Details of Shareholding of our Directors, Key Managerial Personnel and Senior Management

Other than as disclosed under "*Our Management – Shareholding of Directors in our Company*" and "*Our Management – Shareholding of Key Managerial Personnel and Senior Management in our Company*" on pages 228 and 239 respectively, none of our Directors, Key Managerial Personnel and Senior Management hold any Equity Shares as on the date of this Red Herring Prospectus.

9. Details of Promoters' contribution and lock-in

Pursuant to Regulations 14 and 16(1)(a) of the SEBI ICDR Regulations, an aggregate of at least 20% of the post-Offer Equity Share capital of our Company held by our Promoters shall be considered as the minimum Promoters' contribution and is required to be locked-in for a period of eighteen months or any other period as may be prescribed under applicable law, from the date of Allotment ("**Minimum Promoters' Contribution**"). Our Promoters' shareholding in excess of 20% shall be locked in for a period of six months from the date of Allotment.

The details of the Equity Shares held by our Promoters, which shall be locked-in for Minimum Promoters' Contribution for a period of eighteen months, from the date of Allotment are set out below:

Name of the Promoter	Number of Equity Shares of face value ₹ 2 each locked-in	Date up to which Equity Shares are subject to lock-in	Date of acquisition of Equity Shares and when made fully paid-up	Nature of transaction	Face value (*in* ₹)	Issue/Acquisition price per Equity Share *(in ₹)*	Pre - Offer Equity Share capital *(in %)*	Post Offer Equity Share capital *(in %)**
[●]	[●]	[●]	[●]	[●]	[●]	[●]	[●]	[●]

**To be completed prior to filing of the Prospectus with the RoC.*

The Promoters have given their consent to include such number of Equity Shares held by them as may constitute 20% of the post-Offer Equity Share capital of our Company as the Minimum Promoters' Contribution and have agreed not to dispose, sell, transfer, charge, pledge or otherwise encumber in any manner, the Minimum Promoters' Contribution from the date of filing of the Draft Red Herring Prospectus, until the expiry of the lock-in specified above, or for such other time as required under SEBI ICDR Regulations, except as may be permitted, in accordance with the SEBI ICDR Regulations.

Our Company undertakes that the Equity Shares held that are being locked-in will not be ineligible for computation of Minimum Promoters' Contribution in terms of Regulation 15 of the SEBI ICDR Regulations. For details of the build-up of the share capital held by our Promoters, see "*—Build-up of Promoters' Equity shareholding in our Company*" beginning on page 91.

In this connection, we confirm the following:

(i) The Equity Shares offered towards Minimum Promoters' Contribution have not been acquired during the three years immediately preceding the date of filing the Draft Red Herring Prospectus: (a) for consideration other than cash and revaluation of assets or capitalization of intangible assets, or (b) arising from bonus issue by utilization of revaluation reserves or unrealized profits of our Company or from a bonus issue against Equity Shares held, which are otherwise ineligible for computation of Minimum Promoters' Contribution;

(ii) The Equity Shares offered towards Minimum Promoters' Contribution have not been acquired by our Promoters during the year immediately preceding the date of the Draft Red Herring Prospectus at a price lower than the Offer Price;

(iii) Our Company has not been formed by the conversion of one or more partnership firms or a limited liability partnership firm into a company and hence, no Equity Shares have been issued in the one year immediately preceding the date of the Draft Red Herring Prospectus pursuant to conversion from a partnership firm; and;

(iv) The Equity Shares forming part of the Minimum Promoters' Contribution are not subject to any pledge or any encumbrance.

10. Details of Equity Shares locked-in for six months

In terms of Regulation 16(1)(b) and Regulation 17 (1) of the SEBI ICDR Regulations, the entire pre-Offer Equity Share capital of our Company (other than the Minimum Promoters' Contribution as prescribed in *"-Details of Promoters' contribution and lock-in"* on page 93) will be locked-in for a period of six months from the date of Allotment in the Offer or such other period as may be prescribed under the SEBI ICDR Regulations, except for the Equity Shares which are successfully transferred as part of the Offer for Sale. Further, any unsubscribed portion of the Offered Shares would also be locked-in as required under the SEBI ICDR Regulations.

In terms of Regulation 17(c) of the SEBI ICDR Regulations, Equity Shares held by a venture capital fund ("**VCF**") or alternative investment fund ("**AIF**") of category I or category II or a foreign venture capital investor ("**FVCI**") shall not be locked-in for a period of six months from the date of Allotment, provided that such Equity Shares shall be locked-in for a period of at least six months from the date of purchase by the venture capital fund or alternative investment fund of category I or category II or foreign venture capital investor.

As on the date of this Red Herring Prospectus, our Company does not have Shareholders that are venture capital funds or alternative investment funds of category I or category II or a foreign venture capital investor.

11. Lock-in of the Equity Shares to be Allotted, if any, to the Anchor Investors

50% of the Equity Shares Allotted to Anchor Investors under the Anchor Investor Portion shall be locked-in for a period of 90 days from the date of Allotment, and the remaining 50% of the Equity Shares Allotted to Anchor Investors under the Anchor Investor Portion shall be locked-in for a period of 30 days from the date of Allotment as per SEBI ICDR Regulations

12. Other requirements in respect of lock-in

Pursuant to Regulation 20 of the SEBI ICDR Regulations, our Company shall ensure that details of locked-in Equity Shares will be recorded by relevant Depository.

In terms of Regulation 21 of the SEBI ICDR Regulations, the Equity Shares held by our Promoters which are locked-in as per Regulation 16 of the SEBI ICDR Regulations: (a) as Minimum Promoters' Contribution, may be pledged only with scheduled commercial banks or public financial institutions or systemically important non-banking finance companies or deposit taking housing finance companies as collateral security for loans granted by such entity, provided that such loan has been granted for the purpose of financing one or more of the objects of the Offer, and pledge of the Equity Shares is one of the terms of the sanctioned loan; and (b) in excess of the Minimum Promoters' Contribution, may be pledged only with scheduled commercial banks or public financial institutions or systemically important non-banking finance companies or deposit taking housing finance companies as collateral security for loans granted by such entity, provided that pledge of the Equity Shares is one of the terms of the sanctioned loan. However, such lock-in will continue pursuant to any invocation of the pledge and the transferee of the Equity Shares pursuant to such invocation shall not be eligible to transfer the Equity Shares until the expiry of the lock-in period stipulated above.

Pursuant to Regulation 22 of the SEBI ICDR Regulations, the Equity Shares held by our Promoters, which are locked-in in accordance with Regulation 16 of the SEBI ICDR Regulations, may be transferred to and among our Promoters and any member of the Promoter Group, or to a new promoter of our Company and the Equity Shares held by any persons other than our Promoters, which are locked-in in accordance with Regulation 17 of the SEBI ICDR Regulations, may be transferred to and among such other persons holding specified securities that are locked in, subject to continuation of the lock-in in the hands of the transferee for the remaining period and compliance with the SEBI Takeover Regulations, as applicable.

14. Weighted average price at which the specified securities were acquired by our Promoters (including the Promoter Selling Shareholder) in the last one year preceding the date of this Red Herring Prospectus

The weighted average price at which the Equity Shares were acquired by our Promoters (including the Promoter Selling Shareholder) in the last one year preceding the date of this Red Herring Prospectus are*:*

Name	Face Value (in ₹)	Number of specified securities acquired in last one year	Weighted average price of acquisition per specified security in last one year *(in ₹)*
Ashish Agarwal*	2	30,005,000	Nil**
Seema Agarwal*	2	30,000,000	Nil**
Dev Agarwal	2	1,485,000	Nil**

As certified by NSVR & Associates LLP, Chartered Accountants, pursuant to their certificate dated August 25, 2026.
** are also the Promoter Selling Shareholders*
*** Nil represents cost of equity shares acquired pursuant to a bonus issue (at no consideration).*

15. Weighted average cost of acquisition of Equity Shares transacted in last one year, 18 months and three years preceding the date of this Red Herring Prospectus

The average cost of acquisition of Equity Shares for our Promoters (including the Promoter Selling Shareholder) is as set out below:

Period	Weighted average cost of acquisition per Equity Share (in ₹)	Cap Price is 'x' times the weighted average cost of acquisition*	Range of acquisition price per Equity Share: lowest price – highest price (in ₹)
Last one year preceding the date of this Red Herring Prospectus	Nil[(3)]	[●]	Nil[(3)] – Nil[(3)]
Last 18 months preceding the date of this Red Herring Prospectus	0.00[(1) (2)]	[●]	Nil[(3)] – 80.00[(1)]
Last three years preceding the date of this Red Herring Prospectus	0.00[(1) (2)]	[●]	Nil[(3)] – 80.00[(1)]

As certified by NSVR & Associates LLP, Chartered Accountants, pursuant to their certificate dated August 25, 2026.
**To be included once the price band information is available.*
(1) Details of number of Equity Shares, weighted average cost of acquisition per equity share and the range of acquisition price per Equity Share has been adjusted for split of Equity Shares.
(2) Weighted average cost of acquisition has been arrived at by considering only the cost of shares transacted by the Shareholders on account of any further issue, bonus issue or secondary transfers and adjusted for split shares, i.e., the cost paid or received by the Shareholders for transactions in equity shares, divided by the total number of equity shares transacted.
(3) Nil represents cost of equity shares acquired pursuant to a bonus issue (at no consideration).

16. Average cost of acquisition of Equity Shares by our Promoters (including the Promoter Selling Shareholder)

The average cost of acquisition of Equity Shares by our Promoters (including the Promoter Selling Shareholder) as at the date of this Red Herring Prospectus, is as set out below:

Name of Promoter	Face Value (in ₹)	Number of Equity Shares held	Average cost per Equity Share of face values of ₹2 (₹)
Promoters			
Ashish Agarwal*	2	40,005,000	0.50
Seema Agarwal*	2	40,000,000	0.50
Dev Agarwal	2	1,980,000	0.00

As certified by NSVR & Associates LLP, Chartered Accountants, pursuant to their certificate dated August 25, 2026.
** Also a Promoter Selling Shareholder.*

17. 3.	Dev Agarwal	99,000	2.41
	Total	**4,099,000**	**99.98**

** Equity Shares of face value of ₹ 10 each*

20. Employee Stock Option Plan

As on the date of this Red Herring Prospectus, our Company does not have any subsisting employee stock option plan.

21. As of the date of this Red Herring Prospectus, there are no outstanding warrants, options, debentures, loans or other instruments convertible into Equity Shares.

22. As on the date of this Red Herring Prospectus, our Company has 7 shareholders.

23. As on the date of this Red Herring Prospectus, the BRLMs and their respective associates (determined as per the definition of 'associate company' under the Companies Act and as per definition of the term 'associate' under the SEBI Merchant Bankers Regulations) do not hold any Equity Shares of our Company. BRLMs and their affiliates may engage in the transactions with and perform services for our Company in the ordinary course of business or may in the future engage in commercial banking and investment banking transactions with our Company for which they may in the future receive customary compensation.

24. Our Company, our Directors and the BRLMs have not entered into any buy-back arrangements and/or any other similar arrangements for purchase of Equity Shares to be Allotted pursuant to the Offer.

25. Our Company does not have any partly paid-up Equity Shares as of the date of this Red Herring Prospectus. All Equity Shares Allotted in the Offer will be fully paid-up at the time of Allotment, failing which no Allotment shall be made.

26. Except for the allotment of Equity Shares pursuant to the Fresh Issue, there will be no further issue of Equity Shares whether by way of issue of bonus shares, rights issue, preferential issue or any other manner during the period commencing from the date of filing of this Red Herring Prospectus until the listing of the Equity Shares on the Stock Exchanges pursuant to the Offer or all application moneys have been refunded to the Anchor Investors, or the application moneys are unblocked in the ASBA Accounts on account of non-listing, under-subscription etc., as the case may be in the event there is a failure of the Offer.

27. There shall be only one denomination of the Equity Shares, unless otherwise permitted by law.

28. There have been no financing arrangements whereby our Promoters, members of our Promoter Group, our Directors and their relatives have purchased or sold or financed the purchase by any other person of securities of our Company other than in the normal course of the business of the financing entity during the period of six months immediately preceding the date of filing of this Red Herring Prospectus.

29. Our Company presently does not intend or propose and is not under negotiations or considerations to alter its capital structure for a period of six months from the Bid/Offer Opening Date, by way of split or consolidation of the denomination of Equity Shares or further issue of Equity Shares (including issue of securities convertible into or exchangeable, directly or indirectly for Equity Shares) whether on a preferential basis or by way of issue of bonus shares or on a rights basis or by way of further public issue of Equity Shares or qualified institutions placements or otherwise. Provided however, that the foregoing restrictions do not apply to the issuance of any Equity Shares under the Offer.

30. Our Company shall ensure that any transactions in the Equity Shares by our Promoters and members of our Promoter Group during the period between the date of filing of this Red Herring Prospectus and the date of closure of the Offer shall be reported to the Stock Exchanges within 24 hours of the transactions.

31. No person connected with the Offer, including, but not limited to, the BRLMs, the members of the Syndicate, our Company, our Promoters, members of our Promoter Group, our Directors, the Promoter Selling Shareholders shall offer any incentive, whether direct or indirect, in any manner, whether in cash or kind or services or otherwise to any Bidder for making a Bid, except for fees or commission for services rendered in relation to the Offer.

32. Our Promoters and the members of the Promoter Group shall not participate in the Offer, except to the extent of their participation in the Offer for Sale.

33. None of the Shareholders of our Company are directly or indirectly related to the BRLMs or their associates.

34. Our Company is not contemplating any Pre-IPO Placement.

35. Our Company is in compliance with the Companies Act, 2013, as applicable with respect to the issuances of securities from the date of incorporation of our Company until the date of filing of this Red Herring Prospectus.

SECTION IV – PARTICULARS OF THE OFFER

OBJECTS OF THE OFFER

The Offer comprises of a Fresh Issue of up to [●] Equity Shares of face value of ₹ 2 each, aggregating up to ₹ 2,500.00 million by our Company and Offer for Sale of up to 11,848,340 Equity Shares of face value of ₹ 2 each aggregating to ₹ [●] million, subject to finalization of Basis of Allotment. For details, see "*The Offer*" on page 66.

Offer for Sale

Each of the Promoter Selling Shareholders will be entitled to their respective portion of the proceeds of the Offer for Sale in proportion of the Equity Shares offered by our Promoter Selling Shareholders after deducting their proportion of Offer expenses and relevant taxes thereon. Our Company will not receive any proceeds from the Offer for Sale and the proceeds received from the Offer for Sale will not form part of the Net Proceeds. For further details of the Offer for Sale, see "*Other Regulatory and Statutory Disclosures*" on page 350.

Objects of the Issue

Our Company proposes to utilize the Net Proceeds towards funding the following objects (collectively, the "***Objects***"):

1. Funding long-term working capital requirements towards procurement, maintenance and scaling up of inventory by our Company; and

2. General corporate purposes.

In addition, we expect to achieve the benefit of listing of the Equity Shares on the Stock Exchanges, enhancement of our Company's visibility and brand name amongst our existing and potential customers and creation of a public market for the Equity Shares in India.

The main objects clause and objects incidental and ancillary to the main objects clause as set out in the Memorandum of Association enable our Company: (i) to undertake our existing business activities; and (ii) to undertake the proposed activities to be funded from the Net Proceeds.

Net Proceeds

After deducting the Offer related expenses from the Gross Proceeds, we estimate the net proceeds of the Fresh Issue to be ₹ [●] million ("**Net Proceeds**"). The details of the Net Proceeds of the Offer are summarised in the table below:

(in ₹ million)

Sr. No.	Particulars	Estimated Amount
1.	Gross Proceeds of the Fresh Issue	2,500.00
2.	Less: Offer Expenses in relation to the Fresh Issue[(1)(2)]	[●]
	Net Proceeds[(2)]	[●]

(1) See '-Offer related Expenses' on page 109
(2) To be finalised upon determination of the Offer Price and updated in the Prospectus prior to filing with the RoC.

Utilisation of Net Proceeds

(in ₹ million)

Sr. No.	Particulars	Estimated Amount
1.	Funding long-term working capital requirements towards procurement, maintenance and scaling up of inventory by our Company	2,150.00
2.	General corporate purposes[(1)]	[●]

(1) To be finalised upon determination of the Offer Price and updated in the Prospectus prior to filing with the RoC. The amount utilised for general corporate purposes shall not exceed 25% of the Gross Proceeds.

Proposed schedule of implementation and deployment of Net Proceeds

We propose to deploy the Net Proceeds for the aforesaid purposes in accordance with the estimated schedule of implementation and deployment of funds as set forth in the table below:

(in ₹ million)

Sr. No	Particulars	Estimated amount to be funded from the Net Proceeds	Estimated deployment of the Net Proceeds in Fiscals	
			2027	2028
1.	Funding long-term working capital requirements towards procurement, maintenance and scaling up of inventory by our Company	2,150.00	1,250.00	900.00
2.	General corporate purposes[(1)]	[●]	[●]	[●]
	Total	[●]	[●]	[●]

(1) To be finalised upon determination of the Offer Price and updated in the Prospectus prior to filing with the RoC. The amount utilised for general corporate purposes shall not exceed 25% of the Gross Proceeds.

The above stated fund requirements, deployment of funds and the intended use of the Net Proceeds as described in this Red Herring Prospectus are based on our current business plan, management estimates, prevailing market conditions and other commercial and technical considerations, which are subject to change and may not be within the control of our management. However, such fund requirements and deployment of funds have not been appraised by any external agency or any bank or financial institution or any other independent agency. We may have to revise our funding requirements and deployment, as required, on account of internal factors such as our business and growth strategies and other external factors such as changes in the business environment, fluctuations in the prices of gold, exchange rate fluctuations to the extent our Company is exposed to foreign currency or foreign currency denominated instruments, among others, which may or may not be within the control of our management. This may entail rescheduling the proposed utilisation of the Net Proceeds and changing the allocation of funds from its planned allocation at the discretion of our management, subject to compliance with applicable laws.

For further information on factors that may affect our internal management estimates, see "*Risk Factors - The objects of the Fresh Issue for which the funds are raised have not been appraised by any bank or financial institutions and are based on management estimates. Any revision in the estimates may require us to reschedule our expenditure and may have a bearing on our expected revenues and earnings. Further, if there are any delays or cost overruns, our business, financial condition and results of operations may be adversely affected*" on page 52.

Subject to applicable law, if the actual utilisation towards any of the Objects is lower than the proposed deployment, such balance will be used for general corporate purposes to the extent that the total amount to be utilized towards general corporate purposes will not exceed 25% of the Gross Proceeds in accordance with Regulation 7(2) of the SEBI ICDR Regulations. Further, in case of variations in the actual utilisation of funds earmarked for the purposes set forth above, increased fund requirements for a particular purpose may be financed by surplus funds, if any, available in respect of the other purposes for which funds are being raised in the Offer, in accordance with applicable law. To the extent our Company is unable to utilise any portion of the Net Proceeds towards the afore-mentioned Objects, per the estimated schedule of deployment specified above, our Company shall deploy the Net Proceeds in subsequent Fiscal years towards the afore-mentioned Objects, in accordance with applicable law.

Means of finance

The entire fund requirements for our Objects are proposed to be funded from the Net Proceeds, existing borrowing and internal accruals. Accordingly, we confirm that there are no requirements to make firm arrangements of finance through verifiable means towards at least 75% of the stated means of finance, in addition to the Net Proceeds, under Regulation 7(1)(e) of the SEBI ICDR Regulations and Paragraph 9(C)(1) of Part A of Schedule VI of the SEBI ICDR Regulations. Subject to applicable law, in case of a shortfall in raising requisite capital from the Net Proceeds or an increase in the total estimated cost of the Objects, business considerations may require us to explore a range of options including utilising our internal accruals, existing borrowing and seeking additional debt from third party lenders other than scheduled commercial banks and NBFCs for such portion of the objects of the Fresh Issue as permitted under applicable law.

Details of Objects

Our Board at its meeting held on August 25, 2026 approved the proposed Objects and the respective amounts proposed to be utilized from the Net Proceeds for each Object.

1. Funding long-term working capital requirements towards procurement, maintenance and scaling up of inventory by our Company

As per the CRISIL Report, we are an organized B2B designer, processor and supplier of hallmarked gold jewellery, primarily having operations in Telangana, Karnataka, Andhra Pradesh, Tamil Nadu and Kerala. According to CRISIL Report, we are one of the key processors and suppliers of vaddanam and CNC machine cut bangles, distributing to jewellery retail chains and standalone stores.

We are an organized business-to-business (B2B) company, engaged in designing, getting our jewellery manufactured, and supplying gold jewellery to other businesses such as retail chains and standalone stores, rather than selling directly to end customers. We design our jewellery through a team of in-house designers who develop new products tailored to customer requirements, prevailing market trends and regional preferences enabling us to offer a diverse and customized product portfolio. We process our gold jewellery through an outsourced manufacturing model, supported by a network of 41 karigars, who undertake our manufacturing activities. Under this model, we supply raw materials including gold, alloys, and precious stones to the karigars, who manufacture jewellery in accordance with our designs and specifications and return the finished ornaments, i.e ready to sell jewellery ornaments, to us in consideration for making charges. This approach provides operational flexibility and scalability to meet business demands without requiring significant capital investment. Further, the finished gold jewellery supplied by us, is hallmarked, signifying that it has been certified for purity in accordance with applicable regulatory standards, thereby providing assurance as to the quality and authenticity of the gold used.

Our Company business involves transactions in gold jewellery where profitability is driven by volume, scale and pace of the transactions, requiring us to maintain a significant working capital. We fund our working capital requirements in the ordinary course of business from our internal accruals, unsecured loans from the Promoters, and borrowings from banks. As of July 31, 2026, our customer network spans across 13 states and 1 union territory in India with a total customer base of 373 customers, comprising of 47 jewellery retail chains and 326 standalone stores. Further, we do not own any standalone stores. As of July 31, 2026, we had utilised working capital loans amounting to ₹ 829.79 million (fund-based facility) and had a total sanctioned working capital loan amount of ₹ 1,150.00 million (comprising fund-based facility and non-fund-based facility). Fund-based facilities, under which funds are disbursed, include cash credit, gold metal loan (sub-limit) and working capital demand loan (sub-limit), with total outstanding of ₹ 829.79 million as of July 31, 2026. Non-fund-based facilities, which involve credit support without immediate fund outflow, include pre-shipment and post-shipment credit limits under cash credit loan, with no outstanding as of July 31, 2026.

The details of utilized working capital loans as on July 31, 2026, are as follows:

Name of the lender	Type of loan	Purpose of loan	Nature of facility	Sanctioned amount (₹ in millions)	Outstanding as on July 31, 2026 (₹ in millions)	
					Long term	Short term
Yes Bank	Secured	Cash credit	Fund based	1,150.00	-	104.20
Yes Bank	Secured	Gold metal loan (Sublimit to cash credit)	Fund based	1,000.00	-	125.59
Yes Bank	Secured	Working capital demand loan (Sublimit to cash credit)	Fund based	1,150.00	-	600.00
Yes Bank	Secured	Pre/post shipment credit (sublimit to cash credit)	Non-Fund based	20.00	-	-
Yes Bank	Secured	Pre/post shipment credit (sublimit to gold (metal) loan)	Non-Fund based	50.00	-	-
Total				**1,150.00**	**-**	**829.79**

As certified by NSVR & Associates LLP, Chartered Accountants, pursuant to their certificate dated August 25, 2026.

In addition, our Company has also availed unsecured loans from our Promoters and Promoter Group to fund our working capital requirements. The details of the unsecured loans availed by our Company from our Promoters and Promoter Group in the Fiscal 2026, Fiscal 2025 and Fiscal 2024 are disclosed as follows:

(₹ in millions, unless otherwise mentioned)

Name of the lender	Relationship with the Company	Fiscal 2026	Fiscal 2025	Fiscal 2024	Status of the loan
Ashish Agarwal	Promoter	136.92	45.64	83.20	Outstanding as on March 31, 2026
Ashish Agarwal HUF	Member of Promoter Group	-	80.13	76.74	Repaid on September 30, 2025

Name of the lender	Relationship with the Company	Fiscal 2026	Fiscal 2025	Fiscal 2024	Status of the loan
Dev Agarwal	Promoter	128.82	84.73	81.18	Outstanding as on March 31, 2026
Devak Nandan Agarwal (HUF)	Member of Promoter Group	-	74.85	71.22	Repaid on July 18, 2025
Rashi Agarwal	Member of Promoter Group	-	11.97	13.09	Repaid on June 4, 2025
Seema Agarwal	Promoter	170.80	84.85	85.50	Outstanding as on March 31, 2026
Total		**436.54**	**382.17**	**410.93**	

As certified by NSVR & Associates LLP, Chartered Accountants, pursuant to their certificate dated August 25, 2026.

Further, we intend to utilize ₹ 2,150.00 million from the Net Proceeds to fund incremental working capital requirement of our Company, to be deployed over a period of two years, i.e., ₹ 1,250.00 million in Fiscal 2027 and ₹ 900.00 million in Fiscal 2028.

Our Company's working capital cycle is influenced by several inter-connected elements across the gold value chain. On the procurement side, we source gold bullion from bullion bank, independent bullion dealers, exchange from customers and import through India International Bullion Exchange (IIBX).

As part of our strategy to expand across Southern India, we intend to establish an in-house manufacturing facility spanning across 6,696.00 square feet in Hyderabad ("**Proposed Facility**") to support the scaling of our business operations, as approved by our Board vide resolution dated December 29, 2025. The Proposed Facility is expected to become operational before the end of first half of Fiscal 2027 and will be equipped with real wax 3D printer model ProJet MJP 300W, vacuum pressure casting machine and induction melting furnace. Towards this, our Company has incurred a total expenditure of ₹ 22.82 million as of March 31, 2026, which includes ₹ 22.06 million as orders for equipment, funded entirely through our internal accruals, and has been reflected in Note 3.2 – Capital work in progress (CWIP) for the year and ₹ 0.76 million as capital advances and has been reflected in Note 11 - Other Current Assets of our Restated Financial Information on pages 274 and 279 respectively. As on the date of this Red Herring Prospectus, the Proposed Facility is in the installation phase and has not yet commenced commercial operations. We have opened sales office in Vijayawada, Andhra Pradesh and plan to further strengthen our physical presence across South India, by setting up an additional sales office in Bengaluru in Fiscal 2027, as approved by our Board vide resolution dated December 29, 2025. We aim to expand our distribution network with a focused presence in these geographies, deepen our reach in underrepresented markets within South India, increase recurring sales from existing customers, and diversify our customer base by targeting untapped markets. While this expansion is expected to broaden our customer base and strengthen our market presence, it will also increase our working capital intensity. The expansion may lead to higher logistical and operational costs, a longer inventory storage and movement cycle, and may require additional liquidity buffers to manage fluctuations in regional demand.

Considering the procurement needs of our Company, maintaining and enhancing the working capital is a predominant factor affecting the growth prospects and profitability of our Company. For further details, see, "*Risk Factors – Our Company requires significant amounts of working capital for continued growth. Our inability to meet our working capital requirements, on commercially acceptable terms, may have an adverse impact on our business, financial condition and results of operations.*" on page 33.

Our current working capital requirements are driven primarily by the following factors:

Our Company has expanded its processing capacity through its karigars from 2,155 kg per annum in Fiscal 2024 to 2,925 kg per annum in Fiscal 2026 which is primarily attributable to a combination of factors, including onboarding of additional karigars, improved productivity of existing karigars, and better utilization of available resources. Our Company has also undertaken measures such as strengthening relationships with karigars, streamlining job allocation processes, and ensuring timely availability of raw materials, which have collectively contributed to enhanced processing capacity. As a result, it helped us in achieving a CAGR of 37.13% in revenue from operations during this period. Our business model requires upfront payment for raw materials used in processing, while finished goods are delivered to customers against order, with payment received after an agreed credit period. Further, our Company maintains an optimum level of inventories to show to its customers and to ensure upfront sales of its products. As a result of this model, our trade receivables increased from ₹ 884.50 million in Fiscal 2024 to ₹ 1,317.33 million in Fiscal 2025 and increased to ₹ 2,523.60 million in Fiscal 2026 primarily on account of higher sales volumes and increased customer demand including orders received pursuant to our participation in the India International Jewellery Show- Tritiya 2026, a B2B jewellery exhibition held in Bengaluru from March 21, 2026, to March 23, 2026. Further there was no major change in the credit terms offered to the customers during Fiscal 2026, Fiscal 2025, and Fiscal 2024.

Set out below is the break-up of trade receivables by customer category for the Fiscal 2026, Fiscal 2025 and Fiscal 2024.

(₹ in million)

Particulars	Fiscal 2026	Fiscal 2025	Fiscal 2024
Retail chains	2,010.82	1,155.06	651.67
Standalone stores	512.78	162.27	232.83
Total	**2,523.60**	**1,317.33**	**884.50**

Set out below is the break-up of trade receivables due for Fiscal 2026, Fiscal 2025 and Fiscal 2024.

(₹ in million)

Periods for which trade receivables are due	Fiscal 2026	Fiscal 2025	Fiscal 2024
Amount due for the following periods:			
Less than 6 months	2,477.26	1,298.23	884.50
6 months- 1 year	46.34	19.11	-
1-2 years	-	-	-
2-3 years	-	-	-
More than 3 years	-	-	-
Total	**2,523.60**	**1,317.33**	**884.50**

During the aforementioned periods, the increase in revenue from sale of products and the corresponding increase in trade receivables is attributable to both higher sales volume and an increase in gold prices during the respective period.

The trade payables saw a moderate increase from ₹ 0.30 million in Fiscal 2024 to ₹ 6.01 million in Fiscal 2025 and decreased to ₹0.90 million in Fiscal 2026. In addition, to showcase our ornament collection and diverse designs to both existing and potential customers, we actively take part in national and regional B2B exhibitions and trade shows. Thus, our Company has to maintain sufficient inventories of finished goods at all times to showcase our collection of jewellery. Between Fiscal 2024 to Fiscal 2026, our Company's inventory grew from ₹ 722.56 million to ₹ 873.62 million.

Inventories

In Fiscal 2024, our Company's average inventory holding levels was 22 days. In Fiscal 2025, our Company achieved a 36.65 % growth in revenue from operations compared to Fiscal 2024 while maintaining inventory holding levels at 21 days. For the Fiscal 2026, our Company maintained high levels of raw material and finished goods inventory in value, primarily due to stocking for exhibitions and increased sales volumes. Accordingly, our inventory holding levels stood at 18 days in Fiscal 2026. For further information, see "*Risk Factors- Our inventories as of Fiscal 2026, 2025 and 2024 were ₹ 873.62 million, ₹ 827.87 million, and ₹ 722.56 million representing 4.53%, 5.93% and 7.05%, as a percentage of our revenue from operations for the indicated period respectively. Our results of operations are dependent on our ability to effectively manage our inventory. Our inability to accurately forecast demand or effectively manage our inventory may have an adverse effect on our business, financial condition, results of operations and cash flows"* on page 23.

Further, our Company is required to maintain both raw material and finished goods inventory, as the karigars generally take 2-15 days to process the customized designs depending on the intricacy of design and size of the order. We are required to maintain sufficient level of raw materials at all the times to ensure the availability of finished goods inventory for showcasing and display our jewellery collections to customers. Between Fiscal 2024 to Fiscal 2026, our Company's cost for purchase of raw material increased from ₹ 9,890.69 million to ₹ 17,452.11 million.

As part of this strategy, we have opened a sales office in Vijayawada, Andhra Pradesh in November 2025 and propose to set up an additional sales office in Bengaluru in Fiscal 2027. Accordingly, we will need to maintain additional finished goods at new sales office for the display of our products in local markets, leading to an increase in our inventory levels. The value of finished goods proposed to be displayed at each sales office, along with its percentage of total inventory, is set out in the table below:

Branch	Projected Value of finished goods for Fiscal 2027 (₹ in millions)	% of total inventory for Fiscal 2027	Projected Value of finished goods for Fiscal 2028 (₹ in millions)	% of total inventory for Fiscal 2028
Hyderabad	1,178.15	59.26%	1,404.38	58.53%

Branch	Projected Value of finished goods for Fiscal 2027 (₹ in millions)	% of total inventory for Fiscal 2027	Projected Value of finished goods for Fiscal 2028 (₹ in millions)	% of total inventory for Fiscal 2028
Vijayawada	423.21	21.29 %	504.87	21.04 %
Bengaluru	284.97	14.33 %	367.32	15.31 %
Total	**1,886.33**	**94.88 %**	**2,276.57**	**94.88 %**

The expansion of our sales network is expected to drive higher sales volumes but will correspondingly require the maintenance of sufficient inventory levels to service customers efficiently across southern market. Furthermore, to fulfil such time-sensitive orders without disruption and to preserve our customer relationships and market share, we are required to maintain adequate inventories, irrespective of the advance margin payments made to suppliers in the ordinary course of procurement. While advance margin funding represents a temporary cash exposure with suppliers until delivery, the maintenance of adequate physical inventory ensures that customer orders, particularly large or urgent orders, can be serviced without disruption and seasonal demand peaks can be addressed and helps us in balancing liquidity efficiency with the varying demands of our customers. Our top 10 customers contribute more than 50.00% of our total revenue. We maintain long-standing relationship with all of the key customers, and accordingly, we expect their contribution of our revenue to increase in the future.

Trade Receivables

In Fiscal 2024, our Company's trade receivable days stood at 32 days. In Fiscal 2025, trade receivable days decreased to 29 days while, trade receivables increased in value from ₹ 884.50 million in Fiscal 2024 to ₹ 1,317.33 million in Fiscal 2025 primarily due to higher sales volumes and increased customer demand including orders received pursuant to our participation in the India International Jewellery Show - Tritiya 2025, a B2B jewellery exhibition held in Bengaluru from March 21, 2025 to March 24, 2025. In Fiscal 2026, trade receivables days increased to 36 days, with trade receivables increased in value to ₹ 2,523.60 million primarily due to higher sales volumes and increased customer demand including orders received pursuant to our participation in the India International Jewellery Show- Tritiya 2026, a B2B jewellery exhibition held in Bengaluru from March 21, 2026 to March 23, 2026. Other current assets include advances to suppliers, balance with government authorities, and prepaid expenses. For the Fiscal 2026, Fiscal 2025 and Fiscal 2024, the other current assets days ranging from 1 to 2 days during respective periods.

Trade Payables

Our business model requires upfront payment for procurement of gold, which is the key raw material used in our manufacturing process. Accordingly, the trade payable holding period remained at 1 day for the Fiscal 2026, Fiscal 2025 and Fiscal 2024. Further, our Company's trade payables stood at ₹ 0.30 million in Fiscal 2024, increased to ₹ 6.01 million in Fiscal 2025, and decreased to ₹ 0.90 million in Fiscal 2026.The consistently low trade payable holding period across all periods is attributable to the requirement of upfront payment for gold purchases.

Basis of estimation of working capital requirement

a. Existing Working Capital

The details of our Company's working capital as at Fiscal 2026, Fiscal 2025 and Fiscal 2024 and derived from the restated financials of our Company, and source of funding of the same are provided in the table below:

(in ₹ million)

Particulars	Fiscal 2026	Fiscal 2025	Fiscal 2024
Current assets			
(i) Inventories			
Raw materials and Work in progress	104.43	124.11	26.15
Finished Goods	768.27	701.52	695.82
Stock-in trade	0.92	2.24	0.59
(ii) Trade Receivables	2,523.60	1,317.33	884.50
(iii) Advance to Suppliers	0.75	7.71	0.96
(iv) Other Current Assets	69.05	14.45	11.51
Total Current Assets (A)	**3,467.02**	**2,167.36**	**1,619.53**

Particulars	Fiscal 2026	Fiscal 2025	Fiscal 2024

Internal Accruals and Equity			
Equity	164.00	41.00	41.00
Internal Accruals	2,165.03	1,285.04	761.22

As certified by NSVR & Associates LLP, Chartered Accountants, pursuant to their certificate dated August 25, 2026.

b. Estimated Working Capital Requirement

We propose to utilize ₹ 1,250.00 million and ₹ 900.00 million of the Net Proceeds in Fiscal 2027 and Fiscal 2028, respectively towards our Company's working capital requirements. Any additional working capital requirement of our Company shall be met through internal accruals and / or cash credit and / or working capital borrowings.

Considering the existing working capital requirements and as expected for the future, our Board of Directors, pursuant to their resolution dated August 25, 2026, has approved the projected working capital requirements for Fiscal 2027 and Fiscal 2028 and the proposed funding of such working capital requirements which are detailed below:

(in ₹ million)

Particulars	Projected amount as at Fiscal 2027	Projected amount as at Fiscal 2028
Current assets		
(i) Inventories		
Raw materials and Work in progress	101.88	122.86
Finished Goods	1,886.33	2,276.57
(ii) Trade Receivables	2,539.71	3,159.52
(iii) Other Current Assets	26.50	30.49
Total Current Assets (A)	**4,554.42**	**5,589.44**
Current Liabilities		
(i) Trade Payables	12.97	15.90

As certified by NSVR & Associates LLP, Chartered Accountants, pursuant to their certificate dated August 25, 2026.

Assumptions/ Justification for holding period levels

The working capital projections are based on certain key assumptions, as set out below:

Particulars	Assumptions
Current Assets	
Inventories	We maintain our inventory levels based on product demand and the lead time required for delivery. As our supplies to customers are B2B in nature, we are required to cater to varying customers' requirements across multiple product categories. On average, we maintain raw material inventory for 1 day of processing volume, and finished goods inventory ranging from 15 to 25 days, depending on customer demand and product mix. Based on this operating pattern, we propose to maintain an average inventory holding period of 23 and 24 days of for Fiscals 2027 and 2028.
Trade Receivables	We are the processors and suppliers of various gold ornaments to retailers and jewellery chains. Due to the wide range of designs and customer requirements, a portion of sales is made on open credit terms, with a standard credit period ranging from 25 to 45 days, depending on customer profile and order volume. Based on past experience and the plan to expand the customer base, receivable days are proposed to be maintained at 27 days and 29 days for the Fiscals 2027 and 2028 respectively.
Other Current Assets	Other current assets include GST receivable, TDS receivable, and contract assets, which vary in line with business volumes. Contract assets are settled periodically with karigars, GST receivables monthly, and TDS receivables are adjusted quarterly. Historically, these assets ranging from 1 to 2 days of revenue, and for future projections they are estimated at 1 day of revenue.
Trade Payables	The Company's major raw material is gold bullion, and purchases are generally on an upfront payment basis. With the availability of a Gold Metal Loan from Yes Bank, trade payables historically represented a maximum of 1 day for the Fiscal ended March 31, 2026, March 31, 2025 and March 31, 2024 based on consumption and are expected to remain at 1 day even with increased business volume.
Other Current Liabilities	Other current liabilities mainly include income tax, audit fees, consultancy fees, salaries, and expenses, with current tax liabilities being the major component. These are projected to remain at 7 days for Fiscals 2027, and 2028

Further, our actual working capital requirements may eventually vary from the afore-mentioned estimated working capital requirements. The aforementioned estimates for our working capital requirements for Fiscal 2027 and Fiscal 2028, are based on the actual working capital requirements for the Fiscal 2026, Fiscal 2025 and Fiscal 2024 and are also provided after taking into consideration various factors, including, market opportunities, our expected orders, our sanctioned fund-based limits of working capital facilities, uncertainty in relation to the enhancement of our existing fund based credit limits and/ or in terms which are favourable to us and uncertainty pertaining to the exact timing of the launch of Offer (on account of market conditions).

Further, our Company does not maintain any order book and the projected working capital requirements for Fiscal 2027 and Fiscal 2028, are not based on any order book maintained by our Company.

2. General Corporate Purposes

Our Company proposes to deploy the balance Net Proceeds aggregating up to ₹ [●] million towards general corporate purposes, subject to such utilisation not exceeding 25% of the Gross Proceeds of the Offer, in compliance with Regulation 7(2) of the SEBI ICDR Regulations. The general corporate purposes for which our Company proposes to utilise the Net Proceeds include strategic initiatives, funding growth opportunities, strengthening marketing capabilities and brand building exercises, meeting corporate contingencies and expenses incurred in ordinary course of business. In addition to the above, our Company may utilise the Net Proceeds towards other expenditure (in the ordinary course of business) considered expedient and as approved periodically by the Board or a duly constituted committee thereof, subject to compliance with necessary provisions of the Companies Act or other applicable laws. Further, our Company will not utilize any portion of Net Proceeds allocated towards general corporate purposes for acquisition or investment in virtual digital assets. The quantum of utilisation of funds towards each of the above purposes will be determined by our Board, based on the amount actually available under this head and the business requirements of our Company, from time to time. Our Company's management, in accordance with the policies of the Board, shall have flexibility in utilising surplus amounts, if any. In the event that we are unable to utilise the entire amount that we have currently estimated for use out of Net Proceeds in a Fiscal, we will utilise such unutilised amount in the next Fiscal.

Offer Expenses

The total Offer related expenses are estimated to be approximately ₹ [●] million. The Offer related expenses primarily include fees payable to the BRLMs and legal counsels, fees payable to the Auditors, brokerage and selling commission, underwriting commission, commission payable to Registered Brokers, RTAs, CDPs, SCSBs' fees, Sponsor Banks' fees,

Registrar's fees, printing and stationery expenses, advertising and marketing expenses and all other incidental and miscellaneous expenses for listing the Equity Shares on the Stock Exchanges.

All Offer expenses, except (a) listing fees, which will be borne by our Company; and (b) fees and expenses in relation to the legal counsel to the Promoter Selling Shareholders which shall be borne by the respective Promoter Selling Shareholders, all Offer expenses including, among other things, filing fees, book building fees and other charges, fees and expenses of the SEBI, the Stock Exchanges, the Registrar of Companies and any other governmental authority, advertising, printing, road show expenses, accommodation and travel expenses, fees and expenses of the legal counsel to our Company and the BRLMs, fees and expenses of the statutory auditors (to the extent it relates to the Offer), registrar fees and broker fees (including fees for procuring of applications), bank charges, fees and expenses of the BRLMs, syndicate member, Self Certified Syndicate Banks, other Designated Intermediaries and any other consultant, advisor or third party in connection with the Offer will be shared, between our Company and the Promoter Selling Shareholders (including all applicable taxes, except STT and withholding taxes, if any, which shall be borne by the respective Selling Shareholders), in proportion to the Equity Shares issued and allotted by our Company in the Fresh Issue and the Offered Shares sold by the Selling Shareholders in the Offer for Sale, respectively, as may be mutually agreed and in accordance with applicable law. Any expenses paid by our Company on behalf of the Promoter Selling Shareholders in the first instance will be reimbursed to our Company, in proportion to their respective Offered Shares, for any expenses incurred by our Company on behalf of such Promoter Selling Shareholders.

The break-up for the estimated Offer expenses is set forth below:

(in ₹ million unless mentioned otherwise)

Activity	Estimated expenses[(1)] (in ₹million)	As a % of the total estimated Offer expenses[(1)]	As a % of the total Offer size[(1)]
Book Running Lead Manager's fees and commissions (including underwriting commission, brokerage and selling commission, as applicable)	[●]	[●]	[●]
Brokerage, selling commission, bidding charges, processing fees for the Members of the Syndicate, Registered Brokers, SCSBs, RTAs and CDPs, Sponsor Banks, [(2)(3)4)(5)(6)(7)]	[●]	[●]	[●]
Fees payable to the Registrar to the Offer	[●]	[●]	[●]
Others	[●]	[●]	[●]
- Listing fees, SEBI filing fees, upload fees, BSE & NSE processing fees, book building software fees and other regulatory expenses	[●]	[●]	[●]
- Printing and distribution	[●]	[●]	[●]
- Advertising and marketing expenses	[●]	[●]	[●]
- Fee payable to legal counsel, the statutory auditor, independent chartered engineers, Industry report provider and other advisors	[●]	[●]	[●]
- Miscellaneous	[●]	[●]	[●]

1. *Offer expenses include applicable taxes, where applicable. Offer expenses will be finalized on determination of Offer Price and incorporated at the time of filing of the Prospectus. Offer expenses are estimates and are subject to change.*
2. *Selling commission payable to the SCSBs on the portion for Retail Individual Investors and Non-Institutional Investors which are directly procured and uploaded by the SCSBs, would be as follows:*

*Portion for Retail Individual Investors**	*0.35 % of the Amount Allotted (plus applicable taxes)*
*Portion for Non-Institutional Investors**	*0.20 % of the Amount Allotted (plus applicable taxes)*

**Amount Allotted is the product of the number of Equity Shares Allotted and the Offer Price. Selling commission payable to the SCSBs will be determined on the basis of the bidding terminal is as captured in the Bid book of BSE or NSE. No additional uploading/ processing fees shall be payable by our Company and the Promoter Selling Shareholders to the SCSBs on the Bid cum Application Forms directly procured by them.*

3. *Processing fees payable to the SCSBs on the portion for Retail Individual Bidders and Non-Institutional Bidders which are procured by the members of the Syndicate/sub-Syndicate/Registered Broker/RTAs/ CDPs and submitted to SCSB for blocking, would be as follows:*

Portion for Retail Individual Investors	*₹ 10 per valid Bid cum Application Form (plus applicable taxes)*
Portion for Non-Institutional Investors	*₹ 10 per valid Bid cum Application Form (plus applicable taxes)*

Notwithstanding anything contained in (2) above the total processing fees payable under this clause will not exceed ₹0.50 million (plus applicable taxes) and in case if the total processing fees exceeds ₹0.50 million (plus applicable taxes) then uploading charges/ processing fees will be paid on pro-rata basis.

4. *Brokerage, selling commission on the portion for UPI Bidders (using the UPI Mechanism), which are procured by the members of the Syndicate (including their sub-Syndicate members), CRTAs, CDPs or for using 3 in 1 type accounts-linked online trading, demat & bank account provided by some of the brokers which are members of Syndicate (including their sub-Syndicate members) would be as follows:*

*Portion for Retail Individual Investors**	*0.35 % of the Amount Allotted (plus applicable taxes)*
*Portion for Non-Institutional Investors**	*0.20 % of the Amount Allotted (plus applicable taxes)*

**Amount Allotted is the product of the number of Equity Shares Allotted and the Offer Price.*

The selling commission payable to the Syndicate/ Sub-Syndicate Member will be determined

(i) For Retail Individual Bidders and Non-Institutional Bidders (up to ₹0.50 million), on the basis of the application form number / series, provided that the application is also bid by the respective Syndicate / sub-Syndicate Member. For clarification, if a Syndicate ASBA application on the application form number / series of a Syndicate / sub-Syndicate Member, is bid by an SCSB, the selling commission will be payable to the SCSB and not the Syndicate / Sub-Syndicate Member.

(ii) For Non-Institutional Bidders (above ₹ 0.50 million), on the basis of the Syndicate ASBA Form bearing SM Code & Sub-Syndicate Code of the application form submitted to SCSBs for Blocking of the Fund and uploading on the Exchanges platform by SCSBs. For clarification, if a Syndicate ASBA application on the application form number / series of a Syndicate / Sub-Syndicate Member, is bid by an SCSB, the Selling Commission will be payable to the Syndicate / Sub Syndicate members and not the SCSB.

The selling commission and bidding charges payable to Registered Brokers, the RTAs and CDPs will be determined on the basis of the bidding terminal ID as captured in the bid book of BSE or NSE.

5. *Uploading Charges payable to members of the Syndicate (including their sub-Syndicate Members), RTAs and CDPs on the applications made by UPI Bidders using 3-in-1 accounts/Syndicate ASBA mechanism and Non-Institutional Bidders which are procured by them and submitted to SCSB for blocking or using 3-in-1 accounts/Syndicate ASBA mechanism, would be as follows: ₹10 plus applicable taxes, per valid application bid by the Syndicate (including their sub-Syndicate Members), RTAs and CDPs.*

Bidding charges/ processing charges payable on the application made using 3-in-1 accounts will be subject to a maximum cap of ₹ 0.50 million (plus applicable taxes), in case if the total Bidding charges /processing Charges exceeds ₹ 0.50 million (plus applicable taxes) then it will be paid on pro-rata basis for portion of (i) RIBs and (ii) Non-Institutional Bidders as applicable

6. *Selling commission/uploading charges payable to the Registered Brokers, on the portion for Retail Individual Bidders and Non-Institutional Bidders which are directly procured by the Registered Brokers and submitted to SCSB for processing would be as follows:*

Portion for Retail Individual Investors, Non-Institutional Investors.	*₹ 10 per valid application (plus applicable taxes)*

The aggregate uploading charges payable under this paragraph shall not exceed ₹0.50 million (plus applicable taxes). In case the aggregate uploading charges payable exceed ₹0.50 million (plus applicable taxes), such uploading charges shall be paid on a pro-rata basis based on the number of valid applications

7. *Uploading charges/ Processing fees for applications made by UPI Bidders using the UPI Mechanism would be as under:*

Members of the Syndicate / RTAs / CDPs (uploading charges)	*₹ 25 per valid application (plus applicable taxes) subject to maximum ₹ 30 million (plus applicable taxes) payable on pro data basis*
Sponsor Bank 1 (Processing fee) – HDFC Bank Limited	*₹ 0 per valid Bid cum Application Form (exclusive of applicable taxes) upto 1,000,000 Applications and ₹ 5 plus applicable taxes beyond 1,000,000 Applications* *The Sponsor Banks shall be responsible for making payments to the third parties such as remitter bank, NPCI and such other parties as required in connection with the performance of its duties under applicable SEBI circulars, agreements and other applicable laws*
Sponsor Bank 2 (Processing fee) – ICICI Bank Limited	*₹ 0 per valid Bid cum Application Form (exclusive of applicable taxes) upto 500,000 Applications and ₹ 6.50 plus applicable taxes beyond 500,000 Applications* *The Sponsor Banks shall be responsible for making payments to the third parties such as remitter bank, NPCI and such other parties as required in connection with the performance of its duties under applicable SEBI circulars, agreements and other applicable laws*

The total uploading charges / processing fees payable to Members of the Syndicate, RTAs, CDPs, as listed under (7) will be subject to a maximum cap of ₹ 3.00 million (plus applicable taxes). In case the total uploading charges/processing fees payable exceeds ₹ 3.00 million, then the amount payable to members of the Syndicate, RTAs, CDPs, Registered Brokers would be proportionately distributed based on the number of valid applications such that the total uploading charges / processing fees payable does not exceed ₹ 3.00 million

All such commissions and processing fees set out above shall be paid as per the timelines in terms of the Syndicate Agreement and Cash Escrow and Sponsor Bank Agreement

The processing fees for applications made by UPI Bidders may be released to the remitter banks (SCSBs) only after such banks provide a written confirmation on compliance with SEBI ICDR Master Circular, the SEBI RTA Master Circular (to the extent it pertains to the UPI mechanism) and SEBI circular no: SEBI/HO/CFD/DIL2/P/CIR/2021/570 dated June 2, 2021 read with SEBI circular no: SEBI/HO/CFD/DIL2/CIR/P/2021/2480/1/M dated March 16, 2021 and SEBI circular no. SEBI/HO/CFD/DIL2/CIR/P/2022/51 dated April 20, 2022.

Interim use of Net Proceeds

The Net Proceeds pending utilisation for the purposes stated in this section, shall be deposited only with scheduled commercial banks included in the Second Schedule of the Reserve Bank of India Act, 1934, as amended. In accordance with Section 27 of the Companies Act, our Company confirms that it shall not use the Net Proceeds for buying, trading or otherwise dealing in equity shares of any other listed company or for any investment in the equity markets.

Bridge Financing Facilities

Our Company has not raised any bridge loans from any bank or financial institution as on the date of this Red Herring Prospectus, which are proposed to be repaid from the Net Proceeds.

Monitoring Utilization of Funds

In accordance with Regulation 41 of the SEBI ICDR Regulations, our Company has appointed a Monitoring Agency for monitoring the utilisation of Gross Proceeds prior to filing of this Red Herring Prospectus with the RoC, as the Fresh Issue size exceeds ₹ 1,000 million. Our Audit Committee and the Monitoring Agency will monitor the utilization of the Gross Proceeds and the Monitoring Agency shall submit the report required under Regulation 41(2) of the SEBI ICDR Regulation, on a quarterly basis, until such time as the Gross Proceeds have been utilised in full. Our Company undertakes to place the report(s) of the Monitoring Agency on receipt before the Audit Committee without any delay. Our Company will disclose the utilisation of the Gross Proceeds, including interim use under a separate head in its balance sheet for such periods as required under the SEBI ICDR Regulations, the SEBI Listing Regulations and any other applicable laws or regulations, clearly specifying the purposes for which the Net Proceeds have been utilised if any, of such currently unutilised Gross Proceeds. Our Company will also, in its balance sheet for the applicable periods, provide details, if any, in relation to all such Gross Proceeds that have not been utilised, if any, of such currently unutilised Gross Proceeds.

Pursuant to Regulation 32(3) and Part C of Schedule II of the SEBI Listing Regulations, our Company shall, on a quarterly basis, disclose to the Audit Committee the uses and applications of the Gross Proceeds. The Audit Committee shall make recommendations to our Board for further action, if appropriate. On an annual basis, our Company shall prepare a statement of funds utilised for purposes other than those stated in this Red Herring Prospectus and place it before the Audit Committee and make other disclosures as may be required until such time as the Gross Proceeds remain unutilised. Such disclosure shall be made only until such time that all the Gross Proceeds have been utilised in full. Further, our Company, on a quarterly basis, shall include the deployment of Gross Proceeds under various heads, as applicable, in the notes to our financial results. The statement shall be certified by the Statutory Auditor of our Company. Furthermore, in accordance with Regulation 32(1) of the SEBI Listing Regulations, our Company shall furnish to the Stock Exchanges on a quarterly basis, a statement indicating (i) deviations, if any, in the actual utilisation of the proceeds of the Fresh Issue from the Objects; and (ii) details of category wise variations in the actual utilisation of the proceeds of the Fresh Issue from the Objects as stated above. This information will also be published in newspapers simultaneously with the interim or annual financial results and explanation for such variation (if any) will be included in our Director's report, after placing the same before the Audit Committee.

Variation in Objects

In accordance with Section 13(8) and 27 of the Companies Act and applicable rules, our Company shall not vary the Objects of the Offer, unless our Company is authorised to do so by way of a special resolution of its Shareholders and such variation will be in accordance with the applicable laws including the Companies Act, 2013 and the SEBI ICDR Regulations. In addition, the notice issued to the Shareholders in relation to the passing of such special resolution ("**Shareholders' Meeting Notice**") shall specify the prescribed details, provide Shareholders with the facility to vote by electronic means and shall be published in accordance with the Companies Act, 2013 read with the relevant rules.

The Shareholders' Meeting Notice shall simultaneously be published in the newspapers, one in English, one in Hindi and one Telugu (Telugu being the regional language of the jurisdiction where our Registered Office is situated). Our Promoters will be required to provide an exit opportunity to the Shareholders who do not agree to such proposal to vary the Objects, subject to the provisions of the Companies Act, 2013 and in accordance with such terms and conditions, including in respect of pricing of the Equity Shares, in accordance with the Companies Act, 2013, our Articles of Association and provisions of Regulation 59 and Schedule XX of the SEBI ICDR Regulations.

Appraising agency

None of the Objects for which the Net Proceeds will be utilised have been appraised by any agency.

Other confirmations

Except to the extent of the proceeds received by the Promoter Selling Shareholders pursuant to the Offer for Sale portion, there is no proposal whereby any portion of the Gross Proceeds will be paid to our Directors, Promoters, members of the Promoter Group or Key Managerial Personnel or Senior Managerial Personnel, except in the ordinary course of business. There are no material existing or anticipated transactions in relation to the utilisation of the Net Proceeds entered into or to be entered into by our Company with our Promoters, Promoter Group, Directors and/or Key Managerial Personnel or Senior Managerial Personnel.

BASIS FOR THE OFFER PRICE

The Price Band and Offer Price will be determined by our Company, in consultation with the BRLMs and in accordance with applicable laws, on the basis of assessment of market demand for the Equity Shares offered through the Book Building Process and on the basis of the quantitative and qualitative factors described below. The face value of the Equity Shares is ₹2 each and the Offer Price is [●] times the face value at the lower end of the Price Band and [●] times the face value at the higher end of the Price Band. Investors should also refer to "*Our Business", "Risk Factors", "Restated Financial Information"* and *"Management's Discussion and Analysis of Financial Condition and Results of Operations*" on pages 182, 20, 247 and 302 respectively, to have an informed view before making an investment decision.

Qualitative factors

We believe that some of the qualitative factors which form the basis for computing the Offer Price are:

- Significant revenue contribution from Southern India
- Well established customer base with long-standing relationship with jewellery retail chains and standalone stores
- Diverse product portfolio with varied weight ranges, designs and specialisation in vaddanam and CNC machine cut bangles.
- Established procurement network and long -standing relationship with karigars
- Well experienced Promoters and a professional management team with sectoral experience
- Robust financial performance with consistent growth

For further details, see "*Our Business – Competitive Strengths*" on page 186.

Quantitative factors

Certain information presented below relating to our Company is derived from the Restated Financial Information. For further information, see "*Financial Information*" on page 247.

Some of the quantitative factors which may form the basis for calculating the Offer Price are as follows:

I. Basic and diluted earnings per Equity Share ("EPS"), as adjusted for change in capital:

Fiscal	Basic EPS (₹)	Diluted EPS (₹)	Weight
Fiscal 2026	12.78	12.78	3
Fiscal 2025	4.95	4.95	2
Fiscal 2024	2.97	2.97	1
Weighted Average	**8.54**		-

1. *EPS has been calculated in accordance with the Indian Accounting Standard 33 – "Earnings per share" notified under the Companies (Indian Accounting Standards) Rules, 2015. The above statement should be read with significant accounting policies and notes on Restated Financial Information. The face value of equity shares of our Company is ₹2.*
2. *Weighted Average = Aggregate of year-wise weighted EPS divided by the aggregate of weights i.e. (EPS x Weight) for each year/Total of weights.*
3. *Adjusted for sub-division of Equity Shares and bonus issue.*

II. Price/Earning ("P/E") ratio in relation to Price Band of ₹ [●] to ₹ [●] per Equity Share:

Particulars	P/E at the lower end of the Price Band (number of times)*	P/E at the higher end of the Price Band (number of times)*
Based on basic EPS for Fiscal 2026	[●]	[●]
Based on diluted EPS for Fiscal 2026	[●]	[●]

* *To be computed after finalization of the Price Band.*

III. Industry Peer Group P/E ratio

Particulars	P/E Ratio
Highest	57.56

Particulars	P/E Ratio
Lowest	10.08
Average	**23.92**

Source: Based on peer set provided below.

IV. Return on Net Worth ("RoNW")

Fiscal ended	RoNW (%)	Weight
Fiscal 2026	56.45%	3
Fiscal 2025	35.95%	2
Fiscal 2024	30.30%	1
Weighted Average	45.26%	-

Notes:

1. *Weighted average = Aggregate of financial year-wise weighted Net Worth divided by the aggregate of weights i.e. (Net Worth x Weight) for each financial year / Total of weights*
2. *Return on Net Worth (%) = Restated profit for the relevant year as a percentage of average net worth for the relevant year.*
3. *Net worth means the aggregate value of the paid up share capital of our Company and all reserves created out of profits and securities premium account and debit or credit balance of profit and loss account, after deducting the aggregate value of the accumulated losses, miscellaneous expenditure not written off, as per the restated balance sheet, but does not include reserves created out of revaluation of assets, capital reserve, foreign currency translation reserve, write-back of depreciation as at year end, as per Restated Financial Information of Assets and Liabilities of our Company.*

V. Net asset value per Equity Share:

Net Asset Value per Equity Share	(₹)
As on March 31, 2026*	29.03
After the Offer	
- At Floor Price[#]	[●]
- At Cap Price[#]	[●]
- At Offer Price[#]	[●]

** As per the Restated Financial Information.*

[#]To be computed after finalization of the Price Band.

Net asset value per Equity Share (₹) is computed as Net worth (excluding Non-Controlling Interest) as restated / weighted average number of equity shares outstanding at the end of the year, in accordance with principles of Ind AS 33.

VI. Comparison of Accounting Ratios with Listed Industry Peers

Name of the company	Face value per equity share (₹)	Closing Price (₹)	Revenue from Operations (in ₹ million)	Market Cap (in ₹ million)	P/B	P/E	EPS (Basic)	EPS (Diluted)	RoNW (%)	NAV (₹ per share)
Deepa Jewellers Limited	2	[●]	19,266.76	[●]	[●]	[●]	12.78	12.78	56.45%	29.03
Sky Gold and Diamonds Limited	10	803.60	47,083.78	1,24,456.70	11.17	57.56	13.97	13.96	23.88%	72.02
Shanti Gold International Limited	10	269.90	20,187.09	20,712.00	3.25	12.72	21.22	21.22	37.34%	83.00
Shringar House of Mangalsutra Limited	10	230.65	22,458.17	22,242.06	3.30	17.02	13.55	13.55	26.29%	70.29
RBZ Jewellers Ltd	10	138.15	6,364.80	5,526.00	1.86	10.08	13.70	13.70	20.11%	74.96
Khazanchi Jewellers Limited	10	802.85	20,492.16	19,868.00	6.21	22.22	36.10	36.10	32.45%	129.14

Source:

1. *All the financial information for our Company mentioned above is based on the Restated Financial Information for the year ended March 31, 2026.*

2. *All the financial information for listed industry peers mentioned above is on a standalone basis and is sourced from the audited standalone financial statements of the respective companies for the financial year ended March 31, 2026 available on the website of the respective companies.*

Notes:

1. *NAV is computed as the closing net worth (sum of equity share capital, other equity and non-controlling interest) divided by the closing outstanding number of equity shares as on March 31, 2026.*
2. *For listed industry peers, the P/E Ratio has been computed based on the closing market price of equity shares on August 21, 2026, on* www.bseindia.com *divided by the Diluted EPS as on March 31, 2026.*
3. *RoNW is computed as net profit after tax divided by average net worth. Net worth has been computed as the aggregate of share capital and reserves and surplus.*

VII. Key performance indicators ("KPIs")

The table below sets forth the details of our KPIs that our Company considers to have a bearing for arriving at the basis for the Offer Price. The KPIs disclosed below have been historically used by our Company to understand and analyse the business performance, which in result, help us in analysing the growth of our business in comparison to our peers, and other relevant and material KPIs of the business of our Company that have a bearing for arriving at the Basis for the Offer Price. The Bidders can refer to the below-mentioned KPIs, being a combination of financial and operational metrics, to make an assessment of our Company's performance in various business verticals and make an informed decision.

The KPIs set forth below, have been approved and confirmed by a resolution of our Audit Committee dated August 25, 2026, and certified by our Chief Financial Officer on behalf of the management of our Company by way of certificate dated August 25, 2026. Further, the members of our Audit Committee have verified the details of all KPIs pertaining to our Company and confirm that no KPIs pertaining to our Company have been disclosed to investors at any point of time during the three years prior to the date of filing of this Red Herring Prospectus. A certification has been provided by the Statutory Auditor of our Company dated August 25, 2026, which has been included as part of the "*Material Contracts and Documents for Inspections*" beginning on page 418.

Our Company confirms that it shall continue to disclose all the KPIs included in this section on a periodic basis, at least once a year (or for any lesser period as determined by the Board of our Company), for a duration of one year after the date of listing of the Equity Shares on the Stock Exchanges or till the utilisation of the proceeds from the Offer, whichever is later, or for such other duration as required under the SEBI ICDR Regulations.

The other operational metrics of our Company have been disclosed in sections, see "*Our Business*" and "*Industry Overview*" and "*Management's Discussion and Analysis of Financial Condition and Results of Operations*" on pages 182, 129 and 302 respectively.

In addition to the above, the Audit Committee also noted that other than the below mentioned KPIs, there are certain items/ metrics which have not been disclosed in this Red Herring Prospectus as the same are either sensitive to the business and operations, not critical or relevant for analysis of our financial and operational performance or such items do not convey any meaningful information to determine performance of our Company.

Details of our KPIs for the Fiscal 2026, Fiscal 2025 and Fiscal 2024 are set our below:

Particulars	Fiscal 2026	Fiscal 2025	Fiscal 2024
Financial KPIs			
Revenue from operations (₹ million)	19,266.76	13,970.10	10,245.68
EBITDA [(i)] (₹ million)	1,463.37	560.06	357.71
EBITDA margin[(ii)] (%)	7.60%	4.01%	3.49%
Profit after tax (PAT) (₹ million)	1,047.88	405.80	243.47
PAT Margin[(iii)] (%)	5.44%	2.90%	2.37%
Return on Equity[(iv)] (%)	56.45%	35.95%	30.30%
Return on Capital Employed[(v)] (%)	52.08%	30.60%	22.76%
Debt to equity ratio[(vi)]	0.47	0.61	0.84
Operational KPIs			
Inventory holding period (days) [(vii)]	18	21	22
Debtors holding period (days) [(viii)]	36	29	32
Creditors holding period (days) [(ix)]	1	1	1

Particulars	Fiscal 2026	Fiscal 2025	Fiscal 2024
Financial KPIs			
Net operating cycle (days) [(x)]	53	49	53

Note:

(i) EBITDA = EBITDA is calculated as profit before tax and exceptional items for the year, plus finance costs and depreciation and amortisation expenses, less other income.

(ii) EBITDA Margin = EBITDA margin is calculated by dividing EBITDA by total revenue from operations

(iii) PAT Margin = PAT margin is calculated by dividing profit after tax by revenue from operations and other income.

(iv) Return on Equity = Return on Equity is calculated by dividing the net income by average shareholders' equity at the beginning and end of period

(v) Return on Capital Employed = Return on Capital Employed is calculated by dividing earnings before interest and taxes (EBIT) by average capital employed at the beginning and end of period

(vi) Debt to Equity Ratio = Debt to Equity Ratio is calculated by dividing a total debt and financial liabilities by its shareholder equity

(vii) Inventory holding period (days) = Inventory holding period (days) is calculated by dividing 365 by the ratio of cost of goods sold to the average inventory at the beginning and end of the period.

(viii) Debtors holding period (days) = debtors holding period (days) is calculated by dividing 365 by the ratio of revenue from operations to the average trade receivables at the beginning and end of the period.

(ix) Creditors holding period (days) is calculated by dividing 365 by the ratio of Cost of Goods Sold (COGS) to the average trade payables at the beginning and end of the period.

(x) Net Operating Cycle (Days) = net operating cycle (Days) is calculated as inventory days plus debtor days minus creditor days.

A list of our KPIs along with a brief explanation of the relevance of the KPIs to our business operations are set forth below. All such KPIs have been defined consistently and precisely in "*Definitions and Abbreviations*" on page 1.

Sr. No.	KPI	Explanation
1.	Revenue from Operations	Revenue from operations is used by the management to track the revenue profile of the business and in turn helps assess the overall financial performance of the Company and size of the business.
2.	EBITDA	EBITDA provides information regarding the operational efficiency of the business.
3.	EBITDA Margin (%)	EBITDA margin (%) is an indicator of the operational profitability and financial performance of the business.
4.	Profit after tax (PAT)	Profit after tax provides information regarding the overall profitability of the business.
5.	PAT Margin (%)	PAT margin (%) is an indicator of the overall profitability and financial performance of the business.
6.	RoCE (%)	RoCE provides how efficiently the Company generates earnings from the capital employed in the business.
7.	RoE (%)	RoE provides how efficiently the Company generates profits from shareholders' funds.
8.	Debt-equity ratio	The debt to equity ratio compares an organization's liabilities to its shareholders' equity and is used to gauge how much debt or leverage the organization is using.
9.	Inventory holding period (days)	Inventory holding period (Days) means the average number of days the Company keeps inventory before it is sold.
10.	Debtors holding period (Days)	Debtors holding period (Days) means the average number of days the Company takes to collect cash from its credit customers.
11.	Creditors holding period (days)	Creditors holding period (Days) means the average number of days the Company takes to pay its suppliers.
12.	Net operating cycle (days)	Net operating cycle (Days) means the number of days the Company takes to convert its investment in operations into cash.

Description on the historic use of the KPIs by our Company to analyse, track or monitor the operational and/or financial performance of our Company

In evaluating our business, we consider and use certain Key Performance Indicators, as presented above, as a supplemental measure to review and assess our financial and operating performance. The presentation of these Key Performance Indicators is not intended to be considered in isolation or as a substitute for the Restated Financial Information. We use these Key Performance Indicators to evaluate our financial and operating performance. Some of these Key Performance Indicators are not defined under Ind AS and are not presented in accordance with Ind AS. These Key Performance Indicators have limitations as analytical tools.

Further, these Key Performance Indicators may differ from the similar information used by other companies and hence their comparability may be limited. Therefore, these metrics should not be considered in isolation or construed as an alternative to Ind AS measures of performance or as an indicator of our operating performance, liquidity, profitability or results of operation. Although these Key Performance Indicators are not a measure of performance calculated in accordance with applicable accounting standards, our Company's management believes

that it provides an additional tool for investors to use in evaluating our ongoing operating results and trends and in comparing our financial results with other companies in our industry because it provides consistency and comparability with past financial performance, when taken collectively with financial measures prepared in accordance with Ind AS.

Investors are encouraged to review the GAAP measures and to not rely on any single financial or operational metric to evaluate our business.

VIII. Comparison with listed industry peers

The following table provides a comparison of our KPIs with those of our peer group. The peer group has been determined on the basis of companies listed on Indian stock exchanges, whose business profile is comparable to our businesses in terms of our size and our business model:

Comparison of our KPIs with listed industry peers as at March 31, 2026

Debtors holding period (days) (viii)	32	19	18	46	6	18
Creditors holding period (days) (ix)	1	12	1	3	6	2
Net operating cycle (days) (x)	53	268	56	103	77	59

Notes:

(i) EBITDA = EBITDA is calculated as profit before tax and exceptional items for the year, plus finance costs and depreciation and amortisation expenses, less other income.

(ii) EBITDA Margin = EBITDA margin is calculated by dividing EBITDA by total revenue from operations

(iii) . PAT Margin = PAT margin is calculated by dividing profit after tax by revenue from operations and other income)

(iv) Return on Equity = Return on Equity is calculated by dividing the net income by average shareholders' equity at the beginning and end of period

(v) Return on Capital Employed = Return on Capital Employed is calculated by dividing earnings before interest and taxes (EBIT) by average capital employed at the beginning and end of period

(vi) Debt to Equity Ratio = Debt to Equity Ratio is calculated by dividing a total debt and financial liabilities by its shareholder equity

(vii) Inventory holding period (days) = Inventory holding period (days) is calculated by dividing 365 by the ratio of cost of goods sold to the average inventory at the beginning and end of the period.

(viii) Debtors holding period (days) = debtors holding period (days) is calculated by dividing 365 by the ratio of revenue from operations to the average trade receivables at the beginning and end of the period.

(ix) Creditors holding period (days) is calculated by dividing 365 by the ratio of Cost of Goods Sold (COGS) to the average trade payables at the beginning and end of the period.

(x) Net Operating Cycle (Days) = net operating cycle (Days) is calculated as inventory days plus debtor days minus creditor days.

IX. Comparison of KPIs over time based on additions or dispositions to the business

Our Company has not undertaken a material acquisition or disposition of assets / business for the periods that are covered by the KPIs and accordingly, no comparison of KPIs over time based on additions or dispositions to the business, have been provided.

X. Weighted average cost of acquisition ("WACA") Past Primary / Secondary Transaction

a) Price per share of our Company based on primary/ new issue of Equity Shares or convertible securities (excluding Equity Shares issued under employee stock option plans and issuance of Equity Shares pursuant to

a bonus issue) during the 18 months preceding the date of this Red Herring Prospectus, where such issuance is equal to or more than 5% of the fully diluted paid up share capital of our Company (calculated based on the pre-Offer capital before such transactions and excluding employee stock options granted but not vested) in a single transaction or multiple transactions combined together over a span of rolling 30 days. ("Primary Issuances")

Our Company has not issued any Equity Shares or CCPS, excluding issuance of Equity Shares pursuant to a bonus issue, during the 18 months preceding the date of this RHP, where such issuance is equal to or more that 5% of the fully diluted paid-up share capital of our Company (calculated based on the pre-Offer capital before such transaction(s)), in a single transaction or multiple transactions combined together over a span of rolling 30 days.

b) Price per share of our Company based on secondary sale / acquisition of Equity Shares or convertible securities, where our Promoters, Selling Shareholders, members of our Promoter Group, or Shareholder(s) having the right to nominate director(s) to the Board of the our Company are a party to the transaction (excluding gifts), during the 18 months preceding the date of filing of this Red Herring Prospectus, where either acquisition or sale is equal to or more than 5% of the fully diluted paid-up share capital of our Company (calculated based on the pre-Offer capital before such transactions and excluding employee stock options granted but not vested), in a single transaction or multiple transactions combined together over a span of rolling 30 days ("Secondary Transaction")

There have been no secondary sale/ acquisitions of Equity Shares or any convertible securities, where the Promoters, members of the Promoter Group, Selling Shareholders, or Shareholder(s) having the right to nominate director(s) in the Board Of Directors of our Company are a party to the transaction (excluding gifts), during the 18 months preceding the date of this RHP, where either acquisition or sale is equal to or more than 5% of the fully diluted paid up share capital of our Company (calculated based on the pre-Offer capital before such transaction/s and excluding employee stock options granted but not vested), in a single transaction or multiple transactions combined together over a span of rolling 30 days

c) Price per share based on last 5 primary or secondary transactions

Since there are no such transaction to report to under (a) and (b) then therefore information for based on last 5 primary or secondary transactions (secondary transactions where Promoters / promoter group entities, selling shareholders or shareholder(s) having the right to nominate director(s) in the Board of the Company, are a party to the transaction), not older than 3 years prior to the date of this RHP, irrespective of the size of transactions is as below:

Primary issuance:

Except as disclosed below, there have been no allotments in the last three years preceding the date of this RHP:

Date of allotment	No. of Equity Shares allotted	Face value per equity share (₹)	Offer price per equity share (₹)	Nature of allotment	Nature of consideration	Total Consideration (in Rs. Million)
November 28, 2025	61,500,000	2	Nil	Bonus Shares	NA	Nil
Total	**61,500,000**	**-**	**-**	**-**	**-**	**Nil**
Weighted average cost of acquisition (WACA)						**Nil**

Secondary acquisition:

Except as disclosed below, there have been no secondary transactions by the promoters, members of the promoter group, or selling shareholders or shareholder(s) having the right to nominate director(s) in the board of directors of our Company are a party to the transaction, in the last three years preceding the date of this RHP:

Date of transfer	Category	Name of transferor	Name of transferee	No. of securities	Nature of securities	Face value of securities (₹) [(1)]	Price per security (₹)	Nature of consideration	Total Consideration (in Rs. Million)
June 2, 2025	Promoter Group	Devak Nandan Agarwal (HUF)	Chandrakala Agarwal	1,250	Equity Shares	2	70	Cash	87,500
	Promoter Group	Devak Nandan Agarwal (HUF)	Ashish Agarwal	1,250	Equity Shares	2	70	Cash	87,500
June 16, 2025	Promoter Group	Chandrakala Agarwal	Laxminarayan Malani	25	Equity Shares	2	80	Cash	2,000
	Promoter Group	Chandrakala Agarwal	Sarika Malani	25	Equity Shares	2	80	Cash	2,000
Total	-	-	-	**2,550**	-	-	-	-	**179,000**
Weighted average cost of acquisition (WACA)									**70.20**

(1) Details of number of Equity Shares, face value and the range of acquisition price per Equity Share have been adjusted for sub-division of Equity Shares.

XI. Weighted average cost of acquisition, floor price and cap price

Types of transactions	Weighted average cost of acquisition (Rs. per Equity Share)	Floor price* (i.e. INR [●])	Cap price* (i.e. INR [●])
Weighted average cost of acquisition for last 18 months for primary / new issue of shares (equity/ convertible securities), excluding shares issued under an employee stock option plan/employee stock option scheme and issuance of bonus shares, during the 18 months preceding the date of this RHP, where such issuance is equal to or more than five per cent of the fully diluted paid-up share capital of our Company (calculated based on the pre-Offer capital before such transaction/s and excluding employee stock options granted but not vested), in a single transaction or multiple transactions combined together over a span of rolling 30 days	NA^	[●] times	[●] times
Weighted average cost of acquisition for last 18 months for secondary sale / acquisition of shares equity/convertible securities), where promoter / promoter group entities or shareholder(s) having the right to nominate director(s) in our Board are a party to the transaction (excluding gifts), during the 18 months preceding the date of this RHP, where either acquisition or sale is equal to or more than five per cent of the fully diluted paid-up share capital of our Company (calculated based on the pre-issue capital before such transaction/s and excluding employee stock options granted but not vested), in a single transaction or multiple transactions combined together over a span of rolling 30 days	NA^^	[●] times	[●] times
Since there were no primary or secondary transactions of equity shares of our Company during the 18 months preceding the date of filing of this RHP, the information has been disclosed for price per share of our Company based on the last five primary or secondary transactions where promoter /promoter group entities or shareholder(s) having the right to nominate director(s) on our Board, are a party to the transaction, not older than three years prior to the date of filing of this RHP irrespective of the size of the transaction			
- Based on primary issuances	Nil	[●] times	[●] times
- Based on secondary transactions	70.20	[●] times	[●] times

As certified by NSVR & Associates LLP, Chartered Accountants, pursuant to their certificate dated August 25, 2026.
**To be updated at prospectus stage*
Note:
^There were no primary / new issue of shares (equity/ convertible securities) transactions in last 18 months prior to the date of this RHP.
^^ There were no secondary sales / acquisition of shares of shares (equity/ convertible securities) transactions in last 18 months prior to the date of this RHP.

XII. Explanation for Offer Price / Cap Price being [●] times of WACA of primary issuance price/ secondary transaction price (set out in X above) along with our Company's key financial and operational metrics and financial ratios for Fiscals 2026, 2025 and 2024.

[●]*

* *To be included on finalisation of Price Band.*

XIII. Explanation for Offer Price / Cap Price being [●] times of WACA of primary issuance price/ secondary transactions price (set out in X above) in view of the external factors which may have influenced the pricing of the Offer.

[●]*

* *To be included on finalisation of Price Band.*

XIV. The Offer price is [●] times of the face value of the Equity Shares

The Offer Price of ₹ [●] has been determined by our Company, in consultation with the BRLMs on the basis of assessment of the market demand from investors for Equity Shares through the Book Building process and justified of the Offer Price in view of the above qualitative and quantitative parameters.

Investors should read the above-mentioned information along with "*Risk Factors*", "*Our Business*", *Management Discussion and Analysis of Financial Condition and Results of Operations*" and "*Financial Information*" on pages 20, 182, 302 and 247 respectively, to have a more informed view. The trading price of the Equity Shares could decline due to the factors mentioned in the "*Risk Factors*" on page 20 and you may lose all or part of your investments.

STATEMENT OF SPECIAL TAX BENEFITS

To,

The Board of Directors
Deepa Jewellers Limited
Ground floor and first floor,
door no. 3-6-343 & 344, Basheerbagh, Himayathnagar,
Hyderabad - 500 029,
Telangana, India (the "**Company**")

Dear Sirs / Madams,

Re: Proposed initial public offering of Equity Shares of face value of ₹ 2 each (the "Equity Shares") by Deepa Jewellers Limited (the "Company").

Subject: Certificate on Special Tax Benefits

We report that the enclosed statement in the **Annexure A**, states the possible special tax benefits under direct and indirect tax laws and Income Tax Act, 2025 including amendments made by the Finance Act, 2026 (hereinafter referred to as "**Income Tax Laws**"), the Central Goods and Services Tax Act, 2017, the Integrated Goods and Services Tax Act, 2017, respective State Goods and Services Tax Act, 2017, respective Union Territory Goods and Services Tax Act, 2017, Customs Act, 1962, Customs Tariff Act, 1975 as amended, the rules and regulations, circulars and notifications issued there under, Foreign Trade Policy presently in force in India, available to the Company and its shareholders. Several of these benefits are dependent on the Company, its shareholders as the case may be, fulfilling the conditions prescribed under the relevant provisions of the statute. Hence, the ability of the Company, its shareholders, to derive the special tax benefits is dependent upon their fulfilling such conditions, which based on business imperatives the Company and its shareholders faces in the future, the Company and its shareholders may or may not choose to fulfill.

The benefits discussed in the enclosed Statement cover only special tax benefits available to the Company and to the shareholders of the Company and are not exhaustive and also do not cover any general tax benefits available to the Company. Further, any benefits available under any other laws within or outside India have not been examined and covered by this Statement

This statement of possible special tax benefits is required as per Schedule VI (Part A) (9)(L) of the SEBI ICDR Regulations. The benefits discussed in the enclosed **Annexure A** are not exhaustive. This statement is only intended to provide general information to the investors and is neither designed nor intended to be a substitute for professional tax advice. In view of the individual nature of the tax consequences and the changing tax laws, each investor is advised to consult his or her own tax consultant with respect to the specific tax implications arising out of their participation in the Offer. Neither are we suggesting nor advising the investor to invest in the Offer based on this statement.

We do not express any opinion or provide any assurance as to whether:

(i) the Company or its shareholders will continue to obtain these benefits in future;
(ii) the conditions prescribed for availing the benefits have been/would be met with; and
(iii) the revenue authorities/ courts will concur with the views expressed herein.

The contents of the enclosed statement are based on information, explanations and representations obtained from the Company and on the basis of our understanding of the business activities and operations of the Company.

We also consent to the references to us as "experts" as defined under Section 2(38) of the Companies Act, 2013, read with Section 26(5) of the Companies Act, 2013 to the extent of the certification provided hereunder and included in the draft red herring prospectus, red herring prospectus and prospectus of the Company or in any other material used in connection with the Offer.

We hereby give consent to include this statement of special tax benefits in the Red Herring Prospectus ("**RHP**"), Prospectus ("**Prospectus**") and in any other material used in connection with the Offer.

We confirm that the information in this certificate is true and correct and is in accordance with the requirements of the Companies Act, SEBI ICDR Regulations and other applicable law, and there is no untrue statement or omission which

would render the contents of this certificate misleading in any material aspect.

Restriction on use

This certificate is for information and for inclusion (in part or full) in the Red Herring Prospectus ("**RHP**") and the Prospectus ("**Prospectus**") filed in relation to the Offer (collectively, the "**Offer Documents**") or any other Offer-related material, and may be relied upon by the Company, the Book Running Lead Managers and the legal advisors appointed by the Company and the Book Running Lead Managers in relation to the Offer. We hereby consent to the submission of this certificate as may be necessary to SEBI, Stock Exchanges including the repository system of SEBI and/or Stock Exchanges, the Registrar of Companies, Telangana at Hyderabad ("**RoC**"), any other regulatory authority and/or for the records to be maintained by the Book Running Lead Managers and in accordance with applicable law. We hereby consent to this certificate being disclosed by the Book Running Lead Managers, if required (i) by reason of any law, regulation or order of a court or by any governmental or competent regulatory authority, or (ii) in seeking to establish a defence in connection with, or to avoid, any actual, potential or threatened legal, arbitral or regulatory proceeding or investigation.

We also consent to the inclusion of this certificate as a part of "*Material Contracts and Documents for Inspection*" in connection with this Offer, which will be available for public for inspection from date of the filing of the RHP until the bid/offer closing date including through online means on the website of the Company

We undertake to inform the Book Running Lead Managers promptly, in writing of any changes, intimated to us by the management of the Company in writing, to the above information until the Equity Shares commence trading on the relevant stock exchanges, pursuant to the Offer. In the absence of any such communication from us, the above information should be considered as updated information until the Equity Shares commence trading on the stock exchanges, pursuant to the Offer.

All capitalized terms used herein and not specifically defined shall have the same meaning as ascribed to them in the Offer Documents.

ANNEXURE A

Outlined below are the special tax benefits available to Deepa Jewellers Limited (the "**Company**"), and its Shareholders under the Income Tax Act, 2025 (the "**Act**") as amended by the Finance Act, 2026 (hereinafter referred to as "**Income Tax Laws**"), the Central Goods and Services Tax Act, 2017, the Integrated Goods and Services Tax Act, 2017, respective State Goods and Services Tax Act, 2017, respective Union Territory Goods and Services Tax Act, 2017, Customs Act, 1962, Customs Tariff Act, 1975, as amended, the rules and regulations, circulars and notifications issued there under, Foreign Trade Policy presently in force in India.

STATEMENT OF POSSIBLE SPECIAL TAX BENEFITS AVAILABLE TO THE COMPANY AND ITS SHAREHOLDERS UNDER THE APPLICABLE TAX LAWS IN INDIA UNDER THE DIRECT AND INDIRECT TAX LAWS IN INDIA

A) I. Special Direct Tax benefits available to the company

a. Corporate tax rate under section 200 of ITA, 2025 (erstwhile section 115BAA of the Income Tax Act, 1961 ("ITA, 1961)).

Section 200 of the Income-tax Act, 2025 (erstwhile Section 115BAA of the Income-tax Act, 1961) provides that a domestic company may opt to be taxed at a concessional rate of 22%, plus surcharge at 10% and health and education cess at 4% (effective tax rate of 25.168%), provided its total income is computed without claiming certain specified deductions, exemptions, and incentives available under the Income-tax Act, 2025, and without claiming specified brought forward losses and depreciation attributable to such deductions or incentives.

In case a company opts for taxation under Section 200 of the Income-tax Act, 2025(erstwhile section 115BAA of the Income Tax Act, 1961), the provisions relating to **Minimum Alternate Tax (MAT)** under Section 206 of the Income-tax Act, 2025 (erstwhile Section 115JB of the Income-tax Act, 1961) shall not apply, and any unutilised MAT credit shall not be available for set-off.

The option is required to be exercised on or before the due date for filing the return of income under **Section 263(1)** of the Income-tax Act, 2025 (erstwhile Section 139(1) of the Income-tax Act, 1961). Once exercised, the option cannot be subsequently withdrawn for the same or any subsequent assessment year.

Further, if the conditions prescribed under Section 200 of the Income-tax Act, 2025 are not satisfied in any financial year, the option exercised shall become invalid for the relevant assessment year and all subsequent assessment years, and the other provisions of the Income-tax Act, 2025 shall apply as if the option had never been exercised.

The Company has represented to us that it has opted for taxation under **Section 200 of the Income-tax Act, 2025 (erstwhile section 115BAA of the Income Tax Act, 1961).**

b. Deduction in respect of inter-corporate dividends – Section 148 of ITA, 2025 (erstwhile Section 80M of the ITA, 1961)

Up to 31st March 2020, any dividend paid to a shareholder by a company was liable to Dividend Distribution Tax ("DDT"), and the recipient shareholder was exempt from tax. Pursuant to the amendment made by the Finance Act, 2020, DDT stands abolished, and dividend received by a shareholder on or after 1st April, 2020 is liable to tax in the hands of the shareholder.

The company is required to deduct Tax Deducted at Source ("TDS") at applicable rate specified under Direct Tax Laws read with applicable Double Taxation Avoidance Agreement (if any).

With respect to a resident corporate shareholder, a section 148 of the ITA, 2025 (erstwhile section 80M of the ITA,

1961) has been inserted in the IT Act to remove the cascading effect of taxes on inter-corporate dividends during FY 2020-21 and thereafter. The section provides that where the gross total income of a domestic company in any previous year includes any income by way of dividends from any other domestic company or a foreign company or a business trust, there shall, in accordance with and subject to the provisions of this section, while computing the total income of such domestic company, a deduction of an amount equal to the income by way of dividends received from such other domestic company or foreign company or business trust shall be allowed. However, the amount of deduction shall not exceed the amount of dividend distributed by it on or before the due date. The "due date" means the date one month prior to the date for furnishing the return of income under section 263 of ITA, 2025 (erstwhile section 139 of the ITA, 1961).

However, the Company has not availed any benefit under the above section.

c. Deduction in respect of additional employee cost incurred – Section 146 of ITA, 2025 (erstwhile Section 80JJAA of ITA, 1961).

In accordance with and subject to the conditions specified under Section 146 of ITA, 2025 (erstwhile section 80JJAA of the ITA, 1961), the company is entitled to a deduction of an amount equal to 30% of additional employee cost incurred in the course of business in a financial year, for 3 consecutive assessment years including the assessment year relevant to the financial year in which such additional employment costs are incurred.

Additional employee cost means the total emoluments paid or payable to additional employees employed in the financial year. The deduction under Section 80JJAA would continue to be available to the company even where the company opts for the lower effective tax rate of 25.168% as per the provisions of Section 115BAA of the Act (as discussed above).

The company should be eligible to claim this deduction in case it incurs additional employee cost within the meaning of Explanation (i) to sub-Section (2) of Section 80JJAA of the Act and satisfies the conditions mentioned in the said Section.

However, the Company has not availed any benefit under the above section

d. Deduction in respect of certain preliminary expenses – Section 44 of ITA, 2025 (erstwhile Section 35D of the ITA, 1961)

In accordance with and subject to the fulfilment of conditions as laid out under Section 44 of ITA, 2025 (erstwhile Section 35D of the ITA, 1961), The company may be entitled to amortize preliminary expenditure, being specified expenditure incurred in connection with the issue for public subscription or such expenditure as prescribed under section 44 of the ITA, 2025, subject to the limit specified therein (viz maximum 5% of the cost of the project or 5% of the capital employed in the business of the company).

The deduction is allowable for an amount equal to one-fifth of such expenditure for each of five successive previous years beginning with the previous year in which the business commences or as the case may be, the previous year in which the extension of the undertaking is completed, or the new unit commences production or operation.

The company shall be required to furnish a statement in Form No 5 as per ITA, 2025 (erstwhile Form 3AF of the ITA, 1961) containing the particulars of expenditure specified under section 44 of ITA, 2025 to such income tax authority prior to one month before the due date of filing income tax return as per section 263(1) of ITA, 2025.

However, the Company has not availed any benefit under the above section.

II. Special Indirect Tax benefits available to the company

There are no special tax benefits available to the Company under Indirect Tax Laws, except as disclosed below:

a) India-UAE Comprehensive Economic Partnership Agreement

Under the **India-UAE Comprehensive Economic Partnership Agreement (CEPA)**, India permits the import of up to **200 metric tonnes of gold annually** from the UAE at a concessional customs duty rate (1% lower than the standard rate) through a Tariff Rate Quota (TRQ) mechanism.

Deepa Jewellers Limited, having met all conditions applicable to importers of gold under CEPA and to avail of 1% concession on Customs Duty on such imports, applied for import of gold, initially through YES Bank and subsequently through IIBX, as dealing through IIBX, Gift City is financially cheaper for the company.

III. Special Direct Tax benefits available to Shareholders

There are no special tax benefits available to the shareholders of the Company for investing in the shares of the Company. However, such shareholders shall be liable to concessional tax rates on certain incomes (arising from sale of equity shares of the Company).

a) As per Section 198 of ITA, 2025 (erstwhile section 112A of the ITA, 1961), long-term capital gains arising from transfer of equity shares, or a unit of an equity-oriented fund or a unit of a business trust shall be taxed at the rate of 12.5% (without indexation) subject to prescribed conditions. However, no tax under the said section shall be levied where such capital gains does not exceed INR 1,25,000 during the year.

b) As per Section 196 of ITA, 2025 (erstwhile section 111A of the ITA, 1961), short-term capital gains arising from transfer of an equity share, or a unit of an equity-oriented fund or a unit of a business trust shall be taxed at 20%. This is subject to fulfilment of prescribed conditions under Direct Tax Laws.

c) Dividend income, earned by the shareholders would be taxable in their hands at the applicable rates. However, in case of domestic corporate shareholders, deduction section 148 of ITA, 2025 would be available on fulfilling the conditions (as discussed above). Further, in case of shareholders who are individuals, Hindu Undivided Family, association of persons, body of individuals, whether incorporated or not, surcharge would be restricted to 15%, irrespective of the amount of dividend income.

IV. Special Indirect Tax benefits available to Shareholders

There are no special tax benefits available to the shareholders under the Indirect Tax Laws.

Notes:

1. *This Annexure has been prepared based on the provisions of the Income-tax Act, 2025, as amended by the Finance Act, 2026, and, to the extent applicable, the Income-tax Act, 1961, the Central Goods and Services Tax Act, 2017, the Integrated Goods and Services Tax Act, 2017, the respective State Goods and Services Tax Acts, 2017, the respective Union Territory Goods and Services Tax Acts, 2017, the Customs Act, 1962, the Customs Tariff Act, 1975, and the applicable rules, regulations, circulars, notifications and the Foreign Trade Policy presently in force in India.*

2. *This Annexure sets out the possible special tax benefits available to the Company and its shareholders under the applicable direct and indirect tax laws. The statement has been prepared in a summary manner and is not intended to be a complete analysis or exhaustive listing of all the tax consequences relating to the acquisition, ownership or transfer of the Equity Shares.*

3. *This Annexure is intended solely for general information of prospective investors and should not be construed as legal or tax advice. Since the tax consequences of an investment may vary depending upon the facts and circumstances of each investor, prospective investors are advised to consult their own tax, legal and other professional advisors regarding the specific tax implications of acquiring, holding and transferring the Equity Shares.*

4. *In the case of non-resident investors, the tax consequences discussed herein may be subject to the provisions of the applicable Double Taxation Avoidance Agreement ("DTAA") entered into between India and the country of residence of such investor, subject to fulfilment of the prescribed conditions and availability of treaty benefits.*

5. *This Annexure discusses only the tax implications under the laws of India and does not address the tax consequences arising under the laws of any jurisdiction outside India. Investors resident outside India should consult their own professional advisors regarding the tax implications applicable in their respective jurisdictions.*

6. *The views expressed herein are based on the provisions of the applicable tax laws, judicial precedents, circulars and notifications as in force on the date of this Annexure. Such laws, interpretations and practices are subject to change, which may have retrospective effect. We express no opinion or assurance regarding the ultimate tax treatment that may be adopted by the tax authorities or courts, and we undertake no obligation to update this Annexure to reflect any subsequent changes in law or interpretation.*

SECTION V – ABOUT OUR COMPANY

INDUSTRY OVERVIEW

Unless otherwise indicated or the context otherwise requires, industry and market data used in this section have been extracted from the report titled "Assessment of gems and jewellery industry in India with focus on the B2B segment" dated August 2026 prepared and issued by Crisil Limited (the "CRISIL Report"), which has been commissioned and paid for by our Company exclusively in connection with the Offer, and prepared only for the purposes of understanding the industry in which we operate, pursuant to an engagement letter dated August 8, 2025, read together with an addendum to the engagement letter dated May 29, 2026. See "Risk Factors – Certain sections of this Red Herring Prospectus disclose information from the industry report which has been commissioned and paid for by us exclusively in connection with the Offer and any reliance on such information for making an investment decision in the Offer is subject to inherent risks" on page 52.

The CRISIL Report will form part of the material documents for inspection and is available on the website of our Company at https://cdn.jfone.jewelflow.pro/deepajewellers/investor_documents/8988-Industry_Report.pdf. The information in the following section is qualified in its entirety by, and should be read together with, the more detailed financial and other information included in this Red Herring Prospectus, including the information contained in "Risk Factors", "Restated Financial Information" and "Management's Discussion and Analysis of Financial Condition and Results of Operations" on pages 20, 247 and 302 respectively.

1. Gems and jewellery retail industry in India

The gems and jewelry industry in India is a significant contributor to the country's economy, with a large domestic market and a substantial export-oriented sector. The industry is characterized by a mix of large manufacturers, exporters and innovative online wholesalers serving both domestic and international markets. Major players operate from hubs like Mumbai, Surat, Jaipur and Chennai, offering integrated supply chains, design customization and export scalability. Digital transformation, including adoption of e-commerce platforms, virtual try-ons and AI-powered personalization, is reshaping bulk ordering, catalog management and cross border trade in the B2B gems and jewellery space.

Value chain of the gems and jewellery retail industry

The value chain for gold and diamond industry starts with mining of minerals. Gold after mining goes for extraction and refining. Then this metal goes to independent jobbers, manufacturing firms/players and exporters through gold dealers and traders. These jobbers, manufacturing firms, sell gold jewellery and other items to national/regional retail chains, local standalone retailers and multiproduct retailers.

Diamond after mining through independent producers goes to manufacturers and rough dealers. After manufacturing, diamonds are then taken by polishers, which sell these diamonds after polishing them to independent jobbers, jewellery manufacturing firms/players and exports through polished traders. Similar to gold value chain, these diamonds jewellery and other items are sold to consumers through national/retail chains, local standalone players and multi-product retailers.

B2B Gems and jewellery industry grew at CAGR of 24.6% between fiscals 2022 and 2026

The B2B gems and jewellery industry in India, comprising manufacturers and wholesalers, has demonstrated strong growth in recent years, with market size increasing from Rs 3,030 billion in FY22 to Rs 7,301 billion in FY26. This expansion was primarily driven by rising demand from the retail segment up to FY25, while the sharp uptick in FY26 was largely attributable to higher gold prices.

During FY22-FY26, the industry witnessed a compound annual growth rate (CAGR) of 24.6%. This growth was driven by factors such as the rise in gold prices, deferred purchases related to bridal jewellery, and an increase in disposable income of consumers. The industry saw a dip in demand during FY20 and FY21 due to high gold prices and the pandemic impact, but it quickly recovered in FY22. The market size continued to grow, reaching Rs 7,301 billion in FY26. From FY26 to FY30, the industry is expected to sustain moderated growth, with a projected CAGR of 2–3%. This trajectory is likely to be supported by multiple factors, including stabilisation of gold prices leading to release of deferred demand, increasing traction from organised retailers, growth in exports, and the gradual emergence of new markets.

B2B gems and jewellery industry in India – market size trends (FY22-FY30) (Rs. billion)

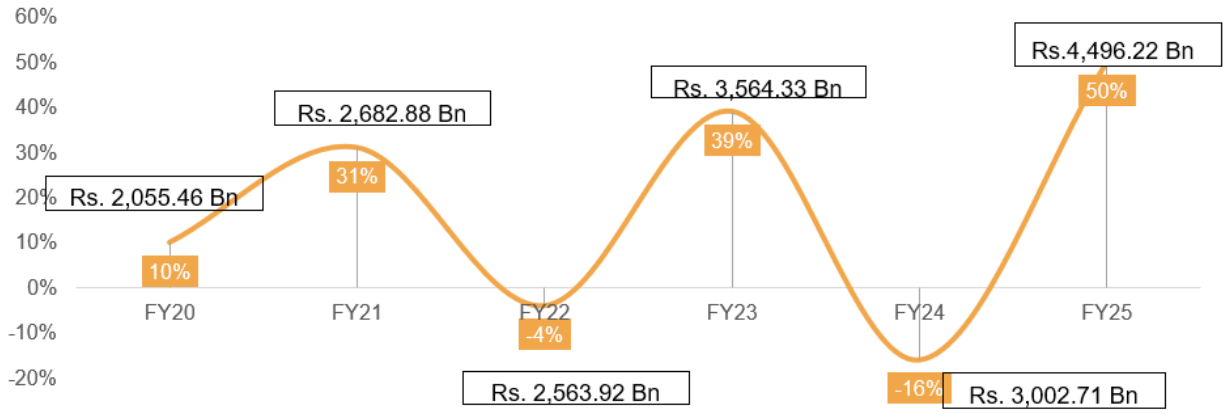
Position of B2B suppliers in the overall gold, diamond and studded jewellery value chain

B2B suppliers sit strategically between gold dealers/ traders and a variety of downstream buyers, including independent jobbers, exporters, and retail focused businesses. By sourcing raw materials from upstream dealers, B2B leverage advanced manufacturing expertise, design innovation, and quality assurance processes to add value before delivering products to their commercial partners. B2B suppliers with in-house manufacturing have following advantages, enhanced security and reduced pilferage, reduced wastage and improved gold recovery and labour cost savings.

The critical position of these B2B suppliers lies in their ability to bridge the upstream commodity market with market facing retail businesses, facilitating efficient market access for manufacturers while ensuring retailers and exporters receive competitively designed and reliably produced jewellery aligned with current consumer trends.

Aggregate sales revenue and growth of key jewellery manufacturers and wholesaler in India from FY20-25



Note: Aggregate sales includes 18 companies which are Rajesh exports limited, Emerald Jewel Industry India Limited, Shineshilpi Jewellers Private Limited, Unique chains and Jewels Ltd, Sky Gold and Diamonds Limited, Shringar House Of Mangalsutra Limited, ORO Precious Metals Private Limited, Khazanchi Jewellers Ltd, Swarnsarita Jewels India Limited, Shanti Gold International Limited, Anja Jewels Private Limited, Derewala Industries Limited, RBZ Jewellers Limited, Shree Omkar Jewellers Private Limited, Uday Jewellery Industries Limited, Ashapuri Gold Ornaments Ltd, Shree Mangal Jewels Private Limited, Utssav CZ gold Ltd for FY20-FY25

At an aggregate level, the companies recorded revenues of Rs. 2,055.46 billion in FY20, Rs. 2,682.88 billion in FY21, Rs. 2,563.92 billion in FY22, Rs. 3,564.33 billion in FY23, Rs. 3,002.71 billion in FY24, and Rs. 4,496.22 billion in FY25. The corresponding year-over-year (YoY) growth rates were 10% in FY20, 31% in FY21, -4% in FY22, 39% in FY23, -16% in FY24, and 50% in FY25.

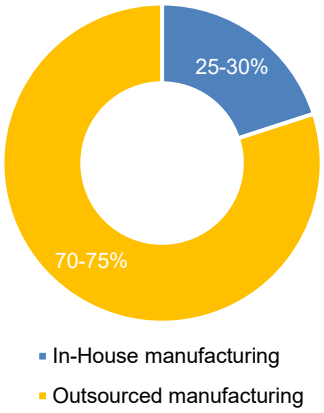
The FY25 performance marks a strong rebound for the sector following the decline witnessed in FY24. The sharp 50% growth reflects robust export demand, higher gold jewellery realizations driven by elevated gold prices, expansion of organized and export-oriented manufacturers, and increasing global acceptance of Indian jewellery craftsmanship and design capabilities. While the industry remains cyclical and sensitive to fluctuations in gold prices, consumer demand, and global economic conditions, the FY25 recovery highlights the sector's resilience and underlying growth potential.

In essence, the data reflects a sector that is inherently cyclical but structurally supported by India’s position as a global jewellery manufacturing hub. The strong recovery in FY25 reinforces the positive long-term outlook for the industry.

Rising international demand, increasing penetration of organized B2B manufacturers, greater adoption of technology and automation, and growing preference for machine-made and design-driven jewellery are expected to continue supporting sustainable growth in India's jewellery wholesale and manufacturing industry over the coming years.

Outsourced manufacturing has a dominant share in the overall gems and jewellery industry in India

Volume wise share of in-house jewellery manufacturing and outsourced manufacturing in the overall gems and jewellery industry in India for fiscal 2026



As per primary interactions, in-house manufacturing accounted for a relatively smaller share of 25-30% in FY26, while outsourced manufacturing dominates the landscape with a share of 70-75%. This dichotomy can be attributed to the benefits and drawbacks of each approach, where in-house manufacturing offers benefits like quality control, intellectual property protection, and timely delivery, but requires significant investments in infrastructure, technology, and human resources, limiting scalability and requiring specialized skills and expertise. On the other hand, outsourced manufacturing provides cost savings, scalability, and access to specialized skills, but poses challenges like quality control, intellectual property risks, and supply chain complexities. The large and fragmented supplier base in India, competitive pricing, and government initiatives like the Gem and Jewellery Export Promotion Council (GJEPC) have contributed to the high share of outsourced manufacturing, allowing companies to tap into the expertise and specialized skills of third-party suppliers and manufacturers

Source: Crisil Intelligence

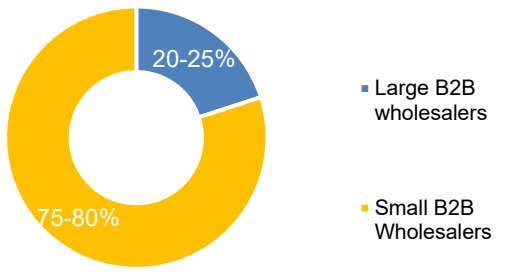
Beyond providing bulk inventory, B2B suppliers play a pivotal role in enabling faster order execution, easing retailers' working capital pressures, and offering design innovation that keeps collections market relevant. Some of the key dimensions of this dependence along with the underlying industry practices that support it are Order Execution Speed, Working Capital Relief and Design Variety & Innovation: Retailers require a continuous flow of new, trend-aligned, and regionally relevant designs to remain competitive.

As the jewellery retail ecosystem migrates towards branded, standardised and omnichannel formats, the role of B2B wholesalers evolves beyond mere supply, they become strategic partners in retail expansion, quality assurance and market intelligence thereby shaping fundamentally more organised competitive and innovative Indian gold jewellery sector.

Key Success Factors for B2B Jewellery Manufacturers includes Product Range, Market Alignment, Standardization, Certification & Compliance, Design Infrastructure, Customization Capacity, Intellectual Property, Speed-to-Market, Procurement Channels, Price Risk Management, Working Capital Management, Traceability, Production Scale, Technology Adoption, Quality Control, Geographic Distribution

B2B landscape dominated by large suppliers

Value wise share of large B2B wholesalers and small B2B wholesalers in the B2B gems and jewellery market in India for fiscal 2026



The B2B gems and jewellery market in India is marked by a distinct division between large and small wholesalers, as reflected in their B2B gems and jewellery market share for fiscal 2026. Large B2B wholesalers hold a value share of 20-25%, relying on their robust distribution networks, operational scale, and ability to efficiently meet the diverse requirements of retailers. On the other hand, small B2B wholesalers command a much larger portion of the market, with a share of 75-80%. This dominance can be attributed to their greater numbers, flexibility, and closer relationships with local retailers, enabling them to reach a wider customer base across the country.

Note: Large B2B wholesalers are defined as players having more than Rs. 300 crore revenue

Source: Crisil Intelligence

Demand in gems and jewellery retail industry in India

The Indian gems and jewellery retail industry was estimated at Rs 12,887 billion in fiscal 2026, with gold jewellery continuing to dominate overall consumption. The sector's performance remains closely linked to gold price movements, wedding-led demand, festive purchases, disposable income trends and consumer sentiment. In fiscal 2026, demand has decreased; however, increase in gold prices supported growth in value terms. The market recovered sharply after pandemic in fiscal 2022, led by deferred purchases, particularly bridal jewellery, along with improvement in consumer sentiment and disposable income. In fiscal 2023, the industry grew by 9% in value terms, primarily supported by higher gold prices, while fiscal 2024 witnessed robust momentum, with overall industry growth of 18%, aided by both volume expansion and price-led growth, indicating strong domestic consumption. Going forward, Crisil Intelligence projects the market size of gems and jewellery retail industry in India to grow at CAGR of 4-5% between fiscals 2025 and 2030 to reach Rs 15,100-15,500 billion by fiscal 2030.

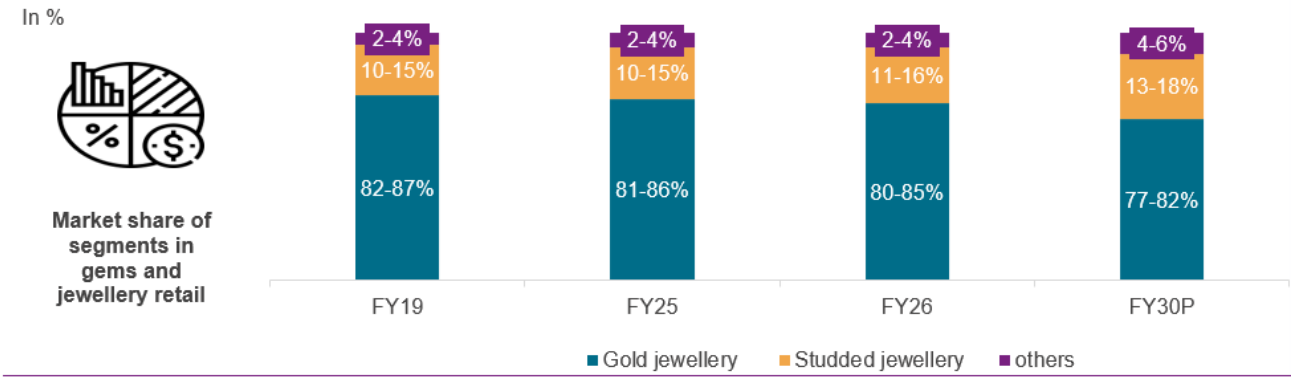
Share of e-commerce/online channel is increasing in the gems and jewellery retail industry in India:

In fiscal 2026, the share of online retail in the overall gems and jewellery retail industry is estimated to have grown to 5-7%. The growth in the online gems and jewellery retail industry is led by consumers in metro cities, such as Delhi, Mumbai, Bengaluru and Chennai. For the online gems and jewellery retail industry, young population in the age group of 23-35 is the target audience, which is driving sales in the sector. Crisil Intelligence projects the share of online revenue in the overall Indian gems and jewellery retail industry to increase to 9-11% in fiscal 2030.

Key segments within gems and jewellery retail industry in India

Indian gems and jewellery retail industry is broadly divided into three categories: gold jewellery; studded jewellery, which includes diamond, coloured gems and gemstone jewellery; and other jewellery, which includes platinum jewellery, silver jewellery, etc. In India, gold jewellery has traditionally dominated the gems and jewellery retail industry with 80-85% market share. The studded jewellery segment, typically, has higher gross margin compared to gold jewellery segment due to presence of precious stones such as diamond. The preference of studded jewellery varies across regions in India on account of cultural, fashion and other key trends.

Market share of segments within gems and jewellery retail industry in India



Source: Crisil Intelligence

Jewellery retail chains segment continues to gain market share from the jewellery standalone stores segment

The jewellery standalone stores jewellers have traditionally dominated the jewellery retail industry, as the share of the jewellery retail chains sector in the industry was 30-35% in fiscal 2020. But the jewellery retail chains sector has grown rapidly in recent years to have a market share of 37-42% as of fiscal 2026. The advent of nationwide jewellery retailing began in the 1990s, when several regions had their own prominent brands. These regional players started expanding their brands at a pan-India level to capitalise on changing consumer preference from jewellery standalone stores to jewellery retail chains. Apart from the core jewellery retailers, jewellery is also retailed through multi brand outlet (MBO) stores chains.

Crisil Intelligence projects the market share of jewellery retail chains to increase to 45-50% by fiscal 2030, thereby gaining market share from the standalone players due to multiple advantages including better inventory management systems, access to more favourable credit terms on account of volume, better geographical reach and brand awareness.

Market share of gems and jewellery retail industry demand by various occasions

Jewellery consumption in India can be broadly divided into three categories: bridal, daily and fashion wear. All three categories offer different sizes, products and designs. Bridal wear leads with 50-55% market share, followed by daily wear (35-40%) and fashion wear (5-10%).

Bridal wear: Compared with daily and fashion wear jewellery, bridal wear jewellery is heavier, ranging from 30 to 250 gm with 23k, 22k and 18k variants. Weight and design of bridal jewellery also vary across different communities as brides across regions/communities wear different designs for their weddings.

Daily and fashion wear: Daily and fashion wear jewellery account for 45-50% of market share in the gems and jewellery retail industry in India. Jewellery in daily and fashion wear categories are lighter, ranging from 5–30 gm. big jewellery chains have increased their focus on daily and fashion wear jewellery due to the increase in working women, consumer exposure to global designs and rise in per capita income. Rise in internet and smartphone usage has led to rapid rise in the online jewellery market with key focus on daily and fashion wear jewellery.

Gems and jewellery retail industry can also be segmented by type of jewellery. In India, necklace, bangles, chains, earrings and finger rings are the top jewellery type in terms of retail sales. Bangles and chains have the highest share by retail sales in jewellery type with 30-40% market share of each category in the market, followed by necklaces with 15-20% of the market share. Earrings and finger rings have market share of 5-15% each.

Market share by retail sales of gems and jewellery industry retail by jewellery type (FY26)

Ornaments	Necklaces	Bangles	Chains	Earrings	Finger rings
Market share	15-20%	30-40%	30-40%	5-15%	5-15%
Range of weights	25–250 gm	8–25 gm	10–50 gm	2–30 gm	2–15 gm
Most common weights	30–60 gm	10–15 gm	10–20 gm	3–8 gm	3–7 gm

Source: Secondary research, Crisil Intelligence

Jewellery consumption in India is affected by various factors such as per capita income, traditions and regions. These factors are different for various states in the country, leading to difference in consumption of jewellery products. Among the four regions in India, the southern region has the highest market share in jewellery consumption, 38-43% market share, followed by the western region at 22-27%. Northern region has 18-23% share in jewellery consumption, while East India has the smallest market share of 13-17%.

Overview of South India gems and jewellery retail industry

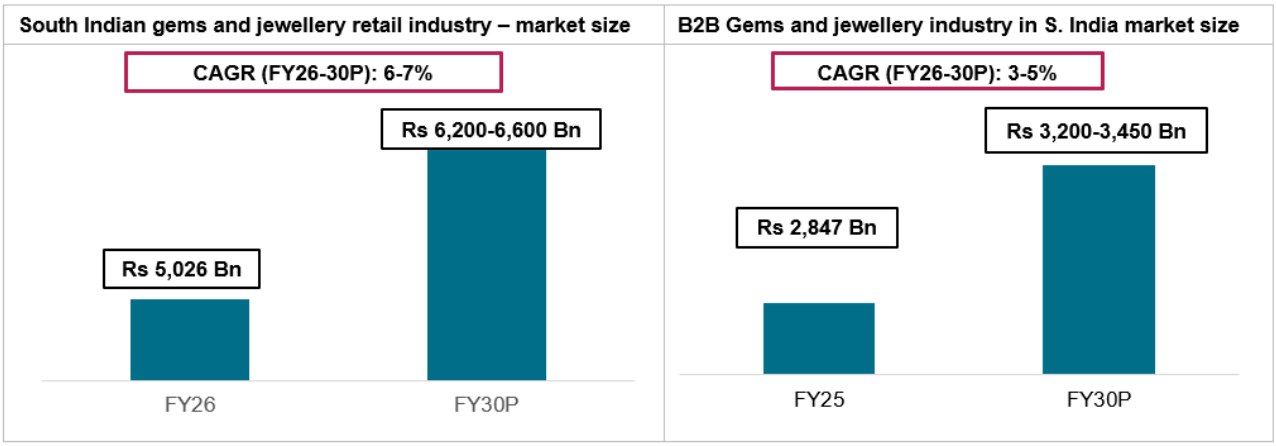
The Southern region in India, which includes Tamil Nadu, Kerala, Andhra Pradesh, Karnataka Telangana, and Puducherry, contribute ~30% to India's GDP. In FY25, Maharashtra, Tamil Nadu and Karnataka were top rankers in terms of gross state domestic product (GSDP) at constant prices among the states for which the data was available. For FY2026–27, Maharashtra's GSDP is projected at ₹54.1 trillion, growing 6% year-on-year, while Andhra Pradesh's GSDP is estimated at Rs.19.8 trillion, reflecting a stronger growth rate of 12%.Karnataka, Tamil Nadu, Telangana, Andhra Pradesh and Himachal Pradesh were among the top five states among the selected states for which data was available for FY25 in terms of per capita NSDP (Constant) growth, they registered CAGR of 6.5%, 5.9%, 5.7%, 5.7% and 4.9% respectively over FY12 to FY25.

Consumer trends in the South Indian jewellery market

Consumers in South Indian states buy jewellery during various festivals. These festivals include Pongal, Onam, Ugadi, Akshaya Tritiya, Dhanteras/Diwali etc. Such festivals promote jewellery purchase in the region as these days are considered auspicious for jewellery purchases. For example, Vaddanam, also known as Oddiyanam, is a traditional and ornate waist belt jewellery predominantly worn by women in South India, especially during weddings and special occasions and it symbolizes wealth, grace and auspiciousness, often passed down as a treasured heirloom through generations. Some of the key demand drivers of Vaddanam includes growing popularity in weddings and festivals, shift towards lighter and more versatile designs, increasing appeal among younger and fashion sensitive consumers and availability at varied price points thereby providing wider customer base

South India gems and jewellery industry is projected to grow at CAGR of 13-15% between fiscals 2025 and 2030

The gems and jewellery retail industry in South Indian region was valued at Rs 5,026 billion in fiscal 2026, which is about ~40% of the overall gems and jewellery industry in India. The sector is estimated to grow at a CAGR of 6-7% between FY26 and FY30 with the overall market size projected to surge to Rs. 6,200 – 6,600 billion by FY30. The growth is expected to be propelled by South India's deep-rooted cultural affinity for gold, its vibrant weddings and festive demand cycles. With established jewellery hubs, a growing middle class and the increased penetration of organized retail, South India stands out as a critical growth driver for the broader Indian Jewellery market.



Jewellery retail chains have a dominant share in gems and jewellery industry in the South India region

Jewellery retail chains have seen significant expansion within the South Indian gems and jewellery industry, driven by heightened consumer awareness around hallmarking and a rising preference for organized, branded outlets. This shift reflects the region's strong demand for certified products and the growing trust in retail chain formats that promise quality assurance, transparent pricing and wide assortments. Jewellery retail chains have considerable share accounting for 54-59% share of the south Indian gems and jewellery market in fiscal 2026. On the other hand, standalone stores had a share of 41-46% in fiscal 2025. As the industry continues to evolve, this trend is expected to persist, with jewellery retail chains further consolidating their position in the market. By fiscal 2030, their share is expected to increase to 58-63%, while standalone stores are expected to see a corresponding decline to 38-43%. This shift underscores the growing preference for organized retail formats in the South Indian gems and jewellery market, driven by consumer demand for quality, transparency, and convenience. As a result, jewellery retail chains are likely to remain the dominant players in the region, with their strong brand presence, wide distribution networks, and commitment to quality assurance continuing to drive growth and expansion.

Break up of South India gems and jewellery retail industry for fiscal 2026 and fiscal 2030

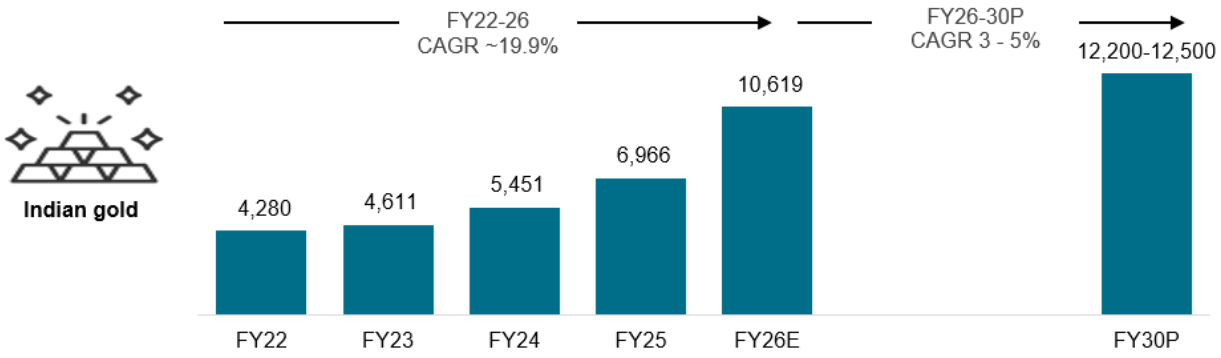
Retail chains: A jewellery chain is defined as a branded retail business that operates multiple outlets under a single ownership, with centralized management following common pricing, service standards, merchandising and branding
Standalone stores: Independent retail outlet operating under its local brand with zero or limited sister outlets under the same brand.
Source: Crisil Intelligence

Outlook on Indian gold jewellery retail market

The Indian gold jewellery retail industry is valued at Rs 10,619 billion in fiscal 2026 with demand of 721 tonne gold. The demand in this industry highly depends on gold prices, with changes in gold prices impacting demand. In fiscal 2022, as the pandemic and economic situation improved, the pent-up demand in gold jewellery led to 50.3% growth in volume of gold demand, which compensated for decrease in gold prices, leading to ~48.1% increase in market size of Indian gold jewellery retail industry. In fiscal 2024, the gold industry saw a robust growth on account of both volume and price increase resulting in ~18% increase in gold retail industry.

On account of significant rise in prices which reached record highs during the year, the gold retail industry logged ~26% growth in fiscal 2025. Going ahead gold prices are expected to vary based on geopolitical events and other macroeconomic factors and hence prices are expected to remain volatile in near future. Overall, Indian gold retail industry is expected to log a CAGR of 12-14% from fiscal 2025 to fiscal 2030 and reach a size of Rs. 12,000-12,500 billion by fiscal 2030.

Demand and forecast trends for the Indian gold jewellery retail industry (FY22-FY30) (Rs. billion)



This includes gold jewellery, bars and coins.

Source: Crisil Intelligence

Despite global macroeconomic uncertainties, including geopolitical tensions, inflationary pressures, and subdued consumer demand in key export markets, the gems and jewellery industry remained a significant contributor to India's merchandise exports. In fiscal 2025, gems and jewellery exports declined to approximately Rs. 2.58 trillion from Rs. 2.67 trillion in fiscal 2024, primarily due to weak demand for cut and polished diamonds in major export destinations such as the United States and China. While gold jewellery exports demonstrated resilience, the overall export performance was impacted by the slowdown in the diamond segment.

The industry continues to be heavily dependent on imported raw materials, particularly rough diamonds used by India's diamond processing sector. Consequently, imports declined substantially in fiscal 2025 in line with lower export demand from the cut and polished diamond segment.

In fiscal 2026, the industry witnessed a mixed recovery. Imports increased to approximately Rs. 2.02 trillion from Rs. 1.53 trillion in fiscal 2025, reflecting improved procurement of raw materials and inventory replenishment by manufacturers. However, exports remained under pressure and declined further to approximately Rs. 2.44 trillion from Rs. 2.58 trillion in the previous year. The continued softness in exports indicates that demand conditions in key international markets remained challenging despite signs of stabilization in global economic activity.

Demand drivers for gems and jewellery retail industry in India

Demand drivers	Description
Key events, including weddings and festivals	In India, jewellery manufacturers experience strong demand cycles aligned with weddings, festivals, birth occasions, and the harvest season. The seasonal nature of these events creates year-round business opportunities for manufacturers and wholesalers.
Rise in disposable income	India's per capita income grew to Rs 193,480 in fiscal 2025 from Rs159,557 in 2023, logging a 6.6% CAGR. With an increase in per capita income, disposable income levels increase, enabling consumers to spend more on luxury items such as diamond and gold jewellery.
Financial security	Indian jewellery manufacturers benefit from the fact that gold is widely perceived as a safe and stable investment, owing to its intrinsic value against inflation and economic downturns. This cultural and financial perception sustains consistent demand from retailers and distributors, ensuring steady business for manufacturers.
Government support	The government has introduced various key initiatives to promote growth in the Indian jewellery manufacturing sector. The implementation of GST has simplified taxation for manufacturers and wholesalers. In addition, the mandatory hallmarking of gold jewellery and related items has strengthened credibility across the supply chain.
Rising urbanisation	The urban population in India is projected to increase to ~40% by 2030 from ~31% of the total population in 2010, according to a UN report on urbanisation. The influx of migrants in metros results in the rise of economic opportunities for workers, leading to availability of higher disposable incomes. The rise in disposable income due to urbanisation leads to demand in jewellery consumption.
E-commerce and digitalisation	Rise in smartphones and internet penetration have led to demand of jewellery online platforms, where brands can display their merchandise to consumers across regions, especially where it does not have a physical store, facilitating an online buying option though various modes of e-payment.
Rise in preference for branded jewellery	Indian jewellery buyers become increasingly brand conscious and design-driven, manufacturers catering to this trend continue to see higher demand for their products. Furthermore, consumers, especially the millennials, follow various global influencers for key styling and design trends, the exposure of which increases demand.

Key challenges and entry barriers in gems and jewellery retail industry

- The gems and jewellery retail industry in India faces several key challenges and risks. One of the primary concerns is the availability of raw materials, as a large percentage of raw materials required for jewellery manufacturing are imported due to limited local supply. This high dependence on imports creates challenges for manufacturers, including vulnerability to regulation changes that may restrict the supply of diamond and gold. Additionally, raw material costs account for the largest share of the manufacturing cost structure, making it challenging for Indian manufacturers to stay competitive in the international market.
- Furthermore, the industry faces challenges related to working capital and credit, as profitability depends on efficient management of working capital and access to timely credit. Intense competition is another significant challenge, with branded retail chains expanding aggressively and sourcing from multiple manufacturers. The industry also faces pricing risks due to fluctuating gold and silver prices, which can impact margins and production planning.
- Additionally, the industry is highly regulated with evolving laws and regulations. Hence, any unanticipated regulatory changes also have significant effects on the jewellery manufacturing industry in India.
- Key entry barriers in the gems and jewellery retail industry include high working capital requirements, limited availability of skilled labour, in-house design capabilities, established customer relationships, and access to an adequate supply of precious metals.

These challenges and entry barriers highlight the complexities of the gems and jewellery retail industry in India.

Key regulations impacting the gems and jewellery industry in India

Foreign Direct investment (FDI) Norms: The government allows 100% FDI in the gems and jewellery industry under the automatic route under which FDI can be made without the RBI's approval. Due to this, the gems and jewellery industry is the second-largest foreign exchange earner in India.

Impact of GST: GST replaced multiple indirect taxes with a unified structure consisting of CGST, SGST, and IGST. Gold jewellery currently attracts 3% GST, while making charges are taxed separately. The reform improved transparency, reduced tax cascading, and accelerated the shift from unorganized to organized players, as larger retailers were better positioned to manage compliance requirements.

Gold import norms and custom duties: Since India imports the majority of its gold requirements, changes in customs duties directly affect gold prices and jewellery demand. The government reduced gold import duty from 15% to 6% in July 2024, one of the steepest reductions in recent history. Lower duties reduce procurement costs for jewellers, improve affordability for consumers, and support industry demand. Effective May 13, 2026, the Indian government reversed the July 2024 duty cut, raising the effective import duty on gold back to 15% (with an overall tax burden of ~18.4% including GST). This was done to ease pressure on foreign exchange reserves and narrow the trade deficit amidst global economic challenges.

RBI Gold Import & Bullion Regulations: RBI regulates gold imports and authorizes select banks to import gold into India. Currently, 17 banks are authorized to import gold, including SBI, HDFC Bank, ICICI Bank, Axis Bank, PNB, Union Bank, and Kotak Mahindra Bank. RBI policies influence gold availability, bullion liquidity, sourcing costs, and overall market stability.

Latest budget provisions: Budget announcements frequently impact the sector through changes in customs duties, tariff structures, and import regulations.

Gold monetisation scheme: On November 5, 2015, the government of India launched the Gold Monetisation Scheme (GMS) with an objective to make productive use of gold stored by households and institutions in bank lockers. Individuals/institutions can deposit their gold under a short term (1-3 years) bank deposits, medium term (5-7 years) and long term (12-15 years) deposits to earn interest. The rate of interest on these deposits is chosen by the Central government.

Training by government agencies: In 2012, the government set up the Gem and Jewellery Skill Council in India, currently working under the Ministry of Skill Development and Entrepreneurship (MSDE), to promote skill development among workforce in the Indian gems and jewellery industry. The key mission of this council is to organise a training-and-development ecosystem in the gems and jewellery industry to produce workforce at global quality standards. The council covers skilling the workforce for all areas of this industry, such as diamond processing, coloured gemstone processing, jewellery manufacturing, wholesale, retail, and exports.

BIS scheme for hallmarking of jewellery: In June 2021, the government mandated hallmarking of gold jewellery for six categories (14k, 18k, 20k, 22k, 23k, 24k). In April 2023, the government mandated the Hallmarking Unique ID (HUID) code for gold jewellery and other items. HUID code is a six-digit alphanumeric code, which is marked on jewellery item. This code enables consumers to check for authenticity for HUID on hallmark jewellery through the BIS care app. Such hallmarking of jewellery promotes the standardisation of gold across the country and enable tracking and auditing for the government.

SWOT analysis of jewellery retail chains in gems and jewellery retail industry in India

The gems and jewellery retail industry in India presents a complex landscape for jewellery retail chains. On the one hand, these chains have several strengths, including a presence across regions, strong brand recall, access to new-age technologies, and a perception of trust and quality among consumers due to the sale of hallmarked and certified products. However, they also face weaknesses, such as high capital intensity, intense competition, and limited pricing power due to the commoditized nature of gold. Despite these challenges, opportunities abound, including a shift in consumer preference towards organized players, rising disposable incomes, and growing demand for premium and customized jewellery products. Jewellery retail chains can also leverage online channels to cater to consumers seeking daily and fashion wear jewellery. Nevertheless, threats such as unanticipated regulations, a shift towards artificial/fashion jewellery, and macroeconomic factors like rising inflation and declining economic growth can impact demand and profitability.

Competitive assessment of players

In this section, we compare select key players in the domestic Indian B2B gems and jewellery industry. Data has been sourced from publicly available information, including annual reports and investor presentations of listed players, regulatory filings, rating rationales, and/or company websites. The financials in the competitive section have been considered as per reported line items within annual reports (balance sheet, and P&L statement line items), and quarterly filings published by respective players. The following formula has been used for calculating financial KPIs. These are not standard formulae used by Crisil. The formulae used in the current assessment are based on the formulae adopted by the client and are mentioned below and below each parameter table.

- Operating EBITDA = PBT + Finance Cost + Depreciation & Amortization - Other Income
- Operating EBITDA Margin = EBITDA / Revenue from Operations
- PAT Margin = PAT / Total Income
- ROE = PAT / Average Total Equity at the beginning and end of period
- ROCE = EBIT / Average Capital Employed at the beginning and end of period
- EBIT = PBT + Finance Cost
- Capital Employed = Total Equity + Short Term Debt + Long Term Debt
- Debt to Equity Ratio = Total Debt / Total Equity
- Inventory holding period (days) = 365/ (COGS/Average Inventory at the beginning and end of period)
- Debtors holding period (days) = 365/ (Revenue from Operations/Average Trade Receivables at the beginning and end of period)
- Creditors holding period (days) = 365/ (COGS/Average Trade Payables at the beginning and end of period)
- COGS = Cost of Material Consumed + Purchase of Stock-in-trade + Changes in Inventories of Finished Goods, Work in Progress and Stock in Trade
- Net Operating Cycle (Days) = Inventory Days + Debtor days - Creditor Days

2. Assessment of gems and jewellery industry in India

Evolution of gems and jewellery retail industry in India

Till 1990s	1990-2000	2001-2010	2011-Present
Till 1990s, the gems and jewellery industry comprised of the family based standalone jewellers, offering limited set of designs along with credit schemes for their consumers. The industry faced some key issues such as unclear pricing, noncompliance of government taxation laws, gold under-cartage etc.	In 1990s, the jewellery retail chains started emerging in India. In mid-1990's, organized retail brands started in India. In the year 2000, the BIS introduced the gold hallmarking scheme, after which some jewellery retail chains started offering the hallmarked jewellery on stores, distinguishing themselves from standalone jewellery stores.	During 2001-2010, many regional jewellery retail chains started opening stores in other regions, expanding their retail footprints. Jewellery retail chains brands also started to launch various sub-brands to cater different consumer market in India. Some of the jewellery retailers started catering urban consumers with premium products while some brands focused on mass market with low to mid price products.	Since 2011, government reforms have accelerated the formalisation and organised growth of India's jewellery retail industry. Key initiatives include GST (2017), mandatory BIS hallmarking, and digital KYC/PAN norms for high-value transactions. Recent revisions in gold import duties (2026) and stricter import regulations continue to influence pricing, inventory planning, and industry dynamics.

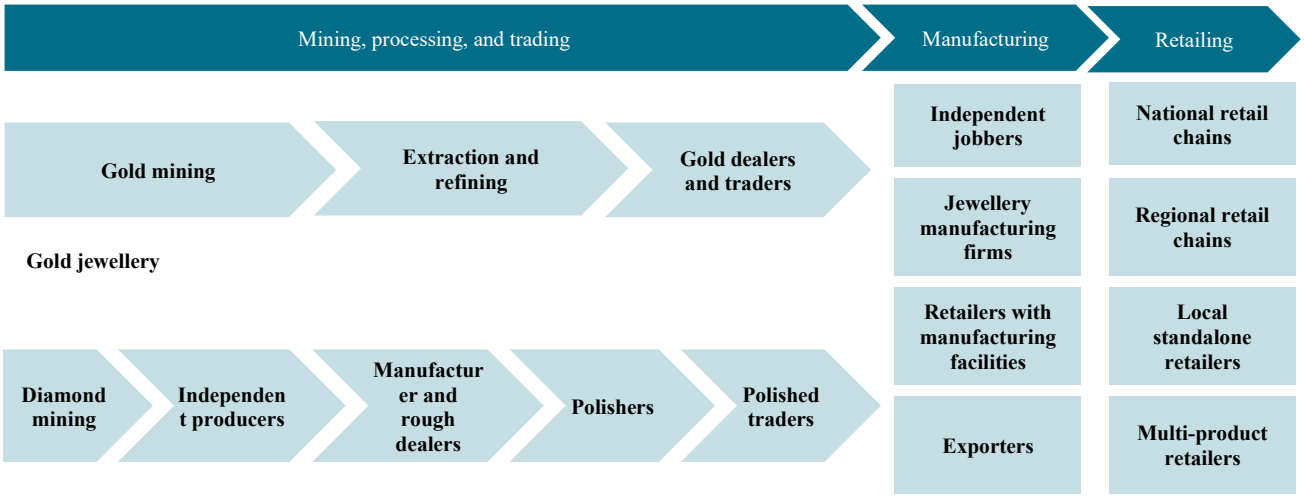
Overview of gold, diamond and studded jewellery value chain

Gold and diamond processing



Source: Secondary research, Crisil Intelligence

The value chain for gold and diamond industry starts with mining of these minerals. Gold after mining goes for extraction and refining. Then this metal goes to independent jobbers, manufacturing firms/players and exporters through gold dealers and traders. These jobbers, manufacturing firms sell gold jewellery and other items to national/regional retail chains, local standalone retailers and multiproduct retailers.

Diamond after mining through independent producers goes to manufacturers and rough dealers. After manufacturing, diamonds are then taken by polishers, which sell these diamonds after polishing them to independent jobbers, jewellery manufacturing firms/players and exports through polished traders. Similar to gold value chain, these diamonds jewellery and other items are sold to consumers through national/retail chains, local standalone players and multi-product retailers.

Availability of superior craftsmanship in India

Indian jewellers possess family knowledge of the industry passed on to them since generations. The Indian gems and jewellery sector has worldwide acclaim due to the superior techniques adopted by jewellers for polishing and cutting and availability of skilled craftsmen. The high skillset of Indian craftsmen is the reason why Indian jewellers are held in high regard. Indian craftsmen manually cut and polish diamonds and gems, which is a distinctive feature of the industry in the country. High diamond processing leads to higher exports and increases the foreign exchange reserve for the country.

Craftsmen in the Indian gems and jewellery industry provide high quality products at competitive prices, enabling cost effectiveness in the industry. This cost effectiveness further increases the status of Indian gems and jewellery industry in global markets. This industry also provides jobs across the value chain of the gems and jewellery industry.

Review of B2B Gems and jewellery market in India

B2B Gems and jewellery industry grew at CAGR of 24.6% between fiscals 2022 and 2026

The B2B gems and jewellery industry in India, comprising manufacturers and wholesalers, has demonstrated strong growth in recent years, with market size increasing from Rs 3,030 billion in FY22 to Rs 7,301 billion in FY26. This expansion was primarily driven by rising demand from the retail segment up to FY25, while the sharp uptick in FY26 was largely attributable to higher gold prices.

During FY22-FY26, the industry witnessed a compound annual growth rate (CAGR) of 24.6%. This growth was driven by factors such as the rise in gold prices, deferred purchases related to bridal jewellery, and an increase in disposable income of consumers. The industry saw a dip in demand during FY20 and FY21 due to high gold prices and the pandemic impact, but it quickly recovered in FY22. The market size continued to grow, reaching Rs 7,301 billion in FY26. From FY26 to FY30, the industry is expected to sustain moderated growth, with a projected CAGR of 2–3%. This trajectory is likely to be supported by multiple factors, including stabilisation of gold prices leading to release of deferred demand, increasing traction from organised retailers, growth in exports, and the gradual emergence of new markets.

B2B gems and jewellery industry in India – market size trends (FY22-FY30) (Rs. billion)

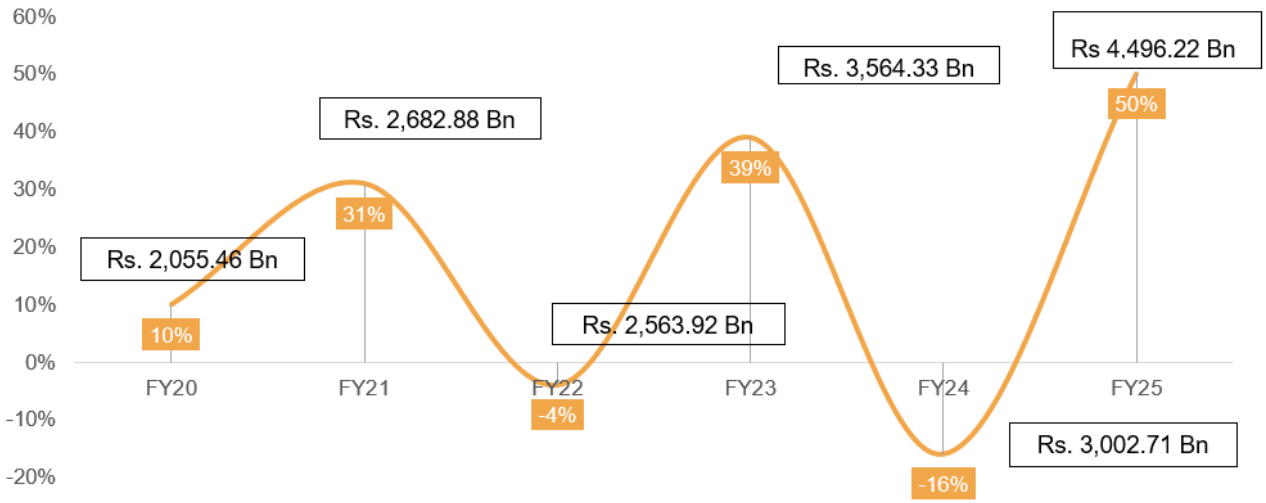
Overview of B2B gems and jewellery players in India

The gems and jewelry industry in India is a significant contributor to the country's economy, with a large domestic market and a substantial export-oriented sector. The industry is characterized by a mix of large manufacturers, exporters and innovative online wholesalers serving both domestic and international markets. Major players operate from hubs like Mumbai, Surat, Jaipur and Chennai, offering integrated supply chains, design customization and export scalability. Digital

transformation, including adoption of e-commerce platforms, virtual try-ons and AI-powered personalization, is reshaping bulk ordering, catalog management and cross border trade in the B2B gems and jewellery space.

Review of sales and growth rate of key jewellery B2B wholesaler

Aggregate sales revenue and growth of key jewellery manufacturers and wholesaler in India from FY20-25



Note: Aggregate sales includes 18 companies which are Rajesh exports limited, Emerald Jewel Industry India Limited, Shineshilpi Jewellers Private Limited, Unique chains and Jewels Ltd, Sky Gold and Diamonds Limited, Shringar House Of Mangalsutra Limited, ORO Precious Metals Private Limited, Khazanchi Jewellers Ltd, Swarnsarita Jewels India Limited, Shanti Gold International Limited, Anja Jewels Private Limited, Derewala Industries Limited, RBZ Jewellers Limited, Shree Omkar Jewellers Private Limited, Uday Jewellery Industries Limited, Ashapuri Gold Ornaments Ltd, Shree Mangal Jewels Private Limited, Utssav CZ gold Ltd for FY20-FY25;
Financials for unlisted players for FY26 were not released at the time of the report update in June-26; accordingly, FY26 has not been included
Source: Crisil Intelligence

The Indian B2B jewellery wholesale and manufacturing segment has demonstrated a volatile yet resilient growth trajectory over FY20–FY25, reflecting the sector's sensitivity to gold prices, export demand, inventory cycles, and broader macroeconomic conditions. Aggregate revenues of leading companies increased significantly from Rs. 2,055.46 billion in FY20 to Rs. 4,496.22 billion in FY25, despite intermittent corrections during the period. Revenues stood at Rs. 2,682.88 billion in FY21, Rs. 2,563.92 billion in FY22, Rs. 3,564.33 billion in FY23, Rs. 3,002.71 billion in FY24, and Rs. 4,496.22 billion in FY25. The corresponding year-on-year growth rates were 10% in FY20, 31% in FY21, -4% in FY22, 39% in FY23, -16% in FY24, and 50% in FY25, highlighting the industry's cyclical nature while demonstrating a substantially larger revenue base than in the pre-pandemic period.

The strong growth recorded in FY21 was supported by the revival of export orders, retailer restocking, and robust domestic demand driven by festive and wedding-related purchases following the initial COVID-19 disruption. However, the industry witnessed a modest contraction in FY22 due to elevated gold prices, supply-chain challenges, and intermittent demand weakness across key markets. Growth rebounded sharply in FY23, supported by healthy export demand, improved capacity utilisation, and increasing consumer preference for lightweight, machine-made, and design-led jewellery. The growing inclination of domestic and international retailers toward organised and reliable manufacturers further benefited established B2B players capable of ensuring consistent quality, timely delivery, and large-scale order execution.

Revenue moderated in FY24, declining by 16% year-on-year, primarily due to the high base effect of FY23, global economic uncertainties, cautious inventory stocking by retailers, and volatility in gold prices. Despite this correction, industry revenues remained materially above FY20 levels, underscoring the structural expansion achieved by the sector since the pandemic period. India continued to strengthen its position as a global jewellery manufacturing hub, supported by a large skilled workforce, competitive production capabilities, strong design expertise, and the increasing role of organised manufacturers in both domestic and export markets.

The sector witnessed a remarkable recovery in FY25, with aggregate revenues surging 50% year-on-year to Rs. 4,496.22 billion, the highest level recorded during the review period. The sharp rebound was driven by strong export demand, higher realisations resulting from elevated gold prices, improved order flows from international retailers, and increased capacity utilisation across organised manufacturers. The continued shift of retailers toward trusted and scalable suppliers, coupled with rising demand for machine-made and design-oriented jewellery products, further supported revenue expansion. The FY25 performance highlights the industry's resilience and ability to capitalise on favourable market conditions despite ongoing volatility in commodity prices and global economic trends.

Overall, the data indicates that the sector remains inherently cyclical, with revenue performance influenced by gold price movements, export demand dynamics, retailer inventory adjustments, and discretionary consumer spending patterns. Nevertheless, the medium- to long-term outlook remains favourable. India's strong positioning in the global jewellery value chain, growing international demand for Indian jewellery, increasing penetration of organised B2B manufacturers, and continued adoption of technology-led, machine-made, and design-driven production are expected to support sustainable growth. Established players such as Rajesh Exports, Emerald Jewel Industry India, Shineshilpi Jewellers, Unique Chains and Jewels, and other organised manufacturers are expected to continue driving industry scale and competitiveness, while the broader formalisation of the sector is likely to further strengthen long-term growth prospects despite periodic fluctuations.

Position of B2B suppliers in the overall gold, diamond and studded jewellery value chain

B2B suppliers sit strategically between gold dealers/ traders and a variety of downstream buyers, including independent jobbers, exporters, and retail focused businesses. These firms do not typically engage directly with end consumers, instead their main function is to manufacture finished jewellery products in bulk or in specialized runs, tailored to the demand of their business clients. By sourcing raw materials from upstream dealers, B2B leverage advanced manufacturing expertise, design innovation, and quality assurance processes to add value before delivering products to their commercial partners. B2B suppliers with in-house manufacturing have following advantages,

- Enhanced security and reduced pilferage: The B2B company maintains direct oversight of gold throughout every stage melting, casting, setting, and polishing. This allows for the deployment of security measures such as CCTV surveillance, biometric entry, RFID/barcode tracking, and restricted work areas. Such controls significantly decrease the risk of losses that can arise when tasks are outsourced to local craftsmen or job-work units.

- Reduced wastage and improved gold recovery: By managing processes internally and adhering to standardized procedures, operational waste is minimized. Advanced dust collection systems and efficient use of machinery contribute to higher rates of gold recovery.

- Labour cost savings: Producing in-house eliminates the additional premiums or commissions typically paid to external job-workers. Making charges are absorbed within the organization, boosting wholesale profit margins. Labour expenses become more predictable and manageable through fixed wages or structured pay systems.

B2B suppliers' output becomes the foundation for retail chains, standalone outlets, and export segments, supporting product variety, quality consistency and timely supply across the gems and jewellery industry. The critical position of these B2B suppliers lies in their ability to bridge the upstream commodity market with market facing retail businesses, facilitating efficient market access for manufacturers while ensuring retailers and exporters receive competitively designed and reliably produced jewellery aligned with current consumer trends.

B2B suppliers in the gems and jewelry industry in India typically partner with the following entities:

1. **Manufacturers**: Partnering with manufacturers to source raw materials, and to outsource manufacturing activities.

2. **Wholesalers**: Partnering with wholesalers to source products, and to expand reach and distribution.

3. **Retailers**: Partnering with retailers to understand consumer preferences, and to promote products.

4. **Suppliers**: Partnering with suppliers to source high-quality raw materials, and to manage supply chain risks.

5. **Industry Associations**: Partnering with industry associations, such as the Gem and Jewellery Export Promotion Council (GJEPC), to stay updated on industry trends, and to access export markets

Outsourced manufacturing has a dominant share in the overall gems and jewellery industry in India

India's wholesale gold jewellery manufacturing is characterised by a split between the organised and unorganised ecosystems, underpinned by a trade-off between control and capability. The unorganised sector comprised of numerous small manufacturers and artisans across hubs such as Mumbai, Jaipur and Kolkata; leverages traditional methods to produce intricate, hand-crafted designs aligned to regional preferences, supported by long-standing networks with local retailers. While these players often deliver strong design depth and responsiveness, they typically face constraints such as limited access to capital and greater exposure to price volatility. Organised national and regional retailers, in turn, prefer partnering with organised manufacturers that can assure quality consistency, timely production and the ability to execute large order volumes reliably.

Given this structure, most organised manufacturers do not fully internalise production; instead, they largely outsource estimated at 70–75% of manufacturing to smaller unorganised manufacturers to combine reliability and scale with embedded craftsmanship from the fragmented local supplier base. This outsourcing preference is also driven by economics: in-house manufacturing can support tighter quality control, better intellectual property protection and predictable lead times, but requires significant investments in infrastructure, technology and skilled manpower, limiting scalability. Outsourced manufacturing enables cost efficiencies and faster capacity scaling while providing access to specialised skills across the wider supplier network, albeit with challenges around quality assurance, intellectual property risks and coordination complexities. Consequently, many firms adopt a hybrid approach outsourcing most production for flexibility and economics while retaining in-house capabilities selectively for product lines where quality control and IP considerations are more critical further reinforced by a competitive, fragmented industry landscape and supportive sector initiatives such as those facilitated by the Gem and Jewellery Export Promotion Council (GJEPC).

Volume wise share of in-house jewellery manufacturing and outsourced manufacturing in the overall gems and jewellery industry in India for fiscal 2026

Overview of dependence of retailers on B2B supplier

The success of jewellery retailers in India is closely tied to the efficiency and capabilities of their B2B suppliers. Beyond providing bulk inventory, these suppliers play a pivotal role in enabling faster order execution, easing retailers' working capital pressures, and offering design innovation that keeps collections market relevant. The table below highlights the key dimensions of this dependence along with the underlying industry practices that support it.

Dimension	Retailer Dependence and Underlying Industry Practices
Order Execution Speed	Retailers rely on suppliers' ability to fulfill both bulk and customized orders within tight timelines, especially during high-demand periods such as weddings and festivals. Execution speed is enabled by suppliers' use of manufacturing automation, CAD/CAM prototyping, casting technologies, and just-in-time (JIT) production models, which minimize inventory risk for retailers. Additionally, suppliers with distributed hubs across jewellery clusters like Mumbai, Jaipur, Coimbatore, and Hyderabad ensure faster regional service, while agility in locking gold prices during volatile markets is critical to help retailers secure margins.
Working Capital Relief	Retailers depend heavily on B2B suppliers to ease capital requirements in a sector where bullion procurement ties up significant liquidity. Suppliers provide metal-on-loan facilities, consignment-based models, and structured credit arrangements that allow retailers to operate with reduced upfront capital. This support helps retailers maintain stock variety without overstretching cash flows. Flexible payment cycles and supplier-financed bullion ensure smoother operations, especially for mid-sized retailers in competitive and fragmented markets.
	Retailers require a continuous flow of new, trend-aligned, and regionally relevant designs to remain competitive. B2B suppliers deliver this through in-house design studios, 3D modelling, rapid prototyping, and AI-driven trend analytics, enabling high-volume SKU creation tailored to consumer preferences. Retailers leverage supplier catalogues and design IP to refresh inventory quickly without incurring high

Dimension	Retailer Dependence and Underlying Industry Practices
Design Variety & Innovation	design development costs themselves. Close collaboration also ensures festival-specific customization (Onam, Akshaya Tritiya, Durga Puja, Diwali), allowing retailers to capture localized demand surges.

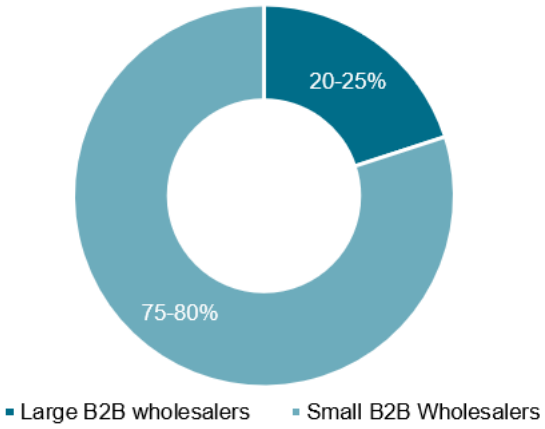
Large B2B wholesalers account for nearly one-fourth share in the B2B gems and jewellery industry

The B2B gems and jewellery market in India is marked by a distinct division between large and small wholesalers, as reflected in their B2B gems and jewellery market share for fiscal 2026. Large B2B wholesalers hold a value share of 20-25%, relying on their robust distribution networks, operational scale, and ability to efficiently meet the diverse requirements of retailers. On the other hand, small B2B wholesalers command a much larger portion of the market, with a share of 75-80%. This dominance can be attributed to their greater numbers, flexibility, and closer relationships with local retailers, enabling them to reach a wider customer base across the country.

Value wise share of large B2B wholesalers and small B2B wholesalers in the B2B gems and jewellery market in India for fiscal 2026



Note: Large B2B wholesalers are defined as players having more than Rs. 300 crore revenue

Key Success Factors for B2B Jewellery Manufacturers

B2B jewellery manufacturers operate in a supply-driven ecosystem where efficiency, scale, and reliability define competitiveness. Success depends on a combination of product strategy, operational integration, risk management, and manufacturing excellence. The following factors are central to sustaining growth and ensuring long-term viability.

Strategic Area	Focus Area	Key Success Factor
Product and Design Portfolio	Product Range	A broad product portfolio across rings, bangles, chains, and bridal sets allows manufacturers to meet the varied requirements of wholesale buyers and retailers. The ability to balance high-volume standardized designs with niche collections ensures relevance across multiple buyer segments.
	Market Alignment	Continuously refreshing collections in line with seasonal trends, cultural occasions, and regional preferences enables manufacturers to maintain strong buyer engagement and avoid obsolescence of designs. This adaptability helps in retaining long-term contracts with distributors.
	Standardization	Building catalogues with modular variations allows for faster turnaround when clients request small customizations. Standardized designs also streamline manufacturing, reducing complexity while still offering flexibility to buyers.
	Certification & Compliance	Ensuring that products carry recognized certifications such as BIS hallmarking or international quality standards increases buyer trust, reduces transaction risk, and supports entry into regulated export markets.

Strategic Area	Focus Area	Key Success Factor
In-house Design Capabilities	Design Infrastructure	Setting up in-house CAD/CAM facilities and rapid prototyping labs ensures that manufacturers can develop designs quickly, test feasibility before production, and maintain tighter control over the design process.
	Customization Capacity	The ability to co-create exclusive designs with retail chains and wholesalers strengthens partnerships and gives manufacturers preferred-supplier status, creating recurring order flows.
	Intellectual Property	Protecting proprietary designs through digital cataloguing, watermarking, and controlled client access safeguards against replication and helps in building brand equity among B2B partners.
	Speed-to-Market	Integrating design with production workflows allows manufacturers to reduce time from concept to sample delivery. This responsiveness supports buyers who want quick adaptation to emerging consumer trends.
Procurement Model and Hedging of Gold	Procurement Channels	Developing direct procurement linkages with bullion banks, refiners, or government-approved suppliers ensures consistent availability of gold, lowers procurement costs, and reduces dependence on intermediaries.
	Price Risk Management	Using financial instruments such as forwards, futures, and gold leasing agreements helps manufacturers stabilize input costs. This protects margins against bullion price volatility, which is a critical factor in large-volume B2B contracts.
	Working Capital Management	Aligning procurement cycles with production schedules optimizes liquidity and reduces inventory holding costs, allowing manufacturers to maintain steady operations without overexposing themselves to gold price fluctuations.
	Traceability	Implementing traceable sourcing of responsibly mined or recycled gold strengthens compliance with global ESG standards and makes the manufacturer a preferred supplier for international retailers with ethical sourcing requirements.
Manufacturing Footprint and Capabilities	Production Scale	Building modular manufacturing units that can expand capacity in line with demand ensures scalability while keeping costs aligned with order flows. This flexibility is important for serving both high-volume buyers and customized contracts.
	Technology Adoption	Deploying advanced technologies such as automated casting, laser cutting, 3D printing, and precision finishing improves production efficiency, reduces wastage, and enhances design accuracy.
	Quality Control	Implementing multi-stage quality checks with precision testing and certification processes ensures consistency across large batches. This reliability reduces rejection rates and increases buyer confidence in repeat orders.
	Geographic Distribution	Locating facilities in proximity to skilled labour clusters and export hubs lowers logistics costs and shortens delivery cycles. A distributed footprint also helps mitigate operational risks tied to regional disruptions.

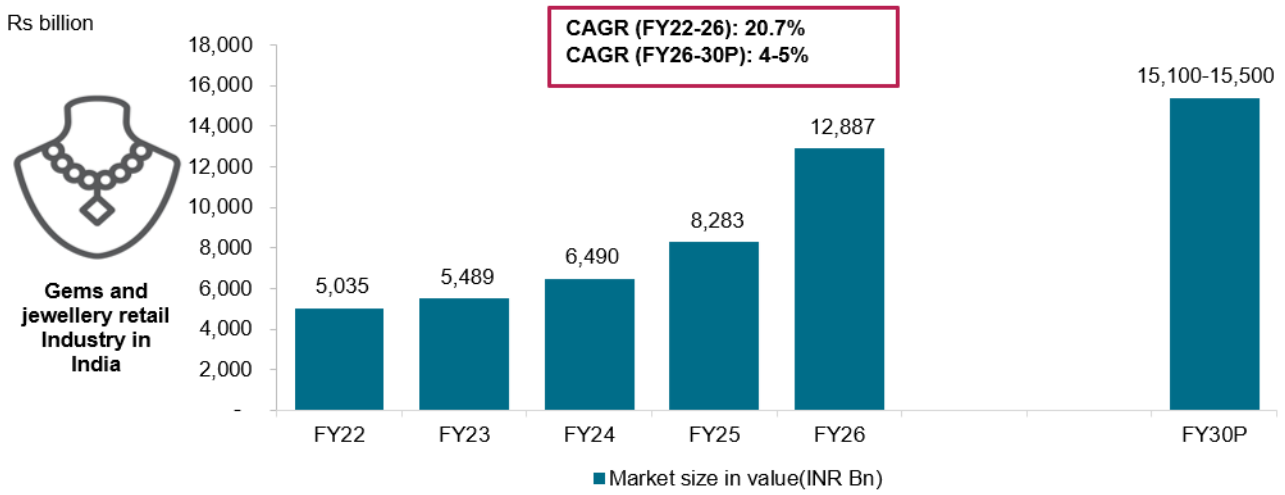
Demand in gems and jewellery retail industry in India

Gems and jewellery retail industry clocked 20.7% CAGR between fiscals 2022 and 2026

The gems and jewellery industry in India holds immense economic and cultural significance. This industry contributes to country's GDP and employment generation, particularly for artisans and craftsmen. India is among the leading countries for production and export of gems and jewellery. Gems and jewellery serve as a symbol of status, wealth and adornment in Indian society, making it an integral part of celebrations, ceremonies and everyday life.

Indian gems and jewellery retail industry – market size trends



Note: The price of gems and jewellery products includes making charges
Indian gems and jewellery retail industry includes jewellery made from gold, diamond, silver, platinum and other precious stones along with gold bars and coin
Source: Crisil Intelligence

The Indian gems and jewellery retail industry was estimated at Rs 12,887 billion in fiscal 2026, with gold jewellery continuing to dominate overall consumption. The sector's performance remains closely linked to gold price movements, wedding-led demand, festive purchases, disposable income trends and consumer sentiment. In fiscal 2026, demand has decreased; however, increase in gold prices supported growth in value terms. The market recovered sharply after pandemic in fiscal 2022, led by deferred purchases, particularly bridal jewellery, along with improvement in consumer sentiment and disposable income. In fiscal 2023, the industry grew by 9% in value terms, primarily supported by higher gold prices, while fiscal 2024 witnessed robust momentum, with overall industry growth of 18%, aided by both volume expansion and price-led growth, indicating strong domestic consumption.

The industry remains largely dominated by standalone, family-owned jewellers, reflecting the long-standing trust Indian households place in local retailers for personalised service, regional design preferences and relationship-based purchases. However, the market is gradually moving towards greater formalisation, with national and regional jewellery retail chains gaining share. This shift is being driven by stronger brand recall, broader product offerings, transparent pricing, assured quality and a more standardised retail experience.

Regulatory reforms such as the Goods and Services Tax, mandatory hallmarking and Hallmark Unique Identification have further accelerated the transition towards organised retail by improving transparency, quality assurance and consumer confidence. At the same time, online jewellery retailing is gaining traction, particularly among younger and urban consumers. Digital platforms are increasingly being used for product discovery, design comparison, price transparency and smaller-ticket purchases, supported by rising acceptance of lightweight, daily-wear and fashion-led jewellery. However, high-value bridal and investment-led gold purchases continue to remain largely store-led, given the importance of trust, physical verification and personalised consultation in such transactions.

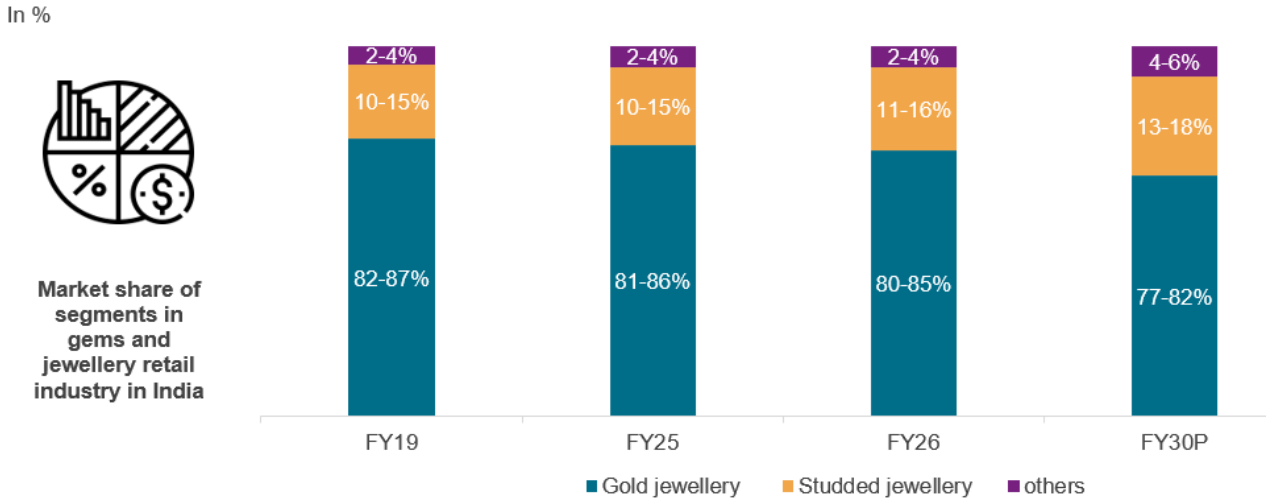
Demand for jewellery in India remains structurally supported by deep cultural and social traditions, with purchases closely linked to weddings, festivals, births, harvest-related occasions and other auspicious events. Over the long term, rising disposable incomes, urbanisation, increasing exposure to global designs, greater participation of women in the workforce, and the expansion of organised retail and omnichannel formats are expected to support sustained growth in the industry.

Key segments within gems and jewellery retail industry in India

Gold jewellery continues to dominate the gems and jewellery retail industry

Indian gems and jewellery retail industry is broadly divided into three categories: gold jewellery; studded jewellery, which includes diamond, coloured gems and gemstone jewellery; and other jewellery, which includes platinum jewellery, silver jewellery, etc. In India, gold jewellery has traditionally dominated the gems and jewellery retail industry with 80-85% market share. The studded jewellery segment, typically, has higher gross margin compared to gold jewellery segment due to presence of precious stones such as diamond. The preference of studded jewellery varies across regions in India on account of cultural, fashion and other key trends.

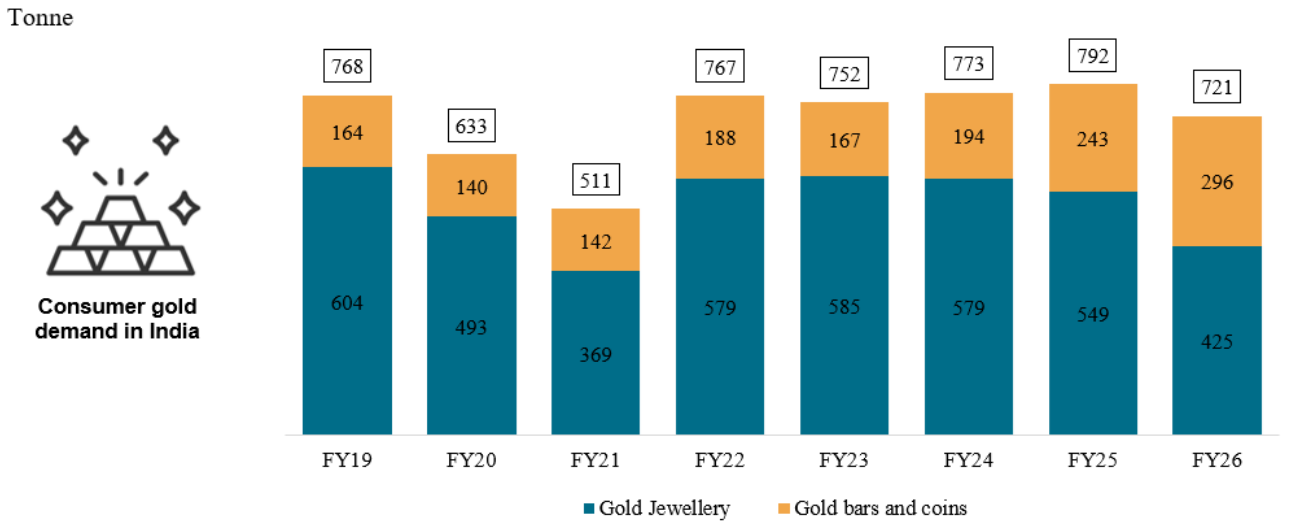
Market share of segments within gems and jewellery retail industry in India



Source: Crisil Intelligence

Unlike fashion jewellery, gold purchase in India extends beyond consumption, carrying significant savings value, particularly in rural areas where financial literacy and access to alternative savings options are limited. This cultural norm is ingrained in Indian markets and has resulted in gold being a major saving asset class in the country. Apart from serving as an asset, gold consumption is also driven by cultural and religious beliefs and consumer's trust in gold jewellery.

Gold demand trend in India



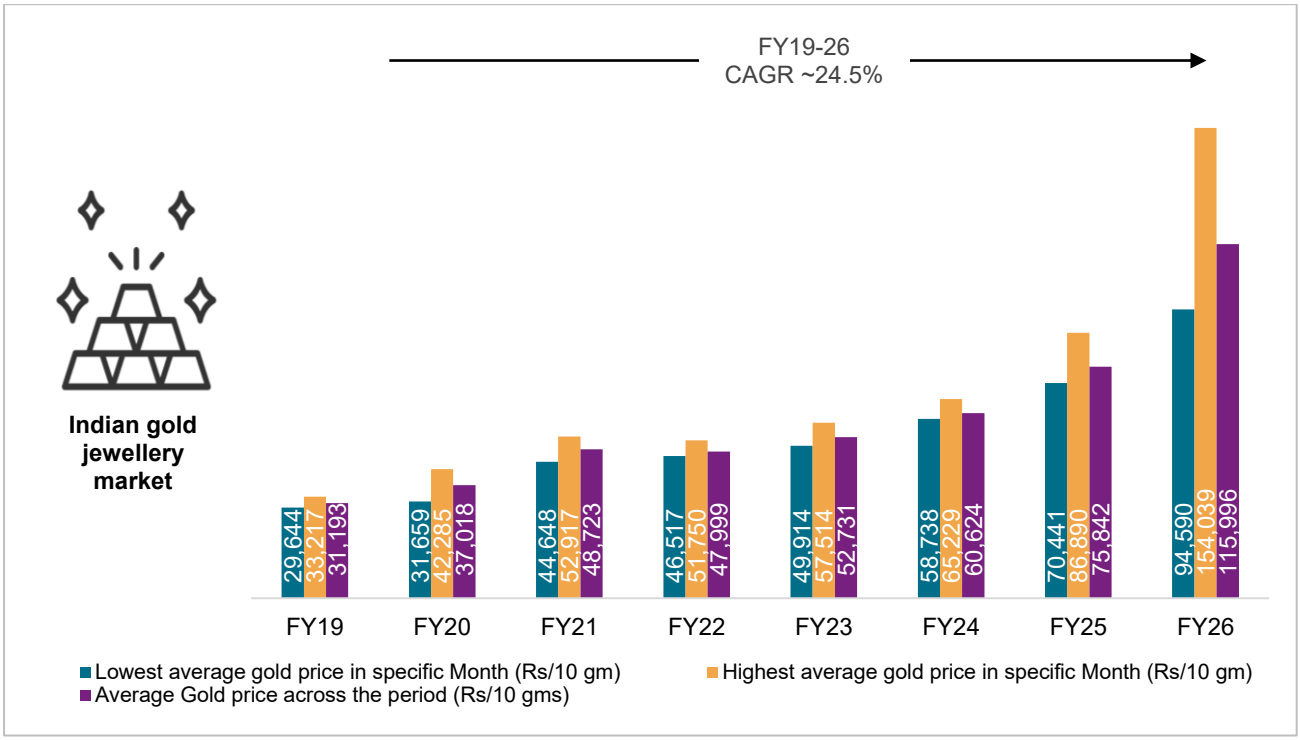
Source: World Gold Council, Crisil Intelligence

Following the strong rebound in fiscal 2022, gold demand moderated by 2.0% in fiscal 2023, largely owing to a significant rise in gold prices. During the year, the Government increased the import duty on gold from 7.5% to 12.5%, while the rupee depreciated by around 8% against the US dollar. These factors pushed domestic gold prices higher and weighed on consumer demand. In fiscal 2024, gold demand improved modestly, supported primarily by healthy growth in the gold bars and coins segment as investors increasingly viewed gold as a safe-haven asset amid economic uncertainty.

The positive momentum continued in fiscal 2025, with total gold demand reaching 792 tonnes, the highest level during the review period. Growth was driven by strong investment demand for gold bars and coins, which increased to 243 tonnes, while jewellery demand remained resilient at 549 tonnes despite elevated gold prices. Robust festive and wedding-related purchases, coupled with continued investor interest in gold as a hedge against inflation and global uncertainty, supported overall consumption.

However, in fiscal 2026, total gold demand declined to 721 tonnes, primarily due to a moderation in jewellery consumption, which fell to 425 tonnes as record-high gold prices affected affordability and discretionary purchases. Despite the decline in jewellery demand, investment demand continued to strengthen, with consumption of gold bars and coins increasing to 296 tonnes, reflecting sustained investor preference for gold as a store of value amid market volatility and economic uncertainty. The changing demand mix indicates a gradual shift toward investment-led gold consumption in India, even as jewellery continues to account for the majority of overall demand.

Price trend for the Indian gold jewellery retail industry



Note: Please note gold prices vary subject to various geopolitical events and macroeconomic factors.
E-Estimated, P-Projected

Studded jewellery

Apart from gold jewellery, the studded ornaments segment is gaining momentum. Growth is propelled by the younger population's preference for diamond studded gold jewellery. Such jewellery is generally crafted with 14k or 18k gold, instead of heavier 22k gold. There is a shift towards incorporating diamond studded jewellery into everyday use, reflecting urban millennial's preference for lighter and more affordable jewellery pieces. Studded jewellery offers a diverse range of style and prices points, catering to varied consumer preferences.

Market share of gems and jewellery retail industry demand by region

South India has the highest market share by region in Indian gems and jewellery retail industry

Jewellery consumption in India is affected by various factors such as per capita income, traditions and regions. These factors are different for various states in the country, leading to difference in consumption of jewellery products. Among the four regions in India, the southern region has the highest market share in jewellery consumption, 38-43% market share, followed by the western region at 22-27%. Northern region has 18-23% share in jewellery consumption, while East India has the smallest market share of 13-17%.

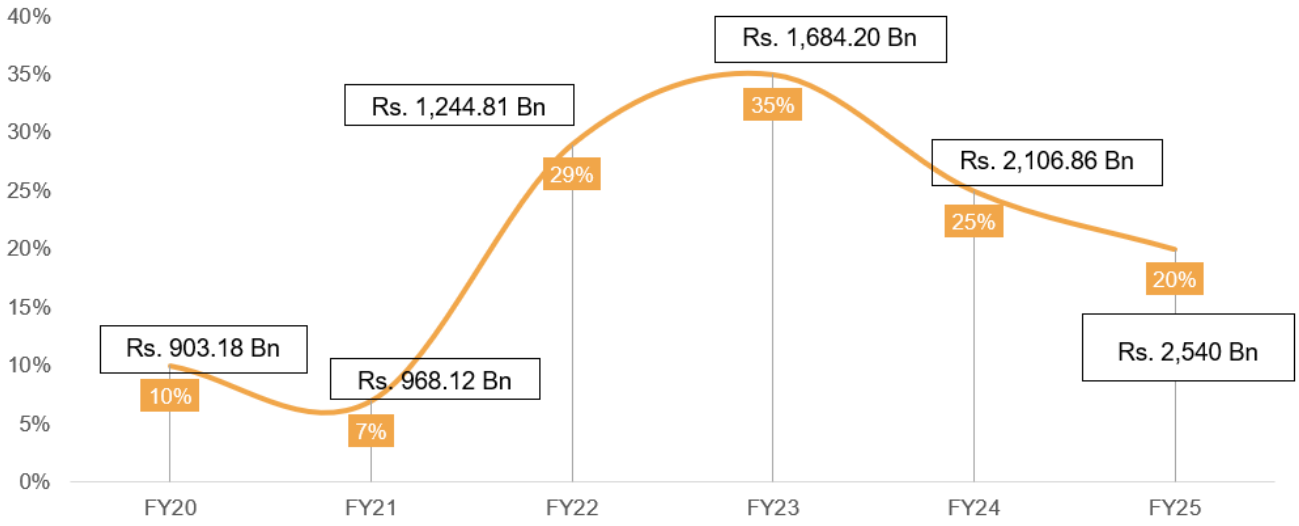
Review of sales and growth rate of select key jewellery retailers in India

Aggregate sales revenue and growth of key jewellery retailers in India from FY20-25



Note: Average of sales taken for Malabar Gold and Diamonds Pvt. Ltd., Titan Limited, GRT Jewellers India Pvt. Ltd., Kalyan Jewellers India Ltd., Lalithaa Jewellery Mart Limited, Joyalukkas India Limited, Khazana Jewellery Pvt. Ltd., PN Gadgil Jewellers Ltd., Senco Gold Ltd., Thangamayil Jewellery Ltd., Tribhovandas Bhimji Zaveri Ltd., and Manoj Vaibhav Gems N Jewellers Ltd., for FY20-FY25
Financials for unlisted players for FY26 were not released at the time of the report (June-26); accordingly, FY26 sales figures has not been included
Source: Crisil Intelligence

The Indian jewellery industry, represented by leading retailers such as Malabar Gold and Diamonds Pvt. Ltd., Titan Limited, GRT Jewellers India Pvt. Ltd., Kalyan Jewellers India Ltd., Lalithaa Jewellery Mart Limited, Joyalukkas India Limited, Khazana Jewellery Pvt. Ltd., PN Gadgil Jewellers Ltd., Senco Gold Ltd., Thangamayil Jewellery Ltd., Tribhovandas Bhimji Zaveri Ltd., and Manoj Vaibhav Gems N Jewellers Ltd., has exhibited a resilient growth trajectory over FY20–FY25. Aggregate sales revenue stood at Rs. 903.18 Bn in FY20, growing by 10% amid stable wedding and festive demand. Growth moderated to 7% in FY21 as pandemic-related disruptions constrained store operations and impacted consumer spending.

The industry witnessed a sharp rebound in FY22, with aggregate sales rising to Rs. 1,244.81 Bn and growth accelerated to 29%, supported by pent-up demand, improved economic activity, and gold's continued appeal as a preferred investment and consumption asset. Momentum strengthened further in FY23, when sales reached Rs. 1,684.20 Bn and growth peaked at 35%, driven by strong wedding purchases, festive demand, store expansion initiatives, and increasing consumer preference for organized and branded jewellery retailers.

Although growth moderated thereafter, the industry continued to expand from a significantly higher base. Aggregate sales increased to Rs. 2,106.86 Bn in FY24, reflecting 25% growth, while FY25 sales further climbed to Rs. 2,540 Bn, representing a healthy 20% year-on-year increase. The moderation in growth rates reflects normalization following the post-pandemic surge rather than any slowdown in underlying demand.

Overall, the trend demonstrates the industry's successful transition from the pandemic-induced downturn to a phase of sustained and broad-based growth. Despite a gradual easing in growth rates from the FY23 peak, aggregate sales have nearly tripled between FY20 and FY25, underscoring the structural strength of India's organized jewellery retail sector. Rising disposable incomes, favourable demographic trends, strong wedding-related purchases, festive demand, and continued market share gains by branded players are expected to support long-term growth. The FY25 performance indicates that the industry has entered a more mature growth phase characterized by revenue expansion, increasing formalization, and consumer trust in organized jewellery retailers.

Overview of select key jewellery retail players across each region

Player	Regional presence	No. of Stores (FY26)	Revenue (FY26/FY25) (Rs. million)	Brief profile
GRT Jewellers India Private Limited	South India	66[1]	343,256.3*	GRT Jewellers started operations in 1964 in Chennai. It operates in the South India
Joyalukkas India Private Limited	Pan-India, mostly in the south	111[2]	202,134.14*	Joyalukkas commenced operation in 2002 and has presence across multiple regions in India with a focus on southern states.
Kalyan Jewellers India Limited	Pan-India	507[3]	357,430	Founded in 1993, Kalyan Jewellers is an established jewellery retailer in southern India, with growing presence in other regions
Khazana Jewellery Private Limited	South India and Odisha	39[4]	102,455.303*	Khazana Jewellery started operations in 1976 at Nellore and opened its first retail store in 1989 in Chennai. The company mainly operates in South Indian region
Lalithaa Jewellery Mart Limited	South India	63[5]	168,973.17*	Founded in 1985, Lalithaa Jewellery is a jewellery retailer in South India offering gold, silver, diamond and other jewellery ranges
Malabar Gold Private Limited	Pan-India, mostly in the south	280[6]	662308*	Started in 1993 in Kerala, Malabar Gold is a gold jewellery retailer in India with retail stores across 12 countries
Manoj Vaibhav Gems N Jewellers Limited	South India	21[7]	27,440	Manoj Vaibhav Gems N Jewellers Limited started in 1994, with first store in Vishakhapatnam. The company operates stores across Andhra Pradesh and Telangana
PC Jeweller Limited	Pan-India	96[8]	33,529	PC Jeweller started operations in April 2005 with store in Karol Bagh, New Delhi. The company operates jewellery stores across India.
P N Gadgil Jewellers Limited	West India	78[9]	107,391	P N Gadgil was incorporated in October 2013. PN Gadgil is mainly a regional player with majority stores in West India.
Senco Gold Limited	Pan-India, mostly in the east	201[10]	84,300	Senco Gold was incorporated in August 1994. Senco Gold is pan India player with majority stores in East India.
Thangamayil Jewellery Limited	South India (concentrated in Tamil Nadu)	65[11]	84,993.30	Thangamayil started operations in year 2000. The company is a gold, diamond and silver jewellery retailer based in Tamil Nadu
Titan Company Limited	Pan-India	~1349[12]	643,450	Started as a joint venture between Tamil Nadu Industrial Development Corporation and Tata group in 1984. The company started the jewellery division in 1994 launching the first Tanishq store. Currently, the company has four jewellery brands — Tanishq, CaratLane, Mia and Zoya
Tribhovandas Bhimji Zaveri Limited	Pan-India, mostly in the west	37[13]	32,028.23	The company commenced operations in 1864. It was reconstituted as a public limited company in December 2010. It has stores across the country with majority of them in the western region

Key insights for various South Indian states in India

- In southern states like Kerala, people have inward remittances receipt from the Gulf countries. Migrated workers who shift to these countries for employment transfer funds to their families or self utilise the funds while visiting their respective home towns for purchasing of gold / Jewellery.
- Tamil Nadu is an IT and manufacturing hub, leading to higher income for the people living in the region.
- All South Indian states, except Kerala, have higher working population ratio for females, in the age group of 15-59, than average of 38.5% for all India.
- Bangalore and Hyderabad are hubs for information technology sector in India, leading to higher incomes for these states.
- Favorable economic development and rising income levels in Andhra Pradesh, Telangana, and Karnataka have created a supportive environment for jewellery consumption over time.

Overview of South India gems and jewellery retail industry

Overview

Jewellery has long held a significant influence in South India for every occasion from weddings to cultural practices. Consumers in South India favour more of the yellow gold ornaments with a small proportion of studded jewellery.

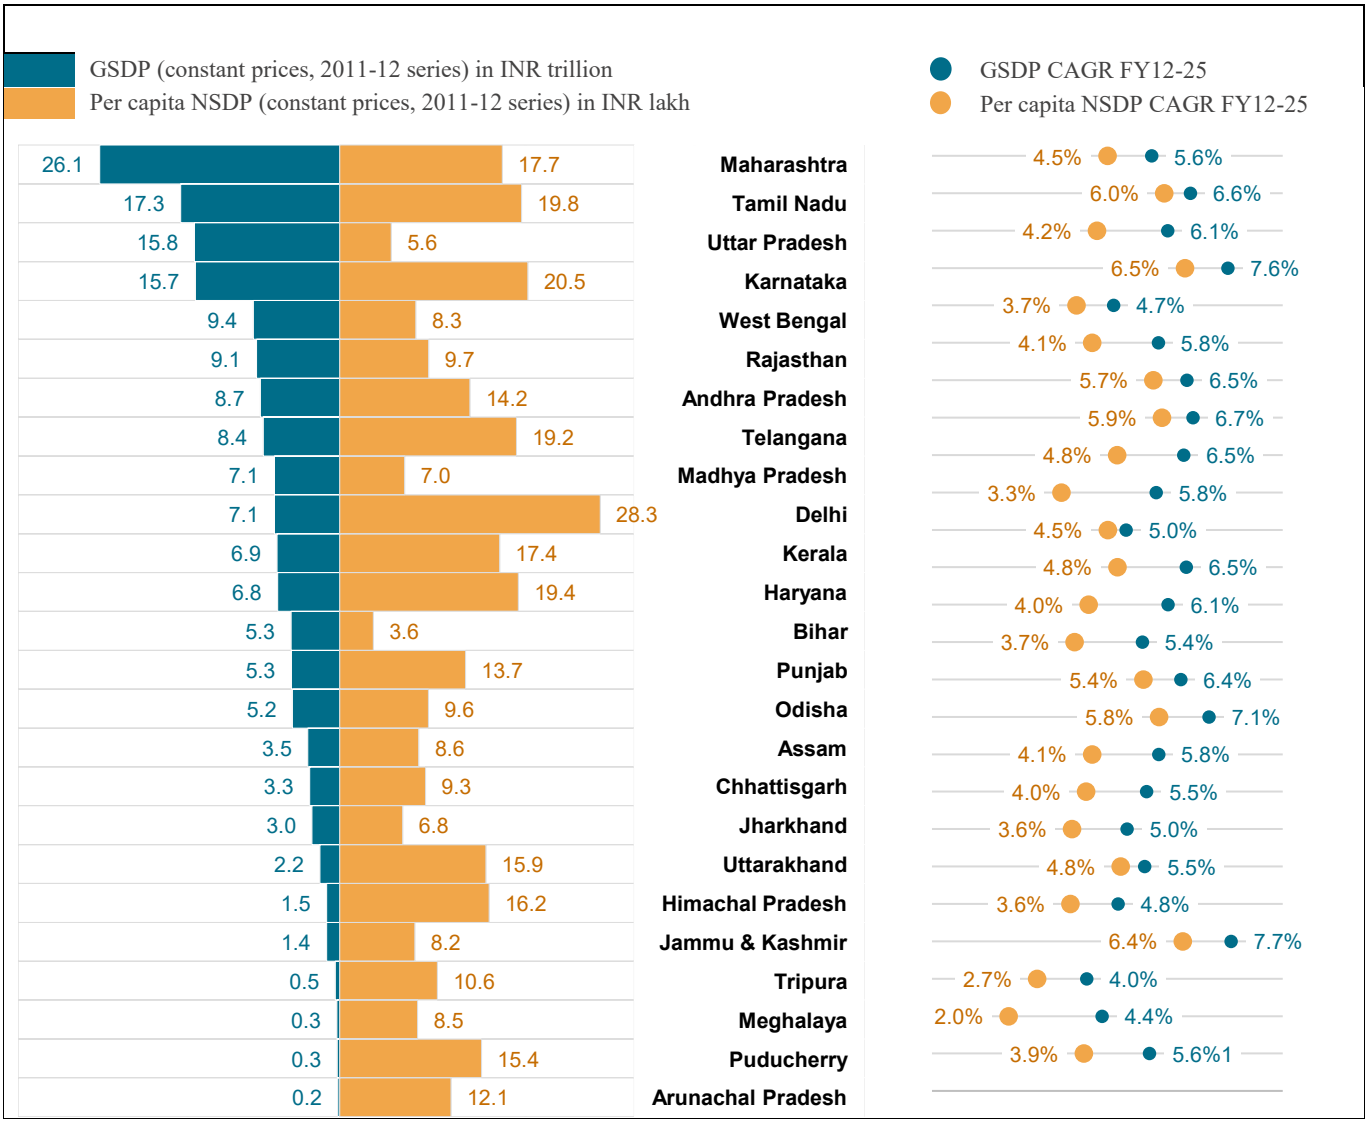
Economic overview of South Indian region

The Southern region in India, which includes Tamil Nadu, Kerala, Andhra Pradesh, Karnataka Telangana, and Puducherry, contribute ~30% to India's GDP. Various industries such as automobile, information technology, manufacturing, tourism etc. are thriving in these states. Tamil Nadu is a manufacturing hub for several industries such as automobile, engineering, pharmaceuticals, garments, textile products etc. Bengaluru, which is the capital of Karnataka, has a booming information technology sector. Hyderabad, which is part of Telangana, is also one of the key hubs of information technology sector in India. Andhra Pradesh has a strong presence in across industries such as agro and food processing, textiles, chemicals, pharmaceuticals etc. While Kerala is known for its leisure tourism industry.

Four South Indian states among the top 10 in terms of FY25 GSDP

Among states/UTs for which GSDP and per capita NSDP data for FY25 is available, the top three states with the highest GSDP are Maharashtra, Tamil Nadu, and UP, whereas the top three states with the highest per capita NSDP in FY25 are Delhi, Karnataka, and Tamil Nadu. Notably, among states/UTs for which relevant data is available, GSDP has logged a higher CAGR over FY12-25 than per capita NSDP.

State-wise GSDP and per capita NSDP (constant prices, 2011-12 series) in FY25



Notes:
1. Northern states include Chandigarh, Delhi, Haryana, Himachal Pradesh, Jammu & Kashmir, Punjab, Rajasthan, Uttarakhand, and Uttar Pradesh; Eastern states include Bihar, and Jharkhand
2. GSDP and per capita NSDP for FY25 for Andaman & Nicobar Islands, Chandigarh, Dadra & Nagar Haveli and Daman & Diu, Goa, Gujarat, Ladakh, Lakshadweep, Manipur, Mizoram, Nagaland, and Sikkim are not presented as they were not available when the chart was made

Consumer trends in the South Indian jewellery market

Consumers in South Indian states buy jewellery during various festivals. These festivals include Pongal, Onam, Ugadi, Akshaya Tritiya, Dhanteras/Diwali etc. Such festivals promote jewellery purchase in the region as these days are considered auspicious for jewellery purchases.

Jewellery consumers in South Indian region are evolving with their purchasing habits where jewellery purchase is no longer confined to weddings and festivals. Consumers are now purchasing jewellery on various other celebratory occasions such as earning a bonus, graduation or landing a new job. Though gold jewellery dominates the bridal market in South India, the increasing preference for minimalist jewellery is emerging as a growth driver in the region.

South India gems and jewellery industry is projected to grow at CAGR of 6-7% between fiscals 2026 and 2030

The gems and jewellery retail industry in South Indian region was valued at Rs 5,026 billion in fiscal 2026, which is about ~40% of the overall gems and jewellery industry in India. The sector is estimated to grow at a CAGR of 6-7% between FY26 and FY30 with the overall market size projected to surge to Rs. 6,200 – 6,600 billion by FY30. The growth is expected to be propelled by South India's deep-rooted cultural affinity for gold, its vibrant weddings and festive demand cycles. With established jewellery hubs, a growing middle class and the increased penetration of organized retail, South India stands out as a critical growth driver for the broader Indian Jewellery market.

B2B gems and jewellery industry in South India is projected to grow at CAGR of 3-5% between fiscals 2026 and 2030

The B2B gems and jewellery industry in the South Indian region is a significant contributor to the country's overall market, with a value of Rs. 2,847 billion in FY26. This region, known for its rich cultural heritage and traditional affinity for gold, is expected to drive growth in industry. Looking ahead, the South Indian B2B gems and jewellery market is poised for substantial expansion, with projected growth to Rs. 3,200-3,450 billion by FY30. This translates to a compound annual growth rate (CAGR) of 3-5% between FY26 and FY30. The region's strong demand for gold and gems, coupled with the presence of key manufacturing and trading hubs, is expected to fuel this growth. As the industry continues to evolve, the South Indian region is likely to remain a key driver of growth, with its unique blend of traditional craftsmanship and modern manufacturing capabilities positioning it for long-term success.

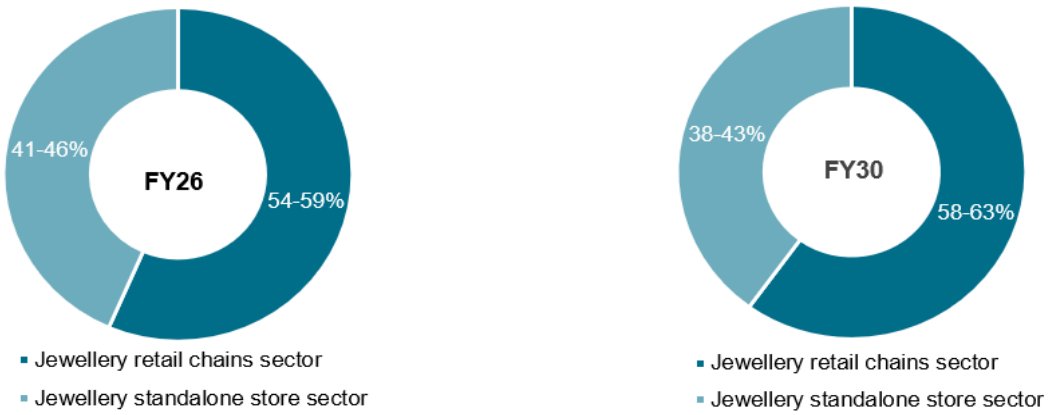
Jewellery retail chains have a dominant share in gems and jewellery industry in the South India region

Jewellery retail chains have seen significant expansion within the South Indian gems and jewellery industry, driven by heightened consumer awareness around hallmarking and a rising preference for organized, branded outlets. This shift reflects the region's strong demand for certified products and the growing trust in retail chain formats that promise quality assurance, transparent pricing and wide assortments. Jewellery retail chains have considerable share accounting for 54-59% share of the south Indian gems and jewellery market in fiscal 2026. On the other hand, standalone stores had a share of 41-46% in fiscal 2025. As the industry continues to evolve, this trend is expected to persist, with jewellery retail chains further consolidating their position in the market. By fiscal 2030, their share is expected to increase to 58-63%, while standalone stores are expected to see a corresponding decline to 38-43%. This shift underscores the growing preference for organized retail formats in the South Indian gems and jewellery market, driven by consumer demand for quality,

transparency, and convenience. As a result, jewellery retail chains are likely to remain the dominant players in the region, with their strong brand presence, wide distribution networks, and commitment to quality assurance continuing to drive growth and expansion.

Break up of South India gems and jewellery retail industry for fiscal 2026 and fiscal 2030



Retail chains: A jewellery chain is defined as a branded retail business that operates multiple outlets under a single ownership, with centralized management following common pricing, service standards, merchandising and branding
Standalone stores: Independent retail outlet operating under its local brand with zero or limited sister outlets under the same brand.

Key design trends across South Indian states

In terms of consumer trends, southern states have different designs across various jewellery type based on the region's culture.

- In Kerala, Kazuthulia, Kasu mala, Lakshmi mala and Mulla Motu designs are famous in large jewellery sets, while Akki sara and Malliga sara are famous in Karnataka.

- In the small necklace category, Kingi mala and Manga mala are famous designs in Kerala, while Vella kal and Mookuthi are preferred in Tamil Nadu.

- South Indian states prefer several designs for bangles. In Kerala, the Kolkata, machine cut and Thoda bangles are most preferred, while Tamil Nadu has the Muthu valayal, Lakshmi valayal and Kemu valayal as preferred designs. The Lakshmi bale, Coorgi bale and bale are preferred designs in Karnataka. Gajalu is key design for bangles category for consumers in Andhra Pradesh.

- In the earrings category, Jhimki is famous in Kerala, Tamil Nadu and Karnataka, while Buttalu is well-known in Andhra Pradesh.

- The Mangalsutra is famous in Karnataka and Tamil Nadu in the chains category. Consumers in Kerala prefer Kurumulaka and Pathakum, while those in Andhra Pradesh like the Sutaru Golusu design.

Share of jewellery retail chains and jewellery standalone stores players in Indian gems and jewellery retail industry

Jewellery retail chains segment continues to gain market share from the jewellery standalone stores segment

The gems and jewellery retail industry in India has historically been characterised by family-owned small-scale stores in the jewellery standalone stores segment, which operates primarily on trust. The jewellery retail chains players contend with competition from both jewellery retail chains and jewellery standalone stores segments. The jewellery standalone stores jewellers have traditionally dominated the jewellery retail industry, as the share of the jewellery retail chains sector in the industry was 30-35% in fiscal 2020. But the jewellery retail chains sector has grown rapidly in recent years to have a market share of 37-42% as of fiscal 2026. The advent of nationwide jewellery retailing began in the 1990s, when several regions had their own prominent brands. These regional players started expanding their brands at a pan-India level to capitalise on changing consumer preference from jewellery standalone stores to jewellery retail chains. Apart from the core jewellery retailers, jewellery is also retailed through multi brand outlet (MBO) stores chains.

Players in jewellery retail chains market spend large amounts in marketing and advertising of their products, effective inventory management systems and better variety and designs. These players also provide better service quality, supply chain efficiency, and better transparency than standalone jewellery players. These factors have supported the rise of the jewellery retail chains in the overall Indian gems and jewellery retail industry.

Crisil Intelligence projects the market share of jewellery retail chains to increase to 45-50% by fiscal 2030. Since jewellery retail chains have a wider product and design range, they are in better position to cater to the changing consumer preference, such as demand for lightweight and diamond-studded jewellery. Growth in the jewellery retail chains has been fuelled by various regulatory changes in this sector. The implementation of GST has reduced the tax advantage previously enjoyed by the jewellery standalone stores in this industry. Further, government mandates, such as the introduction of HUID, to ensure uniform gold quality standard and to enhance government tracking and auditing capabilities have also supported the jewellery retail chains growth.

Market share of jewellery retail chains and jewellery standalone stores in the Indian gems and jewellery retail industry

E: Estimated, P: projected
Note: National and regional jewellery players are defined as jewellery retail chains, and standalone ones (can be one to three stores) as jewellery standalone stores
Source: Crisil Intelligence

Key advantages of jewellery retail chains market in India

Presence across cities and locations	Compared with jewellery standalone stores segment, national and regional jewellery retailer chains have wider retail presence across several cities. Through franchisee or self-owned stores, these jewellery retail chains gain from consumer awareness about quality, design and brands in jewellery industry, thus gaining share from the jewellery standalone stores in the industry.
Better inventory management	Effective and efficient inventory management is very critical in the jewellery industry, as it enables retail chains to minimise the holding cost. Inappropriate inventory management leads to loss of revenue from unmet sales, due to failure in replenishment of the products when needed or higher costs due to overstocking, leading to unsold inventory. Since the national and regional retailers have higher number of stores spread over wide regions, they are able to manage their inventory better than standalone retailers. These retailers can shift their inventory from one store to other, based on demand for various products across the retail chain. Also, these national and regional retailers are able to afford an inventory-tracking system, which monitors customer preference based on demand from several regions, leading to better inventory management and higher customer satisfaction.
Sourcing of raw material	Jewellery retailers in India rely on imports to source raw gold, as gold and diamond mining operations are negligible in India. Large national and regional jewellery retail chains can purchase raw material in large volumes with easier access to credit. Since, raw material accounts for the largest share in the operating cost of jewellers, sourcing raw material at competitive rates at large quantities enable better margins for these jewellery retail chains.
Launch of new collections and brands	National and regional jewellery retailer chains use various new technologies, such as CAD/CAM, for the development for new jewellery designs. Access to new technologies, along with large operating scales, enable these retailers to develop and design jewelleries according to regional and global taste at regular intervals.
Investments in brand building	In today's age, having a strong marketing strategy for jewellery brand is important. By increasing visibility, building brand awareness and engaging with customers, jewellery brands are able to gain competitive advantage against their peers. Jewellery brands adopt multi-channel marketing strategies, which includes leveraging social media, print, television, PR and radio. Through these strategies, jewellery brands are able to create top-of-the-mind recall for their brand and create trust in the customer about purity and transparency in their products. Since large national and regional brands are able to invest significant amounts in brand building and advertisements than standalone players, they are able to capture incremental demand in the industry.
Emergence of online formats	With a rise in internet penetration and smartphone in India, consumer preference for online shopping has increased. Various options of online payment, including UPI, cards and digital wallets, have also instilled trust in consumers for online shopping. In jewellery industry, consumers, mainly in metro cities, are using online channels for jewellery purchase. Key jewellery brands have launched their online formats for consumers who want to purchase jewellery online. Many jewellery brands have tie-ups with online marketplace websites, such as Amazon and Flipkart, to list their jewellery for online consumers. Through online channels in the jewellery industry, consumers can browse through product designs, discounts and other specifications across various jewellery brands. The ASP is lower in online retailing of jewellery compared to offline retail as consumers mainly look for daily wear and fashion wear category jewellery. Key jewellery brands in India have started retailing jewellery online.
Regulatory changes	In the gems and jewellery industry, various measures taken by the government have supported the growth of jewellery retail chains market. Implementation of GST has minimised the previous tax advantage that benefited the retailers in jewellery standalone stores. Government mandate of compulsory hallmarking of gold jewellery is expected to bridge the price differential between jewellery retail chains and jewellery standalone stores in the industry.

	Some retailers in jewellery standalone stores often sell non hallmark jewellery with lower than stated cartage, enabling them better profit margins with lower product price. But implementation of mandatory hallmarking will impact the profitability of these jewellery standalone stores, who will then have to raise their making charges.
Mandatory Hallmark Unique Identification (HUID) for gold jewellery	The Indian government has prioritised leveraging technology to revamp Indian economy and enhance transparency in social-benefit delivery systems. Working on similar strategy, the Indian government has employed technology to verify the authenticity of hallmarking through the HUID. HUID is a six-digit alphanumeric unique code given to each piece of jewellery. The ID is generated without any human interference to ensure there are no malpractices. Government-mandated HUID code for gold jewellery from April 2023 should protect consumers against malpractices.
Better customer service and policies	Jewellery retail chains work on set SOPs in their retail shops across various departments such as inventory management and invoice management. These players have standard terms and conditions for service they offer across exchange, refunds, and repairs. Through SOPs and standard terms and conditions, consumers have full transparency on products and services.

Organised and corporate B2B wholesalers' play a growing role in supplying retail chains

Organised B2B wholesalers refer to structured, formally registered business entity that supplies gold jewellery to retailers, distributors, and other trade partners, operating at a scale with professional processes and compliance

Organised and corporate B2B gold jewellery wholesalers play a pivotal and increasingly expansive role in supplying India's Jewellery retail chains, supporting both established brands and regionally influential outlets through sophisticated business models, digital operations and robust supply networks. Traditionally fragmented, the jewellery distribution system has evolved rapidly in the past decade, driven by regulatory reforms such as GST and mandatory hallmarking, which have accelerated consolidation among wholesalers. These wholesalers provide retailers with assured product authenticity, consistent design quality and inventory management systems, enabling reliable logistics and large-scale procurement even for diverse product categories ranging from daily wear to bridal collections. Corporate wholesalers work closely with retail chain management teams to predict demand cycles, offer customization and ensure timely delivery during cultural peak seasons like weddings and festivals, leveraging both e-commerce platforms and advanced ERP solutions to streamline ordering and track customer trends. Many B2B suppliers invest heavily in design innovation and R&D, collaborating with retail chains to create exclusive collections tailored to local preferences and fashion upgrades.

Retail chains increasingly prefer sourcing from corporate wholesalers due to enhanced transparency, legal compliance supply reliability and the ability to respond swiftly to shifting customer tastes, particularly among the urban youth who favour lightweight, trend driven designs. As the jewellery retail ecosystem migrates towards branded, standardised and omnichannel formats, the role of B2B wholesalers evolves beyond mere supply, they become strategic partners in retail expansion, quality assurance and market intelligence thereby shaping fundamentally more organised competitive and innovative Indian gold jewellery sector.

Market share of gems and jewellery retail industry demand by various occasions

Bridal wear segment occupies more than 50% market share by weight in Indian gems and jewellery retail industry

Jewellery consumption in India can be broadly divided into three categories: bridal, daily and fashion wear. All three categories offer different sizes, products and designs. Bridal wear leads with 50-55% market share, followed by daily wear (35-40%) and fashion wear (5-10%).

Market share by weight in gems and jewellery retail industry by various occasions

	Bridal wear		**Karat preference:** 23k, 22k, 18k **Size:** 30–250 gm **Jewellery type:** Small sets, large sets, earrings, bangles, waist bands, bindi chains
	Daily wear		**Karat preference**: 22k, 18k **Size:** 5–30 gm **Jewellery type:** Chains, necklace, earrings, bangles, pendants
	Fashion wear		**Karat preference:** 18k, 14k **Size:** 5-20 gm **Jewellery type:** Chains, pendants, earrings

Source: Crisil Intelligence

Bridal wear

Weddings play a key role in creating demand for jewellery in India as individuals of all age groups wear jewellery during these occasions. In India, brides are adorned with significant number of jewelleries as these gold and other precious metal jewellery are completely bride's property and source of financial security. Further, immediate family of the bride and groom also exchange jewellery as gifts. Though bridal jewellery purchase is concentrated in months considered auspicious for weddings in India, families nowadays spread their wedding jewellery purchase based on factors such as schemes offered by jewellers, surplus income, and price fluctuations in gold prices.

Compared with daily and fashion wear jewellery, bridal wear jewellery is heavier, ranging from 30 to 250 gm with 23k, 22k and 18k variants. Weight and design of bridal jewellery also vary across different communities as brides across regions/communities wear different designs for their weddings.

Daily and fashion wear

Daily and fashion wear jewellery account for 45-50% of market share in the gems and jewellery retail industry in India. Consumer preference for affordable and useful jewellery has increased, thus making daily and fashion wear categories more popular. To serve consumer's demand to wear jewellery with western attire, jewellery manufacturers are focusing on light weight ornaments with minimalist designs with basic shapes, which are frequently made with less gold. Jewellery in daily and fashion wear categories are lighter, ranging from 5–30 gm. Jewellery chains have increased their focus on daily and fashion wear jewellery due to the increase in working women, consumer exposure to global designs and rise in per capita income. Rise in internet and smartphone usage has led to rapid rise in the online jewellery market with key focus on daily and fashion wear jewellery.

Overview and demand trends for Vaddanam

Particular	Brief Description
Vaddanam	Vaddanam, also known as Oddiyanam, is a traditional and ornate waist belt jewellery predominantly worn by women in South India, especiallty during weddings and special occasions and its symbolizes wealth, grace and auspiciousness, often passed down as a treasured heirloom through generations. It is an emblem of prosperity and cultural heritage, accentuating the wasitline with intricate designs often featuring motifs from temple art, such as peacocks, lotuses, and deities. The craftsmanship entails delicate gold work sometimes adorned with precious gemstones, reflecting both traditional and contemporary artistry.

Demand trends for Vaddanam

Growing popularity in weddings and festivals

Growing popularity in weddings and festivals is a fundamental driver of vaddanam demand. Vaddanams have long been essential element in South Indian bridal attire, symbolizing prosperity and tradition. Besides weddings, vaddanams are also worn during important festivals such as Diwali, Pongal, Dussehra etc. as well as religious and family ceremonies. This connection to auspicious events ensures consistent demand during culturally significant periods.

Shift towards lighter and more versatile designs

There is a clear consumer tend moving towards lighter and more versatile vaddanam designs. Contemporary versions are crafted to be sleek and comfortable while maintaining traditional motifs. These lighter adaptations not only appeal to brides but also attract women who seek to wear vaddanams for varied occasions beyond just ceremonial functions. The blend of ornate traditional craftsmanship with moder anaesthetics has broadened the usability of this ornament.

Increasing appeal among younger and fashion sensitive consumers

Another driver of demand is the appeal among younger, fashion sensitive women aged 20-45 years. Modern designs featuring diamonds, gemstones and contemporary lines have made vaddanams a desirable fashion statement rather than just a traditional symbol. This younger demographic appreciates the fusion of cultural heritage with trendy styling, making vaddanams a popular choice for both bridal wear and stylish everyday accessorizing.

Increased demand during festival seasons

The festival season significantly boosts vaddanam purchases as consumers invest in symbolic jewellery for celebrations. Retailers report higher footfalls and sales during festival seasons, with curated festival collections featuring both traditional and contemporary designs. This seasonal surge underscores the role of occasions in driving demand for vaddanams reflecting their rootedness in celebratory customs.

Availability at varied price points for wider customer base

The availability of vaddanams at varied price points helps reach a broader customer base. From lightweight and simpler designs starting at lower gold weights to exclusive and heavily embellished pieces costing upwards of several lakhs, the range caters to different affordability levels. This pricing diversity encourages wider adoption across social classes and occasions, supporting the overall demand trend

Market share of gems and jewellery retail industry demand by type of jewellery

Bangles and chains category forms the largest market share by retail sales in gems and jewellery retail industry in India

In India, necklace, bangles, chains, earrings and finger rings are the top jewellery type in terms of retail sales. Bangles and chains have the highest share by retail sales in jewellery type with 30-40% market share of each category in the market, followed by necklaces with 15-20% of the market share. Earrings and finger rings have market share of 5-15% each.

Market share by retail sales of gems and jewellery industry retail by jewellery type (FY26)

Particular	Necklaces	Bangles	Chains	Earrings	Finger rings
Ornaments					
Market share	15-20%	30-40%	30-40%	5-15%	5-15%
Range of weights	25–250 gm	8–25 gm	10–50 gm	2–30 gm	2–15 gm
Most common weights	30–60 gm	10–15 gm	10–20 gm	3–8 gm	3–7 gm

Source Crisil Intelligence

Each, bangles and chains category have the highest share at 30-40% in the gems and jewellery industry as bangles are form part of bridal and daily wear jewellery, while chains form an integral part of daily and fashion wear jewellery. Market share of necklaces is 15-20%, as it forms part of the bridal, daily and fashion wear segment.

Overview of demand trends for CNC machine cut bangles

Particular	Necklaces
Rising demand for precision and intricacy	Rising demand for precision and intricacy is a core factor driving the market for CNC machine cut bangles. CNC technology enables the creation of highly detailed and finely crafted designs that are difficult to achieve manually. Customers appreciate the geometric precision and intricate patterns that CNC machines can produce resulting in bangles that showcase superior craftsmanship and flawless details. This level of precision significantly enhances the aesthetic appeal and adds perceived value to the product
Customization and versatility driving growth	CNC machines are programmable to produce bangles in multiple sizes, shapes and intricate designs tailored to individual preferences. This capability makes it possible to cater to diverse customer tastes and occasions, from simple daily wear to elaborate ceremonial bangles. The versatility expands potential market segments and boosts consumer interest by offering more personalized jewellery options
Increasing adoption by jewellery manufacturers	Manufacturers are investing in CNC machines to improve production efficiency, quality and design possibilities. This technological adoption enables them to meet evolving consumer expectations for precision, faster turnover and innovative designs at scale. The high operational efficiency enables manufacturers to supply high-quality bangles at competitive prices and consistent standards, appealing to both retailers and end consumers.
Rising popularity in urban and Tier-2 city markets	The rising popularity of CNC cut bangles is noticeable not only in metropolitan areas but also in Tier-2 cities. As jewellery consumers become more sophisticated and online shopping grows., demand for modern CNC-crafted jewellery expands beyond major urban centers. This

Particular	Necklaces
	geographic spread supports sustained market growth and diversifies the customer base offering new opportunities for jewellery producers and sellers
Rise of Online Marketplace	Online platforms have made it easier for consumers to discover and purchase CNC machine cut bangles from a wide range of manufacturers and sellers. This trend has democratized access to CNC machine cut bangles, allowing consumers to browse and purchase products from the comfort of their own homes. Online marketplaces have also enabled manufacturers to reach a wider audience and expand their customer base, which has driven growth and innovation in the industry.

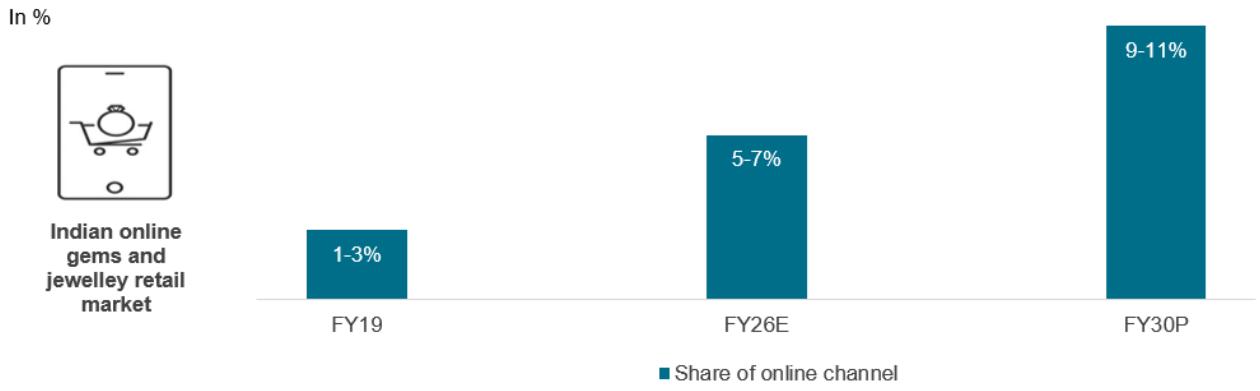
Share of e-commerce/online channel is increasing in the gems and jewellery retail industry in India

Due to the rise in online shopping, various categories such as mobile, electronics, fashion and grocery saw growth in online channel sales. The Indian gems and jewellery retail industry is no different. In fiscal 2019, the market share of online gems and jewellery retail industry in India was 1-3%. In fiscal 2026, the share of online retail in the overall gems and jewellery retail industry is estimated to have grown to 5-7%. The growth in the online gems and jewellery retail industry is led by consumers in metro cities, such as Delhi, Mumbai, Bengaluru and Chennai. For the online gems and jewellery retail industry, young population in the age group of 23-35 is the target audience, which is driving sales in the sector. Daily and fashion wear categories are the key categories which gets sold on online gems and jewellery retail industry, with average jewellery purchase of 5g to 10g by the consumers. Due to this, average selling price (ASP) of the online gems and jewellery retail industry is lower than the offline gems and jewellery retail industry. The bridal jewellery category has high ASP products, but consumers typically like to visit offline stores to browse these jewellery products before purchasing.

In the gems and jewellery industry, brands are following omnichannel strategy to attract customers. Even online first jewellery platforms have started their offline retail stores, evolving from online to omni channel jewellery players. Few jewellery retailers have created a seamless omnichannel experience for their customers. Such brands allow their customers to start their journey online, then browse key designs offline and complete purchase whenever and wherever customers want. This seamless integration between online and offline channels leads to meaningful consumer education, engagement, and experience.

Share of online channel in Indian gems and jewellery retail industry



E: Estimated, P: projected
Note: Share of online channel in Indian gems and jewellery industry includes online marketplace website as well
Source: Crisil Intelligence

Crisil Intelligence projects the share of online revenue in the overall Indian gems and jewellery retail industry to increase to 9-11% in fiscal 2030. Growth in the sector will be supported by internet users, who search for online jewellery with different designs at affordable rates. With rising disposable income and awareness about online brands, more consumers will prefer buying jewellery online, due to the convenience of browsing different designs, home-try and customisation options. Also, with the government mandate on compulsory hallmarking and HUID, consumer trust on the online brands will increase, leading to greater adoption of online channel for jewellery purchase.

Outlook on Indian gold jewellery retail market

Rise in gold prices have led to growth in value of the Indian gold jewellery retail market

The Indian gold jewellery retail industry is valued at Rs 10,619 billion in fiscal 2026 with demand of 721 tonne gold. The demand in this industry highly depends on gold prices, with changes in gold prices impacting demand. In fiscal 2022, as the pandemic and economic situation improved, the pent-up demand in gold jewellery led to 50.3% growth in volume of gold demand, which compensated for decrease in gold prices, leading to ~48.1% increase in market size of Indian gold jewellery retail industry. In fiscal 2024, the gold industry saw a robust growth on account of both volume and price increase resulting in ~18% increase in gold retail industry.

On account of significant rise in prices which reached record highs during the year, the gold retail industry logged ~26% growth in fiscal 2025. Going ahead gold prices are expected to vary based on geopolitical events and other macroeconomic factors and hence prices are expected to remain volatile in near future. Overall, Indian gold retail industry is expected to log a CAGR of 12-14% from fiscal 2025 to fiscal 2030 and reach a size of Rs. 12,000-12,500 billion by fiscal 2030.

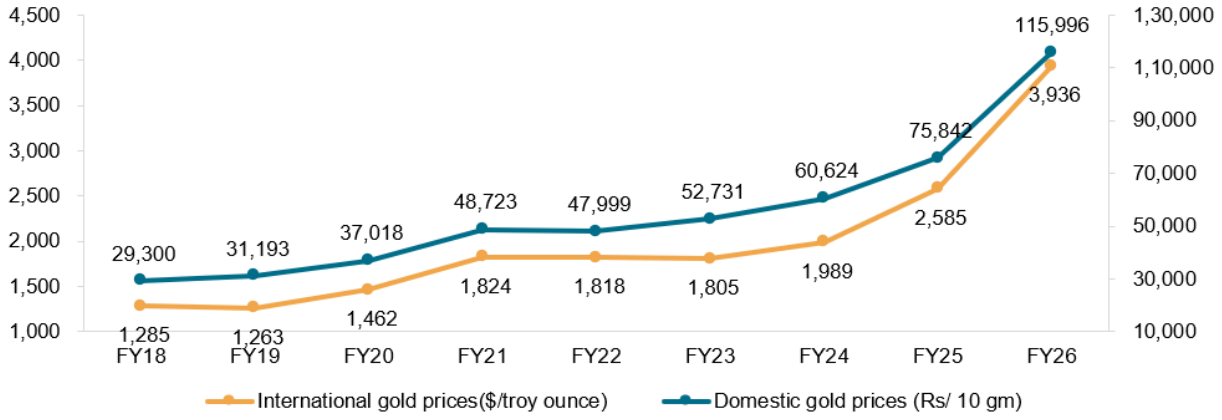
Gold price trends in India

Gold prices in domestic and international markets



P: projected
Source: RBI, The London Bullion Market Association (LBMA), Crisil Intelligence

In India, imports fulfil majority of gold demand, setting domestic gold prices generally in line with the global cost. Following are the key trends for gold prices in India:

- In fiscal 2018, though the international gold prices increased ~2% due to weak dollar and geopolitical uncertainties, domestic prices dipped ~1%, owing to oversupply, weak consumer sentiments and stronger rupee, which improved 4% against the dollar.

- In fiscal 2019, domestic gold prices increased 6% despite the international gold prices decreasing 2%, on account of the rupee dropping 8% against the dollar. In fiscal 2020, domestic gold prices rose ~18% due to 16% rise in international gold prices and increase in its import duty from 10% to 12.5%.

- Domestic gold prices jumped ~32% on-year in fiscal 2021, in line with the rise in global prices to historical highs, while the rupee depreciated ~5%. The rate cut by the US Federal Reserve and pandemic-induced recessionary fears led to the rise in international gold prices.

- Prices came down as the situation around the pandemic somewhat eased in fiscal 2022 and the global GDP growth recovered. However, owing to geopolitical challenges in the last quarter of fiscal 2022, gold prices rose. Overall, international prices remained flat in the fiscal. The union budget for fiscal 2022 reduced the import duty on gold from 12.5% to 7.5% but levied an additional agriculture infrastructure and development cess of 2.5%, which led to a ~2% decline in the domestic price of gold. However, rupee depreciation and higher prices in the last quarter negated the price decline. Overall, domestic gold prices remained flat in fiscal 2022 and attained Rs 47,999/ 10gm levels.

- In fiscal 2024, the domestic gold prices rose 15% compared to fiscal 2023, along with the international gold prices which also rose by 10%, this growth was influenced by several factors, including rising international gold prices, rupee depreciation, and geopolitical tensions such as the Russia-Ukraine war and instability in the Middle East. A weaker rupee has played a critical role in amplifying domestic gold prices, as India is a major gold importer. A depreciating currency increases the cost of imports, pushing up prices for Indian consumers. Additionally, persistently high inflation has driven investors toward gold as a hedge against eroding purchasing power

- In fiscal 2025, gold prices reached all time high owing to increase in international prices on account of geopolitical pressure and impending economic slowdown due to tariff wars. These factors have pushed domestic prices above Rs 80,000/10 gm in the last quarter of the fiscal 2025. The increase in price trend is expected to continue in the near term driven by the above-mentioned factors.

- In fiscal 2026, gold prices breached the Rs. 1,00,000/10 gm mark and for the first time. Average range of monthly gold prices vary between 94,590 Rs//10gm to 115,996 Rs/10gm. The surge was largely attributed to increase in international prices amid heightened geopolitical tensions and the tariff wars coupled with a weak rupee. Additionally, the rise in gold prices was also driven by a surge in demand from central banks and investors seeking safe-haven assets.

Key factors affecting gold prices in India

The gold industry in India is highly reliant on imports from other countries, with the domestic gold prices generally following international trends in gold prices, unless domestic prices are also impacted by key macroeconomic factors in India in any fiscal.

Gold prices are primarily driven by market dynamics and some of the important factors affecting international and domestic gold prices are as follows:

Key trends	Description
Currency fluctuations	Currency fluctuations of the Indian Rupee against the US Dollar may affect the gold prices in India. Since gold is majorly imported in India and globally, gold is priced in US Dollar, a weaker Indian Rupee against the US Dollar may lead to higher gold prices in India and the stronger Indian Rupee against the US Dollar may lead to lower gold prices in India
Geopolitical events	Key geopolitical events have a significant impact on international gold prices. Whenever any geopolitical uncertainty arises, investors look for risk-averse investments as they fear the impact of the event on financial markets and economies globally. During such events, demand of gold increases as it is considered a safe investment in times of uncertainty and instability.
Government policies and regulations	Government policies and regulations have a significant effect on gold prices in India. Changes in import duty, taxes or restrictions on gold imports leads to fluctuations in prices in the country. Additionally, since gold is often considered as a hedge against inflation, government's policies on inflation may also impact gold rates in the country. Effective May 13, 2026, the Government of India increased the effective import duty on gold to 15%, reversing the duty reduction announced in July 2024. The measure was introduced to moderate gold imports, manage pressure on foreign exchange reserves, and support the country's external trade balance.
RBI Policies	When the RBI and other central banks buy gold, demand increases and strengthens investor confidence in gold as a safe-haven asset. Lower interest rates also make gold more attractive compared to fixed-income investments. This can drive higher investment demand and support gold prices.
Domestic Demand (Wedding & Festive Seasons)	Gold buying surges during weddings and festivals like Diwali and Akshaya Tritiya due to cultural preferences. This seasonal increase in demand often supports or raises domestic gold prices. Peak seasonal demand can create temporary supply pressures and price increases.
Inflation and Interest Rates	During high inflation, investors buy gold to preserve purchasing power and protect wealth. Low interest rates further boost gold demand as alternative investments offers lower returns. Gold is often viewed as a hedge against inflation and economic uncertainty

Overview of growth of B2B wholesale segment within the gems and jewellery industry in India

The B2B wholesale segment in India's gems and jewellery industry is experiencing significant growth, supported by formalisation, rising demand fir branded products and increased technological adoption. This has made organised wholesalers indispensable to the supply chain, efficiently connecting manufacturers and retailers across the country.

Key drivers of growth:

Key drivers	Description
	The introduction of GST, mandatory- hallmarking and evolving compliance standards have pushed more wholesalers to operate within organised frameworks, improving transparency and trust

Key drivers	Description
Regulatory reforms and formalisation	
Digital Transformation	B2B wholesalers are leveraging online platforms and ERP systems to streamline inventory management, order fulfilment and logistics, thereby enhancing speed and scalability
Partnership with retail chains	Large chains rely on organised wholesalers for consistent quality, rapid replenishment and wide variety of designs tailored for consumer needs during festivals and weddings
Access to working capital	Improved financing options and stronger relationships with financial institutions allow wholesalers to manage larger inventories and serve broader geographies
Customisation and product diversity	Retailers increasingly seek differentiated, designer and lightweight collections, prompting wholesalers to invest in innovation and collaborate more closely with manufacturers and designers

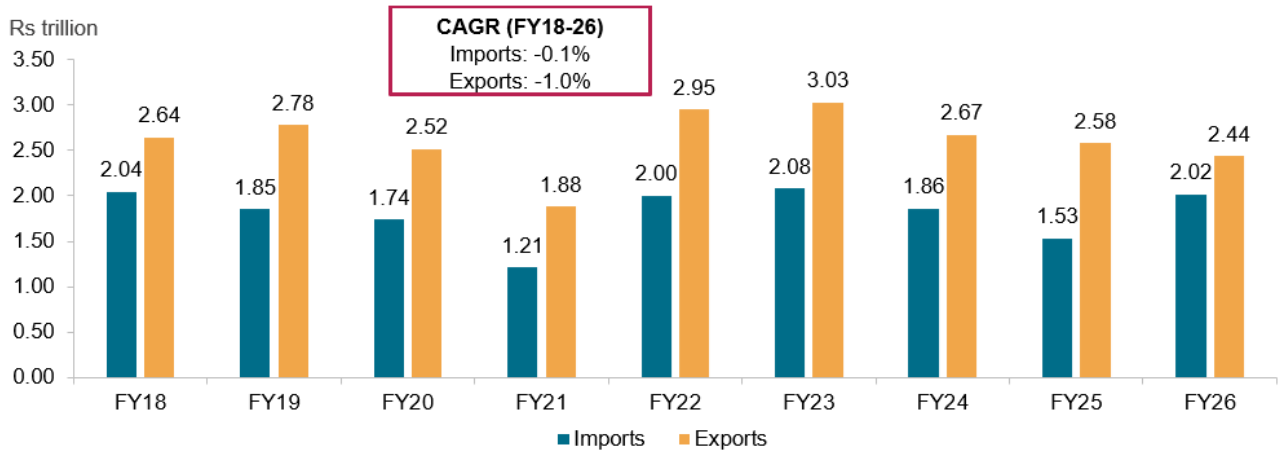
Imports and exports of gems and jewellery industry in India



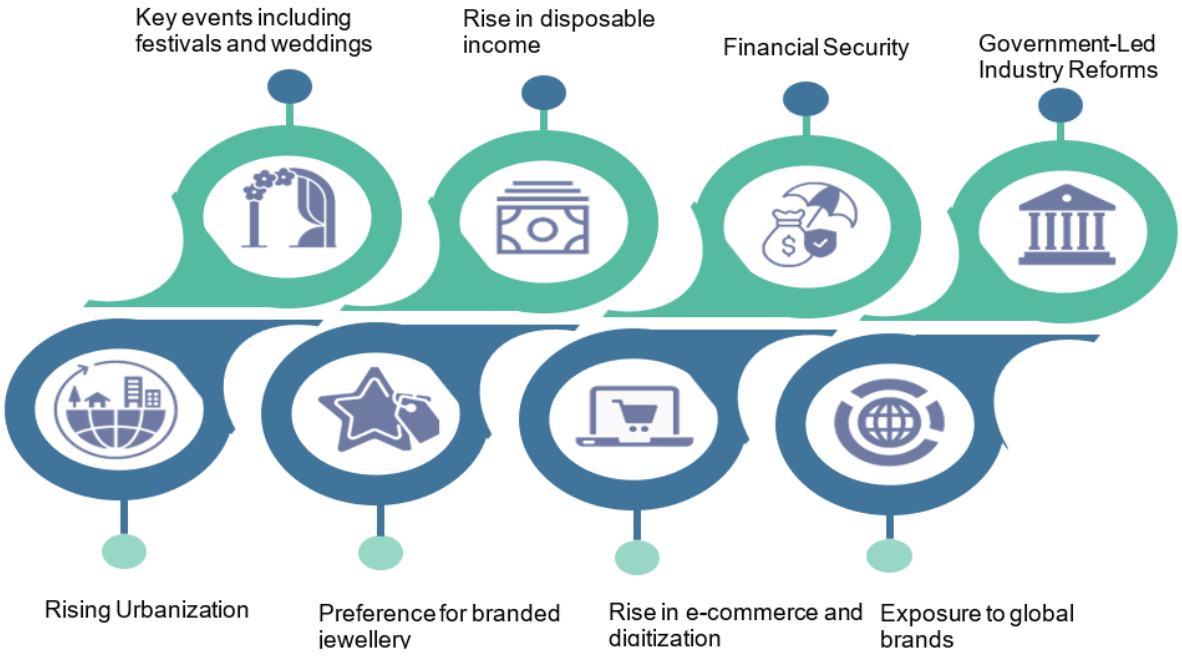
Note:
Source: The Gem & Jewellery Export Promotion Council (GJEPC), Crisil Intelligence
Note: FY 26 Import data is provisional data as provided by GJEPC

Despite global macroeconomic uncertainties, including geopolitical tensions, inflationary pressures, and subdued consumer demand in key export markets, the gems and jewellery industry remained a significant contributor to India's merchandise exports. In fiscal 2025, gems and jewellery exports declined to approximately Rs. 2.58 trillion from Rs. 2.67 trillion in fiscal 2024, primarily due to weak demand for cut and polished diamonds in major export destinations such as the United States and China. While gold jewellery exports demonstrated resilience, the overall export performance was impacted by the slowdown in the diamond segment.

The industry continues to be heavily dependent on imported raw materials, particularly rough diamonds used by India's diamond processing sector. Consequently, imports declined substantially in fiscal 2025 in line with lower export demand from the cut and polished diamond segment.

In fiscal 2026, the industry witnessed a mixed recovery. Imports increased to approximately Rs. 2.02 trillion from Rs. 1.53 trillion in fiscal 2025, reflecting improved procurement of raw materials and inventory replenishment by manufacturers. However, exports remained under pressure and declined further to approximately Rs. 2.44 trillion from Rs. 2.58 trillion in the previous year. The continued softness in exports indicates that demand conditions in key international markets remained challenging despite signs of stabilization in global economic activity.

Demand drivers for gems and jewellery retail industry in India



Key events, including weddings and festivals drive demand

In India, jewellery manufacturers experience strong demand cycles aligned with weddings, festivals, birth occasions, and the harvest season. The seasonal nature of these events creates year-round business opportunities for manufacturers and wholesalers. For instance, during festivals such as Diwali, Dussehra, and Akshaya Tritiya, the retail sector witnesses a surge in orders as buying jewellery is considered auspicious, prompting bulk procurement from manufacturers. Similarly, the wedding season acts as a peak demand driver where retailers and distributors place large-volume orders with manufacturers to meet consumer requirements for gold, diamond, and other precious jewellery. India's large population, coupled with a high proportion of young people entering the marriageable age group each year, ensures a steady and recurring demand pipeline for jewellery manufacturers. Furthermore, since a significant portion of jewellery demand originates from rural India, harvest seasons also boost orders placed with manufacturers as rural consumers invest in jewellery. This cyclical but recurring demand pattern ensures that manufacturers benefit from consistent business momentum throughout the year.

Seasonality in jewellery demand

Particulars	Jan	Feb	Mar	Apr	May	June	July	Aug	Sept	Oct	Nov	Dec
Gold Buying												
Festivals												
Marriages												
Harvest												

Note: The above-mentioned seasons of jewellery demand is not exhaustive and may change yearly

Rise in disposable income

India's per capita income, a broad indicator of living standards, grew at a CAGR of 6.6% between FY23 and FY26, from Rs 1,59,557 in FY23 to Rs 193,480 in FY26. Growth was led by better job opportunities, propped up by overall GDP growth.

Financial security

Indian jewellery manufacturers benefit from the fact that gold is widely perceived as a safe and stable investment, owing to its intrinsic value against inflation and economic downturns. This cultural and financial perception sustains consistent demand from retailers and distributors, ensuring steady business for manufacturers. Jewellery, in many cases, is not only bought for adornment but also as a tangible and secure asset, which reinforces repeat orders in the B2B supply chain. Additionally, since jewellery is often passed down from generation to generation as a form of investment and family savings, manufacturers continue to see long-term, recurring demand for gold products.

Government-Led Industry Reforms

The Indian gems and jewellery industry has been influenced by regulatory reforms such as GST implementation, mandatory BIS hallmarking, enhanced compliance requirements, and digitalization initiatives. These measures have strengthened transparency, quality standardization, and traceability across the value chain. Such reforms have contributed to greater formalization of the industry and improved operational efficiency for organized market participants.

India’s population is turning increasingly urban

India’s urban population has been consistently increasing, and the trend is expected to continue as India's economy grows. People from rural areas move to cities for better education, job opportunities, and quality of life. This internal migration may involve the relocation of an entire family or the relocation of a family's earning members or students.

In 2001, India's urban population made up 27.9% of its total population at an estimated 300.8 million. As per WPP 2024, India's urban population is likely to grow to 567.7 million by 2030, making up 37.2% of India's total population. This trend highlights the need to expand infrastructure and provision of basic services in urban areas to accommodate its growing population.

Rise in preference for branded jewellery

In the competitive Indian jewellery manufacturing landscape, companies focus on offering unique and distinctive designs to help their retail partners differentiate from other brands in the market. Retailers and distributors derive satisfaction from sourcing branded jewellery that showcases distinctive craftsmanship. For manufacturers, supplying branded jewellery also builds trust across the B2B chain, as retailers are assured of consistent quality standards. Many branded jewellery manufacturers also support their retail partners with well-curated collections, display-ready merchandise, and marketing assistance, enabling an enhanced shopping experience for end consumers and reinforcing the perception of an upgraded lifestyle. In addition, as Indian jewellery buyers become increasingly brand conscious and design-driven, manufacturers catering to this trend continue to see higher demand for their products.

E-commerce and digitalisation

Like various retail sectors such as fashion, grocery and electronics, the online retail sector has penetrated the jewellery industry as well. Rise in smartphones and internet penetration have led to demand of jewellery online platforms, where brands can display their merchandise to consumers across regions, especially where it does not have a physical store, facilitating an online buying option though various modes of e-payment.

Exposure to global brands

With rising income levels, the preference for jewellery in India is also changing. At present, increasing travel and internet penetration in India have led to a rise in the exposure of Indian consumers to various global jewellery designs. Consumers, especially the millennials, follow various global influencers for key styling and design trends, the exposure of which increases demand.

Key challenges and risk in gems and jewellery retail industry

Gold Price Volatility

Gold prices remain highly volatile due to global economic uncertainty, central bank purchases, geopolitical conflicts (Middle East and Russia–Ukraine), exchange rate movements, and changes in import duties. Sharp price increases raise inventory costs, reduce affordability, pressure retailer margins, and can temporarily weaken jewellery demand. During Q1 2026, domestic gold prices reached record levels, impacting affordability and influencing consumer buying patterns. Sustained increases in gold prices can lead to lower jewellery volumes, higher inventory carrying costs and fluctuations in consumer demand

Regulatory and Compliance Risks

The industry operates under strict regulations related to hallmarking, GST, KYC, and anti-money laundering requirements. Constantly evolving compliance norms increase administrative costs and expose businesses to penalties if requirements are not met.

Policy and Regulatory Uncertainty

Frequent changes in government policies related to gold imports, customs duties, and taxation create uncertainty for the industry. In May 2026, the Government of India raised the effective gold import duty from 6% to 15% to curb imports and protect foreign exchange reserves. Additionally, government initiatives encouraging financial investments over physical gold may moderate long-term demand growth. Such policy volatility can affect profitability, pricing strategies, and business planning across the gold value chain.

Intense Market Competition

Competition from organized chains, regional players, and online jewellery retailers continues to intensify. To remain competitive, retailers must invest in branding, customer experience, design innovation, and promotional activities, which can increase operating costs.

Changing Consumer Preferences

The Indian gold market has witnessed an increasing preference for investment-oriented products such as gold bars, coins, digital gold and gold ETFs. Rising gold prices and economic uncertainty have encouraged consumers to allocate a larger share of gold purchases toward investment products rather than jewellery. This shift could affect jewellery demand growth and alter traditional consumption patterns within the industry.

Working Capital and Inventory Management

Jewellery retail is highly inventory-intensive, requiring significant investment in gold, diamonds, and finished products. Maintaining optimal inventory levels while managing cash flows is challenging, particularly during periods of volatile demand or rising gold prices.

Key entry barriers in gems and jewellery retail industry

Like other industries, there are various entry barriers in gems and jewellery industry in India. Few of the entry barriers in gems and jewellery industry are as follows:

High Working Capital Requirements

Jewellery manufacturing and retail are highly capital-intensive due to the high value of gold, diamonds, and other precious materials. New entrants require substantial funding to procure inventory, maintain stock levels, and manage day-to-day operations, making market entry financially challenging.

Limited Availability of Skilled Labour

The industry depends on highly skilled artisans and craftsmen for manufacturing, polishing, and jewellery design. Building a skilled workforce requires significant time, training, and investment, especially for new entrants without established industry networks.

In-house Design Capabilities

Success in the jewellery industry depends on the ability to offer innovative and trend-driven designs. Established players possess dedicated design teams and advanced technologies, making it difficult for new entrants to compete on product differentiation and speed-to-market.

Established Customer Relationships

The industry operates largely on trust, credibility, and long-term business relationships. Existing players benefit from strong connections with retailers, distributors, and suppliers, while new entrants face a lengthy process of building market acceptance and customer confidence.

Access to Precious Metals and Raw Materials

Reliable sourcing of gold, diamonds, and gemstones is critical for business success. Established companies often have long-standing supplier relationships and procurement networks, allowing them to secure better pricing and stable supplies, which can be difficult for new entrants to replicate.

Key regulations impacting the gems and jewellery industry in India

Key Factor	Description
Foreign Direct Investment (FDI) Policy	India permits 100% FDI under the automatic route in the gems & jewellery sector, enabling foreign investors to enter without prior government approval. The policy has encouraged the expansion of organized jewellery retailers, increased foreign capital inflows, enhanced technology adoption, and generated employment across manufacturing, logistics, retail, and distribution. India has also emerged as the world's largest diamond cutting and polishing center, with Surat serving as a major global jewellery hub.
GST and Taxation Framework	GST replaced multiple indirect taxes with a unified structure consisting of CGST, SGST, and IGST. Gold jewellery currently attracts 3% GST, while making charges are taxed separately. The reform improved transparency, reduced tax cascading, and accelerated the shift from unorganized to organized players, as larger retailers were better positioned to manage compliance requirements.
Gold Import Duty & Customs Regulations	Since India imports the majority of its gold requirements, changes in customs duties directly affect gold prices and jewellery demand. The government reduced gold import duty from 15% to 6% in July 2024, one of the steepest reductions in recent history. Lower duties reduce procurement costs for jewellers, improve affordability for consumers, and support industry demand. Effective May 13, 2026, the Indian government reversed the July 2024 duty cut, raising the effective import duty on gold back to 15% (with an overall tax burden of ~18.4% including GST). This was done to ease pressure on foreign exchange reserves and narrow the trade deficit amidst global economic challenges.
RBI Gold Import & Bullion Regulations	RBI regulates gold imports and authorizes select banks to import gold into India. Currently, 17 banks are authorized to import gold, including SBI, HDFC Bank, ICICI Bank, Axis Bank, PNB, Union Bank, and Kotak Mahindra Bank. RBI policies influence gold availability, bullion liquidity, sourcing costs, and overall market stability.
BIS Hallmarking Regulations	Mandatory hallmarking was introduced nationwide in June 2021 and further strengthened through the Hallmark Unique Identification (HUID) system in 2023. Hallmarking is mandatory for major purity categories including 14K, 18K, 20K, 22K, 23K, and 24K gold. This has improved quality assurance, enhanced consumer trust, reduced adulteration risks, and promoted standardization across the industry.
Gold Monetization Scheme (GMS)	Launched in November 2015, GMS allows individuals and institutions to deposit idle gold under short-term (1–3 years), medium-term (5–7 years), and long-term (12–15 years) deposit schemes and earn interest. The scheme aims to mobilize household gold, reduce dependence on imports, and improve utilization of domestic gold reserves.
Union Budget & Fiscal Measures	Budget announcements frequently impact the sector through changes in customs duties, tariff structures, and import regulations.
Skill Development & Industry Support Programs	The Gem & Jewellery Skill Council of India (GJSCI), established in 2012 under the Ministry of Skill Development & Entrepreneurship, supports skill development across diamond processing, gemstone cutting, jewellery manufacturing, retail, and exports. The initiative helps address skilled labour shortages and enhances India's competitiveness in global jewellery markets.

SWOT analysis of jewellery retail chains in gems and jewellery retail industry in India

Strength	Weakness
• Opening/presence of retail stores across regions reduces the risk of geographical concentration • Higher expenditure on brand building by jewellery retail chains has led to strong brand recall among consumers • Access to new-age technologies such as CAD/CAM and ability to develop new designs for jewelleries to cater to evolving customer demand • Better trust and quality perception among consumers as jewellery retail chains sell hallmarked and certified products	• Operations in the jewellery industry are highly capital-intensive • Highly competitive market with intense competition between pan India, regional and standalone players • Increase in price of gold and diamond can affect the demand • Owing to commoditised nature of gold, retailers have limited pricing power
Opportunities	**Threats**
• Consumer preference for jewellery purchase is increasingly shifting from jewellery standalone stores to jewellery retail chains • With disposable incomes rising, customers' willingness to pay for premium and customised jewellery products is also increasing • Jewellery retail chains use online channels to serve consumers who are looking daily and fashion wear jewellery, with average jewellery purchase of 5g to 10g • Rise in affordability, increase in the number of working women and urbanisation leading to higher consumption of gold jewellery	• Unanticipated regulations such as hike in import duty, GST and ban on gold lease may impact demand, margin or working capital requirements • Consumers, especially the younger generation, shifting towards artificial/ fashion jewellery • Risk of investors substituting gold with other asset classes, such as equities, bonds and real estate • Key macroeconomic factors such as rising inflation and decline in economic growth affecting consumers' disposable income and demand for jewellery

3. Competitive assessment of players

In this section, we compare select key players in the domestic Indian B2B gems and jewellery industry. Data has been sourced from publicly available information, including annual reports and investor presentations of listed players, regulatory filings, rating rationales, and/or company websites. The financials in the competitive section have been considered as per reported line items within annual reports (balance sheet, and P&L statement line items), and quarterly filings published by respective players. The following formula has been used for calculating financial KPIs. These are not standard formulae used by Crisil. The formulae used in the current assessment are based on the formulae adopted by the client and are mentioned below and below each parameter table.

- Operating EBITDA = PBT + Finance Cost + Depreciation & Amortization - Other Income
- Operating EBITDA Margin = EBITDA / Revenue from Operations
- PAT Margin = PAT / Total Income
- ROE = PAT / Average Total Equity at the beginning and end of period
- ROCE = EBIT / Average Capital Employed at the beginning and end of period
- EBIT = PBT + Finance Cost
- Capital Employed = Total Equity + Short Term Debt + Long Term Debt
- Debt to Equity Ratio = Total Debt / Total Equity

- Inventory holding period (days) = 365/(COGS/Average Inventory at the beginning and end of period)
- Debtors holding period (days) = 365/(Revenue from Operations/Average Trade Receivables at the beginning and end of period)
- Creditors holding period (days) = 365/(COGS/Average Trade Payables at the beginning and end of period)
- COGS = Cost of Material Consumed + Purchase of Stock-in-trade + Changes in Inventories of Finished Goods, Work in Progress and Stock in Trade
- Net Operating Cycle (Days) = Inventory Days + Debtor days - Creditor Days

Operational overview

Overview of select key players in Indian B2B gems and jewellery industry in India

Key Players	Brief description
Deepa Jewellers Ltd.	Deepa Jewellers Ltd was incorporated in the year 2016. Deepa Jewellers Limited is an organized B2B designer, processor, and supplier of hallmarked gold jewellery, primarily having operations in Telangana, Karnataka, Andhra Pradesh, Tamil Nadu and Kerala. The company's management has 24 years' experience in the gems and jewellery industry.
RBZ Jewellers Ltd.	RBZ jewellers Ltd. was incorporated in the year 2008. The Company is primarily engaged in manufacturing, trading and job work of jewelleries and other accessories / products. The Company sells and trades its products through wholesale and retail network. The company's retail business was established in the year 2014 in the name of "Harit Zaveri Jewellers" under the brand name of "Harit Zaveri".
Sky Gold & Diamonds Ltd.	Sky Gold & Diamonds Ltd. was incorporated in the year 2008. The company is based out of Mumbai, Maharashtra and is engaged in the business of designing, manufacturing, and marketing fine gold jewellery.
Shanti Gold International Ltd.	Shanti Gold International Ltd. was incorporated in the year 2003. The company is headquartered in Mumbai and specializes in designing and manufacturing 22K hallmark gold jewellery embedded with cubic zirconia stones
Khazanchi Jewellers Ltd.	Khazanchi Jewellers Ltd. was incorporated in the year 1996, the company is based out of Chennai, Tamil Nadu. The company specializes in a range of jewellery, including gold, diamonds, and precious stones, along with designer pieces. Additionally, it offers bullion products such as coins and bars, catering to both wholesale and retail markets.
Shringar House Of Mangalsutra Ltd.	Shringar House Of Mangalsutra Ltd. was incorporated in the year 2009. The company is engaged in designing, manufacturing and marketing a varied range of Mangalsutra in 18k and 22k purity of gold.

OUR BUSINESS

Some of the information in this section, especially information with respect to our plans and strategies, contains certain forward-looking statements that involve risks and uncertainties. You should read "Forward Looking Statements" on page 19 for a discussion of the risks and uncertainties related to those statements. Our actual results may differ materially from those expressed in, or implied by, these forward-looking statements. The following information is qualified in its entirety by, and should be read together with, the more detailed financial and other information included in this Red Herring Prospectus, including the information contained in "Risk Factors", "Industry Overview", "Restated Financial Information", "Other Financial Information" and "Management's Discussion and Analysis of Financial Condition and Results of Operations" on pages 20, 129, 247, 300 and 302 respectively.

Unless otherwise indicated or the context otherwise requires, the financial information, for Financial Years ended March 31, 2026, March 31, 2025, and March 31, 2024, included herein is based on or derived from our Restated Financial Information included in this Red Herring Prospectus. For further information, see "Restated Financial Information" on page 247. Our financial or fiscal year ends on March 31 of each year, and references to a particular year are to the 12 months ended March 31 of that year. We have also included various operational and financial performance indicators in this Red Herring Prospectus, some of which have not been derived from our Restated Financial Information. The manner of calculation and presentation of some of the operational and financial performance indicators, and the assumptions and estimates used in such calculation, may vary from that used by other companies in India and other jurisdictions.

*Unless otherwise indicated, the industry-related information contained in this Red Herring Prospectus is derived from the industry report titled "Assessment of gems and jewellery industry in India with focus on the B2B segment" dated August 2026 (the "CRISIL Report"), which has been commissioned by our Company pursuant to an engagement letter dated August 8, 2025, and an addendum to the engagement letter dated May 29, 2026, in connection with the Offer. A copy of the CRISIL Report will be available on the website of our Company https://cdn.jfone.jewelflow.pro/deepajewellers/investor_documents/8988-Industry_Report.pdf and has also been included in "Material Contracts and Documents for Inspection" on page 418. CRISIL Limited ("**CRISIL**") is an independent agency and is not a related party of our Company or its Directors, Promoters, members of the Promoter Group, Key Managerial Personnel, Senior Managerial Personnel or the Book Running Lead Managers. Unless otherwise indicated, all financial, operational, industry and other related information derived from the CRISIL Report and included herein with respect to any particular calendar year refers to such information for the relevant calendar year. The data included in this section includes excerpts from the CRISIL Report and may have been re-ordered by us for the purposes of presentation.*

For definitions of technical and industry related terms used in this section, see "Definitions and Abbreviations –Technical and Industry Related Terms" on page 14.

Overview

As per the CRISIL Report, we are an organized B2B designer, processor and supplier of hallmarked gold jewellery, primarily having operations in Telangana, Karnataka, Andhra Pradesh, Tamil Nadu and Kerala. According to CRISIL Report, we are one of the key processors and suppliers of vaddanam and CNC machine cut bangles, distributing to jewellery retail chains and standalone stores.

We are an organized business-to-business (B2B) company, engaged in designing, getting our jewellery manufactured, and supplying gold jewellery to other businesses such as retail chains and standalone stores, rather than selling directly to end customers. We design our jewellery through a team of in-house designers who develop new products tailored to customer requirements, prevailing market trends and regional preferences enabling us to offer a diverse and customized product portfolio. We process our gold jewellery through an outsourced manufacturing model, supported by a network of 41 karigars, who undertake our manufacturing activities. Under this model, we supply raw materials including gold, alloys, and precious stones to the karigars, who manufacture jewellery in accordance with our designs and specifications and return the finished ornaments i.e ready to sell jewellery ornaments, to us in consideration for making charges. This approach provides operational flexibility and scalability to meet business demands without requiring significant capital investment. Further, the finished gold jewellery supplied by us, is hallmarked, signifying that it has been certified for purity in accordance with applicable regulatory standards, thereby providing assurance as to the quality and authenticity of the gold used.

Our Company is engaged in the business of processing and supplying 22 karat gold jewellery, job-work services and trading of jewellery and related products. We design, process and supply a wide range of hallmarked plain gold and precious stone studded jewellery. Our products primarily include vaddanam (waist belt), CNC machine cut bangles, gents kada, vanky (armlet), dandpatti (bajuband), gundlamala haaram (traditional neck piece), gundlamala necklace, kangan, earring,

mangtika (forehead pendant), maatil (ear chain), champasaralu (ear to hair chain), jada (braid ornament), rings, bracelet and precious rings.

In addition to our core jewellery processing operations, we also undertake job work assignments, wherein we receive raw material from our customers, process them into finished ornaments. i.e ready to sell jewellery products and return the same for a fee, without taking ownership of such raw materials. Furthermore, we also engage in the trading of silver ornaments, 18 and 20 karat gold ornaments, precious stones and gold bullion, wherein we buy and sell such products without any manufacturing involvement.

As on July 31, 2026, we have a product portfolio of 16 products and 110 SKUs across our product categories as indicated in the chart below.

As of July 31, 2026, our customer network spans across 13 states and 1 union territory in India with a total customer base of 373 customers, comprising of 47 jewellery retail chains and 326 standalone stores. Further, we don't own any standalone stores. Our products span over a wide range of price points, enabling us to cater to customers across diverse segments. Our team of creative designers allows us to manage a large and wide portfolio of designs. As of July 31, 2026, we had an in-house team of 15 designers focused on developing new products and designs tailored to customer needs and regional preferences. The designers analyze market trends and develop innovative jewellery designs that are different from our competitors. With this diverse product portfolio and team of creative designers, we have established a long-standing relationship with jewellery retail chains and standalone stores including, Joyalukkas India Limited, Kalyan Jewellers India Limited, Lalithaa Jewellery Mart Limited, Chandana Brothers Textiles & Jewellers Private Limited, Manoj Vaibhav Gems 'N' Jewellers Limited, Tribhovandas Bhimji Zaveri Limited ,CMR Textiles & Jewellers Private Limited, Bhima Jewels Private Limited, Mukunda Jewellery (Bathi Manufacturing and Retail Private Limited, R.S. Brothers Jewellers Private Limited, Marri Retail Private Limited, DP Gold Private Limited, Bapireddy Nagireddy Gold and Diamonds Private Limited, JVR Retails Private Limited, M. Bajranglal Sons Jewellers , Premraj Shantilal Jain Jewellers Private Limited, Makam Radhakrishna Jewellers Private Limited, Sri Mahalaxmi Gems and Jewellers, P. Satyanarayan Sons Private Limited, Sri Mahalaxmi Jewellers & Pearls and Krishna Jewellers Pearls and Gems Private Limited. For further details on long-standing relationship with jewellery retail chains and standalone stores see "*Our Business – competitive strengths - Well established customer base with long-standing relationship with jewellery retail chains and standalone stores*" on page 188.

Our revenue from operations for the Fiscal 2026, Fiscal 2025 and Fiscal 2024 from sale of products through processing, sale of services through job work and sale of products through trade is as follows:

(in ₹ million, except percentage)

Particulars	Fiscal 2026		Fiscal 2025		Fiscal 2024	
	Amount	% of total revenue from operations	Amount	% of total revenue from operations	Amount	% of total revenue from operations
Sale of products - processing	19,074.48	99.00	12,953.99	92.73	10,104.00	98.62
Sale of services - job work	172.29	0.89	151.02	1.08	140.02	1.37
Sale of products - trade	19.99	0.11	865.09	6.19	1.66	0.02
Total	**19,266.76**	**100.00**	**13,970.10**	**100.00**	**10,245.68**	**100.00**

Further, the following table provides a detailed breakup of revenue from the sale of hallmarked jewellery, along with its proportion to total revenue from operations for the Fiscal 2026, Fiscal 2025 and Fiscal 2024.

Year/Period	Revenue from sale of Hallmark Jewellery (in ₹ million)	Total revenue From Operation (in ₹ million)	Contribution from sale of Hallmark Jewellery in total revenue (in %)
Fiscal 2026	17,628.13	19,266.76	91.50
Fiscal 2025	12,949.04	13,970.10	92.69
Fiscal 2024	10,094.51	10,245.68	98.52

According to CRISIL Report, jewellery consumption in India can be broadly divided into three categories: bridal, daily and fashion wear. Bridal wear leads with 50-55% market share, followed by daily wear (35-40%) and fashion wear (5-10%). Our key products include vaddanam and CNC machine cut bangles. While vaddanam is traditionally worn by South Indian women as a symbol of prosperity and cultural heritage, CNC machine cut bangles are popular across both bridal and daily wear categories. As per CRISIL Report, though gold jewellery dominates the bridal market in South India, the increasing preference for minimalist jewellery is emerging as a growth driver in the region. To meet these evolving customer preferences, we offer a wide range of products from weddings jewellery to lightweight daily wear jewellery, with variety of designs.

The following table sets forth a breakdown of our revenue from operations from vaddanam, CNC machine cut bangle and our other products for the Fiscal 2026, Fiscal 2025 and Fiscal 2024.

(in ₹ million, except percentage)

Product category	Fiscal 2026		Fiscal 2025		Fiscal 2024	
	Amount	% of total revenue from operations	Amount	% of total revenue from operations	Amount	% of total revenue from operations
Revenue from operations of vaddanam	8,062.41	41.85	4,830.59	34.58	3,755.56	36.66
Revenue from operations of CNC machine cut bangles	5,948.53	30.87	5,842.21	41.82	4,075.94	39.78
Revenue from operations of other products*	5,255.82	27.28	3,297.30	23.60	2,414.18	23.56
Total	**19,266.76**	**100.00**	**13,970.10**	**100.00**	**10,245.68**	**100.00**

** Other products include- gents kada, vanky(armlet), dandpatti (bajuband), gundlamala haaram (traditional neck piece), gundlamala necklace, kangan, earring, mangtika (forehead pendant), maatil (ear chain), champasaralu (ear to hair chain), jada (braid ornament), rings, precious stones, pearls, flat diamonds, cubic zirconia, gold bullion and precious beeds.*

According to CRISIL Report, jewellery manufacturers in India experience strong demand cycles driven by weddings, festivals, birth occasions, anniversary and the harvest season. The seasonal nature of these events creates year-round business opportunities for manufacturers and wholesalers. We view this sustained, event-driven demand as a strategic advantage and have aligned our operations accordingly. To strengthen our ability to meet rising and recurring demand, we are in the process of setting up our in-house manufacturing facility in Hyderabad, Telangana which will enhance our production capacity, improve turnaround times, and support scalability. Furthermore, to deepen our market reach and serve customers more effectively, we have expanded our geographical presence by opening a sales office in Vijayawada, Andhra

Pradesh in November 2025. For further details on our in-house manufacturing facility and sales office see *"Our Business – Our Operations*" on page 203.

We have a presence across the entire value chain of the organized wholesale gold jewellery market, supported by an established procurement network, long -standing relationship with karigars, a team of creative designers, comprehensive quality control and assurance framework, dedicated market research and trend analysis efforts, and a marketing team comprising 12 members.

As per CRISIL Report, B2B jewellery manufacturers operate in a supply-driven ecosystem, operational efficiency is critical to ensure timely delivery of final product to retailers. We maintain a well-established procurement network for sourcing high-quality raw materials, including gold and silver, from a diverse range of suppliers such as RBI registered bullion bank, independent bullion dealers, import through India International Bullion Exchange and through exchanges from our customers. We have also developed a network of karigars, through long standing relationships, which enables us to maintain timely production schedules, ensure consistent product quality, and exercise effective control over our supply chain.

We have implemented a quality control and assurance framework to maintain the consistent standards of craftsmanship and product integrity. A dedicated quality control team is responsible for conducting inspections in an organised, systematic and efficient manner. Quality checks are carried out at every stage of manufacturing process, during which jewellery pieces are evaluated for purity, structural integrity, design accuracy, and finishing. Any defects identified during this stage are rectified before the jewellery progress further in the process. This process ensures that every piece meets our defined quality parameters. Jewellery pieces also undergo testing and certification for metal purity, gemstone authenticity, and durability. In addition, jewellery is sent to government approved hallmarking centres for hallmarking in accordance with BIS norms. This includes verification of gold karatage, assessment of gemstone quality, and structural strength checks to ensure compliance with applicable industry standards.

Further, as a part of our marketing initiatives, we regularly participate in B2B exhibitions to broaden our brand exposure, visibility and awareness, and to promote our brand and specific product collections. Since our inception, we have been participating in B2B exhibitions to engage with and acquire potential customers in untapped markets, showcase our latest collections, assess local consumer preferences, and evaluate the feasibility of future market expansion in these regions. We have a dedicated team of 12 members to undertake our marketing activities situated in Hyderabad and Vijayawada. Our advertisement and sales promotion expenses for the Fiscal 2026, Fiscal 2025 and Fiscal 2024 were ₹ 6.14 million, ₹ 7.86 million and ₹ 4.91 million representing 0.03 %, 0.06 % and 0.05 % of our total expenses respectively. In the Fiscal 2026, Fiscal 2025 and Fiscal 2024 we have participated in multiple B2B exhibitions across Mumbai, Hyderabad, Bengaluru, Chennai and Vijayawada. For details regarding our marketing initiatives, see "*Our Business - Marketing and Advertising Initiatives*" on page 207.

We use third-party mobile application namely "Deepa Jewellers Limited" to enhance our brand visibility, disseminate information and display product collections, which was commissioned by us on June 25, 2021. This application enables access to high-resolution images of selected jewellery designs to remote customers. Customers are initially shown a limited sample set, and upon approval of access, they can browse the full design catalogue. The platform functions solely as a design-selection interface, while order acceptance and fulfilment remain with us**.** The application is available on both android as well as IOS operating systems and is intended exclusively for use by our B2B customers. For Fiscal 2026, Fiscal 2025 and Fiscal 2024, the application had 312, 152 and 110 users respectively.

Our Promoter, Chairman and Managing Director, Ashish Agarwal and our Promoter and Non-Executive Non-Independent Director, Seema Agarwal, embarked their journey in the gem and jewellery industry in the year 2001, through a partnership firm, and hold an experience of 25 years in the industry. Further, our Promoter and Whole-Time Director, Dev Agarwal, who joined our Company in 2021, represents the next generation of leadership contributing modern business perspectives, technology-oriented thinking and contemporary strategic direction that support our ongoing growth. The leadership and experience of our Promoters have enabled us to expand our product portfolio, develop customer relationships and establish a brand name and presence in vaddanam and CNC machine cut bangles product line. This has contributed significantly to our growth in revenue from operations and improvement in our profit margins. Our Promoters are supported by an experienced Board of Directors and management team of Key Managerial Personnel and Senior Management. For further details with respect to management of our Company, see "*Our Management*" on page 224. Please see "*Our Business–Our Strengths- Well experienced promoters and a professional management team with sectoral experience*" on page 191.

Key Financial Parameters

A summary of our financial performance during the Fiscal 2026, Fiscal 2025 and Fiscal 2024 as follows:

Particulars	Fiscal 2026	Fiscal 2025	Fiscal 2024
Financial KPIs			
Revenue from operations (₹ million)	19,266.76	13,970.10	10,245.68
EBITDA [(i)] (₹ million)	1,463.37	560.06	357.71
EBITDA margin[(ii)] (%)	7.60%	4.01%	3.49%
Profit after tax (PAT) (₹ million)	1,047.88	405.80	243.47
PAT Margin[(iii)] (%)	5.44%	2.90%	2.37%
Return on Equity[(iv)] (%)	56.45%	35.95%	30.30%
Return on Capital Employed[(v)] (%)	52.08%	30.60%	22.76%
Debt to equity ratio[(vi)]	0.47	0.61	0.84
Operational KPIs			
Inventory holding period (days) [(vii)]	18	21	22
Debtors holding period (days) [(viii)]	36	29	32
Creditors holding period (days) [(ix)]	1	1	1
Net operating cycle (days) [(x)]	53	49	53

Notes:

(i) EBITDA = EBITDA is calculated as profit before tax and exceptional items for the year/period, plus finance costs and depreciation and amortisation expenses, less other income.

(ii) EBITDA Margin = EBITDA margin is calculated by dividing EBITDA by total revenue from operations

(iii) PAT Margin = PAT margin is calculated by dividing profit after tax by revenue from operations and other income)

(iv) Return on Equity = Return on Equity is calculated by dividing the net income by average shareholders' equity at the beginning and end of period

(v) Return on Capital Employed = Return on Capital Employed is calculated by dividing earnings before interest and taxes (EBIT) by average capital employed at the beginning and end of period

(vi) Debt to Equity Ratio = Debt to Equity Ratio is calculated by dividing a total debt and financial liabilities by its shareholder equity

(vii) Inventory holding period (days) = Inventory holding period (days) is calculated by dividing 365 by the ratio of cost of goods sold to the average inventory at the beginning and end of the period.

(viii) Debtors holding period (days) = debtors holding period (days) is calculated by dividing 365 by the ratio of revenue from operations to the average trade receivables at the beginning and end of the period.

(ix) Creditors holding period (days) is calculated by dividing 365 by the ratio of Cost of Goods Sold (COGS) to the average trade payables at the beginning and end of the period.

(x) Net Operating Cycle (Days) = net operating cycle (Days) is calculated as inventory days plus debtor days minus creditor days.

A summary of our other operational information during Fiscal 2026, Fiscal 2025 and Fiscal 2024 as follows:

Particulars	Fiscal 2026	Fiscal 2025	Fiscal 2024
Other Operational KPI			
Total quantity sold (in kg)	1,644	1,889	1,739
Total quantity processed through job work process (in kg)	757	485	387
No. of customers	214	206	195
Total employee base [(i)]	92	31	34
Geographic Sales Coverage (Number of State/Union Territory)	10	9	9
Revenue per Customer (₹ million) [(ii)]	90.03	67.82	52.54
No. of products (SKUs)	76	70	61
No. of products (Category)	14	13	11

Notes:

(i) Number of employees= Number of employees has arrived at by dividing opening number of employees + Closing number of employees by 2.

(ii) Revenue per Customer has been calculated by dividing total revenue from operations by number of customers.

COMPETITIVE STRENGTHS

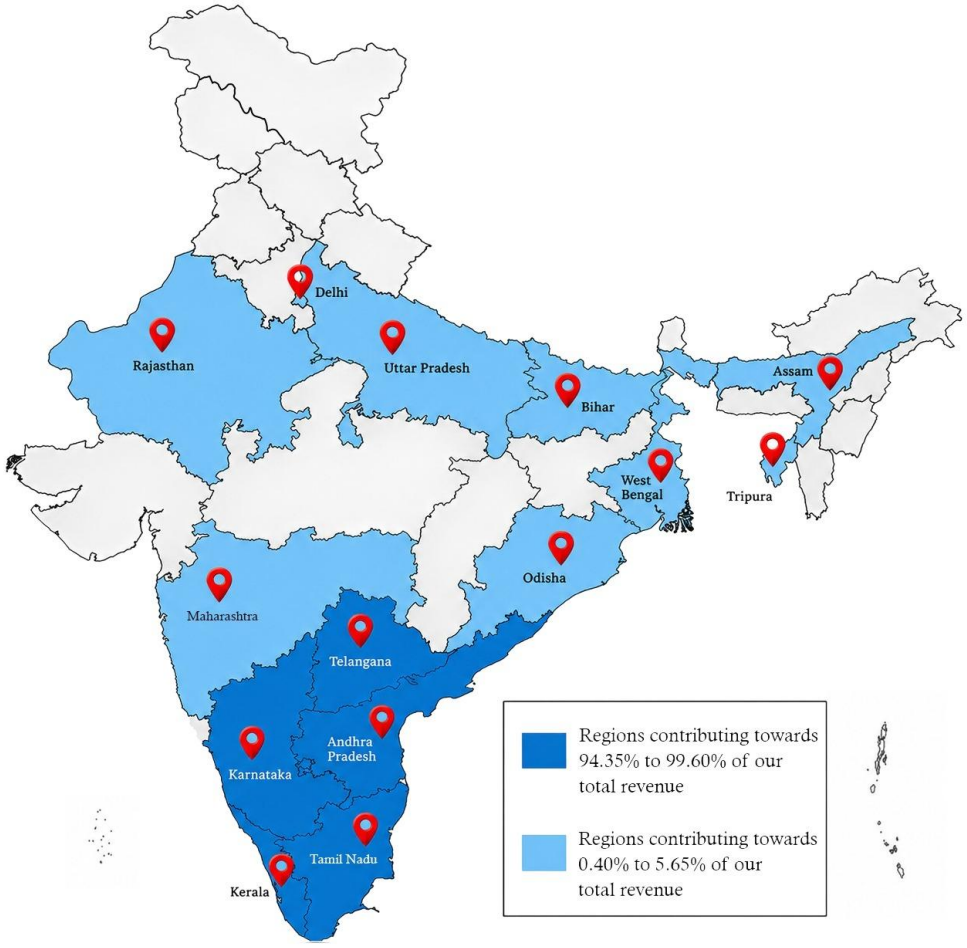
Significant revenue contribution from Southern India

As per the CRISIL Report, among the four regions in India, the southern region has the highest market share in jewellery consumption, 38-43% market share, followed by the western region at 22-27%. Northern region has 18-23% share in jewellery consumption, while East India has the smallest market share of 13-17%.

As per the CRISIL Report, the gems and jewellery retail industry in South Indian region was valued at ₹5,026 billion in Fiscal 2026, which is about ~40% of the overall gems and jewellery industry in India. The sector is estimated to grow at a

CAGR of 6-7% between Fiscal 2026 and Fiscal 2030 with the overall market size projected to surge to ₹ 6,200 – ₹ 6,600 billion by Fiscal 2030.

As per the CRISIL Report, we are an organized B2B designer, processor and supplier of hallmarked gold jewellery, primarily in Telangana, Karnataka, Andhra Pradesh Tamil Nadu and Kerala. The map below shows our presence across various states and union territory in India and their contribution to the revenue of our Company for the Fiscal 2026, Fiscal 2025 and Fiscal 2024.



We have built a consistent and recognizable brand image among our customers across South India. As of July 31, 2026, our customer network spans across 13 states and 1 union territory in India.

We have witnessed consistent year on year growth in revenue across all the states in which we operate, except in other Indian states, which recorded a marginal decrease during the period as indicated in the table mentioned below. For the Fiscal 2026, Fiscal 2025 and Fiscal 2024, the contribution of South Indian states and other Indian states/union territory to our revenue from operations is presented as follows:

(in ₹ million, except percentage)

Particulars	Fiscal 2026		Fiscal 2025		Fiscal 2024	
	Amount	% of total revenue from operations	Amount	% of total revenue from operations	Amount	% of total revenue from operations

Diverse product portfolio with varied weight ranges, designs and specialisation in vaddanam and CNC machine cut bangles

As per the CRISIL Report, we are one of the key processors and suppliers of vaddanam and CNC machine cut bangles, distributing to jewellery retail chains and jewellery standalone stores.

We offer a diverse range of gold jewellery in different karat specifications to meet the requirements of our customers and our product portfolio includes a wide variety of designs, primarily comprising of vaddanam (waist belt), CNC machine cut bangles, gents kada, vanky (armlet), dandpatti (bajuband), gundlamala haaram (traditional neck piece), gundlamala necklace, kangan, earring, mangtika (forehead pendant), maatil (ear chain), champasaralu (ear to hair chain), jada (braid ornament), rings, bracelet and precious rings. As on July 31, 2026, we have a product portfolio of 16 products including 110 SKUs across our product categories.

Our Company has added the following number of products and SKUs in the Fiscal 2026, Fiscal 2025 and Fiscal 2024:

Particulars	Fiscal 2026	Fiscal 2025	Fiscal 2024
SKUs	6	9	3
Product category	1	2	1

As per the CRISIL Report, bangles and chains category have the highest share at 30-40% in the gems and jewellery industry as it forms a part of bridal and daily wear categories. The rising demand for precision and intricacy is a core factor driving the market for CNC machine cut bangles. The rising popularity of CNC cut bangles is noticeable not only in metropolitan areas but also in Tier-2 cities.

According to CRISIL Report, vaddanams is predominantly worn by women in South India, especially during weddings and special occasions and it symbolizes wealth, grace and auspiciousness, often passed down as a treasured heirloom through generations. It is an emblem of prosperity and cultural heritage, accentuating the waistline with intricate designs often featuring motifs from temple art, such as peacocks, lotuses, and deities. This jewellery piece is not only a fashion statement but also symbolizes wealth, grace and auspiciousness, often passed down as a treasured heirloom through generations.

As per the CRISIL Report, vaddanams have long been essential element in South Indian bridal attire, symbolizing prosperity and tradition. Further as per CRISIL Report, CNC machine cut bangles are popular across both bridal and daily wear categories. According to CRISIL Report, though gold jewellery dominates the bridal market in South India, the increasing preference for minimalist jewellery is emerging as a growth driver in the region. To meet these evolving customer preferences, we offer a wide range of products from weddings jewellery to lightweight daily wear jewellery, with variety of designs.

We design and offer a broad portfolio of jewellery that caters to diverse customer preferences. Our product range spans multiple weight categories, from 2.50 grams to 300 grams, enabling us to serve a wide spectrum of customer budgets and design requirements. We also undertake customised design development, enabling customers to tailor jewellery pieces based on their specific style preferences, budget considerations and regional tastes.

We gather customer feedback on a going basis to understand evolving requirements and to introduce new design collections that are aligned with prevailing tastes, market trends and consumer expectations. Our design philosophy draws inspiration from cultural traditions, contemporary fashion influences and customer insights. The design process is supported by market research and trend analysis, enabling us to anticipate shifting consumer preferences and identify emerging styles. As on July 31, 2026, we have an in-house team of 15 designers focused on developing new products and designs tailored to customer needs and regional tastes.

The following table sets forth a breakdown of our revenue from operations from vaddanam, CNC machine cut bangle and our other products for the Fiscal 2026, Fiscal 2025 and Fiscal 2024.

(in ₹ million, except percentage)

Particulars	Fiscal 2026		Fiscal 2025		Fiscal 2024

Total	**19,266.76**	**100.00**	**13,970.10**	**100.00**	**10,245.68**	**100.00**

Established procurement network and long -standing relationship with karigars

As per the CRISIL Report, jewellery manufacturers in India experience strong demand cycles aligned with weddings, festivals, birth occasions, and the harvest season. The industry relies heavily on skilled artisans and craftsmen with expertise in cutting, polishing, and manufacturing fine jewellery.

We have built a network of karigars with long standing relationships primarily in Telangana and Maharashtra. As of July 31, 2026, we were supported by 41 karigars, out of which, we have entered into formal agreements with 29 karigars. We have not entered into formal agreements with the remaining karigars, and our engagement with them is based on ongoing working relationships. Additionally, out of the 41 Karigars, 25 karigars are associated with us for more than 5 years, reflecting our long-standing relationships with the karigars. Our karigars are engaged in various stages of ornament production, including crafting, polishing, and finishing. Our network of karigars is integral to our ability to create new jewellery collections that cater to diverse customer tastes and regional preferences. These established relationships enable us to maintain timely production, ensure consistent product quality, and exercise control over our supply chain. Our network of karigars supports efficient operations within the supply-driven B2B jewellery ecosystem, where timely procurement and production are critical for meeting retailer schedules and requirements.

As per the CRISIL Report, B2B jewellery manufacturers operate in a supply-driven ecosystem where efficiency, scale, and reliability define competitiveness, and success depends on a combination of product strategy, operational integration, risk management, and manufacturing excellence. Ensuring operational efficiency, including the timely procurement of raw materials, is critical to ensure timely delivery of the final product to the retailers.

We maintain a well-established procurement network for sourcing high-quality raw materials, including gold and silver from a range of suppliers such as RBI registered bullion bank, independent bullion dealers, import through India International Bullion Exchange and exchange from customers. Ensuring the purity and quality of these materials remains a top priority in our sourcing strategy.

We procure a wide range of gemstones, including rubies, pearls, flat diamonds, and emeralds, from Jaipur, Surat, Mumbai, Hyderabad and Thailand. Our procurement of gemstones and flat diamonds involves strict adherence to internationally recognized quality standards to ensure authenticity, ethical sourcing, and value.

This structured and reliable procurement of our raw material and uninterrupted manufacturing of jewellery through karigars, enables consistent product quality and strengthens our ability to meet customer demand. For further details on procurement of raw materials, see "*Our Business-Procurement of raw materials*" on page 204.

Well experienced Promoters and a professional management team with sectoral experience

Our Promoters and management team bring experience in the jewellery industry, enable us to understand the changing customer preferences, market trends and to offer collections across a wide range of price points and occasions. Our offerings have garnered interest from both our existing and new customers.

Our Promoters have been instrumental in strengthening relationships with key stakeholders, enabling us to expand our operations. Our Promoter, Chairman and Managing Director, Ashish Agarwal and our Promoter and Non-Executive Non-Independent Director, Seema Agarwal embarked their journey in the gem and jewellery industry in the year 2001, through a partnership firm, and hold an experience of 25 years in the industry. Further, our Promoter and Whole-Time Director, Dev Agarwal, who joined our Company in 2021, represents the next generation of leadership and contributing modern business perspectives, technology-oriented thinking and contemporary strategic direction that support our ongoing growth. For further details see *"Our Management"* on page 224.

Our Company is led by an experienced management team, supported by professionals with extensive expertise in marketing, corporate governance, accounting, retail, and finance. This leadership and operational continuity have helped us to build institutional knowledge, retain strategic focus, and maintain consistent relationships with suppliers, customers, and other industry stakeholders.

Our experienced and dedicated senior management team enables us to identify market opportunities, formulate and execute business strategies, manage customer requirements and respond to changes in market conditions. Our Promoter-led yet professionally supported structure facilitates timely decision-making and efficient execution of our operational and expansion strategies. For further details on senior management, see "*Our Management – Key Managerial Personnel and Senior Management"* on page 238.

Robust financial performance with consistent growth

We have demonstrated consistent and resilient financial performance in Fiscal 2026, Fiscal 2025 and Fiscal 2024.

The growth in our revenues and profitability is attributable to our continued focus on productivity, cost realization and operational efficiencies. Our financial performance reflects the effectiveness of our management protocols and efficient working capital management across our business operations.

The table below sets forth some key financial information and ratios for Fiscal 2026, Fiscal 2025 and Fiscal 2024.

Particulars	Fiscal 2026	Fiscal 2025	Fiscal 2024
Total income (₹ million)	19,277.25	14,001.00	10,257.29
Gross profit (₹ million)	1,540.34	610.77	400.05
Gross margin (%)	7.99	4.37	3.90
EBITDA [(i)] (₹ million)	1,463.37	560.06	357.71
EBITDA margin[(ii)] (%)	7.60	4.01	3.49
Profit after tax (PAT) (₹ million)	1,047.88	405.80	243.47
PAT Margin[(iii)] (%)	5.44	2.90	2.37
Return on Equity[(iv)] (%)	56.45	35.95	30.30
Return on Capital Employed[(v)] (%)	52.08	30.60	22.76
Debt to equity ratio[(vi)]	0.47	0.61	0.84

Notes:
(i) EBITDA = EBITDA is calculated as profit before tax and exceptional items for the year/period, plus finance costs and depreciation and amortisation expenses, less other income.
(ii) EBITDA Margin = EBITDA margin is calculated by dividing EBITDA by total revenue from operations
(iii) PAT Margin = PAT margin is calculated by dividing profit after tax by revenue from operations and other income)
(iv) Return on Equity = Return on Equity is calculated by dividing the net income by average shareholders' equity at the beginning and end of period
(v) Return on Capital Employed = Return on Capital Employed is calculated by dividing earnings before interest and taxes (EBIT) by average capital employed at the beginning and end of period.
(vi) Debt to Equity Ratio = Debt to Equity Ratio is calculated by dividing a total debt and financial liabilities by its shareholder equity.

For a discussion on the change in our results from operations over the last three Fiscals, please refer to "*Management's Discussion and Analysis of Financial Condition and Results of Operations – Results of operations*" and "*Financial Information"* on page 302 and 247 respectively.

OUR GROWTH STRATEGIES

Setting up in-house manufacturing facility (Proposed Facility)-

As per the CRISIL Report, the Indian gold jewellery retail industry is valued at ₹ 10,619 billion in Fiscal 2026 with demand of 721 tonne gold. Overall, Indian gold retail industry is expected to log a CAGR of 12-14% from Fiscal 2025 to Fiscal 2030 and reach a size of ₹ 12,000-12,500 billion by Fiscal 2030. To equip ourselves to cater to the projected rise in gold demand and to strengthen our operational capabilities, we are currently setting up an in-house manufacturing facility spanning across 6,696 square feet in Hyderabad ("**Proposed Facility**"). The Proposed Facility is expected to become operational prior to the conclusion of first half of Fiscal 2027 and will be equipped with real wax 3D printer model ProJet MJP 300W, vacuum pressure casting machine and induction melting furnace. Towards this, our Company has incurred a total expenditure of ₹ 22.82 million as of March 31, 2026, which includes ₹ 22.06 million as orders for equipment, funded entirely through our internal accruals, and has been reflected in Note 3.2 – Capital work in progress (CWIP) for the year and ₹ 0.76 million as capital advances and has been reflected in Note 11 - Other Current Assets of our Restated Financial Information on pages 274 and 279 respectively. As on the date of this Red Herring Prospectus, the Proposed Facility is in the installation phase and has not yet commenced commercial operations.

The Proposed Facility is expected to enhance our operational control by reducing our dependence on karigars for jewellery manufacturing, better manage production timelines and lowering the making charges currently paid to them. A higher proportion of internal production is expected to improve cost efficiencies and enabling better predictability of manufacturing expenses. The Proposed Facility will further allow us to implement uniform and stringent quality standards, supported by standardized processes, machine-led precision, and direct supervision at each stage of production. This will help ensure consistency in craftsmanship, reduce defects, and improve our ability to meet customers specifications.

These factors are expected to collectively support the scaling of our output during peak demand cycles and minimize disruptions arising from labour availability or supply bottlenecks. In-house production is also expected to mitigate risks of pilferage and material loss, as gold and precious stones will be handled within a monitored and controlled environment equipped with enhanced security protocols.

Further, centralizing production will help strengthen confidentiality of our designs, particularly for new collections, by limiting external exposure and safeguarding proprietary styles and innovations.

Further strengthening our presence in Southern India through new sales offices.

As per the CRISIL Report, the B2B gems and jewellery industry in the South Indian region is a significant contributor to the country's overall market, with a value of ₹ 2,847 billion in Fiscal 2026. This region, known for its rich cultural heritage and traditional affinity for gold, is expected to drive growth in industry. Looking ahead, the South Indian B2B gems and jewellery market is poised for substantial expansion, with projected growth to ₹ 3,200- ₹ 3,450 billion by Fiscal 2030.

We have expanded our geographical presence by opening a sales office in Vijayawada, Andhra Pradesh in November 2025 and intend to further strengthen our physical presence across South India, by setting up an additional sales office in Bengaluru in Fiscal 2027. The Vijayawada sales office, which has been taken on a lease basis and have six employees till July 31, 2026, is expected to enable us to expand our distribution network, increase recurring sales and scale our business engagements with current customers, while also diversifying our customer base by targeting untapped markets, particularly in Southern India. This expansion is aimed at deepening our market reach, improving customer service, and serving a broader customer base in a cost-efficient manner, while strengthening our presence in underrepresented markets within the region. As of July 31, 2026, the sales office had a total inventory of finished ornaments amounting to ₹ 3.81 million.

We believe that expansion through sales offices will enable us to serve a broader customer base effectively and, in a cost-efficient manner. Proximity to new customer groups will provide us with a strategic advantage by ensuring quicker response time and faster delivery. We also intend to deepen and broaden our presence by introducing new products catering to new customers and further expanding within the South Indian market. Furthermore, expanding our geographical footprint will help us mitigate the risks associated with economic fluctuations in any one region.

Expanding our product portfolio by adding new product categories, designs and SKUs.

As of July 31, 2026, our product portfolio comprises of 16 products with over 110 SKUs weighing from 2.50 grams to 300 grams. We intend to add 2 new product categories and 22 additional SKUs to our portfolio by Fiscal 2027.

We plan to expand our presence further in the gold and studded jewellery market by introducing new products categories with higher margins potential, including paper casting jewellery and nakshi kundan jewellery. Our strategy focuses on continuous innovation in design and product development to meet the evolving preferences and requirements of our B2B customers. We leverage social media insights to track emerging consumer trends and combine this with regular interactions between our senior management and retail clients, enabling us to continually refine our offerings and introduce innovative, affordable, and stylish daily-wear jewellery that aligns with the preferences of younger consumers.

Variations in our product mix will enable us to cater to a wide range of market segments, providing our customers with access to a comprehensive range of gold and studded jewellery under a single roof. We will continue to invest in our design team to create more innovative and commercially viable designs that will help to increase our sales. We further intend to increase the strength of our design team from 15 to 20 employees. Adding more designers will strengthen our ability to introduce new SKUs and product categories at a faster pace. A larger design team will also support more frequent product refresh cycles, enabling us to remain relevant in a rapidly evolving jewellery market. Additionally, our Proposed Facility will be equipped with machinery that allows us to create design variations, thereby expanding our product portfolio. We expect that this product diversity and enhanced design-led innovation, will help us to increase our sales and profitability margins.

Invest in brand building and marketing initiatives by participating in various trade exhibitions and trade shows

Our marketing and promotion efforts seek to increase sales by building brand awareness that stimulates interest in our product range and strengthening our position in the Indian jewellery industry. We believe that our focus on quality, craftsmanship and designs, together with our targeted marketing, has contributed to our strong brand recognition. The key marketing channels include participation in various trade exhibitions and trade shows, which serve as primary platforms for showcasing our collections to existing and prospective B2B customers. In the Fiscal 2026, Fiscal 2025, Fiscal 2024 we have attended multiple B2B exhibitions across Mumbai, Hyderabad, Bengaluru, Chennai and Vijayawada. As of July 31, 2026, we have a dedicated marketing team of 12 members in Hyderabad and Vijayawada, to undertake marketing activities.

To further enhance our market presence, deepen customer engagement and support our growth ambitions, we intend to expand our marketing team from 12 members to 25 members and increase participation in regional and national trade exhibitions. These exhibitions provide us with an opportunity to enhance our brand visibility, recognition among retail

jewellers and to showcase new designs and product categories. Through direct interactions at these exhibitions, we gain valuable insights into the preferences and trends of those markets, which help us refine our offerings and adapt to the demands of such regions. Our advertisement and sales promotion expenses for the Fiscal 2026, Fiscal 2025 and Fiscal 2024 were ₹ 6.14 million, ₹ 7.86 million and ₹ 4.91 million representing 0.03 %, 0.06 % and 0.05 % of our total expenses respectively. For details regarding our marketing initiatives, see "*Our Business - Marketing and Advertising Initiatives*" on page 207. We believe that continued investment in marketing and brand-building initiatives is essential for supporting future revenue growth, to establish relationships with target customers and enhancing our brand visibility within the Indian jewellery industry.

Leveraging Technology for operational efficiency

We seek to enhance operational efficiency and customer engagement through the adoption of technology-enabled systems across our business processes. To support remote customers and improve design discovery, we use a third-party digital application, namely "*Deepa Jewellers Limited*", that enables access to high-resolution images of selected jewellery designs. Customers are initially shown a limited sample set, and upon approval of access, they can browse the full design catalogue. The platform functions solely as a design-selection interface, while order acceptance and fulfilment remain with us. This application is available on both android as well as IOS operating systems and intended exclusively for use by our B2B customers.

We seek to employ technology-enabled inventory management systems to optimise stock levels, track the movement of goods and streamline procurement planning which will help reduce working capital requirements

We also plan to implement a comprehensive framework to minimise gold wastage across our manufacturing operations. This includes the introduction of systems designed to capture and recover gold particles generated during production processes, through specialised filtration, extraction, and dust-collection mechanisms. Dedicated stations will be established to recover gold residues from work areas, and high-efficiency vacuum systems along with other extraction tools will be deployed to collect airborne or settled particulars. We have already placed orders for advanced imported machinery to support these processes. These measures are expected to improve our gold recovery processes and enhance overall efficiency in wastage control.

Further, we seek to implement a technology-driven order management system to streamline the end-to-end order lifecycle, from receipt to fulfilment. This system is expected to improve real-time tracking of customer orders, automate order allocation and processing, and enhance coordination between production, inventory, and dispatch functions, thereby improving our operational responsiveness and efficiency.

OUR PRODUCTS PORTFOLIO

Our range of products primarily include vaddanam (waist belt), CNC machine cut bangles, gents kada, vanky(armlet), dandpatti (bajuband), gundlamala haaram (traditional neck piece), gundlamala necklace, kangan, earring, mangtika (forehead pendant), maatil (ear chain), champasaralu (ear to hair chain), jada (braid ornament), rings, bracelet and precious rings. As on July 31, 2026, we have a product portfolio of 16 products including 110 SKU across our product categories.

The table below sets out the details of our products*:*

[the remainder of this page has been intentionally left blank]

Sr. No.	*Product name*	*Image and Description*	*SKU's*
1.	Vaddanam (waist belts),	 Vaddanam is a traditional waist ornament worn by women in South India during weddings and other auspicious occasions. It is regarded as a symbol of prosperity, cultural heritage, and social significance. Typically crafted with intricate detailing, the vaddanam often features motifs inspired by temple art, including peacocks, lotuses, and deities. In addition to being an important bridal adornment, it is cherished as a family heirloom, passed down through generations, representing continuity, elegance, and tradition.	1. Vaddanam nakshi 2. Vaddanam sheet 3. Vaddanam sheet baby 4. Vaddanam sheet uncut 5. Vaddanam sidebelt 6. Junagadh mope 7. Pacchi mope 8. Casting mope 9. Junagadh mope uncut 10. Pacchi mope uncut 11. Casting mope uncut 12. Flexible hipchain 13. Vaddanam Anitique
2.	CNC machine cut bangles	 CNC machine cut bangles are crafted using CNC technology focusing on precise cutting, shaping, and engraving of intricate patterns on gold or silver. The process begins with digitally created designs that are executed by computer-controlled machinery. This process increases uniformity	1. MC Plain 2. Flat khila 3. Half round pokhal 4. Kaanas thin 5. Rawa 6. CNC 7. Fancy 8. Ice cutting 9. Exfancy 10. Premium bangles 11. Bombay halfround 12. Calcutta 13. Handmade fancy 14. Andhra traditional 15. Karnataka traditional

OUR OPERATIONS

We currently operate from our Registered office at the ground and first floors of the building bearing door No. 3-6-343 and 344, Basheerbagh, Himayathnagar, Hyderabad 500 029, Telangana, India admeasuring 4,464.00 square feet.

Our Proposed Facility will operate from the second, third and fourth floors of the building bearing door No. 3-6-343 & 344, Basheerbagh, Hyderabad 500 029, Telangana, India admeasuring 6,696.00 square feet. It is expected to become operational prior to the inclusion of first half of Fiscal 2027. The Proposed Facility is expected to enhance operational control by reducing dependence on external karigars and lowering making charges, thereby improving cost efficiencies, ensuring quality control and predictability of manufacturing expenses. It is expected to support uniform quality standards through standardized processes, machine-led precision and direct supervision, helping ensure consistency in craftsmanship, reduce defects and better meet customers specifications. The Proposed Facility will be equipped with real wax 3D printer model ProJet MJP 300W, vacuum pressure casting machine and induction melting furnace, for which order has already been placed.

We have expanded our geographical presence by opening a sales office in Vijayawada, Andhra Pradesh in November 2025. The Vijayawada sales office, which has been taken on a lease basis and have six employees till July 31, 2026, is expected to enable us to expand our distribution network, increase recurring sales and scale our business engagements with current customers, while also diversifying our customer base by targeting untapped markets, particularly in Southern India. This expansion is aimed at deepening our market reach, improving customer service, and serving a broader customer base in a cost-efficient manner, while strengthening our presence in underrepresented markets within the region. As of July 31, 2026, the sales office had a total inventory of finished ornaments amounting to ₹ 3.81 million.

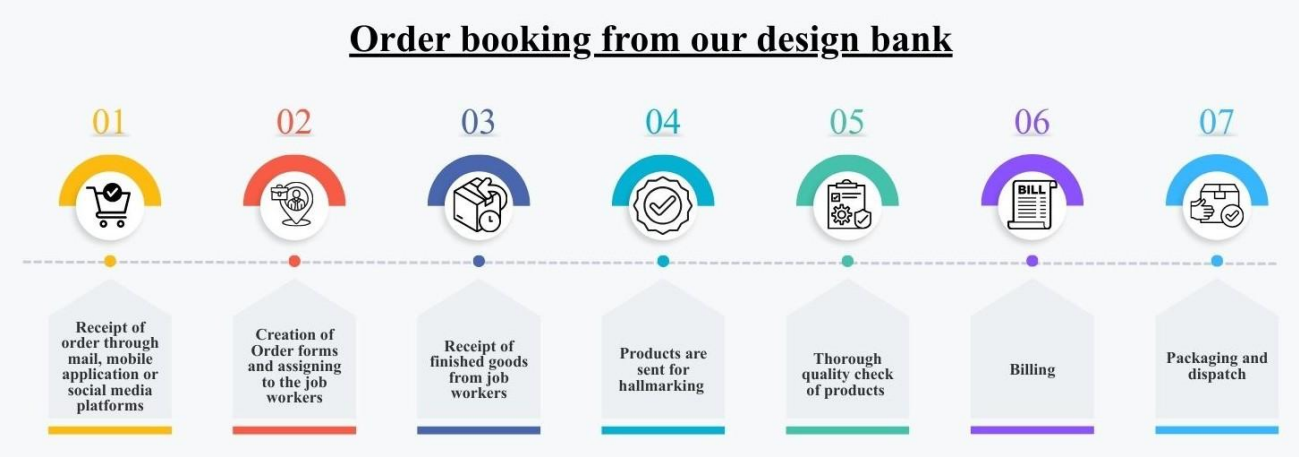
Operational Process

Sales to customers are carried out through two primary ways: (i) sales from our existing inventory (ready stock), and (ii) order-based sales derived from our design bank.

(i) Sale of product inventory (ready stock)

Our process begins with the selection of products from our inventory through offline and online channels. The selected products are then sent to government registered and BIS approved hallmarking centres where the purity of ornaments is verified and hallmarked to confirm the authenticity. Following the hallmarking, the products undergo a quality check, during which stone quality, stone setting, design symmetry and any damages are inspected and repaired before delivery. After the quality check, the products are processed by the billing department. Finally, the products are packed and dispatched carefully to prevent any damages during transit. Deliveries are made either through our in-house delivery executives or via third-party logistics service provider for inter-city delivery.

(ii) Order booking from our design bank



Our process begins with the receipt of orders through e-mail, our mobile application or social media platforms. Order forms are created and assigned to job workers, specifying details such as the required weight, size or length of the ornament, polish, stone-type and delivery due date. Upon completion, the finished goods are received from the job workers and sent to government registered and BIS approved hallmarking centres, where the purity of ornaments is verified and hallmarked to confirm authenticity. Following hallmarking, the products undergo a quality check including inspection of stone quality, stone setting, design symmetry and any damages are inspected and repaired before delivery. After the quality check, the products are processed by the billing department. Finally, the products are carefully packed and dispatched to prevent any damages during transit. Deliveries are made either through our in-house delivery executives or via third-party logistics service provider for inter-city delivery.

Procurement of Raw Materials

We procure high-quality raw materials, including gold and silver from varied sources such as RBI registered bullion bank, independent bullion dealers, import through India International Bullion Exchange and exchange from customers. Ensuring the purity and quality of these materials remains a top priority in our sourcing strategy. We procure a wide range of gemstones, including rubies, pearls, flat diamonds, and emeralds, from Jaipur, Surat, Mumbai, Hyderabad and Thailand. For coloured gemstones such as rubies, flat diamonds and emeralds, we evaluate key attributes such as colour (hue, tone, saturation), clarity (inclusion visibility), cut (shape and symmetry), and carat weight. To enhance durability, colour, and workability, metals undergo a controlled alloying process where they are melted and mixed in precise proportions.

The cost of principal raw materials purchased in Fiscal 2026, Fiscal 2025 and Fiscal 2024 is set out as below:

(*in ₹ million, except percentage*)

Raw Material	Fiscal 2026		Fiscal 2025		Fiscal 2024	
	Amount	% of total purchases	Amount	% of total purchases	Amount	% of total purchases
Gold Bullion	15,012.60	86.04	12,468.87	94.65	9,389.24	94.92

Product Development and Design

We design and sell a diverse range of jewellery, intended to cater to varied customer needs and preferences across different geographies. Our design approach is supported by continuous customer engagement, including structured feedback mechanisms, which enable us to introduce new design collections in alignment with customer tastes, market trends and preferences. We focus on developing new product lines with strong market appeal.

Our jewellery designs are inspired by a combination of cultural heritage, contemporary fashion trends, and customer preferences. The design process begins with market research and trend analysis, allowing us to understand changing consumer demand and forecast emerging styles. As of July 31, 2026, we have an in-house team of 15 designers focused on developing new products and designs tailored to customer needs and regional preferences. To meet manufacturing requirements, we collaborate with independent and skilled karigars across Telangana and Maharashtra. As a part of our expansion strategy, we focus on strengthening our presence in high-growth markets, allowing us to cater to an evolving customer base with premium and regional jewellery collections.

All the final designs are reviewed and approved by senior management, based on customer feedback and market demand. Upon approval, the manufacturing process commences, translating these conceptual ideas into exquisite jewellery pieces that reflect a perfect blend of tradition and modernity.

Product Pricing

We determine the pricing of our products through a detailed mechanism that takes into consideration various factors, including costs incurred in sourcing of raw materials, labour charges, marketing expenses, operations overheads, and other ancillary expenses. Gold prices are primarily driven by market dynamics. For labour charges, we factor in several components such as design complexity, craftsmanship requirements, and production-related expenses. As part of our pricing policy in our B2B operations, we offer a discount on labour charges for orders where immediate payment is made at the time of purchase. This discount structure aimed to incentivise immediate payments, support working capital efficiency and strengthen long term trade relationships with our business customers.

Quality Control

Every batch of raw materials undergoes quality control checks before being used in production. Our quality assurance process ensures that all materials meet defined standards and conform to the design specification.

We have implemented a comprehensive quality control and assurance framework to maintain the consistent standards of craftsmanship and product integrity. A dedicated quality control team is responsible for conducting inspections in an organised, systematic and efficient manner. Quality checks are carried out at every stage of the manufacturing process, during which jewellery pieces are evaluated for purity, structural integrity, design accuracy, and finishing. Any defects identified during this stage are rectified before the jewellery progress further in the process. Upon receipt of finished jewellery from the karigars, we further check the quality of gold, gemstones and overall finishing. Only after meeting all defined quality parameters is the jewellery added to the inventory for sale. This process ensures that every piece meets our defined quality parameters and is consistent with the commitment to craftsmanship and customer satisfaction.

Jewellery pieces also undergo testing and certification for metal purity, gemstone authenticity, and durability. In addition, jewellery is sent to government approved hallmarking centres for hallmarking in accordance with BIS norms. This includes verification of gold karatage, assessment of gemstone quality, and structural strength checks to ensure compliance with industry standards.

Our procurement teams also report instances of damage or quality deviations to raw materials or finished products directly to senior management to ensure that we work only with reliable and quality-focused karigars. We believe our commitment to stringent quality control has been critical to our success in the Indian jewellery industry and has contributed to customers associating our brand with trust and transparency.

Inventory management, logistics and security

Inventory management

Over the years of operations, we have established a systematic inventory management framework that accounts for targeted sales, inventory turnover, and ageing analysis to maintain optimal stock levels aligned with customer demand and seasonal trends. Senior Managers conduct daily inventory checks and reconciliations to ensure accuracy and proper tracking of stock movements.

Logistics

Our logistics operations involve movements of raw materials and finished products through company-owned vehicles for delivery of our product to customers within Hyderabad and third-party carriers across India. All deliveries are conducted in sealed packaging and tracked shipments. Operating in tier 2 and tier 3 cities enables us to reduce expenses and benefit from easier and more economical logistics movement of inventory

Security

We maintain multiple security measures at our office premises including CCTV surveillance, intrusion alarms systems, designated secure rooms for jewellery storage and 24-hour armed security guards ensuring the safety and integrity of our inventory.

Marketing and advertising initiatives

Our marketing strategy is designed to enhance brand recognition, strengthen customer engagement, and support sales growth across our business operations.

Product Marketing

We undertake multiple marketing and promotional initiatives to enhance our market presence and strengthen relationships with existing and prospective clients. These initiatives include participation in B2B exhibitions, engagement through social media platforms, maintaining a functional website and mobile application and promotional campaigns. Participation in B2B exhibitions enables us to showcase our new product collections to existing clients as well as prospective clients. We also use digital platforms to engage with customers, gather insights on product preferences and design offerings that align with evolving market demand and trends. In addition, our website and mobile application provide a user-friendly interface to facilitate product discovery and order booking, particularly for outstation clients.

Our advertisement and sales promotion expenses for the Fiscal 2026, Fiscal 2025 and Fiscal 2024 were ₹ 6.14 million, ₹ 7.86 million and ₹ 4.91 million representing 0.03 %, 0.06 % and 0.05 % of our total expenses respectively.

Exhibitions

We have participated in 41 B2B jewellery exhibitions and trade fairs in several cities since our inception. These exhibitions promote brand awareness, showcase our gold and gemstone studded jewellery collections, and help acquire new clients. They also serve as a tool for evaluating potential markets for future expansion. Please see below the details of exhibitions we participated in the Fiscal 2026, Fiscal 2025 and Fiscal 2024.

Digital Marketing

We market our products through our website, mobile application, and social media platforms, including WhatsApp, Instagram, Facebook, and YouTube. We also use the mobile application namely "*Deepa Jewellers Limited*" to enhance brand visibility, disseminate information, display product collections and customers can places their order through this application. We leverage social media platforms to promote the brand, interact with customers, gather feedback, share updates on newly launched designs, and track evolving customer preferences and market trends.

Customer Loyalty and Retention

We undertake several initiatives to enhance customer satisfaction and foster long-term relationships. These include after-sales services such as jewellery cleaning and repairs. We also offer facility of taking back certain portion of the unsold jewellery from customers, which supports continued business relationship and provide customers with additional inventory flexibility.

Competition

As per the CRISIL Report, the domestic jewellery manufacturing sector faces intense competition as branded retail chains expand aggressively and source from multiple manufacturers. There are also many regional and family-owned manufacturers with established relationships with retailers. Competitive pressures are heightened as retail chains demand new designs, hallmark-certified products, and marketing ready collections. Manufacturers also face competition from organized and unorganized players, including contract manufacturers and online jewellery suppliers. However, manufacturing scale-up faces barriers such as significant working capital requirements for sourcing gold and diamonds, the need for long-term supplier relationships, the availability of skilled artisans for high-quality production, access to premium distribution channels, and the necessity of building strong brand associations and compliance systems for monitoring manufacturing and distribution networks.

We undertake initiatives to enhance customer satisfaction and maintain long-term relationships. These include after-sales services such as jewellery cleaning and repairs. We also offer facility of taking back certain portion of the unsold jewellery from customers, which supports ongoing business relationship and provide customers with additional inventory flexibility.

Market opportunity

Rising demand, increasing penetration of organized B2B manufacturers, and technological advancements that are accelerating the shift towards machine-made jewellery and design- oriented production are expected to support continued growth in India's jewellery wholesale and manufacturing industry.

As per the CRISIL Report, the B2B gems and jewellery industry in India, comprising manufacturers and wholesalers, has demonstrated strong growth in recent years, with market size increasing from ₹ 3,030 billion in Fiscal 2022 to ₹ 7,301 billion in Fiscal 2026. This expansion was primarily driven by rising demand from the retail segment up to Fiscal 2025, while the sharp uptick in Fiscal 2026 was largely attributable to higher gold prices.

During Fiscal 2022-Fiscal 2026, the industry witnessed a compound annual growth rate (CAGR) of 24.6%. This growth was driven by factors such as the rise in gold prices, deferred purchases related to bridal jewellery, and an increase in disposable income of consumers. The industry saw a dip in demand during Fiscal 2020 and Fiscal 2021 due to high gold prices and the pandemic impact, but it quickly recovered in Fiscal 2022. The market size continued to grow, reaching ₹ 7,301 billion in Fiscal 2026. From Fiscal 2026 to Fiscal 2030, the industry is expected to sustain moderated growth, with a projected CAGR of 2–3%. This trajectory is likely to be supported by multiple factors, including stabilisation of gold prices leading to release of deferred demand, increasing traction from organised retailers, growth in exports, and the gradual emergence of new markets.

Insurance

Our operations are subject to various risks including product defects, fire, riots, strikes, explosions, accidents, personal injury or death, and natural disasters. Further, given the high-value nature of the commodities we handle, the transit and delivery of gold jewellery exposes us to security risks, including potential loss or theft. We mitigate these risks through insurance coverage specifically designed for our operational exposures. Our vehicle insurance provides protection against losses and damages arising from the transportation of goods and personnel. The special contingency insurance policy safeguards jewellery in transit and during B2B exhibitions. The fidelity guarantee policy protects against losses resulting from theft committed by employees, karigars or third parties. The jeweller's block policy provides protection against risks during the transit of jewellery. In addition, our property insurance covers our buildings, furniture, fittings and fixtures against losses caused by fire, earthquake and terrorism. We believe our insurance coverage is adequate and consistent with industry standards.

Gold Hedging

Gold is a critical raw material for our operations. Given the inherent volatility in gold prices and the corresponding impact on our operating margins, we have implemented a structured gold hedging policy to manage price risk, particularly in relation to inventory requirements for newly opened or upcoming sales offices.

Our hedging strategy includes the use of Gold Metal Loans ("GML"), forward contracts on commodity exchanges and internal hedging mechanisms. These instruments are primarily used to manage procurement costs and minimise the impact of price volatility. Under the GML, the gold is sourced from RBI-authorised bullion bank or institutions and may be repaid either in physical gold or in cash. We also hedge gold by entering into forward contracts on commodity exchange platforms. In addition, we also follow a policy of fixing the gold price with our bullion supplier simultaneously with the price fixed with the customer at the time of order execution. This approach helps neutralise the impact of gold price volatility. The tenure of our hedging instruments i.e. GML ranges from 1 to 180 days, while the tenure of forward contracts undertaken on commodity exchanges generally ranges from 15 to 30 days and our internal hedging mechanism is typically executed on a near-simultaneous basis with customer orders i.e. 1 day or same day of receipt of such orders. Our Company's average inventory holding period is approximately 18 to 22 days. Accordingly, we utilise different hedging mechanisms with varying tenures based on several factors, including the cost of hedging, inventory requirements, seasonal demand patterns such as wedding and festive seasons and the credit period extended to customers.

The table below includes the instrument-wise break-up of hedging used for the Fiscal 2026, Fiscal 2025 and Fiscal 2024:

Hedging Instrument	Fiscal 2026			Fiscal 2025			Fiscal 2024		
	Value of closing stock of Gold (₹ in million)	Value of Gold hedged (₹ in million)	% of value of Gold hedged	Value of closing stock of Gold (₹ in million)	Value of Gold hedged (₹ in million)	% of value of Gold hedged	Value of closing stock of Gold (₹ in million)	Value of Gold hedged (₹ in million)	% of value of Gold hedged
Gold metal loan	-	-	-	-	-	-	696.65	368.35	52.87
Forward contracts on commodity exchanges	-	-	-	-	-	-	-	-	-
Internal hedging mechanism	829.36	697.26	84.07	782.42	594.41	75.97	-	-	-

Although we have hedging policies and mechanisms to mitigate the impact of fluctuations in gold prices, and such fluctuations have not affected our financial performance in the Fiscal 2026, Fiscal 2025 and Fiscal 2024, our hedging arrangements do not cover 100.00% of our inventory and may therefore expose us to fluctuations in gold prices.

Please see the table below setting out our hedging ratio during the indicated period:

Particulars	Fiscal 2026	Fiscal 2025	Fiscal 2024
Total inventory *(₹ in million)*	829.36	782.42	696.65
Inventory hedged *(₹ in million)*	697.26	594.41	368.35
Hedging ratio	0.84	0.76	0.53

We aim to hedge up to 100.00% of the gold inventory planned or required for our Registered office and sales office, with the exact proportion depending on market trends, hedging instrument availability, and business requirements. All hedging activities are overseen by our Risk Management Committee comprising of Dev Agarwal (Chairman), Sirisha Chintapalli (Member), Komal Agarwal (Member), Grandhi Vittal (Member), Srinivas Kamoji Gunupudi (Member) and Kondetewar Anil Reddy (Member). The hedging policy is reviewed annually or earlier if warranted by regulatory or market developments, or strategic changes in our business.

Information Technology

We use information technology systems to enhance our operational performance and efficiency. Our information technology infrastructure comprises of third-party solutions and internally maintained applications that support our business requirements. Some key technologies used in our operations include Tally Prime Edit Log, which manage our daily accounting, inventory, and production processes and antivirus and security solutions, to protect sensitive company and customer data. We have also deployed data backup protocols for our systems as a security measure to ensure our data is appropriately safeguarded at all times. Our servers and databases undergo daily backups after business hours thus allowing us to streamline workloads, optimize server utilization and reduce operational costs.

We seek to enhance operational efficiency and customer engagement through the adoption of technology-enabled systems across our business processes. To support remote customers and improve design discovery, we use a third-party digital application, namely "*Deepa Jewellers Limited",* that enables access to high-resolution images of selected jewellery designs. Customers are initially shown a limited sample set, and upon approval of access, they can browse the full design catalogue. The platform functions as a design-selection interface, while order acceptance and fulfilment remain with us**.** This application is available on both android as well as IOS operating system and is intended exclusively for use by our B2B customers.

Human Resources

Our employees are one of our most important assets and are critical to us maintaining our competitive position in our key geographical markets and in our industry. As of July 31, 2026, we had 133 employees, as set forth below:

Department	Number of employees
Accounts & Finance	10
Compliance	3
Customer Relationship Management	3

Department	Number of employees
Human Resource	2
Logistics	10
Marketing	12
Order	6
Quality Control	6
Tagging	10
Designing	15
Executive Director	2
Production	54
Total	**133**

In addition to compensation that includes salary, allowances (including performance linked bonuses), we provide our employees with other benefits which include insurance coverage and paid leave. Our human resource policies focus on recruiting talented and qualified personnel, who we believe will integrate well with our current workforce. We endeavour to develop and train our employees in order to facilitate the growth of our operations. We have instituted inclusivity initiatives for our employees. We have in place a rewards and recognition program and conduct regular events to recognize and award employees based on performance and the impact they have made, irrespective of their seniority, department or location. Our employee induction procedures are focused on taking regular feedback and facilitating interaction between new employees and senior management. We conduct regular training workshops and performance reviews.

Please see below our employee benefits expense for the Fiscal 2026, Fiscal 2025 and Fiscal 2024.

(in ₹ million except percentage)

Corporate Social Responsibility

We have constituted a CSR committee of our Board of Directors and have adopted and implemented a CSR policy pursuant to which we carry out our CSR activities with certain focus areas, inter alia, eradicating hunger and malnutrition, promoting health and sanitation, providing safe drinking water, promoting education and vocational skills, supporting women empowerment and rural development, and ensuring environmental sustainability. In line with the provisions of our CSR Policy, we generally contribute to registered trusts or eligible organizations that undertake CSR initiatives across these focus areas. The CSR Committee oversees the implementation and compliance of these initiatives as per applicable regulations.

Please see below our CSR expense for Fiscal 2026, Fiscal 2025 and Fiscal 2024.

KEY REGULATIONS AND POLICIES IN INDIA

The following is an overview of certain sector specific laws and regulations in India which are applicable to the business and operations of our Company. The information in this section has been obtained from publications available in public domain. The rules and regulations set out below may not be exhaustive and are only intended to provide general information to the investors and are neither designed nor intended to substitute for professional legal advice.

The information detailed in this chapter, is based on the current provisions of Indian law and the judicial, regulatory and administrative interpretations thereof, which are subject to changes, amendments or modifications by subsequent legislative actions, regulatory, administrative, quasi-judicial or judicial decisions.

Under the provisions of various Central Government and State Government statutes and legislations, our Company is required to obtain and regularly renew certain licenses or registrations and to seek statutory permissions to conduct our business and operations. For details of government approvals obtained, see "Government and Other Approvals" on page 346. *For details, see "Risk Factors – Any failure to obtain, renew and maintain requisite statutory and regulatory permits, licenses and approvals for our operations from time to time may adversely affect our business" on page* 43.

INDUSTRY SPECIFIC LAWS

The Bureau of Indian Standards Act, 2016

The Bureau of Indian Standards Act, 2016 ("**BIS Act**") provides for the establishment of a national standards body for the harmonious development of the activities of standardization, conformity assessment and quality assurance of goods, articles, processes, systems and services. Under the BIS Act, the Central Government, after consulting the Bureau of Indian Standards ("**BIS**"), can notify which precious metal articles or other goods or articles are required to be marked with a 'Hallmark' or 'Standard Mark', subject to certain conditions for sale and testing of such articles. Under the BIS Product Certification scheme, the Government of India ("**GoI**") has identified 'BIS' as the sole agency in India to provide BIS standard mark which aims to ensure that quality control is built in the system in alignment with the international criteria on hallmarking. Functions of BIS include, inter-alia, (a) recognizing as an Indian standard, any standard established for any article or process by any other institution in India or elsewhere; (b) specifying a standard mark which shall be of such design and contain such particulars as may be prescribed to represent a particular Indian standard; and (c) conducting such inspection and taking such samples of any material or substance as may be necessary to see whether any article or process in relation to which the standard mark has been used conforms to the Indian Standard or whether the standard mark has been improperly used in relation to any article or process with or without a license. BIS is also the licensing authority for quality standards.

The Bureau of Indian Standards (Hallmarking) Regulations, 2018

The Bureau of Indian Standards (Hallmarking) Regulations, 2018 ("**BIS Hallmarking Regulations**") prescribe that all jewellery manufacturers must obtain a certificate of registration from the BIS in order to sell precious metal articles notified under the BIS Act. The certificate of registration ("**Certificate**") shall be granted to a specific premises and will be valid for lifetime, subject to the terms and conditions mentioned in the BIS Hallmarking Regulations. As per the notification dated June 14, 2018, precious metal articles to be marked with hallmark are namely: gold jewellery and gold artefacts and silver jewellery and silver artifact. The details of Certificate are to be hosted on the website of BIS and it is only valid for the premises mentioned in the certificate of registration. The registered jewellers are responsible for purity and fineness of the hallmarked precious metal articles sold by it and are liable to pay compensation for any shortage in purity or fineness as per rules.

The BIS vide notification dated March 4, 2022 has issued the Bureau of Indian Standards (Hallmarking) Amendment Regulations, 2022 which provide for the revised Hallmarking fee for the following articles: a) Gold articles payable to recognised Assaying and Hallmarking Centres by jewellers. b) Hallmarking fee to be levied by the Bureau from Assaying and Hallmarking Centre for gold articles c) Silver articles payable to recognised Assaying and Hallmarking Centres by jewellers. d) Hallmarking fee to be levied by the BIS from Assaying and Hallmarking Centre for silver articles. As of April 1, 2023, all gold jewellery and artefacts must have a 6-digit alphanumeric HUID (Hallmark Unique Identification). This number helps consumers trace the gold jewellery back to its jeweller, helps check its purity and also details of the hallmarking centre which tested and hallmarked the article.

The Hallmarking of Gold Jewellery and Gold Artefacts Order, 2020

The Hallmarking of Gold Jewellery and Gold Artefacts Order, 2020, which came into effect on June 16, 2021, prescribes that gold jewellery and gold artifacts shall be sold only by registered jewellers through certified sales outlets, after fulfilling

the terms and conditions of certificate of registration as specified in the Bureau of Indian Standards (Hallmarking) Regulations, 2018. However, certain precious metal articles are excluded from the above order, including any article meant for export, which conforms to any specification required by the foreign buyer, any article of gold thread and an article with weight less than two grams.

Vide Hallmarking of Gold Jewellery and Gold Artifacts (Amendment) Order, 2023 dated March 03, 2023, no person, after March 31, 2023, is allowed to sell or display or offer to sell any gold jewellery or artefacts unless it is hallmarked in accordance with the standards specified in IS 1417:2016. Further, vide Hallmarking of Gold Jewellery and Gold Artefacts (Second Amendment) Order, 2023, such persons who has provided a declaration as required by BIS declaring his old stock of gold jewellery or gold artefacts with old hallmarking is permitted to see or display or offer to sell such declared stock up to June 30, 2023.

Gem & Jewellery Export Promotion Council ("GJEPC")

The Gem & Jewellery Export Promotion Council is a government-backed industry body established in 1966 under the aegis of the Ministry of Commerce & Industry, Government of India. It serves as the apex export promotion council for the gem and jewellery sector and is recognized as the designated authority to promote and facilitate gem and jewellery exports. Exporters of gem and jewellery are required to obtain a Registration-Cum-Membership Certificate (RCMC) from GJEPC, which is necessary to avail benefits under various government export promotion schemes. A GJEPC-registered exporter is subject to the rules and guidelines prescribed by GJEPC, including adherence to any industry-specific standards and certification processes overseen by the Council. Compliance with GJEPC membership requirements enables an exporter to participate in trade promotion programs and access incentives available to the gems and jewellery industry.

RBI Circulars regulating Gold Loans

The RBI has permitted nominated banks to import gold for the purpose of extending gold metal loans to domestic jewellery manufacturers (who are not exporters of jewellery), subject to certain conditions, including that the tenor of gold loans (which can be decided by the nominated banks) does not exceed 180 days from the date of procurement of the gold and the interest charged to the borrowers is linked to international gold rates. Gems and jewellery export-oriented units and specified units in Special Economic Zones are permitted to import gold on a loan basis directly or through nominating agencies, subject to specified conditions. The Master Circular of RBI on "*Loans and Advances –Statutory and Other Restrictions*" dated July 1, 2015 prohibits domestic jewellery manufacturers from selling the gold borrowed under gold (metal) loans scheme to any other party for manufacture of jewellery. Further, the tenor of gold metal loans extended by nominated banks to exporters of jewellery shall not exceed 270 days.

Anti-Money Laundering, Countering the Financing of Terrorism, and Combating Proliferation Financing Guidelines for Dealers in Precious Metals and Precious Stones, 2023 (the "Guidelines") under Prevention of Money Laundering Act, 2002, Unlawful Activities (Prevention) Act, 1967, and Weapons of Mass Destruction and their Delivery Systems (Prohibition of Unlawful Activities) Act, 2005

The Guidelines issued by the Directorate General of Audit ("**DGA**"), Central Board of Indirect Taxes and Customs, which came into effect from May 4, 2023, aim to provide a general background and summary of the provisions of the applicable anti money laundering and anti-terrorism financing legislations in India, viz. the Prevention of Money Laundering Act, 2002 ("**PMLA**"), the Prevention of Money Laundering (Maintenance of Records) Rules, 2005 ("**PMLR**") and their applicability to and implications for the dealers in precious metals and precious stones in applying certain Anti Money Laundering/ Countering the Financing of Terrorism/ Combating Proliferation Financing (AML/CFT/CPF) obligations.

The Guidelines provides that the provisions related to applicability of Section 51A of the UAPA and Section 12A of the WMDA as mentioned are applicable to all dealers in precious metals and precious stones, irrespective of their turnover or any threshold of transactions they may undertake with their customers/ clients. However, the provisions related to PMLA and PMLR are applicable to dealers in precious metals and precious stones, who are "*Reporting Entities*" (as defined in the Guidelines).

The Consumer Protection Act, 2019

The Ministry of Consumer Affairs notified certain sections of the Consumer Protection Act, 2019 ("**COPRA**") by way of the notification dated July 15, 2020 (with effect from July 20, 2020), including sections regulating the formation and functioning of the Consumer Protection Council at the national, state and district levels, the formation and functioning of Consumer Dispute Redressal Commissions at the national, state and district levels, product liability actions and punishment for manufacturing for sale or storing, selling or distributing or importing products containing adulterants and spurious goods.

The COPRA provides a mechanism for the consumer to file a complaint against a product manufacturer, trader, or service provider in cases of unfair contract or trade practices, restrictive trade practices, defected goods, goods and services which are hazardous or likely to be hazardous to life being sold in contravention to safety standards, deficiency in services and price charged being unlawful. It also places product liability on the product manufacturer or product service provider or product seller, to compensate for any harm caused by defective product or deficiency in services. It provides for a three-tier consumer grievance redressal mechanism at the national, state and district levels. Non- compliance of the orders of the redressal commissions attracts criminal penalties. The COPRA has, inter alia, also introduced a Central Consumer Protection Authority to regulate matters relating to violation of rights of consumers, unfair trade practices and false or misleading advertisements, which are prejudicial to the interests of public and consumers and promote, protect, and enforce the rights of consumers as a class. The COPRA has also brought e- commerce entities and their customers under its purview including providers of technologies or processes for enabling product sellers to engage in advertising or selling goods or services to a consumer, online marketplaces and online auction sites. The Ministry of Consumer Affairs issued the Consumer Protection (E-Commerce) Rules, 2020 ("**E-Commerce Rules**") under the COPRA on July 23, 2020, which govern the online sale of goods, services, digital products by entities which own, operate, or manage digital or electronic facility or platform for electronic commerce ("**E-Commerce Entities**"), all models of e-commerce (including marketplace or inventory based), and all ecommerce sellers. The E-Commerce Rules lay down the duties and liabilities of E-Commerce Entities and ecommerce retailers.

The Legal Metrology Act, 2009

The Legal Metrology Act, 2009 ("**Legal Metrology Act**") seeks to establish and enforce standards of weights and measures, regulate trade and commerce in weights, measures and other goods which are sold or distributed by weight, measure or number and for matters connected therewith or incidental thereto. The Legal Metrology Act provides that for prescribed specifications all weights and measures should to be based on metric system only. Such weights and measures are required to be verified and re-verified periodically before usage through government approved test centres. Further, the Legal Metrology Act lays down penalties for various offences, including but not limited to, use or sale of non-standard weight or measure, contravention of prescribed standards, counterfeiting of seals and tampering with license.

LAWS RELATED TO EMPLOYMENT

We are subject to various labour laws for the safety, protection, condition of working, employment terms and welfare of labourers and/or employees of us.

Shops and Establishments Legislations

Under the provisions of local shops and establishments legislations applicable in the states in India where our establishments are set up and business operations exist, such establishments are required to be registered. Such legislations regulate the working and employment conditions of the workers employed in shops and establishments, including commercial establishments, and provide for fixation of working hours, rest intervals, overtime, holidays, leave, termination of service, maintenance of records, maintenance of shops and establishments and other rights and obligations of the employers and employees. These shops and establishments' acts, and the relevant rules framed thereunder, in each state, also prescribe penalties in the form of monetary fine or imprisonment for violation of provisions, as well as procedures for appeal in relation to such contravention of the provisions.

Labor Legislations

To regulate the employment of workers, depending on the nature of activity, the Government of India has enacted four labor codes that collectively replaces 29 central labor laws. Following their enactment five years ago, the Government of India has notified the implementation of the aforesaid codes, effective immediately from November 21, 2025. The following codes have come into force with the objective of easing regulatory and compliance requirements for employers and ensuring a uniform wage structure and social security protection for workers:

- **Code on Wages, 2019**, which amends and consolidates the laws relating to wage and bonus payments and subsumes four existing laws namely –the Payment of Wages Act, 1936, the Minimum Wages Act, 1948, the Payment of Bonus Act, 1965 and the Equal Remuneration Act, 1976. It regulates, inter alia, the minimum wages payable to employees, the manner of payment and calculation of wages and the payment of bonus to employees. The Central Government has notified certain provisions of the Code on Wages, 2019, mainly in relation to the constitution of the central advisory board.

- **Industrial Relations Code 2020**, which consolidates and amends laws relating to the trade unions, the conditions of employment in industrial establishments and undertakings, and the investigation and settlement of industrial disputes. It

subsumes the Trade Unions Act, 1926, the Industrial Employment (Standing Orders) Act, 1946 and the Industrial Disputes Act, 1947.

- **Code on Social Security, 2020,** which amends and consolidates laws relating to social security, and subsumes various social security related legislations, inter-alia including the Employee's State Insurance Act, 1948, the Employees' Provident Funds and Miscellaneous Provisions Act, 1952, the Maternity Benefit Act, 1961, Building and Other Construction Workers' Welfare Cess Act, 1996 and the Payment of Gratuity Act, 1972. It governs the constitution and functioning of social security organisations such as the Employee's Provident Fund Organisation and the Employee's State Insurance Corporation, regulates the payment of gratuity, the provision of maternity benefits for unorganised workers and compensation in the event of accidents that employees may suffer, among others.

- **The Occupational Safety, Health and Working Conditions Code, 2020**, consolidates and amends the laws regulating the occupational safety and health and working conditions of the persons employed in an establishment. It replaces 13 old central labour laws including the Factories Act, 1948, Contract Labour (Regulation and Abolition) Act, 1970, the Building and Other Construction Workers (Regulation of Employment and Conditions of Service) Act, 1996 and the Inter-State Migrant Workmen (Regulation of Employment and Conditions of Service) Act, 1979.

TAX LAWS

In addition to the aforementioned material legislations which are applicable to our Company, some of the tax legislations that may be applicable to the operations of our Company include:

- Income-tax Act 2025;
- Central Goods and Services Tax Act, 2017, the Central Goods and Services Tax Rules, 2017 and various state-wise legislations made thereunder;
- The Integrated Goods and Services Tax Act, 2017 and rules thereof;
- Professional tax-related state-wise legislations;
- Indian Stamp Act, 1899 and various state-wise legislations made thereunder; and
- The Customs Act, 1962 and the Customs Tariff Act, 1975.

INTELLECTUAL PROPERTY LAWS

Trade Marks Act, 1999 ("Trademarks Act") and the Trade Marks Rules, 2017 ("Trademarks Rules")

The Trademarks Act provides for the application and registration of trademarks in India for granting exclusive rights to marks such as a brand, label and heading and obtaining relief in case of infringement of such marks. The Trademarks Act permits registration of trademarks for goods and services and prohibits any registration of deceptively similar trademarks or compounds, among others. It also covers infringement of trademarks and falsifying and falsely applying for trademarks. As per the Trademarks Act, any person found to be falsifying trademarks shall be punishable with imprisonment for a term which shall not be less than six months but which may extend to three years and with fine which shall not be less than fifty thousand rupees but which may extend to two lakh rupees. The Trademarks Rules provide for inter-alia the procedures for filing an application for registration of trademarks to the Trade Marks Registry ("Registry") and for filing an opposition to any application for registration of a trademark.

Designs Act, 2000 ("DA") and the Designs Rules, 2001 ("DR")

The DA regulates and protects the originality of an article's design and prohibits the piracy of registered designs. The primary objective of the DA is to protect new or original designs from getting copied, and ensure that the creator, originator or artisan of the design is not deprived of their rightful gains for the creation of their design. The central government also drafted the DR under the authority of the DA for the purposes of specifying certain prescriptions regarding the practical aspects related to designs such as payment of fees, register for designs, classification of goods, address for service, restoration of designs, etc.

LAWS GOVERNING FOREIGN INVESTMENTS

The Foreign Trade (Regulation and Development) Act, 1992 and the rules framed thereunder ("FTA")

The FTA is the main legislation concerning foreign trade in India. The FTA read along with Foreign Trade (Regulation) Rules, 1993, provides for the development and regulation of foreign trade by facilitating imports into, and augmenting exports from, India and for matters connected therewith or incidental thereto. The FTA seeks to increase foreign trade by regulating imports and exports to and from India. It authorizes the government to formulate as well as announce the export and import policy and to keep amending the same on a timely basis. The government has also been given a wide power to prohibit, restrict and regulate the exports and imports in general as well as specified cases of foreign trade. The FT read with the Indian Foreign Trade Policy, 2015-20 (extended till March 31, 2021) prohibits anybody from undertaking any import or export except under an Importer-Exporter Code number ("**IEC**") granted by the Director General of Foreign Trade pursuant to section 7. Hence, every entity in India engaged in any activity involving import/export is required to obtain an IEC unless specifically exempted from doing so. The IEC shall be valid until it is cancelled by the issuing authority. An importer-exporter code number allotted to an applicant is valid for all its branches, divisions, units and factories. Failure to obtain the IEC number shall attract penalty under the FTA.

Foreign Trade Policy 2023

The Foreign Trade Policy 2023 issued by the Ministry of Commerce and Industry, GoI includes gems and jewellery within a separate scheme for exporters of gems and jewellery. For the gems and jewellery sector, the foreign trade policy 2023 provides for broadly four schemes in relation to exports of gems and jewellery (i) advance procurement replenishment of precious metals from nominated agencies; (ii) replenishment authorisation for gems; (iii) replenishment authorisation for consumables; and (iv) advance authorisation for precious metals. Certain agencies have been permitted to import diamonds to their laboratories without any import duty, for the purpose of certification or grading reports, with a condition that the same should be re-exported with the certification or grading reports, as per predetermined procedure. Additionally, nominated agencies and their associates, with approval of Department of Commerce and the GJEPC, may export gold, silver or platinum jewellery and articles thereof for exhibitions abroad. Personal carriage of gold, silver or platinum jewellery, precious, semi-precious stones, beads and articles and export of branded jewellery is also permitted, subject to prescribed conditions. Personal carriage of gems and jewellery export parcels by foreign bound passenger and import parcels by an Indian importer or foreign national may be permitted as per prescribed procedures. Export of gold jewellery, including partly processed jewellery, whether plain or studded, and articles, containing gold of 8 karats and above up to a maximum limit of 22 karats only shall be permitted by Export Oriented Units ("**EOUs**"). Gems and jewellery EOUs may source gold, silver or platinum through nominated agencies on loan or outright purchase basis. Units obtaining gold, silver or platinum from nominated agencies, either on loan basis or outright purchase basis shall export gold, silver or platinum within 90 days from the date of release of such metals by the nominated agencies.

Foreign Exchange Management Act, 1999

Foreign investment in India is governed by the provisions of Foreign Exchange Management Act, 1999 ("**FEMA**"), as amended, along with the rules, regulations and notifications made by the Reserve Bank of India thereunder, The Department for Promotion of Industry and Internal Trade ("**DPIIT**"), Ministry of Commerce and Industry has issued the Consolidated FDI Policy which consolidates the policy framework on Foreign Direct Investment ("**FDI Policy**"), with effect from October 15, 2020. The FDI Policy consolidates and subsumes all the press notes, press releases, and clarifications on FDI issued by DIPP till October 15, 2020.

In terms of the FDI Policy, foreign investment is permitted (except in the prohibited sectors) in Indian companies either through the automatic route or the Government route, depending upon the sector in which foreign investment is sought to be made. In terms of the FDI Policy, the work of granting government approval for foreign investment under the FDI Policy and FEMA Regulations has now been entrusted to the concerned Administrative Ministries/Departments. FDI for the items or activities that cannot be brought in under the automatic route may be brought in through the approval route. Where FDI is allowed on an automatic basis without the approval of the Government, the RBI would continue to be the primary agency for the purposes of monitoring and regulating foreign investment. In cases where Government approval is obtained, no approval of the RBI is required except with respect to fixing the issuance price, although a declaration in the prescribed form, detailing the foreign investment, must be filed with the RBI once the foreign investment is made in the Indian company.

Other applicable laws

In addition to the above, our Company is also required to comply with the Companies Act, 2013 and rules framed thereunder, the Competition Act, 2002, Indian Contract Act, 1872, the Specific Relief Act, 1963, the Transfer of Property Act, 1882, the Sale of Goods Act, 1930, the Consumer Protection Act, 2019, Negotiable Instruments Act, 1881, the Registration Act, 1908, Information Technology Act, 2000, each as amended and other applicable statutes imposed by the Centre or the State Government and authorities for our day-to-day business and operations.

Laws applicable to us post listing of our Equity Shares on the Stock Exchanges

SEBI Act and Regulations

From time to time, our Company will be required to comply with various regulations notified by the SEBI including the SEBI Act, the SCRA, the SEBI Listing Regulations, SEBI (Prohibition of Insider Trading) Regulations, 2015, the SEBI (Prohibition of Fraudulent and Unfair Trade Practices) Regulations, 2003, the SEBI ICDR Regulations and SEBI (Share Based Employee Benefits and Sweat Equity) Regulations, 2021, to the extent applicable. Set out below is a summary of these regulations:

Securities and Exchange Board of India Act, 1992 ("SEBI Act")

The SEBI Act establishes SEBI as the principal regulatory authority overseeing India's securities markets. It confers comprehensive powers upon SEBI to regulate all facets of securities markets, including issuance, listing, and trading activities. The SEBI Act authorizes SEBI to safeguard investor interests, maintain market integrity, and foster market development through regulations, circulars, and guidelines. Furthermore, it empowers SEBI to conduct investigations into potential violations, impose administrative and monetary sanctions, and pursue enforcement actions against non-compliant market participants.

Securities Contracts (Regulation) Act, 1956 ("SCRA")

The SCRA regulates securities transactions and establishes the legal infrastructure for stock exchanges within India. It comprehensively defines securities and financial instruments while governing listing requirements and prohibiting unauthorized trading. The SCRA establishes parameters for recognition of Stock Exchanges and empowers the Central Government and SEBI to implement measures for intervention when necessary to protect investor interests or preserve market stability. It also provides the statutory basis for regulation of derivatives and other complex financial instruments.

Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 ("SEBI ICDR Regulations")

The SEBI ICDR Regulations regulate the issuance of equity and convertible securities and prescribe disclosure requirements for companies raising funds through various channels including, inter alia, an initial public offer, further public offer, rights issue and qualified institutional placement. It sets out the guidelines and framework that companies must follow to issue equity and convertible securities to the public. It also prescribes disclosure requirements relating to material information, risks, and details regarding the financial condition of the company in connection with such issuances.

Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021 ("SEBI SBEB & SE Regulations")

The SEBI SBEB & SE Regulations govern share-based employee benefit schemes of equity listed companies. It is applicable to an equity listed company that seeks to issue sweat equity shares or has a scheme: (i) for direct or indirect benefit of employees; (ii) involving dealing in, subscribing to or purchasing securities of the company, directly or indirectly; and (iii) satisfying, directly or indirectly, any one of the following conditions: the scheme is set up by the company or any other company in its group; the scheme is funded or guaranteed by the company or any other company in its group; or the scheme is controlled or managed by the company or any other company in its group.

SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI LODR Regulations")

The SEBI LODR Regulations ensure that all listed companies adhere to uniform standards of transparency, disclosure, and corporate governance, thereby protecting investor interests and maintaining market integrity. The regulations govern financial disclosures, board composition, shareholder rights, related party transactions, and timely reporting of material events. Non-compliance with SEBI LODR Regulations can attract monetary penalties, suspension of trading, freezing of promoter shareholding, or even delisting of securities, making strict adherence essential for any listed entity.

Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 ("SEBI PIT Regulations")

The SEBI PIT Regulations aim to curb trading based on unpublished price-sensitive information ("**UPSI**"). The regulations define who qualifies as an 'insider' and prohibit such persons from dealing in securities while in possession of UPSI. Listed companies must implement a code of conduct, maintain a digital database of information sharing, and define trading windows for employees. The framework ensures fair trading and confidence in market integrity. Violation of SEBI PIT Regulations can result in penalties and/or criminal action.

Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011 ("SEBI SAST Regulations")

The SEBI SAST Regulations govern the acquisition of shares or control in listed companies. Acquirers who cross specific thresholds must make an open offer to public shareholders to give them an exit option. The regulations ensure that all takeovers or control changes are transparent and equitable. The regulations include detailed timelines, pricing norms, and disclosure requirements. These regulations are critical in maintaining fairness during mergers, acquisitions, and hostile takeovers.

Securities and Exchange Board of India (Prohibition of Fraudulent and Unfair Trade Practices relating to Securities Market) Regulations, 2003 ("SEBI FUTP Regulations")

The SEBI FUTP Regulations prevent manipulative and unethical practices such as price rigging, pump and dump schemes, circular trading, front-running, and misrepresentation, among others. These regulations empower SEBI to investigate and act against any unfair conduct. The law is designed to maintain orderly market conditions and protect the interests of retail investors. Violations under SEBI FUTP Regulations can lead to penalties, bans, and criminal prosecution. These rules are essential to sustaining investor trust, deterring manipulative behaviours and maintaining market efficiency.

HISTORY AND CERTAIN CORPORATE MATTERS

Brief history of our Company

Our Company was originally incorporated as 'Deepa Jewellers Private Limited' a private limited company under the Companies Act, 2013 pursuant to a certificate of incorporation dated May 5, 2016, issued by the Registrar of Companies, Central Registration Centre. Our Company was subsequently converted from a private limited company to a public limited company pursuant to a special resolution passed by our Shareholders on September 1, 2025, and the name of our Company was changed to Deepa Jewellers Limited. A fresh certificate of incorporation dated September 15, 2025, was issued by the Registrar of Companies, Central Processing Centre, pursuant to the change of name of our Company on conversion to a public limited company.

1.	Basic salary	₹ 9.00 per annum
2.	Performance incentive or commission	Nil
3.	Perquisites	Nil
4.	Minimum Remuneration (in the event of loss or inadequacy of profits)	Within the ceiling limit determined by the Board

Compensation paid to our Executive Directors

Our Company has paid the following remuneration to our Executive Directors in Fiscal 2026:

S. No.	Name of Director	Total compensation (in ₹ million)
1.	Ashish Agarwal	8.00
2.	Dev Agarwal	5.25

Non-Executive Non-Independent Director and Independent Directors

Our Non-Executive Non-Independent Director and Independent Directors may be entitled to receive (i) sitting fees, as determined by our Board from time to time, for attending meetings of our Board and committees thereof; and (ii) reimbursements on account of out-of-pocket expenses as may be incurred by them for performing their duties as Directors, as applicable.

Pursuant to the resolution passed by our Board dated September 19, 2025, our Independent Directors are entitled to receive a sitting fee of ₹ 0.06 million per meeting for attending meetings of the Board and ₹ 0.04 million per meeting for attending meetings of the various committees of our Board.

The details of sitting fees paid to our Independent Directors by our Company during Financial Year 2026 are as follows:

S. No.	Name of Director	Remuneration (in ₹ million)
1.	Komal Agarwal	0.69
2.	Sirisha Chintapalli	0.69
3.	Grandhi Vittal	0.65

The details of sitting fees paid to our Non-Executive Non-Independent Director by our Company during Financial Year 2026 are as follows:

S. No.	Name of Director	Total compensation (in ₹ million)
1.	Seema Agarwal[#]	0.34

#Served as an executive director till August 16, 2025

Remuneration paid or payable to our Directors by Subsidiaries or Associate Companies

As on the date of this Red Herring Prospectus, our Company does not have any subsidiaries or associate companies.

Contingent or deferred compensation to our Directors

There is no contingent or deferred compensation payable to our Directors which does not form part of their remuneration.

Shareholding of Directors in our Company

As per our Articles of Association, our Directors are not required to hold any qualification shares. The details of shareholding of our Directors in our Company as the date of this RHP is set forth below:

S. No.	Name of the Director	Pre-Offer No. of Equity Shares	Percentage of the Pre-Offer Equity Share Capital (%)
1.	Ashish Agarwal	40,005,000	48.79
2.	Dev Agarwal	1,980,000	2.41
3.	Seema Agarwal	40,000,000	48.78

Bonus or profit-sharing plan of our Directors

None of our Directors are party to any bonus or profit-sharing plan of our Company.

Interests of our Directors

All our Executive Directors are interested to the extent of remuneration and reimbursement of expenses, if any, payable to them by our Company. All our Non-Executive Non-Independent Director and Independent Directors are interested to the extent of the sitting fees payable to them for attending meetings of our Board and/or committees and the reimbursement of expenses payable to them, if any.

Our Directors may be interested to the extent of Equity Shares, if any, held by them, their relatives (together with other distributions in respect of Equity Shares), or that may be subscribed by or allotted to the companies, firms, ventures, trusts in which they are interested as promoters, directors, partners, proprietors, members or trustees, pursuant to the Offer and any dividend and other distributions payable in respect of such Equity Shares.

Further, our Directors, namely Ashish Agarwal, Seema Agarwal and Dev Agarwal, have extended personal guarantees in favour of our lenders to secure the borrowings availed by our Company and may be deemed to be interested to that extent. Further, our Directors, namely Ashish Agarwal, Seema Agarwal and Dev Agarwal, have extended unsecured loans to our Company and are interested to the extent of repayment of such amounts along with interest thereon. As on July 31, 2026, our Directors have extended unsecured loans that cumulatively amounted to ₹ 444.28 million. These loans carry an interest rate of 6% per annum, which is significantly lower than the rates typically offered by financial institutions, thereby making such borrowings more cost-effective for our Company. These loans were provided by our Promoters/ Directors without requiring any security or collateral on Company's assets. This is an advantage, as such terms are typically not available when borrowing from traditional financial institutions.

Our Directors may be deemed to be interested to the extent of certain related party transactions that were undertaken with them by our Company. Further, our Directors are not interested in the contracts, agreements/arrangements entered into or to be entered into by our Company with any company or any partnership firm.

Interest of Directors in the promotion or formation of our Company

Except for Ashish Agarwal and Seema Agarwal, who were the initial subscribers to the memorandum of association of our Company, none of our Directors were involved in the formation of our Company.

Except, Ashish Agarwal, Seema Agarwal and Dev Agarwal, who are also the Promoters of our Company, none of our Directors have any interest in the promotion of our Company as on the date of this Red Herring Prospectus.

Interest in land and property

Our Directors do not have any interest in any property acquired or proposed to be acquired of or by our Company.

Further, our Directors do not have any interest in any transaction by our Company for acquisition of land, construction of building or supply of machinery during the three years preceding the date of this Red Herring Prospectus.

Business interest

Except in the ordinary course of business and as disclosed in "*Restated Financial Information – Note 37 - Related Party Disclosures*" at page 289, our Directors do not have any other business interest in our Company.

Loans to Directors

Our Directors have not availed any loans from our Company.

Other confirmations

Our Directors have no conflict of interest with the suppliers of raw materials and third-party service providers (crucial for operations of the Company). Further, except as disclosed below, our Directors have no conflicts with the lessors of immovable property of the Company (crucial for operations of the Company):

1. Our Company has entered into a lease agreement dated November 28, 2025, with Ashish Agarwal in relation to the Registered Office of our Company for a period of 9 years and 11 months, commencing from November 28, 2025. Pursuant to the lease agreement dated November 28, 2025, our Company has to pay ₹ 0.24 million per month to Ashish Agarwal.

2. Our Company has entered into a lease agreement dated November 28, 2025, with Ashish Agarwal in relation to the proposed facility of our Company for a period of 9 years and 11 months, commencing from November 28, 2025. Pursuant to the lease agreement dated November 28, 2025, our Company has to pay ₹ 0.36 million per month to Ashish Agarwal.

Changes to our Board in the last three years

The changes in our Board during the three years immediately preceding the date of this Red Herring Prospectus are as set out below:

Name	Date of change	Reason
Seema Agarwal	August 16, 2025	Change in designation from Executive Director to Non-Executive Non-Independent Director
Ashish Agarwal	September 1, 2025	Appointed as Chairman and Managing Director
Dev Agarwal	September 1, 2025	Appointed as Whole-time Director
Komal Agarwal	September 1, 2025	Appointment as an Independent Director
Sirisha Chintapalli	September 1, 2025	Appointment as an Independent Director
Grandhi Vittal	September 1, 2025	Appointment as an Independent Director

Corporate Governance

The provisions of the Companies Act, 2013 along with the SEBI Listing Regulations, with respect to corporate governance, will be applicable to our Company immediately upon the listing of the Equity Shares on the Stock Exchanges. Our Company is in compliance with the requirements of the applicable regulations in respect of corporate governance in accordance with the SEBI Listing Regulations, and the Companies Act, 2013, pertaining to the constitution of the Board and committees thereof and formulation and adoption of policies. Our Company undertakes to take all necessary steps to continue to comply with all the requirements of SEBI Listing Regulations and the Companies Act, 2013.

Committees of our Board

In terms of the SEBI Listing Regulations and the provisions of the Companies Act, 2013, our Company has constituted the following Board-level committees:

(a) Audit Committee;

(b) Nomination and Remuneration Committee;

(c) Stakeholders' Relationship Committee;

(d) Corporate Social Responsibility Committee; and

(e) Risk Management Committee.

Our Company has also constituted an IPO committee as per the requirements in relation to the Offer.

Audit Committee

The Audit Committee was constituted by our Board pursuant to a resolution passed by our Board at its meeting held on September 19, 2025. The Audit Committee is in compliance with Section 177 of the Companies Act and Regulation 18, read with Part C of Schedule II of the SEBI Listing Regulations.

The members of the Audit Committee are:

Name of the Director	Position in the Committee	Designation
Komal Agarwal	Chairperson	Independent Director
Grandhi Vittal	Member	Independent Director
Sirisha Chintapalli	Member	Independent Director
Ashish Agarwal	Member	Chairman and Managing Director

The Company Secretary of our Company shall act as the Secretary to the Audit Committee.

The audit committee shall meet at least four times in a year and not more than one hundred and twenty days shall elapse between two meetings.

The quorum for audit committee meeting shall either be two members or one third of the members of the audit committee, whichever is greater, with at least two independent directors present.

The Chairperson of the Audit Committee shall be present at the Annual General Meeting to answer shareholder queries.

The terms of reference of the Audit Committee are as follows:

a. overseeing the Company's financial reporting process and disclosure of its financial information to ensure that the financial statements are correct, sufficient and credible;
b. recommending to the Board, the appointment, re-appointment, removal and replacement, remuneration and the terms of appointment of the auditors of the Company, including fixing the audit fees;
c. reviewing and monitoring the statutory auditors' independence and performance and the effectiveness of audit process;
d. approving payments to the statutory auditors for any other services rendered by statutory auditors;
e. reviewing with the management, the annual financial statements and the auditors' report thereon before submission to the Board for approval, with particular reference to:
    i) matters required to be stated in the Directors' responsibility statement to be included in the Board's report in terms of Section 134(3)(c) of the Companies Act;
    ii) changes, if any, in accounting policies and practices and reasons for the same;
    iii) major accounting entries involving estimates based on the exercise of judgment by management;

Further, our Promoters do not have any direct interest in any venture that is involved in the same line of activity or business as conducted by our Company.

Interests of Promoters

Our Promoters are interested in our Company: (i) to the extent that they have promoted our Company; (ii) to the extent of their direct or indirect shareholding in our Company and the shareholding of their relatives and entities in which our Promoters are interested; and (iii) the dividend payable upon such shareholding and any other distributions in respect of their shareholding in our Company or the shareholding of their relatives or such entities, if any. For further details, see "*Capital Structure – Details of Shareholding of our Promoters and members of our Promoter Group in our Company*" on page 91. Additionally, our Promoters may be interested in transactions entered into by our Company, with them, their relatives or other entities in which they have interest.

All of our Promoters are also interested in our Company as the Directors of our Company and may be deemed to be interested in the remuneration, commission or sitting fees payable to them and reimbursement of expenses incurred by them in the capacity as Directors. For further details, see "*Our Management – Interest of Directors*" on page 229.

No sum has been paid or agreed to be paid to our Promoters or to any firm or company in which our Promoters are interested, in cash or shares or otherwise by any person, either to induce them to become or to qualify them, as a Director or Promoter or otherwise for services rendered by our Promoters, or by such firm or company, in connection with the promotion or formation of our Company.

Interest in property, land, construction of building and supply of machinery

Except as disclosed in, "*Restated Financial Information – Note 37 - Related Party Disclosures*", and "*Our Business- Property*" on pages 289 and 211 respectively, our Promoters do not have any interest in any property acquired by our

Company in the three years preceding the date of this Red Herring Prospectus or proposed to be acquired by our Company or in any transaction by our Company with respect to the acquisition of land, construction of building or supply of machinery.

Payment or benefits to Promoters or members of our Promoter Group

Except as disclosed herein and as stated in "*Restated Financial Information – Note 37 - Related Party Disclosures*" on page 289, there has been no payment or benefits by our Company to our Promoters or any of the members of our Promoter Group during the two years preceding the date of this Red Herring Prospectus nor is there any intention to pay or give any benefit to our Promoters or any members of our Promoter Group as on the date of this Red Herring Prospectus.

Conflict of Interest

Except as disclosed below, there is no conflict of interest between the Promoters or any of the members of the Promoter Group and the lessors of immovable properties of our Company (who are crucial for the operations of our Company).

1. Our Company has entered into a lease agreement dated November 28, 2025, with Ashish Agarwal in relation to the Registered Office of our Company for a period of 9 years and 11 months, commencing from November 28, 2025. Pursuant to the lease agreement dated November 28, 2025, our Company has to pay ₹ 0.24 million per month to Ashish Agarwal.

2. Our Company has entered into a lease agreement dated November 28, 2025, with Ashish Agarwal in relation to the proposed facility of our Company for a period of 9 years and 11 months, commencing from November 28, 2025. Pursuant to the lease agreement dated November 28, 2025, our Company has to pay ₹ 0.36 million per month to Ashish Agarwal.

Furthermore, there is no conflict of interest between the Promoters or any of the members of the Promoter Group and the suppliers of materials and third-party service providers of our Company (who are crucial for the operations of our Company).

Companies or firms with which our Promoters have disassociated in the last three years

Except as disclosed below, none of our Promoters have dissociated themselves from any companies or firms in the three years preceding the date of this Red Herring Prospectus.

Name of the Promoter	Name of Company or Firm from which the Promoter has disassociated	Reason for Dissociation	Date of Disassociation
Ashish Agarwal	M/s. Deepa Jewellers (Partnership firm)	Due to dissolution of firm vide deed of dissolution dated November 27, 2025	November 27, 2025
Seema Agarwal			
Ashish Agarwal	M/s. Deepa Gold (Partnership firm)	Due to dissolution of firm vide deed of dissolution dated December 6, 2025	December 6, 2025

Material guarantees

Except as stated in the chapters "*History and Certain Corporate Matters*", "*Financial Information*" and "*Financial Indebtedness*" on pages 220, 247 and 339 respectively, our Promoters have not given any material guarantee to any third party with respect to the Equity Shares as on the date of this Red Herring Prospectus.

Promoter Group

In addition to our Promoters, the individuals and entities that form a part of the Promoter Group of our Company in terms of Regulation 2(1)(pp) of the SEBI ICDR Regulations are set out below:

Natural persons who are part of our Promoter Group

The natural persons who are part of our Promoter Group are as follows:

Name of our Promoter	Name of member of our Promoter Group	Relationship with our Promoters
Ashish Agarwal	Seema Agarwal	Spouse
	Chandrakala Agarwal	Mother
	Deepa Agarwal	Sister
	Neeta Agarwal	Sister
	Dev Agarwal	Son
	Rashi Agarwal	Daughter
	Subhash Chandra Agrawal	Spouse's father
	Rupesh Agrawal	Spouse's brother
	Mukesh Agrawal	Spouse's brother
Seema Agarwal	Ashish Agarwal	Spouse
	Subhash Chandra Agrawal	Father
	Rupesh Agrawal	Brother
	Mukesh Agrawal	Brother
	Dev Agarwal	Son
	Rashi Agarwal	Daughter
	Chandrakala Agarwal	Spouse's mother
	Deepa Agarwal	Spouse's sister
	Neeta Agarwal	Spouse's sister
Dev Agarwal	Ashish Agarwal	Father
	Seema Agarwal	Mother
	Rashi Agarwal	Sister

Entities forming part of our Promoter Group

The bodies corporate, HUFs and firms forming part of our Promoter Group, are as follows:

1. Deepa Hospital (Proprietorship)
2. Ashish Agarwal HUF
3. Mahendra Kumar Agarwal HUF
4. Mukesh Agrawal HUF
5. Rupesh Agrawal HUF
6. Subhash Chandra Agrawal HUF

GROUP COMPANIES

Pursuant to a resolution of our Board dated August 25, 2026, and as per the SEBI ICDR Regulations, for the purpose of identification of group companies, our Company has considered the companies with which (i) there were related party transactions as per Ind AS 24, as disclosed in the Restated Financial Information; and (ii) any other companies considered material by our Board pursuant to the Materiality Policy.

With respect to point (ii) above, and in accordance with our Materiality Policy, for the purpose of disclosure in this Red Herring Prospectus, a company shall be considered 'material' and will be disclosed as a group company in this Red Herring Prospectus if, it is a member of the Promoter Group and has entered into one or more transactions with our Company during the most recent financial year and stub period, if any, as per the Restated Financial Information disclosed in this Red Herring Prospectus, which individually or in the aggregate, exceed 10% of the total income of our Company for such period.

Accordingly, based on the parameters outlined above, our Company does not have any Group Company.

DIVIDEND POLICY

The declaration and payment of dividend will be recommended by our Board and/or approved by our Shareholders, at their discretion, subject to the provisions of our Articles of Association, the applicable law, including the Companies Act. The dividend policy of our Company was adopted and approved by our Board in its meeting held on November 28, 2025.

We may retain all our future earnings, if any, for use in the operations and expansion of our business. As a result, we may not declare dividend in the foreseeable future. In terms of our Dividend Policy, our Board shall consider, *inter alia*, the following financial, internal and external parameters while declaring or recommending dividends to our Shareholders: (i) profits earned during the financial year; (ii) operating cash flow of the Company; (iii) capital expenditure requirements; (iv) working capital requirements of our Company; (v) past dividend payout ratio/trends; (vi) any other relevant factors and material events as may be deemed fit by our Board; (vii) macro-economic environment affecting the businesses in which our Company is engaged in the geographies in which our Company operates; (viii) future uncertainty and industrial downturns; (ix) minimum cash required for contingencies or unforeseen events; (x) cost of borrowing; (xi) statutory provisions and guidelines.

In addition, our ability to pay dividends may be impacted by a number of other factors, including any tax and regulatory changes in the jurisdiction in which our Company operates which significantly affects the business, and restrictive covenants contained in any agreement as may be entered with the lenders.

For further details on restrictive covenants under our loan agreements, see "*Financial Indebtedness*" beginning on page 339.

Our Company has not declared or paid any dividends during the Fiscal 2026, Fiscal 2025 and Fiscal 2024 and from April 1, 2026, until the date of this Red Herring Prospectus.

Bidders are cautioned not to rely on past dividends as an indication of the future performance of our Company or for an investment in the Equity Shares issued in the Offer. There is no guarantee that any dividends will be declared or paid on Equity Shares or with any frequency, in the future. For further details, see "*Risk Factors – Our ability to pay dividends in the future will depend upon our future earnings, financial condition, cash flows, working capital requirements and capital expenditures and the terms of our financing arrangements*" on page 51.

SECTION VI: FINANCIAL INFORMATION

RESTATED FINANCIAL INFORMATION

[The remainder of this page has intentionally been left blank]

Independent Auditors' Examination Report on the Restated Financial Information which consists of Restated Statement of Assets and Liabilities as at March 31, 2026, March 31, 2025 and March 31, 2024, the Restated Statement of Profit and Loss (including Other Comprehensive Income), the Restated Statement of Changes in Equity and the Restated Statement of Cash Flows for the period/years ended March 31, 2026, March 31, 2025 and March 31, 2024 including the Statement of Material Accounting Policies and other explanatory information of Deepa Jewellers Limited (formerly Deepa Jewellers Private Limited) (collectively, the "Restated Financial Information")

To
The Board of Directors
Deepa Jewellers Limited (formerly Deepa Jewellers Private Limited)
3-6-343, Basheer Bagh,
Hyderabad-500029, Telangana, India.

Dear Sirs,

1. We, NSVR & Associates LLP, Chartered Accountants ("we" or "us" or "NSVR" or "Statutory Auditor"), have examined the attached Restated Financial Information of Deepa Jewellers Limited (formerly 'Deepa Jewellers Private Limited') (the "Company") comprising the Restated Statement of Assets and Liabilities as at March 31, 2026, March 31, 2025 and March 31, 2024, the Restated Statements of Profit and Loss (including other comprehensive income), the Restated Statement of Changes in Equity, the Restated Cash Flow Statement for the years ended March 31, 2026, March 31, 2025 and March 31, 2024, the Statement of Material Accounting Policies, and other explanatory information (collectively, the "**Restated Financial Information**"), and prepared by the Company for the purpose of inclusion in the Red Herring Prospectus ("RHP") and Prospectus ("Offer Documents") in connection with its proposed Initial Public Offer ("IPO"). The Restated Financial Information, which have been approved by the Board of Directors of the Company at their meeting held on August 12, 2026 have been prepared in accordance with the requirements of:

a. Section 26 of Part I of Chapter III of the Companies Act, 2013 (the "**Act**");
b. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended ("**SEBI ICDR Regulations**"); and
c. The Guidance Note on Reports in Company Prospectuses (Revised 2019) issued by the Institute of Chartered Accountants of India ("ICAI"), as amended from time to time (the "**Guidance Note**").

Management's Responsibility for the Restated Financial Information

2. The Company's Board of Directors is responsible for the preparation of the Restated Financial Information for the purpose of inclusion in the Offer Documents to be filed with Registrar of Companies, Telangana at Hyderabad ("RoC"), the Securities and Exchange Board of India ("SEBI"), and BSE Limited and National Stock Exchange of India Limited (the "Stock Exchanges") as applicable, in connection with the proposed IPO. The Restated Financial Information have been prepared by the management of the Company on the basis of preparation, as stated in Note 2 of Annexure-V to the Restated Financial Information. The Board of Directors of the Company responsibility includes designing, implementing and maintaining adequate internal control relevant to the preparation and presentation of the Restated Financial Information. The Board of Directors are also responsible for identifying and ensuring that the Company complies with the Act, SEBI ICDR Regulations and the Guidance Note.

Auditors' Responsibilities

3. We have examined such Restated Financial Information taking into consideration:

a. The terms of reference and the terms of our engagement agreed with you in accordance with our engagement letter dated 03.08.2026, appointing us to carry out this assignment in connection with the proposed IPO;
b. The Guidance Note which also requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI;
c. Concepts of test checks and materiality to obtain reasonable assurance based on the verification of evidence supporting the Restated Financial Information; and
d. The requirements of Section 26 of the Act and the SEBI ICDR Regulations.

Our work was performed solely to assist you in meeting your responsibilities in relation to your compliance with the Act, the SEBI ICDR Regulations and the Guidance Note in connection with the IPO.

Restated Financial Information

4. These Restated Financial Information have been compiled by the management from:

a. The audited financial statements of the Company as at and for the year ended March 31, 2026, prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") as prescribed under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, along with the presentation requirements of Division II of Schedule III to the Companies Act, 2013 (Ind-AS compliant Schedule III), as applicable, and other accounting principles generally accepted in India, which have been approved by the Board of Directors at their meeting held on 03.08.2026;

b. The audited financial statements of the Company as at and for the year ended March 31, 2025, prepared in accordance with Indian Accounting Standards (referred to as "Ind AS") as prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, along with the presentation requirements of Division II of Schedule III to the Companies Act, 2013 (Ind-AS compliant Schedule III), as applicable, and other accounting principles generally accepted in India, which have been approved by the Board of Directors at their meeting held on September 19, 2025; and

c. The audited special purpose Ind AS financial statements of the Company as at and for the year ended March 31, 2024, prepared in accordance with basis described in Note 2.2 of the Restated Financial Information, which have been approved by the Board of Directors at their meeting held on November 28, 2025.

The financial information for the year ended March 31, 2024 included in the special purpose Ind AS financial statements is based on the previously issued statutory financial statements prepared in accordance with the accounting standards notified under the section 133 of the Act ("Indian GAAP") (the "Statutory Indian GAAP Financial Statements"), which were approved by the Board of directors at their meeting held on August 30, 2024 was conducted by Prahalad Khandelwal & Co (the "Previous Auditors"). Previous Auditors issued reports dated August 30, 2024 on the Statutory Indian GAAP Financial Statements.

We have audited the special purpose Ind AS financial statements of the Company for the year ended March 31, 2024, prepared by the Company in accordance with Ind AS, for the limited purpose of complying with the requirement of getting its financial statements audited by an audit firm holding a valid peer review certificate issued by the "Peer Review Board" of the ICAI as required by the SEBI ICDR Regulations in relation to the proposed IPO. We have issued our report dated November 28, 2025 on these special purpose Ind AS financial statements to the Board of Directors, who have approved these at their meeting held on November 28, 2025.

As informed to us by management, the previous auditor does not hold a valid peer review certificate issued by the "Peer Review Board" of the ICAI. Accordingly, in accordance with the Act, the SEBI ICDR Regulations and the Guidance Note, the restated financial information for that financial year was audited by us.

5. For the purpose of our examination, we have relied on:

a. the auditor's report issued by us dated 03.08.2026 on the audited financial statements of the Company as at and for the year ended March 31, 2026, as referred to in Paragraph 4(a) above;

b. the auditor's report issued by us dated September 19, 2025 on the audited financial statements of the Company as at and for the year ended March 31, 2025, as referred to in Paragraph 4(b) above; and

c. the auditor's report issued by us dated November 28, 2025 on the special purpose Ind AS financial statements of the Company as at and for the year ended March 31, 2024, as referred to in Paragraph 4(c) above.

6. The audit reports issued by us, referred to in Paragraph 5 above, do not contain any audit qualification / reservation / emphasis of matter / adverse remark, applied retrospectively in the financial years ended March 31, 2026, March 31,

2025 and March 31, 2024, and this Restated Financial Information does not include any such qualification, reservation, emphasis of matter or adverse remark.

7. Based on our examination and according to the information and explanations given to us, and also as per the reliance placed on the audit reports and examination reports submitted by the other auditors for the respective years, we report that the Restated Financial Information:

a. has been prepared after incorporating adjustments for changes in accounting policies, material errors and regrouping / reclassifications retrospectively in the financial years ended March 31, 2026, March 31, 2025 and March 31, 2024, to reflect the same accounting treatment as per the accounting policies and grouping/classifications;

b. have been prepared after incorporating Ind AS adjustments to audited Indian GAAP financial statement as at and for the year ended March 31, 2024;

c. does not contain any modification requiring adjustments. Moreover, the matters in the auditors' reports do not require any corrective adjustments in the Restated Financial Information; and

d. has been prepared in accordance with the Act, SEBI ICDR Regulations and the Guidance Note.

8. The Restated Financial Information do not reflect the effects of events that occurred subsequent to the respective dates of the reports on the special purpose interim Ind AS financial statements, audited financial statements and special purpose financial statements referred to in Paragraph 4 above, except as expressly disclosed in the Restated Financial Information.

9. This report should not in any way be construed as a reissuance or re-dating of any of the previous audit reports issued by us or the Previous Auditors, nor should this report be construed as a new opinion on any of the financial statements referred to herein.

10. We have no responsibility to update our report for events and circumstances occurring after the date of the report.

11. Our report is intended solely for the use of the Board of Directors for inclusion in the Offer Documents to be filed with RoC, SEBI, and Stock Exchanges in connection with the proposed IPO. Our report should not be used, referred to, or distributed for any other purpose except with our prior consent in writing. Accordingly, we do not accept or assume any liability or any duty of care for any other purpose or to any other person to whom this report is shown or into whose hands it may come without our prior consent in writing.

As at 31 March 2025	**41,00,000**	**41.00**
Changes in equity share capital during the period		
Stock split - sub-division of equity shares from face value ₹10 each to ₹2 each [a] [b]	2,05,00,000	41.00
Bonus issue - 3 shares for every 1 share held (post-split) [a] [b]	6,15,00,000	123.00
As at 31 March 2026	**8,20,00,000**	**164.00**

[a] Pursuant to the Special Resolution passed by the members at the Extra-Ordinary General Meeting held on November 10, 2025, the face value of the Company's equity shares was sub-divided from ₹10 per equity share to ₹2 per equity share, with effect from November 10, 2025. Consequently, the number of issued, subscribed and paid-up equity shares changed from 41,00,000 equity shares of ₹10 each to 2,05,00,000 equity shares of ₹2 each, without any change in the aggregate paid-up share capital.

[b] Further, the shareholders of the Company, at the same Extra-Ordinary General Meeting held on November 10, 2025, approved the issue of fully paid-up bonus equity shares of face value ₹2 each in the ratio of 3 (Three) bonus equity shares for every 1 (One) existing fully paid-up equity share held by the shareholders. Accordingly, the Company allotted 6,15,00,000 fully paid-up bonus equity shares of ₹2 each on November 28, 2025, to the shareholders holding equity shares as on the record date of November 21, 2025, by capitalising eligible reserves aggregating to ₹123.00 million. Consequently, the issued, subscribed and paid-up equity share capital of the Company increased from 2,05,00,000 equity shares of ₹2 each to 8,20,00,000 equity shares of ₹2 each.

In accordance with the 'Ind AS 33 – Earnings per Share', the figures of Earnings per Share for previous periods presented have been restated to give effect to the allotment of the equity bonus shares.

(b) Other equity (Refer note 14)

Particulars	Reserves and surplus	Total
	Retained earnings (note 14)	
Balance as at 31 March 2023	**640.34**	**640.34**
Profit for the year	243.47	243.47
Other comprehensive income, net of taxes	0.72	0.72
Balance as at 31 March 2024	**884.53**	**884.53**
Profit for the year	405.80	405.80
Other comprehensive income, net of taxes	0.76	0.76
Balance as at 31 March 2025	**1,291.08**	**1,291.08**

1. Corporate Information

Deepa Jewellers Limited (formerly Deepa Jewellers Private Limited) (**"the Company"** or **"Deepa Jewellers"**) (CIN: U74999TG2016PLC109435) was originally incorporated as Deepa Jewellers Private Limited under the Companies Act, 2013, with its registered office situated at Ground Floor & First Floor, Door No. 3-6-343 & 344, Basheerbagh, Himayathnagar, Hyderabad – 500029, Telangana, India.

Pursuant to a special resolution passed by the shareholders of the Company at the extraordinary general meeting held on September 1, 2025, the Company was converted from a private limited company to a public limited company, and its name was consequently changed to Deepa Jewellers Limited, pursuant to a fresh certificate of incorporation issued by the Registrar of Companies, Central Processing Centre, on September 15, 2025.

The Company is principally engaged in the organized business-to-business designing, processing of, and supplying hallmarked gold jewellery. The Company is engaged in the business of processing 22 karat gold jewellery, job-work services and in the trading of jewellery and related products. The Company is one of the key processors and suppliers of Vaddanam and CNC machine-cut bangles. The Company's customers comprise organised jewellery retail chains and standalone jewellery retailers across India; the Company does not operate consumer-facing retail showrooms and does not, in the ordinary course, transact directly with retail end-customers.

2. Basis of Preparation of Financial Statements

2.1 Statement of Compliance

The Restated Financial Information comprise the Restated Statement of Assets and Liabilities as at March 31 2026, March 31, 2025 and March 31 2024, Restated Statement of Profit and Loss (including other comprehensive income), Restated Statement of Cash Flows and Restated Statement of Changes in Equity for the year ended March 31 2026, March 31, 2025 and March 31 2024 and Material Accounting Policies and Other Explanatory Notes to Restated Financial Information (hereinafter referred to as "Restated Financial Information").

2.2 Basis of preparation and compliance

The Restated Financial Information have been prepared by the management as required under the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended ("SEBI ICDR Regulations") issued by the Securities and Exchange Board of India ("SEBI"), in pursuance of the Securities and Exchange Board of India Act, 1992, for the purpose of inclusion in this Red Herring Prospectus ("RHP") and subsequently the prospectus ("Prospectus" together with RHP as "Offer Documents"), to be filed by the Company with the Registrar of Companies, Telangana at Hyderabad ("RoC") and thereafter with the SEBI, National Stock Exchange of India ("NSE") and BSE limited ("BSE", together with NSE referred to as "Stock Exchanges") in connection with the proposed initial public offering of equity shares of face value of ₹ 2 each of the Company comprising of an fresh issue of the Company and an offer for sale of equity shares held by the selling shareholders (the "Offer"), prepared by the Company in terms of the requirements of:

a. Section 26 of Part I of Chapter III of the Companies Act, 2013 (the "Act");
b. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended ("SEBI ICDR Regulations"); and
c. The Guidance Note on Reports in Company Prospectuses (Revised 2019) issued by the Institute of Chartered Accountants of India ("ICAI"), as amended from time to time, (the "Guidance Note").

These Restated Financial Information have been compiled by the Management from:

a. the audited financial statements of the Company as at and for the year ended March 31, 2026, prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") as

prescribed under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015 (as amended), the presentation requirements of Division II of Schedule III to the Companies Act, 2013, as applicable, and other accounting principles generally accepted in India, which have been approved by the Board of Directors at their meeting held on 03.08.2026.

b. the audited financial statements of the Company as at and for the year ended March 31, 2025 prepared in accordance with Indian Accounting Standards (referred to as "Ind AS") as prescribed under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015 (as amended), and other accounting principles generally accepted in India, along with the presentation requirements of Division II of Schedule III to the Companies Act, 2013, as applicable, which have been approved by the Board of Directors at their meeting held on September 19, 2025.

c. the audited special purpose Ind AS financial statements of the company as at and for the year ended March 31, 2024 prepared in accordance with accounting principles stated in Ind AS and accounting policies mentioned in subsequent paragraphs, which have been approved by the Board of Directors at their meeting held on November 28, 2025.

The financial statements for the year ended March 31, 2025 represent the first set of financial statements prepared by the Company in accordance with the Indian Accounting Standards ("Ind AS") notified under Section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. Accordingly, the Company's date of transition to Ind AS is April 1, 2022, in accordance with Ind AS 101 – *First-time Adoption of Indian Accounting Standards*.

Up to and including the financial year ended March 31, 2024, the Company prepared its statutory financial statements in accordance with the accounting standards notified under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 ("Previous GAAP" or "IGAAP"). For the purpose of this Offer, the Company has prepared Audited Special Purpose Ind AS Financial Statements for the year ended March 31, 2024 by converting the previously issued IGAAP financial statements into Ind AS in accordance with Ind AS 101.

The Audited Special Purpose Ind AS Financial Statements for the year ended March 31, 2024 have been prepared after giving effect to the mandatory exceptions and optional exemptions elected by the Company under Ind AS 101. These financial statements have also been aligned with the presentation, accounting policies and grouping/classification adopted in the financial statements for the year ended March 31, 2025. The adjustments made to the previously issued IGAAP financial statements to achieve compliance with Ind AS have been audited. The basis of preparation, details of the exemptions availed under Ind AS 101 and the reconciliations between Previous GAAP and Ind AS are disclosed in Note 32 to the Restated Financial Information.

These Audited Special Purpose Ind AS Financial Statements as at and for the year ended March 31, 2024, are not the statutory financial statements under the Companies Act, 2013.

The accounting policies have been consistently applied by the Company in preparation of the Restated Financial Information and are consistent with those adopted in the preparation of audited financial statements as at and the years ended March 31,2026 and March 31, 2025 and the Audited Special Purpose Ind AS Financial Statements as at and for the year ended March 31, 2024.

The Restated Financial Information has been prepared on a going concern basis.

The Restated Financial Information does not reflect the effects of events occurring after the respective dates of approval of the financial statements for the years ended March 31, 2026, March 31, 2025 and March 31, 2024 by the Board of Directors.

The Restated Financial Information:

a. has been prepared after incorporating adjustments for changes in accounting policies, material errors and regrouping/reclassifications retrospectively in the financial years ended March 31, 2026, March 31, 2025 and March 31, 2024, to reflect the same accounting treatment as per the accounting policies and grouping/classifications;

b. have been prepared after incorporating Ind AS adjustments to audited Indian GAAP financial statement as at and for the year ended March 31, 2024;

c. does not contain any modification requiring adjustments. Moreover, the matters in the auditors' reports do not require any corrective adjustments in the Restated Financial Information; and

d. has been prepared in accordance with the requirements of the Companies Act, 2013, SEBI ICDR Regulations, and the Guidance Note.

The Restated Financial Information was approved by the Board of Directors of the Company pursuant to a resolution passed on August 12, 2026.

2.4 Basis of Measurement

The Restated Financial Information has been prepared on the historical cost basis and on the accrual basis of accounting, except for the following material items, which have been measured on an alternative basis as required by the applicable Indian Accounting Standards (Ind AS):

a. Certain financial assets are measured either at fair value or at amortised cost, depending on their classification and the Company's business model for managing such financial assets.

b. Financial liabilities, including borrowings, are subsequently measured at amortised cost using the effective interest rate ("EIR") method, except where Ind AS requires measurement at fair value.

c. Defined benefit plans are recognised as the net defined benefit asset or liability, being the present value of the defined benefit obligation less the fair value of plan assets, adjusted for the effect of the asset ceiling, where applicable. The defined benefit obligation is determined using the projected unit credit method, with actuarial valuations carried out at each reporting date. Remeasurements comprising actuarial gains and losses, the return on plan assets (excluding amounts included in net interest) and any change in the effect of the asset ceiling are recognised in Other Comprehensive Income.

2.5 Current and Non-current Classification

The Company presents assets and liabilities in the Balance Sheet based on current and non-current classification in accordance with the requirements of Schedule III to the Companies Act, 2013 and *Ind AS 1 - Presentation of Financial Statements.*

An asset is classified as current when it satisfies any of the following criteria:

a. it is expected to be realised in, or is intended for sale or consumption in, the Company's normal operating cycle;
b. it is held primarily for the purpose of trading;
c. it is expected to be realised within twelve months after the reporting date; or
d. it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

All other assets are classified as non-current.

A liability is classified as current when it satisfies any of the following criteria:

a. it is expected to be settled in the Company's normal operating cycle;
b. it is held primarily for the purpose of trading;
c. it is due to be settled within twelve months after the reporting date; or
d. the Company does not have the right to defer settlement of the liability for at least twelve months after the reporting date. The classification of liabilities is based on the rights that exist at the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of the Company's own equity instruments do not affect its classification.

All other liabilities are classified as non-current.

The current portion of non-current assets and non-current liabilities is presented separately as current assets and current liabilities, respectively. Deferred tax assets and deferred tax liabilities are classified as non-current in accordance with Ind AS 12 – *Income Taxes*.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. Based on the nature of its business, the Company has determined its normal operating cycle as twelve months. Accordingly, assets and liabilities expected to be realised or settled within twelve months after the reporting date are classified as current, and those expected to be realised or settled after twelve months are classified as non-current.

2.6 Functional and presentation currency

The Restated Financial Information is presented in Indian Rupees ("₹" or "INR"), which is the functional currency of the Company and the currency of the primary economic environment in which it operates.

All amounts disclosed in the Restated Financial Information and the accompanying notes have been rounded off to the nearest million of Indian Rupees, unless otherwise stated, in accordance with the requirements of Schedule III to the Companies Act, 2013. Accordingly, figures appearing as "0" represent amounts that have been rounded off to the nearest million.

2.7 Going Concern

The Restated Financial Information are prepared on a going concern basis as the Management is satisfied that the Company shall be able to continue its business for the foreseeable future and no material uncertainty exists that may cast significant doubt on the going concern assumption. In making this assessment, the Management has considered a wide range of information relating to present and future conditions, including future projections of profitability, cash flows and capital resources.

2.8 Material accounting policies

A summary of the material accounting policies applied in the preparation of the Restated Financial Information are as given below. These accounting policies have been applied consistently to all periods presented in the Restated Financial Information.

i. Property, Plant and Equipment

Recognition and Measurement

The Company has availed itself of the deemed cost exemption available under Ind AS 101 - First-time Adoption of Indian Accounting Standards. Accordingly, the carrying values of property, plant and equipment recognised under the previous GAAP have been considered as the deemed cost of such assets under Ind AS.

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses, if any.

Borrowing costs directly attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets in accordance with the Company's accounting policy on borrowing costs.

The Company identifies and depreciates significant components of an item of property, plant and equipment separately where the useful life of such components differs materially from that of the remaining asset.

Subsequent expenditure is capitalised only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the expenditure can be measured reliably. Expenditure incurred on repairs and maintenance is recognised in the Statement of Profit and Loss as incurred.

Depreciation

Depreciation on property, plant and equipment is provided on the Written Down Value (“WDV”) Method over the estimated useful lives of the respective assets after considering their estimated residual values.

Depreciation on additions is provided on a pro-rata basis from the date the asset is available for use and on disposals up to the date immediately preceding the date of disposal. Freehold land is not depreciated.

The estimated useful lives of property, plant and equipment are as follows:

Class of Asset	Estimated useful life
Plant and Machinery	7.5 to 15 years
Electrical Installation	10 years
Furniture and Fixtures	10 years
Vehicles	8 to 10 years
Office Equipment	5 years
Computers	3 years

The useful lives of certain classes of assets differ from those prescribed under Schedule II to the Companies Act, 2013. Based on an internal technical assessment, the management believes that the

useful lives adopted above appropriately reflect the period over which the assets are expected to be used. Accordingly, these useful lives have been considered for the purpose of computing depreciation.

The useful lives, residual values and the method of depreciation are reviewed at the end of each reporting period and are revised prospectively, where appropriate, in accordance with the requirements of Ind AS 16.

Derecognition

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its continued use or disposal. Any gain or loss arising on derecognition, being the difference between the net disposal proceeds and the carrying amount of the asset, is recognised in the Statement of Profit and Loss in the period in which the asset is derecognised.

ii. Capital work-in-progress

Cost of assets not ready for intended use, as on the Balance Sheet date, is shown as capital work in progress. The cost of self-constructed assets includes the cost of materials & direct labour, any other costs directly attributable to bringing the assets to the location and condition necessary for it to be capable of operating in the manner intended by management and borrowing costs.

Expenses directly attributable to construction of property, plant and equipment incurred till they are ready for their intended use are identified and allocated on a systematic basis on the cost of related assets.

iii. Other Intangible Assets

The Company has availed itself of the deemed cost exemption available under Ind AS 101 – First-time Adoption of Indian Accounting Standards. Accordingly, the carrying values of intangible assets recognised under the previous GAAP have been considered as the deemed cost of such assets under Ind AS.

Intangible assets acquired separately are initially measured at cost. Cost comprises the purchase price, including non-refundable taxes and duties, net of trade discounts and rebates, and any expenditure directly attributable to bringing the asset to its intended use.

Subsequent to initial recognition, intangible assets are carried at cost less accumulated amortisation and accumulated impairment losses, if any.

Expenditure incurred on internally generated intangible assets, other than development costs that satisfy the recognition criteria prescribed under Ind AS 38, is recognised as an expense in the Statement of Profit and Loss as incurred.

Intangible assets with finite useful lives are amortised on the Written Down Value (WDV) method over their estimated useful lives. The amortisation method and the estimated useful lives are reviewed at the end of each reporting period and revised prospectively, where appropriate.

The estimated useful life of intangible assets is as follows:

Intangible Asset	Useful life
Computer Software	5 years

Intangible assets are assessed for impairment whenever there is an indication that the asset may be impaired. Any impairment loss is recognised in accordance with the Company's accounting policy on impairment of non-financial assets.

An intangible asset is derecognised on disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition, being the difference between the net disposal proceeds and the carrying amount of the asset, is recognised in the Statement of Profit and Loss in the period in which the asset is derecognised.

iv. Impairment of Non-financial Assets

The Company assesses, at each reporting date, whether there is any indication that a non-financial asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. Irrespective of whether there is any indication of impairment, intangible assets under development and goodwill, if any, are tested for impairment annually.

The recoverable amount of an asset or a cash-generating unit ("CGU") is the higher of its fair value less costs of disposal and its value in use. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

For the purpose of impairment testing, assets are grouped together into the smallest identifiable group of assets that generates cash inflows that are largely independent of the cash inflows from other assets or groups of assets (cash-generating units).

In determining value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or CGU. The Company bases its impairment assessment on the most recent budgets and forecasts approved by the management.

An impairment loss is recognised in the Statement of Profit and Loss when the carrying amount of an asset or CGU exceeds its recoverable amount.

At each reporting date, the Company assesses whether there is any indication that an impairment loss recognised in prior periods may no longer exist or may have decreased. If such indication exists, the recoverable amount of the asset or CGU is re-estimated. A previously recognised impairment loss is reversed only to the extent that the carrying amount of the asset does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, had no impairment loss been recognised in prior periods. Such reversal is recognised in the Statement of Profit and Loss.

An impairment loss recognised in respect of goodwill, if any, is not reversed in subsequent periods.

v. Inventories

Inventories are measured at the lower of cost and net realisable value.

Cost of inventories comprises all costs of purchase, costs of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost of purchase includes purchase price, non-refundable duties and taxes, freight inward and other directly attributable costs, net of trade discounts, rebates and similar items.

Cost is determined using the **weighted average cost method**.

Inventories comprising precious metals, diamonds, precious and semi-precious stones, jewellery, finished goods and work-in-progress include an appropriate proportion of manufacturing overheads based on normal operating capacity. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Stores, consumables and spare parts that do not meet the definition of property, plant and equipment are carried as inventories and are measured at the lower of cost and net realisable value. Goods in transit are valued at cost.

vi. Cash and Cash Equivalents

Cash and cash equivalents comprise cash on hand, balances with banks in current accounts, demand deposits and short-term, highly liquid investments with an original maturity of three months or less from the date of acquisition that are readily convertible into known amounts of cash and are subject to an insignificant risk of changes in value.

For the purpose of the Statement of Cash Flows, cash and cash equivalents include bank overdrafts that are repayable on demand and form an integral part of the Company's cash management, where applicable.

Other bank balances comprise deposits with original maturities of more than three months but less than twelve months from the date of acquisition, which are disclosed separately in the Balance Sheet. Deposits with original maturities exceeding twelve months are classified as other non-current financial assets.

The Statement of Cash Flows has been prepared using the indirect method, whereby profit before tax is adjusted for the effects of non-cash transactions, changes in working capital and other items of income or expense associated with investing or financing cash flows. Cash flows are classified into operating, investing and financing activities.

vii. Foreign Currency Transactions

Foreign currency transactions are initially recognised by the Company at the functional currency spot exchange rate prevailing on the date the transaction first qualifies for recognition. For practical reasons, the Company uses an average exchange rate for a period if the average rate approximates the actual exchange rates at the dates of the respective transactions.

Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rates prevailing at the reporting date.

Non-monetary items measured at historical cost in a foreign currency are translated using the exchange rate at the date of the transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined.

Exchange differences arising on settlement of foreign currency transactions and on translation of foreign currency monetary assets and liabilities at the reporting date are recognised in the Statement of Profit and Loss in the period in which they arise.

viii. Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised when the Company has a present legal or constructive obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the reporting date. Where the effect of the time value of money is material, provisions are measured at the present value of the estimated future cash flows using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the obligation. The unwinding of the discount is recognised as a finance cost in the Statement of Profit and Loss.

A contingent liability is disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company, or where a present obligation arises from past events but it is either not probable that an outflow of resources embodying economic benefits will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made. Contingent liabilities are not recognised in the Restated Financial Information. Contingent liabilities are disclosed unless the possibility of an outflow of resources embodying economic benefits is remote.

A contingent asset is a possible asset arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. Contingent assets are not recognised in the Restated Financial Information but are disclosed when an inflow of economic benefits is probable. When the realisation of income is virtually certain, the related asset is no longer considered a contingent asset and is recognised in the Restated Financial Information.

Expected reimbursements in respect of expenditure required to settle a provision are recognised only when it is virtually certain that such reimbursement will be received. The reimbursement is recognised as a separate asset and shall not exceed the amount of the related provision.

ix. Fair Value Measurement

The Company measures certain financial instruments at fair value at each reporting date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- in the principal market for the asset or liability; or
- in the absence of a principal market, in the most advantageous market for the asset or liability to which the Company has access.

The fair value of an asset or a liability is measured using the assumptions that market participants would use in pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the Restated Financial Information are categorised within the fair value hierarchy based on the lowest level input that is significant to the fair value measurement as a whole, as follows:

- Level 1: Quoted (unadjusted) prices in active markets for identical assets or liabilities.
- Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3: Unobservable inputs for the asset or liability.

For assets and liabilities recognised in the Restated Financial Information on a recurring basis, the Company determines whether transfers have occurred between levels in the fair value hierarchy by reassessing the categorisation at the end of each reporting period based on the lowest level input that is significant to the fair value measurement.

For the purpose of fair value disclosures, the Company has determined appropriate classes of assets and liabilities based on the nature, characteristics and risks of the assets and liabilities and the level of the fair value hierarchy.

x. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a. Financial Assets

Initial Recognition and Measurement

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets are initially measured at fair value plus, in the case of financial assets not measured at fair value through profit or loss (FVTPL), transaction costs that are directly attributable to the acquisition of the financial asset. Trade receivables that do not contain a significant financing component are initially measured at the transaction price.

Regular way purchases and sales of financial assets are recognised on the trade date.

Subsequent Measurement

For the purpose of subsequent measurement, financial assets are classified into the following categories:

- Debt instruments measured at amortised cost;
- Debt instruments measured at fair value through other comprehensive income (FVTOCI);
- Debt instruments measured at fair value through profit or loss (FVTPL); and
- Equity instruments designated at FVTOCI or measured at FVTPL.

Debt Instruments at Amortised Cost

A debt instrument is measured at amortised cost if both of the following conditions are met:

- the asset is held within a business model whose objective is to hold financial assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial recognition, these assets are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Interest income, foreign exchange gains or losses and impairment losses are recognised in the Statement of Profit and Loss.

Debt Instruments at FVTOCI

A debt instrument is classified as FVTOCI if both of the following conditions are satisfied:

- the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- the contractual cash flows satisfy the SPPI criterion.

These assets are subsequently measured at fair value. Interest income, impairment losses and foreign exchange gains or losses are recognised in the Statement of Profit and Loss, while other changes in fair value are recognised in Other Comprehensive Income (OCI). Upon derecognition, the cumulative gain or loss recognised in OCI is reclassified to the Statement of Profit and Loss.

Debt Instruments at FVTPL

Debt instruments that do not meet the criteria for amortised cost or FVTOCI are measured at FVTPL. Changes in fair value are recognised in the Statement of Profit and Loss.

Equity Instruments

All equity investments within the scope of Ind AS 109 are measured at fair value. Equity instruments held for trading are classified as FVTPL. For other equity investments, the Company may make an irrevocable election at initial recognition to present subsequent changes in fair value in OCI. Such election is made on an instrument-by-instrument basis.

Dividend income from equity investments is recognised in the Statement of Profit and Loss when the Company's right to receive payment is established.

Impairment of Financial Assets

The Company recognises impairment using the Expected Credit Loss (ECL) model in accordance with Ind AS 109 for financial assets measured at amortised cost, debt instruments measured at FVTOCI, lease receivables, contract assets and financial guarantee contracts.

The Company applies the simplified approach prescribed under Ind AS 109 for trade receivables and contract assets, which requires recognition of lifetime expected credit losses from initial recognition.

For other financial assets, the Company recognises a loss allowance based on 12-month expected credit losses where there has not been a significant increase in credit risk since initial recognition. Where credit risk has increased significantly, lifetime expected credit losses are recognised.

Derecognition

A financial asset is derecognised when:

- the contractual rights to receive cash flows from the asset expire; or
- the Company transfers the financial asset and substantially all the risks and rewards of ownership; or
- the Company neither transfers nor retains substantially all the risks and rewards of ownership but transfers control of the asset.

Where the Company retains substantially all the risks and rewards of ownership, the financial asset continues to be recognised.

b. Financial Liabilities and Equity Instruments

Classification as Debt or Equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument under Ind AS 32.

Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of directly attributable issue costs.

Financial Liabilities

Initial Recognition and Measurement

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. At initial recognition, financial liabilities are measured at fair value and, in the case of loans, borrowings and payables, net of directly attributable transaction costs.

Subsequent Measurement

Subsequent measurement of financial liabilities depends on their classification:

Financial liabilities at amortised cost

Loans, borrowings and other financial liabilities are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. The EIR amortisation is recognised as finance costs in the Statement of Profit and Loss. Gains and losses are recognised in the Statement of Profit and Loss when the liabilities are derecognised and through the amortisation process.

Financial liabilities at fair value through profit or loss (FVTPL)

Financial liabilities classified as FVTPL include financial liabilities held for trading and those designated upon initial recognition as at FVTPL in accordance with Ind AS 109. These liabilities are subsequently measured at fair value, with changes in fair value recognised in the Statement of Profit and Loss.

Derivative Financial Instruments

The Company may enter into derivative financial instruments, including commodity and equity derivative contracts, to manage its exposure to market risks. Derivative financial instruments are initially recognised at fair value on the contract date and are subsequently remeasured at fair value at each reporting date.

Gains and losses arising from changes in fair value are recognised in the Statement of Profit and Loss unless the derivatives are designated as effective hedging instruments under Ind AS 109.

Derecognition

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires. Where an existing financial liability is replaced by another from the same lender on substantially different terms, or where the terms of an existing liability are substantially modified, the original liability is derecognised and a new financial liability is recognised. The difference between the carrying amount of the original financial liability and the consideration paid is recognised in the Statement of Profit and Loss.

c. Reclassification of Financial Assets

The Company reclassifies financial assets only when it changes its business model for managing those financial assets. Such reclassification is applied prospectively from the reclassification date. Financial liabilities are not reclassified after initial recognition.

d. Offsetting of Financial Instruments

Financial assets and financial liabilities are offset, and the net amount is presented in the Balance Sheet only when the Company currently has a legally enforceable right to offset the recognised amounts and intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

xi. Leases

The Company assesses at the inception of a contract whether the contract is, or contains, a lease. A contract is, or contains, a lease if it conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company evaluates whether:

a. the contract involves the use of an identified asset;
b. the Company has the right to obtain substantially all of the economic benefits from the use of the identified asset throughout the period of use; and
c. the Company has the right to direct the use of the identified asset throughout the period of use.

The Company as a Lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. At the commencement date of the lease, the Company recognises a right-of-use ("ROU") asset and a corresponding lease liability.

Right-of-use Assets

Right-of-use assets are initially measured at cost, comprising the initial measurement of the lease liability, lease payments made at or before the commencement date less any lease incentives received, initial direct costs incurred, and an estimate of costs to dismantle and remove the underlying asset or restore the site on which it is located, where applicable.

Subsequently, right-of-use assets are measured at cost less accumulated depreciation and accumulated impairment losses and adjusted for any remeasurement of lease liabilities.

Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful life of the underlying asset. However, where ownership of the underlying asset transfers to the Company at the end of the lease term, or the cost of the right-of-use asset reflects that the Company will exercise a purchase option, depreciation is provided over the estimated useful life of the underlying asset.

Right-of-use assets are also tested for impairment whenever there is an indication of impairment in accordance with the Company's accounting policy on impairment of non-financial assets.

Lease Liabilities

Lease liabilities are initially measured at the present value of lease payments that are not paid at the commencement date. Lease payments included in the measurement of the lease liability comprise:

- fixed payments (including in-substance fixed payments), less any lease incentives receivable;
- variable lease payments that depend on an index or a rate;
- amounts expected to be payable under residual value guarantees;
- the exercise price of a purchase option if the Company is reasonably certain to exercise the option; and
- payments of penalties for terminating the lease, if the lease term reflects the exercise of such an option.

Variable lease payments that do not depend on an index or a rate are recognised as an expense in the Statement of Profit and Loss in the period in which the event or condition that triggers the payment occurs.

The lease liability is discounted using the interest rate implicit in the lease. If that rate cannot be readily determined, the Company's incremental borrowing rate is used.

Subsequent to initial recognition, lease liabilities are measured at amortised cost using the effective interest method. The carrying amount of the lease liability is increased to reflect the accretion of interest and reduced for lease payments made.

Lease liabilities are remeasured upon changes in future lease payments resulting from changes in an index or rate, changes in the lease term, modifications to the lease, or changes in the assessment of options to extend, terminate or purchase the underlying asset. When the lease liability is remeasured, the corresponding adjustment is made to the carrying amount of the related right-of-use asset or recognised in the Statement of Profit and Loss if the carrying amount of the right-of-use asset has been reduced to zero.

Lease liabilities are presented under Borrowings in the Balance Sheet.

Short-term Leases and Leases of Low-value Assets

The Company has elected not to recognise right-of-use assets and lease liabilities for leases with a lease term of 12 months or less and leases of low-value assets. Lease payments relating to such leases are recognised as an expense on a straight-line basis over the lease term unless another systematic basis is more representative of the pattern of benefit.

xii. Employee Benefits

Employee benefits are recognised as an expense when the related services are rendered by employees.

Short-term Employee Benefits

Short-term employee benefits are those expected to be settled wholly within twelve months after the end of the annual reporting period in which the employees render the related service. These include salaries, wages, bonus, ex-gratia, compensated absences, performance incentives and other short-term employee benefits.

Short-term employee benefits are recognised as an expense in the Statement of Profit and Loss as the related services are rendered. A liability is recognised for the amount expected to be paid where the Company has a present legal or constructive obligation as a result of past events and the obligation can be estimated reliably.

Defined Contribution Plans

Defined contribution plans are post-employment benefit plans under which the Company pays fixed contributions to separate funds and has no legal or constructive obligation to pay further contributions.

Contributions to defined contribution plans, including provident fund and other applicable schemes, are recognised as an expense in the Statement of Profit and Loss in the period in which the employees render the related service.

Defined Benefit Plans

The Company's gratuity scheme is a defined benefit plan.

The Company's net obligation in respect of defined benefit plans is determined separately for each plan by estimating the amount of future benefits that employees have earned in return for their services in the current and prior periods. The defined benefit obligation is measured at the present value of estimated future cash flows using the Projected Unit Credit Method, based on actuarial valuations carried out by independent qualified actuaries at each reporting date.

The present value of the defined benefit obligation is determined by discounting the estimated future cash flows using market yields on Government securities that have terms approximating the terms of the related obligation.

Defined benefit costs are recognised as follows:

- Current service cost, past service cost, gains or losses arising on settlements and curtailments are recognised immediately in the Statement of Profit and Loss.
- Net interest cost on the net defined benefit liability (asset) is recognised in the Statement of Profit and Loss as part of employee benefits expense.
- Remeasurements, comprising actuarial gains and losses, the return on plan assets (excluding amounts included in net interest) and any change in the effect of the asset ceiling, are recognised immediately in Other Comprehensive Income (OCI). Such remeasurements are not reclassified to the Statement of Profit and Loss in subsequent periods.

Other Long-term Employee Benefits

The Company's obligation in respect of other long-term employee benefits, including long-service awards and compensated absences not expected to be settled wholly within twelve months after the reporting date, is measured using the Projected Unit Credit Method based on actuarial valuations at each reporting date.

The liability is measured at the present value of the estimated future cash outflows. Remeasurements arising from experience adjustments and changes in actuarial assumptions are recognised immediately in the Statement of Profit and Loss.

Termination Benefits

Termination benefits are recognised as an expense at the earlier of:

- when the Company can no longer withdraw the offer of those benefits; or
- when the Company recognises costs for a restructuring that is within the scope of Ind AS 37 and involves the payment of termination benefits.

Compensated Absences

Compensated absences expected to be settled wholly within twelve months after the reporting period are recognised as short-term employee benefits.

Compensated absences not expected to be settled within twelve months are recognised as other long-term employee benefits and measured at the present value of the estimated future cash outflows using the Projected Unit Credit Method.

For presentation purposes, the allocation between current and non-current provisions for defined benefit obligations and compensated absences is determined based on actuarial valuation.

xiii. Revenue Recognition

Revenue is recognised upon transfer of control of promised goods or services to customers at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services.

Revenue is measured at the transaction price, net of customer incentives, discounts, rebates, variable consideration, payments made to customers and other similar charges, as specified in the contract with the customer. Revenue excludes amounts collected on behalf of third parties, including taxes collected from customers which are subsequently remitted to government authorities.

Revenue is recognised only to the extent that it is highly probable that a significant reversal of the cumulative revenue recognised will not occur when the uncertainty associated with the variable consideration is subsequently resolved.

a. Sale of Goods

Revenue from the sale of goods is recognised at the point in time when control of the goods is transferred to the customer, which generally occurs upon dispatch or delivery of the goods in accordance with the terms of the contract.

b. Rendering of Services

Revenue from job work services is recognised over time by measuring the progress towards complete satisfaction of the performance obligation. Progress is determined with reference to the actual services provided up to the reporting date.

Revenue is recognised only when it is probable that the economic benefits associated with the transaction will flow to the Company and the amount of revenue can be measured reliably.

c. Variable Consideration

Where the consideration promised in a contract includes a variable amount, the Company estimates the amount of consideration to which it expects to be entitled using the expected value method, considering all reasonably available information and the terms of the contract.

At the time of final settlement, when the contract price is agreed upon, any difference between the revenue previously recognised and the final consideration is recognised in the Statement of Profit and Loss in the period in which the final price is determined.

d. Other Income

Other income is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.

e. Interest Income

Interest income is recognised using the effective interest rate (EIR) method. Interest income is accrued on a time basis by applying the effective interest rate to the gross carrying amount of the financial asset and is recognised in the Statement of Profit and Loss when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.

xiv. Tax Expenses

Income tax expense comprises current tax and deferred tax. It is recognised in the Statement of Profit and Loss except to the extent that it relates to items recognised directly in equity or in Other Comprehensive Income ("OCI"), in which case the related tax is recognised in equity or OCI, respectively.

Interest and penalties relating to income taxes, including uncertain tax treatments, do not meet the definition of income taxes and are accounted for in accordance with Ind AS 37 – Provisions, Contingent Liabilities and Contingent Assets.

Current Tax

Current tax comprises the expected tax payable on the taxable income for the year, determined in accordance with the provisions of the Income-tax Act, 1961.

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities using the tax rates and tax laws that have been enacted or substantively enacted at the reporting date.

Current tax relating to items recognised outside the Statement of Profit and Loss is recognised in correlation with the underlying transaction, either in OCI or directly in equity.

Management periodically evaluates positions taken in tax returns with respect to situations where applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Current tax assets and liabilities are offset when the Company has a legally enforceable right to set off the recognised amounts and intends either to settle on a net basis or to realise the asset and settle the liability simultaneously.

Deferred Tax

Deferred tax is recognised using the balance sheet liability method on temporary differences between the carrying amounts of assets and liabilities in the financial statements and their corresponding tax bases.

Deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax assets are recognised for all deductible temporary differences, including the carry forward of unused tax losses and unused tax credits, to the extent that it is probable that future taxable profits will be available against which such deductible temporary differences, unused tax losses and unused tax credits can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to utilise the related deferred tax assets. Unrecognised deferred tax assets are reassessed at each reporting date and recognised to the extent that it has become probable that future taxable profits will allow the deferred tax assets to be recovered.

Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted at the reporting date and are expected to apply in the period when the asset is realised or the liability is settled.

Deferred tax relating to items recognised outside the Statement of Profit and Loss is recognised in correlation with the underlying transaction, either in OCI or directly in equity.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets against current tax liabilities and the deferred tax assets and liabilities relate to income taxes levied by the same taxation authority on the same taxable entity.

Goods and Services Tax (GST)

Goods and Services Tax (GST) paid on the acquisition of assets or on incurring expenses is recognised as part of the cost of the asset or as part of the related expense where the tax is not recoverable from the taxation authorities.

Where the GST paid is recoverable, the corresponding asset or expense is recognised net of such tax. The net amount of GST recoverable from, or payable to, the taxation authorities is included as part of receivables or payables in the Balance Sheet.

xv. Earnings Per Share (EPS)

Basic Earnings Per Share

Basic earnings per share ("EPS") is calculated by dividing the net profit or loss for the year attributable to equity shareholders, after deducting preference dividends and related taxes, by the weighted average number of equity shares outstanding during the year.

The weighted average number of equity shares outstanding during the year is adjusted for events such as bonus issues, bonus elements in rights issues, share splits and reverse share splits (consolidation of shares), which change the number of equity shares outstanding without a corresponding change in resources.

Diluted Earnings Per Share

Diluted earnings per share is calculated by dividing the net profit or loss attributable to equity shareholders, after adjusting for the effects of interest, other financing costs or income, and related taxes attributable to dilutive potential equity shares, by the weighted average number of equity shares outstanding during the year, adjusted for the effects of all dilutive potential equity shares.

Potential equity shares are considered dilutive only when their conversion to equity shares would decrease earnings per share or increase loss per share from continuing operations.

xvi. Segment Reporting

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by the Chief Operating Decision Maker ("CODM") for the purpose of allocating resources to the segment and assessing its performance, and for which discrete financial information is available.

The Company identifies its operating segments based on the internal reports regularly reviewed by the CODM and has determined its reportable segments in accordance with the requirements of Ind AS 108 – Operating Segments.

Where the Company operates in a single reportable segment, no separate segment information is presented, except for the disclosures required under Ind AS 108.

xvii. Borrowing Costs

Borrowing costs consist of interest and other costs, including ancillary costs, that the Company incurs in connection with the borrowing of funds.

Borrowing costs directly attributable to the acquisition, construction or production of a qualifying asset, being an asset that necessarily takes a substantial period of time to get ready for its intended use or sale, are capitalised as part of the cost of that asset. Capitalisation of borrowing costs continues until substantially all the activities necessary to prepare the qualifying asset for its intended use or sale are complete.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are recognised as an expense in the Statement of Profit and Loss in the period in which they are incurred.

xviii. Significant Accounting Judgements, Estimates and Assumptions

The preparation of the financial statements in accordance with Indian Accounting Standards ("Ind AS") requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses and related disclosures.

These estimates and underlying assumptions are based on historical experience and other factors considered to be reasonable under the circumstances. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively in the period in which the estimates are revised and in any future periods affected.

The key assumptions concerning the future and other key sources of estimation uncertainty that have a significant risk of resulting in a material adjustment to the carrying amounts of assets and liabilities within the next financial year are described below.

a. Property, Plant and Equipment

The Company estimates the useful lives and residual values of property, plant and equipment for the purpose of computing depreciation. These estimates are based on the expected usage of the assets, technical assessment and historical experience. The useful lives and residual values are reviewed at each reporting date and revised prospectively where appropriate.

b. Provision for Expected Credit Losses on Trade Receivables and Contract Assets

The Company applies the expected credit loss ("ECL") model for measuring impairment of trade receivables and contract assets. The ECL provision is determined using a provision matrix based on historical default rates, adjusted for forward-looking information and economic conditions.

At each reporting date, historical default rates are updated and changes in forward-looking assumptions are evaluated. The measurement of ECL involves significant judgement regarding expected future economic conditions and customer credit behaviour.

c. Impairment of Financial and Non-financial Assets

The Company assesses at each reporting date whether there is any indication that financial or non-financial assets may be impaired. Determining the recoverable amount of such assets requires management to estimate future cash flows, growth rates and appropriate discount rates. Changes in these assumptions may result in material adjustments to the carrying amounts of the assets.

d. Tax Provisions and Deferred Tax

Significant judgement is involved in determining current tax provisions, deferred tax assets and liabilities, and tax contingencies.

Deferred tax assets, including those arising from unused tax losses and MAT credit entitlements, are recognised only to the extent that it is probable that sufficient future taxable profits will be available against which they can be utilised. These estimates are reviewed at each reporting date based on expected future profitability and tax planning strategies.

e. Defined Benefit Plans

The Company's obligations under defined benefit plans are determined using actuarial valuations performed by independent qualified actuaries applying the Projected Unit Credit Method.

The valuation involves significant assumptions relating to discount rates, future salary increases, employee attrition, mortality and other demographic assumptions. The discount rate is determined with reference to market yields on Government securities having terms approximating the estimated term of the defined benefit obligation. Changes in these assumptions may materially affect the recognised defined benefit obligation and employee benefit expense.

f. Fair Value Measurement of Financial Instruments

Where the fair values of financial assets and financial liabilities cannot be determined based on quoted prices in active markets, they are measured using appropriate valuation techniques.

The valuation techniques incorporate assumptions relating to market conditions, discount rates, liquidity risk, credit risk and other relevant factors. Changes in these assumptions may affect the reported fair values of financial instruments.

xix. Contract Liabilities

Contract liabilities represent the Company's obligation to transfer goods or services to customers for which consideration has been received in advance.

In the ordinary course of business, certain customers provide gold upfront to the Company for the manufacture of gold ornaments. The gold received from customers is recognised as a contract liability upon receipt and is measured at the value agreed with the customer or the prevailing market value, as applicable.

The Company does not obtain control over such gold and holds it solely for the purpose of fulfilling the customer's manufacturing order.

The contract liability is recognised as revenue upon satisfaction of the related performance obligation, i.e., when control of the finished goods is transferred to the customer, in accordance with Ind AS 115 – Revenue from Contracts with Customers.

xx. Statement of Cash Flows

The Statement of Cash Flows is prepared in accordance with Ind AS 7 – Statement of Cash Flows using the indirect method.
Cash flows are classified into operating, investing and financing activities.
Cash flows from operating activities are determined by adjusting profit before tax for:

- non-cash items such as depreciation and amortisation, impairment losses, provisions and unrealised foreign exchange gains and losses;

- changes in working capital, including inventories, trade receivables, contract assets, trade and other receivables, trade and other payables and other operating assets and liabilities; and
- all other items for which the cash effects are investing or financing cash flows.

xxi. Dividend

The Company recognises a liability for dividends when the distribution is authorised and is no longer at the discretion of the Company. In the case of interim dividends, the liability is recognised when the dividend is declared by the Board of Directors. In the case of final dividends, the liability is recognised when the dividend is approved by the shareholders at the Annual General Meeting.

xxii. Events after the Reporting Period

Events occurring after the reporting period that provide additional evidence of conditions existing at the reporting date are recognised in the financial statements. Events occurring after the reporting period that are indicative of conditions arising after the reporting date are disclosed, where material, but are not recognised in the financial statements.

xxiii. Recent Pronouncements

The Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing Indian Accounting Standards under the Companies (Indian Accounting Standards) Rules, as amended from time to time.

During the reporting period, the MCA notified amendments to certain Indian Accounting Standards through the Companies (Indian Accounting Standards) Amendment Rules, 2025 dated 7 May 2025 and the Companies (Indian Accounting Standards) Second Amendment Rules, 2025 dated 13 August 2025, which are effective for annual reporting periods beginning on or after 1 April 2025.

The Company has evaluated the impact of these amendments and the significant amendments are summarised below:

a. Ind AS 21 – The Effects of Changes in Foreign Exchange Rates

The amendments relating to lack of exchangeability clarify the determination of the exchange rate when a currency is not exchangeable. The Company has assessed the impact of the amendments and concluded that they do not have any material impact on its financial statements.

b. Ind AS 1 – Presentation of Financial Statements

The amendments relate to the classification of liabilities as current or non-current, including liabilities with covenants. The Company has assessed the impact of these amendments and concluded that they do not have any material impact on the classification of its current and non-current liabilities.

c. Ind AS 7 – Statement of Cash Flows and Ind AS 107 – Financial Instruments: Disclosures

The amendments introduce additional disclosure requirements relating to supplier finance arrangements. The Company has evaluated these amendments and concluded that they do not have any material impact on its financial statements as the Company does not have any supplier finance arrangements during the reporting period.

d. Ind AS 12 – Income Taxes

The amendments relating to the OECD Pillar Two Model Rules provide a temporary mandatory exception from accounting for deferred taxes arising from the implementation of the Pillar Two legislation and require additional disclosures. Based on its assessment, the Company has concluded that these amendments do not have any material impact on its financial statements as the Company is not within the scope of the Pillar Two Model Rules.

xxiv. Climate-related Matters

The Company considers climate-related risks and opportunities, where relevant, in the preparation of the financial statements, including in the application of significant accounting judgements, estimates and assumptions.

These assessments include the potential effects of physical and transition risks on the measurement of assets and liabilities, including the assessment of useful lives and recoverability of non-financial assets, expected credit losses, provisions and other areas where estimates are required.

Based on the information available at the reporting date, management has concluded that climate-related matters do not have a material impact on the carrying amounts of the Company's assets and liabilities or on the significant judgements and estimates used in the preparation of these restated financial statements. The Company continues to monitor evolving climate-related regulations and developments and will assess their impact on future reporting periods.

xxv. Regrouping / Reclassification

Previous year's figures have been regrouped, reclassified and rearranged, wherever considered necessary, to conform to the current year's presentation and to comply with the requirements of the Companies Act, 2013, the applicable Indian Accounting Standards and Schedule III thereto. Such regrouping and reclassification do not affect the previously reported profit, total comprehensive income or equity of the Company.

a.There are no disputed receivables outstanding as at 31 March 2026 , 31 March 2025 and 31 March 2024 .

(b) Expected credit loss (ECL):
The Company recognises loss allowances for expected credit losses ("ECL") on financial assets measured at amortised cost in accordance with the impairment requirements of Ind AS 109 – Financial Instruments.

At each reporting date, the Company assesses whether the credit risk on its financial assets has increased significantly since initial recognition and measures the loss allowance at an amount equal to either the 12-month Expected Credit Loss or Lifetime Expected Credit Loss, as appropriate. For trade receivables, the Company applies the simplified approach prescribed under Ind AS 109 and measures the loss allowance at an amount equal to Lifetime Expected Credit Loss.

Based on the assessment of the credit profile of its customers and counterparties, historical credit loss experience, current conditions, and forward-looking information, the Company has concluded that there is no material Expected Credit Loss in respect of its financial assets as at March 31, 2026, March 31, 2025, and March 31, 2024. Accordingly, no impairment allowance has been recognised in the Restated Financial Statements for the aforesaid reporting periods.

Seema Agarwal	4,00,00,000	48.78%	-	20,00,000	48.78%	-	20,00,000	48.78%	-
Dev Agarwal	19,80,000	2.41%	-	99,000	2.41%	-	99,000	2.41%	-

(v) [a] Pursuant to the Special Resolution passed by the members at the Extra-Ordinary General Meeting held on November 10, 2025, the face value of the Company's equity shares was sub-divided from ₹10 per equity share to ₹2 per equity share, with effect from November 10, 2025. Consequently, the number of issued, subscribed and paid-up equity shares changed from 41,00,000 equity shares of ₹10 each to 2,05,00,000 equity shares of ₹2 each, without any change in the aggregate paid-up share capital.

[b]Further, the shareholders of the Company, at the same Extra-Ordinary General Meeting held on November 10, 2025, approved the issue of fully paid-up bonus equity shares of face value ₹2 each in the ratio of 3 (Three) bonus equity shares for every 1 (One) existing fully paid-up equity share held by the shareholders. Accordingly, the Company allotted 6,15,00,000 fully paid-up bonus equity shares of ₹2 each on November 28, 2025, to the shareholders holding equity shares as on the record date of November 21, 2025, by capitalising eligible reserves aggregating to ₹123.00 million. Consequently, the issued, subscribed and paid-up equity share capital of the Company increased from 2,05,00,000 equity shares of ₹2 each to 8,20,00,000 equity shares of ₹2 each.

(vii) The company has not bought back any shares during the period of five years immediately preceeding the reporting date.

14 Other equity

	As at 31 March 2026	As at 31 March 2025	As at 31 March 2024
Retained earnings			
Opening Balance	1,291.08	884.53	639.34
Add: Profit for the year	1,047.88	405.80	243.47
Add: Re-measurement gains/ (losses) on defined benefit plans	0.73	0.76	1.72
Less: Issue of bonus shares	(123.00)	-	-
Total	**2,216.70**	**1,291.08**	**884.53**

Retained earnings:
Represent the cumulative undistributed profits after tax of the Company and can be utilized in accordance with the provisions of the Act.

Re-measurement gains/ (losses) on defined benefit plans, net of tax:
Remeasurement of defined plan represents the remeasurement gains/(losses) arising from the actuarial valuation of the defined benefit plan of the Company. The remeasurement gains/(losses) are recognized in other comprehensive income and accumulated under this reserve within equity. The amounts recognized under this reserve are not reclassified to statement of profit and loss.

32 The Restated Financial Information of the Company has been specifically prepared for the purpose of inclusion in the Red Herring Prospectus ("RHP") and the Prospectus ("Offer Documents") to be filed by the Company with the Securities and Exchange Board of India ("SEBI") in connection with the proposed Initial Public Offer ("IPO") of equity shares of face value of ₹2 each (the "Offer").

The financial statements for the year ended March 31, 2025 were the first financial statements prepared by the Company in accordance with the Indian Accounting Standards ("Ind AS") notified under Section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. Up to and including the financial year ended March 31, 2024, the Company prepared its financial statements in accordance with the Accounting Standards notified under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 ("Previous GAAP" or "Indian GAAP").

In accordance with Ind AS 101 – First-time Adoption of Indian Accounting Standards, the Company adopted Ind AS with a transition date of April 1, 2022. Accordingly, the financial statements for the year ended March 31, 2024 have been restated from Indian GAAP to Ind AS after giving effect to the mandatory exceptions and optional exemptions availed under Ind AS 101 and in accordance with the accounting policies adopted by the Company under Ind AS.
The Restated Financial Information has been compiled from the audited Ind AS financial statements of the Company for the years ended March 31, 2026, March 31, 2025 and March 31, 2024.

Exemptions applied
Ind AS 101 allows first-time adopters certain exemptions from the retrospective application of certain requirements under Ind AS. The company has applied the following exemptions:
Deemed Cost:
The Company has elected to continue with the carrying values of all its property, plant and equipment and intangible assets as recognised under Previous GAAP as at the transition date and use those carrying values as the deemed cost on transition to Ind AS.
Estimates:
The estimates as at the transition date and subsequent reporting periods are consistent with those made under Previous GAAP after adjustments to reflect differences in accounting policies. The Company has not revised such estimates except where required by Ind AS or where there was objective evidence of an error.

The following reconciliation has been presented to explain the impact of transition to Ind AS:
Reconciliation of equity as at March 31, 2024

Reconciliation of equity as previously reported under Previous GAAP and that computed under Ind AS:

Particulars	As at 31 March 2024
Other equity as per Previous GAAP	887.45
Adjustments on account of transition to Ind AS:	
Impact on account of gratuity as per Ind AS 19	(3.84)
Impact on account of deferred tax	0.92
Total adjustments	**(2.92)**
Other equity as per Ind AS	**884.53**

Reconciliation of profit as previously reported under Previous GAAP and that computed under Ind AS:

Particulars	For the year ended 31 March 2024
Profit as per Previous GAAP	**244.17**
Adjustments on account of transition to Ind AS:	
Impact on account of gratuity as per Ind AS 19	0.02
Impact on account of deferred tax	(0.01)
Total adjustments	**0.02**
Profit as per Ind AS	**244.19**

Explanation of material adjustments
Defined Benefit Obligations
Both under Indian GAAP and Ind AS, the Company recognised costs related to its post-employment defined benefit plan on an actuarial basis. Under Indian GAAP, the entire cost, including actuarial gains and losses, was recognised in the Statement of Profit and Loss. Under Ind AS, remeasurements (comprising actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability, and the return on plan assets excluding amounts included in net interest on the net defined benefit liability) are recognised immediately in the Balance Sheet with a corresponding debit or credit to retained earnings through Other Comprehensive Income (OCI).

Deferred Tax
Under Indian GAAP, deferred tax was accounted for using the income statement approach, which focuses on differences between taxable profits and accounting profits for the period. Ind AS 12 requires entities to account for deferred tax using the balance sheet approach, which focuses on temporary differences between the carrying amounts of assets and liabilities in the Balance Sheet and their respective tax bases. The application of Ind AS 12 has resulted in the recognition of deferred tax on temporary differences that were not required to be recognised under Indian GAAP.
In addition, the various transition adjustments have resulted in temporary differences. In accordance with the Company's accounting policies, deferred tax has been recognised on such temporary differences. The related deferred tax adjustments have been recognised in correlation with the underlying transaction, either in retained earnings or in the Statement of Profit and Loss, as applicable.

33 Tax expense

The Company has elected the option provided under Section 115BAA of the Income Tax Act, 1961 for measurement of its income tax expense for the period/ year ended 31 March 2026, 31 March 2025 and 31 March 2024 and has accordingly recognised the income tax expense at the prescribed domestic effective tax rate of 25.17%. The major components of income tax expense and the reconciliation between expected tax expense based on the domestic effective tax rate and the reported tax expense in the statement of profit and loss is as follows:

(i) Income tax expense recognised in the Restated Statement of Profit and Loss

	For the year ended		
	31 March 2026	31 March 2025	31 March 2024
Current tax expense	356.32	139.31	83.83
Deferred tax expense	(0.86)	(0.40)	(0.48)
	355.46	**138.91**	**83.35**

(ii) Income tax expense charged to other comprehensive income (OCI):

	For the year ended		
	31 March 2026	31 March 2025	31 March 2024
Income tax impact on re-measurement of defined benefit plans	(0.25)	(0.26)	(0.24)
	(0.25)	**(0.26)**	**(0.24)**

(iii) Reconciliation of tax expense and the accounting profit multiplied by India's domestic tax rate:

The reasons for the difference between the actual income tax expense for the year and the standard rate of corporate tax applied to profits for the year are as follows:

	31 March 2026	31 March 2025	31 March 2024
Restated Profit before tax	1,403.34	544.72	326.81
Enacted tax rates in India	25.17%	25.17%	25.17%
Expected tax expense	**353.19**	**137.10**	**82.25**
Tax effect of amounts which are not deductible / taxable in calculating taxable income:			
Effect of expenses not deductible	16.29	8.25	7.21
Other adjustments	(14.02)	(6.43)	(6.11)
Income tax expense	**355.46**	**138.91**	**83.35**

34 Earnings per share (EPS)

Basic EPS amounts are calculated by dividing the profit or loss attributable to equity holders of the Company by the weighted average number of equity shares outstanding during the period/year.

Diluted EPS amounts are calculated by dividing the profit or loss attributable to equity holders of the Company by the weighted average number of equity shares outstanding during the period/year plus the weighted average number of equity shares that would be issued on conversion of all the dilutive potential equity shares into equity shares.

The following reflects the income and share data used in the basic and diluted EPS computation:

	31 March 2026	31 March 2025	31 March 2024
Restated Profit for the year	1,047.88	405.80	243.47
Effect of dilution	-	-	-
Restated Profit/(Loss) attributable to equity shareholders adjusted for the effect of dilution	**1,047.88**	**405.80**	**243.47**
Weighted average number of equity shares for basic & Diluted EPS (in numbers) (Refer note [a]&[b] below)	8,20,00,000	8,20,00,000	8,20,00,000
Effect of dilution	-	-	-
Weighted average number of equity shares adjusted for the effect of dilution	**8,20,00,000**	**8,20,00,000**	**8,20,00,000**
Earnings per equity share (in absolute ₹ terms) (Refer note [a]&[b] below)			
Basic EPS	12.78	4.95	2.97
Diluted EPS	12.78	4.95	2.97
Face value per equity share	2	2	2

[a] Pursuant to the Special Resolution passed by the members at the Extra-Ordinary General Meeting held on November 10, 2025, the face value of the Company's equity shares was sub-divided from ₹10 per equity share to ₹2 per equity share, with effect from November 10, 2025. Consequently, the number of issued, subscribed and paid-up equity shares changed from 41,00,000 equity shares of ₹10 each to 2,05,00,000 equity shares of ₹2 each, without any change in the aggregate paid-up share capital.

[b] Further, the shareholders of the Company, at the same Extra-Ordinary General Meeting held on November 10, 2025, approved the issue of fully paid-up bonus equity shares of face value ₹2 each in the ratio of 3 (Three) bonus equity shares for every 1 (One) existing fully paid-up equity share held by the shareholders. Accordingly, the Company allotted 6,15,00,000 fully paid-up bonus equity shares of ₹2 each on November 28, 2025, to the shareholders holding equity shares as on the record date of November 21, 2025, by capitalising eligible reserves aggregating to ₹123.00 million.
Consequently, the issued, subscribed and paid-up equity share capital of the Company increased from 2,05,00,000 equity shares of ₹2 each to 8,20,00,000 equity shares of ₹2 each.

In accordance with Ind AS 33 – Earnings per Share, the weighted average number of equity shares and the basic and diluted earnings per share for all periods presented have been retrospectively adjusted to give effect to the share split and the subsequent bonus issue, as if these events had occurred at the beginning of the earliest period presented. Accordingly, the Basic and Diluted EPS for the year ended March 31, 2025 have been restated from ₹98.98 per share to ₹4.95 per share, and for the year ended March 31, 2024 from ₹59.38 per share to ₹2.97 per share.

Note: No potential equity shares are outstanding as on 31 March 2026, 31 March 2025 and 31 March 2024, and there are no items giving rise to dilutive equity shares. Hence basic EPS is considered diluted EPS.

35 Contingent liabilities and commitments

(A) Contingent liabilities:

Contingent liabilities are possible obligations arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company, or present obligations that are not recognised because it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation or because a reliable estimate of the amount of the obligation cannot be made.

As at March 31, 2026, March 31, 2025, and March 31, 2024, the Company did not have any contingent liabilities requiring disclosure in accordance with the applicable provisions of the Companies Act, 2013 and the applicable Indian Accounting Standards (Ind AS).

(B) Commitments:

Commitments represent future obligations under contracts or arrangements entered into by the Company that have not been recognised as liabilities as at the reporting date.
As at March 31, 2026, March 31, 2025, and March 31, 2024, the Company did not have any commitments requiring disclosure in accordance with the applicable provisions of the Companies Act, 2013 and the applicable Indian Accounting Standards (Ind AS).

36 Leases (where the Company as lessee)

The Company has entered into lease arrangements for office premises, including its corporate office and branch offices, with lease terms extending up to 9 years and 11 months. In accordance with Ind AS 116 – Leases, the Company has recognised Right-of-Use (ROU) assets and the corresponding lease liabilities at the commencement date of the respective lease agreements, based on the contractual terms and conditions of such arrangements.

(i) Break-up of lease liabilities is as under:

	As at		
	31 March 2026	**31 March 2025**	**31 March 2024**
Current lease liabilities	7.27	-	-
Non-current lease liabilities	49.37	-	-

(ii) Movement in lease liabilities is as follows:

	As at		
	31 March 2026	**31 March 2025**	**31 March 2024**
Balance at the beginning of the year	-	-	-
Additions during the year	58.91	-	-
Deletions during the year	-	-	-
Finance cost accrued during the year	2.81	-	-
Payment of lease liabilities	5.07	-	-
Lease liabilities at the end of the year	**56.65**	**-**	**-**

(iii) The details of contractual maturities of lease liabilities on an undiscounted basis is as follows:

	31 March 2026	**31 March 2025**	**31 March 2024**
Less than one year	8.00	-	-
One to five years	43.64	-	-
More than five years	33.07	-	-
	84.71	**-**	**-**

(iv) Following amount has been recognized in statement of profit and loss:

	31 March 2026	**31 March 2025**	**31 March 2024**
Depreciation on right to use asset	3.76	-	-
Interest on lease liability	2.81	-	-
Expenses related to short term lease (included under other expenses)	0.04	0.12	0.12
Total amount recognized in the statement of profit and loss	**6.61**	**0.12**	**0.12**

38 Employee benefit obligations:

Defined contribution plan

Eligible employees of the company receive benefits from a provident fund, which is a defined contribution plan, both the employee and company make monthly contributions to the provident fund plan equal to a specified percentage of the eligible employee's qualifying salary. The company has no further obligations under the plan beyond its monthly contributions. The company contributed ₹ 0.41 Millions towards provident fund plan during the years ended 31-Mar-26.

Defined benefit plan

The company provides for gratuity, a defined benefit plan ("Gratuity Plan") covering eligible employees,the gratuity plan provides a lump sum gratuity payment to eligible employees at retirement or termination of their employment. The amount of the payment is based on the respective employee's last drawn salary and the years of employment with the company. The company does not provide the facility of leave encashment to its employees. Hence there is no plan for the latter benefits.

	As at

(vii) Weighted average remaining duration of defined benefit obligation is 19 years.

(viii) Expected contribution to post-employment benefit plan for the year ending 31 March 2027 is ₹1.56 million.

39 Segment information

Based on the Company's business model have been considered as a single business segment for the purpose of making decision on allocation of resources and assessing its performance. Accordingly, there are no separate reportable segments in accordance with the requirements of Ind AS 108 'Operating segment' and hence, there are no additional disclosures to be provided other than those already provided in the Financials Statements. Presently, the Company's operations are predominantly confined in India. The revenue from contract with customers of the company is disclosed in note 43. There are 3 customers contributing more than 10% of Company's total revenue and their balances outstanding is disclosed in note 8. All non-current assets other than financial instruments, deferred tax assets, post-employment benefit assets of the Company are located in India.

40 Categories of Financial instruments and their fair values

The carrying amount of all financial assets and financial liabilities appearing in the financial statements are reasonable approximation of their fair values.

Categories of financial instruments

	Fair value hierarchy	As at 31 March 2026		As at 31 March 2025		As at 31 March 2024	
		Total carrying value	Amortised cost	Fair value	Amortised cost	Fair value	Amortised cost
Financial assets							
Trade receivables	-	2,523.60	2,523.60	1,317.33	1,317.33	884.50	884.50
Cash and bank balances	-	1.04	1.04	0.96	0.96	114.21	114.21
Others	-	0.21	0.21	0.02	0.02	2.69	2.69
		2,524.84	**2,524.85**	**1,318.31**	**1,318.31**	**1,001.40**	**1,001.40**
Financial liabilities							
Borrowings	-	1,111.15	1,111.15	807.91	807.91	779.28	779.28
Lease liabilities	-	56.65	56.65	-	-	-	-
Trade payables	-	0.90	0.90	6.01	6.01	0.30	0.30
Other financial liabilities	-	7.56	7.56	1.55	1.55	0.49	0.49
		1,176.26	**1,176.26**	**815.47**	**815.47**	**780.07**	**780.07**

The fair value of the financial assets and financial liabilities are included at an amount at which the instruments could be exchanged in a current transaction between the willing parties, other than in a forced or liquidation sale.

The Management assessed that fair value of cash and cash equivalents, trade receivables, other current financial assets, trade payables, borrowings and other current financial liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e.,as prices) or indirectly (i.e., derived from prices).

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

41 Financial risk management objectives and policies

Financial Risk Management Framework

The Company is exposed to financial risks arising from its operations and the use of financial instruments. The key financial risks include credit risk, market risk and liquidity risk. The Company's risk management policies are established to identify and analyse the risks faced by the Company and seek to, where appropriate, minimize potential impact of the risk and to control and monitor such risks. There has been no change to the Company's exposure to these financial risks or the manner in which it manages and measures the risks.

The following sections provide details regarding the Company's exposure to the financial risks associated with financial instruments held in the ordinary course of business and the objectives, policies and processes for management of these risks.

A. Credit risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. The Company is exposed to credit risk from its operating activities (primarily trade receivables), security deposits with lessors for leased properties, balances with banks and other financial assets.

Customer credit risk is managed by the Company's established policy, procedures and control relating to the customer credit risk management. The Company uses financial information and past experience to evaluate credit quality of majority of its customers and individual credit limits are defined in accordance with this assessment. Outstanding receivables and the credit worthiness of its counterparties are periodically monitored and taken up on case to case basis. Considering the historical experience of collecting trade receivables, the Company evaluates the concentration of risk with respective trade receivables as low.

The Company also carries credit risk on lease deposits with landlords for properties taken on leases,the Company manages this risk through properly executed lease agreements, periodic review of lease terms and timely recovery of deposits at the end of the lease period.

Credit risk relating to cash and cash equivalents is considered low, as these balances are maintained with reputable scheduled commercial banks having high credit ratings. Accordingly, management does not expect any significant loss arising from non-performance by these counterparties.

The Company's credit period for trade receivables from its customers generally ranges from 30 - 60 days. The ageing of trade receivables and Expected credit losses is given below:

	31 March 2026	31 March 2025	31 March 2024
Neither past due nor impaired			
Past due but not impaired:			
Less than 180 days	2477.26	1,298.23	884.50
More than 180 days	46.34	19.11	-
	2,523.60	**1,317.33**	**884.50**
Less: Allowance for expected credit loss	-	-	-
	2,523.60	**1,317.33**	**884.50**

In accordance with Ind AS 109 – Financial Instruments, the Company assesses at each reporting date whether there has been a significant increase in the credit risk of its financial assets and recognises expected credit losses (ECL), where applicable, based on the prescribed impairment model.

The Company has evaluated the recoverability of its financial assets, including trade receivables, using historical credit loss experience, current conditions, and forward-looking information. Based on such assessment, the Company has concluded that there is no significant credit risk associated with these financial assets and, accordingly, no Expected Credit Loss (ECL) allowance is required as at March 31, 2026, March 31, 2025, and March 31, 2024.

41 Financial risk management objectives and policies (cont'd)

B Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the Company's reputation.

Management monitors rolling forecasts of the Company's liquidity position (comprising the undrawn borrowing facilities) and cash and cash equivalents on the basis of expected cash flows.

Maturities of financial liabilities

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments:

As at 31 March 2026	Carrying value in books	Up to 1 year	1 - 5 years	More than 5 year	Total contractual undiscounted cash flow
Borrowings	1,111.15	674.61	436.54	-	**1,111.15**
Lease liabilities	56.65	8.00	43.64	33.07	**84.71**
Trade payables	0.90	0.90	-	-	**0.90**
Other financial liabilities	7.56	7.56	-	-	**7.56**
	1,176.26	**691.08**	**480.17**	**33.07**	**1,204.32**

As at 31 March 2025	Carrying value in books	Up to 1 year	1 - 5 years	More than 5 year	Total contractual undiscounted cash flow
Borrowings	807.91	425.74	382.17	-	**807.91**
Lease liabilities	-	-	-	-	**-**
Trade payables	6.01	6.01	-	-	**6.01**
Other financial liabilities	1.55	1.55	-	-	**1.55**
	815.47	**433.30**	**382.17**	**-**	**815.47**

As at 31 March 2024	Carrying value in books	Up to 1 year	1 - 5 years	More than 5 year	Total contractual undiscounted cash flow
Borrowings	779.28	368.35	410.93	-	**779.28**
Lease liabilities	-	-	-	-	**-**
Trade payables	0.30	0.30	-	-	**0.30**
Other financial liabilities	0.49	0.49	-	-	**0.49**
	780.07	**369.14**	**410.93**	**-**	**780.07**

C Market risk:

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: interest rate risk and currency risk. Financial instruments affected by market risk include borrowings, deposits, trade receivables and other financial instruments.

The sensitivity analyses in the following sections relate to the position as at March 31, 2026, March 31, 2025 and March 31, 2024. The analysis exclude the impact of movements in market variables on the carrying values of gratuity and other post retirement obligations; provisions; and non-financial assets and liabilities.

i. Foreign currency risk:

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company is exposed to foreign currency risk primarily in respect of purchases denominated in foreign currencies, predominantly United States Dollars (USD).

The Company monitors its foreign currency exposures on an ongoing basis and manages the associated risks through appropriate treasury and business practices. As at March 31, 2026, March 31, 2025, and March 31, 2024, the Company did not have any outstanding foreign currency-denominated monetary financial assets or financial liabilities that gave rise to significant unhedged foreign currency risk exposure. Accordingly, no quantitative disclosure of foreign currency exposure is presented.

ii. Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of the Company and the Company's financial instruments will fluctuate because of changes in market interest rates. The Company's exposure to interest rate risk relates primarily to the floating interest rate borrowings. The Company's investment in deposits with banks and loans are fixed interest rates and therefore do not expose the Company to significant interest rate risk.

The Company's exposure to changes in interest rates relates primarily to the Company's outstanding floating rate borrowings. The exposure of the Company to variable rate borrowings at the end of the reporting period are as follows:

	31 March 2026	31 March 2025	31 March 2024
Variable rate long term borrowings (including current maturities) and short term borrowings	674.61	425.74	368.35

Interest rate sensitivity

The Company noted that any reasonably possible change in interest rates on the variable rate instruments will not have any material impact on the Company's profit after tax and its equity.

	Impact on profit or loss		
	31 March 2026	31 March 2025	31 March 2024
1% increase in interest rate	(6.75)	(4.26)	(3.68)
1% decrease in interest rate	6.75	4.26	3.68

42 Capital risk management

Capital includes equity capital and all reserves attributable to the equity holders of the Company. The primary objective of the capital management is to ensure that it maintain an efficient capital structure and healthy capital ratios in order to support its business and maximise shareholder's value. The Company manages its capital structure and make adjustments to it, in light of changes in economic conditions or its business requirements. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders return capital to shareholders or issue new shares.

The Company monitors capital using a debt to capital employed ratio which is debt divided by total capital plus debt. The Company's policy is to keep this ratio at an optimal level.

	As at		
	31 March 2026	**31 March 2025**	**31 March 2024**
Debt	1,111.15	807.91	779.28
Less: Cash and cash equivalents	(1.04)	(0.96)	(114.21)
Net debt	**1,110.11**	**806.95**	**665.07**
Total equity	2,380.70	1,332.08	925.53
Capital and net debt	**3,490.81**	**2,139.03**	**1,590.60**
Net debt to equity ratio (%)	**31.80%**	**37.73%**	**41.81%**

43 Revenue from operations

Set out below is the disaggregation of the Company's revenue from contracts with customers and reconciliation to profit and loss account:

	For the year ended		
	31 March 2026	**31 March 2025**	**31 March 2024**
(i) Revenue from operations comprises of:			
Sale of products - Processing	19,074.48	12,953.99	10,104.00
Sale of products - Trade	19.99	865.09	1.66
Sale of services - Job Work	172.29	151.02	140.02
	19,266.76	**13,970.10**	**10,245.68**
(ii) Primary geographical markets			
India	19,266.76	13,970.10	10,245.68
Outside India	-	-	-
	19,266.76	**13,970.10**	**10,245.68**
(iii) Reconciliation of Revenue Recognised in the Statement of Profit and Loss			
Revenue from contracts with customers	19,246.04	13,970.10	10,245.68
Adjustment on account of variable consideration (Refer Note (vi) below)	20.72	-	-
	19,266.76	**13,970.10**	**10,245.68**
(iv) Timing of revenue recognition			
Sale of products - transferred at a point in time	19,094.47	13,819.08	10,105.66
Time and material - services transferred over time	172.29	151.02	140.02
	19,266.76	**13,970.10**	**10,245.68**

(v) Assets and liabilities related to contracts with customers

	31 March 2026	**31 March 2025**	**31 March 2024**
Trade receivables	2,523.60	1,317.33	884.50
Contract liabilities	7.23	12.01	34.52

(vi) Revenue Recognition – Variable Consideration:

The Company enters into certain contracts under which the transaction price is subject to variation based on the prevailing market price at the date of settlement by the customer. Accordingly, the consideration receivable under such contracts is variable in nature.
In accordance with Ind AS 115 - Revenue from Contracts with Customers, the Company estimates the transaction price using observable market prices and recognises revenue when control of the goods is transferred to the customer. Upon final settlement, any difference between the estimated transaction price and the actual consideration received is recognised as an adjustment to revenue. During the year ended 31 March 2026, such adjustment amounted to ₹20.72 millions (refer Note (iii) above).
The unfixed quantity under such contracts as at 31 March 2026 was Nil, 31 March 2025: 11.39 kgs and at 31 March 2024 was Nil

44 The Government of India has consolidated the existing labour legislations into a unified framework comprising four Labour Codes, namely, the Code on Wages, 2019, the Code on Social Security, 2020, the Industrial Relations Code, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020 (collectively referred to as the "New Labour Codes"). The Ministry of Labour and Employment has also issued draft rules and related clarifications to facilitate the assessment of the financial impact arising from the implementation of these codes.

The Company has evaluated the implications of the New Labour Codes, including the related clarifications issued by the Institute of Chartered Accountants of India (ICAI). Based on such assessment, the Company has recognized the impact arising from the implementation of the New Labour Codes in the financial statements. Management believes that the Company is in compliance with the applicable requirements of the New Labour Codes and has appropriately accounted for the consequential impact in the financial statements.

45 Additional disclosures

(i) The Company did not hold any immovable property during the years ended March 31, 2026, March 31, 2025 and March 31, 2024.
(ii) The Company has not revalued its Property, Plant and Equipment (including Right-of-Use assets) during the years ended March 31, 2026, March 31, 2025 and March 31, 2024.
(iii) No transactions are carried out with companies struck off under Section 248 of the Act or Section 560 of Companies Act, 1956.
(iv) The Company has not entered into any scheme of arrangement which has an accounting impact on current period.
(v) The Company has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall:
(a) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or
(b) provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
(vi) The Company has not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall:
(a) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries) or
(b) provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
(vii) No proceedings have been initiated on or are pending against the Company for holding benami property under the Benami Transactions Prohibition) Act, 1988 (45 of 1988) and Rules made thereunder.
(viii) The Company have not been declared wilful defaulter by any bank or financial institution or government or any government authority.

(ix) The Company has complied with the number of layers prescribed under the Companies Act, 2013.
(x) There is no income surrendered or disclosed as income during the current or previous year in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.
(xi) The Company has not traded or invested in crypto currency or virtual currency during the current period.
(xii) The Company has been sanctioned a working capital limit in excess of ₹50 million, by a bank on the basis of security of current assets. Pursuant to the terms of the sanction letter and its subsequent revisions, the Company was required to furnish a statement for every quarter. The statements filed are in agreement with the books of account of the Company.
(xiii) There are no charges or satisfaction which are yet to be registered with the registrar of companies beyond the statutory period.
(xiv) The Company has not granted any loans or advances in the nature of loans to promoters, directors, KMPs and the related parties (as defined under the Act), either severally or jointly that are (a) repayable on demand or (b) without specifying any terms or period of repayment.

46 The company has used accounting software for maintaining its books of account that has a feature of recording audit trail (edit log). Based on our examination, which included test checks, we have observed that the Company has used accounting software for maintaining its books of account with the audit trail (edit log) facility enabled, and such feature has operated throughout the relevant period for all transactions recorded in the software. Further, during the course of our examination, we did not come across any instance of the audit trail feature being tampered with, and the audit trail records have been preserved by the Company in accordance with the applicable requirements relating to record retention.

47 Events after the reporting period
No significant subsequent events has been observed which may require an adjustment/disclosure to the restated financial statement.

This is the notes to Restated Financial statements referred to in our report of even date.

Reason for change more than 25%:
For FY 2025-26 - NA
For FY 2024-25 - The decrease in the debt-equity ratio during FY 2024-25 was primarily attributable to a significant increase in shareholders' equity, which exceeded the growth in total debt.

c. Debt Service Coverage Ratio = Earnings available for debt service divided by interest and lease payments + principal repayments

Particulars	31 March 2026	31 March 2025	31 March 2024
Net Profit after tax	**1,047.88**	**405.80**	**243.47**
Add: Non cash operating expenses and finance cost			
-Depreciation and amortizations	7.38	2.62	2.88
-Finance cost	63.14	43.62	39.63
Less: Non operating income	(9.33)	(1.38)	(10.95)
Earnings available for debt service	**1,109.07**	**450.66**	**275.03**
Interest cost on borrowings	25.26	24.28	24.12
Lease payments	5.07	-	-
Principal repayments for long-term borrowings	342.52	1,003.62	1,078.19
Total Interest and principal repayments	**372.85**	**1,027.90**	**1,102.31**
Ratio	**2.97**	**0.44**	**0.25**
% Change from previous year	**578.47%**	**75.72%**	

Reason for change more than 25%:
For FY 2025-26 - The increase in the Debt Service Coverage Ratio during FY 2024-25 and FY 2025-26 was primarily attributable to a significant improvement in profitability and earnings available for debt service, along with a reduction in principal repayments in FY 2025-26.
For FY 2024-25 - The increase in the Debt Service Coverage Ratio during FY 2023-24 and FY 2024-25 was primarily attributable to a significant improvement in profitability and earnings available for debt service.

d. Return on Equity Ratio / Return on Investment Ratio = Net profit after taxes divided by average shareholder's equity

Particulars	31 March 2026	31 March 2025	31 March 2024
Net profit after taxes	1,047.88	405.80	243.47
Less: Preference dividend		-	-
Earning available to equity shareholders	**1,047.88**	**405.80**	**243.47**
Average Shareholder's Equity	1,856.39	1,128.81	803.44
Ratio	**56.45%**	**35.95%**	**30.30%**
% Change from previous year	**57.02%**	**18.63%**	

Reason for change more than 25%:
For FY 2025-26 - The increase in the Return on Equity Ratio during FY 2025-26 was primarily attributable to a significant increase in profit after tax, which outpaced the growth in average shareholders' equity.

e. Inventory Turnover Ratio = Cost of goods sold divided by average inventory

Particulars	31 March 2026	31 March 2025	31 March 2024
Cost of Inventory consumed	17,791.86	13,366.67	10,095.58
Average Inventory	850.74	775.22	588.15
Inventory Turnover Ratio	**20.91**	**17.24**	**17.16**
% Change from previous year	**21.29%**	**0.45%**	

Reason for change more than 25%:
For FY 2025-26 - NA
For FY 2024-25 - NA

f. Trade Receivables turnover ratio = Revenue from operations divided by Average Trade Receivables

Particulars	31 March 2026	31 March 2025	31 March 2024
Net Credit Sales	19,266.76	13,970.10	10,245.68
Average Trade Receivables	1,920.46	1,100.92	893.91
Ratio	**10.03**	**12.69**	**11.46**
% Change from previous year	**-20.94%**	**10.71%**	

Reason for change more than 25%:
For FY 2025-26 - NA
For FY 2024-25 - NA

g. Trade Payables turnover ratio = Puchases of stock-in-trade and other expenses divided by average Trade Payables

Particulars	31 March 2026	31 March 2025	31 March 2024
Purchases	17,452.11	13,175.52	9,890.48
Other expenses (excluding other adjustments like allowance for trade receivables etc)	-	-	-
Total	**17,452.11**	**13,175.52**	**9,890.48**
Average Trade payables and provision for expenses	3.46	3.15	0.56
Ratio	**5,051.04**	**4,179.39**	**17,598.72**
% Change from previous year	**20.86%**	**-76.25%**	

Reason for change more than 25%:
FY 2025-26 - NA
FY 2024-25 - The significant change in the Trade Payables Turnover Ratio during FY 2024-25 was primarily due to a substantial increase in the average trade payables balance compared to the previous year, resulting in a lower turnover ratio.

h. Net Capital Turnover Ratio = Sales divided by Working Capital where Working Capital = Current Assets - Current Liabilities

Particulars	31 March 2026	31 March 2025	31 March 2024
Revenue from operations	19,266.76	13,970.10	10,245.68
Working capital	2,766.40	1,709.16	1,330.01
Ratio	**6.96**	**8.17**	**7.70**
% Change from previous year	**-14.79%**	**6.10%**	

Reason for change more than 25%:
For FY 2025-26 - NA
For FY 2024-25 - NA

i. Net profit ratio = Net profit after taxes divided by Net Sales

Particulars	31 March 2026	31 March 2025	31 March 2024
Net profit after taxes	1,047.88	405.80	243.47
Net Sales	19,266.76	13,970.10	10,245.68
Ratio	**0.05**	**0.03**	**0.02**
% Change from previous year	**87.24%**	**22.24%**	

Reason for change more than 25%:
FY 2025-26 - The increase in the Net Profit Ratio during FY 2025-26 was primarily attributable to a significant improvement in profitability, resulting in profit after tax growing at a higher rate than net sales.
FY 2024-25 - NA

j. Return on Capital employed (pre cash)=Earnings Before Interest and Taxes (EBIT) divided by Capital Employed

Particulars	31 March 2026	31 March 2025	31 March 2024
Profit before tax (A)	1,403.34	544.72	326.81
Finance costs (B)	63.14	43.62	39.63
EBIT (C) = (A)+(B)	**1,466.48**	**588.34**	**366.44**
Capital Employed (Pre Cash) (F)= (D)+(E)	**3,491.85**	**2,139.99**	**1,704.81**
Networth (D)	2,380.70	1,332.08	925.53
Total Debt (E)	1,111.15	807.91	779.28
Ratio (C)/(F)	**52.08%**	**30.60%**	**22.76%**
% Change from previous year	**70.17%**	**34.49%**	

Reason for change more than 25%:
FY 2025-26 - The increase in the Return on Capital Employed during FY 2024-25 and FY 2025-26 was primarily attributable to a significant improvement in EBIT, which grew at a higher rate than the increase in capital employed.
FY 2024-25 - The increase in the Return on Capital Employed during FY 2024-25 and FY 2025-26 was primarily attributable to a significant improvement in EBIT, which grew at a higher rate than the increase in capital employed.

OTHER FINANCIAL INFORMATION

The accounting ratios of our Company as required under Item 11 of Part A of Schedule VI of the SEBI ICDR Regulations are given below:

Particulars	For the year ended March 31, 2026	For the year ended March 31, 2025	For the year ended March 31, 2024
Earnings per Equity share*			
- Basic EPS (in ₹)	12.78	4.95	2.97
- Diluted EPS (in ₹)	12.78	4.95	2.97
Return on Net Worth (in%)	56.45	35.95	30.30
Net asset value per Equity share* (in ₹)	29.03	16.25	11.29
EBITDA (in ₹ million)	1,463.37	560.06	357.71

** Adjusted for sub-division of Equity Shares and bonus issue.*

Notes:

i. Basic Earnings per share (₹) = Net profit/ (loss) after tax, as restated attributable to equity shareholders divided by weighted average number of Equity Shares outstanding during the year.

ii. Diluted Earnings per share (₹) = Net profit / (loss) after tax, as restated attributable to equity shareholders divided by weighted average number of diluted Equity Shares outstanding during the year.

iii. EPS has been calculated in accordance with the Indian Accounting Standard 33 - 'Earning per share' notified under the Companies (Indian Accounting Standards) Rules, 2015.

iv. Return on Net Worth (%) is Restated profit for the relevant year as a percentage of Average Net Worth for the relevant year.

v. Net asset value per Equity Share (₹) is computed as Net worth (excluding Non-Controlling Interest) as restated / weighted average number of equity shares outstanding at the end of the year adjusted for the issue of sub-division and bonus shares, in accordance with principles of Ind AS 33.

vi. EBITDA is calculated as profit before tax and exceptional items for the year plus finance costs and depreciation and amortisation expenses, less other income.

For further information in relation to our other accounting ratios, see "*Basis for the Offer Price*", "*Our Business-Key Performance Indicators*" and "*Management's Discussion and Analysis of Financial Condition and Results of Operations*" on pages 114, 185 and 302 respectively.

Audited Financial Information

In accordance with the SEBI ICDR Regulations, the audited financial statements of our Company as of and for the Fiscals ended March 31, 2026, March 31, 2025, and March 31, 2024, along with the respective audit reports (collectively, the "**Audited Financial Information**") are available on our website at *https://deepajewel.com/home?company_code=REVFUEFKRVdFTExFUlM=&investor_id=0*.

Our Company is providing a link to this website solely to comply with the requirements specified in the SEBI ICDR Regulations. Except as disclosed in this Red Herring Prospectus, the Audited Financial Information and the reports thereon, do not constitute, (i) a part of this Red Herring Prospectus; or (ii) a prospectus, a statement in lieu of a prospectus, an offering circular, an offering memorandum, an advertisement, an offer or a solicitation of any offer or an offer document or recommendation or solicitation to purchase or sell any securities under the Companies Act, the SEBI ICDR Regulations, or any other applicable law in India or elsewhere.

Except as disclosed in this Red Herring Prospectus, the Audited Financial Information, and the reports thereon, should not be considered as part of information that any investor should consider subscribing for or purchase any securities of our Company and should not be relied upon or used as a basis for any investment decision.

CAPITALISATION STATEMENT

The following table sets forth our Company's capitalization as at March 31, 2026, on the basis of our Restated Financial Information, and as adjusted for the Offer. This table should be read in conjunction with the sections "*Management's Discussion and Analysis of Financial Condition and Results of Operations*", "*Financial Information*" and "*Risk Factors*" on pages 302, 247 and 20 respectively.

(in ₹ million, except ratios)

MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

The following discussion is intended to convey the management's perspective on our financial condition and results of operations for Fiscal 2026, Fiscal 2025 and Fiscal 2024 and should be read in conjunction with "Restated Financial Information" on page 247.

Some of the information in this section, including information with respect to our business plans and strategies, contain forward-looking statements that involve risks and uncertainties. Prospective investors should read "Forward-Looking Statements" beginning on page 19, for a discussion of the risks and uncertainties related to those statements along with "Risk Factors", "Industry Overview" and "Financial Information" beginning on pages 20, 129 and 247 respectively, for a discussion of certain factors that may affect our business, financial condition or results of operations. Our actual results may differ materially from those expressed in or implied by these forward-looking statements.

Our Company's financial year commences on April 1 and ends on March 31 of the immediately subsequent year, and references to a particular fiscal year are to the 12 months period ended March 31 of that particular year. Unless otherwise indicated or the context otherwise requires, the financial information for the Fiscal 2026, Fiscal 2025 and Fiscal 2024, included herein is based on or derived from our Restated Financial Information included in this Red Herring Prospectus. For further information, see "Restated Financial Information" beginning on page 247.

Please also refer to "Definitions and Abbreviations" on page 1 for certain terms used in this section. Unless the context otherwise requires, in this section, references to "we", "us", "our" "our Company" or "the Company" refers to Deepa Jewellers Limited.

Unless otherwise indicated, industry and market data used in this section has been derived from the industry report titled "Assessment of gems and jewellery industry in India with focus on the B2B segment" dated August 2026 (the "CRISIL Report", and the date of the Report, the "Report Date") which is exclusively prepared for the purpose of the Offer and issued by CRISIL Limited ("CRISIL") and is exclusively commissioned for an agreed fee and paid for by our Company in connection with the Offer. CRISIL was appointed pursuant to an engagement letter entered into with our Company dated August 8, 2025 and addendum to the engagement letter dated May 29, 2026. CRISIL is not related to our Company, our Directors, our Promoters, our Key Managerial Personnel, our Senior Management or the Book Running Lead Managers. The data included herein includes excerpts from the Report and may have been re-ordered by us for the purposes of presentation. Further, the Report was prepared on the basis of information as of specific dates and opinions in the Report may be based on estimates, projections, forecasts and assumptions that may be as of such dates. A copy of the CRISIL Report is available on the website of our Company at https://cdn.jfone.jewelflow.pro/deepajewellers/investor_documents/8988-Industry_Report.pdf. Further, the Report is not a recommendation to invest or disinvest. For more information and risks in relation to commissioned reports, see "Risk Factors – Certain sections of this Red Herring Prospectus disclose information from the industry report which has been commissioned and paid for by us exclusively in connection with the Offer and any reliance on such information for making an investment decision in the Offer is subject to inherent risks" on page 52. Also see, "Certain Conventions, Presentation of Financial, Industry and Market Data – Industry and Market Data" on page 16.

OVERVIEW

As per the CRISIL Report, we are an organized B2B designer, processor and supplier of hallmarked gold jewellery, primarily having operations in Telangana, Karnataka, Andhra Pradesh, Tamil Nadu and Kerala. According to CRISIL Report, we are one of the key processors and suppliers of vaddanam and CNC machine cut bangles, distributing to jewellery retail chains and standalone stores.

We are an organized business-to-business (B2B) company, engaged in designing, getting our jewellery manufactured, and supplying gold jewellery to other businesses such as retail chains and standalone stores, rather than selling directly to end customers. We design our jewellery through a team of in-house designers who develop new products tailored to customer requirements, prevailing market trends and regional preferences enabling us to offer a diverse and customized product portfolio. We process our gold jewellery through an outsourced manufacturing model, supported by a network of 41 karigars, who undertake our manufacturing activities. Under this model, we supply raw materials including gold, alloys, and precious stones to the karigars, who manufacture jewellery in accordance with our designs and specifications and return the finished ornaments i.e ready to sell jewellery ornaments, to us in consideration for making charges. This approach provides operational flexibility and scalability to meet business demands without requiring significant capital investment. Further, the finished gold jewellery supplied by us, is hallmarked, signifying that it has been certified for purity in

accordance with applicable regulatory standards, thereby providing assurance as to the quality and authenticity of the gold used

Our Company is engaged in the business of processing and supplying 22 karat gold jewellery, job-work services and trading of jewellery and related products. We design, process and supply a wide range of hallmarked plain gold and precious stone studded jewellery. Our products primarily include vaddanam (waist belt), CNC machine cut bangles, gents kada, vanky (armlet), dandpatti (bajuband), gundlamala haaram (traditional neck piece), gundlamala necklace, kangan, earring, mangtika (forehead pendant), maatil (ear chain), champasaralu (ear to hair chain), jada (braid ornament), rings, bracelet and precious rings.

In addition to our core jewellery processing operations, we also undertake job work assignments, wherein we receive raw material from our customers, process them into finished ornaments. i.e ready to sell jewellery products and return the same for a fee, without taking ownership of such raw materials. Furthermore, we also engage in the trading of silver ornaments, 18 and 20 karat gold ornaments, precious stones and gold bullion, wherein we buy and sell such products without any manufacturing involvement.

As on July 31, 2026, we have a product portfolio of 16 products and 110 SKUs across our product categories as indicated in the chart below.

As of July 31, 2026, our customer network spans across 13 states and 1 union territory in India with a total customer base of 373 customers, comprising of 47 jewellery retail chains and 326 standalone stores. Further, we don't own any standalone stores. Our products span over a wide range of price points, enabling us to cater to customers across diverse segments. Our team of creative designers allows us to manage a large and wide portfolio of designs. As of July 31, 2026, we had an in-house team of 15 designers focused on developing new products and designs tailored to customer needs and regional preferences. The designers analyze market trends and develop innovative jewellery designs that are different from our competitors. With this diverse product portfolio and team of creative designers, we have established a long-standing relationship with jewellery retail chains and standalone stores including, Joyalukkas India Limited, Kalyan Jewellers India Limited, Lalithaa Jewellery Mart Limited, Chandana Brothers Textiles & Jewellers Private Limited, Manoj Vaibhav Gems 'N' Jewellers Limited, Tribhovandas Bhimji Zaveri Limited , CMR Textiles & Jewellers Private Limited, Bhima Jewels Private Limited, Mukunda Jewellery (Bathi Manufacturing and Retail Private Limited, R.S. Brothers Jewellers Private Limited, Marri Retail Private Limited, DP Gold Private Limited, Bapireddy Nagireddy Gold and Diamonds Private Limited, JVR Retails Private Limited, M. Bajranglal Sons Jewellers , Premraj Shantilal Jain Jewellers Private Limited, Makam Radhakrishna Jewellers Private Limited, Sri Mahalaxmi Gems and Jewellers, P. Satyanarayan Sons Private

Limited, Sri Mahalaxmi Jewellers & Pearls and Krishna Jewellers Pearls and Gems Private Limited. For further details on long-standing relationship with jewellery retail chains and standalone stores see "*Our Business – competitive strengths - Well established customer base with long-standing relationship with jewellery retail chains and standalone stores*" on page 188.

Our revenue from operations for the Fiscal 2026, Fiscal 2025 and Fiscal 2024 from sale of products through processing, sale of services through job work and sale of products through trade is as follows:

(in ₹ million, except percentage)

Particulars	Fiscal 2026		Fiscal 2025		Fiscal 2024	
	Amount	% of total revenue from operations	Amount	% of total revenue from operations	Amount	% of total revenue from operations
Sale of products - processing	19,074.48	99.00	12,953.99	92.73	10,104.00	98.62
Sale of services - job work	172.29	0.89	151.02	1.08	140.02	1.37
Sale of products - trade	19.99	0.11	865.09	6.19	1.66	0.02
Total	**19,266.76**	**100.00**	**13,970.10**	**100.00**	**10,245.68**	**100.00**

Further, the following table provides a detailed breakup of revenue from the sale of hallmarked jewellery, along with its proportion to total revenue from operations for the Fiscal 2026, Fiscal 2025 and Fiscal 2024.

Year/Period	Revenue from sale of Hallmark Jewellery (in ₹ million)	Total revenue From Operation (in ₹ million)	Contribution from sale of Hallmark Jewellery in total revenue (in %)
Fiscal 2026	17,628.13	19,266.76	91.50
Fiscal 2025	12,949.04	13,970.10	92.69
Fiscal 2024	10,094.51	10,245.68	98.52

According to CRISIL Report, jewellery consumption in India can be broadly divided into three categories: bridal, daily and fashion wear. Bridal wear leads with 50-55% market share, followed by daily wear (35-40%) and fashion wear (5-10%). Our key products include vaddanam and CNC machine cut bangles. While vaddanam is traditionally worn by South Indian women as a symbol of prosperity and cultural heritage, CNC machine cut bangles are popular across both bridal and daily wear categories. As per CRISIL Report, though gold jewellery dominates the bridal market in South India, the increasing preference for minimalist jewellery is emerging as a growth driver in the region. To meet these evolving customer preferences, we offer a wide range of products from weddings jewellery to lightweight daily wear jewellery, with variety of designs.

The following table sets forth a breakdown of our revenue from operations from vaddanam, CNC machine cut bangle and our other products for the Fiscal 2026, Fiscal 2025 and Fiscal 2024.

(in ₹ million, except percentage)

Product category	Fiscal 2026		Fiscal 2025		Fiscal 2024	
	Amount	% of total revenue from operations	Amount	% of total revenue from operations	Amount	% of total revenue from operations
Revenue from operations of vaddanam	8,062.41	41.85	4,830.59	34.58	3,755.56	36.66
Revenue from operations of CNC machine cut bangles	5,948.53	30.87	5,842.21	41.82	4,075.94	39.78
Revenue from operations of other products*	5,255.82	27.28	3,297.30	23.60	2,414.18	23.56
Total	**19,266.76**	**100.00**	**13,970.10**	**100.00**	**10,245.68**	**100.00**

** Other products include- gents kada, vanky(armlet), dandpatti (bajuband), gundlamala haaram (traditional neck piece), gundlamala necklace, kangan, earring, mangtika (forehead pendant), maatil (ear chain), champasaralu (ear to hair chain), jada (braid ornament), rings, precious stones, pearls, flat diamonds, cubic zirconia, gold bullion and precious beeds.*

According to CRISIL Report, jewellery manufacturers in India experience strong demand cycles driven by weddings, festivals, birth occasions, anniversary and the harvest season. The seasonal nature of these events creates year-round

business opportunities for manufacturers and wholesalers. We view this sustained, event-driven demand as a strategic advantage and have aligned our operations accordingly. To strengthen our ability to meet rising and recurring demand, we are in the process of setting up our in-house manufacturing facility in Hyderabad, Telangana which will enhance our production capacity, improve turnaround times, and support scalability. Furthermore, to deepen our market reach and serve customers more effectively, we have expanded our geographical presence by opening a sales office in Vijayawada, Andhra Pradesh in November 2025. For further details on our in-house manufacturing facility and sales office see *"Our Business – Our Operations*" on page 203.

We have a presence across the entire value chain of the organized wholesale gold jewellery market, supported by an established procurement network, long -standing relationship with karigars, a team of creative designers, comprehensive quality control and assurance framework, dedicated market research and trend analysis efforts, and a marketing team comprising 12 members.

As per CRISIL Report, B2B jewellery manufacturers operate in a supply-driven ecosystem, operational efficiency is critical to ensure timely delivery of final product to retailers. We maintain a well-established procurement network for sourcing high-quality raw materials, including gold and silver, from a diverse range of suppliers such as RBI registered bullion bank, independent bullion dealers, import through India International Bullion Exchange and through exchanges from our customers. We have also developed a network of karigars, through long standing relationships, which enables us to maintain timely production schedules, ensure consistent product quality, and exercise effective control over our supply chain.

We have implemented a quality control and assurance framework to maintain the consistent standards of craftsmanship and product integrity. A dedicated quality control team is responsible for conducting inspections in an organised, systematic and efficient manner. Quality checks are carried out at every stage of manufacturing process, during which jewellery pieces are evaluated for purity, structural integrity, design accuracy, and finishing. Any defects identified during this stage are rectified before the jewellery progress further in the process. This process ensures that every piece meets our defined quality parameters. Jewellery pieces also undergo testing and certification for metal purity, gemstone authenticity, and durability. In addition, jewellery is sent to government approved hallmarking centres for hallmarking in accordance with BIS norms. This includes verification of gold karatage, assessment of gemstone quality, and structural strength checks to ensure compliance with applicable industry standards.

Further, as a part of our marketing initiatives, we regularly participate in B2B exhibitions to broaden our brand exposure, visibility and awareness, and to promote our brand and specific product collections. Since our inception, we have been participating in B2B exhibitions to engage with and acquire potential customers in untapped markets, showcase our latest collections, assess local consumer preferences, and evaluate the feasibility of future market expansion in these regions. We have a dedicated team of 12 members to undertake our marketing activities situated in Hyderabad and Vijayawada. Our advertisement and sales promotion expenses for the Fiscal 2026, Fiscal 2025 and Fiscal 2024 were ₹ 6.14 million, ₹ 7.86 million and ₹ 4.91 million representing 0.03 %, 0.06 % and 0.05 % of our total expenses respectively. In the Fiscal 2026, Fiscal 2025 and Fiscal 2024 we have participated in multiple B2B exhibitions across Mumbai, Hyderabad, Bengaluru, Chennai and Vijayawada. For details regarding our marketing initiatives, see "*Our Business - Marketing and Advertising Initiatives*" on page 207.

We use third-party mobile application namely "Deepa Jewellers Limited" to enhance our brand visibility, disseminate information and display product collections, which was commissioned by us on June 25, 2021. This application enables access to high-resolution images of selected jewellery designs to remote customers. Customers are initially shown a limited sample set, and upon approval of access, they can browse the full design catalogue. The platform functions solely as a design-selection interface, while order acceptance and fulfilment remain with us**.** The application is available on both android as well as IOS operating systems and is intended exclusively for use by our B2B customers. For Fiscal 2026, Fiscal 2025 and Fiscal 2024, the application had 312, 152 and 110 users respectively.

Our Promoter, Chairman and Managing Director, Ashish Agarwal and our Promoter and Non-Executive Non-Independent Director, Seema Agarwal, embarked their journey in the gem and jewellery industry in the year 2001, through a partnership firm, and hold an experience of 25 years in the industry. Further, our Promoter and Whole-Time Director, Dev Agarwal, who joined our Company in 2021, represents the next generation of leadership contributing modern business perspectives, technology-oriented thinking and contemporary strategic direction that support our ongoing growth. The leadership and experience of our Promoters have enabled us to expand our product portfolio, develop customer relationships and establish a brand name and presence in vaddanam and CNC machine cut bangles product line. This has contributed significantly to our growth in revenue from operations and improvement in our profit margins. Our Promoters are supported by an experienced Board of Directors and management team of Key Managerial Personnel and Senior Management. For further details with respect to management of our Company, see "*Our Management*" on page

224. Please see "*Our Business–Our Strengths- Well experienced promoters and a professional management team with sectoral experience*" on page 191.

SIGNIFICANT FACTORS AFFECTING OUR RESULTS OF OPERATION

The results of our operations and our financial conditions are affected by numerous factors and uncertainties, many of which may be beyond our control, including as discussed in "*Our Business*" and "*Risk Factors",* on pages 182 and 20. Set forth below is a discussion of certain factors that we believe may be expected to have a significant effect on our financial condition and results of operations:

Cost of procurement of gold bullion

As per the CRISIL Report, timely procurement of gold bullion, our key raw material and the price at which it is procured, play an important role in the successful operation of our business. Accordingly, our business is significantly affected by the availability and cost of gold bullion. The prices and availability of gold bullion depend on factors beyond our control, including general economic conditions, India's international trade policies, macroeconomic decisions, competition and regulatory factors such as import duties.

Fluctuations in gold prices may affect consumer demand as well as operating costs of our Company. A significant increase in the price of gold or a negative outlook on future gold prices could adversely affect our sales volumes. Any such fluctuation in the price of gold, or other raw materials may materially and adversely affect our revenue from operations and profitability. Further, any rise in gold prices may cause customers to delay their purchases, thereby adversely affecting our business, operations and financial condition.

Further, we have hedging facilities including the use of gold metal loans, future contracts on commodity exchanges and our internal hedging policy, however these arrangements do not cover 100.00% of our inventory, which may expose us to fluctuations in gold price. For further details see "*Risk Factor - We are exposed to risks associated with our hedging activities, and any failure in our hedging strategy or execution may adversely affect our business, results of operations and financial condition"***.** Although we have managed to avoid such situations in the past by way of effective inventory management and replenishment of inventory on a daily basis, we cannot assure you that we will continue to manage such fluctuations in future.

We source our gold from RBI registered bullion bank, independent bullion dealers, exchanges from customers and import through India International Bullion Exchange ("**IIBX**").

Gold on loan basis is always subject to such conditions as are imposed by RBI. In the event of any adverse regulatory development by RBI including capping on maximum quantity or if we are otherwise unable to avail such gold loans, we may not be able to benefit from such lower interest rates. For further details, see section titled "*Key Regulations and Policies in India*" on page 213. We also import gold through IIBX, which is subject to rapid fluctuation of gold prices, thereby exposing us to price fluctuation risk.

In addition to procuring gold from RBI registered bullion bank and IIBX, we procure gold from independent bullion dealers and exchanges from customers. We typically procure gold through purchase orders and do not enter into any long-term agreements with RBI registered bullion bank, IIBX, independent bullion dealers or exchange customers. Consequently, the RBI registered bullion bank, IIBX and the independent bullion dealers may not perform their obligations in a timely manner or with the agreed quality or quantity, resulting in delays and adversely affecting our future commitments, and impact our business and result from operations. While we have not experienced any such material instances where the RBI registered bullion bank, IIBX or the independent bullion dealers did not fulfil their obligations that resulted in an adverse impact on our operations during the Fiscal 2026, Fiscal 2025 and Fiscal 2024, we cannot assure you that such instances will not arise in the future.

Competition

We operate in highly competitive and fragmented markets, and our market share may get adversely affected due to competition in these markets which is based primarily on market trends, pricing and customer preferences. We face competition from both the organized and unorganized players in the jewellery business. Some of our competitors may be larger than us in terms of sales volume, distribution networks, brand recall and may have greater capital, technical capabilities and financial and other resources than us which may enable them to secure opportunities at lower prices or to otherwise incentivize the customers. Additionally, larger competitors may provide promotional offers to customers, particularly during festivals, which we may not be able to compete with and which, accordingly, could result in, amongst

other things, loss of our existing customers or failure to attract new customers, which could have a material adverse effect on our business, financial condition, results of operations and prospects. Also see "*Industry Overview*" on page 129.

We compete for customers, based on various factors, including design of our jewellery, affordability and pricing, quality of our jewellery and price transparency. If we do not compete in these areas effectively, it could lead to a decrease in our market share, experience downward pressure on prices and an increase in our marketing and other expenses. This could adversely affect our profitability, as it would cause us to experience lower revenue and additional selling costs to replace customers and recapture the lost revenue. Further, the pricing of gold jewellery in particular is extremely competitive due to its objectively verifiable value, resulting in us having limited control over pricing of gold jewellery. There can be no assurance that we can effectively compete with our competitors in the future, and any such failure to compete effectively may have a material adverse effect on our business, financial condition, results of operations and prospects. For details of our competitors, see the section "*Our Business – Competition*" on page 208.

Further, as per the CRISIL Report, the jewellery industry in India has traditionally been dominated by family-owned businesses, which operated largely on trust. Though this segment continues to account for majority of the industry even today, the organized segment has grown rapidly in recent years and gained substantial market share. A significant portion of such jewellery business in the unorganized sector operates through partnerships/ proprietary concerns, as compared to our Company, which is regulated by the provisions of the Companies Act. Such corporate structures may offer our competitors in the unorganized sector more flexibility. We cannot assure you that we will be able to compete with the unorganized sector effectively, which could adversely affect our business, results of operations, financial conditions and prospects.

Consequently, we cannot assure you that we will be able to compete successfully in the future against our existing or potential competitors, or that our business and results of operations will not be adversely affected by increased competition in the offline and online channels.

Concentration of our business operations and sales in South India

A significant portion of our current presence is in the Southern Indian states of Andhra Pradesh, Telangana, Karnataka, Tamil Nadu and Kerala. Our heavy reliance on this region exposes our Company to a variety of risks, including economic vulnerability of this region, shifts in consumer behaviour, geopolitical, regulatory and local market risks such as natural disasters, infrastructure issues, or political instability, which could disrupt supply chains, operations, and sales in these regions.

Consequently, any significant social, political or economic disruption, or civil disruptions in this region, or changes in policies of the state or local governments or the Government of India or changes in demographics, population and income levels or adverse developments related to competition in this region, may adversely affect our business, results of operations, financial condition and cash flows. Further, any natural disasters such as earthquakes, extreme climatic or weather conditions such as floods or droughts, or diseases heightened or particular to the state, may adversely impact the supply of products, local transportation and operations at our office. Any unforeseen events or circumstances that negatively affect could have an adverse material effect on our sales and profitability.

We are dependent on third party karigars for the production and manufacturing of all our products.

We are dependent on third party karigars for the production and manufacturing of all our products. These karigars are external parties who manufacture jewellery for us on a non-exclusive basis. As on July 31, 2026, we have a pool of 41 karigars, out of which, we have entered into formal agreements with 29 karigars. We have not entered into formal agreements with the remaining karigars, and our engagement with them is based on ongoing working relationships. Given the non-exclusive nature of these agreements, our competitors may offer incentives to these karigars to prioritise their manufacturing and supply of jewellery which could adversely affect our operations adversely.

Our business depends on our ability to attract and retain karigars and our operations could be disrupted if we are unable to successfully manage our karigars, or if they are unwilling to make their services available to us at terms which are commercially acceptable to us. Our competitors may offer them better terms, which may cause them to prefer our competitors over us. We may also be unable to replace these karigars on short notice, or at all, and may face delays in production and increased costs due to the time required to identify and engage new skilled karigars which may adversely affect our results of operations and financial condition. Further, any shortage or scarcity of skilled karigars in the jewellery industry, could materially affect our manufacturing, business, profits and results of operations.

Any unscheduled, unplanned or prolonged disruption of operations at our karigar's manufacturing facilities, including on account of power failure, fire, mechanical failure of equipment, performance below expected levels of output or efficiency,

obsolescence of equipment or manufacturing processes, non-availability of adequate labour or disagreements with workforce, lock-outs, earthquakes and other natural disasters, industrial accidents, any significant social, political or economic disturbances or infectious disease outbreaks, could affect our karigars' ability to meet our requirements, and could consequently affect our operations. While such disruptions have not taken place in the past, we cannot guarantee that any disruption of operations will not take place in the future. Any delay or failure on the part of our karigars to deliver the products in a timely manner or any litigation involving these karigars may have a material adverse effect on our business, profitability, and reputation.

Set out below are the details of the karigars engaged or employed by our Company as of Fiscal 2026, Fiscal 2025 and Fiscal 2024:

Particulars	Fiscal 2026	Fiscal 2025	Fiscal 2024
Number of karigars	29	28	34

Some karigars delegate the work to other karigars under their direct control which could impact the product quality standards. We are exposed to the risks arising from karigars failing to adhere to our quality, safety and distribution standards or those required by statutory authorities, which may adversely affect our sales and revenues. While there have been no such instances in the past, there can be no assurance that they will not occur in the future. Any failure on the part of karigars to meet our quality standards, may materially affect our business, profitability, and reputation.

Furthermore, involving karigars increase the risks of safeguarding the confidentiality of our designs, as they may gain access to proprietary information during the production process. Our jewellery designs could be shared in the market, which may adversely affect our results of operations. Additionally, if our designs are copied by our competitors, it could reduce our competitive advantage and negatively impact our profitability and future revenues.

MATERIAL ACCOUNTING POLICIES

Set forth below is a summary of our most material accounting policies adopted in preparation of the Restated Financial Information.

Summary of material accounting policies and other explanatory information

1. General Information

Deepa Jewellers Limited *(formerly Deepa Jewellers Private Limited*) (**"the Company"** or **"Deepa Jewellers"**) (CIN: U74999TG2016PLC109435) was originally incorporated as Deepa Jewellers Private Limited under the Companies Act, 2013, with its registered office situated at Ground Floor & First Floor, Door No. 3-6-343 & 344, Basheerbagh, Himayathnagar, Hyderabad – 500029, Telangana, India.

Pursuant to a special resolution passed by the shareholders of the Company at the extraordinary general meeting held on September 1, 2025, the Company was converted from a private limited company to a public limited company, and its name was consequently changed to Deepa Jewellers Limited, pursuant to a fresh certificate of incorporation issued by the Registrar of Companies, Central Processing Centre, on September 15, 2025.

The Company is principally engaged in the organized business-to-business designing, processing of, and supplying hallmarked gold jewellery. The Company is engaged in the business of processing 22 karat gold jewellery, job-work services and in the trading of jewellery and related products. The Company is one of the key processors and suppliers of Vaddanam and CNC machine-cut bangles. The Company's customers comprise organised jewellery retail chains and standalone jewellery retailers across India; the Company does not operate consumer-facing retail showrooms and does not, in the ordinary course, transact directly with retail end-customers.

2. Basis of Preparation of Financial Statements

2.1 Statement of Compliance

The Restated Financial Information comprise the Restated Statement of Assets and Liabilities as at March 31 2026, March 31, 2025 and March 31 2024, Restated Statement of Profit and Loss (including other comprehensive income), Restated Statement of Cash Flows and Restated Statement of Changes in Equity for the year ended March 31 2026, March 31, 2025 and March 31 2024 and Material Accounting Policies and Other Explanatory Notes to Restated Financial Information (hereinafter referred to as "**Restated Financial Information**").

2.2 Basis of preparation and compliance

The Restated Financial Information have been prepared by the management as required under the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended ("**SEBI ICDR Regulations**") issued by the Securities and Exchange Board of India ("**SEBI**"), in pursuance of the Securities and Exchange Board of India Act, 1992, for the purpose of inclusion in the Red Herring Prospectus ("**RHP**") and subsequently the prospectus ("**Prospectus**" together with RHP as "**Offer Documents**"), to be filed by the Company with the Registrar of Companies, Telangana at Hyderabad ("**RoC**") and thereafter with the SEBI, National Stock Exchange of India ("**NSE**") and BSE limited ("**BSE**", together with NSE referred to as "**Stock Exchanges**") in connection with the proposed initial public offering of equity shares of face value of ₹ 2 each of the Company comprising of an fresh issue of the Company and an offer for sale of equity shares held by the selling shareholders (the "Offer"), prepared by the Company in terms of the requirements of:

a. Section 26 of Part I of Chapter III of the Companies Act, 2013 (the "Act");
b. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended ("SEBI ICDR Regulations"); and
c. The Guidance Note on Reports in Company Prospectuses (Revised 2019) issued by the Institute of Chartered Accountants of India ("ICAI"), as amended from time to time, (the "Guidance Note").

These Restated Financial Information have been compiled by the Management from:

a. the audited financial statements of the Company as at and for the year ended March 31, 2026, prepared in accordance with the Indian Accounting Standards (referred to as **"Ind AS")** as prescribed under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015 (as amended), the presentation requirements of Division II of Schedule III to the Companies Act, 2013, as applicable, and other accounting principles generally accepted in India, which have been approved by the Board of Directors at their meeting held on August 12, 2026.

b. the audited financial statements of the Company as at and for the year ended March 31, 2025 prepared in accordance with Indian Accounting Standards (referred to as **"Ind AS"**) as prescribed under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015 (as amended), and other accounting principles generally accepted in India, along with the presentation requirements of Division II of Schedule III to the Companies Act, 2013, as applicable, which have been approved by the Board of Directors at their meeting held on September 19, 2025.

c. the audited special purpose Ind AS financial statements of the company as at and for the year ended March 31, 2024 prepared in accordance with accounting principles stated in Ind AS and accounting policies mentioned in subsequent paragraphs, which have been approved by the Board of Directors at their meeting held on November 28, 2025.

The financial statements for the year ended March 31, 2025 represent the first set of financial statements prepared by the Company in accordance with the Indian Accounting Standards ("**Ind AS**") notified under Section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. Accordingly, the Company's date of transition to Ind AS is April 1, 2022, in accordance with Ind AS 101 – *First-time Adoption of Indian Accounting Standards*.

Up to and including the financial year ended March 31, 2024, the Company prepared its statutory financial statements in accordance with the accounting standards notified under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 ("Previous GAAP" or "IGAAP"). For the purpose of this Offer, the Company has prepared Audited Special Purpose Ind AS Financial Statements for the year ended March 31, 2024 by converting the previously issued IGAAP financial statements into Ind AS in accordance with Ind AS 101.

The Audited Special Purpose Ind AS Financial Statements for the year ended March 31, 2024 have been prepared after giving effect to the mandatory exceptions and optional exemptions elected by the Company under Ind AS 101. These financial statements have also been aligned with the presentation, accounting policies and grouping/classification adopted in the financial statements for the year ended March 31, 2025. The adjustments made to the previously issued IGAAP financial statements to achieve compliance with Ind AS have been audited. The basis of preparation, details of the exemptions availed under Ind AS 101 and the reconciliations between Previous GAAP and Ind AS are disclosed in Note 32 to the Restated Financial Information.

These Audited Special Purpose Ind AS Financial Statements as at and for the year ended March 31, 2024, are not the statutory financial statements under the Companies Act, 2013.

The accounting policies have been consistently applied by the Company in preparation of the Restated Financial Information and are consistent with those adopted in the preparation of audited financial statements as at and the years ended March 31,2026 and March 31, 2025 and the Audited Special Purpose Ind AS Financial Statements as at and for the year ended March 31, 2024.

The Restated Financial Information has been prepared on a going concern basis.

The Restated Financial Information does not reflect the effects of events occurring after the respective dates of approval of the financial statements for the years ended March 31, 2026, March 31, 2025 and March 31, 2024 by the Board of Directors.

The Restated Financial Information:

a. has been prepared after incorporating adjustments for changes in accounting policies, material errors and regrouping/reclassifications retrospectively in the financial years ended March 31, 2026, March 31, 2025 and March 31, 2024, to reflect the same accounting treatment as per the accounting policies and grouping/classifications;
b. have been prepared after incorporating Ind AS adjustments to audited Indian GAAP financial statement as at and for the year ended March 31, 2024;
c. does not contain any modification requiring adjustments. Moreover, the matters in the auditors' reports do not require any corrective adjustments in the Restated Financial Information; and
d. has been prepared in accordance with the requirements of the Companies Act, 2013, SEBI ICDR Regulations, and the Guidance Note.

The Restated Financial Information was approved by the Board of Directors of the Company pursuant to a resolution passed on August 12, 2026.

2.3 Basis of Measurement

The Restated Financial Information has been prepared on the historical cost basis and on the accrual basis of accounting, except for the following material items, which have been measured on an alternative basis as required by the applicable Indian Accounting Standards (Ind AS):

a. Certain financial assets are measured either at fair value or at amortised cost, depending on their classification and the Company's business model for managing such financial assets.
b. Financial liabilities, including borrowings, are subsequently measured at amortised cost using the effective interest rate ("EIR") method, except where Ind AS requires measurement at fair value.
c. Defined benefit plans are recognised as the net defined benefit asset or liability, being the present value of the defined benefit obligation less the fair value of plan assets, adjusted for the effect of the asset ceiling, where applicable. The defined benefit obligation is determined using the projected unit credit method, with actuarial valuations carried out at each reporting date. Remeasurements comprising actuarial gains and losses, the return on plan assets (excluding amounts included in net interest) and any change in the effect of the asset ceiling are recognised in Other Comprehensive Income.

2.4 Current and Non-current Classification

The Company presents assets and liabilities in the Balance Sheet based on current and non-current classification in accordance with the requirements of Schedule III to the Companies Act, 2013 and *Ind AS 1 - Presentation of Financial Statements.*

An asset is classified as current when it satisfies any of the following criteria:

a. it is expected to be realised in, or is intended for sale or consumption in, the Company's normal operating cycle;
b. it is held primarily for the purpose of trading;
c. it is expected to be realised within twelve months after the reporting date; or
d. it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

All other assets are classified as non-current.

A liability is classified as current when it satisfies any of the following criteria:

a. it is expected to be settled in the Company's normal operating cycle;
b. it is held primarily for the purpose of trading;
c. it is due to be settled within twelve months after the reporting date; or
d. the Company does not have the right to defer settlement of the liability for at least twelve months after the reporting date. The classification of liabilities is based on the rights that exist at the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of the Company's own equity instruments do not affect its classification.

All other liabilities are classified as non-current.

The current portion of non-current assets and non-current liabilities is presented separately as current assets and current liabilities, respectively. Deferred tax assets and deferred tax liabilities are classified as non-current in accordance with Ind AS 12 – *Income Taxes*.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. Based on the nature of its business, the Company has determined its normal operating cycle as twelve months. Accordingly, assets and liabilities expected to be realised or settled within twelve months after the reporting date are classified as current, and those expected to be realised or settled after twelve months are classified as non-current.

2.5 Functional and presentation currency

The Restated Financial Information is presented in Indian Rupees ("₹" or "INR"), which is the functional currency of the Company and the currency of the primary economic environment in which it operates.

All amounts disclosed in the Restated Financial Information and the accompanying notes have been rounded off to the nearest million of Indian Rupees, unless otherwise stated, in accordance with the requirements of Schedule III to the Companies Act, 2013. Accordingly, figures appearing as "0" represent amounts that have been rounded off to the nearest million.

2.6 Going Concern

The Restated Financial Information are prepared on a going concern basis as the Management is satisfied that the Company shall be able to continue its business for the foreseeable future and no material uncertainty exists that may cast significant doubt on the going concern assumption. In making this assessment, the Management has considered a wide range of information relating to present and future conditions, including future projections of profitability, cash flows and capital resources.

2.7 Material accounting policies

A summary of the material accounting policies applied in the preparation of the Restated Financial Information are as given below. These accounting policies have been applied consistently to all periods presented in the Restated Financial Information.

i. Property, Plant and Equipment

Recognition and Measurement

The Company has availed itself of the deemed cost exemption available under Ind AS 101 - First-time Adoption of Indian Accounting Standards. Accordingly, the carrying values of property, plant and equipment recognised under the previous GAAP have been considered as the deemed cost of such assets under Ind AS.

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses, if any. Borrowing costs directly attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets in accordance with the Company's accounting policy on borrowing costs.

The Company identifies and depreciates significant components of an item of property, plant and equipment separately where the useful life of such components differs materially from that of the remaining asset.

Subsequent expenditure is capitalised only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the expenditure can be measured reliably. Expenditure incurred on repairs and maintenance is recognised in the Statement of Profit and Loss as incurred.

Depreciation

Depreciation on property, plant and equipment is provided on the Written Down Value ("**WDV**") Method over the estimated useful lives of the respective assets after considering their estimated residual values.

Depreciation on additions is provided on a pro-rata basis from the date the asset is available for use and on disposals up to the date immediately preceding the date of disposal. Freehold land is not depreciated.

The estimated useful lives of property, plant and equipment are as follows:

Class of Asset	Estimated useful life
Plant and Machinery	7.5 to 15 years
Electrical Installation	10 years
Furniture and Fixtures	10 years
Vehicles	8 to 10 years
Office Equipment	5 years
Computers	3 years

The useful lives of certain classes of assets differ from those prescribed under Schedule II to the Companies Act, 2013. Based on an internal technical assessment, the management believes that the useful lives adopted above appropriately reflect the period over which the assets are expected to be used. Accordingly, these useful lives have been considered for the purpose of computing depreciation.

The useful lives, residual values and the method of depreciation are reviewed at the end of each reporting period and are revised prospectively, where appropriate, in accordance with the requirements of Ind AS 16.

Derecognition

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its continued use or disposal. Any gain or loss arising on derecognition, being the difference between the net disposal proceeds and the carrying amount of the asset, is recognised in the Statement of Profit and Loss in the period in which the asset is derecognised.

ii. Capital work-in-progress

Cost of assets not ready for intended use, as on the Balance Sheet date, is shown as capital work in progress. The cost of self-constructed assets includes the cost of materials & direct labour, any other costs directly attributable to bringing the assets to the location and condition necessary for it to be capable of operating in the manner intended by management and borrowing costs.

Expenses directly attributable to construction of property, plant and equipment incurred till they are ready for their intended use are identified and allocated on a systematic basis on the cost of related assets.

iii. Other Intangible Assets

The Company has availed itself of the deemed cost exemption available under Ind AS 101 – First-time Adoption of Indian Accounting Standards. Accordingly, the carrying values of intangible assets recognised under the previous GAAP have been considered as the deemed cost of such assets under Ind AS.

Intangible assets acquired separately are initially measured at cost. Cost comprises the purchase price, including non-refundable taxes and duties, net of trade discounts and rebates, and any expenditure directly attributable to bringing the asset to its intended use.

Subsequent to initial recognition, intangible assets are carried at cost less accumulated amortisation and accumulated impairment losses, if any.

Expenditure incurred on internally generated intangible assets, other than development costs that satisfy the recognition criteria prescribed under Ind AS 38, is recognised as an expense in the Statement of Profit and Loss as incurred.

Intangible assets with finite useful lives are amortised on the Written Down Value (WDV) method over their estimated useful lives. The amortisation method and the estimated useful lives are reviewed at the end of each reporting period and revised prospectively, where appropriate.

The estimated useful life of intangible assets is as follows:

Intangible Asset	Useful life
Computer Software	5 years

Intangible assets are assessed for impairment whenever there is an indication that the asset may be impaired. Any impairment loss is recognised in accordance with the Company's accounting policy on impairment of non-financial assets.

An intangible asset is derecognised on disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition, being the difference between the net disposal proceeds and the carrying amount of the asset, is recognised in the Statement of Profit and Loss in the period in which the asset is derecognised.

iv. Impairment of Non-financial Assets

The Company assesses, at each reporting date, whether there is any indication that a non-financial asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. Irrespective of whether there is any indication of impairment, intangible assets under development and goodwill, if any, are tested for impairment annually.

The recoverable amount of an asset or a cash-generating unit ("CGU") is the higher of its fair value less costs of disposal and its value in use. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

For the purpose of impairment testing, assets are grouped together into the smallest identifiable group of assets that generates cash inflows that are largely independent of the cash inflows from other assets or groups of assets (cash-generating units).

In determining value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or CGU. The Company bases its impairment assessment on the most recent budgets and forecasts approved by the management.

An impairment loss is recognised in the Statement of Profit and Loss when the carrying amount of an asset or CGU exceeds its recoverable amount.

At each reporting date, the Company assesses whether there is any indication that an impairment loss recognised in prior periods may no longer exist or may have decreased. If such indication exists, the recoverable amount of the asset or CGU is re-estimated. A previously recognised impairment loss is reversed only to the extent that the carrying amount of the asset does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, had no impairment loss been recognised in prior periods. Such reversal is recognised in the Statement of Profit and Loss.

An impairment loss recognised in respect of goodwill, if any, is not reversed in subsequent periods.

v. Inventories

Inventories are measured at the lower of cost and net realisable value.

Cost of inventories comprises all costs of purchase, costs of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost of purchase includes purchase price, non-refundable duties and taxes, freight inward and other directly attributable costs, net of trade discounts, rebates and similar items.

Cost is determined using the weighted average cost method.

Inventories comprising precious metals, diamonds, precious and semi-precious stones, jewellery, finished goods and work-in-progress include an appropriate proportion of manufacturing overheads based on normal operating capacity. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Stores, consumables and spare parts that do not meet the definition of property, plant and equipment are carried as inventories and are measured at the lower of cost and net realisable value. Goods in transit are valued at cost.

vi. Cash and Cash Equivalents

Cash and cash equivalents comprise cash on hand, balances with banks in current accounts, demand deposits and short-term, highly liquid investments with an original maturity of three months or less from the date of acquisition that are readily convertible into known amounts of cash and are subject to an insignificant risk of changes in value.

For the purpose of the Statement of Cash Flows, cash and cash equivalents include bank overdrafts that are repayable on demand and form an integral part of the Company's cash management, where applicable.

Other bank balances comprise deposits with original maturities of more than three months but less than twelve months from the date of acquisition, which are disclosed separately in the Balance Sheet. Deposits with original maturities exceeding twelve months are classified as other non-current financial assets.

The Statement of Cash Flows has been prepared using the indirect method, whereby profit before tax is adjusted for the effects of non-cash transactions, changes in working capital and other items of income or expense associated with investing or financing cash flows. Cash flows are classified into operating, investing and financing activities.

vii. Foreign Currency Transactions

Foreign currency transactions are initially recognised by the Company at the functional currency spot exchange rate prevailing on the date the transaction first qualifies for recognition. For practical reasons, the Company uses an average exchange rate for a period if the average rate approximates the actual exchange rates at the dates of the respective transactions.

Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rates prevailing at the reporting date.

Non-monetary items measured at historical cost in a foreign currency are translated using the exchange rate at the date of the transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined.

Exchange differences arising on settlement of foreign currency transactions and on translation of foreign currency monetary assets and liabilities at the reporting date are recognised in the Statement of Profit and Loss in the period in which they arise.

viii. Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised when the Company has a present legal or constructive obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the reporting date. Where the effect of the time value of money is material, provisions are measured at the present value of the estimated future cash flows using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the obligation. The unwinding of the discount is recognised as a finance cost in the Statement of Profit and Loss.

A contingent liability is disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company, or where a present obligation arises from past events but it is either not probable that an outflow of resources embodying economic benefits will be required to settle the obligation or a reliable estimate of the amount of

the obligation cannot be made. Contingent liabilities are not recognised in the Restated Financial Information. Contingent liabilities are disclosed unless the possibility of an outflow of resources embodying economic benefits is remote.

A contingent asset is a possible asset arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. Contingent assets are not recognised in the Restated Financial Information but are disclosed when an inflow of economic benefits is probable. When the realisation of income is virtually certain, the related asset is no longer considered a contingent asset and is recognised in the Restated Financial Information.

Expected reimbursements in respect of expenditure required to settle a provision are recognised only when it is virtually certain that such reimbursement will be received. The reimbursement is recognised as a separate asset and shall not exceed the amount of the related provision.

ix. Fair Value Measurement

The Company measures certain financial instruments at fair value at each reporting date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- in the principal market for the asset or liability; or
- in the absence of a principal market, in the most advantageous market for the asset or liability to which the Company has access.

The fair value of an asset or a liability is measured using the assumptions that market participants would use in pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the Restated Financial Information are categorised within the fair value hierarchy based on the lowest level input that is significant to the fair value measurement as a whole, as follows:

- Level 1: Quoted (unadjusted) prices in active markets for identical assets or liabilities.
- Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3: Unobservable inputs for the asset or liability.

For assets and liabilities recognised in the Restated Financial Information on a recurring basis, the Company determines whether transfers have occurred between levels in the fair value hierarchy by reassessing the categorisation at the end of each reporting period based on the lowest level input that is significant to the fair value measurement.

For the purpose of fair value disclosures, the Company has determined appropriate classes of assets and liabilities based on the nature, characteristics and risks of the assets and liabilities and the level of the fair value hierarchy.

x. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a. Financial Assets

Initial Recognition and Measurement

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets are initially measured at fair value plus, in the case of financial assets not measured at fair value through profit or loss (FVTPL), transaction costs that are directly attributable to the acquisition of the financial asset. Trade receivables that do not contain a significant financing component are initially measured at the transaction price.

Regular way purchases and sales of financial assets are recognised on the trade date.

Subsequent Measurement

For the purpose of subsequent measurement, financial assets are classified into the following categories:

- Debt instruments measured at amortised cost;
- Debt instruments measured at fair value through other comprehensive income (FVTOCI);
- Debt instruments measured at fair value through profit or loss (FVTPL); and
- Equity instruments designated at FVTOCI or measured at FVTPL.

Debt Instruments at Amortised Cost
A debt instrument is measured at amortised cost if both of the following conditions are met:

- the asset is held within a business model whose objective is to hold financial assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial recognition, these assets are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Interest income, foreign exchange gains or losses and impairment losses are recognised in the Statement of Profit and Loss.

Debt Instruments at FVTOCI

A debt instrument is classified as FVTOCI if both of the following conditions are satisfied:

- the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- the contractual cash flows satisfy the SPPI criterion.

These assets are subsequently measured at fair value. Interest income, impairment losses and foreign exchange gains or losses are recognised in the Statement of Profit and Loss, while other changes in fair value are recognised in Other Comprehensive Income (OCI). Upon derecognition, the cumulative gain or loss recognised in OCI is reclassified to the Statement of Profit and Loss.

Debt Instruments at FVTPL

Debt instruments that do not meet the criteria for amortised cost or FVTOCI are measured at FVTPL. Changes in fair value are recognised in the Statement of Profit and Loss.

Equity Instruments

All equity investments within the scope of Ind AS 109 are measured at fair value. Equity instruments held for trading are classified as FVTPL. For other equity investments, the Company may make an irrevocable election at initial recognition to present subsequent changes in fair value in OCI. Such election is made on an instrument-by-instrument basis.

Dividend income from equity investments is recognised in the Statement of Profit and Loss when the Company's right to receive payment is established.

Impairment of Financial Assets

The Company recognises impairment using the Expected Credit Loss (ECL) model in accordance with Ind AS 109 for financial assets measured at amortised cost, debt instruments measured at FVTOCI, lease receivables, contract assets and financial guarantee contracts.

The Company applies the simplified approach prescribed under Ind AS 109 for trade receivables and contract assets, which requires recognition of lifetime expected credit losses from initial recognition.

For other financial assets, the Company recognises a loss allowance based on 12-month expected credit losses where there has not been a significant increase in credit risk since initial recognition. Where credit risk has increased significantly, lifetime expected credit losses are recognised.

Derecognition

A financial asset is derecognised when:

- the contractual rights to receive cash flows from the asset expire; or
- the Company transfers the financial asset and substantially all the risks and rewards of ownership; or
- the Company neither transfers nor retains substantially all the risks and rewards of ownership but transfers control of the asset.

Where the Company retains substantially all the risks and rewards of ownership, the financial asset continues to be recognised.

b. Financial Liabilities and Equity Instruments

Classification as Debt or Equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument under Ind AS 32.

Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of directly attributable issue costs.

Financial Liabilities

Initial Recognition and Measurement

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. At initial recognition, financial liabilities are measured at fair value and, in the case of loans, borrowings and payables, net of directly attributable transaction costs.

Subsequent Measurement

Subsequent measurement of financial liabilities depends on their classification:

Financial liabilities at amortised cost

Loans, borrowings and other financial liabilities are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. The EIR amortisation is recognised as finance costs in the Statement of Profit and Loss. Gains and losses are recognised in the Statement of Profit and Loss when the liabilities are derecognised and through the amortisation process.

Financial liabilities at fair value through profit or loss (FVTPL)

Financial liabilities classified as FVTPL include financial liabilities held for trading and those designated upon initial recognition as at FVTPL in accordance with Ind AS 109. These liabilities are subsequently measured at fair value, with changes in fair value recognised in the Statement of Profit and Loss.

Derivative Financial Instruments

The Company may enter into derivative financial instruments, including commodity and equity derivative contracts, to manage its exposure to market risks. Derivative financial instruments are initially recognised at fair value on the contract date and are subsequently remeasured at fair value at each reporting date.

Gains and losses arising from changes in fair value are recognised in the Statement of Profit and Loss unless the derivatives are designated as effective hedging instruments under Ind AS 109.

Derecognition

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires. Where an existing financial liability is replaced by another from the same lender on substantially different terms, or where the terms of an existing liability are substantially modified, the original liability is derecognised and a new financial liability is recognised. The difference between the carrying amount of the original financial liability and the consideration paid is recognised in the Statement of Profit and Loss.

c. Reclassification of Financial Assets

The Company reclassifies financial assets only when it changes its business model for managing those financial assets. Such reclassification is applied prospectively from the reclassification date. Financial liabilities are not reclassified after initial recognition.

d. Offsetting of Financial Instruments

Financial assets and financial liabilities are offset, and the net amount is presented in the Balance Sheet only when the Company currently has a legally enforceable right to offset the recognised amounts and intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

xi. Leases

The Company assesses at the inception of a contract whether the contract is, or contains, a lease. A contract is, or contains, a lease if it conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company evaluates whether:

a. the contract involves the use of an identified asset;
b. the Company has the right to obtain substantially all of the economic benefits from the use of the identified asset throughout the period of use; and
c. the Company has the right to direct the use of the identified asset throughout the period of use.

The Company as a Lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. At the commencement date of the lease, the Company recognises a right-of-use ("ROU") asset and a corresponding lease liability.

Right-of-use Assets

Right-of-use assets are initially measured at cost, comprising the initial measurement of the lease liability, lease payments made at or before the commencement date less any lease incentives received, initial direct costs incurred, and an estimate of costs to dismantle and remove the underlying asset or restore the site on which it is located, where applicable.

Subsequently, right-of-use assets are measured at cost less accumulated depreciation and accumulated impairment losses and adjusted for any remeasurement of lease liabilities.

Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful life of the underlying asset. However, where ownership of the underlying asset transfers to the Company at the end of the lease term, or the cost of the right-of-use asset reflects that the Company will exercise a purchase option, depreciation is provided over the estimated useful life of the underlying asset.

Right-of-use assets are also tested for impairment whenever there is an indication of impairment in accordance with the Company's accounting policy on impairment of non-financial assets.

Lease Liabilities

Lease liabilities are initially measured at the present value of lease payments that are not paid at the commencement date. Lease payments included in the measurement of the lease liability comprise:

- fixed payments (including in-substance fixed payments), less any lease incentives receivable;
- variable lease payments that depend on an index or a rate;
- amounts expected to be payable under residual value guarantees;
- the exercise price of a purchase option if the Company is reasonably certain to exercise the option; and
- payments of penalties for terminating the lease, if the lease term reflects the exercise of such an option.

Variable lease payments that do not depend on an index or a rate are recognised as an expense in the Statement of Profit and Loss in the period in which the event or condition that triggers the payment occurs.
The lease liability is discounted using the interest rate implicit in the lease. If that rate cannot be readily determined, the Company's incremental borrowing rate is used.

Subsequent to initial recognition, lease liabilities are measured at amortised cost using the effective interest method. The carrying amount of the lease liability is increased to reflect the accretion of interest and reduced for lease payments made. Lease liabilities are remeasured upon changes in future lease payments resulting from changes in an index or rate, changes in the lease term, modifications to the lease, or changes in the assessment of options to extend, terminate or purchase the underlying asset. When the lease liability is remeasured, the corresponding adjustment is made to the carrying amount of the related right-of-use asset or recognised in the Statement of Profit and Loss if the carrying amount of the right-of-use asset has been reduced to zero.

Lease liabilities are presented under Borrowings in the Balance Sheet.

Short-term Leases and Leases of Low-value Assets

The Company has elected not to recognise right-of-use assets and lease liabilities for leases with a lease term of 12 months or less and leases of low-value assets. Lease payments relating to such leases are recognised as an expense on a straight-line basis over the lease term unless another systematic basis is more representative of the pattern of benefit.

xii. Employee Benefits

Employee benefits are recognised as an expense when the related services are rendered by employees.

Short-term Employee Benefits

Short-term employee benefits are those expected to be settled wholly within twelve months after the end of the annual reporting period in which the employees render the related service. These include salaries, wages, bonus, ex-gratia, compensated absences, performance incentives and other short-term employee benefits.

Short-term employee benefits are recognised as an expense in the Statement of Profit and Loss as the related services are rendered. A liability is recognised for the amount expected to be paid where the Company has a present legal or constructive obligation as a result of past events and the obligation can be estimated reliably.

Defined Contribution Plans

Defined contribution plans are post-employment benefit plans under which the Company pays fixed contributions to separate funds and has no legal or constructive obligation to pay further contributions.

Contributions to defined contribution plans, including provident fund and other applicable schemes, are recognised as an expense in the Statement of Profit and Loss in the period in which the employees render the related service.

Defined Benefit Plans

The Company's gratuity scheme is a defined benefit plan.

The Company's net obligation in respect of defined benefit plans is determined separately for each plan by estimating the amount of future benefits that employees have earned in return for their services in the current and prior periods. The defined benefit obligation is measured at the present value of estimated future cash flows using the Projected Unit Credit Method, based on actuarial valuations carried out by independent qualified actuaries at each reporting date.

The present value of the defined benefit obligation is determined by discounting the estimated future cash flows using market yields on Government securities that have terms approximating the terms of the related obligation.

Defined benefit costs are recognised as follows:

- Current service cost, past service cost, gains or losses arising on settlements and curtailments are recognised immediately in the Statement of Profit and Loss.
- Net interest cost on the net defined benefit liability (asset) is recognised in the Statement of Profit and Loss as part of employee benefits expense.
- Remeasurements, comprising actuarial gains and losses, the return on plan assets (excluding amounts included in net interest) and any change in the effect of the asset ceiling, are recognised immediately in Other Comprehensive Income (OCI). Such remeasurements are not reclassified to the Statement of Profit and Loss in subsequent periods.

Other Long-term Employee Benefits

The Company's obligation in respect of other long-term employee benefits, including long-service awards and compensated absences not expected to be settled wholly within twelve months after the reporting date, is measured using the Projected Unit Credit Method based on actuarial valuations at each reporting date.

The liability is measured at the present value of the estimated future cash outflows. Remeasurements arising from experience adjustments and changes in actuarial assumptions are recognised immediately in the Statement of Profit and Loss.

Termination Benefits

Termination benefits are recognised as an expense at the earlier of:

- when the Company can no longer withdraw the offer of those benefits; or
- when the Company recognises costs for a restructuring that is within the scope of Ind AS 37 and involves the payment of termination benefits.

Compensated Absences

Compensated absences expected to be settled wholly within twelve months after the reporting period are recognised as short-term employee benefits.

Compensated absences not expected to be settled within twelve months are recognised as other long-term employee benefits and measured at the present value of the estimated future cash outflows using the Projected Unit Credit Method. For presentation purposes, the allocation between current and non-current provisions for defined benefit obligations and compensated absences is determined based on actuarial valuation.

xiii. Revenue Recognition

Revenue is recognised upon transfer of control of promised goods or services to customers at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services.

Revenue is measured at the transaction price, net of customer incentives, discounts, rebates, variable consideration, payments made to customers and other similar charges, as specified in the contract with the customer. Revenue excludes amounts collected on behalf of third parties, including taxes collected from customers which are subsequently remitted to government authorities.

Revenue is recognised only to the extent that it is highly probable that a significant reversal of the cumulative revenue recognised will not occur when the uncertainty associated with the variable consideration is subsequently resolved.

a. Sale of Goods

Revenue from the sale of goods is recognised at the point in time when control of the goods is transferred to the customer, which generally occurs upon dispatch or delivery of the goods in accordance with the terms of the contract.

b. Rendering of Services

Revenue from job work services is recognised over time by measuring the progress towards complete satisfaction of the performance obligation. Progress is determined with reference to the actual services provided up to the reporting date.

Revenue is recognised only when it is probable that the economic benefits associated with the transaction will flow to the Company and the amount of revenue can be measured reliably.

c. Variable Consideration

Where the consideration promised in a contract includes a variable amount, the Company estimates the amount of consideration to which it expects to be entitled using the expected value method, considering all reasonably available information and the terms of the contract.

At the time of final settlement, when the contract price is agreed upon, any difference between the revenue previously recognised and the final consideration is recognised in the Statement of Profit and Loss in the period in which the final price is determined.

d. Other Income

Other income is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.

e. Interest Income

Interest income is recognised using the effective interest rate (EIR) method. Interest income is accrued on a time basis by applying the effective interest rate to the gross carrying amount of the financial asset and is recognised in the Statement of Profit and Loss when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.

xiv. Tax Expenses

Income tax expense comprises current tax and deferred tax. It is recognised in the Statement of Profit and Loss except to the extent that it relates to items recognised directly in equity or in Other Comprehensive Income ("OCI"), in which case the related tax is recognised in equity or OCI, respectively.

Interest and penalties relating to income taxes, including uncertain tax treatments, do not meet the definition of income taxes and are accounted for in accordance with Ind AS 37 – Provisions, Contingent Liabilities and Contingent Assets.

Current Tax

Current tax comprises the expected tax payable on the taxable income for the year, determined in accordance with the provisions of the Income Tax Act, 1961.

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities using the tax rates and tax laws that have been enacted or substantively enacted at the reporting date.

Current tax relating to items recognised outside the Statement of Profit and Loss is recognised in correlation with the underlying transaction, either in OCI or directly in equity.

Management periodically evaluates positions taken in tax returns with respect to situations where applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Current tax assets and liabilities are offset when the Company has a legally enforceable right to set off the recognised amounts and intends either to settle on a net basis or to realise the asset and settle the liability simultaneously.

Deferred Tax

Deferred tax is recognised using the balance sheet liability method on temporary differences between the carrying amounts of assets and liabilities in the financial statements and their corresponding tax bases.

Deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax assets are recognised for all deductible temporary differences, including the carry forward of unused tax losses and unused tax credits, to the extent that it is probable that future taxable profits will be available against which such deductible temporary differences, unused tax losses and unused tax credits can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to utilise the related deferred tax assets. Unrecognised deferred tax assets are reassessed at each reporting date and recognised to the extent that it has become probable that future taxable profits will allow the deferred tax assets to be recovered.

Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted at the reporting date and are expected to apply in the period when the asset is realised or the liability is settled. Deferred tax relating to items recognised outside the Statement of Profit and Loss is recognised in correlation with the underlying transaction, either in OCI or directly in equity.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets against current tax liabilities and the deferred tax assets and liabilities relate to income taxes levied by the same taxation authority on the same taxable entity.

Goods and Services Tax (GST)

Goods and Services Tax (GST) paid on the acquisition of assets or on incurring expenses is recognised as part of the cost of the asset or as part of the related expense where the tax is not recoverable from the taxation authorities.

Where the GST paid is recoverable, the corresponding asset or expense is recognised net of such tax. The net amount of GST recoverable from, or payable to, the taxation authorities is included as part of receivables or payables in the Balance Sheet.

xv. Earnings Per Share (EPS)

Basic Earnings Per Share

Basic earnings per share ("**EPS**") is calculated by dividing the net profit or loss for the year attributable to equity shareholders, after deducting preference dividends and related taxes, by the weighted average number of equity shares outstanding during the year.

The weighted average number of equity shares outstanding during the year is adjusted for events such as bonus issues, bonus elements in rights issues, share splits and reverse share splits (consolidation of shares), which change the number of equity shares outstanding without a corresponding change in resources.

Diluted Earnings Per Share

Diluted earnings per share is calculated by dividing the net profit or loss attributable to equity shareholders, after adjusting for the effects of interest, other financing costs or income, and related taxes attributable to dilutive potential equity shares, by the weighted average number of equity shares outstanding during the year, adjusted for the effects of all dilutive potential equity shares.

Potential equity shares are considered dilutive only when their conversion to equity shares would decrease earnings per share or increase loss per share from continuing operations.

xvi. Segment Reporting

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by the Chief Operating Decision Maker ("CODM")

for the purpose of allocating resources to the segment and assessing its performance, and for which discrete financial information is available.

The Company identifies its operating segments based on the internal reports regularly reviewed by the CODM and has determined its reportable segments in accordance with the requirements of Ind AS 108 – Operating Segments.

Where the Company operates in a single reportable segment, no separate segment information is presented, except for the disclosures required under Ind AS 108.

xvii. Borrowing Costs

Borrowing costs consist of interest and other costs, including ancillary costs, that the Company incurs in connection with the borrowing of funds.

Borrowing costs directly attributable to the acquisition, construction or production of a qualifying asset, being an asset that necessarily takes a substantial period of time to get ready for its intended use or sale, are capitalised as part of the cost of that asset. Capitalisation of borrowing costs continues until substantially all the activities necessary to prepare the qualifying asset for its intended use or sale are complete.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are recognised as an expense in the Statement of Profit and Loss in the period in which they are incurred.

xviii. Significant Accounting Judgements, Estimates and Assumptions

The preparation of the financial statements in accordance with Indian Accounting Standards ("Ind AS") requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses and related disclosures.

These estimates and underlying assumptions are based on historical experience and other factors considered to be reasonable under the circumstances. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively in the period in which the estimates are revised and in any future periods affected.

The key assumptions concerning the future and other key sources of estimation uncertainty that have a significant risk of resulting in a material adjustment to the carrying amounts of assets and liabilities within the next financial year are described below.

a. Property, Plant and Equipment

The Company estimates the useful lives and residual values of property, plant and equipment for the purpose of computing depreciation. These estimates are based on the expected usage of the assets, technical assessment and historical experience. The useful lives and residual values are reviewed at each reporting date and revised prospectively where appropriate.

b. Provision for Expected Credit Losses on Trade Receivables and Contract Assets

The Company applies the expected credit loss ("ECL") model for measuring impairment of trade receivables and contract assets. The ECL provision is determined using a provision matrix based on historical default rates, adjusted for forward-looking information and economic conditions.

At each reporting date, historical default rates are updated and changes in forward-looking assumptions are evaluated. The measurement of ECL involves significant judgement regarding expected future economic conditions and customer credit behaviour.

c. Impairment of Financial and Non-financial Assets

The Company assesses at each reporting date whether there is any indication that financial or non-financial assets may be impaired. Determining the recoverable amount of such assets requires management to estimate future cash flows, growth rates and appropriate discount rates. Changes in these assumptions may result in material adjustments to the carrying amounts of the assets.

d. Tax Provisions and Deferred Tax

Significant judgement is involved in determining current tax provisions, deferred tax assets and liabilities, and tax contingencies.

Deferred tax assets, including those arising from unused tax losses and MAT credit entitlements, are recognised only to the extent that it is probable that sufficient future taxable profits will be available against which they can be utilised. These estimates are reviewed at each reporting date based on expected future profitability and tax planning strategies.

e. Defined Benefit Plans

The Company's obligations under defined benefit plans are determined using actuarial valuations performed by independent qualified actuaries applying the Projected Unit Credit Method.

The valuation involves significant assumptions relating to discount rates, future salary increases, employee attrition, mortality and other demographic assumptions. The discount rate is determined with reference to market yields on Government securities having terms approximating the estimated term of the defined benefit obligation. Changes in these assumptions may materially affect the recognised defined benefit obligation and employee benefit expense.

f. Fair Value Measurement of Financial Instruments

Where the fair values of financial assets and financial liabilities cannot be determined based on quoted prices in active markets, they are measured using appropriate valuation techniques.

The valuation techniques incorporate assumptions relating to market conditions, discount rates, liquidity risk, credit risk and other relevant factors. Changes in these assumptions may affect the reported fair values of financial instruments.

xix. Contract Liabilities

Contract liabilities represent the Company's obligation to transfer goods or services to customers for which consideration has been received in advance.

In the ordinary course of business, certain customers provide gold upfront to the Company for the manufacture of gold ornaments. The gold received from customers is recognised as a contract liability upon receipt and is measured at the value agreed with the customer or the prevailing market value, as applicable.

The Company does not obtain control over such gold and holds it solely for the purpose of fulfilling the customer's manufacturing order.

The contract liability is recognised as revenue upon satisfaction of the related performance obligation, i.e., when control of the finished goods is transferred to the customer, in accordance with Ind AS 115 – Revenue from Contracts with Customers.

xx. Statement of Cash Flows

The Statement of Cash Flows is prepared in accordance with Ind AS 7 – Statement of Cash Flows using the indirect method.

Cash flows are classified into operating, investing and financing activities.

Cash flows from operating activities are determined by adjusting profit before tax for:

- non-cash items such as depreciation and amortisation, impairment losses, provisions and unrealised foreign exchange gains and losses;

- changes in working capital, including inventories, trade receivables, contract assets, trade and other receivables, trade and other payables and other operating assets and liabilities; and
- all other items for which the cash effects are investing or financing cash flows.

xxi. Dividend

The Company recognises a liability for dividends when the distribution is authorised and is no longer at the discretion of the Company. In the case of interim dividends, the liability is recognised when the dividend is declared by the Board of Directors. In the case of final dividends, the liability is recognised when the dividend is approved by the shareholders at the Annual General Meeting.

xxii. Events after the Reporting Period

Events occurring after the reporting period that provide additional evidence of conditions existing at the reporting date are recognised in the financial statements. Events occurring after the reporting period that are indicative of conditions arising after the reporting date are disclosed, where material, but are not recognised in the financial statements.

xxiii. Recent Pronouncements

The Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing Indian Accounting Standards under the Companies (Indian Accounting Standards) Rules, as amended from time to time.

During the reporting period, the MCA notified amendments to certain Indian Accounting Standards through the Companies (Indian Accounting Standards) Amendment Rules, 2025 dated 7 May 2025 and the Companies (Indian Accounting Standards) Second Amendment Rules, 2025 dated 13 August 2025, which are effective for annual reporting periods beginning on or after 1 April 2025.

The Company has evaluated the impact of these amendments and the significant amendments are summarised below:

a. Ind AS 21 – The Effects of Changes in Foreign Exchange Rates

The amendments relating to lack of exchangeability clarify the determination of the exchange rate when a currency is not exchangeable. The Company has assessed the impact of the amendments and concluded that they do not have any material impact on its financial statements.

b. Ind AS 1 – Presentation of Financial Statements

The amendments relate to the classification of liabilities as current or non-current, including liabilities with covenants. The Company has assessed the impact of these amendments and concluded that they do not have any material impact on the classification of its current and non-current liabilities.

c. Ind AS 7 – Statement of Cash Flows and Ind AS 107 – Financial Instruments: Disclosures

The amendments introduce additional disclosure requirements relating to supplier finance arrangements. The Company has evaluated these amendments and concluded that they do not have any material impact on its financial statements as the Company does not have any supplier finance arrangements during the reporting period.

d. Ind AS 12 – Income Taxes

The amendments relating to the OECD Pillar Two Model Rules provide a temporary mandatory exception from accounting for deferred taxes arising from the implementation of the Pillar Two legislation and require additional disclosures. Based on its assessment, the Company has concluded that these amendments do not have any material impact on its financial statements as the Company is not within the scope of the Pillar Two Model Rules.

xxiv. Climate-related Matters

The Company considers climate-related risks and opportunities, where relevant, in the preparation of the financial statements, including in the application of significant accounting judgements, estimates and assumptions.

These assessments include the potential effects of physical and transition risks on the measurement of assets and liabilities, including the assessment of useful lives and recoverability of non-financial assets, expected credit losses, provisions and other areas where estimates are required.

Based on the information available at the reporting date, management has concluded that climate-related matters do not have a material impact on the carrying amounts of the Company's assets and liabilities or on the significant judgements and estimates used in the preparation of these restated financial statements. The Company continues to monitor evolving climate-related regulations and developments and will assess their impact on future reporting periods.

xxv. Regrouping / Reclassification

Previous year's figures have been regrouped, reclassified and rearranged, wherever considered necessary, to conform to the current year's presentation and to comply with the requirements of the Companies Act, 2013, the applicable Indian Accounting Standards and Schedule III thereto. Such regrouping and reclassification do not affect the previously reported profit, total comprehensive income or equity of the Company.

KEY COMPONENTS OF OUR STATEMENT OF PROFIT AND LOSS

Set forth below are the key components of our statement of profit and loss from our continuing operations:

Total Income

Our total income comprises of (i) revenue from operations; and (ii) other income.

Revenue from contracts with customers

Revenue from contracts with customers comprises of revenue from sale of products i.e. processed goods, trading and job work.

Other Income

Other income comprises of income from hall marking, credit balances written back, interest on income tax refund, interest on fixed deposit, foreign exchange gain, net gain on derivative transactions and other income.

Expenses

Our expenses comprise (i) cost of raw materials consumed; (ii) purchase of stock in trade; (iii) changes in inventories of finished goods and stock in trade; (iv) employee benefits expenses, (iv) finance costs, (vi) depreciation and amortization expenses and (vii) other expenses.

Cost of raw material consumed

Cost of material consumed primarily consists of opening stock of raw materials, purchases of raw materials, ornament making charges adjusted with closing stock of raw materials.

Purchase of stock in trade

The Company, apart from its processing activities, was engaged in trading activities during the Fiscal 2026, Fiscal 2025 and Fiscal 2024. These activities involved dealing in products including but not limited to silver ornaments, 18-Karat gold ornaments, 20-Karat gold ornaments and gold bullion. Primarily, the company imported gold bullion under the India-UAE Comprehensive Economic Partnership Agreement and sold the excess quantity not utilised for ornaments in the local market. The revenue from such trade activities is disclosed separately under revenue. Other precious ornaments like silver ornaments and 18-Karat, 20-Karat gold ornaments are traded based on customer request.

Changes in inventories of finished goods and stock in trade

Changes in inventories of finished goods and stock in trade consists of inventory of finished goods and stock in trade at beginning of the year less inventory at end of the year.

Employee Benefit Expense

Employee benefit expense comprises of (i) salaries and wages; (ii) staff welfare expenses and (iii) contribution to other funds.

Finance Cost

Finance costs comprise (i) interest expenses; (ii) other borrowing costs and (iii) interest on lease liabilities.

Depreciation and Amortisation Expenses

Depreciation and amortisation expense primarily comprises (i) Depreciation and amortisation expense on owned assets and (ii) depreciation on right of use assets.

Other Expenses

Other expenses comprise of consumption of (i) advertisement and sales promotion expenses; (ii) engraving and hallmarking charges; (iii) freight and forwarding charges; (iv) insurance; (v) power and fuel; (vi) Printing and stationery; (vii) professional and consultancy fees; (viii) directors sitting fee; (ix) registrations and renewals; (x) repairs and maintenance; (xi) payment to Auditors, (xii) subscription charges, (xiii) taxes, fees and licenses; (xiv) travelling and conveyance; (xv) rent, (xvi) corporate social responsibility expenses; (xvii) security charges and (xviii) miscellaneous expenses.

Tax expenses

Tax expense comprises of current tax, deferred tax, income tax for earlier years/excess provision reversal.

RESULTS OF OPERATIONS

The following tables set forth our selected financial data from our restated statement of profit and loss for the Fiscal 2026, Fiscal 2025 and Fiscal 2024, the components of which are also expressed as a percentage of total income for such years:

Particulars	Fiscal 2026		Fiscal 2025		Fiscal 2024	
	Amount (in ₹ million)	% of Total Income	Amount (in ₹ million)	% of Total Income	Amount (in ₹ million)	% of Total Income
Income

FISCAL 2026 COMPARED TO FISCAL 2025

Total Income

Total income increased by ₹ 5,276.25 million or 37.68% from ₹ 14,001.00 million in Fiscal 2025 to ₹ 19,277.25 million in Fiscal 2026 primarily due to increase in the revenue from contracts with customers as disclosed below.

Revenue from contract with customers

Revenue from contract with customers increased by ₹ 5,296.66 million or 37.91% from ₹ 13,970.10 million in Fiscal 2025 to ₹ 19,266.76 million in Fiscal 2026. This is due to increase in sale of products through processing by ₹ 6,120.49 million or 47.25% from ₹ 12,953.99 million in Fiscal 2025 to ₹ 19,074.48 million in Fiscal 2026 primarily due to increase in sales volume, introduction of new product collections, increased clientele, setup of new sales office in Vijayawada and rise in gold prices.

Further, there has also been decrease in sale of products through trade by ₹ 845.10 million or 97.69% from ₹ 865.09 million in Fiscal 2025 to ₹ 19.99 million in Fiscal 2026, this was primarily attributable to a reduction in the import of gold bullion, resulting in a lower quantity of excess gold available for sale in the domestic market through trading activities. Furthermore, the revenue from sale of services through job work also increased by ₹ 21.27 million or 14.08% from ₹ 151.02 million in Fiscal 2025 to ₹ 172.29 million in Fiscal 2026 mainly due to higher job-work orders received from customers.

Other income

Other income decreased by ₹ 20.41 million or 66.05% from ₹ 30.90 million in Fiscal 2025 to ₹ 10.49 million in Fiscal 2026. This decrease was primarily attributable to a reduction in imports, which resulted in lower gains from foreign currency exchange transactions, and absence of interest income from fixed deposits.

Expenses

Total expenses increased by ₹ 4,417.63 million or 32.83% from ₹ 13,456.28 million in Fiscal 2025 to ₹ 17,873.91 million in Fiscal 2026. This was due to increase in cost of raw materials consumed, changes in inventories of finished goods, work in progress and stock in trade, finance costs, employee benefits expense, and other expenses. This increase was partially offset by a decrease in purchase of stock in trade. The details of the respective expenses item are provided below.

Cost of raw materials consumed

Cost of raw materials consumed increased by ₹ 5,270.95 million or 42.15% from ₹ 12,505.84 million in Fiscal 2025 to ₹17,776.79 million in Fiscal 2026, was primarily attributable to higher procurement and consumption of raw materials driven by increased production volumes, in line with the growth in the volume of ornaments processed and sold. In addition, the average procurement cost of key raw materials increased during Fiscal 2026 due to fluctuations in prevailing market prices, which further contributed to the increase in cost of raw materials consumed.

Purchase of stock-in-trade

Purchase of stock-in-trade decreased by ₹ 845.76 million or 98.25% from ₹ 860.83 million in Fiscal 2025 to ₹ 15.07 million in Fiscal 2026 primarily due to reduction in the import of gold bullion, which resulted in a significant decline in the Company's trading activities.

Change in inventories of finished goods, work-in-progress and stock in trade

Change in inventories of finished goods, work-in-progress and stock in trade increased by ₹ 58.10 million or by 791.50% from ₹ (7.34) million in Fiscal 2025 to ₹ (65.44) million in Fiscal 2026. This increase was primarily attributable to higher procurement of raw material and their conversion into finished ornaments to support exhibitions, marketing initiatives and order fulfilment.

Employee benefit expense

Employee benefit expenses increased by ₹ 22.30 million or 119.62% from ₹ 18.64 million in Fiscal 2025 to ₹ 40.94 million in Fiscal 2026 primarily due increase in number of employees and corresponding increase in employee remuneration, including salaries and other employee-related benefits.

Finance costs

Finance costs increased by ₹ 19.52 million or 44.75% from ₹ 43.62 million in Fiscal 2025 to ₹ 63.14 million in Fiscal 2026 primarily due to increase in the working capital loans availed from Yes Bank Limited and the Promoters to support working capital requirement and fund business growth.

Depreciation and amortisation expense

Depreciation and amortisation expenses increased by ₹ 4.76 million or 181.53% from ₹ 2.62 million in Fiscal 2025 to ₹ 7.38 million in Fiscal 2026 primarily due to increase in property, plant and equipment and intangible assets, resulting in higher depreciation and amortisation charges during the year.

Other expenses

Other expenses increased by ₹ 3.96 million or 12.34% from ₹ 32.08 million in Fiscal 2025 to ₹ 36.04 million in Fiscal 2026 primarily due to increase in Directors sitting fee by ₹ 2.36 million or 236.00% from ₹ nil in Fiscal 2025 to ₹ 2.36 million in Fiscal 2026, increase in power and fuel by ₹ 0.02 million or 1.24% from ₹ 1.47 million in Fiscal 2025 to ₹ 1.49 million in Fiscal 2026, increase in professional and consultancy fees by ₹ 0.70 million or by 86.69% from ₹ 0.81 million in Fiscal 2025 to ₹1.51 million in Fiscal 2026, increase in registrations and renewals by ₹ 0.06 million or 12.10% from ₹ 0.46 million in Fiscal 2025 to ₹ 0.52 million in Fiscal 2026, increase in repairs and maintenance by ₹ 1.01 million or 259.70% from ₹0.39 million in Fiscal 2025 to ₹ 1.40 million in Fiscal 2026, increase in audit fee by ₹ 0.40 million or 50.00% from ₹ 0.80 million in Fiscal 2025 to ₹ 1.20 million in Fiscal 2026, increase in taxes, fees and licenses by ₹ 0.25 million or 14.87% from ₹ 1.71 million in Fiscal 2025 to ₹1.96 million in Fiscal 2026, increase in travelling and conveyance by ₹ 0.40 million or 43.11% from ₹ 0.94 million in Fiscal 2025 to ₹1.34 million in Fiscal 2026, increase in corporate social responsibility expenses by ₹ 2.16 million or 38.24% from ₹5.64 million in Fiscal 2025 to ₹ 7.79 million in Fiscal 2026, increase in miscellaneous expenses by ₹ 0.24 million or 21.32% from ₹1.12 million in Fiscal 2025 to ₹ 1.35 million in Fiscal 2026, decrease in advertisement and sales promotion expenses by ₹1.73 million or 21.94% from ₹ 7.86 million in Fiscal 2025 to ₹ 6.14 million in Fiscal 2026. Other expenses also include engraving & hallmarking charges, freight and forwarding charges, insurance, printing and stationery, subscription charges, rent expense, and security charges, which decreased nominally in Fiscal 2026 compared to Fiscal 2025.

Restated Profit before tax

As a result of the foregoing, our profit before tax increased by ₹ 858.62 million or 157.63% from ₹ 544.72 million in Fiscal 2025 to ₹ 1,403.34 million in Fiscal 2026.

Tax Expense

Total tax expense increased by ₹ 216.55 million or 155.89% from ₹ 138.91million in Fiscal 2025 to ₹ 355.46 million in Fiscal 2026 primarily due to increase in our profit before tax. The reason of increase in tax expenses is as follows:

- Current tax expense increased by ₹ 217.01 million or 155.77% from ₹ 139.31 million in Fiscal 2025 to ₹ 356.32 million in Fiscal 2026
- Deferred tax (credit) increased by ₹ 0.46 million or 116.87% from ₹ (0.40) million in Fiscal 2025 to ₹ (0.86) million in Fiscal 2026.

Restated Profit for the year

Profit for the year increased by ₹ 642.08 million or 158.23% from ₹ 405.80 million in Fiscal 2025 to ₹ 1,047.88 million in Fiscal 2026 primarily due to increase in total revenue and increase in total income.

FISCAL 2025 COMPARED TO FISCAL 2024

Total Income

Total income increased by ₹ 3,743.71 million or 36.50 % from ₹ 10,257.29 million in Fiscal 2024 to ₹ 14,001.00 million in Fiscal 2025, primarily due to increase in the revenue from contracts with customers and other income as disclosed below

Revenue from contracts with customers

Revenue from contracts with customers increased by ₹ 3,724.42 million or 36.35% from ₹ 10,245.68 million in Fiscal 2024 to ₹ 13,970.10 million in Fiscal 2025. This is due to increase in sale of products through processing by ₹ 2,849.99 million or 28.21% from ₹ 10,104.00 million in Fiscal 2024 to ₹ 12,593.99 million in Fiscal 2025 primarily due to increase in sales volume, introduction of new product collections, increased clientele and rise in gold prices,

Further, there has also been increase in sale of products through trade by ₹ 863.43 million or 52,013.86 % from ₹ 1.66 million in Fiscal 2024 to ₹ 865.09 million in Fiscal 2025 due to surplus gold bullion which the Company imported from UAE under the TRQ (Tariff Rate Quota) allocation under the India-UAE Comprehensive Economic Partnership Agreement was traded to the customers. Furthermore, the revenue from sale of services through job work also increased by ₹ 11.00 million or 7.86% from ₹ 140.02 million in Fiscal 2024 to ₹ 151.02 million in Fiscal 2025 mainly due to higher job-work orders received from customers.

Other income

Other income increased by ₹ 19.29 million or 166.15 % from ₹ 11.61 million in Fiscal 2024 to ₹ 30.90 million in Fiscal 2025. This is due to the Company directly importing gold bullion which is the primary raw material, from UAE under the TRQ (Tariff Rate Quota) allocation of the India-UAE Comprehensive Economic Partnership Agreement, resulting in an increased volume of gold imports. The higher volume of imports during Fiscal 2025 indirectly resulted in increased gains from foreign currency exchange transactions.

Expenses

Total expense increased by ₹ 3,525.80 million or 35.50 % from ₹ 9,930.48 million in Fiscal 2024 to ₹ 13,456.28 million in Fiscal 2025. This was due to increase in cost of raw materials consumed, purchase of stock in trade, finance costs, other expenses and was partially offset by the changes in inventories of finished goods, work in progress and stock in trade and employee benefits expense; details of the respective expenses are provided below.

Cost of raw materials consumed

Cost of raw materials consumed increased by ₹ 2,412.05 million or 23.90 % from ₹ 10,093.79 million in Fiscal 2024 to ₹ 12,505.84 million in Fiscal 2025, primarily on account of higher procurement and consumption of raw materials driven by an increase in production volumes, in line with the growth in ornaments processed and sold.

Further, the average procurement cost of key raw materials, driven by fluctuations in market prices increased during the year.

Purchase of stock-in-trade

Purchase of stock-in-trade increased by ₹ 859.04 million or 47,991.06% from ₹ 1.79 million in Fiscal 2024 to ₹ 860.83 million in Fiscal 2025, as the company had expanded its trading operations in products including silver ornaments, 18 Karat gold ornaments, and gold bullion. Further, during Fiscal 2025, the Company has imported gold bullion from UAE under the TRQ (Tariff Rate Quota) allocation under the India-UAE Comprehensive Economic Partnership Agreement and the surplus of gold bullion was traded with customers.

Change in inventories of finished goods, work-in-progress and stock in trade

Change in inventories of finished goods, work-in-progress and stock in trade decreased by ₹ 242.61 million or 97.06% from ₹ (249.95) million in Fiscal 2024 to ₹ (7.34) million in Fiscal 2025. This variance was primarily driven by a higher level of processed gold ornaments produced in March 2024 in preparation for an exhibition held in Bangalore, Karnataka, in April 2024, which led to elevated inventory levels in Fiscal 2024 as compared to Fiscal 2025. In Fiscal 2025, the impact on inventory levels was lower because the ornaments prepared for exhibitions were included in both the opening and closing stock, given that an exhibition was also scheduled in April 2025. In contrast, in Fiscal 2024, the ornaments prepared for the exhibition were reflected only in the closing stock.

Employee benefit expense

Employee benefit expenses decreased by ₹ 2.06 million or 9.95 % from ₹ 20.70 million in Fiscal 2024 to ₹ 18.64 million in Fiscal 2025, primarily due to a reduction in the Directors' remuneration, which resulted in a fall in salaries and wages from ₹ 19.40 million in Fiscal 2024 to ₹ 17.30 million in Fiscal 2025.

Finance costs

Finance costs increased by ₹ 3.99 million or 10.07 % from ₹ 39.63 million in Fiscal 2024 to ₹ 43.62 million in Fiscal 2025, primarily due to higher utilisation of working capital limits provided by the bank to support the expanded scale of operations.

Depreciation and amortisation expense

Depreciation and amortisation expenses decreased by ₹ 0.26 million or 9.03 % from ₹ 2.88 million in Fiscal 2024 to ₹ 2.62 million in Fiscal 2025, primarily due to lower additions of fixed assets in Fiscal 2025. Further, the carrying value of certain existing fixed assets declined over the year as a result of continued depreciation, leading to a lower depreciation charge for the current fiscal.

Other expenses

Other expenses increased by ₹ 10.44 million or 48.24 % from ₹ 21.64 million in Fiscal 2024 to ₹ 32.08 million in Fiscal 2025 primarily due to increase in advertisement and sales promotion expenses ₹ 2.95 million or 60.15% from ₹ 4.91 million in Fiscal 2024 to ₹7.86 million in Fiscal 2025, increase in professional and consultancy fee by 160.70% or ₹ 0.50 million from ₹ 0.31 million in Fiscal 2024 to ₹ 0.81 million in Fiscal 2025, increase in freight and forwarding charges by 25.16% or ₹ 0.95 million from ₹ 3.78 million in Fiscal 2024 to ₹ 4.73 million in Fiscal 2025, increase in security charges by 382.02% or ₹ 0.20 million from ₹ 0.05 million in Fiscal 2024 to ₹0.25 million in Fiscal 2025, increase in registrations and renewals by 104.75% or ₹ 0.24 million from ₹ 0.23 million in Fiscal 2024 to ₹0.46 million in Fiscal 2025, increase in payment to auditor by 128.57% or ₹ 0.45 million from ₹ 0.35 million in Fiscal 2024 to ₹0.80 million in Fiscal 2025, increase in taxes, fees and licenses by 395.14% or ₹ 1.36 million from ₹ 0.34 million in Fiscal 2024 to ₹1.71 million in Fiscal 2025, increase in travelling and conveyance by 130.45% or ₹ 0.53 million from ₹ 0.41 million in Fiscal 2024 to ₹0.94 million in Fiscal 2025, increase in miscellaneous expenses by 783.80% or ₹ 0.99 million from ₹ 0.13 million in Fiscal 2024 to ₹1.12 million in Fiscal 2025. Other expenses also include engraving & hallmarking charges, repairs and maintenance, corporate social responsibility expenses, insurance, power and fuel, and printing & stationery, which increased nominally in Fiscal 2025 compared to Fiscal 2024.

Profit before tax

As a result of the foregoing, our profit before tax increased by ₹ 217.91 million or 66.68 % from ₹ 326.81 million in Fiscal 2024 to ₹ 544.72 million in Fiscal 2025.

Tax Expense

Total tax expense increased by ₹ 55.56 million or 66.66 % from ₹ 83.35 million in Fiscal 2024 to ₹ 138.91 million in Fiscal 2025 primarily due to increase in our profit before tax. The reason of increase in tax expenses is as follows:

- Current tax expense increased by ₹ 55.48 million or 66.18 % from ₹ 83.83 million in Fiscal 2024 to ₹ 139.31 million in Fiscal 2025; and
- Deferred tax (credit) decreased by ₹0.08 million or 16.67 % from ₹ (0.48) million in Fiscal 2024 to ₹ (0.40) million in Fiscal 2025.

Restated Profit for the year

Due to reasons mentioned above, profit for the year increased by ₹ 162.33 million or 66.67 % from ₹ 243.47 million in Fiscal 2024 to ₹ 405.80 million in Fiscal 2025

LIQUIDITY AND CAPITAL RESOURCES

Capital Requirements

Our principal capital requirements are for working capital to maintain and scale of our inventory. Our principal source of funding since inception has been and is expected to continue to be cash generated from operations, supplemented by borrowings from banks, unsecured loans from Promoters and optimisation of operating working capital.

For the Fiscal 2026, Fiscal 2025 and Fiscal 2024, we met our funding requirements, including satisfaction of debt obligations, capital expenditure, investments, other working capital requirements and other cash outlays, principally with funds generated from operations, optimisation of operating working capital with the balance met from external borrowings.

Liquidity

Our liquidity requirements arise principally from our operating activities, repayment of borrowings and debt service obligations. Historically, our principal sources of funding have included cash from operations, short-term and long-term borrowings from financial institutions, unsecured loans from directors and cash and cash equivalents.

Cash flow

Our anticipated cash flows are dependent on various factors that are beyond our control. See "*Risk Factors*" beginning on page 20. The following table sets forth certain information relating to our cash flows for the Fiscal 2026, Fiscal 2025 and Fiscal 2024:

(in ₹ million)

Particulars	Fiscal 2026	Fiscal 2025	Fiscal 2024
Net cash flow (used in)/generated from operating activities	(147.30)	(98.64)	48.45
Net cash flows (used in)/ generated from investing activities	(43.73)	102.59	58.08
Net cash flows (used in)/ from financing activities	191.11	(14.99)	(94.83)
Net increase/ (decrease) in cash and cash equivalents	0.08	(11.05)	11.70
Cash and cash equivalents at the end of the year/ period	1.04	0.96	12.01

Operating Activities

Fiscal 2026

Net cash used in operating activities was ₹ (147.30) million in Fiscal 2026. Profit before tax was ₹ 1,403.34 million, which was adjusted primarily for depreciation expense of ₹ 7.38 million and finance cost of ₹63.14 million, forex gain of ₹ (1.04) million.

Working capital adjustments in the Fiscal 2026, primarily consisted increase in inventories of ₹(45.75) million, increase in trade receivables of ₹ (1,206.27) million, decrease in other assets of ₹ 10.22 million, increase in other financial assets of ₹(0.19) million, decrease in trade payables of ₹(4.07) million, increase in other financial liabilities of ₹6.01 million, increase in provision of ₹1.12 million, increase in other liabilities of ₹ 1.38 million, decrease in contract asset of ₹6.96 million and decrease in contract liabilities of ₹ (4.78) million and direct taxes paid (net of refund) ₹(384.76) million.

Fiscal 2025

Net cash used in operating activities was ₹ (98.64) million in Fiscal 2025. Profit before tax was ₹ 544.72 million, which was adjusted primarily for depreciation expense of ₹ 2.62 million, finance cost of ₹43.62 million, forex gain of ₹ (29.29) million and interest on fixed deposit of ₹ (1.34) million.

Working capital adjustments in Fiscal 2025, primarily consisted of increase in inventories of ₹ (105.31) million, increase in trade receivables of ₹ (432.83) millions, increase in other assets of ₹ (2.95) million, decrease in other financial assets of ₹ 2.67 million, increase in trade payables of ₹ 35.00 million, increase in other financial liabilities of ₹ 1.06 million, increase in provision of ₹ 0.87 million, decrease in other liabilities of ₹ (0.02) million, increase in contract assets of ₹ (6.75) million, decrease in contract liabilities of ₹ (22.51) million and direct taxes paid (net of refund) ₹ (128.19) million.

Fiscal 2024

Net cash generated from operating activities was ₹ 48.45 million in Fiscal 2024. Profit before tax was ₹ 326.81 million, which was adjusted primarily for depreciation expense of ₹ 2.88 million, finance cost of ₹ 39.63 million, forex gain of ₹ (0.35) million and interest on fixed deposit of ₹ (10.87) million.

Working capital adjustments in the Fiscal 2024, primarily consisted of increase in inventories of ₹ (268.82) million, decrease in trade receivables of ₹ 18.81 million, increase in other assets of ₹ (7.03) million, decrease in other financial assets of ₹ 1.23 million, decrease in trade payables of ₹ (0.18) million, increase in other financial liabilities of ₹ 0.14 million, increase in provision of ₹ 0.92 million, increase in other liabilities of ₹ 0.36 million, increase in contract asset of ₹ (0.62) million, increase in contract liabilities of ₹ 34.04 million and direct taxes paid (net of refund) ₹ (88.50) million .

Investing Activities

Fiscal 2026

Net cash used in investing activities was ₹ (43.73) million in Fiscal 2026, primarily on account of purchase of property, plant and equipment of ₹ (42.81) million and purchase of intangible assets of ₹ (0.92) million.

Fiscal 2025

Net cash generated from investing activities was ₹ 102.59 million in Fiscal 2025, primarily on account of movement in other bank balances, being liquidation of fixed deposits, of ₹ 102.20 million and interest received on fixed deposit of ₹ 1.34 million and purchase of property, plant and equipment of ₹ (0.95) million.

Fiscal 2024

Net cash generated from investing activities was ₹ 58.08 million in Fiscal 2024, primarily on account of movement in other bank balances, being liquidation of fixed deposits of ₹ 50.00 million, interest received on fixed deposit of ₹ 10.87 million, and purchase of property, plant and equipment of ₹ (2.79) million.

Financing Activities

Fiscal 2026

Net cash generated from financing activities was ₹ 191.11 million in the Fiscal 2026, primarily due to proceeds from current borrowings of ₹ 248.87 million, proceeds from non-current borrowings of ₹ 396.88 million, repayment of non-current borrowings of ₹ (342.52) million, repayment of principal portion of lease liabilities of ₹ (5.07) million, finance costs of ₹ (60.33) million and transaction cost on issue of shares of ₹ (46.73) million.

Fiscal 2025

Net cash used in financing activities was ₹ (14.99) million in the Fiscal 2025, primarily due to proceeds from current borrowings of ₹ 57.39 million, proceeds from non-current borrowings of ₹ 974.86 million, repayment of non-current borrowings of ₹ (1,003.62) million and finance costs of ₹ (43.62) million.

Fiscal 2024

Net cash used in financing activities was ₹ (94.83) million in the Fiscal 2024, primarily due to proceeds from current borrowings of ₹ (41.52) million, proceeds from non-current borrowings of ₹ 1,064.52 million, repayment of non-current borrowings of ₹ (1,078.19) million and finance costs of ₹ (39.63) million.

FINANCIAL INDEBTEDNESS

As of July 31, 2026, we had total borrowings of ₹ 1,274.07 million. Our total borrowing to equity ratio was 0.47 as of Fiscal 2026. For further information on our indebtedness, see "*Financial Indebtedness*" on page 339.

The following table sets forth certain information relating to our outstanding indebtedness as of Fiscal 2026, Fiscal 2025 and Fiscal 2024.

(in ₹ million)

Particulars	Fiscal 2026	Fiscal 2025	Fiscal 2024
Non-current borrowings	436.54	382.17	410.93
Current borrowings	674.61	425.74	368.35
Total borrowings	**1,111.15**	**807.91**	**779.28**

CONTINGENT LIABILITIES AND OFF-BALANCE SHEET ARRANGEMENTS

For the Fiscal 2026, Fiscal 2025 and Fiscal 2024, there are no contingent liabilities as per Ind AS 37 - Provisions, Contingent Liabilities and Contingent Assets. For further information on our contingent liabilities, see "*Restated Financial Information – Note No. 35 -contingent liabilities and commitments"* on page 287.

We confirm that, except as disclosed elsewhere in this Red Herring Prospectus, there are no off-balance sheet arrangements that have or are reasonably likely to have a current or future effect on our financial condition, revenues or expenses, results of operations, liquidity, capital expenditures or capital resources that we believe are material to investors.

CONTRACTUAL OBLIGATIONS AND COMMITMENTS

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments:

(*in ₹ million*)

Particulars	Up to 1 year	More than 1 year	Total
As at March 31, 2026			
Borrowings	674.61	436.54	1,111.15
Trade payables	0.90	-	0.90
Other financial liabilities	7.56	-	7.56
Lease liabilities	8.00	76.71	84.71
Total	**691.07**	**513.25**	**1,204.32**

Borrowings	425.74	382.17	807.91
Trade payables	6.01	-	6.01
Other financial liabilities	1.55	-	1.55
Total	**433.30**	**382.17**	**815.47**
As at March 31, 2024			
Borrowings	368.35	410.93	779.28
Trade payables	0.30	-	0.30
Other financial liabilities	0.49	-	0.49
Total	**369.14**	**410.93**	**780.07**

CAPITAL EXPENDITURES

As at Fiscal 2026, Fiscal 2025 and Fiscal 2024, our capital expenditure towards additions to property, plant and equipment was ₹ 19.87 million, ₹ 0.95 million and ₹ 2.79 million respectively.

RELATED PARTY TRANSACTIONS

We enter into various transactions with related parties in the ordinary course of business. These transactions principally include Directors' remuneration & Sitting Fees, Rent, Unsecured Loans and Interest on Unsecured Loans. For further information relating to our related party transactions, see "*Restated Financial Information – Note 37*" on page 289.

SUMMARY OF RESERVATION, QUALIFCATIONS, ADVERSE REMARKS AND EMPHASIS OF MATTERS BY AUDITORS

There are no reservations, qualifications, adverse remarks or emphasis of matters in the Restated Financial Information of our Company for the Fiscal 2026, Fiscal 2025 and Fiscal 2024 and the examination report thereon.

QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

We are exposed to market risks that are related to the normal course of our operations, such as interest rate risk, liquidity risk, foreign currency risk, Credit risk and Market Risk, which may affect economic growth in India and the value of our financial liabilities, our cash flows and our results of operations.

Credit Risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. The Company is exposed to credit risk from its operating activities (primarily trade receivables), security deposits with lessors for leased properties, balances with banks and other financial assets.

Customer credit risk is managed by the Company's established policy, procedures and control relating to the customer credit risk management. The Company uses financial information and past experience to evaluate credit quality of majority of its customers and individual credit limits are defined in accordance with this assessment.

Outstanding receivables and the credit worthiness of its counterparties are periodically monitored and taken up on case to case basis. Considering the historical experience of collecting trade receivables, the Company evaluates the concentration of risk with respective trade receivables as low.

The Company also carries credit risk on lease deposits with landlords for properties taken on leases, the Company manages this risk through properly executed lease agreements, periodic review of lease terms and timely recovery of deposits at the end of the lease period.

Credit risk relating to cash and cash equivalents is considered low, as these balances are maintained with reputable scheduled commercial banks having high credit ratings. Accordingly, management does not expect any significant loss arising from non-performance by these counterparties.

The Company's credit period for trade receivables from its customers generally ranges from 30 - 60 days.

Liquidity Risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the Company's reputation.

Management monitors rolling forecasts of the Company's liquidity position (comprising the undrawn borrowing facilities) and cash and cash equivalents on the basis of expected cash flows.

Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: interest rate risk and currency risk. Financial instruments affected by market risk include borrowings, deposits, trade receivables and other financial instruments.

The sensitivity analyses in the following sections relate to the position as at March 31, 2026, March 31, 2025 and March 31, 2024. The analysis exclude the impact of movements in market variables on the carrying values of gratuity and other post retirement obligations; provisions; and non-financial assets and liabilities.

Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company is exposed to foreign currency risk primarily in respect of purchases denominated in foreign currencies, predominantly United States Dollars (USD).

The Company monitors its foreign currency exposures on an ongoing basis and manages the associated risks through appropriate treasury and business practices. As at March 31, 2026, March 31, 2025, and March 31, 2024, the Company did not have any outstanding foreign currency-denominated monetary financial assets or financial liabilities that gave rise to significant unhedged foreign currency risk exposure. Accordingly, no quantitative disclosure of foreign currency exposure is presented.

Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of the Company and the Company's financial instruments will fluctuate because of changes in market interest rates. The Company's exposure to interest rate risk relates primarily to the floating interest rate borrowings.

The Company's investment in deposits with banks and loans are fixed interest rates and therefore do not expose the Company to significant interest rate risk.

The Company's exposure to changes in interest rates relates primarily to the Company's outstanding floating rate borrowings.

UNUSUAL OR INFREQUENT EVENTS OR TRANSACTIONS

The Company confirms that, except as described in this Red Herring Prospectus, to our knowledge, there have been no unusual or infrequent events or transactions that have in the past or may in the future affect our business operations or future financial performance.

KNOWN TRENDS OR UNCERTAINTIES

Our business has been subject, and we expect it to continue to be subject, to significant economic changes arising from the trends identified above in "*Management's Discussion and Analysis of Financial Condition and Results of Operations - Significant Factors Affecting our Results of Operations*" and the uncertainties described in "*Risk Factors*" on pages 306 and 20 respectively.

Except as discussed in this Red Herring Prospectus, there are no known trends or uncertainties that have or had or are expected to have a material adverse impact on revenues or income of our Company from continuing operations.

FUTURE RELATIONSHIP BETWEEN COST AND INCOME

The Company hereby confirms that other than as described in "*Risk Factors*", "*Our Business*" and "*Management's Discussion and Analysis of Financial Condition and Results of Operations*" on pages 20, 182 and 302 respectively, to our knowledge, there are no known factors that may adversely affect our business prospects, results of operations and financial condition.

NEW PRODUCTS OR BUSINESS SEGMENTS

Except as disclosed in this Red Herring Prospectus in the sections "*Our Business*" on page 182, we have not announced and do not expect to announce in the near future any new products or business segments.

TOTAL TURNOVER OF EACH MAJOR INDUSTRY SEGMENT

There is only one reportable revenue segment i.e. jewellery processing of 22 karat gold ornaments, job-work services, and trading of jewellery and related products.

CHANGES IN ACCOUNTING POLICIES

There are no changes in the accounting policies in the Fiscal 2026, Fiscal 2025 and Fiscal 2024.

COMPETITIVE CONDITIONS

We operate in a competitive environment and expect to continue to compete with existing and potential competitors. See "*Risk Factors*", "*Industry Overview*" and "*Our Business*" on pages 20, 129 and 182, respectively, for further details on competitive conditions that we face across our various business segments.

SIGNIFICANT DEPENDENCE ON SINGLE OR FEW SUPPLIER

The percentage of total cost of raw materials derived from our top suppliers is given below:

(*in ₹ million except percentage*)

Supplier concentration*	Fiscal 2026		Fiscal 2025		Fiscal 2024	
	Amount	% of total purchases	Amount	% of total purchases	Amount	% of total purchases
Supplier 1	4,219.88	24.18	4,225.73	32.07	3,417.57	34.55
Supplier 2	2,693.33	15.43	1,382.04	10.49	1,764.98	17.85
Supplier 3	2,061.69	11.81	1,203.96	9.14	1,304.83	13.19
Supplier 4	1,699.86	9.74	913.11	6.93	1,208.30	12.22
Supplier 5	1,428.46	8.19	647.50	4.91	1,109.00	11.21
Supplier 6	1,218.17	6.98	584.20	4.43	286.88	2.90
Supplier 7	889.80	5.10	545.71	4.14	212.39	2.15
Supplier 8	761.59	4.36	496.77	3.77	164.73	1.67
Supplier 9	677.09	3.88	433.52	3.29	65.84	0.67
Supplier 10	372.06	2.13	413.39	3.14	48.29	0.49
Total	**16,021.93**	**91.81**	**10,845.93**	**82.32**	**9,582.83**	**96.89**

***While more than 50% of our purchases are made from our top 10 suppliers, names of the suppliers have not been included in the above table as this information is commercially sensitive to our business.*

SIGNIFICANT DEPENDENCE ON SINGLE OR FEW CUSTOMERS

The percentage of revenue from operations derived from our top customers is given below:

(*in ₹ million except percentage*)

Customer concentration*#	Fiscal 2026		Fiscal 2025		Fiscal 2024	
	Amount	% of total revenue from operations	Amount	% of total revenue from operations	Amount	% of total revenue from operations
Customer 1	3,236.54	16.80	1,981.81	14.19	1,612.21	15.74
Customer 2	1,778.59	9.23	1,659.58	11.88	1,591.58	15.53
Customer 3	1,699.65	8.82	1,629.03	11.66	1,204.74	11.76
Customer 4	1,031.89	5.36	564.94	4.04	572.15	5.58
Customer 5	866.41	4.50	563.48	4.03	396.21	3.87
Customer 6	839.67	4.36	562.73	4.03	372.82	3.64
Customer 7	829.53	4.31	554.06	3.97	321.95	3.14
Customer 8	822.41	4.27	503.44	3.60	314.29	3.07
Customer 9	678.71	3.52	488.24	3.49	282.95	2.76
Customer 10	676.89	3.51	331.99	2.38	233.00	2.27
Total	**12,460.30**	**64.67**	**8,839.29**	**63.27**	**6,901.89**	**67.36**

***While more than 50% of our revenue from operations originates from our top 10 customer, names of the customers have not been included in the above table as this information is commercially sensitive to our business.*

#*None of the top customers are related parties, promoter-linked entities, or connected parties to our Company.*

SEASONALITY/ CYCLICALITY OF BUSINESS

Our business is subject to seasonal variations given festive and other occasions falling in different months and quarters of the Fiscal. See *"Risk Factors- Our income and sales are subject to seasonal fluctuations and lower income in a peak season may have a disproportionate effect on our results of operations."* on page 27.

MATERIAL DEVELOPMENTS AFTER MARCH 31, 2026, THAT MAY AFFECT OUR FUTURE RESULTS OF OPERATIONS

There have been no significant developments from the date of the last financial statements contained in this Red Herring Prospectus, to the date of filing of this Red Herring Prospectus, which materially and adversely affects, or is likely to affect, our trading or profitability, or the value of our assets, or our ability to pay our liabilities within the next 12 months.

FINANCIAL INDEBTEDNESS

Our Company avail fund based and non-fund-based facilities in the ordinary course of business for purposes such as, *inter alia*, meeting our working capital requirements or business requirements. We have obtained the necessary consents required under the relevant loan documentation for undertaking activities in relation to the Offer, including, *inter alia*, for effecting a change in our shareholding pattern, for effecting a change in the composition of our Board, and for amending our constitutional documents.

Set out below is a brief summary of the aggregate borrowings by our Company as of July 31, 2026:

(in ₹ million)

Category of Borrowing	Sanctioned Amount as on July 31, 2026 (to the extent applicable)	Amount outstanding as on July 31, 2026
Secured		
Fund based borrowings (A)		
Cash Credit	1,150.00	104.20
Working Capital Demand Loan (Sublimit to cash credit)	1,150.00	600.00
Gold (metal) loan (Sublimit to cash credit)	1,000.00	125.59
Sub-total (A)	**1,150.00**	**829.79**
Non-Fund based borrowings (B)		
Pre/Post Shipment Credit (Sublimit to cash credit)	20.00	0.00
Pre/Post Shipment Credit (Sublimit to working capital demand loans)	50.00	0.00
Sub-total (B)	**-**	0.00
Total Secured (C) = (A+B)	**1,150.00**	**829.79**
Unsecured		
Fund Based		
Ashish Agarwal	**-**	140.33
Seema Agarwal	**-**	172.52
Dev Agarwal	**-**	131.42
Total Fund Based	**-**	**444.28**
Total Unsecured (D)	**-**	**444.28**
Total Borrowings (E) = (C)+(D)	**1,150.00**	**1,274.07**

As certified by NSVR & Associates LLP, Chartered Accountants, pursuant to their certificate dated August 25, 2026.

Principal terms of the facilities sanctioned to our Company:

- ***Tenor and interest rate***: The tenor of the fund based and non-fund based facilities range from 6 months to 12 months. Certain short-term loans availed by our Company have a tenor of up to one year. The interest rate of our loans varies from 8.00% to 10.00%, (TBILL – Three Months + 2.72%) which is linked to the marginal cost of fund-based lending rate or external benchmark rates. And for metal loans are decided at the time of disbursement normally ranges from 2.00-3.00%.

- ***Security***: In terms of the borrowings where security needs to be created, the Company is typically required to create security by way of hypothecation over assets and collaterals of our property. Further, certain facilities availed by the Company are secured by personal guarantees of the Promoters.

  For the purposes of details regarding guarantees given by our Promoter Selling Shareholders, see "*History and Certain Corporate Matters - personal guarantees of the Promoter Selling Shareholders.*" on page 222.

- ***Repayment***: Our facilities are typically repayable within 6 months to 12 months or are repayable on demand.

- ***Prepayment:*** Certain loans availed by our Company have prepayment provisions which allows for prepayment of the outstanding loan amount and sometimes carry a pre-payment penalty subject to terms and conditions stipulated under the loan documents.

- ***Penal Interest:*** We are bound to pay additional interest to our lenders for defaults in the payment of interest or other monies due and payable. This additional interest is charged as per the terms of our loan agreements and is typically 2.00% per annum over the applicable interest rate.

- ***Restrictive Covenants:*** As per the terms of our loan agreements, certain corporate actions for which our Company requires prior written consent of the lenders *inter alia* includes:

  a. change in the ownership or control whereby the effective beneficial ownership or control shall change;

  b. any material change in the management of the business;

  c. amendments in the constitutional documents;

  d. diversification or change in the line of business;

  e. change in the ownership structure of our Company including change in the shareholding of promoters, directors and principal shareholders;

  f. issuing further capital or raising loans; and

  g. prepayment of outstanding balance.

- ***Events of Default:*** Our borrowing arrangements prescribe the following events of default, including among others:

  a. failure to pay any amount due to the banks;

  b. failure to pay any amount or meet with any obligation when due to any person other than the bank or an event of default being constituted in relation to any of our Company's credit or any other arrangement with any person other than the banks;

  c. any of the representation or warranty of our Company being or becoming untrue or incorrect;

  d. breach of any covenant or undertaking;

  e. any security provided becoming invalid or unavailable;

  f. cessation or change of business;

  g. winding-up, bankruptcy, insolvency or dissolution of the borrower;

  h. Any other occurrence or existence of one or more events which in the opinion of the lender is material.

- ***Consequences of occurrence of events of default:*** Our borrowing arrangements prescribe the following consequences of occurrence of events of default, including among others:

  a. Declare all amounts payable to be due and payable immediately;

  b. Cancel the facilities or restrict further advances;

  c. Levy additional interest or penal charges or additional commission;

  d. Enforce security; and

  e. Repossess the hypothecated asset.

This is an indicative list and there may be additional consequences of an event of default under the various borrowing arrangements entered into by us.

Principal terms of the unsecured loans obtained by the Company

- ***Tenor***: These loans are subordinate to Working Capital Loan and hence treated as long term loan.

- ***Rate of interest charged***: 6.00% p.a.
- ***Pre-payment clause, if any***: NA
- ***Penal interest***: NA
- ***Repayment schedule***: Since the nature of unsecured loans are subordinated to working capital loan, there are no fixed repayment term.

For the purposes of the Offer, our Company has obtained necessary consents, as applicable, from our lender under the relevant borrowing arrangements for undertaking activities relating to the Offer and consequent actions, inter alia including, change in the capital structure, control of management or conversion of the Company from a private limited company to a public limited company. For risks in relation to the financial and other covenants required to be complied with in relation to our borrowings, see "*Risk Factors – We have incurred indebtedness, and an inability to comply with repayment and other covenants in our financing agreements could adversely affect our business, financial condition and results of operations*" on page 28.

SECTION VII – LEGAL AND OTHER INFORMATION

OUTSTANDING LITIGATION AND MATERIAL DEVELOPMENTS

*Except as stated below as on the date of this Red Herring Prospectus, there are no outstanding (i) criminal proceedings (including any notices threatening criminal action, matters which are at FIR stage even if no cognizance has been taken by any court) (with respect to cases involving our Company, under Section 138 of the Negotiable Instruments Act, 1881, which are in the ordinary course of business, the aggregate number of cases and aggregate amount involved in such proceedings has been disclosed in a generic manner without providing specific details) involving our Company, Directors or Promoters ("**Relevant Parties**") and Key Managerial Personnel and Senior Management, (ii) actions taken penalties imposed by statutory or regulatory authorities, involving the Relevant Parties and Key Managerial Personnel and Senior Management; (iii) claims related to direct or indirect tax matters (disclosed in consolidated manner) and (iv) other pending litigation as determined to be material as per the materiality policy adopted pursuant SEBI ICDR Regulations in each case involving our Relevant Parties. Further, there are no disciplinary actions including any penalty imposed by the SEBI or stock exchanges against our Promoters in the last five Fiscals including any outstanding action.*

For the purpose of identification of material litigation in (iv) above, our Board has considered and adopted the following policy on materiality with regard to outstanding litigation involving the Relevant Parties to be disclosed by our Company in this Red Herring Prospectus pursuant to the board resolution dated August 25, 2026. Accordingly, all litigations in (iv) above shall be disclosed if:

*(i) if the monetary amount of claim by or against the entity or person in any such pending proceeding is in excess of the lower of (a) 2% of the turnover of our Company as per the latest completed fiscal year of the Restated Financial Information; or (b) 2% of the net worth of our Company as per the latest completed fiscal year of the Restated Financial Information; or (c) 5% of the average of the absolute value of the profit or loss after tax of our Company, as per the last three Restated Financial Information, in this case being, ₹ 28.29 million (i.e., lower of: (a) ₹ 385.34 million, being 2% of the turnover of the Company as per the last Restated Financial Information; (b) ₹ 47.61 million, being 2% of the net worth of the Company as at the end of the latest completed fiscal year as per the last Restated Financial Information; and (c) ₹ 28.29 million, being 5% of the average of the absolute value of the profit/ loss after tax as per the last three Restated Financial Information) ("**Materiality Threshold**"). Accordingly, ₹ 28.29 million, has been considered as the Materiality Threshold, and pending civil cases involving the Relevant Parties which involves a claim exceeding the amount of ₹ 28.29 million, shall be disclosed.*

(ii) where the monetary liability is not determinable or quantifiable or does not exceed the Materiality Threshold as specified in (i) above, for any other outstanding litigation, but the outcome of any such pending proceedings may have a material bearing, in the opinion of the Board, on the business, operations, performance, results of operations, prospects, financial position or reputation of the Company or where a decision in one case is likely to affect the decision in similar cases even though the amount involved in the individual cases may not exceed the Materiality Threshold in (i) above

(iii) pre-litigation notices received by the Relevant Parties, from third parties (excluding notices from statutory, governmental, FIRs (including FIRs where no cognizance has been taken by court), regulatory or tax authorities or notices threatening criminal action) shall not be evaluated for materiality and shall not be considered as litigation until such persons are impleaded as defendants or respondents in proceedings before any judicial forum, arbitral forum, tribunal or governmental authority.

Further, pursuant to the Board resolution dated August 25, 2026, our Board has considered and adopted a policy on materiality for the purpose of disclosure of material creditors in this Red Herring Prospectus according to which all creditors of our Company to whom the amount due from our Company exceeds 5% of the total trade payables of our Company as of the latest date of the Restated Financial Information are material creditors (i.e., ₹ 0.05 million based on the Restated Financial Information as of and for the period ended March 31, 2026). Further, for outstanding dues to MSMEs, the disclosure is based on information available with our Company regarding status of the creditors under section 2 of the Micro, Small and Medium Enterprises Development Act, 2006, as amended read with the rules and notifications thereunder.

All terms defined in a particular litigation disclosure below correspond to that particular litigation only.

Nature of case	Number of cases	Demand amount involved* (in ₹ million)
Our Company		
Direct tax	Nil	Nil
Indirect tax	Nil	Nil
Total	**Nil**	**Nil**
Promoters		
Direct tax	Nil	Nil
Indirect tax	Nil	Nil
Total	**Nil**	**Nil**
Directors (other than Promoters)		
Direct tax	Nil	Nil
Indirect tax	Nil	Nil
Total	**Nil**	**Nil**

** To the extent quantifiable and does not include any interest and penalty amount, if any.*

- **Outstanding dues to creditors**

In accordance with the SEBI ICDR Regulations, our Company, pursuant to a resolution dated August 25, 2026 of our Board, considers all creditors to whom the amount due by our Company exceeds 5% of the total trade payables as per the latest Restated Financial Information as set out in this Red Herring Prospectus as material creditors (i.e., 5% of ₹ 0.90 million which is ₹ 0.05 million based on latest Restated Financial Information as of and for the period ended March 31, 2026). Details of outstanding dues owed to material creditors, MSME creditors and other creditors of our Company based on such determination are set out below:

Type of creditors	Number of creditors	Amount outstanding (in ₹ million)*
Material creditors	7	0.84
MSME creditors	NIL	NIL
Other creditors	5	0.06
Total	12	0.90

** As certified by NSVR & Associates LLP, Chartered Accountants, pursuant to their certificate dated August 25, 2026.*

The details pertaining to outstanding dues towards our material creditors are available on the website of our Company *https://cdn.jfone.jewelflow.pro/deepajewellers/investor_documents/6832-Material_Creditors.pdf*. It is clarified that such details available on our website do not form a part of this Red Herring Prospectus.

- **Disciplinary actions including penalty imposed by SEBI or the Stock exchanges against our Promoters in the last five Financial Years including any outstanding action.**

As at the date of filing this Red Herring Prospectus, there are no matters involving penalty imposed by the SEBI or the stock exchanges against our Promoters in the last five Financial Years including any outstanding action.

- **Material developments since the date of the last balance sheet**

Other than as set out in "*Management's Discussion and Analysis of Financial Condition and Results of Operations*" on page 302, in the opinion of our Board, no circumstances have arisen since the date of our last balance sheet as set out in this Red Herring Prospectus which materially and adversely affect, or are likely to affect, our operations or profitability, or the value of our assets, or our ability to pay our liabilities within the next 12 months.

GOVERNMENT AND OTHER APPROVALS

*We have set out below a list of approvals, consents, licenses, registrations, and permissions from various governmental and regulatory authorities required to be obtained by our Company which are considered material and necessary for the purpose of undertaking our business activities and operations ("**Material Approvals**"). In view of the Material Approvals listed below, our Company can undertake this Offer and its business activities and operations, as applicable. In addition, certain Material Approvals of our Company may have lapsed or expired or may lapse in their ordinary course of business, from time to time, and our Company has either already made applications to the appropriate authorities for renewal of such Material Approvals or are in the process of making such renewal applications in accordance with applicable law and requirements and procedures. Unless otherwise stated, Material Approvals as set out below, are valid as on date of this Red Herring Prospectus. Pursuant to the conversion of our Company into public limited company, we are also in the process of applying to various regulatory authorities for change in name of the approvals obtained by us and have also made applications before various authorities for change in the name of our Company, in the Ordinary course of business.*

We have also set forth below (i) Material Approvals or renewals applied for but not received; (ii) Material Approvals expired and renewal yet to be applied for; and (iii) Material Approvals required however yet to be applied for, as on the date of this Red Herring Prospectus and (iv) material approvals that have expired but for which no renewal applications have been made. For details of risk associated with not obtaining or delay in obtaining the requisite approvals, see "Risk Factors – Any failure to obtain, renew and maintain requisite statutory and regulatory permits, licenses and approvals for our operations from time to time may adversely affect our business" on page 43. We require certain licenses, permits and approvals in the ordinary course of business, and the failure to obtain or retain them in a timely manner may adversely affect our operations. For further details in connection with the applicable regulatory and legal framework within which we operate, see "Key Regulations and Policies in India" on page 213. In view of the key approvals listed below, our Company can undertake this Offer, current business activities and operations.

(in ₹ millions, unless otherwise stated)

Particulars	Fiscal 2026	Fiscal 2025	Fiscal 2024
Net tangible assets, as restated[1]	2,378.46	1,329.87	923.39
Monetary assets, as restated	1.04	0.96	114.21
Monetary assets, as a percentage of net tangible assets, as restated (in %)[2]	0.04%	0.07%	12.37%
Operating profit, as restated[3]	1,445.99	557.44	354.83
Average Operating Profit	789.42		
Net worth, as restated[4]	2,380.70	1,332.08	925.53

As certified by NSVR & Associates LLP, Chartered Accountants, pursuant to their certificate dated August 25, 2026.

Notes:

1. *'Net tangible assets' means the sum of all net assets of the Company, excluding intangible assets as defined in Indian Accounting Standard (Ind AS) 38, deferred tax assets and deferred tax liabilities as defined in Ind AS 12 and right of use asset as defined in Ind AS 116, as issued by Institute of Chartered Accountants of India.*
2. *'Monetary assets' is the aggregate of cash on hand and balance with banks (including other bank balances and interest accrued thereon)*
3. *'Operating Profit' has been calculated as profit before tax add finance cost and less other income.*
4. *'Net worth' means the aggregate value of the paid-up share capital and all reserves created out of the profits and securities premium account and debit or credit balance of profit and loss account, after deducting the aggregate value of the accumulated losses, deferred expenditure and miscellaneous expenditure not written off, but does not include reserves created out of revaluation of assets, write-back of depreciation and amalgamation.*

Our Company confirms that it is in compliance with the conditions specified in Regulation 7(1) of the SEBI ICDR Regulations, to the extent applicable, and will ensure compliance with the conditions specified in Regulations 7(2) and 7(3) of the SEBI ICDR Regulations, to the extent applicable.

The details of our compliance with the conditions as specified under Regulations 5 and 7(1) of the SEBI ICDR Regulations are as follows:

(i) Our Company, our Promoters, members of our Promoter Group, Promoter Selling Shareholders and our Directors are not debarred from accessing the capital markets by SEBI;

(ii) The companies with which our Promoters or our Directors are associated as a promoter or director are not debarred from accessing the capital markets by SEBI;

(iii) Neither our Company, nor any of our Promoters, or Directors have been identified as a Wilful Defaulter or Fraudulent Borrower (as defined in the SEBI ICDR Regulations) by any bank or financial institution;

(iv) None of our Promoters or Directors have been declared as a Fugitive Economic Offender under Section 12 of the Fugitive Economic Offenders Act, 2018;

(v) There are no outstanding warrants, options, or rights to convert debentures, loans or other instruments convertible into or any other right which would entitle any person with any option to receive Equity Shares of our Company as on the date of this Red Herring Prospectus;

(vi) Our Company along with Registrar to the Offer has entered into tripartite agreement dated November 4, 2025, with NSDL and the tripartite agreement executed on November 4, 2025, with CDSL, for dematerialisation of the Equity Shares.

(vii) All the Equity Shares of our Company held by our shareholders are in dematerialised form;

(viii) All the Equity Shares are fully paid-up and there are no partly paid-up Equity Shares as on the date of this Red Herring Prospectus; and

(ix) There is no requirement for us to make firm arrangements of finance under Regulation 7(1)(e) of the SEBI ICDR Regulations through verifiable means towards at least 75% of the stated means of finance, excluding the amount to be raised from the Fresh Issue and existing identifiable accruals.

Further, in accordance with Regulation 49(1) of the SEBI ICDR Regulations and other applicable laws, our Company shall ensure that the number of Allottees under the Offer shall be not less than 1,000 failing which the entire application money shall be unblocked/refunded to the respective Bidders.

DISCLAIMER CLAUSE OF SEBI

IT IS TO BE DISTINCTLY UNDERSTOOD THAT SUBMISSION OF THE DRAFT RED HERRING PROSPECTUS TO SEBI SHOULD NOT, IN ANY WAY, BE DEEMED OR CONSTRUED THAT THE SAME HAS BEEN CLEARED OR APPROVED BY SEBI. SEBI DOES NOT TAKE ANY RESPONSIBILITY EITHER FOR THE FINANCIAL SOUNDNESS OF ANY SCHEME OR THE PROJECT FOR WHICH THE OFFER IS PROPOSED TO BE MADE OR FOR THE CORRECTNESS OF THE STATEMENTS MADE OR OPINIONS EXPRESSED IN THE DRAFT RED HERRING PROSPECTUS. THE BOOK RUNNING LEAD MANAGERS, BEING EMKAY GLOBAL FINANCIAL SERVICES LIMITED AND VALMIKI LEELA CAPITAL PRIVATE LIMITED HAVE CERTIFIED THAT THE DISCLOSURES MADE IN THE DRAFT RED HERRING PROSPECTUS ARE GENERALLY ADEQUATE AND ARE IN CONFORMITY WITH THE SEBI ICDR REGULATIONS. THIS REQUIREMENT IS TO FACILITATE INVESTORS TO TAKE AN INFORMED DECISION FOR MAKING AN INVESTMENT IN THE PROPOSED OFFER.

IT SHOULD ALSO BE CLEARLY UNDERSTOOD THAT WHILE OUR COMPANY IS PRIMARILY RESPONSIBLE FOR THE CORRECTNESS, ADEQUACY AND DISCLOSURE OF ALL RELEVANT INFORMATION IN THIS RED HERRING PROSPECTUS AND EACH PROMOTER SELLING SHAREHOLDERS, ARE SEVERALLY AND NOT JOINTLY RESPONSIBLE, ONLY FOR THE STATEMENTS SPECIFICALLY CONFIRMED OR UNDERTAKEN BY THEM IN THE DRAFT RED HERRING PROSPECTUS IN RELATION TO THEMSELVES OR THEIR AND THEIR RESPECTIVE PORTION OF THE OFFERED SHARES, THE BOOK RUNNING LEAD MANAGERS ARE EXPECTED TO EXERCISE DUE DILIGENCE TO ENSURE THAT OUR COMPANY AND THE PROMOTER SELLING SHAREHOLDERS DISCHARGE THEIR RESPONSIBILITIES ADEQUATELY IN THIS BEHALF AND TOWARDS THIS PURPOSE. THE BOOK RUNNING LEAD MANAGERS HAVE FURNISHED TO SEBI, A DUE DILIGENCE CERTIFICATE DATED DECEMBER 29, 2025 IN THE FORMAT PRESCRIBED UNDER SCHEDULE V (FORM A) OF THE SEBI ICDR REGULATIONS.

THE FILING OF THE DRAFT RED HERRING PROSPECTUS AND THIS RED HERRING PROSPECTUS DOES NOT, HOWEVER, ABSOLVE THE COMPANY FROM ANY LIABILITIES UNDER THE COMPANIES ACT, 2013, OR FROM THE REQUIREMENT OF OBTAINING SUCH STATUTORY AND/OR OTHER CLEARANCES AS MAY BE REQUIRED FOR THE PURPOSE OF THE OFFER. SEBI FURTHER RESERVES THE RIGHT TO TAKE UP AT ANY POINT OF TIME, WITH THE BOOK RUNNING LEAD MANAGERS, ANY IRREGULARITIES OR LAPSES IN THIS RED HERRING PROSPECTUS.

All legal requirements pertaining to this Offer have been complied with at the time of filing of this Red Herring Prospectus with the RoC in terms of Section 32 of the Companies Act and will be complied at the time of filing of the Prospectus with the RoC in terms of Sections 26, 32, 33(1) and 33(2) of the Companies Act.

Disclaimer from our Company, our Directors, our Promoters, the Promoter Selling Shareholders and Book Running Lead Managers

Our Company, the Promoter Selling Shareholders, our Directors, our Promoters and the Book Running Lead Managers accept no responsibility for statements made otherwise than in this Red Herring Prospectus or in the advertisements or any other material issued by or at our Company's instance and anyone placing reliance on any other source of information including Company's website at www.deepajewel.com or the respective websites of members of our Promoter Group or any affiliate of our Company, would be doing so at their own risk.

The Book Running Lead Managers accept no responsibility, save to the limited extent as provided in the Offer Agreement and as will be provided in the Underwriting Agreement.

All information, to the extent required in relation to the Offer, shall be made available by our Company, the Promoter Selling Shareholders (to the extent the information pertains to such Promoter Selling Shareholders and their portion of Offered Shares) and the Book Running Lead Managers to the investors and the public at large and no selective or additional information would be made available for a section of the investors in any manner whatsoever, including at road show presentations, in research or sales reports, at the Bidding Centres or elsewhere.

Neither our Company nor the Promoter Selling Shareholders or any member of the Syndicate shall be liable for any failure in uploading the Bids due to faults in any software/hardware system or otherwise; the blocking of Bid Amount in the ASBA Account on receipt of instructions from the Sponsor Bank(s) on account of any errors, omissions or non-compliance by various parties involved in or any other fault, malfunctioning or breakdown in, or otherwise in the UPI Mechanism.

Bidders will be required to confirm and will be deemed to have represented to our Company, the Underwriters and their respective directors, partners, designated partners, officers, agents, affiliates, and representatives that they are eligible under all applicable laws, rules, regulations, guidelines and approvals to acquire the Equity Shares and will not issue, sell, pledge, or transfer the Equity Shares to any person who is not eligible under any applicable laws, rules, regulations, guidelines and approvals to acquire the Equity Shares.

The Book Running Lead Managers and their respective associates and affiliates in their capacity as principals or agents may engage in transactions with, and perform services for, our Company, our Promoters and the Promoter Selling Shareholders and their respective group companies, affiliates or associates or third parties in the ordinary course of business and have engaged, or may in the future engage, in commercial banking and investment banking transactions with our Company, the Promoter Selling Shareholders and their respective group companies, affiliates or associates or third parties, for which they have received, and may in the future receive, compensation. As used herein, the term 'affiliate' means any person or entity that controls or is controlled by or is under common control with another person or entity.

Disclaimer in respect of Jurisdiction

Any dispute arising out of this Offer will be subject to the jurisdiction of appropriate court(s) in Hyderabad, only.

Bidders eligible under Indian law to participate in the Offer

This Offer is being made in India to persons resident in India (who are competent to contract under the Indian Contract Act, 1872, including Indian nationals resident in India, HUFs, companies, other corporate bodies and societies registered under the applicable laws in India and authorised to invest in shares, domestic Mutual Funds registered with SEBI, Indian financial institutions, commercial banks, regional rural banks, co-operative banks (subject to RBI permission), or trusts under applicable trust law and who are authorised under their constitution to hold and invest in Equity Shares, multilateral and bilateral development financial institutions, state industrial development corporations, insurance companies registered with IRDAI, provident funds and pension funds fulfilling the minimum corpus requirements under the SEBI ICDR Regulations, National Investment Fund, insurance funds set up and managed by army, navy or air force of Union of India, insurance funds set up and managed by the Department of Posts, GoI, systemically important NBFCs (registered with the RBI) and permitted Non-Residents including FPIs and Eligible NRIs, AIFs, FVCIs (under Schedule I of the FEMA Rules) and other eligible foreign investors, if any, provided that they are eligible under all applicable laws and regulations to purchase the Equity Shares.

This Red Herring Prospectus does not constitute an offer to sell or an invitation to subscribe to or purchase the Equity Shares in the Offer in any jurisdiction, to any person to whom it is unlawful to make an offer or invitation in such jurisdiction. Any person into whose possession this Red Herring Prospectus comes is required to inform himself or herself about, and to observe, any such restrictions. Invitations to subscribe to or purchase the Equity Shares in the Offer will be made only pursuant to this Red Herring Prospectus if the recipient is in India or the preliminary offering memorandum for the Offer, which comprises this Red Herring Prospectus and the preliminary international wrap for the Offer, if the recipient

is outside India. No person outside India is eligible to Bid for Equity Shares in the Offer unless that person has received the preliminary offering memorandum for the Offer, which contains the selling restrictions for the Offer outside India.

No action has been or will be taken to permit a public offering in any jurisdiction where action would be required for that purpose, except that the Draft Red Herring Prospectus was been filed with SEBI for its observations and this Red Herring Prospectus is being filed with the RoC. Accordingly, the Equity Shares represented hereby may not be offered or sold, directly or indirectly, and the Draft Red Herring Prospectus may not be distributed, in any jurisdiction, except in accordance with the legal requirements applicable in such jurisdiction. Neither the delivery of this Red Herring Prospectus, nor any offer or sale hereunder, shall, under any circumstances, create any implication that there has been no change in the affairs of our Company or Promoter Selling Shareholders from the date hereof or that the information contained herein is correct as of any time subsequent to this date.

Eligibility and Transfer Restrictions

The Equity Shares each offered in the Offer have not been and will not be registered under the U.S. Securities Act or any state securities laws in the United States, and unless so registered, may not be offered or sold within the United States, except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the U.S. Securities Act and in accordance with any applicable U.S. state securities laws. Accordingly, the Equity Shares being offered and sold outside the United States in 'offshore transactions' as defined in and in reliance on Regulation S and the applicable laws of the jurisdictions where such offers and sales are made.

The Equity Shares have not been and will not be registered, listed or otherwise qualified in any other jurisdiction outside India and may not be offered or sold, and Bids may not be made by persons in any such jurisdiction, except in compliance with the applicable laws of such jurisdiction.

Bidders are advised to ensure that any Bid from them does not exceed investment limits or the maximum number of Equity Shares that can be held by them under applicable law. Further, each Bidder where required must agree in the Allotment Advice that such Bidder will not sell or transfer any Equity Shares or any economic interest therein, including any off-shore derivative instruments, such as participatory notes, issued against the Equity Shares or any similar security, other than in accordance with applicable laws.

Disclaimer clause of BSE

As required, a copy of the Draft Red Herring Prospectus was submitted to BSE. The disclaimer clause as intimated by BSE to our Company, post scrutiny of the Draft Red Herring Prospectus is set forth below:

"BSE Limited ("the Exchange") has given vide its letter dated February 27, 2026 permission to this Company to use the Exchange's name in this offer document as one of the stock exchanges on which this company's securities are proposed to be listed. The Exchange has scrutinized this offer document for its limited internal purpose of deciding on the matter of granting the aforesaid permission to this Company. The Exchange does not in any manner: -

a. warrant, certify or endorse the correctness or completeness of any of the contents of this offer document; or

b. warrant that this Company's securities will be listed or will continue to be listed on the Exchange; or

c. take any responsibility for the financial or other soundness of this Company, its promoters, its management or any scheme or project of this Company.

and it should not for any reason be deemed or construed that this offer document has been cleared or approved by the Exchange. Every person who desires to apply for or otherwise acquires any securities of this Company may do so pursuant to independent inquiry, investigation and analysis and shall not have any claim against the Exchange whatsoever by reason of any loss which may be suffered by such person consequent to or in connection with such subscription/acquisition whether by reason of anything stated or omitted to be stated herein or for any other reason whatsoever".

Disclaimer clause of NSE

As required, a copy of the Draft Red Herring Prospectus was submitted to NSE. The disclaimer clause as intimated by NSE to our Company, post scrutiny of the Draft Red Herring Prospectus is set forth below:

"As required, a copy of this Offer Document has been submitted to National Stock Exchange of India Limited (hereinafter referred to as NSE). NSE has given vide its letter Ref.: NSE/LIST/6608 dated February 27, 2026, permission to the Issuer to use the Exchange's name in this Offer Document as one of the Stock Exchanges on which this Issuer's securities are

proposed to be listed. The Exchange has scrutinized this draft offer document for its limited internal purpose of deciding on the matter of granting the aforesaid permission to this Issuer. It is to be distinctly understood that the aforesaid permission given by NSE should not in any way be deemed or construed that the offer document has been cleared or approved by NSE; nor does it in any manner warrant, certify or endorse the correctness or completeness of any of the contents of this offer document; nor does it warrant that this Issuer's securities will be listed or will continue to be listed on the Exchange; nor does it take any responsibility for the financial or other soundness of this Issuer, its promoters, its management or any scheme or project of this Issuer.

Every person who desires to apply for or otherwise acquire any securities of this Issuer may do so pursuant to independent inquiry, investigation and analysis and shall not have any claim against the Exchange whatsoever by reason of any loss which may be suffered by such person consequent to or in connection with such subscription /acquisition whether by reason of anything stated or omitted to be stated herein or any other reason whatsoever."

Listing

The Equity Shares issued through this Red Herring Prospectus and the Prospectus are proposed to be listed on BSE and NSE. Applications will be made to the Stock Exchanges for obtaining permission to deal in and for listing and trading of the Equity Shares and sold in the Offer. BSE Limited will be the Designated Stock Exchange with which the Basis of Allotment will be finalised.

If the permissions to deal in, and for an official quotation of, the Equity Shares are not granted by any of the Stock Exchanges mentioned above, our Company will forthwith repay, without interest, all monies received from the Bidders in pursuance of this Red Herring Prospectus, in accordance with applicable law. If such money is not repaid within the prescribed time, then our Company and every officer in default shall be liable to repay the money, with interest, as prescribed under applicable law. Any expense incurred by our Company on behalf of the Promoter Selling Shareholder with regard to interest on such refunds will be reimbursed by such Promoter Selling Shareholder in proportion to their respective portion of the Offered Shares. For the avoidance of doubt, subject to applicable law, Promoter Selling Shareholder shall not be responsible to pay and/or reimburse any expenses towards refund or any interest thereon for any delay, unless such failure or default or delay, as the case may be, is by, and is directly attributable to, an act or omission, of to the Promoter Selling Shareholder and such liability shall be limited to the extent of their respective portion of the Offered Shares.

Our Company shall ensure that all steps for the completion of the necessary formalities for listing and commencement of trading at the Stock Exchanges are taken within three Working Days from the Bid/ Offer Closing Date. If our Company does not Allot Equity Shares pursuant to the Offer within two Working Days from the Bid/ Offer Closing Date or within such timeline as prescribed by SEBI, it shall repay, without interest, all monies received from Bidders, failing which interest shall be due to be paid to the Bidders at the rate of 15% per annum for the delayed period, subject to applicable laws.

Each of the Promoter Selling Shareholders, severally and not jointly, undertake to provide such reasonable assistance as may be requested by our Company, to the extent such assistance is required from such Promoter Selling Shareholders, in relation to their portion of Offered Shares, to facilitate the process of listing and commencement of trading of the Equity Shares on the Stock Exchanges within such time prescribed by SEBI.

Consents

Consents in writing of the Promoter Selling Shareholders, Promoters, our Directors, our Company Secretary and Compliance Officer, Chief Financial Officer sLegal Counsel to our Company as to Indian Law, Legal Counsel to the BRLMs, the Book Running Lead Managers, CRISIL, the bankers to our Company, the Registrar to the Offer, Statutory Auditors, Practising Company Secretary, Syndicate Member, Monitoring Agency, Escrow Collection Bank, Refund Bank, Public Offer Account Bank and Sponsor Banks have been obtained and will be filed (as applicable) along with a copy of this Red Herring Prospectus with the RoC as required under the Companies Act, 2013 and such consents that have been obtained have not been withdrawn as of the date of this Red Herring Prospectus.

Experts to the Offer

Except as stated below, our Company has not obtained any expert opinions in connection with the DRHP:

Our Company has received written consent dated August 25, 2026 from our Statutory Auditors, namely, NSVR & Associates LLP, Chartered Accountants, holding a valid peer review certificate from ICAI, to include their name as required under section 26(5) of the Companies Act, 2013 read with SEBI ICDR Regulations, in this Red Herring Prospectus, and as an "expert" as defined under section 2(38) of the Companies Act, 2013 to the extent and in their capacity as our Statutory Auditors, and in respect of (i) the examination report dated August 12, 2026 relating to the Restated

Financial Information; and (ii) the statement of tax benefits dated August 25, 2026, available to the Company and its shareholders included in this Red Herring Prospectus and such consent has not been withdrawn as on the date of this Red Herring Prospectus.

Our Company has received written consent dated August 25, 2026, from P.S. Rao & Associates, practising company secretaries, to include their name as required under the SEBI ICDR Regulations in this Red Herring Prospectus, and as an "expert" as defined under Section 2(38) of the Companies Act, 2013 with respect to the information in certificate dated August 25, 2026, and such consent has not been withdrawn as on the date of this Red Herring Prospectus. However, the term "expert" shall not be construed to mean an "expert" as defined under the U.S. Securities Act.

Stock market data of the Equity Shares

As the Offer is the initial public offering of the Equity Shares, the Equity Shares are not listed on any stock exchange as on the date of this Red Herring Prospectus, and accordingly, no stock market data is available for the Equity Shares.

Redressal of investor grievances

In terms of the SEBI ICDR Master Circular (and subject to applicable law, any ASBA Bidder whose Bid has not been considered for Allotment, due to failure on the part of any SCSB, shall have the option to seek redressal of the same by the concerned SCSB within three months of the date of listing of the Equity Shares. SCSBs are required to resolve these complaints within 15 days, failing which the concerned SCSB would have to pay interest at the rate of 15% per annum for any delay beyond this period of 15 days. Further, the investors shall be compensated by the SCSBs in accordance with the SEBI ICDR Master Circular in the events of delayed unblock for cancelled/withdrawn/deleted applications, blocking of multiple amounts for the same UPI application, blocking of more amount than the application amount, delayed unblocking of amounts for non-allotted/partially allotted applications, for the stipulated period. Further, in terms of the SEBI ICDR Master Circular, the payment of processing fees to the SCSBs shall be undertaken pursuant to an application made by the SCSBs to the BRLMs, and such application shall be made only after (i) unblocking of application amounts for each application received by the SCSB has been fully completed, and (ii) applicable compensation relating to investor complaints has been paid by the SCSB. All grievances (other than from Anchor Investors) in relation to the Bidding process may be addressed to the Registrar to the Offer with a copy to the relevant Designated Intermediary to whom the Bid cum Application Form was submitted. The Bidder should give full details such as name of the sole or first Bidder, Bid cum Application Form number, Bidder DP ID, Client ID, PAN, UPI ID, date of the submission of Bid cum Application Form, address of the Bidder, number of the Equity Shares applied for and the name and address of the Designated Intermediary where the Bid cum Application Form was submitted by the Bidder. All grievances relating to Bids submitted with Registered Brokers, may be addressed to the Stock Exchanges, with a copy to the Registrar to the Offer. Further, the Bidder shall also enclose a copy of the Acknowledgement Slip duly received from the concerned Designated Intermediary in addition to the information mentioned hereinabove.

All grievances of the Anchor Investors may be addressed to the Registrar to the Offer, giving full details such as the name of the sole or First Bidder, Anchor Investor Application Form number, Bidders' DP ID, Client ID, PAN, date of the Anchor Investor Application Form, address of the Bidder, number of the Equity Shares applied for, Bid Amount paid on submission of the Anchor Investor Application Form and the name and address of the Book Running Lead Managers where the Anchor Investor Application Form was submitted by the Anchor Investor. The BRLMs shall, in their sole discretion, identify and fix the liability on such intermediary or entity responsible for such delay in unblocking

The Registrar to the Offer shall obtain the required information from the SCSBs and Sponsor Bank(s) for addressing any clarifications or grievances of ASBA Bidders. Our Company, the Book Running Lead Managers and the Registrar to the Offer accept no responsibility for errors, omissions, commission or any acts of SCSBs including any defaults in complying with its obligations under applicable SEBI ICDR Regulations.

Investors can contact our Company Secretary and Compliance Officer or the Registrar to the Offer in case of any pre-Offer or post-Offer related problems such as non-receipt of letters of Allotment, non-credit of allotted Equity Shares in the respective beneficiary account, non-receipt of refund intimations and non-receipt of funds by electronic mode. For all Offer related queries and for redressal of complaints, Bidders may also write to the BRLMs, in the manner provided below.

Separately, pursuant to SEBI ICDR Master Circular the following compensation mechanism shall be applicable for investor grievances in relation to Bids made through the UPI Mechanism for public issues, for which the relevant SCSBs shall be liable to compensate the investor:

Scenario	Compensation amount	Compensation period
Delayed unblock for cancelled / withdrawn / deleted applications	₹100 per day or 15% per annum of the Bid Amount, whichever is higher	From the date on which the request for cancellation / withdrawal / deletion is placed on the bidding platform of the Stock Exchanges till the date of actual unblock
Blocking of multiple amounts for the same Bid made through the UPI Mechanism	1. Instantly revoke the blocked funds other than the original application amount; and 2. ₹100 per day or 15% per annum of the total cumulative blocked amount except the original Bid Amount, whichever is higher	From the date on which multiple amounts were blocked till the date of actual unblock
Blocking more amount than the Bid Amount	1. Instantly revoke the difference amount, i.e., the blocked amount less the Bid Amount; and 2. ₹100 per day or 15% per annum of the difference amount, whichever is higher	From the date on which the funds to the excess of the Bid Amount were blocked till the date of actual unblock
Delayed unblock for non – Allotted/ partially Allotted applications	₹100 per day or 15% per annum of the Bid Amount, whichever is higher	From the Working Day subsequent to the finalisation of the Basis of Allotment till the date of actual unblock

Further, in the event there are any delays in resolving the investor grievance beyond the date of receipt of the complaint from the investor, for each day delayed, the BRLMs shall be liable to compensate the investor ₹100 per day or 15% per annum of the Bid Amount, whichever is higher. The compensation shall be payable for the period ranging from the day on which the investor grievance is received till the date of actual unblock.

The processing fees for applications made by UPI Bidders may be released to the remitter banks (SCSBs) only after such banks provide a written confirmation on compliance with SEBI ICDR Master Circular.

The Registrar Agreement provides for retention of records with the Registrar to the Offer for a period of at least eight years or any such period as may be specified from the last date of dispatch of the letters of allotment and demat credit to enable the investors to approach the Registrar to the Offer for redressal of their grievances.

Disposal of Investor Grievances by our Company

Our Company has obtained SCORES registration and authentication in terms of SEBI circular (SEBI/HO/OIAE/IGRD/CIR/P/2023/156) dated September 20, 2023 and the SEBI circular (SEBI/HO/OIAE/IGRD/CIR/P/2023/183) dated December 1, 2023, in relation to redressal of investor grievances through SCORES.

In the three years preceding the date of this Red Herring Prospectus, our Company has not received any investor complaints. As on the date of this Red Herring Prospectus, there are no pending investor complaints in relation to our Company.

Our Company has also appointed Vandana Modani, Company Secretary of our Company, as the Compliance Officer for the Offer. For details, see the section titled "*General Information*" on page 77.

The Promoter Selling Shareholders, have, severally and not jointly authorised the Company Secretary and Compliance Officer of our Company, and the Registrar to the Offer to redress any complaints received from Bidders in respect of the offered shares.

Our Company has constituted a Stakeholders' Relationship Committee to review and redress the shareholders' and investors' grievances such as transfer of Equity Shares, non-recovery of balance payments, declared dividends, approve subdivision, consolidation, transfer and issue of duplicate shares. For details, see the section titled "*Our Management – Stakeholders' Relationship Committee*" on page 234.

Our Company estimates that the average time required by our Company or the Registrar to the Offer or the relevant Designated Intermediary, for the redressal of routine investor grievances shall be five Working Days from the date of

receipt of the complaint. In case of non-routine complaints and complaints where external agencies are involved, our Company will seek to redress these complaints as expeditiously as possible.

Disposal of investor grievances by listed group companies and subsidiaries

As on the date of this Red Herring Prospectus, our Company does not have any subsidiary or Group Company

Other Confirmations

Any person connected with the Offer shall not offer any incentive, whether direct or indirect, in any manner, whether in cash or kind or services or otherwise to any person for making an application in the initial public offer, except for fees or commission for services rendered in relation to the Offer.

There is no conflict of interest between third party service providers (crucial for operations of our Company) and our Company, Promoters, Promoter Group, Key Managerial Personnel, Senior Managerial Personnel, and Directors.

Except as disclosed below, there is no conflict of interest between the lessors of immovable properties (crucial for operations of our Company) and our Company, Promoters, Promoter Group, Key Managerial Personnel, Senior Managerial Personnel, and Directors.

1. Our Company has entered into a lease agreement dated November 28, 2025, with Ashish Agarwal in relation to the Registered Office of our Company for a period of 9 years and 11 months, commencing from November 28, 2025. Pursuant to the lease agreement dated November 28, 2025, our Company has to pay ₹ 0.24 million per month to Ashish Agarwal.

2. Our Company has entered into a lease agreement dated November 28, 2025, with Ashish Agarwal in relation to the proposed facility of our Company for a period of 9 years and 11 months, commencing from November 28, 2025. Pursuant to the lease agreement dated November 28, 2025, our Company has to pay ₹ 0.36 million per month to Ashish Agarwal.

Exemptions from complying with any provision of securities laws, if any, granted by SEBI

Our Company has not applied for any exemption from complying with any provisions of securities laws before SEBI.

SECTION VIII: OFFER INFORMATION

TERMS OF THE OFFER

The Equity Shares bearing face value of ₹2 each being offered and Allotted pursuant to the Offer shall be subject to the provisions of the Companies Act, SEBI ICDR Regulations, SEBI Listing Regulations, SCRA, SCRR, our Memorandum of Association and Articles of Association, terms of this Red Herring Prospectus, Abridged Prospectus, the Prospectus, Bid cum Application Form, Revision Form, CAN or Allotment Advice, and other terms and conditions as may be incorporated in the Allotment Advices and other documents or certificates that may be executed in respect of the Offer. The Equity Shares shall also be subject to all applicable laws, guidelines, rules, notifications and regulations relating to the listing and trading of securities, issued from time to time, by SEBI, the GoI, the Stock Exchanges, the RoC, the RBI and/or other authorities, in force on the date of the Offer and to the extent applicable or such other conditions as may be prescribed by such governmental, statutory and/or regulatory authority while granting their approval for the Offer.

The Offer

The Offer comprises of a Fresh Issue by our Company and an Offer for Sale by the Promoter Selling Shareholders.

For details in relation to the Offer Expenses to be shared amongst our Company and the Promoter Selling Shareholders in the manner specified see "*Objects of the Offer – Offer related expenses*" on page 109.

Ranking of the Equity Shares

The Equity Shares being offered, transferred and Allotted pursuant to the Offer shall be subject to the provisions of the Companies Act, SEBI ICDR Regulations, SEBI Listing Regulations, SCRA, SCRR, our Memorandum of Association and Articles of Association and shall rank *pari passu* in all respects with the existing Equity Shares, including in respect of rights to receive dividends, voting rights and other corporate benefits, if any, declared by our Company after the date of Allotment in accordance with applicable law. For further details, see "*Terms of the Articles of Association*" on page 393.

Mode of payment of dividend

Our Company shall pay dividends, if declared, to the Shareholders, as per the provisions of the Companies Act 2013, the SEBI Listing Regulations, the Memorandum of Association and the Articles of Association, and any guidelines or directives that may be issued by the GoI in this respect. Any dividends declared after the date of Allotment (pursuant to the transfer of Equity Shares in the Offer for Sale) in this Offer will be payable to the Allottees, for the entire year, in accordance with applicable law. For further information, see the sections titled "*Dividend Policy*" and "*Terms of the Articles of Association*" on pages 246 and 393 respectively.

Face Value, Offer Price, Floor Price and Price Band

The face value of each Equity Share is ₹ 2. The Floor Price of the Equity Shares is ₹ [●] per Equity Share and the Cap Price of the Equity Shares is ₹ [●] per Equity Share. The Offer Price is ₹ [●] per Equity Share. The Anchor Investor Offer Price is ₹ [●] per Equity Share.

The Price Band and the minimum Bid Lot will be decided by our Company, in consultation with the BRLMs, and shall be published at least two Working Days prior to the Bid/Offer Opening Date, in all editions of Financial Express (a widely circulated English national daily newspaper), all editions of Jansatta (a widely circulated Hindi national daily newspaper) and in Hyderabad editions of Mana Telangana (a Telugu daily newspaper, Telugu being the regional language of Telangana, where our Registered Office is located) and shall be made available to the Stock Exchanges for the purpose of uploading on their websites. The Price Band, along with the relevant financial ratios calculated at the Floor Price and at the Cap Price shall be pre-filled in the Bid cum Application Forms available at the respective websites of the Stock Exchanges. The Cap Price shall be at least 105% of the Floor Price. The Offer Price shall be determined by our Company in consultation with the BRLMs, after the Bid/Offer Closing Date, on the basis of assessment of market demand for the Equity Shares offered, by way of Book Building Process.

At any given point of time, there shall be only one denomination for the Equity Shares, unless otherwise permitted by law.

Compliance with disclosure and accounting norms

Our Company shall comply with all applicable disclosure and accounting norms as specified by SEBI from time to time.

Rights of the Shareholders

Subject to applicable laws, rules, regulations and guidelines and the provision of our AoA, our equity Shareholders will have the following rights:

- Right to receive dividend, if declared;
- Right to attend general meetings and exercise voting rights, unless prohibited by law;
- Right to vote on a poll either in person or by proxy or e-voting, in accordance with the provisions of the Companies Act, 2013;
- Right to receive offers for rights shares and be allotted bonus shares, if announced;
- Right to receive any surplus on liquidation subject to any statutory and preferential claims being satisfied;
- Right to freely transfer their Equity Shares, subject to applicable foreign exchange regulations and other applicable laws, including rules and regulations framed by the RBI; and
- Such other rights as may be available to a shareholder of a listed public company under the Companies Act 2013, the SEBI Listing Regulations, AoA and other applicable laws.

For a detailed description of the terms of our AoA relating to voting rights, dividends, forfeiture, lien, transfer, transmission, consolidation and sub-division, see the section "*Terms of the Articles of Association*" on page 393.

Allotment of Equity Shares only in dematerialised form

Pursuant to Section 29 of the Companies Act, 2013 and the SEBI ICDR Regulations, the Equity Shares shall be Allotted only in dematerialised form. Bidders will not have the option of Allotment of the Equity Shares in physical form. As per the SEBI ICDR Regulations, the trading of the Equity Shares shall only be in dematerialised form. In this context, the following agreements have been signed among our Company, the respective Depositories and the Registrar to the Offer:

- Tripartite agreement dated November 4, 2025, among our Company, NSDL and the Registrar to the Offer; and
- Tripartite agreement dated November 4, 2025, among our Company, CDSL and the Registrar to the Offer.

Market lot and trading lot

Since trading of our Equity Shares is in dematerialised form, the tradable lot is one Equity Share. Allotment in the Offer will be only in electronic form in multiples of [●] Equity Shares, subject to a minimum Allotment of [●] Equity Shares. For further information on the Basis of Allotment, see the section "*Offer Procedure*" on page 371.

Joint holders

Where two or more persons are registered as the holders of any Equity Share, they will be deemed to hold such Equity Shares as joint holders with benefits of survivorship, subject to the provisions of our AoA.

Jurisdiction

Exclusive jurisdiction for the purpose of the Offer is with the competent courts in Hyderabad, Telangana.

Nomination facility to Bidders

In accordance with Section 72 of the Companies Act, 2013 read with the Companies (Share Capital and Debentures) Rules, 2014, as amended, the Sole Bidder or First Bidder, along with other joint Bidders, may nominate any one person in whom, in the event of the death of the Sole Bidder or in case of joint Bidders, death of all the Bidders, as the case may be, the Equity Shares Allotted, if any, shall vest to the exclusion of all other persons, unless the nomination is varied or cancelled in the prescribed manner. A nominee entitled to the Equity Shares by reason of the death of the original holder(s), will, in accordance with Section 72 of the Companies Act, 2013, be entitled to the same benefits to which he or she will be entitled if he or she were the registered holder of the Equity Share(s). Where the nominee is a minor, the holder(s) may make a nomination to appoint, in the prescribed manner, any person to become entitled to Equity Share(s) in the event of the holder's death during minority. A nomination shall stand rescinded upon a sale/transfer/alienation of Equity Share(s) by the person nominating. A buyer will be entitled to make a fresh nomination in the manner prescribed. Further, a nomination may be cancelled or modified by nominating any other person in place of the present nominee, by the holder of the Equity

Shares who has made the nomination, by giving a notice of such cancellation or variation to our Company in the prescribed form.

Further, any person who becomes a nominee by virtue of Section 72 of the Companies Act, 2013, will, on the production of such evidence as may be required by our Board, elect either:

- to register himself or herself as the holder of the Equity Shares; or
- to make such transfer of the Equity Shares, as the deceased holder could have made.

Further, our Board may at any time give notice requiring any nominee to choose either to be registered himself or herself or to transfer the Equity Shares, and if the notice is not complied with within a period of 90 days, the Board may thereafter withhold payment of all dividend, bonuses or other monies payable in respect of the Equity Shares, until the requirements of the notice have been complied with.

Since the Allotment of Equity Shares in the Offer will be made only in dematerialised form, there is no need to make a separate nomination with our Company. Nominations registered with the respective Collecting Depository Participant of the Bidder will prevail. If Bidders want to change their nomination, they are advised to inform their respective Collecting Depository Participant.

Period of subscription list of the Offer

For details, see *"– Bid/ Offer Period*" below.

Bid/Offer Period

EVENT	INDICATIVE DATE
ANCHOR INVESTOR BID/ OFFER PERIOD OPENS AND CLOSES ON	**Monday, August 31, 2026**
BID/ OFFER OPENS ON	**Tuesday, September 01, 2026**
BID/ OFFER CLOSES ON	**Thursday, September 03, 2026^**

^UPI mandate end time and date shall be at 5:00 p.m. on Bid/Offer Closing Date.

An indicative timetable in respect of the Offer is set out below:

Event	Indicative Date
Finalisation of Basis of Allotment with the Designated Stock Exchange	On or about, Friday, September 04, 2026
Initiation of refunds (if any, for Anchor Investors) / unblocking of funds from ASBA Account*	On or about, Monday, September 07, 2026
Credit of the Equity Shares to depository accounts of Allottees	On or about, Monday, September 07, 2026
Commencement of trading of the Equity Shares on the Stock Exchanges	On or about, Tuesday, September 08, 2026

**In case of any delay in unblocking of amounts in the ASBA Accounts (including amounts blocked through the UPI Mechanism) exceeding two Working Days from the Bid/Offer Closing Date for cancelled / withdrawn / deleted ASBA Forms, the Bidder shall be compensated at a uniform rate of ₹ 100 per day or 15% per annum of the Bid Amount, whichever is higher from the date on which the request for cancellation/ withdrawal/ deletion is placed in the Stock Exchanges bidding platform until the date on which the amounts are unblocked (ii) any blocking of multiple amounts for the same ASBA Form (for amounts blocked through the UPI Mechanism), the Bidder shall be compensated at a uniform rate ₹ 100 per day or 15% per annum of the total cumulative blocked amount except the original application amount, whichever is higher from the date on which such multiple amounts were blocked till the date of actual unblock; (iii) any blocking of amounts more than the Bid Amount, the Bidder shall be compensated at a uniform rate of ₹ 100 per day or 15% per annum of the difference in amount, whichever is higher from the date on which such excess amounts were blocked till the date of actual unblock; (iv) any delay in unblocking of non-allotted/partially allotted Bids, exceeding two Working Days from the Bid/Offer Closing Date, the Bidder shall be compensated at a uniform rate of ₹ 100 per day or 15% per annum of the Bid Amount, whichever is higher for the entire duration of delay exceeding two Working Days from the Bid/Offer Closing Date by the SCSB responsible for causing such delay in unblocking. The BRLMs shall, in their sole discretion, identify and fix the liability on such intermediary or entity responsible for such delay in unblocking. The Bidder shall be compensated in the manner specified in the SEBI ICDR Master Circular, which for the avoidance of doubt, shall be deemed to be incorporated in the deemed agreement of the Company with the SCSBs, to the extent applicable. The processing fees for applications made by the UPI Bidders may be released to the remitter banks (SCSBs) only after such banks provide a written confirmation on compliance with SEBI ICDR Master Circular.*

The aforesaid timetable is indicative in nature and does not constitute any obligation or liability on our Company or the Promoter Selling Shareholders or the BRLMs.

While our Company shall ensure that all steps for the completion of the necessary formalities for the listing and trading of our Equity Shares on the Stock Exchanges commences within three Working Days from the Bid/Offer Closing Date or such other period as may be prescribed by SEBI, the timetable may be subject to change for various reasons, including extension of Bid/Offer Period by our Company in consultation with the BRLMs, due to revision of the Price Band, any delays in receipt of final listing and trading approvals from the Stock Exchanges, delay in

receipt of final certificates from SCSBs, etc. The commencement of trading of the Equity Shares will be entirely at the discretion of the Stock Exchanges in accordance with applicable law. The Promoter Selling Shareholders confirms that they shall extend complete co-operation required by our Company and the BRLMs for the completion of the necessary formalities for listing and commencement of trading of the Equity Shares at the Stock Exchanges within three Working Days from the Bid / Offer Closing Date, or within such other period as prescribed by SEBI. In terms of the UPI Circulars, in relation to the Offer, the BRLMs will be required to submit reports of compliance with timelines and activities prescribed by SEBI in connection with the Allotment and listing procedure within three Working Days from the Bid/Offer Closing Date or such other time as prescribed by SEBI, identifying non-adherence to timelines and processes and an analysis of entities responsible for the delay and the reasons associated with it.

In case of any delay in unblocking of amounts in the ASBA Accounts (including amounts blocked through the UPI Mechanism) exceeding two Working Days from the Bid/Offer Closing Date, the Bidder shall be compensated for the entire duration of delay exceeding two Working Days from the Bid/Offer Closing Date by the intermediary responsible for causing such delay in unblocking, in the manner specified in the UPI Circulars, to the extent applicable, which for the avoidance of doubt, shall be deemed to be incorporated herein. The Book Running Lead Managers shall, in their sole discretion, identify and fix the liability on such intermediary or entity responsible for such delay in unblocking.

Any circulars or notifications from SEBI after the date of this Red Herring Prospectus may result in changes to the listing timelines. Further, the offer procedure is subject to change basis any revised SEBI circulars to this effect.

Submission of Bids (other than Bids from Anchor Investors):

Submission of Electronic Applications (Online ASBA through 3-in-1 accounts) – For RIIs	Only between 10.00 a.m. and up to 5.00 p.m. IST
Submission of Electronic Applications (Bank ASBA through Online channels like Internet Banking, Mobile Banking and Syndicate UPI ASBA applications where Bid Amount is up to ₹ 0.50 million)	Only between 10.00 a.m. and up to 4.00 p.m. IST
Submission of Electronic Applications (Syndicate Non-Retail, Non-Individual Applications of QIBs and NIIs)	Only between 10.00 a.m. and up to 3.00 p.m. IST
Submission of Physical Applications (Bank ASBA)	Only between 10.00 a.m. and up to 1.00 p.m. IST
Submission of Physical Applications (Syndicate Non-Retail, Non-Individual Applications where Bid Amount is more than ₹ 0.50 million	Only between 10.00 a.m. and up to 12.00 p.m. IST
Modification/ Revision/cancellation of Bids	
Upward Revision of Bids by QIBs and Non-Institutional Bidders categories[#]	Only between 10.00 a.m. and up to 4.00 p.m. IST on Bid/ Offer Closing Date
Upward or downward revision of Bids or cancellation of Bids by RIBs	Only between 10.00 a.m. on Bid/Offer Closing Date and up to 5.00 p.m. IST on Bid/ Offer Closing Date

** UPI mandate end time and date shall be 5:00 p.m. on Bid/Offer Closing Date.*

[#] QIBs and Non-Institutional Bidders can neither revise their bids downwards nor cancel/withdraw their bids.

On the Bid/Offer Closing Date, the Bids shall be uploaded until:

(i) 4:00 p.m. IST in case of Bids by QIBs and NIIs, and

(ii) until 5:00 p.m. IST or such extended time as permitted by the Stock Exchanges, in case of Bids by RIBs.

On the Bid/Offer Closing Date, extension of time may be granted by Stock Exchanges only for uploading Bids received from RIIs, after taking into account the total number of Bids received and as reported by the BRLMs to the Stock Exchanges.

The Registrar to the Offer shall submit the details of cancelled/withdrawn/deleted applications to the SCSBs on a daily basis within 60 minutes of the Bid closure time from the Bid/Offer Opening Date until the Bid/Offer Closing Date by obtaining the same from the Stock Exchanges. The SCSBs shall unblock such applications by the closing hours of the Working Day and submit the confirmation to the BRLMs and the Registrar to the Offer on a daily basis, as per the format prescribed in SEBI RTA Master Circular. To avoid duplication, the facility of re-initiation provided to Syndicate Member shall preferably be allowed only once per bid/batch and as deemed fit by the Stock Exchanges, after closure of the time for uploading Bids.

Due to limitation of time available for uploading Bids on the Bid/Offer Closing Date, Bidders are advised to submit Bids one day prior to the Bid/Offer Closing Date and, in any case, no later than 1.00 p.m. (Indian Standard Time) on the Bid/Offer Closing Date. Bidders are cautioned that if a large number of Bids are received on the Bid/Offer Closing Date, as is typically experienced in public issues, it may lead to some Bids not being uploaded due to lack of sufficient time to upload and such Bids that cannot be uploaded on the electronic bidding system will not be considered for allocation in the Offer. It is clarified that Bids shall be processed only after the application monies are blocked in the ASBA Account and Bids not uploaded on the electronic bidding system or in respect of which the full Bid Amount is not blocked by the SCSBs or not blocked under the UPI Mechanism in the relevant ASBA Account, as the case may be, would be rejected. Bids will be accepted only on Working Days.

Bidders may please note that as per letter no. List/smd/sm/2006 dated July 3, 2006 and letter no. NSE/IPO/25101-6 dated July 6, 2006, issued by the BSE and NSE respectively, Bids and any revision in Bids shall not be accepted on Saturdays, Sundays and public holidays as declared by the Stock Exchanges. Bids by ASBA Bidders shall be uploaded by the relevant Designated Intermediary in the electronic system to be provided by the Stock Exchanges.

The Designated Intermediary shall modify select fields uploaded in the Stock Exchange Platform during the Bid/Offer Period till 5:00 p.m. on the Bid/Offer Closing Date after which the Stock Exchange(s) send the bid information to the Registrar to the Offer for further processing.

Our Company, in consultation with the BRLMs, reserve the right to revise the Price Band during the Bid/Offer Period, in accordance with the SEBI ICDR Regulations, provided that (i) the Cap Price will be less than or equal to 120% of the Floor Price, (ii) the Cap Price will be at least 105% of the Floor Price, and (iii) the Floor Price will not be less than the face value of the Equity Shares. Subject to compliance with the foregoing, the Floor Price may move up or down to the extent of 20% of the Floor Price and the Cap Price will be revised accordingly.

In case of revision in the Price Band, the Bid/Offer Period will be extended by at least three additional Working Days after such revision of the Price Band subject to the Bid/Offer Period not exceeding 10 Working Days. In cases of force majeure, banking strike or similar circumstances, our Company may, in consultation with the BRLMs, for reasons to be recorded in writing, extend the Bid/Offer Period for a minimum of one Working Day, subject to the Bid/Offer Period not exceeding 10 Working Days.

Any revision in the Price Band and the revised Bid/Offer Period, if applicable, will be widely disseminated by notification to the Stock Exchanges by issuing a public notice and by indicating the change on the websites of the BRLMs and terminals of the Syndicate Member and will also be intimated to the Designated Intermediaries and the Sponsor Bank(s). However, in case of revision in the Price Band, the Bid Lot shall remain the same.

In case of discrepancy in data entered in the electronic book *vis-à-vis* data contained in the Bid cum Application Form for a particular Bidder, the details as per the Bid file received from the Stock Exchanges shall be taken as the final data for the purpose of Allotment.

Minimum subscription

If our Company does not receive the minimum subscription in the Offer as specified under Rule 19(2)(b) of the SCRR or; the minimum subscription of 90% of the Fresh Issue on the date of closure of the Offer; or subscription level falls below aforesaid minimum subscription after the Bid/Offer Closing Date due to withdrawal of applications; or after technical rejections; or if the listing or trading permission is not obtained from the Stock Exchanges for the Equity Shares so offered under the offer document, our Company shall forthwith refund/unblock the entire subscription amount received in accordance with applicable law including the SEBI circular bearing number SEBI/HO/CFD/DIL2/CIR/P/2021/2480/1/M dated March 16, 2021, including the SEBI master circular number SEBI/HO/CFD/PoD-2/P/CIR/2023/00094 dated June 21, 2023. If there is a delay beyond four days, our Company, to the extent applicable, shall pay interest at the rate of 15% per annum as per the SEBI circular (mentioned above).

The requirement for minimum subscription of 90% is not applicable to the Offer for Sale. In case of under-subscription in the Offer, after meeting the minimum subscription requirement of 90% of the Fresh Issue, the balance subscription in the Offer will be met in the following order of priority: (i) through the sale of Offered Shares being offered by the Promoter Selling Shareholders in the Offer for Sale on pro-rata basis; and (ii) only after the sale of all of the Offered Shares, towards the balance Fresh Issue.

Further, in terms of Regulation 49(1) of the SEBI ICDR Regulations, our Company shall ensure that the number of Bidders to whom the Equity Shares will be Allotted will be not less than 1,000 failing which the entire application money shall be unblocked in the respective ASBA Accounts of the Bidders. In case of delay, if any, in unblocking the ASBA Accounts

within such timeline as prescribed under applicable laws, our Company shall be liable to pay interest on the application money in accordance with applicable laws.

The Promoter Selling Shareholders shall reimburse any expenses and interest incurred by our Company on behalf of their for any delays in making refunds as required under the Companies Act, the UPI Circulars and any other applicable law, provided that the Promoter Selling Shareholders shall not be responsible or liable for payment of such expenses or interest, unless such delay is solely and directly attributable to an act or omission of the Promoter Selling Shareholders and any expenses and interest shall be paid to the extent of their portion of the Offered Shares.

Arrangement for disposal of odd lots

Since our Equity Shares will be traded in dematerialised form only and the market lot for our Equity Shares will be one Equity Share, no arrangements for disposal of odd lots are required.

New financial instruments

Our Company is not issuing any new financial instruments through this Offer.

Restriction on transfer and transmission of Equity Shares

Except for the lock-in of the pre-Offer Equity Shares, the Minimum Promoters' Contribution and Equity Shares allotted to Anchor Investors pursuant to the Offer, as detailed in the section "*Capital Structure*" on page 87 and except as provided in our AoA as detailed in the section "*Terms of the Articles of Association - Transfer of Shares*" on page 401, there are no restrictions on transfers and transmission of Equity Shares and on their consolidation/splitting.

Option to receive Equity Shares in dematerialized form

Investors should note that the Equity Shares will be Allotted to all successful Bidders only in dematerialized form. Bidders will not have the option of being Allotted Equity Shares in physical form. However, they may get the Equity Shares rematerialized subsequent to Allotment of the Equity Shares in the Offer, subject to applicable laws.

Withdrawal of the Offer

Our Company, in consultation with the BRLMs, reserve the right not to proceed with the entire or portion of the Offer and each of the Promoter Selling Shareholders, reserve the right not to proceed with, the Offer for Sale, in whole or in part thereof, to the extent of its respective portion of the Offered Shares, at any time after the Bid/Offer Opening Date but before the Allotment. In such an event, our Company will issue a public notice in the newspapers, in which the pre-Offer advertisements were published, within two days from the Bid/Offer Closing Date, or such time as may be prescribed by SEBI, providing reasons for not proceeding with the Offer and inform the Stock Exchanges simultaneously. The BRLMs, through the Registrar to the Offer, will instruct the SCSBs and/or the Sponsor Bank(s), to unblock the ASBA Accounts and the Escrow Collection Bank to release the Bid Amounts to the Anchor Investors, within one Working Day from the day of receipt of such instruction. The Stock Exchanges will also be informed promptly by our Company.

If our Company, in consultation with the BRLMs, withdraws the Offer after the Bid/Offer Closing Date and thereafter determine that they will proceed with a public offering of Equity Shares, our Company will file a fresh draft red herring prospectus with SEBI and the Stock Exchanges. Notwithstanding the foregoing, the Offer is also subject to (i) filing of the Prospectus with the RoC and (ii) obtaining the final listing and trading approvals of the Stock Exchanges, which our Company shall apply for only after Allotment and within three Working Days of the Bid/Offer Closing Date or such other period as may be prescribed. If Allotment is not made within the prescribed time period under applicable law, the entire subscription amount received will be refunded/unblocked within the time prescribed under applicable law.

^ *SEBI vide the SEB ICDR Master Circular read with the circular no. SEBI/HO/CFD/DIL2/P/CIR/2022/75 dated May 30, 2022, to the extent not rescinded by the SEBI ICDR Master Circular in relation to the SEBI ICDR Regulations has mandated that ASBA applications in Public Issues shall be processed only after the application monies are blocked in the investor's bank accounts. Accordingly, Stock Exchanges shall, for all categories of investors viz. QIB, NII and Retail and also for all modes through which the applications are processed, accept the ASBA applications in their electronic book building platform only with a mandatory confirmation on the application monies blocked.*

(1) Our Company may, in consultation with the BRLMs, allocate 60% of the QIB Portion to Anchor Investors at the Anchor Investor Offer Price, on a discretionary basis, subject to having been (i) minimum of two and maximum of 15 Anchor Investors, where the allocation under the Anchor Investor Portion is up to ₹2,500 million under the Anchor Investor Portion, subject to a minimum Allotment of ₹50 million per Anchor Investor, and (ii) in case of allocation above ₹2,500 million under the Anchor Investor Portion, a minimum of five such investors and a maximum of 15 Anchor Investors for allocation up to ₹2,500 million, and an additional 15 Anchor Investors for every additional ₹2,500 million or part thereof shall be permitted, subject to minimum allotment of ₹50 million per Anchor Investor. An Anchor Investor can make a minimum Bid of such number of Equity Shares, that the Bid Amount shall be at least ₹100 million. Of the 40.00% percent of the total Anchor Investor Portion, 33.33% shall be reserved for domestic Mutual Funds and 6.67% was reserved for life insurance companies and pension funds, subject to valid Bids having been received at or above the price at which allocation is made to Anchor Investors, which price shall be determined by our Company in consultation with the BRLMs.

(2) This Offer is being made in accordance with Rule 19(2)(b) of the SCRR and Regulation 6(1) of the SEBI ICDR Regulations wherein not more than 50% of the Offer was made available for allocation on a proportionate basis to QIBs. Such number of Equity Shares representing up to 5% of the Net QIB Portion was made available for allocation on a proportionate basis to Mutual Funds only. The remainder of the Net QIB Portion was made available for allocation on a proportionate basis to QIBs (other than Anchor Investors), including Mutual Funds, subject to valid Bids being received from them at or above the Offer Price. Further, not less than 15% of the Offer was made available for allocation to Non-Institutional Investors, of which (a) one-third portion was reserved for applicants with application size of more than ₹ 0.20 million and up to ₹1.00 million; and (b) two-thirds portion was reserved for applicants with application size of more than ₹1.00 million, provided that the unsubscribed portion in either of such sub-categories was allocated to applicants in the other sub-category of Non-Institutional Investors, subject to valid Bids being received at or above the Offer Price and not less than 35% of the Offer was made available for allocation to RII in accordance with the SEBI ICDR Regulations, subject to valid Bids being received from them at or above the Offer Price.

(3) In the event that a Bid is submitted in joint names, the relevant Bidders should ensure that the depository account is also held in the same joint names and the names are in the same sequence in which they appear in the Bid cum Application Form. The Bid cum Application Form contained only the name of the first Bidder whose name should also appear as the first holder of the beneficiary account held in joint names. The signature of only such first Bidder would be required in the Bid cum Application Form and such first Bidder would be deemed to have signed on behalf of the joint holders.

(4) Full Bid Amount was payable by the Anchor Investors at the time of submission of the Anchor Investor Application Forms provided that any difference between the Anchor Investor Allocation Price and the Offer Price shall be payable by the Anchor Investor pay-in date as indicated in the Confirmation of Allotment Note. In case the Offer Price is lower than the Anchor Investor Allocation Price, the amount in excess of the Offer Price paid by the Anchor Investors shall not be refunded to them

(5) Bids by FPIs with certain structures as described under "Offer Procedure – Bids by FPIs" on page 377 and having the same PAN were collated and identified as a single Bid in the Bidding process. The Equity Shares Allocated and Allotted to such successful Bidders (with the same PAN) have been proportionately distributed.

(6) Bidders were required to confirm and were deemed to have represented to our Company, the Promoter Selling Shareholders, the Underwriters, their respective directors, officers, agents, affiliates and representatives that they are eligible under applicable law, rules, regulations, guidelines and approvals to acquire the Equity Shares.

Under-subscription, if any, in any category except in the QIB Portion, would be allowed to be met with spill over from any other category or combination of categories on proportionate basis, at the discretion of our Company, in consultation with the BRLMs and the Designated Stock Exchange subject to applicable laws and receipt of valid Bids received at or above the Offer Price.

OFFER PROCEDURE

*All Bidders should read the general information document for investing in public issues prepared and issued in accordance with the circular (SEBI/HO/CFD/DIL1/CIR/P/2020/37) dated March 17, 2020 issued by the SEBI and the UPI Circulars (the "**General Information Document**"), which highlights the key rules, processes and procedures applicable to public issues in general in accordance with the provisions of the Companies Act, the SCRA, the SCRR and the SEBI ICDR Regulations. The General Information Document is available on the websites of the Stock Exchanges and the BRLMs. Please refer to the relevant provisions of the General Information Document which are applicable to the Offer. Bidders should note that the details and process provided in the General Information Document should be read along with this section. For details of filing of the Draft Red Herring Prospectus, this Red Herring Prospectus and the Prospectus, see "General Information" on page 77.*

Bidders may refer to the General Information Document for information in relation to (i) category of investors eligible to participate in the Offer; (ii) maximum and minimum Bid size; (iii) price discovery and allocation; (iv) payment instructions for ASBA Bidders; (v) issuance of CAN and Allotment in the Offer; (vi) general instructions (limited to instructions for completing the Bid cum Application Form); (vii) Designated Date; (viii) disposal of applications and electronic registration of bids; (ix) submission of Bid cum Application Form; (x) other instructions (limited to joint bids in cases of individual, multiple bids and instances when an application would be rejected on technical grounds); (xi) applicable provisions of Companies Act, 2013 relating to punishment for fictitious applications; (xii) mode of making refunds; and (xiii) interest in case of delay in Allotment or refund.

*SEBI vide its circular no. SEBI/HO/CFD/CFD-TPD-1/P/CIR/2024/5 dated May 24, 2024 ("**AV Circular**") has introduced the disclosure of audiovisual presentation of disclosures made in Offer Documents. Pursuant to the AV Circular, investors are advised not to rely on any other document, content or information provided in respect tothepublicissueontheinternet/onlinewebsites/socialmediaplatforms/micro-bloggingplatformsby finfluencers.*

*SEBI through the UPI Circulars has proposed to introduce an alternate payment mechanism using Unified Payments Interface ("**UPI**") and consequent reduction in timelines for listing in a phased manner. UPI has been introduced in a phased manner as a payment mechanism in addition to ASBA for applications by Retail Individual Bidders through intermediaries from January 1, 2019. The UPI Mechanism for Retail Individual Bidders applying through Designated Intermediaries, in phase I, was effective along with the prior process and existing timeline of T+6 days ("**UPI Phase I**"), until June 30, 2019. Subsequently, for applications by Retail Individual Bidders through Designated Intermediaries, the process of physical movement of forms from Designated Intermediaries to SCSBs for blocking of funds has been discontinued and RIBs submitting their ASBA Forms through Designated Intermediaries (other than SCSBs) can only use UPI Mechanism with existing timeline of T+6 days until further notice pursuant to SEBI circular (SEBI/HO/CFD/DIL2/CIR/P/2020/50) dated March 30, 2020 ("**UPI Phase II**"). The final reduced timeline of T+3 days for the UPI Mechanism for applications by UPI Bidders ("**UPI Phase III**") and modalities of the implementation of UPI Phase III was notified by SEBI vide its circular no. SEBI/HO/CFD/TPD1/CIR/P/2023/140 dated August 9, 2023 and made effective on a voluntary basis for all issues opening on or after September 1, 2023 and on a mandatory basis for all issues opening on or after December 1, 2023. Accordingly, the Offer will be undertaken pursuant to the processes and procedures under UPI Phase III on mandatory basis, subject to any circulars, clarification or notification issued by the SEBI pursuant to the T+3 Notification.*

The BRLMs shall be the nodal entity for any issues arising out of the public issuance process. In terms of Regulation 23(5) and Regulation 52 of SEBI ICDR Regulations, the timelines and processes mentioned in SEBI RTA Master Circular, shall continue to form part of the agreements being signed between the intermediaries involved in the public issuance process and lead managers shall continue to coordinate with intermediaries involved in the said process.

In case of (i) any delay in unblocking of amounts in the ASBA Accounts (including amounts blocked through the UPI Mechanism) exceeding two Working Days from the Bid/Offer Closing Date for cancelled / withdrawn / deleted ASBA Forms, the Bidder shall be compensated at a uniform rate of ₹100 per day or 15% per annum of the Bid Amount, whichever is higher from the date on which the request for cancellation/ withdrawal/ deletion is placed in the Stock Exchanges bidding platform until the date on which the amounts are unblocked (ii) any blocking of multiple amounts for the same ASBA Form (for amounts blocked through the UPI Mechanism), the Bidder shall be compensated at a uniform rate ₹100 per day or 15% per annum of the total cumulative blocked amount except the original application amount, whichever is higher from the date on which such multiple amounts were blocked till the date of actual unblock; (iii) any blocking of amounts more than the Bid Amount, the Bidder shall be compensated at a uniform rate of ₹100 per day or 15% per annum of the difference in amount, whichever is higher from the date on which such excess amounts were blocked till the date of actual unblock; (iv) any delay in unblocking of non-allotted/partially allotted Bids, exceeding two Working Days from the Bid/Offer Closing Date, the Bidder shall be compensated at a uniform rate of ₹100 per day or 15% per annum of the Bid Amount, whichever is higher for the entire duration of delay exceeding two Working Days from the Bid/Offer Closing Date by the SCSB

responsible for causing such delay in unblocking. The BRLMs shall, in their sole discretion, identify and fix the liability on such intermediary or entity responsible for such delay in unblocking. The Bidder shall be compensated in the manner specified in the SEBI ICDR Master Circular, which for the avoidance of doubt, shall be deemed to be incorporated in the agreements to be entered into between our Company with the relevant intermediaries, to the extent applicable.

Bidders are advised to make their independent investigations and ensure that their Bids are submitted in accordance with applicable laws and do not exceed the investment limits or maximum number of Equity Shares that can be held by them under applicable law or as specified in this Red Herring Prospectus and the Prospectus.

Our Company, the Promoter Selling Shareholders and the BRLMs are not liable for any adverse occurrences, consequent to the implementation of the UPI Mechanism for application in this Offer.

Book Building Procedure

The Offer is being made in terms of Rule 19(2)(b) of the SCRR read with Regulation 31 of the SEBI ICDR Regulations through the Book Building Process in accordance with Regulation 6(1) of the SEBI ICDR Regulations wherein not more than 50% of the Offer shall be available for allocation to QIBs on a proportionate basis, provided that our Company in consultation with the BRLMs may allocate up to 60% of the QIB Portion to Anchor Investors on a discretionary basis in accordance with the SEBI ICDR Regulations, of which 40% will be reserved for allocation in the following manner: (i) 33.33% to domestic Mutual Funds, and (ii) 6.67% to life insurance companies and pension funds, subject to valid Bids being received from them at or above the Anchor Investor Allocation Price. Further, in the event of under-subscription, or non-allocation in the Anchor Investor Portion, the balance Equity Shares shall be added to the Net QIB Portion. 5% of the Net QIB Portion shall be available for allocation on a proportionate basis to Mutual Funds only, and the remainder of the Net QIB Portion shall be available for allocation on a proportionate basis to all QIB Bidders, including Mutual Funds, subject to valid Bids being received at or above the Offer Price. Further, not less than 15% of the Offer shall be available for allocation to Non-Institutional Bidders and not less than 35% of the Offer shall be available for allocation to Retail Individual Bidders in accordance with the SEBI ICDR Regulations, subject to valid Bids being received at or above the Offer Price. The Equity Shares available for allocation to Non-Institutional Bidders under the Non-Institutional Portion, shall be subject to the following: (i) one-third of the portion available to Non-Institutional Bidders shall be reserved for Bidders with an application size of more than ₹ 0.20 million and up to ₹ 1.00 million, and (ii) two-third of the portion available to Non-Institutional Bidders shall be reserved for Bidders with application size of more than ₹ 1.00 million, provided that the unsubscribed portion in either of the aforementioned sub-categories may be allocated to Bidders in the other sub-category of Non-Institutional Bidders.

Under-subscription, if any, in any category except in the QIB Portion, would be allowed to be met with spill over from any other category or combination of categories on proportionate basis, at the discretion of our Company in consultation with the BRLMs and the Designated Stock Exchange subject to applicable laws and receipt of valid Bids received at or above the Offer Price.

In accordance with Rule 19(2)(b) of the SCRR, the Offer will constitute at least [●] % of the post Offer paid-up Equity Share capital of our Company.

The Equity Shares, on Allotment, shall be traded only in the dematerialised segment of the Stock Exchanges.

Bidders must ensure that their PAN is linked with Aadhaar and are in compliance with Central Board of Direct Taxes notification dated February 13, 2020 and press releases dated June 25, 2021 and September 17, 2021. Pursuant to the press release dated March 28, 2023, the last date for linking PAN and Aadhaar was extended to June 30, 2023.

Bidders should note that the Equity Shares will be Allotted to all successful Bidders only in dematerialised form. The Bid cum Application Forms which do not have the details of the Bidders' depository account, including the DP ID and the Client ID and the PAN and UPI ID (for UPI Bidders Bidding through the UPI Mechanism), shall be treated as incomplete and will be rejected. Bidders will not have the option of being Allotted Equity Shares in physical form. However, they may get the Equity Shares rematerialized subsequent to Allotment of the Equity Shares in the Offer, in compliance with applicable laws.

SEBI has issued UPI Circulars in relation to streamlining the process of public issue of Equity Shares and convertibles by introducing an alternate payment mechanism using UPI. Pursuant to the UPI Circulars, UPI has been introduced in a phased manner as a payment mechanism (in addition to mechanism of blocking funds in the account maintained with SCSBs under the ASBA) for applications by UPI Bidders through Designated Intermediaries with the objective to reduce the time duration from public issue closure to listing from six Working Days to up to three Working Days. The SEBI in its circular no. SEBI/HO/CFD/TPD1/CIR/P/2023/140 dated August 9, 2023, has reduced the times period for listing of equity shares

pursuant to a public issue from six Working Days to three Working Days. This Offer will be undertaken pursuant to the processes and procedures prescribed under UPI Phase III, subject to any circulars, clarifications or notifications which may be issued by the SEBI

Pursuant to the UPI Circulars, SEBI has set out specific requirements for redressal of investor grievances for applications that have been made through the UPI Mechanism. The requirements of the UPI Circulars include, appointment of a nodal officer by the SCSB and submission of their details to SEBI, the requirement for SCSBs to send SMS alerts for the blocking and unblocking of UPI mandates, the requirement for the Registrar to submit details of cancelled, withdrawn or deleted applications and the requirement for the bank accounts of unsuccessful Bidders to be unblocked no later than one day from the date on which the Basis of Allotment is finalised. Failure to unblock the accounts within the timeline would result in the SCSBs being penalised under the relevant securities law. Additionally, if there is any delay in the redressal of investors' complaints, the relevant SCSB as well as the post–Offer BRLMs will be required to compensate the concerned investor.

All SCSBs offering facility of making application in public issues shall also provide facility to make application using UPI.

Our Company will be required to appoint SCSBs as a sponsor bank(s) to act as a conduit between the Stock Exchanges and NPCI in order to facilitate collection of requests and/or payment instructions of the UPI Bidders using the UPI.

NPCI through its circular (NPCI/UPI/OC No. 127/ 2021-22) dated December 9, 2021, inter alia, has enhanced the per transaction limit from ₹ 0.20 million to ₹ 0.5 million for applications using UPI in initial public offerings.

The processing fees for applications made by UPI Bidders using the UPI Mechanism may be released to the SCSBs only after such banks provide a written confirmation, in compliance with the SEBI RTA Master Circular and SEBI ICDR Master Circular, in a format as prescribed by SEBI, from time to time, and such payment of processing fees to the SCSBs shall be made in compliance with circulars prescribed by SEBI and applicable law. The Offer will be made under UPI Phase III of the UPI Circulars (on a mandatory basis).

For further details, refer to the General Information Document available on the websites of the Stock Exchanges and the BRLMs.

Electronic registration of Bids

The Designated Intermediary may register the Bids using the online facilities of the Stock Exchanges. The Designated Intermediaries can also set up facilities for off-line electronic registration of Bids, subject to the condition that they may subsequently upload the off-line data file into the online facilities for the Book Building process on a regular basis before the closure of the Offer.

On the Bid / Offer Closing Date, the Designated Intermediaries may upload the Bids till such time as may be permitted by the Stock Exchanges and as disclosed in this Red Herring Prospectus.

Only Bids that are uploaded on the Stock Exchanges' platform are considered for allocation / Allotment. The Designated Intermediaries are given till 5:00 pm for RIBs and 4:00 pm for NIBs and QIBs on the Bid / Offer Closing Date to modify select fields uploaded in the Stock Exchanges' platform during the Bid / Offer Period after which the Stock Exchange(s) send the bid information to the Registrar to the Offer for further processing. QIBs and Non-Institutional Bidders can neither revise their Bids downwards nor cancel/withdraw their Bids.

Bid cum Application Form

Copies of the Bid cum Application Form (other than for Anchor Investors) and the Abridged Prospectus will be available with the Designated Intermediaries at relevant Bidding Centres and at our Registered Office. An electronic copy of the Bid cum Application Form will also be available for download on the websites of NSE (www.nseindia.com) and BSE (www.bseindia.com) at least one day prior to the Bid / Offer Opening Date.

For Anchor Investors, the Bid cum Application Form will be available at the offices of the BRLMs.

All Bidders (other than Anchor Investors) must compulsorily use the ASBA process to participate in the Offer. Anchor Investors are not permitted to participate in this Offer through the ASBA process.

UPI Bidders bidding using the UPI Mechanism must provide the valid UPI ID in the relevant space provided in the Bid cum Application Form and Bid cum Application Forms submitted by UPI Bidders that do not contain the UPI ID are liable to be rejected. UPI Bidders may also apply through the SCSBs and mobile applications using the UPI handles as provided on the website of SEBI.

Bidders (other than Anchor Investors and UPI Bidders Bidding using the UPI Mechanism) must provide bank account details and authorisation by the ASBA account holder to block funds in their respective ASBA Accounts in the relevant space provided in the Bid cum Application Form and the Bid cum Application Form that does not contain such details are liable to be rejected.

Retail Individual Bidders submitting their Bid cum Application Form to any Designated Intermediary (other than SCSBs) shall be required to Bid using the UPI Mechanism and must provide the UPI ID in the relevant space provided in the Bid cum Application Form. Bids submitted by Retail Individual Bidders with any Designated Intermediary (other than SCSBs) without mentioning the UPI ID are liable to be rejected. UPI Bidders Bidding using the UPI Mechanism may also apply through the SCSBs and mobile applications using the UPI handles as provided on the website of SEBI.

Further, ASBA Bidders shall ensure that the Bids are submitted at the Bidding Centres only on ASBA Forms bearing the stamp of a Designated Intermediary (except in case of electronic ASBA Forms) and ASBA Forms not bearing such specified stamp maybe liable for rejection. UPI Bidders shall submit their ASBA Forms with the Syndicate, Sub-Syndicate members, Registered Brokers, RTAs or CDPs. UPI Bidders authorising an SCSB to block the Bid Amount in the ASBA Account may submit their ASBA Forms with the SCSBs. Bidders using the ASBA process to participate in the Offer must ensure that the ASBA Account has sufficient credit balance such that an amount equivalent to the full Bid Amount can be blocked therein by the SCSB or the Sponsor Bank(s), as applicable, at the time of submitting the Bid. In order to ensure timely information to Bidders. SCSBs are required to send SMS alerts to Bidders intimating them about the Bid Amounts blocked / unblocked.

ASBA Bidders may submit the ASBA Form in the manner below:

(i) RIIs (other than the RIIs using UPI Mechanism) may submit their ASBA Forms with SCSBs (physically or online, as applicable), or online using the facility of linked online trading, demat and bank account (3 in 1 type accounts), provided by certain brokers.

(ii) UPI Bidders using the UPI Mechanism, may submit their ASBA Forms with the Syndicate, Sub-Syndicate members, Registered Brokers, CRTAs or CDPs, or online using the facility of linked online trading, demat and bank account (3 in 1 type accounts), provided by certain brokers.

(iii) QIBs and NIIs not using the UPI Mechanism may submit their ASBA Forms with SCSBs, Syndicate, Sub-Syndicate members, Registered Brokers, CRTAs or CDPs.

For all initial public offerings opening or after September 1, 2022, as specified by SEBI pursuant to SEBI ICDR Master Circular, all the ASBA applications in public issues shall be processed only after the application monies are blocked in the investor's bank accounts. Stock Exchanges shall accept the ASBA applications in their electronic book building platform only with a mandatory confirmation on the application monies blocked. The circular shall be applicable for all categories of Bidders viz. Retail, QIB and NIB and also for all modes through which the applications are processed.

The prescribed colour of the Bid cum Application Forms for various categories is as follows:

Category	Colour of Bid cum Application Form*
Resident Indians including resident QIBs, Non-Institutional Bidders, Retail Individual Bidders and Eligible NRIs applying on a non-repatriation basis (1)	White
Non-Residents including FPIs, Eligible NRIs applying on a repatriation basis, FVCIs and registered bilateral and multilateral institutions	Blue
Anchor Investors(2)	White

** Excluding electronic Bid cum Application Forms.*

Notes:

(1) Electronic Bid cum Application forms will also be available for download on the website of NSE (www.nseindia.com) and BSE (www.bseindia.com).

(2) Bid cum Application Forms for Anchor Investors will be made available at the offices of the BRLMs.

The Equity Shares offered in the Offer have not been and will not be registered under the U.S. Securities Act or any state securities laws in the United States and, unless so registered, may not be offered or sold within the United States, except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the U.S. Securities Act and applicable U.S. state securities laws. Accordingly, the Equity Shares are only being offered and sold outside the United States in "offshore transactions" as defined in and in reliance on Regulation S under the U.S. Securities Act and the applicable laws of the jurisdiction where those offers and sales are made. The Equity Shares have not been and will not be registered, listed or otherwise qualified in any other jurisdiction outside India and may not be offered or sold, and Bids may not be made by persons in any such jurisdiction, except in compliance with the applicable laws of such jurisdiction.

In case of ASBA Forms, the relevant Designated Intermediaries shall upload the relevant Bid details (including UPI ID in case of ASBA Forms under the UPI Mechanism) in the electronic bidding system of the Stock Exchanges. Designated Intermediaries (other than SCSBs) shall submit / deliver the ASBA Forms (except Bid cum Application Forms submitted by UPI Bidders Bidding using the UPI Mechanism) to the respective SCSB, where the Bidder has a bank account and shall not submit it to any non-SCSB or any Escrow Collection Bank(s). For UPI Bidders using the UPI Mechanism, the Stock Exchanges shall share the Bid details (including UPI ID) with the Sponsor Bank(s) on a continuous basis to enable the Sponsor Bank(s) to initiate a UPI Mandate Request to such UPI Bidders for blocking of funds. The Sponsor Bank(s) shall initiate request for blocking of funds through NPCI to UPI Bidders, who shall accept the UPI Mandate request for blocking of funds on their respective mobile applications associated with UPI ID linked bank account. The NPCI shall maintain an audit trail for every Bid entered in the Stock Exchanges bidding platform and the liability to compensate RIIs (Bidding through UPI Mechanism) in case of failed transactions shall be with the concerned entity (i.e., the Sponsor Bank(s), NPCI or the issuer bank) at whose end the lifecycle of the transaction has come to a halt. The NPCI shall share the audit trail of all disputed transactions / investor complaints to the Sponsor Bank(s) and the issuer bank. The Sponsor Bank(s) and the Bankers to the Offer shall provide the audit trail to the BRLMs for analysing the same and fixing liability. For ensuring timely information to Bidders, SCSBs shall send SMS alerts as specified in SEBI ICDR Master Circular and SEBI RTA Master Circular.

For all pending UPI Mandate Requests, the Sponsor Bank shall initiate requests for blocking of funds in the ASBA Accounts of relevant Bidders with a confirmation cut-off time of 5:00 pm on the Bid / Offer Closing Date ("**Cut-Off Time**"). Accordingly, UPI Bidders should accept UPI Mandate Requests for blocking off funds prior to the Cut-Off Time and all pending UPI Mandate Requests at the Cut-Off Time shall lapse.

The Sponsor Bank(s) will undertake a reconciliation of Bid responses received from Stock Exchanges and sent to NPCI and will also ensure that all the responses received from NPCI are sent to the Stock Exchanges platform with detailed error code and description, if any. Further, the Sponsor Bank(s) will undertake reconciliation of all Bid requests and responses throughout their lifecycle on daily basis and share reports with the BRLMs in the format and within the timelines as specified under the UPI Circulars. Sponsor Bank(s) and issuer banks shall download UPI settlement files and raw data files from the NPCI portal after every settlement cycle and do a three way reconciliation with Banks UPI switch data, CBS data and UPI raw data. NPCI is to coordinate with issuer banks and Sponsor Bank(s) on a continuous basis.

The Sponsor Bank(s) shall host a web portal for intermediaries (closed user group) from the date of Bid / Offer Opening Date till the date of listing of the Equity Shares with details of statistics of mandate blocks / unblocks, performance of apps and UPI handles, down-time / network latency (if any) across intermediaries and any such processes having an impact / bearing on the Offer Bidding process.

Pursuant to NSE circular dated August 3, 2022 with reference no. 25/2022, and the circular issued by BSE Limited having reference no. 20220803-40 dated August 3, 2022 the following is applicable to all initial public offers opening on or after September 1, 2022:

a) Cut-off time for acceptance of UPI mandate shall be up to 5:00 p.m. on the initial public offer closure date and existing process of UPI bid entry by syndicate member, registrars to the offer and Depository Participants shall continue till further notice;

b) There shall be no T+1 mismatch modification session for PAN-DP mismatch and bank/ location code on T+1 day for already uploaded bids. The dedicated window provided for mismatch modification on T+1 day shall be discontinued;

c) Bid entry and modification/ cancellation (if any) shall be allowed in parallel to the regular bidding period up to 4.00 p.m. for QIBs and Non-Institutional Bidders categories and up to 5.00 p.m. for Retail Individual categories on the initial public offer closure day;

d) QIBs and Non-Institutional Bidders can neither revise their bids downwards nor cancel/withdraw their bids;

e) The Stock Exchanges shall display Offer demand details on its website and for UPI bids the demand shall include/consider UPI bids only with latest status as RC 100–black request accepted by Investor/ client, based on responses/status received from the Sponsor Bank(s).

Participation by Promoters, Promoter Group, the BRLMs, associates and affiliates of the BRLMs and the and the persons related to Promoters, Promoter Group, BRLMs and the Syndicate Member and Bids by Anchor Investors

The BRLMs and the Syndicate Member shall not be allowed to purchase/subscribe the Equity Shares in any manner, except towards fulfilling their underwriting obligations. However, the respective associates and affiliates of the BRLMs and the

Syndicate Member may purchase/subscribe to the Equity Shares in the Offer, either in the QIB Portion or in the Non-Institutional Portion as may be applicable to such Bidders and such subscription may be on their own account or on behalf of their clients. All categories of Bidders, including respective associates or affiliates of the BRLMs and Syndicate Member, shall be treated equally for the purpose of allocation to be made on a proportionate basis.

Except for Mutual Funds, AIFs or FPIs other than individuals, corporate bodies and family offices sponsored by entities which are associates of the BRLMs or insurance companies promoted by entities or pension funds sponsored entities which are associates of the BRLMs, no BRLMs or their respective associates can apply in the Offer under the Anchor Investor Portion.

Further, an Anchor Investor shall be deemed to be an "associate of the Book Running Lead Managers" if: (i) either of them controls, directly or indirectly through its subsidiary or holding company, not less than 15% of the voting rights in the other; or (ii) either of them, directly or indirectly, by itself or in combination with other persons, exercises control over the other; or (iii) there is a common director, excluding nominee director, amongst the Anchor Investors and the BRLMs.

Further, the Promoters and members of the Promoter Group shall not participate by applying for Equity Shares in the Offer, except in accordance with the applicable law. Furthermore, persons related to the Promoters and the Promoter Group shall not apply in the Offer under the Anchor Investor Portion. It is clarified that a qualified institutional buyer who has rights under a shareholders' agreement or voting agreement entered into with any of the Promoters or members of the Promoter Group of our Company, veto rights or a right to appoint any nominee director on our Board, shall be deemed to be a person related to the Promoters or Promoter Group of our Company.

Bids by Mutual Funds

With respect to Bids by Mutual Funds, a certified copy of their SEBI registration certificate must be lodged with the Bid cum Application Form. Failing this, the Company in consultation with BRLMs reserves the right to reject any Bid without assigning any reason thereof. Bids made by asset management companies or custodians of Mutual Funds shall specifically state names of the concerned schemes for which such Bids are made.

In case of a Mutual Fund, a separate Bid may be made in respect of each scheme of a Mutual Fund registered with the SEBI and such Bids in respect of more than one scheme of a Mutual Fund will not be treated as multiple Bids, provided that such Bids clearly indicate the scheme for which the Bid is submitted.

No Mutual Fund scheme shall invest more than 10% of its NAV in Equity Shares or equity related instruments of any single company provided that the limit of 10% shall not be applicable for investments in case of index funds or sector or industry specific scheme. No Mutual Fund under all its schemes should own more than 10% of any company's paid-up share capital carrying voting rights.

Bids by Eligible NRIs

Eligible NRIs may obtain copies of Bid cum Application Form from the offices of the Designated Intermediaries. Only Bids accompanied by payment in Indian Rupees or freely convertible foreign exchange will be considered for Allotment. Eligible NRIs Bidding on a repatriation basis should authorise their SCSBs or confirm or accept the UPI Mandate Request (in case of UPI Bidders Bidding through the UPI Mechanism) to block their Non-Resident External Accounts ("**NRE Account**"), or Foreign Currency Non-Resident Accounts ("**FCNR Account**"), and Eligible NRIs bidding on a non-repatriation basis should authorise their SCSBs or confirm or accept the UPI Mandate Request (in case of UPI Bidders Bidding through the UPI Mechanism) to block their Non-Resident Ordinary ("**NRO**") accounts for the full Bid amount, at the time of submission of the Bid cum Application Form. Participation of Eligible NRIs in the Offer shall be subject to the FEMA regulations. NRIs applying in the Offer through the UPI Mechanism are advised to enquire with the relevant bank, whether their account is UPI linked, prior to submitting a Bid cum Application Form.

In accordance with the FEMA NDI Rules, the total holding by any individual NRI, on a repatriation basis, shall not exceed 10% of the total paid-up equity capital on a fully diluted basis or shall not exceed 10% of the paid-up value of each series of debentures or preference shares or share warrants issued by an Indian company and the total holdings of all NRIs and OCIs put together shall not exceed 24% of the total paid-up equity capital on a fully diluted basis or shall not exceed 24% of the paid-up value of each series of debentures or preference shares or share warrants.

Eligible NRIs Bidding on a repatriation basis are advised to use the Bid cum Application Form meant for Non-Residents (Blue in colour).

Eligible NRIs Bidding on non-repatriation basis are advised to use the Bid cum Application Form for residents (White in colour).

For details of restrictions on investment by NRIs, see "*Restrictions on Foreign Ownership of Indian Securities*" on page 391.

Bids by HUFs

Bids by HUFs, should be made in the individual name of the Karta. The Bidder should specify that the Bid is being made in the name of the HUF in the Bid cum Application Form as follows: "Name of sole or First Bidder: XYZ Hindu Undivided Family applying through XYZ, where XYZ is the name of the Karta". Bids by HUFs will be considered at par with Bids from individuals.

Bids by FPIs

In terms of the Securities and Exchange Board of India (Foreign Portfolio Investor) Regulations 2019 ("**SEBI FPI Regulations**"), investments by FPIs in the Equity Shares is subject to certain limits, *i.e.*, the individual holding of an FPI (including its investor group (which means multiple entities registered as foreign portfolio investors and directly or indirectly, having common ownership of more than 50% or common control) shall be below 10% of our post-Offer Equity Share capital on a fully diluted basis. In case the total holding of an FPI or investor group increase beyond 10% of the total paid-up Equity Share capital of our Company, on a fully diluted basis, the total investment made by the FPI or investor group will be re-classified as FDI subject to the conditions as specified by SEBI and the RBI in this regard and our Company and the investor will be required to comply with applicable reporting requirements. Further, the total holdings of all FPIs put together can be up to the sectoral cap applicable to the sector in which our Company operates (*i.e.*, up to 100% under the automatic route). In terms of the FEMA NDI Rules, for calculating the aggregate holding of FPIs in a company, holding of all registered FPIs shall be included.

In case of Bids made by FPIs, a certified copy of the certificate of registration issued under the SEBI FPI Regulations is required to be attached to the Bid cum Application Form, failing which our Company in consultation with BRLMs, reserve the right to reject any Bid without assigning any reason. FPIs who wish to participate in the Offer are advised to use the Bid cum Application Form for Non-Residents (Blue in colour).

To ensure compliance with the above requirement, SEBI, pursuant to its circular dated July 13, 2018, has directed that at the time of finalisation of the Basis of Allotment, the Registrar shall (i) use the PAN issued by the Income Tax Department of India for checking compliance for a single FPI; and (ii) obtain validation from Depositories for the FPIs who have invested in the Offer to ensure there is no breach of the investment limit, within the timelines for offer procedure, as prescribed by SEBI from time to time.

Subject to compliance with all applicable Indian laws, rules, regulations, guidelines and approvals in terms of Regulation 21 of the SEBI FPI Regulations, an FPI is permitted to issue, subscribe, or otherwise deal in offshore derivative instruments, directly or indirectly, only if it complies with the following conditions:

(a) such offshore derivative instruments are issued/transferred only by/to persons registered as Category I FPIs subject to fulfilment of SEBI FPI Regulations;

(b) such offshore derivative instruments are issued only to persons eligible for registration as Category I FPIs;

(c) such offshore derivative instruments are issued after compliance with the 'know your client' norms as specified by SEBI; and

(d) such other conditions as may be specified by SEBI from time to time.

An FPI is required to ensure that the transfer of an offshore derivative instruments issued by or on behalf of it, is subject to (a) the transfer being made to persons which fulfil the criteria provided under Regulation 21(1) of the SEBI FPI Regulations (as mentioned above from points (a) to (d)); and (b) prior consent of the FPI is obtained for such transfer, except in cases, where the persons to whom the offshore derivative instruments are to be transferred, are pre-approved by the FPI. Participation of FPIs in the Offer shall be subject to the FEMA NDI Rules.

Bids by following FPIs, submitted with the same PAN but with different beneficiary account numbers, Client IDs and DP IDs shall not be treated as multiple Bids and are liable to be rejected:

- FPIs which utilise the multi-investment manager structure in accordance with the Operational Guidelines for Foreign Portfolio Investors and Designated Depository Participants which were issued in November 2019 to facilitate implementation of SEBI FPI Regulations (such structure "**MIM Structure**") provided such Bids have been made with different beneficiary account numbers, Client IDs and DP IDs;

- Offshore derivative instruments which have obtained separate FPI registration for ODI and proprietary derivative investments;
- Sub funds or separate class of investors with segregated portfolio who obtain separate FPI registration;
- FPI registrations granted at investment strategy level / sub fund level where a collective investment scheme or fund has multiple investment strategies / sub-funds with identifiable differences and managed by a single investment manager.
- Multiple branches in different jurisdictions of foreign bank registered as FPIs;
- Government and Government related investors registered as Category 1 FPIs; and
- Entities registered as collective investment scheme having multiple share classes.

Accordingly, it should be noted that multiple Bids received from FPIs, who do not utilise the MIM Structure, and bear the same PAN, are liable to be rejected. In order to ensure valid Bids, FPIs making multiple Bids using the same PAN and with different beneficiary account numbers, Client IDs and DP IDs, are required to provide a confirmation in the Bid cum Application Forms that the relevant FPIs making multiple Bids utilise the MIM Structure. In the absence of such confirmation from the relevant FPIs, such multiple Bids shall be rejected. Bids by an FPI Bidder utilising the MIM Structure shall be aggregated for determining the permissible maximum Bid.

The Bids belonging to any of the above mentioned seven structures and having same PAN may be collated and identified as a single Bid in the Bidding process. The Equity Shares allotted in the Bid may be proportionately distributed to the applicant FPIs (with same PAN).

In order to ensure valid Bids, FPIs making multiple Bids using the same PAN, and with different beneficiary account numbers, Client IDs and DP IDs, are required to provide a confirmation along with each of their Bid cum Application Forms that the relevant FPIs making multiple Bids utilise any of the above-mentioned structures and indicate the name of their respective investment managers in such confirmation. In the absence of such compliance from the relevant FPIs with the operational guidelines for FPIs and designated Collecting Depository Participants issued to facilitate implementation of SEBI FPI Regulations, such multiple Bids shall be rejected.

FPIs must ensure that any Bid by a single FPI and/ or an investor group (which means the same multiple entities having common ownership directly or indirectly of more than 50% or common control) (collective, the "**FPI Group**") shall be below 10% of the total paid-up Equity Share capital of our Company on a fully diluted basis. Any Bids by FPIs and/ or the FPI Group (including but not limited to (a) FPIs Bidding through the MIM Structure; or (b) FPIs with separate registrations for offshore derivative instruments and proprietary derivative instruments) for 10% or more of our total paid-up post Offer Equity Share capital on a fully diluted basis shall be liable to be rejected.

Participation of FPIs in the Offer shall be subject to the FEMA NDI Rules.

There is no reservation for Eligible NRI Bidders, AIFs and FPIs. All Bidders will be treated on the same basis with other categories for the purpose of allocation.

Bids by SEBI registered Alternative Investment Funds, Venture Capital Funds and Foreign Venture Capital Investors

The Securities and Exchange Board of India (Alternative Investment Funds) Regulations, 2012, as amended (the "**SEBI AIF Regulations**") prescribe, amongst others, the investment restrictions on AIFs. Post the repeal of the Securities and Exchange Board of India (Venture Capital Funds) Regulations, 1996 (the "**SEBI VCF Regulations**"), VCFs which have not re-registered as AIFs under the SEBI AIF Regulations shall continue to be regulated by the SEBI VCF Regulations until the existing fund or scheme managed by the fund is wound up and such fund shall not launch any new scheme after the notification of the SEBI AIF Regulations. The Securities and Exchange Board of India (Foreign Venture Capital Investors) Regulations, 2000, ("**SEBI FVCI Regulations**") prescribe the investment restrictions on FVCIs.

The Category I and II AIFs cannot invest more than 25% of their investible funds in one investee company. A Category III AIF cannot invest more than 10% of its investible funds in one investee company. A VCF registered as a Category I AIF, cannot invest more than one-third of its investible funds, in the aggregate, in certain specified instruments, including by way of subscription to an initial public offering of a venture capital undertaking. An FVCI can invest only up to 33.33% of its investible funds, in the aggregate, in certain specified instruments, which includes subscription to an initial public offering of a venture capital undertaking or an investee company (as defined under the SEBI AIF Regulations).

There is no reservation for Eligible NRI Bidders, AIFs, FPIs and FVCIs. All Bidders will be treated on the same basis with other categories for the purpose of allocation.

All Non-Resident investors should note that refunds (in case of Anchor Investors), dividends and other distributions, if any, will be payable in Indian Rupees only and net of bank charges and commission.

Our Company, the Promoter Selling Shareholders or the BRLMs will not be responsible for loss, if any, incurred by the Bidder on account of conversion of foreign currency.

Participation of AIFs, VCFs and FVCIs shall be subject to the FEMA Rules.

Bids by limited liability partnerships

In case of Bids made by limited liability partnerships registered under the Limited Liability Partnership Act, 2008, a certified copy of certificate of registration issued under the Limited Liability Partnership Act, 2008, must be attached to the Bid cum Application Form. Failing this, our Company, in consultation with BRLMs, reserve the right to reject any Bid without assigning any reason thereof.

Bids by banking companies

In case of Bids made by banking companies registered with RBI, certified copies of: (i) the certificate of registration issued by RBI, and (ii) the approval of such banking company's investment committee are required to be attached to the Bid cum Application Form, failing which our Company, in consultation with BRLMs, reserve the right to reject any Bid without assigning any reason thereof, subject to applicable law.

The investment limit for banking companies , in any entity, including its group entity, as per the Banking Regulation Act and Master Direction –Reserve Bank of India (Commercial Banks –Undertaking of Financial Services) Directions, 2025, individually cannot exceed 10% of the paid-up share capital of the investee company or 10% of the bank's own paid-up share capital and reserves as per the latest audited balance sheet or audited/unaudited balance sheet of the latest quarter, whichever is lower. Further, the aggregate equity investments made in all entities, including group entities and overseas investments, shall not exceed 20% of the bank's paid up share capital and reserves as per the latest audited balance sheet or audited/unaudited balance sheet of the latest quarter, whichever is lower. However, a banking company may hold up to 20% (with or without investment by the bank) in the equity share capital of an entity without the prior approval of the RBI, provided that the bank's Capital to Risk-Weighted Assets Ratio ("**CRAR**") shall not be less than the minimum prescribed capital (including Capital Conversion Buffer) post the investment, and the bank should have reported net profit in each of the preceding two Fiscals. Additionally, the investments held under 'Held for Trading' category shall not require prior approval, subject to the limit stipulated under Section 19(2) of the Banking Regulation Act, 1949

Bids by Self Certified Syndicate Banks

SCSBs participating in the Offer are required to comply with the terms of the SEBI ICDR Master Circular issued by SEBI. Such SCSBs are required to ensure that for making applications on their own account using ASBA, they should have a separate account in their own name with any other SEBI registered SCSBs. Further, such account shall be used solely for the purpose of making application in public issues and clear demarcated funds should be available in such account for such Bids.

Bids by insurance companies

In case of Bids made by insurance companies registered with the IRDAI, a certified copy of certificate of registration issued by IRDAI must be attached to the Bid cum Application Form. Failing this, our Company in consultation with BRLMs, reserves the right to reject any Bid without assigning any reason thereof. The exposure norms for insurers are prescribed under Regulation 9 of the Insurance Regulatory and Development Authority of India (Investment) Regulations, 2016 read with the investments – master circular dated October 27, 2022, each as amended ("**IRDA Investment Regulations**") and are based on investments in the Equity Shares of a company, the entire group of the investee company and the industry sector in which the investee company operates. Bidders are advised to refer to the IRDA Investment Regulations for specific investment limits applicable to them and shall comply with all applicable regulations, guidelines and circulars issued by IRDAI from time to time.

Bids by Systemically Important Non-Banking Financial Companies

In case of Bids made by NBFC-SI, a certified copy of the certificate of registration issued by the RBI, a certified copy of its last audited financial statements on a standalone basis and a net worth certificate from its statutory auditor(s), must be

attached to the Bid-cum Application Form. Failing this, our Company, in consultation with BRLMs, reserves the right to reject any Bid, without assigning any reason thereof. NBFC-SI participating in the Offer shall comply with all applicable regulations, guidelines and circulars issued by RBI from time to time. The investment limit for NBFC-SI shall be as prescribed by RBI from time to time.

Bids under Power of Attorney

In case of Bids made pursuant to a power of attorney by limited companies, corporate bodies, registered societies, eligible FPIs, AIFs, Mutual Funds, insurance companies, NBFC-SI, insurance funds set up by the army, navy or air force of the India, insurance funds set up by the Department of Posts, India or the National Investment Fund and provident funds with a minimum corpus of ₹ 250 million (subject to applicable laws) and pension funds with a minimum corpus of ₹ 250 million, registered with the Pension Fund Regulatory and Development Authority established under Section 3(1) of the Pension Fund Regulatory and Development Authority Act, 2013, subject to applicable laws a certified copy of the power of attorney or the relevant resolution or authority, as the case may be, along with a certified copy of the memorandum of association and articles of association and/or bye laws must be lodged along with the Bid cum Application Form. Failing this, our Company and Promoter Selling Shareholders reserves the right to accept or reject any Bid in whole or in part, in either case, without assigning any reason thereof.

Our Company in consultation with the BRLMs, in their absolute discretion, reserve the right to relax the above condition of simultaneous lodging of the power of attorney along with the Bid cum Application Form, subject to such terms and conditions that our Company, in consultation with the BRLMs, may deem fit.

Bids by provident funds / pension funds

In case of Bids made by provident funds / pension funds, subject to applicable laws, with minimum corpus of ₹ 250 million, registered with the Pension Fund Regulatory and Development Authority established under Section 3(1) of the Pension Fund Regulatory and Development Authority Act, 2013, subject to applicable laws, a certified copy of certificate from a chartered accountant certifying the corpus of the provident fund / pension fund must be attached to the Bid cum Application Form. Failing this, our Company and Promoter Selling Shareholders, in consultation with BRLMs reserve the right to reject any Bid, without assigning any reason therefor.

Bids by Anchor Investors

In accordance with the SEBI ICDR Regulations, in addition to details and conditions mentioned in this section the key terms for participation by Anchor Investors are provided below.

(a) Anchor Investor Application Forms to be made available for the Anchor Investor Portion at the offices of the BRLMs.

(b) The Bids are required to be for a minimum of such number of Equity Shares so that the Bid Amount exceeds ₹ 100 million. A Bid cannot be submitted for over 60% of the QIB Portion. In case of a Mutual Fund, separate bids by individual schemes of a Mutual Fund will be aggregated to determine the minimum application size of ₹ 100 million.

(c) 40% of the Anchor Investor Portion shall be reserved as following: (i) 33.33% shall be reserved for domestic Mutual Funds; and (ii) 6.67% shall be reserved for life insurance companies registered with the Insurance Regulatory and Development Authority of India under the provisions of the Insurance Act, 1938 and pension funds registered with the Pension Fund Regulatory and Development Authority under the provisions of the Pension Fund Regulatory and Development Authority Act, 2013, subject to valid Bids being received from them at or above the Anchor Investor Allocation Price. Any undersubscription in the reserved category for life insurance companies and pension funds may be allocated to domestic Mutual Funds.

(d) Bidding for Anchor Investors will open one Working Day before the Bid / Offer Opening Date and will be completed on the same day.

(e) Our Company, in consultation with the BRLMs will finalise allocation to the Anchor Investors on a discretionary basis, provided that the minimum number of Allottees in the Anchor Investor Portion is not less than:

- minimum of 2 and maximum of 15 Anchor Investors, where the allocation under the Anchor Investor Portion is up to ₹ 2,500 million, subject to a minimum Allotment of ₹ 50 million per Anchor Investor; and

- in case of allocation above ₹ 2,500 million under the Anchor Investor Portion, a minimum of five such investors and a maximum of 15 Anchor Investors for allocation up to ₹ 2,500 million, and an additional 15 Anchor Investors for every additional ₹ 2,500 million or part thereof, subject to minimum Allotment of ₹ 50 million per Anchor Investor.

(f) Of the 40.00% percent of the total Anchor Investor Portion, 33.33% shall be reserved for domestic Mutual Funds and 6.67% shall be reserved for life insurance companies and pension funds.

(g) Allocation to Anchor Investors is required to be completed on the Anchor Investor Bid / Offer Period. The number of Equity Shares allocated to Anchor Investors and the price at which the allocation will be made, is required to be made available in the public domain by the BRLMs before the Bid / Offer Opening Date, through intimation to the Stock Exchanges.

(h) Anchor Investors cannot withdraw or lower the size of their Bids at any stage after submission of the Bid.

(i) 50% of the Equity Shares Allotted to Anchor Investors in the Anchor Investor Portion shall be locked in for a period of 90 days from the date of Allotment, while the remaining 50% of the Equity Shares Allotted to Anchor Investors in the Anchor Investor Portion shall be locked in for a period of 30 days from the date of Allotment.

(j) Neither the BRLMs nor any associate of the BRLMs (except Mutual Funds sponsored by entities which are associates of the BRLMs or insurance companies promoted by entities which are associate of BRLMs or AIFs sponsored by the entities or pension funds sponsored by entities which are associate of the BRLMs or FPIs, other than individuals, corporate bodies and family offices sponsored by the entities which are associate of the BRLMs) can apply in the Offer under the Anchor Investor Portion. Further, an Anchor Investor shall be deemed to be an "associate of the BRLMs" if: (i) either of them controls, directly or indirectly through its subsidiary or holding company, not less than 15% of the voting rights in the other; or (ii) either of them, directly or indirectly, by itself or in combination with other persons, exercises control over the other; or (iii) there is a common director, excluding nominee director, amongst the Anchor Investors and the BRLMs.

(k) Bids made by QIBs under both the Anchor Investor Portion and the QIB Portion will not be considered as multiple Bids

(l) If the Offer Price is greater than the Anchor Investor Allocation Price, the additional amount being the difference between the Offer Price and the Anchor Investor Offer Price will be payable by the Anchor Investors on the Anchor Investor Pay-In Date specified in the CAN. If the Offer Price is lower than the Anchor Investor Offer Price, Allotment to successful Anchor Investors will be at the higher price.

The above information is given for the benefit of the Bidders. Bidders are advised to make their independent investigations and ensure that any single Bid from them does not exceed the applicable investment limits or maximum number of the Equity Shares that can be held by them under applicable laws or regulation and as specified in this Red Herring Prospectus, when filed. Further, each Bidder where required must agree in the Allotment Advice that such Bidder will not sell or transfer any Equity Shares or any economic interest therein, including any off-shore derivative instruments, such as participatory notes, issued against the Equity Shares or any similar security, other than in accordance with applicable laws.

In accordance with RBI regulations, OCBs cannot participate in the Offer.

Information for Bidders

The relevant Designated Intermediary will enter a maximum of three Bids at different price levels opted in the Bid cum Application Form and such options are not considered as multiple Bids. It is the Bidder's responsibility to obtain the acknowledgment slip from the relevant Designated Intermediary. The registration of the Bid by the Designated Intermediary does not guarantee that the Equity Shares shall be allocated / Allotted. Such Acknowledgement Slip will be non-negotiable and by itself will not create any obligation of any kind. When a Bidder revises his or her Bid, he / she shall surrender the earlier Acknowledgement Slip and may request for a revised acknowledgment slip from the relevant Designated Intermediary as proof of his or her having revised the previous Bid.

In relation to electronic registration of Bids, the permission given by the Stock Exchanges to use their network and software of the electronic bidding system should not in any way be deemed or construed to mean that the compliance with various statutory and other requirements by our Company and/or the BRLMs are cleared or approved by the Stock Exchanges; nor does it in any manner warrant, certify or endorse the correctness or completeness of compliance with the statutory and other requirements, nor does it take any responsibility for the financial or other soundness of our Company, the management

or any scheme or project of our Company; nor does it in any manner warrant, certify or endorse the correctness or completeness of any of the contents of this Red Herring Prospectus; nor does it warrant that the Equity Shares will be listed or will continue to be listed on the Stock Exchanges.

Pre-Offer and Price Band Advertisement

Subject to Section 30 of the Companies Act, 2013 our Company will, after filing this Red Herring Prospectus with the RoC, publish a pre-Offer and Price Band advertisement, in the form prescribed by the SEBI ICDR Regulations, in all editions of Financial Express, an English national daily newspaper, all editions of Jansatta, a Hindi national daily newspaper) and in Hyderabad editions of Mana Telangana (a Telugu daily newspaper, Telugu being the regional language of Telangana, where our Registered Office is located, each with wide circulation. Our Company shall, in the pre-Offer and Price Band advertisement state the Bid / Offer Opening Date, the Bid / Offer Closing Date and the QIB Bid / Offer Closing Date, as applicable. This advertisement, subject to the provisions of Section 30 of the Companies Act, shall be in the format prescribed in Part A of Schedule X of the SEBI ICDR Regulations.

Signing of Underwriting Agreement and filing of Prospectus with the RoC

Our Company and Promoter Selling Shareholders intend to enter into an Underwriting Agreement with the Underwriters on or after the finalisation of the Offer Price but prior to the filing of the Prospectus. After signing the Underwriting Agreement, our Company will file the Prospectus with the RoC. The Prospectus would have details of the Offer Price, Anchor Investor Offer Price, Offer size and underwriting arrangements and would be complete in all material respects.

For more information, see "*General Information*" on page 77.

General Instructions

Please note that QIBs and Non-Institutional Bidders are not permitted to withdraw their Bid(s) or lower the size of their Bid(s) (in terms of quantity of Equity Shares or the Bid Amount) at any stage. Retail Individual Bidders can revise or withdraw their Bid(s) until the Bid / Offer Closing Date. Anchor Investors are not allowed to withdraw or lower the size of their Bids after the Anchor Investor Bidding Date.

***Do's*:**

1. Check if you are eligible to apply as per the terms of this Red Herring Prospectus and under applicable law, rules, regulations, guidelines and approvals;

2. All Bidders (other than Anchor Investors) should submit their Bids using the ASBA process only;

3. Ensure that you have Bid within the Price Band;

4. Ensure that you (other than Anchor Investors) have mentioned the correct ASBA Account number (for all Bidders other than UPI Bidders Bidding using the UPI Mechanism) in the Bid cum Application Form (with a maximum length of 45 characters) and such ASBA account belongs to you and no one else. UPI Bidders using the UPI Mechanism must mention their correct UPI ID and shall use only his / her own bank account which is linked to such UPI ID and not the bank account of any third party;

5. UPI Bidders Bidding using the UPI Mechanism shall ensure that the bank, with which they have their bank account, where the funds equivalent to the application amount are available for blocking is UPI 2.0 certified by NPCI before submitting the ASBA Form to any of the Designated Intermediaries;

6. UPI Bidders Bidding using the UPI Mechanism shall make Bids only through the SCSBs, mobile applications and UPI handles whose name appears in the list of SCSBs which are live on UPI, as displayed on the SEBI website. UPI Bidders shall ensure that the name of the app and the UPI handle which is used for making the application appears in Annexure 'A' to the SEBI circular no. SEBI/HO/CFD/DIL2/COR/P/2019/85 dated July 26, 2019. An application made using incorrect UPI handle or using a bank account of an SCSB or bank which is not mentioned on the SEBI website is liable to be rejected;

7. Read all the instructions carefully and complete the Bid cum Application Form in the prescribed form;

8. Ensure that the details about the PAN, DP ID, Client ID and UPI ID (where applicable) are correct and the Bidders depository account is active, as Allotment of the Equity Shares will be in dematerialised form only;

9. Ensure that your Bid cum Application Form bearing the stamp of a Designated Intermediary is submitted to the Designated Intermediary at the Bidding Centre within the prescribed time. UPI Bidders using UPI Mechanism, may submit their ASBA Forms with Syndicate, Sub-Syndicate Members, Registered Brokers, RTA or CDP;

10. In case of joint Bids, ensure that First Bidder is the ASBA Account holder (or the UPI-linked bank account holder, as the case may be) and the signature of the First Bidder is included in the Bid cum Application Form;

11. If the first Bidder is not the ASBA Account holder (or the UPI-linked bank account holder, as the case may be), ensure that the Bid cum Application Form is signed by the ASBA Account holder (or the UPI-linked bank account holder, as the case may be). Bidders (except UPI Bidders) should ensure that they have an account with an SCSB and have mentioned the correct bank account number of that SCSB in the Bid cum Application Form. UPI Bidders Bidding should ensure that they have mentioned the correct UPI-linked bank account number and their correct UPI ID in the Bid cum Application Form;

12. Retail Individual Bidders not using the UPI Mechanism, should submit their Bid cum Application Form directly with SCSBs and with any other Designated Intermediary;

13. Ensure that they have correctly signed the authorisation / undertaking box in the Bid cum Application Form, or have otherwise provided an authorisation to the SCSB or Sponsor Bank(s), as applicable, via the electronic mode, for blocking funds in the ASBA Account equivalent to the Bid Amount mentioned in the Bid cum Application Form, as the case may be, at the time of submission of the Bid. In case of UPI Bidders submitting their Bids and participating in the Offer through the UPI Mechanism, ensure that you authorise the UPI Mandate Request raised by the Sponsor Bank(s) for blocking of funds equivalent to Bid Amount and subsequent debit of funds in case of Allotment;

14. All Bidders (other than Anchor Investors) should submit their Bids through the ASBA process only;

15. Ensure that the name(s) given in the Bid cum Application Form is / are exactly the same as the name(s) in which the beneficiary account is held with the Collecting Depository Participant. In case of joint Bids, the Bid cum Application Form should contain only the name of the First Bidder whose name should also appear as the first holder of the beneficiary account held in joint names;

16. Bidders should ensure that they receive the Acknowledgment Slip in the form of a counterfoil or the acknowledgement number duly signed and stamped by a Designated Intermediary, as applicable, for submission of the Bid cum Application Form;

17. Ensure that you have funds equal to the Bid Amount in the ASBA Account maintained with the SCSB before submitting the Bid cum Application Form under the ASBA process to any of the Designated Intermediaries;

18. Ensure that you submit revised Bids to the same Designated Intermediary, through whom the original Bid was placed and obtain a revised acknowledgment;

19. Except for Bids (i) on behalf of the Central or State Governments and the officials appointed by the courts, who, in terms of a SEBI circular no. MRD/DoP/Cir-20/2008 dated June 30, 2008, may be exempt from specifying their PAN for transacting in the securities market, (ii) Bids by persons resident in the state of Sikkim, who, in terms of a SEBI circular MRD/DoP/Dep/Cir-09/06 dated July 20, 2006 and SEBI circular no. MRD/DoP/SE/Cir-13/06 dated September 26, 2006, may be exempted from specifying their PAN for transacting in the securities market, and (iii) any other category of Bidders, including without limitation, multilateral / bilateral institutions, which may be exempted from specifying their PAN for transacting in the securities market, all Bidders should mention their PAN allotted under the Income Tax Act, 1961. The exemption for the Central or the State Government and officials appointed by the courts and for investors residing in the State of Sikkim is subject to (a) the Demographic Details received from the respective depositories confirming the exemption granted to the beneficiary owner by a suitable description in the PAN field and the beneficiary account remaining in "active status"; and (b) in the case of residents of Sikkim, the address as per the Demographic Details evidencing the same. All other applications in which PAN is not mentioned will be rejected;

20. Ensure that the Demographic Details are updated, true and correct in all respects;

21. Ensure that thumb impressions and signatures other than in the languages specified in the Eighth Schedule to the Constitution of India are attested by a Magistrate or a Notary Public or a Special Executive Magistrate under official seal;

22. Ensure that the category and the investor status is indicated in the Bid cum Application Form to ensure proper upload of your Bid in the electronic Bidding system of the Stock Exchanges;

23. Ensure that in case of Bids under power of attorney or by limited companies, corporates, trust etc., relevant documents are submitted;

24. Ensure that Bids submitted by any person outside India should be in compliance with applicable foreign and Indian laws;

25. UPI Bidders Bidding using the UPI Mechanism, should ensure that they approve the UPI Mandate Request generated by the Sponsor Bank(s) to authorise blocking of funds equivalent to application amount and subsequent debit of funds in case of Allotment, in a timely manner;

26. Note that in case the DP ID, UPI ID (where applicable), Client ID and the PAN mentioned in their Bid cum Application Form and entered into the online IPO system of the Stock Exchanges by the relevant Designated Intermediary, as the case may be, do not match with the DP ID, UPI ID (where applicable), Client ID and PAN available in the Depository database, then such Bids are liable to be rejected;

27. FPIs making MIM Bids using the same PAN and different beneficiary account numbers, Client IDs and DP IDs, are required to submit a confirmation that their Bids are under the MIM structure and indicate the name of their investment managers in such confirmation which shall be submitted along with each of their Bid cum Application Forms. In the absence of such confirmation from the relevant FPIs, such MIM Bids shall be rejected. However, Bids received from FPIs bearing the same PAN shall not be treated as multiple Bids in the event such FPIs utilise the MIM structure, and such Bids have been made with different beneficiary account numbers, Client IDs and DP IDs;

28. In case of QIBs and NIBs, ensure that while Bidding through a Designated Intermediary, the ASBA Form is submitted to a Designated Intermediary in a Bidding Centre and that the SCSB where the ASBA Account, as specified in the ASBA Form, is maintained has named at least one branch at that location for the Designated Intermediary to deposit ASBA Forms (a list of such branches is available on the website of SEBI at http://www.sebi.gov.in);

29. Ensure that you have correctly signed the authorisation / undertaking box in the Bid cum Application Form, or have otherwise provided an authorisation to the SCSB or the Sponsor Bank(s), as applicable via the electronic mode, for blocking funds in the ASBA Account equivalent to the Bid Amount mentioned in the Bid cum Application Form at the time of submission of the Bid;

30. UPI Bidders Bidding using the UPI Mechanism shall ensure that details of the Bid are reviewed and verified by opening the attachment in the UPI Mandate Request and then proceed to authorise the UPI Mandate Request using his / her UPI PIN. Upon the authorisation of the mandate using his / her UPI PIN, the UPI Bidder shall be deemed to have verified the attachment containing the application details of the UPI Bidder Bidding using the UPI Mechanism in the UPI Mandate Request and have agreed to block the entire Bid Amount and authorised the Sponsor Bank(s) to issue a request to block the Bid Amount mentioned in the Bid Cum Application Form in his / her ASBA Account;

31. UPI Bidding using the UPI Mechanism should mention valid UPI ID of only the Bidder (in case of single account) and of the First Bidder (in case of joint account) in the Bid cum Application Form;

32. UPI Bidders Bidding using the UPI Mechanism, who have revised their Bids subsequent to making the initial Bid, should also approve the revised UPI Mandate Request generated by the Sponsor Bank(s) to authorise blocking of funds equivalent to the revised Bid Amount in his / her account and subsequent debit of funds in case of allotment in a timely manner;

33. UPI Bidders who wish to revise their Bids using the UPI Mechanism, should submit the revised Bid with the Designated Intermediaries, pursuant to which UPI Bidders should ensure acceptance of the UPI Mandate Request received from the Sponsor Bank(s) to authorise blocking of funds equivalent to the revised Bid Amount in the UPI bidder's ASBA Account;

34. Ensure that Anchor Investors submit their Bid cum Application Forms only to the BRLMs.

35. Ensure that ASBA bidders shall ensure that bids above ₹0.50 million, are uploaded only by the SCSBs;

36. Ensure that you have accepted the UPI Mandate Request received from the Sponsor Bank(s) prior to 5:00 p.m. on the Bid / Offer Closing Date.

37. Investors must ensure that their PAN is linked with Aadhaar and are in compliance with Central Board of Direct Taxes notification no. 26/2025 dated April 3, 2025.

The Bid cum Application Form is liable to be rejected if the above instructions, as applicable, are not complied with. Application made using incorrect UPI handle or using a bank account of an SCSB or SCSBs which is not mentioned in the SEBI RTA Master Circular is liable to be rejected.

Don'ts:

1. Do not Bid for lower than the minimum Bid size;
2. Do not Bid / revise Bid Amount to less than the Floor Price or higher than the Cap Price;
3. Do not Bid on another Bid cum Application Form after you have submitted a Bid to a Designated Intermediary;
4. Do not pay the Bid Amount in cash, by money order, cheques or demand drafts or by postal order or by stock invest;
5. Do not send Bid cum Application Forms by post, instead submit the same to the Designated Intermediary only;

10. Do not Bid on a physical Bid cum Application Form that does not have the stamp of the relevant Designated Intermediary;
11. Do not Bid at Cut-off Price (for Bids by QIBs and Non-Institutional Bidders);
12. Do not fill up the Bid cum Application Form such that the Equity Shares Bid for exceeds the Offer size and/or investment limit or maximum number of the Equity Shares that can be held under the applicable laws or regulations or maximum amount permissible under the applicable regulations or under the terms of this Red Herring Prospectus;
13. If you are a QIB or an NIB, do not submit your Bid after 4.00 p.m. on the Bid / Offer Closing Date. If you are an RIB, or applying under other reserved categories do not submit your Bid after 5.00 p.m. on the Bid / Offer Closing Date;
14. Do not instruct your respective banks to release the funds blocked in the ASBA Account under the ASBA process;
15. If you are a UPI Bidders using UPI Mechanism, do not submit more than one Bid cum Application Form for each UPI ID;
16. In case of ASBA Bidders (other than 3 in 1 Bids) Syndicate Member shall ensure that they do not upload any bids above ₹0.50 million;
17. Do not submit the General Index Register (GIR) number instead of the PAN;
18. Do not submit incorrect details of the DP ID, Client ID, PAN and UPI ID (where applicable) or provide details for a beneficiary account which is suspended or for which details cannot be verified by the Registrar to the Offer;
19. Do not submit the Bid without ensuring that funds equivalent to the entire Bid Amount are available for blocking in the relevant ASBA Account or in the case of UPI Bidders Bidding using the UPI Mechanism, in the UPI-linked bank account where funds for making the Bid are available;

20. Do not withdraw your Bid or lower the size of your Bid (in terms of quantity of the Equity Shares or the Bid Amount) at any stage, if you are a QIB or a Non-Institutional Bidder. Retail Individual Bidders;

21. Do not submit Bids on plain paper or on incomplete or illegible Bid cum Application Forms or on Bid cum Application Forms in a colour prescribed for another category of Bidder;

22. Do not link the UPI ID with a bank account maintained with a bank that is not UPI 2.0 certified by the NPCI in case of Bids submitted by Retail Individual Bidders using the UPI Mechanism;

23. Do not submit a Bid in case you are not eligible to acquire Equity Shares under applicable law or your relevant constitutional documents or otherwise;

24. Do not Bid if you are not competent to contract under the Indian Contract Act, 1872 (other than minors having valid depository accounts as per Demographic Details provided by the depository);

25. Do not submit more than one Bid cum Application Form per ASBA Account. If you are a UPI Bidder Bidding using the UPI Mechanism, do not submit Bids through an SCSB and/or mobile application and/or UPI handle that is not listed on the website of SEBI;

26. Do not submit a Bid using UPI ID, if you are not a UPI Bidder;

27. Do not Bid for Equity Shares more than specified by respective Stock Exchanges for each category;

28. Do not submit the Bid cum Application Form to any non-SCSB Bank or our Company;

29. Do not submit a Bid cum Application Form with third party UPI ID or using a third party bank account (in case of Bids submitted by UPI Bidders using the UPI Mechanism); and

30. Do not Bid if you are an OCB.

For helpline details of the Book Running Lead Managers pursuant to the SEBI UPI Circulars, see "*General Information – Book Running Lead Managers*" on page 79.

The Bid cum Application Form is liable to be rejected if the above instructions, as applicable, are not complied with.

Further, in case of any pre-Offer or post-Offer related issues regarding share certificates/demat credit/refund orders/unblocking, etc., investors shall reach out to our Company Secretary and Compliance Officer. See "*General Information – Company Secretary and Compliance Officer*" on page 78.

Grounds for Technical Rejection

For details of grounds for technical rejections of a Bid cum Application Form, please see the General Information Document ("**GID**"). In addition to the grounds for rejection of Bids on technical grounds as provided in the GID, Bidders are requested to note that Bids could be rejected on the following additional technical grounds:

1. Bids submitted without instruction to the SCSBs to block the entire Bid Amount;

2. Bids which do not contain details of the Bid Amount and the bank account details in the ASBA Form;

3. Bids submitted on a plain paper;

4. Bids submitted by UPI Bidders using the UPI Mechanism through an SCSBs and/or using a mobile application or UPI handle, not listed on the website of SEBI;

5. Bids under the UPI Mechanism submitted by UPI Bidders using third party bank accounts or using a third party linked bank account UPI ID (subject to availability of information regarding third party account from Sponsor Bank(s));

6. ASBA Form submitted to a Designated Intermediary does not bear the stamp of the Designated Intermediary;

7. Bids submitted without the signature of the First Bidder or sole Bidder;

8. The ASBA Form not being signed by the account holders, if the account holder is different from the Bidder;

9. ASBA Form by the UPI bidders by using third party bank accounts or using third party linked bank account UPI IDs;

10. Bids by persons for whom PAN details have not been verified and whose beneficiary accounts are "suspended for credit" in terms of SEBI circular no. CIR/MRD/DP/ 22 /2010 dated July 29, 2010;

11. GIR number furnished instead of PAN;

12. Bids by RIBs with Bid Amount of a value of more than ₹0.20 million (net of retail discount);

13. Bids by persons who are not eligible to acquire Equity Shares in terms of all applicable laws, rules, regulations, guidelines and approvals;

14. Bids accompanied by stock invest, money order, postal order or cash; and

15. Bids uploaded by QIBs after 4.00 pm on the QIB Bid / Offer Closing Date and by Non-Institutional Bidders uploaded after 4.00 p.m. on the Bid / Offer Closing Date (other than UPI Bidders), and Bids by UPI Bidders uploaded after 5.00 p.m. on the Bid / Offer Closing Date, unless extended by the Stock Exchanges.

In case of any pre-Offer or post Offer related issues regarding demat credit / refund orders / unblocking, etc., investors shall reach out to the Company Secretary and Compliance Officer, and the Registrar. For details of the Company Secretary and Compliance Officer and the Registrar, see "*General Information – Company Secretary and Compliance Officer*" on page 78.

In case of any delay in unblocking of amounts in the ASBA Accounts (including amounts blocked through the UPI Mechanism) exceeding two Working Days from the Bid / Offer Closing Date, the Bidder shall be compensated in accordance with applicable law. The BRLMs shall, in their sole discretion, identify and fix the liability on such intermediary or entity responsible for such delay in unblocking. Further, Bidders shall be entitled to compensation in the manner specified in the SEBI RTA Master Circular and SEBI ICDR Master Circular in case of delays in resolving investor grievances in relation to blocking/unblocking of funds.

Names of entities responsible for finalising the basis of allotment in a fair and proper manner

The authorised employees of the Designated Stock Exchange, along with the BRLMs and the Registrar, shall ensure that the basis of allotment is finalised in a fair and proper manner in accordance with the procedure specified in SEBI ICDR Regulations.

Method of allotment as may be prescribed by SEBI from time to time

Our Company will not make any Allotment in excess of the Equity Shares offered through the Offer through this Red Herring Prospectus except in case of oversubscription for the purpose of rounding off to make Allotment, in consultation with the Designated Stock Exchange. Further, upon oversubscription, an Allotment of not more than 1% of the Offer to public may be made for the purpose of making Allotment in minimum lots.

The Allotment of Equity Shares to Bidders other than to the Retail Individual Bidders, Non-Institutional Bidders and Anchor Investors shall be on a proportionate basis within the respective investor categories and the number of securities allotted shall be rounded off to the nearest integer, subject to minimum allotment being equal to the minimum application size as determined and disclosed.

The Allotment of Equity Shares to each Retail Individual Bidder shall not be less than the minimum Bid Lot, subject to the availability of Equity Shares in Retail Portion and the remaining available Equity Shares, if any, shall be allotted on a proportionate basis.

The Allotment to each Non-Institutional Bidders shall not be less than the minimum application size, subject to the availability of Equity Shares in the Non-Institutional Portion, and the remaining Equity Shares, if any, shall be allotted on a proportionate basis, which shall be subject to the following, and in accordance with the SEBI ICDR Regulations: (i) one-third of the Non-Institutional Portion will be available for allocation to Bidders with a Bid size of more than ₹0.20 million and up to ₹1.00 million, and (ii) two-thirds of the Non-Institutional Portion will be available for allocation to Bidders with a Bid size of more than ₹1.00 million, provided that under-subscription in either of these two sub-categories of Non-Institutional Portion may be allocated to Bidders in the other sub-category of Non-Institutional Portion. The Allocation to each Non-Institutional Bidder shall not be less than the minimum application size, subject to availability of Equity Shares

in the Non-Institutional Portion and the remaining available Equity Shares, if any, shall be allocated on a proportionate basis in accordance with the conditions specified in this regard in Schedule XIII of the SEBI ICDR Regulations.

Payment into Escrow Account(s) for Anchor Investors

Our Company in consultation with the BRLMs, in their absolute discretion, will decide the list of Anchor Investors to whom the Allotment Advice will be sent, pursuant to which the details of the Equity Shares allocated to them in their respective names will be notified to such Anchor Investors. Anchor Investors are not permitted to Bid in the Offer through the ASBA process. Instead, Anchor Investors should transfer the Bid Amount (through direct credit, RTGS, NACH or NEFT) to the Escrow Accounts. The payment instruments for payment into the Escrow Accounts should be drawn in favour of:

(i) In case of resident Anchor Investors: "DEEPA JEWELLERS LIMITED ANCHOR RESIDENT ACCOUNT"

(ii) In case of Non-Resident Anchor Investors: "DEEPA JEWELLERS LIMITED ANCHOR NON RESIDENT ACCOUNT"

Anchor Investors should note that the escrow mechanism is not prescribed by SEBI and has been established as an arrangement between our Company, the Promoter Selling Shareholders, the Syndicate, the Bankers to the Offer and the Registrar to the Offer to facilitate collections from Anchor Investors.

Allotment Advertisement

The Allotment Advertisement shall be uploaded on the websites of our Company, the BRLMs and the Registrar to the Offer, before 9:00 p.m. IST, on the date of receipt of the final listing and trading approval from all the Stock Exchanges where the Equity Shares are proposed to be listed, provided such final listing and trading approval from all the Stock Exchanges is received prior to 9:00 p.m. IST on that day. In an event, if final listing and trading approval from all the Stock Exchanges is received post 9:00 p.m. IST on the date of receipt of the final listing and trading approval from all the Stock Exchanges where the Equity Shares of the Issuer are proposed to be listed, then the Allotment Advertisement shall be uploaded on the websites of our Company, the BRLMs and the Registrar to the Offer, following the receipt of final listing and trading approval from all the Stock Exchanges.

Our Company, the BRLMs and the Registrar shall publish an allotment advertisement not later than one Working Day after the commencement of trading, disclosing the date of commencement of trading in all editions of Financial Express (a widely circulated English national daily newspaper), all editions of Jansatta (a widely circulated Hindi national daily newspaper) and in Hyderabad editions of Mana Telangana (a Telugu daily newspaper, Telugu being the regional language of Telangana, where our Registered Office is located) .

Depository Arrangements

The Allotment of the Equity Shares in the Offer shall be only in a dematerialised form, (*i.e.*, not in the form of physical certificates but be fungible and be represented by the statement issued through the electronic mode). In this context, two agreements have been signed amongst our Company, the respective Depositories and the Registrar to the Offer:

- Tripartite agreement dated November 4, 2025, amongst our Company, NSDL and the Registrar to the Offer.
- Tripartite agreement dated November 4, 2025, amongst our Company, CDSL and the Registrar to the Offer.

Undertakings by our Company

Our Company undertakes the following:

(i) that the complaints received in respect of the Offer shall be attended to by our Company expeditiously and satisfactorily;

(ii) that if the Allotment is not made within the prescribed time period under applicable law, the entire subscription amount received will be refunded / unblocked within the time prescribed under applicable law, failing which interest will be due to be paid to the Bidders at the rate prescribed under applicable law for the delayed period;

(iii) that the promoter contribution in full, wherever required, shall be brought in advance before the Offer opens for public subscription and the balance, if any, shall be brought on a pro-rata basis before the calls are made on public in accordance with applicable provisions of SEBI ICDR Regulations;

(iv) that all steps will be taken for completion of the necessary formalities for listing and commencement of trading at all the Stock Exchanges where the Equity Shares are proposed to be listed within three Working Days of the Bid / Offer Closing Date or such other time as may be prescribed by SEBI;

(v) that funds required for making refunds/unblocking to unsuccessful applicants as per the mode(s) disclosed shall be made available to the Registrar to the Offer by our Company ;

(vi) where refunds (to the extent applicable) are made through electronic transfer of funds, a suitable communication shall be sent to the applicant within the time prescribed under applicable law, giving details of the bank where refunds shall be credited along with amount and expected date of electronic credit of refund;

(vii) that if our Company does not proceed with the Offer after the Bid / Offer Closing Date but prior to Allotment, the reason thereof shall be given as a public notice within two days of the Bid / Offer Closing Date. The public notice shall be issued in the same newspapers where the pre-Offer advertisements were published. The Stock Exchanges on which the Equity Shares are proposed to be listed shall also be informed promptly;

(viii) that if our Company and the Promoter Selling Shareholders, in consultation with the BRLMs, withdraw the Offer after the Bid / Offer Closing Date, our Company shall be required to file a fresh draft offer document with SEBI, in the event our Company and/or the Promoter Selling Shareholders subsequently decide to proceed with the Offer thereafter;

(ix) that adequate arrangements shall be made to collect all Bid cum Application Forms submitted by Bidders and Anchor Investor Application Form from Anchor Investors;

(x) no further issue of securities shall be made till the securities offered through the offer document are listed or till the application monies are refunded on account of non-listing, under subscription, etc., other than as disclosed in accordance with the SEBI ICDR Regulations;

(xi) that adequate arrangements shall be made to consider all ASBA applications as similar to non-ASBA applications while finalising the basis of allotment; and

(xii) Compliance with all disclosure and accounting norms as may be specified by SEBI from time to time.

Undertakings by the Promoter Selling Shareholders

The Promoter Selling Shareholders in relation to themselves as a Selling Shareholder and their shares undertake the following in respect of themselves as the Selling Shareholder and their portion of the Offered Shares:

(i) that the Offered Shares are eligible for being offered in the Offer for Sale in terms of Regulation 8 and Regulation 8A of the SEBI ICDR Regulations and are in dematerialised form;

(ii) that they are the legal and beneficial owner of the Offered Shares that such Offered Shares shall be transferred in the Offer, free from liens, charges and encumbrances;

(iii) that they shall not offer any incentive, whether direct or indirect, in any manner, whether in cash or kind or services or otherwise to the Bidder for making a Bid in the Offer and shall not make any payment, direct or indirect, in the nature of discounts, commission, allowance or otherwise to any person who makes a Bid in the Offer;

(iv) that the Equity Shares being sold by them pursuant to the Offer are free and clear of any pre-emptive rights, liens, mortgages, charges, pledges or any other encumbrances and shall be in dematerialized form at the time of transfer and shall be transferred to the eligible investors within the time specified under applicable law;

(v) that they shall provide all reasonable co-operation as requested by our Company in relation to the completion of Allotment and dispatch of the Allotment Advice and CAN, if required, and refund orders to the extent of the Offered Shares;

(vi) that they shall deposit their Equity Shares offered for sale in the Offer in an escrow demat in accordance with the share escrow agreement to be executed between the parties to such share escrow agreement;

(vii) that they shall not have recourse to the proceeds of the Offer for Sale which shall be held in escrow in its favour, until final listing and trading approvals have been received from the Stock Exchanges; and

(viii) that they will provide such reasonable support and extend such reasonable cooperation as may be required by our Company and the BRLMs in redressal of such investor grievances that pertain to the Offered Shares.

Only the statements and undertakings provided above, in relation to the Promoter Selling Shareholders and his portion of the Offered Shares, are statements which are specifically confirmed or undertaken, by the Promoter Selling Shareholders in relation to him and his portion of the Offered Shares. All other statements or undertakings in relation to the Promoter Selling Shareholders, shall be statements made by our Company even if the same relates to the Promoter Selling Shareholders.

Utilisation of Offer Proceeds

Our Board certifies that:

- all monies received out of the Offer shall be credited / transferred to a separate bank account other than the bank account referred to in sub-section (3) of Section 40 of the Companies Act, 2013;

- details of all monies utilised out of the Fresh Issue shall be disclosed and continue to be disclosed till the time any part of the Offer Proceeds remains unutilised, under an appropriate head in the balance sheet of our Company indicating the purpose for which such monies have been utilised; and

- details of all unutilised monies out of the Fresh Issue, if any shall be disclosed under an appropriate separate head in the balance sheet indicating the form in which such unutilised monies have been invested.

Impersonation

Attention of the Bidders is specifically drawn to the provisions of sub-section (1) of Section 38 of the Companies Act, 2013 which is reproduced below:

"*Any person who –*

(a) makes or abets making of an application in a fictitious name to a company for acquiring, or subscribing for, its securities; or

(b) makes or abets making of multiple applications to a company in different names or in different combinations of his name or surname for acquiring or subscribing for its securities; or

(c) otherwise induces directly or indirectly a company to allot, or register any transfer of, securities to him, or to any other person in a fictitious name, shall be liable for action under Section 447."

The liability prescribed under Section 447 of the Companies Act, 2013 for fraud involving an amount of at least ₹ 1.00 million or one per cent of the turnover of the company, whichever is lower, includes imprisonment for a term which shall not be less than six months extending up to 10 years and fine of an amount not less than the amount involved in the fraud, extending up to three times such amount (provided that where the fraud involves public interest, such term shall not be less than three years.) Further, where the fraud involves an amount less than ₹1.00 million or one per cent of the turnover of the company, whichever is lower, and does not involve public interest, any person guilty of such fraud shall be punishable with imprisonment for a term which may extend to five years or with fine which may extend to ₹ 5.00 million or with both.

RESTRICTIONS ON FOREIGN OWNERSHIP OF INDIAN SECURITIES

Foreign investment in Indian securities is regulated through the Industrial Policy, 1991 of the Government of India and FEMA. While the Industrial Policy, 1991 prescribes the limits and the conditions subject to which foreign investment can be made in different sectors of the Indian economy, FEMA regulates the precise manner in which such investment may be made. Under the Industrial Policy, unless specifically restricted, foreign investment is freely permitted in all sectors of the Indian economy up to any extent and without any prior approvals, but the foreign investor is required to follow certain prescribed procedures for making such investment. The government bodies responsible for granting foreign investment approvals under the FDI Policy and FEMA are the concerned ministries or departments of the Government of India and the RBI.

The Government has, from time to time, made policy pronouncements on FDI through press notes and press releases. The Department for Promotion of Industry and Internal Trade, Ministry of Commerce and Industry (formerly Department of Industrial Policy and Promotion), Government of India ("**DPIIT**"), issued the consolidated FDI policy by way of circular bearing number DPIIT File Number 5(2)/2020-FDI Policy dated October 15, 2020 ("**FDI Policy**"), which with effect from October 15, 2020, consolidates and supersedes all previous press notes, press releases and clarifications on FDI issued by the DPIIT that were in force and effect as on October 15, 2020. The Government proposes to update the consolidated circular on FDI Policy once every year and therefore, the FDI Policy will be valid until the DPIIT issues an updated circular.

On October 17, 2019, the Ministry of Finance, Department of Economic Affairs, had notified the FEMA Rules, which had replaced the Foreign Exchange Management (Transfer and Issue of Security by a Person Resident Outside India) Regulations 2017. Foreign investments in this Offer shall be on the basis of the FEMA Non-debt Instruments Rules. In accordance with Press Note No. 3 (2020 Series) dated April 17, 2020, a non-resident entity can invest in India, subject to the FDI Policy except in those sectors/activities which are prohibited. However, an entity or a citizen of a country which shares land border with India, or where the beneficial owner of an investment into India is a citizen of any such country, can invest only under the Government route. Further, in the event of the transfer of ownership of any existing or future FDI in an entity in India, directly or indirectly, resulted in the beneficial ownership falling within the aforesaid restriction, such subsequent change in beneficial ownership will also require prior Government approval. Subsequently, vide Press Note No. 2 (2026 Series), dated March 15, 2026 issued by the DPIIT, the Consolidated FDI Policy has been further amended to, inter alia, define the expression "beneficial owner" and to provide that prior approval of the Government of India shall be required only where citizen(s) and/ or entity(ies) of a country sharing a land border with India have the ability to, directly or indirectly, individually or cumulatively, independently or collectively, whether acting together or otherwise, hold rights/entitlements more than 10% of the shares, capital or profits of the investor entity, or exercise control over such investor entity which is incorporated or registered in a country other than a country sharing land border with India, or exercise ultimate effective control over the investee entity in any manner. Further, in the event of transfer of ownership of any existing or future foreign direct investment in an entity in India, directly or indirectly, resulting in the beneficial ownership falling within the aforesaid restriction/ purview, such subsequent change in the beneficial ownership will also require approval of the Government of India.

Furthermore, on April 22, 2020, the Ministry of Finance, Government of India has also made a similar amendment to the FEMA Rules. Pursuant to the Foreign Exchange Management (Non-debt Instruments) (Fourth Amendment) Rules, 2020 issued on December 8, 2020, a multilateral bank or fund, of which India is a member, shall not be treated as an entity of a particular country nor shall any country be treated as the beneficial owner of the investments of such bank or fund in India. Further, in accordance with the amendment to the Companies (Share Capital and Debentures) Rules, 2014 vide notification dated May 4, 2022 issued by Ministry of Corporate Affairs, a declaration shall be inserted in the share transfer form stipulating whether government approval shall be required to be obtained under FEMA NDI Rules prior to transfer of shares, as applicable. These investment restrictions shall also apply to subscribers of offshore derivative instruments. Each Bidder should seek independent legal advice about its ability to participate in the Offer. In the event such prior approval of the Government of India is required, and such approval has been obtained, the Bidder shall intimate the Company and the Registrar to the Offer in writing about such approval along with a copy thereof within the Bid/Offer Period.

Pursuant to the FDI Policy and FEMA NDI Rules, FDI of up to 100% is permitted under the automatic route in our Company.

The transfer of shares between an Indian resident and a non-resident does not require the prior approval of the RBI, provided that (i) the activities of the investee company are under the automatic route under the FDI Policy and such transfer does not attract the provisions of the SEBI Takeover Regulations; (ii) the non-resident shareholding is within the sectoral limits under the FDI Policy; and (iii) the pricing is in accordance with the guidelines prescribed by SEBI and RBI. As per the existing policy of the Government, OCBs cannot participate in the Offer. For further details, see "*Offer Procedure*" on page 371.

For details of the aggregate limit for investments by NRIs and FPIs in our Company, see "*Offer Procedure –Bids by Eligible Non-Resident Indians*" and "*Offer Procedure –Bids by Foreign Portfolio Investors*" on pages 376 and 377 respectively.

The Equity Shares issued in the Offer have not been and will not be registered under the U.S. Securities Act and shall not be offered or sold within the United States, Accordingly, the Equity Shares are being offered and sold outside the United States in 'offshore transactions' as defined in and in reliance on Regulation S and the applicable laws of the jurisdictions where such offers and sales occur.

The Equity Shares have not been and will not be registered, listed or otherwise qualified in any other jurisdiction outside India and may not be offered or sold, and Bids may not be made by persons in any such jurisdiction, except in compliance with the applicable laws of such jurisdiction.

The above information is given for the benefit of the Bidders. Our Company, the Promoter Selling Shareholders and the BRLMs are not liable for any amendments or modification or changes in applicable laws or regulations, which may occur after the date of this Red Herring Prospectus. Bidders are advised to make their independent investigations and ensure that the number of Equity Shares Bid for do not exceed the applicable limits under laws or regulations.

SECTION IX: TERMS OF THE ARTICLES OF ASSOCIATION

Capitalised terms used in this section have the meaning that has been given to such terms in the Articles of Association of our Company. Pursuant to Schedule I of Companies Act, 2013 and the SEBI ICDR Regulations, the main provisions of the Articles of Association of our Company are detailed below. Except as disclosed below, there are no other material provisions of the Articles of Association that are required to be disclosed, or the non-disclosure of which may have a bearing on the investment decision of prospective investors in the Offer.

The Regulations contained in Table 'F' of the Schedule I of the Companies Act, 2013, shall apply to the Company except in so far as otherwise expressly or impliedly excluded, modified, substituted, amended or altered by these Articles. In case of any contradiction between the provisions of Table 'F' and these Articles, the provisions of these Articles will prevail.

THE COMPANIES ACT, 2013

ARTICLES TO BE CONTEMPORARY IN NATURE		
3.	The intention of these Articles is to be in consonance with the contemporary rules and regulations prevailing in India. If there is an amendment in any Act, rules and regulations allowing what were not previously allowed under the statute, the Articles herein shall be deemed to have been amended to the extent that Articles will not be capable of restricting what has been allowed by the Act by virtue of an amendment subsequent to registration of the Articles.	Articles to be contemporary in nature
SHARE CAPITAL AND VARIATION OF RIGHTS		
4.	The authorized share capital of the Company shall be such amount and be divided into such shares as may from time to time, be provided in Clause V of Memorandum of Association with power to reclassify, subdivide, consolidate and increase and with power from time to time, to issue any shares of the original capital or any new capital and upon the sub-division of shares to apportion the right to participate in profits, in any manner as between the shares resulting from sub-division.	Authorized share capital
5.	Subject to the provisions of the Act and these Articles, the shares in the capital of the Company shall be under the control of the Board who may issue, allot or otherwise dispose of the same or any of them to such persons, in such proportion and on such terms and conditions and either at a premium or at par or at a discount (subject to the compliance with the provision of section 53 of the Act) and at such time as they may from time to time think fit provided that the option or right to call for shares shall not be given to any person or persons without the sanction of the Company in the general meeting.	Shares under control of Board
6.	Subject to the provisions of the Act, these Articles and with the sanction of the Company in the general meeting to give to any person or persons the option or right to call for any shares either at par or premium during such time and for such consideration as the Board think fit, the Board may issue, allot or otherwise dispose shares in the capital of the Company on payment or part payment for any property or assets of any kind whatsoever sold or transferred, goods or machinery supplied or for services rendered to the Company in the conduct of its business and any shares which may be so allotted may be issued as fully paid-up or partly paid-up otherwise than for cash, and if so issued, shall be deemed to be fully paid-up or partly paid-up shares, as the case may be, provided that the option or right to call of shares shall not be given to any person or persons without the sanction of the Company in the general meeting.	Board may allot shares otherwise than for cash
7.	The Company may issue the following kinds of shares in accordance with these Articles, the Act, the Rules and other Applicable Laws:	Kinds of share capital

	(a) Equity Share capital: (i) with voting rights; and / or (ii) with differential rights as to dividend, voting or otherwise in accordance with the Rules; and (b) Preference share capital	
8. (1)	Unless the shares have been issued in dematerialized form, every person whose name is entered as a member in the register of members shall be entitled to receive within two months after allotment or within one month from the date of receipt by the Company of the application for the registration of transfer or transmission, sub-division, consolidation or renewal of shares or within such other period as the conditions of issue shall provide – (a) one or more certificates in marketable lots for all his shares of each class or denomination registered in his name without payment of any charges; or (b) several certificates, each for one or more of his shares, upon payment of Rupees Twenty for each certificate or such charges as may be fixed by the Board for each certificate after the first.	Issue of certificate
(2)	In respect of any share or shares held jointly by several persons, the Company shall not be bound to issue more than one certificate, and delivery of a certificate for a share to the person first named on the register of members shall be sufficient delivery to all such holders.	Issue of share certificate in case of joint holding
(3)	Every certificate shall specify the shares to which it relates, distinctive numbers of shares in respect of which it is issued and the amount paid-up thereon and shall be in such form as the Board may prescribe and approve.	Option to receive share certificate or hold shares with depository
#8A.	Notwithstanding anything contained in these Articles, the Company shall be entitled to dematerialise its securities and to offer securities in a dematerialised form pursuant to the Depositories Act, 1996 and the rules framed thereunder.	Issue of securities in dematerialized form
#9.	Subject to the provisions of applicable laws, a person subscribing to shares offered by the Company shall have the option either to receive certificates for such shares or hold the shares in a dematerialized state with a depository. However, where the securities of the Company are required to be held in dematerialised form under applicable law, the provisions of such law shall prevail in which event the rights and obligations of the parties concerned and matters connected therewith or incidental thereof, shall be governed by the provisions of the Depositories Act, 1996 as amended from time to time, or any statutory modification thereto or re-enactment thereof. Where a person opts to hold any share with the depository, the Company shall intimate such depository the details of allotment of the share to enable the depository to enter in its records the name of such person as the beneficial owner of that share. The Company shall also maintain a register and index of beneficial owners in accordance with all applicable provisions of the Companies Act, 2013 and the Depositories Act, 1996 with details of shares held in dematerialized form in any medium as may be permitted by law including in any form of electronic medium. The Company shall be entitled to keep in any Country outside India a branch Register of beneficial owners residing outside India.	Option to receive share certificate or hold shares with depository

10.	If any certificate be worn out, defaced, mutilated or torn or if there be no further space on the back for endorsement of transfer, then upon production and surrender thereof to the Company, a new certificate may be issued in lieu thereof, and if any certificate is lost or destroyed then upon proof thereof to the satisfaction of the Company and on execution of such indemnity as the Board deems adequate, a new certificate in lieu thereof shall be given. Every certificate under this Article shall be issued on payment of fees not less than Rupees twenty and not more than Rupees fifty for each certificate as may be fixed by the Board. Provided that no fee shall be charged for issue of new certificates in replacement of those which are old, defaced or worn out or where there is no further space on the back thereof for endorsement of transfer. Provided that notwithstanding what is stated above, the Board shall comply with such rules or regulations or requirements of any stock exchange or the rules made under the Act or rules made under the Securities Contracts (Regulation) Act,1956 or any other act, or rules applicable thereof in this behalf. The provisions of this Article relating to issue of new certificate shall mutatis mutandis apply to debentures of the Company.	Issue of new certificate in place of one defaced, lost or destroyed
11.	Except as required by Applicable Laws, no person shall be recognized by the Company as holding any share upon any trust, and the Company shall not be bound by, or be compelled in any way to recognize (even when having notice thereof) any equitable, contingent, future or partial interest in any share, or any interest in any fractional part of a share, or (except only as by these Articles or by Applicable Laws) any other rights in respect of any share except an absolute right to the entirety thereof in the registered holder.	
12.	Subject to the applicable provisions of the Act and other Applicable Laws, any debentures, debenture-stock or other securities may be issued at a premium or otherwise and may be issued on condition that they shall be convertible into shares of any denomination, and with any privileges and conditions as to redemption, surrender, drawing, allotment of shares and attending (but not voting) at a general meeting, appointment of nominee directors, etc. Debentures with the right to conversion into or allotment of shares shall be issued only with the consent of the Company in a general meeting by special resolution.	Terms of issue of debentures
13.	The provisions of the foregoing Articles relating to issue of certificates shall mutatis mutandis apply to issue of certificates for any other securities including debentures (except where the Act otherwise requires) of the Company. Any debentures, debenture-stock or other securities may be issued at a discount, premium or otherwise and may be issued on condition that they shall be convertible into shares of any denomination and with any privileges and conditions as to redemption, surrender, drawing, allotment of shares, attending (but not voting) at the General Meeting, appointment of Directors and otherwise. Debentures with the right to conversion into or allotment of shares shall be issued only with the consent of the company in the General Meeting by a Special Resolution.	Provisions as to issue of certificates to apply mutatis mutandis to debentures, etc.
14. (1)	The Company may exercise the powers of paying commissions conferred by the Act, to any person in connection with the subscription to its securities, provided that the rate per cent or the amount of the commission paid or agreed to be paid shall be disclosed in the manner required by the Act and the Rules.	Power to pay commission in connection with securities issued
(2)	The rate or amount of the commission shall not exceed the rate or amount prescribed in the Rules.	Rate of commission in accordance with Rules

	(3)	The commission may be satisfied by the payment of cash or the allotment of fully or partly paid shares or partly in the one way and partly in the other.	Mode of payment of commission
15.	(1)	If at any time the share capital is divided into different classes of shares, the rights attached to any class (unless otherwise provided by the terms of issue of the shares of that class) may, subject to the provisions of the Act, and whether or not the Company is being wound up, be varied with the consent in writing, of such number of the holders of the issued shares of that class, or with the sanction of a resolution passed at a separate meeting of the holders of the shares of that class, as prescribed by the Act.	Variation of members' rights
	(2)	To every such separate meeting, the provisions of these Articles relating to general meetings shall *mutatis mutandis* apply.	Provisions as to general meetings to apply *mutatis mutandis* to each Meeting
16.		The rights conferred upon the holders of the shares of any class issued with preferred or other rights shall not, unless otherwise expressly provided by the terms of issue of the shares of that class, be deemed to be varied by the creation or issue of further shares ranking pari passu therewith.	Issue of further shares not to affect rights of existing members
17.		Subject to section 55 and other provisions of the Act, the Board shall have the power to issue or re-issue preference shares of one or more classes which are liable to be redeemed, or converted to equity shares, on such terms and conditions and in such manner as determined by the Board in accordance with the Act.	Power to issue redeemable preference shares
18.	(1)	Where at any time, the Company proposes to increase its subscribed capital by issue of further Securities, either out of the unissued capital or the increased share capital, such Securities shall be offered: (a) to persons who, at the date of offer, are holders of Equity Shares of the Company, in proportion as near as circumstances admit, to the share capital paid up on those shares by sending a letter of offer on the following conditions: i. the aforesaid offer shall be made by a notice specifying the number of Securities offered and limiting a time prescribed under the Act from the date of the offer within which the offer, if not accepted, will be deemed to have been declined; ii. the aforementioned offer shall be deemed to include a right exercisable by the person concerned to renounce the Securities offered to him or any of them in favour of any other person and the notice mentioned in sub-Article (i), above shall contain a statement of this right; and iii. after the expiry of the time specified in the aforesaid notice or on receipt of earlier intimation from the person to whom such notice is given that he declines to accept the Securities offered, the Board of Directors may dispose of them in such manner which is not disadvantageous to the shareholders and the Company; or (b) to employees under any scheme of employees' stock option, subject to a special resolution passed by the Company and subject to the conditions as specified under the Act and Rules thereunder; or (c) to any persons, if it is authorized by a special resolution passed by the Company in a General Meeting, whether or not those persons include the persons referred to in clause (a) or clause (b) above, either for cash or for consideration other than cash, subject to applicable provisions of the Act and Rules thereunder. The notice referred to in sub-clause (i) of sub-Article (a) shall be dispatched through registered post or speed post or through electronic	Further issue of securities

	mode to all the existing Members at least 3 (three) days before the opening of the issue. The provisions contained in this Article shall be subject to the provisions of the section 42 and section 62 of the Act, the rules thereunder and other applicable provisions of the Act.	
(2)	Nothing in this Article shall apply to the increase of the subscribed capital of the Company caused by the exercise of an option as a term attached to the debentures issued or loans raised by the Company to convert such debenture or loans into shares in the Company. Provided that the terms of issue of such debentures or loan containing such an option have been approved before the issue of such debenture or the raising of loan by a special resolution passed by the Company in general meeting.	
(3)	A further issue of securities may be made in any manner whatsoever as the Board may determine including by way of preferential offer or private placement, subject to and in accordance with the Act and the Rules.	Mode of further issue of securities
(4)	The Company shall not give, whether directly or indirectly, and whether by means of a loan, guarantee, the provision of security or otherwise, any financial assistance for the purpose of or in connection with purchase or subscription made or to be made by any person of or for any shares in the Company, nor shall the Company make a loan for any purpose whatsoever on the security of its shares, but nothing in this Article shall prohibit transactions mentioned in Section 67 of the Act. Notwithstanding anything contained in these Articles but subject to the provisions of Sections 68 to 70 and other applicable provisions of the Act or any other law for the time being in force, the Company may purchase its own shares or other specified securities.	
(5)	Notwithstanding anything contained in sub-clause (2) above, where any debentures have been issued or loan has been obtained from any government by the Company, and if that government considers it necessary in the public interest so to do, it may, by order, direct that such debentures or loans or any part thereof shall be converted into shares in the Company on such terms and conditions as appear to the Government to be reasonable in the circumstances of the case even if terms of the issue of such debentures or the raising of such loans do not include a term for providing for an option for such conversion. Provided that where the terms and conditions of such conversion are not acceptable to the Company, it may, within sixty (60) days from the date of communication of such order, appeal to the National Company Law Tribunal which shall after hearing the Company and the Government pass such order as it deems fit. In determining the terms and conditions of conversion as mentioned above, the government shall have due regard to the financial position of the Company, the terms of issue of debentures or loans, as the case may be, the rate of interest payable on such debentures or loans and such other matters as it may consider necessary.	
(6)	Where the government has, by an order made as per the above-mentioned provisions, directed that any debenture or loan or any part thereof shall be converted into shares in the Company and where no appeal has been preferred to the National Company Law Tribunal or where such appeal has been dismissed, the Memorandum of Association of the Company shall, where such order has the effect of increasing the authorized share capital of the Company, be altered and the authorized share capital of the Company shall stand increased by an amount equal to the amount of the value of shares which such debentures or loans or part thereof has been converted into.	

LIEN		
19. (1)	The fully paid shares will be free from all Lien, however, Company shall have a first and paramount Lien – (a) on every share/ Share/Debentures (not being a fully paid share) and upon the proceeds of sale thereof for all monies (whether presently payable or not) called, or payable at a fixed time, in respect of that share; and (b) on all shares/debentures (not being fully paid shares) standing registered in the name of a member, for all monies presently payable by him or his estate to the Company: Provided that the Board may at any time declare any share/Debenture to be wholly or in part exempt from the provisions of this Article. Provided further that Company's lien, if any, on such partly paid shares, shall be restricted to money called or payable at a fixed price in respect of such shares.	Company's lien on shares
(2)	The Company's Lien, if any, on a share shall extend to all dividends or interest, as the case may be, payable and bonuses declared from time to time in respect of such shares for any money owing to the Company.	Lien to extend to dividends, etc.
(3)	Unless otherwise agreed by the Board, the registration of a transfer of shares/debentures shall operate as a waiver of the Company's Lien.	Waiver of Lien in case of registration
20.	The Company may sell, in such manner as the Board thinks fit, any shares on which the Company has a Lien: Provided that no sale shall be made- (a) unless a sum in respect of which the Lien exists is presently payable; or (b) until the expiration of fourteen days after a notice in writing stating and demanding payment of such part of the amount in respect of which the Lien exists as is presently payable, has been given to the registered holder for the time being of the share or to the person entitled thereto by reason of his death or insolvency or otherwise.	As to enforcing Lien by sale
21. (1)	To give effect to any such sale, the Board may authorize some person to transfer the shares/ Debentures sold to the purchaser thereof.	Validity of sale
(2)	The purchaser shall be registered as the holder of the shares/Debentures comprised in any such transfer.	Purchaser to be registered holder
(3)	The receipt of the Company for the consideration (if any) given for the share on the sale thereof shall (subject, if necessary, to execution of an instrument of transfer or a transfer by relevant system, as the case may be) constitute a good title to the share and the purchaser shall be registered as the holder of the share.	Validity of Company's receipt
(4)	The purchaser shall not be bound to see to the application of the purchase money, nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings with reference to the sale	Purchaser not affected
22. (1)	The proceeds of the sale shall be received by the Company and applied in payment of such part of the amount in respect of which the Lien exists as is presently payable.	Application of proceeds of sale
(2)	The residue, if any, shall, subject to a like Lien for sums not presently payable as existed upon the shares before the sale, be paid to the person entitled to the shares at the date of the sale.	Payment of residual money
23.	The provisions of these Articles relating to Lien shall mutatis mutandis apply to any other securities including debentures of the Company.	Provisions as to Lien to apply mutatis mutandis to debentures, etc.

CALLS ON SHARES		
24. (1)	The Board may, from time to time, make calls upon the members in respect of any monies unpaid on their shares (whether on account of the nominal value of the shares or by way of premium) and not by the conditions of allotment thereof made payable at fixed times. Provided that no call shall exceed one-fourth of the nominal value of the share or be payable at less than one month from the date fixed for the payment of the preceding call	Board may make Calls
(2)	Each member shall, subject to receiving at least fourteen days' notice specifying the time or times and place of payment, pay to the Company, at the time or times and place so specified, the amount called on his shares.	Notice of call
(3)	A call may be revoked or postponed at the discretion of the Board.	Revocation or postponement of call
25.	A call shall be deemed to have been made at the time when the resolution of the Board authorizing the call was passed and may be required to be paid by instalments.	Call to take effect from date of resolution
26.	The joint holders of a share shall be jointly and severally liable to pay all calls in respect thereof.	Liability of joint holders of shares
27. (1)	If a sum called in respect of a share is not paid before or on the day appointed for payment thereof (the "due date"), the person from whom the sum is due shall pay interest thereon from the due date to the time of actual payment at such rate as may be fixed by the Board.	When interest on call or instalment payable
(2)	The Board shall be at liberty to waive payment of any such interest wholly or in part.	Board may waive interest
28. (1)	Any sum which by the terms of issue of a share becomes payable on allotment or at any fixed date, whether on account of the nominal value of the share or by way of premium, shall, for the purposes of these Articles, be deemed to be a call duly made and payable on the date on which by the terms of issue such sum becomes payable.	Sums deemed to be calls
(2)	In case of non-payment of such sum, all the relevant provisions of these Articles as to payment of interest and expenses, forfeiture or otherwise shall apply as if such sum had become payable by virtue of a call duly made and notified.	Effect of nonpayment of sums
29.	The Board : (a) may, if it thinks fit, subject to the provisions of the Act, receive from any member willing to advance the same, all or any part of the monies uncalled and unpaid upon any shares held by him; and (b) upon all or any of the monies so advanced, may (until the same would, but for such advance, become presently payable) pay interest at such rate as may be fixed by the Board. Nothing contained in this clause shall confer on the member (a) any right to participate in profits or dividends subsequently declared or (b) any voting rights in respect of the moneys so paid by him until the same would, but for such payment, become presently payable by him. The Directors may at any time repay the amount so advanced.	Payment in anticipation of calls may carry interest
30.	If by the conditions of allotment of any shares, the whole or part of the amount of issue price thereof shall be payable by installments, then every such installment shall, when due, be paid to the Company by the person who, for the time being and from time to time, is or shall be the registered holder of the share or the legal representative of a deceased registered holder.	Installments on shares to be duly paid
31.	All calls shall be made on a uniform basis on all shares falling under the same class.	Calls on shares of same class to be on uniform basis

	Explanation: Shares of the same nominal value on which different amounts have been paid-up shall not be deemed to fall under the same class.	
32.	The provisions of these Articles relating to calls shall mutatis mutandis apply to any other securities including debentures of the Company.	Provisions as to calls to apply mutatis mutandis to debentures, etc.
	TRANSFER OF SHARES	
33. (1)	A common form of transfer shall be used and the instrument of transfer of any share in the Company shall be in writing which shall be duly executed by or on behalf of both the transferor and transferee and all provisions of section 56 of the Act and statutory modification thereof for the time being shall be duly complied with in respect of all transfer of shares and registration thereof.	Instrument of transfer to be executed by transferor and transferee
(2)	The transferor shall be deemed to remain a holder of the share until the name of the transferee is entered in the register of members in respect thereof.	
34.	The Board may, subject to the right of appeal conferred by the section 58 of the Act and other applicable provisions of the Act or any other law for the time being in force, decline to register the transfer or the transmission by operation of law of the right to– (a) any share, not being a fully paid share/debentures, to a person of whom they do not approve; or (b) any shares/debentures on which the Company has a Lien. The registration of a transfer shall not be refused on the ground of the transferor being either alone or jointly with any other person or persons indebted to the Company on any account whatsoever. The Company shall within thirty days from the date on which the instrument of transfer, or the intimation of such transmission, as the case may be, was delivered to Company, send notice of the refusal to the transferee and the transferor or to the person giving intimation of such transmission, as the case may be, giving reasons for such refusal.	Board may refuse to register transfer
35.	The Board may decline to recognize any instrument of transfer unless- (a) the instrument of transfer is duly executed and is in the form as prescribed in the Rules made under sub-section (1) of section 56 of the Act; (b) the instrument of transfer is accompanied by the certificate of the shares to which it relates, and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer; and (c) the instrument of transfer is in respect of only one class of shares. The registration of a transfer shall not be refused on the ground of the transferor being either alone or jointly with any other person or persons indebted to the Company on any account whatsoever.	Board may decline to recognize instrument of transfer
36.	On giving of previous notice of at least seven days or such lesser period in accordance with the Act and Rules made thereunder, the registration of transfers may be suspended at such times and for such periods as the Board may from time to time determine: Provided that such registration shall not be suspended for more than thirty days at any one time or for more than forty five days in the aggregate in any year.	Transfer of shares when suspended

37.		Subject to the provisions of sections 58 and 59 of the Act, these Articles and other applicable provisions of the Act or any other Applicable Laws for the time being in force, the Board may refuse whether in pursuance of any power of the Company under these Articles or any other Applicable Laws to register the transfer of, or the transmission by operation of Applicable Laws of the right to, any shares or interest of a member in or debentures of the Company. The Company shall within one (1) month from the date on which the instrument of transfer, or the intimation of such transmission, as the case may be, was delivered to Company, or such other period as may be prescribed, send notice of the refusal to the transferee and the transferor or to the person giving intimation of such transmission, as the case may be, giving reasons for such refusal. Provided that, subject to provisions of Article 32, the registration of a transfer shall not be refused on the ground of the transferor being either alone or jointly with any other person or persons indebted to the Company on any account whatsoever. Transfer of shares/debentures in whatever lot shall not be refused.	Notice of refusal to register transfer
38.		The provisions of these Articles relating to transfer of shares shall *mutatis mutandis* apply to any other securities including debentures of the Company.	Provisions as to transfer of shares to apply *mutatis mutandis* to debentures, etc.
TRANSMISSION OF SHARES			
39.	(1)	On the death of a member, the survivor or survivors where the member was a joint holder, and his nominee or nominees or legal representatives where he was a sole holder, shall be the only persons recognized by the Company as having any title to his interest in the shares.	Title to shares on death of a member
	(2)	Nothing in clause (1) shall release the estate of a deceased joint holder from any liability in respect of any share which had been jointly held by him with other persons.	Estate of deceased member liable
40.	(1)	Any person becoming entitled to a share in consequence of the death or insolvency of a member may, upon such evidence being produced as may from time to time properly be required by the Board and subject as hereinafter provided, elect, either – (a) to be registered himself as holder of the share; or (b) to make such transfer of the share as the deceased or insolvent member could have made.	Transmission Clause
	(2)	The Board shall, in either case, have the same right to decline or suspend registration as it would have had, if the deceased or insolvent member had transferred the share before his death or insolvency.	Board's right unaffected
41.	(1)	If the person so becoming entitled shall elect to be registered as holder of the share himself, he shall deliver or send to the Company a notice in writing signed by him stating that he so elects.	Right to election of holder of share
	(2)	If the person aforesaid shall elect to transfer the share, he shall testify his election by executing a transfer of the share.	Manner of testifying election
	(3)	All the limitations, restrictions and provisions of these regulations relating to the right to transfer and the registration of transfers of shares shall be applicable to any such notice or transfer as aforesaid as if the death or insolvency of the member had not occurred and the notice or transfer were a transfer signed by that member.	Limitations applicable to notice
42.		A person becoming entitled to a share by reason of the death or insolvency of the holder shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered holder of the share, except that he shall not, before being registered as a member in respect of the share, be entitled in respect of it to exercise any right conferred by membership in relation to meetings of the Company: Provided that the Board may, at any time, give notice requiring any such person to elect either to be registered himself or to transfer the share, and if the notice is not complied with within ninety days, the Board may	Claimant to be entitled to same advantage

	thereafter withhold payment of all dividends, bonuses or other monies payable in respect of the share, until the requirements of the notice have been complied with.	
43.	The provisions of these Articles relating to transmission by operation of law shall *mutatis mutandis* apply to any other securities including debentures of the Company	Provisions as to transmission to apply mutatis mutandis to debentures, etc.
44.	No fee shall be charged for registration of transfer, transmission, probate, succession certificate and letters of administration, certificate of death or marriage, power of attorney or similar other document	No fee for transfer or transmission
FORFEITURE OF SHARES		
45.	If a member fails to pay any call, or instalment of a call or any money due in respect of any share, on the day appointed for payment thereof, the Board may, at any time thereafter during such time as any part of the call or instalment remains unpaid or a judgement or decree in respect thereof remains unsatisfied in whole or in part, serve a notice on him requiring payment of so much of the call or instalment or other money as is unpaid, together with any interest which may have accrued and all expenses that may have been incurred by the Company by reason of non-payment.	If call or instalment not paid notice must be given
46.	The notice aforesaid shall: (a) name a further day (not being earlier than the expiry of fourteen days from the date of service of the notice) on or before which the payment required by the notice is to be made; and (b) state that, in the event of non-payment on or before the day so named, the shares in respect of which the call was made shall be liable to be forfeited.	Form of Notice
47.	If the requirements of any such notice as aforesaid are not complied with, any share in respect of which the notice has been given may, at any time thereafter, before the payment required by the notice has been made, be forfeited by a resolution of the Board to that effect.	In default of payment of shares to be forfeited
48.	When any share shall have been so forfeited, notice of the forfeiture shall be given to the defaulting member and an entry of the forfeiture with the date thereof, shall forthwith be made in the register of members.	Entry of forfeiture in register of members
49.	The forfeiture of a share shall involve extinction at the time of forfeiture, of all interest in and all claims and demands against the Company, in respect of the share and all other rights incidental to the share.	Effect of forfeiture
50. (1)	A forfeited share shall be deemed to be the property of the Company and may be sold or re-allotted or otherwise disposed of either to the person who was before such forfeiture the holder thereof or entitled thereto or to any other person on such terms and in such manner as the Board thinks fit.	Forfeited shares may be sold, etc.
(2)	At any time before a sale, re-allotment or disposal as aforesaid, the Board may cancel the forfeiture on such terms as it thinks fit.	Cancellation of forfeiture
51. (1)	A person whose shares have been forfeited shall cease to be a member in respect of the forfeited shares, but shall, notwithstanding the forfeiture, remain liable to pay, and shall pay, to the Company all monies which, at the date of forfeiture, were presently payable by him to the Company in respect of the shares.	Members still liable to pay money owing at the time of forfeiture
(2)	The liability of such person shall cease if and when the Company shall have received payment in full of all such monies in respect of the shares.	Cesser of liability
52. (1)	A duly verified declaration in writing that the declarant is a director, the manager or the secretary of the Company, and that a share in the Company has been duly forfeited on a date stated in the declaration, shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share;	Certificate of forfeiture

(2)	The Company may receive the consideration, if any, given for the share on any sale, re-allotment or disposal thereof and may execute a transfer of the share in favour of the person to whom the share is sold or disposed of;	Title of purchaser and transferee of forfeited shares
(3)	The transferee shall thereupon be registered as the holder of the share; and	Transferee to be registered as holder
(4)	The transferee shall not be bound to see to the application of the purchase money, if any, nor shall his title to the share be affected by any irregularity or invalidity in the proceedings in reference to the forfeiture, sale, re-allotment or disposal of the share.	Transferee not affected
53.	Upon any sale after forfeiture or for enforcing a Lien in exercise of the powers hereinabove given, the Board may, if necessary, appoint some person to execute an instrument for transfer of the shares sold and cause the purchaser's name to be entered in the register of members in respect of the shares sold and after his name has been entered in the register of members in respect of such shares the validity of the sale shall not be impeached by any person.	Validity of sales
54.	Upon any sale, re-allotment or other disposal under the provisions of the preceding Articles, the certificate(s), if any, originally issued in respect of the relative shares shall (unless the same shall on demand by the Company has been previously surrendered to it by the defaulting member) stand cancelled and become null and void and be of no effect, and the Board shall be entitled to issue a duplicate certificate(s) in respect of the said shares to the person(s) entitled thereto.	Cancellation of share certificate in respect of forfeited shares
55.	The Board may, subject to the provisions of the Act, accept a surrender of any share from or by any member desirous of surrendering them on such terms as they think fit.	Surrender of share certificates
56.	The provisions of these Articles as to forfeiture shall apply in the case of non-payment of any sum which, by the terms of issue of a share, becomes payable at a fixed time, whether on account of the nominal value of the share or by way of premium, as if the same had been payable by virtue of a call duly made and notified.	Sums deemed to be calls
57.	The provisions of these Articles relating to forfeiture of shares shall *mutatis mutandis* apply to any other securities including debentures of the Company.	Provisions as to forfeiture of shares to apply mutatis mutandis to debentures, etc.
	BORROWING POWERS	
58.	Subject to the provisions of the Act and these Articles, the Board may from time to time, at its own discretion, borrow monies by passing a resolution at meetings of the Board; provided however, that if the monies to be borrowed, together with the money already borrowed by the Company exceeds the aggregate of the paid-up share capital and free reserves and securities premium of the Company, then such borrowing must be approved by way a special resolution in accordance with the provisions of the Act.	Power of the Board to borrow monies
	ALTERATION OF CAPITAL	
59.	Subject to the provisions of the Act, the Company may, by ordinary resolution - (a) increase the share capital by such sum, to be divided into shares of such amount as it thinks expedient; (b) consolidate and divide all or any of its share capital into shares of larger amount than its existing shares: Provided that any consolidation and division which results in changes in the voting percentage of members shall require applicable approvals under the Act;	Power to alter share capital

	(c) convert all or any of its fully paid-up shares into stock, and reconvert that stock into fully paid-up shares of any denomination; (d) sub-divide its existing shares or any of them into shares of smaller amount than is fixed by the Memorandum; (e) cancel any shares which, at the date of the passing of the resolution, have not been taken or agreed to be taken by any person.	
60.	Where shares are converted into stock: (a) the holders of stock may transfer the same or any part thereof in the same manner as, and subject to the same Articles under which, the shares from which the stock arose might before the conversion have been transferred, or as near thereto as circumstances admit: Provided that the Board may, from time to time, fix the minimum amount of stock transferable, so, however, that such minimum shall not exceed the nominal amount of the shares from which the stock arose; (b) the holders of stock shall, according to the amount of stock held by them, have the same rights, privileges and advantages as regards dividends, voting at meetings of the Company, and other matters, as if they held the shares from which the stock arose; but no such privilege or advantage (except participation in the dividends and profits of the Company and in the assets on winding up) shall be conferred by an amount of stock which would not, if existing in shares, have conferred that privilege or advantage; (c) such of these Articles of the Company as are applicable to paid-up shares shall apply to stock and the words "**share**" and "**shareholder**"/ "**member**" shall include "**stock**" and "**stock-holder**" respectively.	Right of stockholders
61.	The Company may, by resolution as prescribed by the Act, reduce in any manner and in accordance with the provisions of the Act and the Rules, - (a) its share capital; and/or (b) any capital redemption reserve account; and/or (c) any securities premium account; and/or (d) any other reserve in the nature of share capital.	Reduction of capital
62.	Where two or more persons are registered as joint holders (not more than three) of any share, they shall be deemed (so far as the Company is concerned) to hold the same as joint tenants with benefits of survivorship, subject to the following and other provisions contained in these Articles:	Joint holders
	(a) The joint-holders of any share shall be liable severally as well as jointly for and in respect of all calls or instalments and other payments which ought to be made in respect of such share.	Liability of Joint holders

	(b)	On the death of any one or more of such joint-holders, the survivor or survivors shall be the only person or persons recognized by the Company as having any title to the share but the Board may require such evidence of death as they may deem fit, and nothing herein contained shall be taken to release the estate of a deceased joint-holder from any liability on shares held by him jointly with any other person.	Death of one or more joint-holders
	(c)	Any one of such joint holders may give effectual receipts of any dividends, interests or other moneys payable in respect of such share.	Receipt of one Sufficient
	(d)	Only the person whose name stands first in the register of members as one of the joint-holders of any share shall be entitled to the delivery of certificate, if any, relating to such share or to receive notice (which term shall be deemed to include all relevant documents) and any notice served on or sent to such person shall be deemed service on all the joint-holders.	Delivery of certificate and giving of notice to first named holder
	(e)	(i) Any one of two or more joint-holders may vote at any meeting either personally or by attorney or by proxy in respect of such shares as if he were solely entitled thereto and if more than one of such joint holders be present at any meeting personally or by proxy or by attorney then that one of such persons so present whose name stands first or higher (as the case may be) on the register in respect of such shares shall alone be entitled to vote in respect thereof.	Vote of joint holders
		(ii) Several executors or administrators of a deceased member in whose (deceased member) sole name any share stands, shall for the purpose of this clause be deemed joint-holders.	Executors or administrators as joint holders
	(f)	The provisions of these Articles relating to joint holders of shares shall *mutatis mutandis* apply to any other securities including debentures of the Company registered in joint names.	Provisions as to joint holders as to shares to apply *mutatis mutandis* to debentures, etc.
CAPITALIZATION OF PROFITS			
63. (1)		The Company by ordinary resolution in general meeting may, upon the recommendation of the Board, resolve - (a) that it is desirable to capitalize any part of the amount for the time being standing to the credit of any of the Company's reserve accounts, or to the credit of the profit and loss account, or otherwise available for distribution; and (b) that such sum be accordingly set free for distribution in the manner specified in clause (2) below amongst the members who would have been entitled thereto, if distributed by way of dividend and in the same proportions.	Capitalization
(2)		The sum aforesaid shall not be paid in cash but shall be applied, subject to the provision contained in clause (3) below, either in or towards: (a) paying up any amounts for the time being unpaid on any shares held by such members respectively; (b) paying up in full, unissued shares or other securities of the Company to be allotted and distributed, credited as fully paid-up, to and amongst such members in the proportions aforesaid; (c) partly in the way specified in sub-clause (a) and partly in that specified in sub-clause (b).	Sum how applied
(3)		A securities premium account and a capital redemption reserve account or any other permissible reserve account may, for the purposes of this Article,	

	be applied in the paying up of unissued shares to be issued to members of the Company as fully paid bonus shares;	
(4)	The Board shall give effect to the resolution passed by the Company in pursuance of these Article.	
64. (1)	Whenever such a resolution as aforesaid shall have been passed, the Board shall - (a) make all appropriations and applications of the amounts resolved to be capitalized thereby, and all allotments and issues of fully paid shares or other securities, if any; and (b) generally do all acts and things required to give effect thereto.	Powers of the Board for capitalization
(2)	The Board shall have power - (a) to make such provisions, by the issue of fractional certificates/coupons or by payment in cash or otherwise as it thinks fit, for the case of shares or other securities becoming distributable in fractions; and (b) to authorize any person to enter, on behalf of all the members entitled thereto, into an agreement with the Company providing for the allotment to them respectively, credited as fully paid-up, of any further shares or other securities to which they may be entitled upon such capitalization, or as the case may require, for the payment by the Company on their behalf, by the application thereto of their respective proportions of profits resolved to be capitalized, of the amount or any part of the amounts remaining unpaid on their existing shares.	Board's power to issue fractional certificate/ coupon etc.
(3)	Any agreement made under such authority shall be effective and binding on such members.	Agreement binding on members
BUY-BACK OF SHARES		
65.	Notwithstanding anything contained in these Articles but subject to all applicable provisions of the Act or any other Applicable Laws for the time being in force, the Company may purchase its own shares or other specified securities.	Buy-back of shares
GENERAL MEETINGS		
66.	All general meetings other than annual general meeting shall be called extraordinary general meeting.	Extraordinary general meeting
67.	The Board may, whenever it thinks fit, call an extraordinary general meeting.	Powers of Board to call extraordinary general meeting
68.	General Meeting shall be called by giving not less than twenty one days' notice, either in writing or through electronic mode as prescribed under the Act, except as otherwise provided by law. For the purpose of reckoning twenty one days' notice, the day of sending the notice and the day of the Meeting shall not be counted. The notice shall specify the place, date, day and hour of the Meeting and the business to be transacted thereat. In the case of special business, an explanatory statement shall be annexed to the notice in accordance with the provisions of Section 102 of the Act. Such notice shall be given in the manner hereinafter mentioned or in such other manner, if any, as prescribed under the Act, to all the Members and to the persons entitled to a share in the consequence of death or insolvency of a Member, and to such other persons as specified under law. Any accidental omission to give notice of a Meeting to, or the non-receipt of notice of a Meeting by, any Member or other person entitled to receive such notice shall not invalidate the proceedings of the Meeting.	Notice of General Meetings
PROCEEDINGS AT GENERAL MEETINGS		

69.		No business shall be transacted at any general meeting unless a Minimum required quorum as per Section 103 of the Companies Act, 2013 of members is present at the time when the meeting proceeds to business.	Presence of Quorum
70.		No business shall be discussed or transacted at any general meeting except election of Chairperson whilst the chair is vacant.	Business confined to election of Chairperson whilst chair vacant
71.		The quorum for a general meeting shall be as provided in the Act.	Quorum for general meeting
72.		If at any meeting no director is willing to act as Chairperson or if no director is present within fifteen minutes after the time appointed for holding the meeting, the members present shall, by poll or electronically, choose one of their members to be Chairperson of the meeting.	Members to elect a Chairperson
73.		On any business at any general meeting, in case of an equality of votes, whether on a show of hands or electronically or on a poll, the Chairperson shall have a second or casting vote.	Casting vote of Chairperson at general meeting
74.	(1)	The Company shall cause minutes of the proceedings of every general meeting of any class of members or creditors and every resolution passed by postal ballot to be prepared and signed in such manner as may be prescribed by the Rules and kept by making within thirty days of the conclusion of every such meeting concerned or passing of resolution by postal ballot entries thereof in books kept for that purpose with their pages consecutively numbered.	Minutes of proceedings of meetings and resolutions passed by postal ballot
	(2)	There shall not be included in the minutes any matter which, in the opinion of the Chairperson of the meeting – (a) is, or could reasonably be regarded, as defamatory of any person; or (b) is irrelevant or immaterial to the proceedings; or (c) is detrimental to the interests of the Company.	Certain matters not to be included in Minutes
	(3)	The Chairperson shall exercise an absolute discretion in regard to the inclusion or non-inclusion of any matter in the minutes on the grounds specified in the aforesaid clause.	Discretion of Chairperson in relation to Minutes
	(4)	The minutes of the meeting kept in accordance with the provisions of the Act shall be evidence of the proceedings recorded therein.	Minutes to be Evidence
75.	(1)	The book/binder containing the minutes of the proceedings of any general meeting of the Company or a resolution passed by postal ballot shall: a. be kept at the registered office of the Company; and b. be open to inspection of any member without charge, during business hours on all working days.	Inspection of minute books of general meeting
	(2)	Any member shall be entitled to be furnished, within the time prescribed by the Act, after he has made a request in writing in that behalf to the Company and on payment of such fees as may be fixed by the Board, with a copy of any minutes referred to in clause (1) above.	Members may obtain copy of minutes
ADJOURNMENT OF MEETING			
76.	(1)	The Chairperson may, *suo motu*, adjourn the meeting from time to time and from place to place with the consent of the members where quorum is present	Chairperson may adjourn the meeting
	(2)	No business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place.	Business at adjourned meeting
	(3)	When a meeting is adjourned for thirty days or more, notice of the adjourned meeting shall be given as in the case of an original meeting.	Notice of adjourned meeting
	(4)	Save as aforesaid, and save as provided in the Act, it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned meeting.	Notice of adjourned meeting not required
VOTING RIGHTS			

77.	Subject to any rights or restrictions for the time being attached to any class or classes of shares - (a) on a show of hands, every member present in person shall have one vote; and (b) on a poll, the voting rights of members shall be in proportion to his share in the paid-up Equity Share capital of the company.	Entitlement to vote on show of hands and on poll
78.	A member may exercise his vote at a meeting by electronic means in accordance with the Act and shall vote only once.	Voting through electronic means
79. (1)	In the case of joint holders, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders.	Vote of joint holders
(2)	For this purpose, seniority shall be determined by the order in which the names stand in the register of members.	Seniority of names
80.	A member of unsound mind, or in respect of whom an order has been made by any court having jurisdiction in lunacy, may vote, whether on a show of hands or on a poll, by his committee or other legal guardian, and any such committee or guardian may, on a poll, vote by proxy. If any member be a minor, the vote in respect of his share or shares shall be by his guardian or any one of his guardians.	How members non compos mentis and minor may vote
81.	Any business other than that upon which a poll has been demanded may be proceeded with, pending the taking of the poll.	Business may proceed pending poll
82.	No member shall be entitled to vote at any general meeting unless all calls or other sums presently payable by him in respect of shares in the Company have been paid or in regard to which the Company has exercised any right of Lien.	Restriction on voting rights
83.	A member is not prohibited from exercising his voting on the ground that he has not held his share or other interest in the Company for any specified period preceding the date on which the vote is taken, or on any other ground not being a ground set out in the preceding Article.	Restriction on exercise of voting rights in other cases to be void
84.	Any member whose name is entered in the register of members of the Company shall enjoy the same rights and be subject to the same liabilities as all other members of the same class.	Equal rights of members
PROXY		
85. (1)	Any member entitled to attend and vote at a general meeting may do so either personally or through his constituted attorney or through another person as a proxy on his behalf, for that meeting.	Member may vote in person or otherwise
(2)	The instrument appointing a proxy and the power-of attorney or other authority, if any, under which it is signed or a notarized copy of that power or authority, shall be deposited at the registered office of the Company not less than 48 hours before the time for holding the meeting or adjourned meeting at which the person named in the instrument proposes to vote, and in default the instrument of proxy shall not be treated as valid.	Proxies when to be deposited
86.	An instrument appointing a proxy shall be in the form as prescribed in the Rules.	Form of proxy
87.	A vote given in accordance with the terms of an instrument of proxy shall be valid, notwithstanding the previous death or insanity of the principal or the revocation of the proxy or of the authority under which the proxy was executed, or the transfer of the shares in respect of which the proxy is given: Provided that no intimation in writing of such death, insanity, revocation or transfer shall have been received by the Company at its office before the commencement of the meeting or adjourned meeting at which the proxy is used.	Proxy to be valid notwithstanding death of the principal
BOARD OF DIRECTORS		

88.	Unless otherwise determined by the Company in general meeting, the number of directors shall not be less than 3 (three) and shall not be more than 15 (fifteen). The following persons were the First Directors of the Company at the time of Incorporation: 1. Mr. Ashish Agarwal (DIN: 07486119) 2. Mrs. Seema Agarwal (DIN: 07486308) The Current Directors of the Company as on the date of modification of this article of association are: 1. Mr. Ashish Agarwal (DIN: 07486119) 2. Mrs. Seema Agarwal (DIN: 07486308) 3. Mr. Dev Agarwal (DIN: 09117419)	Board of Directors
89.	The Directors shall not be required to hold any specific qualification shares in the Company.	
89A (1)	The Board of Directors shall appoint the Chairperson of the Company. The same individual may, at the same time, be appointed as the Chairperson as well as the Managing Director of the Company.	Chairperson and Managing Director
(2)	The Board shall have the power to determine the directors whose period of office is or is not liable to determination by retirement of directors by rotation.	Directors not liable to retire by rotation
90. (1)	The remuneration of the directors shall, in so far as it consists of a monthly payment, be deemed to accrue from day-to-day.	Remuneration of Directors
(2)	The remuneration payable to the directors, including manager, if any, shall be determined in accordance with and subject to the provisions of the Act by an ordinary resolution passed by the Company in general meeting.	Remuneration to require members' consent
(3)	In addition to the remuneration payable to them in pursuance of the Act, the directors may be paid all travelling, hotel and other expenses properly incurred by them- (a) in attending and returning from meetings of the Board of Directors or any committee thereof or general meetings of the Company; or (b) in connection with the business of the Company.	Travelling and other expenses
(4)	Subject to the provisions of these Articles and the provisions of the Act, the Board may, decide to pay a Director out of funds of the Company by way of sitting fees, within the ceiling prescribed under the Act, a sum to be determined by the Board for each meeting of the Board or any committee or sub-committee thereof attended by him in addition to his traveling, boarding and lodging and other expenses incurred	Sitting Fees
APPOINTMENT AND REMUNERATION OF DIRECTORS		
91.	Subject to the provisions of the Act and these Articles, the Board of Directors, may from time to time, appoint one or more of the Directors to be Managing Directors or other whole-time Director(s) of the Company, for a term not exceeding five years at a time and may, from time to time, (subject to the provisions of any contract between him or them and the Company) remove or dismiss him or them from office and appoint another or others in his or their place or places and the remuneration of Managing or Whole-Time Director(s) by way of salary and commission shall be in accordance with the relevant provisions of the Act.	Appointment
92.	Subject to the provisions of the Act, the Board shall appoint Independent Directors, who shall have appropriate experience and qualifications to hold a position of this nature on the Board.	Independent Director

93.	Subject to the provisions of section 196, 197 and 188 read with Schedule V to the Act, the Directors shall be paid such further remuneration, whether in the form of monthly payment or by a percentage of profit or otherwise, as the Company in General meeting may, from time to time, determine and such further remuneration shall be divided among the Directors in such proportion and in such manner as the Board may, from time to time, determine and in default of such determination shall be divided among the Directors equally or if so determined paid on a monthly basis.	Remuneration
94.	Subject to the provisions of these Articles, and the provisions of the Act, if any Director, being willing, shall be called upon to perform extra service or to make any special exertions in going or residing away from the place of his normal residence for any of the purposes of the Company or has given any special attendance for any business of the Company, the Company may remunerate the Director so doing either by a fixed sum or otherwise as may be determined by the Director	Payment for Extra Service
95.	All cheques, promissory notes, drafts, hundis, bills of exchange and other negotiable instruments, and all receipts for monies paid to the Company, shall be signed, drawn, accepted, endorsed, or otherwise executed, as the case may be, by such person and in such manner as the Board shall from time to time by resolution determine.	Execution of negotiable instruments
96. (1)	Subject to the provisions of the Act, the Board shall have power at any time, and from time to time, to appoint a person as an additional director, provided the number of the directors and additional directors together shall not at any time exceed the maximum strength fixed for the Board by the Articles.	Appointment of additional directors
(2)	Such person shall hold office only up to the date of the next annual general meeting of the Company but shall be eligible for appointment by the Company as a director at that meeting subject to the provisions of the Act.	Duration of office of additional director
97. (1)	The Board may appoint an alternate director to act for a director (hereinafter in this Article called "the Original Director") during his absence for a period of not less than three months from India. No person shall be appointed as an alternate director for an independent director unless he is qualified to be appointed as an independent director under the provisions of the Act.	Appointment of alternate director
(2)	An alternate director shall not hold office for a period longer than that permissible to the Original Director in whose place he has been appointed and shall vacate the office if and when the Original Director returns to India	Duration of office of alternate director
(3)	If the term of office of the Original Director is determined before he returns to India the automatic reappointment of retiring directors in default of another appointment shall apply to the Original Director and not to the alternate director.	Re-appointment provisions applicable to Original Director
98. (1)	If the office of any director appointed by the Company in general meeting is vacated before his term of office expires in the normal course, the resulting casual vacancy may, be filled by the Board of Directors at a meeting of the Board.	Appointment of director to fill a casual vacancy
(2)	The director so appointed shall hold office only up to the date upto which the director in whose place he is appointed would have held office if it had not been vacated.	Duration of office of Director appointed to fill casual vacancy
POWERS OF BOARD		
99.	The management of the business of the Company shall be vested in the Board and the Board may exercise all such powers, and do all such acts and things, as the Company is by the Memorandum or otherwise authorized to exercise and do, and, not hereby or by the statute or otherwise directed or required to be exercised or done by the Company in general meeting but subject nevertheless to the provisions of the Act and other Applicable Laws and of the Memorandum and these Articles and to any regulations, not being inconsistent with the Memorandum and these Articles or the Act, from time to time made by the Company in general	General powers of the Company vested in Board

		meeting provided that no such regulation shall invalidate any prior act of the Board which would have been valid if such regulation had not been made.	
PROCEEDINGS OF THE BOARD			
100.	(1)	The Board of Directors may meet for the conduct of business, adjourn and otherwise regulate its meetings, as it thinks fit. Provided, that the Board of Directors shall hold meetings at least once in every three months and at least four times every calendar year.	When meeting to be convened
	(2)	The Chairperson or any one Director with the previous consent of the Chairperson may, or the company secretary on the direction of the Chairperson shall, at any time, summon a meeting of the Board.	Who may summon Board meeting
	(3)	The quorum for a Board meeting shall be as provided in the Act.	Quorum for Board meetings
	(4)	The participation of directors in a meeting of the Board may be either in person or through video conferencing or audio visual means or teleconferencing, as may be prescribed by the Rules or permitted under Applicable Laws.	Participation at Board meetings
	(5)	At least 7 (seven) Days' written notice shall be given in writing to every Director by hand delivery or by speed-post or by registered post or by facsimile or by email or by any other electronic means, either (i) in writing, or (ii) by fax, e-mail or other approved electronic communication, receipt of which shall be confirmed in writing as soon as is reasonably practicable, to each Director, setting out the agenda for the meeting in reasonable detail and attaching the relevant papers to be discussed at the meeting and all available data and information relating to matters to be discussed at the meeting except as otherwise agreed in writing by all the Directors.	Notice of Board meetings
101.	(1)	Save as otherwise expressly provided in the Act, questions arising at any meeting of the Board shall be decided by a majority of votes.	Questions at Board meeting how decided
	(2)	In case of an equality of votes, the Chairperson of the Board, if any, shall have a second or casting vote.	Casting vote of Chairperson at Board meeting
102.		The continuing directors may act notwithstanding any vacancy in the Board; but, if and so long as their number is reduced below the quorum fixed by the Act for a meeting of the Board, the continuing directors or director may act for the purpose of increasing the number of directors to that fixed for the quorum, or of summoning a general meeting of the Company, but for no other purpose.	Directors not to act when number falls below minimum
103.	(1)	The Chairperson of the Company shall be the Chairperson at meetings of the Board. In his absence, the Board may elect a Chairperson of its meetings and determine the period for which he is to hold office.	Who to preside at meetings of the Board
	(2)	If no such Chairperson is elected, or if at any meeting the Chairperson is not present within fifteen minutes after the time appointed for holding the meeting, the directors present may choose one of their members to be Chairperson of the meeting	Directors to elect a Chairperson
104.	(1)	The Board may, subject to the provisions of the Act, delegate any of its powers to Committees consisting of such member or members of its body as it thinks fit.	Delegation of powers
	(2)	Any Committee so formed shall, in the exercise of the powers so delegated, conform to any regulations that may be imposed on it by the Board.	Committee to conform to Board regulations
	(3)	The participation of directors in a meeting of the Committee may be either in person or through video conferencing or audio visual means or teleconferencing, as may be prescribed by the Rules or permitted under Applicable Laws.	Participation at Committee meetings
105.	(1)	A Committee may elect a Chairperson of its meetings unless the Board, while constituting a Committee, has appointed a Chairperson of such Committee.	Chairperson of Committee

	(2)	If no such Chairperson is elected, or if at any meeting the Chairperson is not present within fifteen minutes after the time allocated for holding the meeting, the members present may choose one of their members to be Chairperson of the meeting.	Who to preside at meetings of Committee
106.	(1)	A Committee may meet and adjourn as it thinks fit.	Committee to meet
	(2)	Questions arising at any meeting of a Committee shall be determined by a majority of votes of the members present.	Questions at Committee meeting how decided
	(3)	In case of an equality of votes, the Chairperson of the Committee shall have a second or casting vote.	Casting vote of Chairperson at Committee meeting
107.		All acts done in any meeting of the Board or of a Committee thereof or by any person acting as a director, shall, notwithstanding that it may be afterwards discovered that there was some defect in the appointment of any one or more of such directors or of any person acting as aforesaid, or that they or any of them were disqualified or that his or their appointment had terminated, be as valid as if every such director or such person had been duly appointed and was qualified to be a director.	Acts of Board or Committee valid notwithstanding defect of appointment
108.		Save as otherwise expressly provided in the Act, a resolution in writing, signed, whether manually or by secure electronic mode, by a majority of the members of the Board or of a Committee thereof, for the time being entitled to receive notice of a meeting of the Board or Committee, shall be valid and effective as if it had been passed at a meeting of the Board or Committee, duly convened and held.	Passing of resolution by Circulation
CHIEF EXECUTIVE OFFICER, MANAGER, COMPANY SECRETARY AND CHIEF FINANCIAL OFFICER			
109.	(1)	Subject to the provisions of the Act, - A chief executive officer, manager, company secretary and chief financial officer may be appointed by the Board for such term, at such remuneration and upon such conditions as it may think fit; and any chief executive officer, manager, company secretary and chief financial officer so appointed may be removed by means of a resolution of the Board; the Board may appoint one or more chief executive officers for its multiple businesses.	Chief Executive Officer, etc.
	(2)	A director may be appointed as chief executive officer, manager, company secretary or chief financial officer.	Director may be chief executive officer, etc.
REGISTERS			
110.		The Company shall keep and maintain at its registered office all statutory registers namely, register of charges, register of members, register of debenture holders, register of any other security holders, the register and index of beneficial owners and annual return, register of loans, guarantees, security and acquisitions, register of investments not held in its own name and register of contracts and arrangements for such duration as the Board may, unless otherwise prescribed, decide, and in such manner and containing such particulars as prescribed by the Act and the Rules. The registers and copies of annual return shall be open for inspection during business hours on all working days, at the registered office of the Company by the persons entitled thereto on payment, where required, of such fees as may be fixed by the Board but not exceeding the limits prescribed by the Rules.	Statutory registers
111.	(1)	The Company may exercise the powers conferred on it by the Act with regard to the keeping of a foreign register; and the Board may (subject to the provisions of the Act) make and vary such regulations as it may think fit respecting the keeping of any such register.	Foreign register
	(2)	The foreign register shall be open for inspection and may be closed, and extracts may be taken therefrom and copies thereof may be required, in the same manner, mutatis mutandis, as is applicable to the register of members.	
DIVIDENDS AND RESERVE			

112.		The Company in general meeting may declare dividends, but no dividend shall exceed the amount recommended by the Board but the Company in general meeting may declare a lesser dividend.	Company in general meeting may declare dividends
113.		Subject to the provisions of the Act, the Board may from time to time pay to the members such interim dividends of such amount on such class of shares and at such times as it may think fit.	Interim dividends
113A		Subject to the provisions of the Act, the Board may from time to time pay to the members such special dividends of such amount on such class of shares and at such times as it may think fit.	Special dividends
114.	(1)	The Board may, before recommending any dividend, set aside out of the profits of the Company such sums as it thinks fit as a reserve or reserves which shall, at the discretion of the Board, be applied for any purpose to which the profits of the Company may be properly applied, including provision for meeting contingencies or for equalizing dividends; and pending such application, may, at the like discretion, either be employed in the business of the Company or be invested in such investments (other than shares of the Company) as the Board may, from time to time, think fit.	Dividends only to be paid out of profits
	(2)	The Board may also carry forward any profits which it may consider necessary not to divide, without setting them aside as a reserve.	Carry forward of Profits
115.	(1)	Subject to the rights of persons, if any, entitled to shares with special rights as to dividends, all dividends shall be declared and paid according to the amounts paid or credited as paid on the shares in respect whereof the dividend is paid, but if and so long as nothing is paid upon any of the shares in the Company, dividends may be declared and paid according to the amounts of the shares.	Division of profits
	(2)	No amount paid or credited as paid on a share in advance of calls shall be treated for the purposes of this Article as paid on the share.	Payments in advance
	(3)	All dividends shall be apportioned and paid proportionately to the amounts paid or credited as paid on the shares during any portion or portions of the period in respect of which the dividend is paid; but if any share is issued on terms providing that it shall rank for dividend as from a particular date such share shall rank for dividend accordingly.	Dividends to be apportioned
116.	(1)	The Board may deduct from any dividend payable to any member all sums of money, if any, presently payable by him to the Company on account of calls or otherwise in relation to the shares of the Company.	No member to receive dividend whilst indebted to the Company and Company's right to reimbursement therefrom
	(2)	The Board may retain dividends payable upon shares in respect of which any person is, under the Transmission Clause hereinbefore contained, entitled to become a member, until such person shall become a member in respect of such shares.	Retention of dividends
117.	(1)	Any dividend, interest or other monies payable in cash in respect of shares may be paid by electronic mode or by cheque or warrant sent through the post directed to the registered address of the holder or, in the case of joint holders, to the registered address of that one of the joint holders who is first named on the register of members, or to such person and to such address as the holder or joint holders may in writing direct.	Dividend how remitted
	(2)	Every such cheque or warrant shall be made payable to the order of the person to whom it is sent.	Instrument of Payment
	(3)	Payment in any way whatsoever shall be made at the risk of the person entitled to the money paid or to be paid. The Company will not be responsible for a payment which is lost or delayed. The Company will be deemed to having made a payment and received a good discharge for it if a payment using any of the foregoing permissible means is made.	Discharge to Company
118.		Any one of two or more joint holders of a share may give effective receipts for any dividends, bonuses or other monies payable in respect of such share.	Receipt of one holder sufficient
119.		No dividend shall bear interest against the Company.	No interest on dividends

120.		The waiver in whole or in part of any dividend on any share by any document shall be effective only if such document is signed by the member (or the person entitled to the share in consequence of the death or bankruptcy of the holder) and delivered to the Company and if or to the extent that the same is accepted as such or acted upon by the Board.	Waiver of dividends
UNPAID OR UNCLAIMED DIVIDEND			
121.	(1)	Where the Company has declared a dividend but which has not been paid or claimed within thirty (30) days from the date of declaration, the Company shall, within seven (7) days from the date of expiry of the said period of thirty (30) days, transfer the total amount of dividend which remains unpaid or unclaimed, to a special account to be opened by the Company in that behalf in any scheduled bank called "**Unpaid Dividend of _____ Limited**" and transfer to the said account, the total amount of dividend which remains unpaid or in relation to which no dividend warrant has been posted, subject to the applicable provisions of the Act and the Rules made thereunder.	Transfer of unclaimed dividend
	(2)	The Company shall, within a period of ninety days of making any transfer of an amount, as stated above to the unpaid dividend account, prepare a statement containing the names, their last known addresses and the unpaid dividend to be paid to each person and place it on the website of the Company, if any, and also on any other website approved by the Central Government for this purpose, in such form, manner and other particulars as may be prescribed. If any default is made in transferring the total amount referred to in sub-article (1) or any part thereof to the unpaid dividend account of the Company, it shall pay, from the date of such default, interest on so much of the amount as has not been transferred to the said account, at the rate of twelve per cent. per annum and the interest accruing on such amount shall ensure to the benefit of the members of the company in proportion to the amount remaining unpaid to them. Any money transferred to the unpaid dividend account of the Company which remains unpaid or unclaimed for a period of seven (7) years from the date of such transfer, shall be transferred by the Company to the Investor Education and Protection Fund established under section 125 of the Act. Any person claiming to be entitled to an amount may apply to the authority constituted by the Central Government for the payment of the money claimed. All shares in respect of which dividend has not been paid or claimed for 7 (seven) consecutive years or more shall be transferred by the Company in the name of the Investors Education and Protection Fund subject to the provisions of the Act and Rules.	Transfer to IEPF Account
	(3)	No unclaimed or unpaid dividend shall be forfeited by the Board until the claim becomes barred by Applicable Laws.	Forfeiture of unclaimed dividend
ACCOUNTS			
122.	(1)	The books of account and books and papers of the Company, or any of them, shall be open to the inspection of directors in accordance with the applicable provisions of the Act and the Rules.	Inspection by Directors
	(2)	No member (not being a director) shall have any right of inspecting any books of account or books and papers or document of the Company except as conferred by Applicable Laws or authorized by the Board.	Restriction on inspection by members
WINDING UP			
123.		Subject to the applicable provisions of the Act and the Rules made thereunder –	Winding up of Company
	(1)	If the Company shall be wound up, the liquidator may, with the sanction of a special resolution of the Company and any other sanction required by the Act, divide amongst the members, in specie or kind, the whole or any	

	part of the assets of the Company, whether they shall consist of property of the same kind or not.	
(2)	For the purpose aforesaid, the liquidator may set such value as he deems fair upon any property to be divided as aforesaid and may determine how such division shall be carried out as between the members or different classes of members.	
(3)	The liquidator may, with the like sanction, vest the whole or any part of such assets in trustees upon such trusts for the benefit of the contributories if he considers necessary, but so that no member shall be compelled to accept any shares or other securities whereon there is any liability.	
INDEMNITY AND INSURANCE		
124. (1)	Subject to the provisions of the Act, every director, managing director, whole-time director, manager, company secretary and other officer of the Company shall be indemnified by the Company out of the funds of the Company, to pay all costs, losses and expenses (including travelling expense) which such director, manager, company secretary and officer may incur or become liable for by reason of any contract entered into or act or deed done by him in his capacity as such director, manager, company secretary or officer or in any way in the discharge of his duties in such capacity including expenses.	Directors and officers right to indemnity
(2)	Subject as aforesaid, every director, managing director, manager, company secretary or other officer of the Company shall be indemnified against any liability incurred by him in defending any proceedings, whether civil or criminal in which judgement is given in his favour or in which he is acquitted or discharged or in connection with any application under applicable provisions of the Act in which relief is given to him by the Court.	
(3)	The Company may take and maintain any insurance as the Board may think fit on behalf of its present and/or former directors and key managerial personnel for indemnifying all or any of them against any liability for any acts in relation to the Company for which they may be liable but have acted honestly and reasonably.	Insurance
SECRECY		
125.	Every Director, Manager, Auditor, Treasurer, Trustee, Member of a Committee, Officer, Servant, Agent, Accountant or other person employed in the business of the Company shall, if so required by the Directors, before entering upon his duties, sign a declaration pleading himself to observe strict secrecy respecting all transactions and affairs of the Company with the customers and the state of the accounts with individuals and in matters relating thereto, and shall by such declaration pledge himself not to reveal any of the matter which may come to his knowledge in the discharge of his duties except when required so to do by the Directors or by any meeting or by a Court of Law and except so far as may be necessary in order to comply with any of the provisions in these presents contained.	
GENERAL POWER		
126.	Wherever in the Act, it has been provided that the Company shall have any right, privilege or authority or that the Company could carry out any transaction only if the Company is so authorized by its Articles, then and in that case this Article authorizes and empowers the Company to have such rights, privileges or authorities and to carry out such transactions as have been permitted by the Act, without there being any specific Article in that behalf herein provided. At any point of time from the date of adoption of these Articles, if the Articles are or become contrary to the provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time (the "**Listing Regulations**"), the provisions of the Listing Regulations shall prevail over the Articles to such extent and the Company shall discharge	General power

	all of its obligations as prescribed under the Listing Regulations, from time to time.	
LOCK-IN OF EQUITY SHARES IN CONNECTION WITH INITIAL PUBLIC OFFERING OF THE COMPANY		
#127. (1)	Notwithstanding anything to the contrary contained in these Articles, where any equity shares held by persons other than promoters are required to be locked in under Regulation 17 of SEBI ICDR Regulations and such lock-in cannot be created or recorded by Depositories for any reason whatsoever including where such equity shares are (a) subject to pledge; or (b) under "freeze balance", then the Company shall have the power, latest by 1(one) day prior to the issue closure date, to issue instructions and submit prescribed documents to the Depositories, directing them to record such equity shares as "non-transferable" for the duration of the applicable Lock-in Period. The aforementioned equity shares shall be treated as non-transferable for the Lock-in Period as specified under the SEBI ICDR Regulations.	
(2)	In the event of invocation of the pledge of such equity shares by the pledgee, whether in whole or in part, the equity shares so transferred or received by the pledgee upon such invocation shall continue to remain non-transferable in the account of the pledgee for the balance Lock-in Period.	
(3)	In the event of release of the pledge of such equity shares by the pledgee, whether in whole or in part, the equity shares so released shall continue to remain non-transferable in the account of the pledgor for the balance Lock-in Period.	
	For the purposes of this Article, (a) "Lock-in Period" means the period for which the entire pre-issue capital of the Company held by persons other than the promoters, in case of the initial public offering, is locked-in in accordance with Regulation 17 of the SEBI ICDR Regulations; and (b) "SEBI ICDR Regulations" shall mean the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended.	

The erstwhile Articles of Association, containing Article 1 – 102 was replaced by new set of Articles of Association containing Article 1 to 126 vide a Special resolution passed by the members in their Extra ordinary General Meeting held on September 1, 2025.

#Clause 8A and 127 were inserted and Clause 9 was altered vide Special resolution passed by the members in their Annual General Meeting held on August 4, 2026.
